3.A. Discussion on two building inspectors

Discussion was held on the possibility of the City of Crete hiring two building inspectors. City Administrator Tom Ourada stated that Building Inspector Brad Bailey will be leaving the first part of September. Ourada explained that Bailey mentioned that with all the new housing developments and nuisance hearings there is a need for two building inspectors.

Council member Anthony Fitzgerald asked if there might be a possibility that a private individual or third party affiliated with a company might also be able to do inspections. Ourada explained that might work if the need was spermatic, but there is a consistent need.

Mayor Dave Bauer stated that this is a positive thing because the City is growing. City Administrator Tom Ourada stated that the City does the best they can with what they have and will only look into hiring two building inspectors if the budget supports it.
