

Dear Arapahoe School Board,

I would like to "Thank You" for giving me the opportunity to work as a paraprofessional with the children.

The job has surely opened my eyes, ears, and heart on any given day. Every day is different from the day before. The kids make my day with a hug or a smile.

I have enjoyed teaching and seeing the light bulb go on when they get what I have been trying to teach them.

With deep thought and talking to my husband I have decided to retire at the end of the year. Once again "Thank You" for letting me work for 6 years in Arapahoe School.

Sincerely,

*Benita Adams*
