

Business OperationsInternal Controls

The District will develop and maintain internal control procedures as required by law and in accordance with sound fiscal monitoring practices that will ensure appropriate oversight of state and federal funds. The following internal control procedures will be utilized for all federal grants:

Generally: If the District receives federal awards, grants, or other funds, the District will:

- (a) Establish and maintain effective internal control over the federal award that provides reasonable assurance that the District manages the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal award. The District will endeavor to develop and maintain these internal controls consistent with the “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States or the “Internal Control Integrated Framework” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO);
- (b) Comply with the U.S. Constitution, federal statutes, regulations, and the terms and conditions of the federal award;
- (c) Evaluate and monitor the District's compliance with statutes, regulations and the terms and conditions of federal award;
- (d) Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; and
- (e) Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency, or pass-through entity, designates as “sensitive” or the District considers sensitive, consistent with applicable federal, state, and local laws regarding privacy and responsibility over confidentiality.

Financial Management: The District will maintain financial management systems to account for the federal funds, including records documenting compliance with federal statutes, regulations, and the terms and conditions of the federal award. These records will be sufficient to permit the District to prepare reports required by general and program-specific terms and conditions; and the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes, regulations, and the terms and conditions of the Federal award. The financial management system will provide for the following:

- 1) Identifying all of the federal awards received and expended and the federal programs under which they were received;

- 2) Ensuring that accurate, current, and complete disclosure of the financial results of each federal award or program are maintained in accordance with reporting requirements;
- 3) Identifying adequately the source and application of funds for federally-funded activities;
- 4) Ensuring effective controls over and accountability for all funds, property, and other assets;
- 5) Comparing actual expenditures with budget amounts for each federal award;
- 6) Ensuring payments of federal funds are made in accordance with applicable law, including 2 CFR § 200.305; and
- 7) Determining the allowability of costs in accordance with applicable law and the conditions of the federal award.

Cost Sharing or Matching: For all federal awards, any shared costs or matching funds and all contributions, including cash and third party in-kind contributions, must be accepted as part of the District's cost sharing or matching, when such contributions meet all of the following criteria:

- 1) Are verifiable from the District's records;
- 2) Are not included as contributions for any other Federal award;
- 3) Are necessary and reasonable for accomplishment of project or program objectives;
- 4) Are allowable under the applicable Cost Principles requirements;
- 5) Are not paid by the Federal Government under another Federal award, except where the federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
- 6) Are provided for in the approved budget when required by the federal awarding agency; and
- 7) Conform to other provisions of the law or terms and conditions of the federal award, as applicable.

Compensation: Compensation for personal services includes all remuneration for services of employees rendered during the period of performance under the federal award, including, but not limited to wages, salaries, and fringe benefits. Costs of compensation may be allowable under federal law and the federal grant to the extent that they satisfy the following requirements:

- 1) Is reasonable for the services rendered; and
- 2) Conforms to the established written expectations of the District, as applied consistently to both Federal and non-Federal activities.

If the District intends to charge compensation to federal awards, such charges will be based on records that accurately reflect the work performed, and will:

- 1) Be supported by a system of internal control which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;
- 2) Be incorporated into the official records of the District;
- 3) Reasonably reflect the total activity for which the employee is compensated by the District, not exceeding 100% of compensated activities;
- 4) Encompass both federally-assisted and all other activities compensated by the District on an integrated basis, but may include the use of subsidiary records as defined in the District's written procedures;
- 5) Comply with the established accounting policies and practices of the District; and
- 6) Differentiate and account for the distribution of the employee's salary or wages among specific activities or cost objectives if the employee works on more than one (1) Federal award; a Federal award and non-Federal award; an indirect cost activity and a direct cost activity; two (2) or more indirect activities which are allocated using different allocation bases; or an unallowable activity and a direct or indirect cost activity.

Budget estimates will generally not be used to support charges to Federal awards but may be used for interim accounting purposes.

Capitalization and Depreciation: The District will follow the rules for selected items of cost at 2 C.F.R. Part 200, Subpart E, when charging these specific expenditures to a federal grant. When applicable, District staff will check costs against the selected items of cost requirements to ensure the cost is allowable. In addition, federal, state, or program-specific rules, including the terms and conditions of the award, may deem a cost as unallowable and District personnel shall follow those requirements. The following rules of allowability apply to equipment and other capital expenditures:

- A. Capital expenditures for general purpose equipment, buildings, and land are unallowable as direct charges, except with the prior written approval of the federal awarding agency or pass-through entity.
- B. Capital expenditures for special purpose equipment are allowable as direct costs, provided that items with a unit cost of \$5,000 or more have the prior written approval of the federal awarding agency or pass-through entity.
- C. Capital expenditures for improvements to land, buildings, or equipment which materially increase their value or useful life are unallowable as a direct cost except with the prior written approval of the federal awarding agency or pass-through entity.

D. Allowability of depreciation on buildings, capital improvements, and equipment shall be in accordance with 2 CFR § 200.436 and 2 CFR § 200.465.

E. When approved as a direct cost by the federal awarding agency or pass-through entity under Sections A - C, capital expenditures will be charged in the period in which the expenditure is incurred, or as otherwise determined appropriate and negotiated with the Federal awarding agency.

F. If the District is instructed by the federal awarding agency to otherwise dispose of or transfer the equipment, the costs of such disposal or transfer are allowable.

G. Any depreciation will be computed, charged, and recorded in a manner consistent with federal regulations and any requirements of the federal awarding agency.

Maintaining Records: Financial records, supporting documents, statistical records, and all other District records pertinent to a federal award must be retained for the minimum period time as required by federal law or the terms of the federal awarding agency, whichever is longer in time.

Legal Reference: 2 C.F.R. § 200.334.

Conflict of Interest: Notwithstanding any other Board Policies or Procedures, the District shall ensure that it avoids any conflicts of interest regarding any federal awards. The District will disclose in writing any potential conflict of interest to the federal awarding agency or pass-through entity in accordance with applicable federal awarding agency policy.

Legal Reference: 2 C.F.R. § 200.112.

Unexpected or Extraordinary Circumstances: For all federal awards, if the District does not currently have in place a sufficient policy that addresses extraordinary circumstances, such as those caused by COVID-19, the District may amend or create a policy at a later date in order to put emergency contingencies in place for federal and non-federal similarly situated employees. If the conditions exist for charges to be made to the federal grant, then charges may also be made to any non-federal sources that are used by the District in order to meet a matching requirement. The District will take other steps to comply with federal award requirements in the event of unexpected or extraordinary circumstances.
