Revision

# Arts, Sciences, and Business Division

## **23-24 Awards**

Degrees: 290

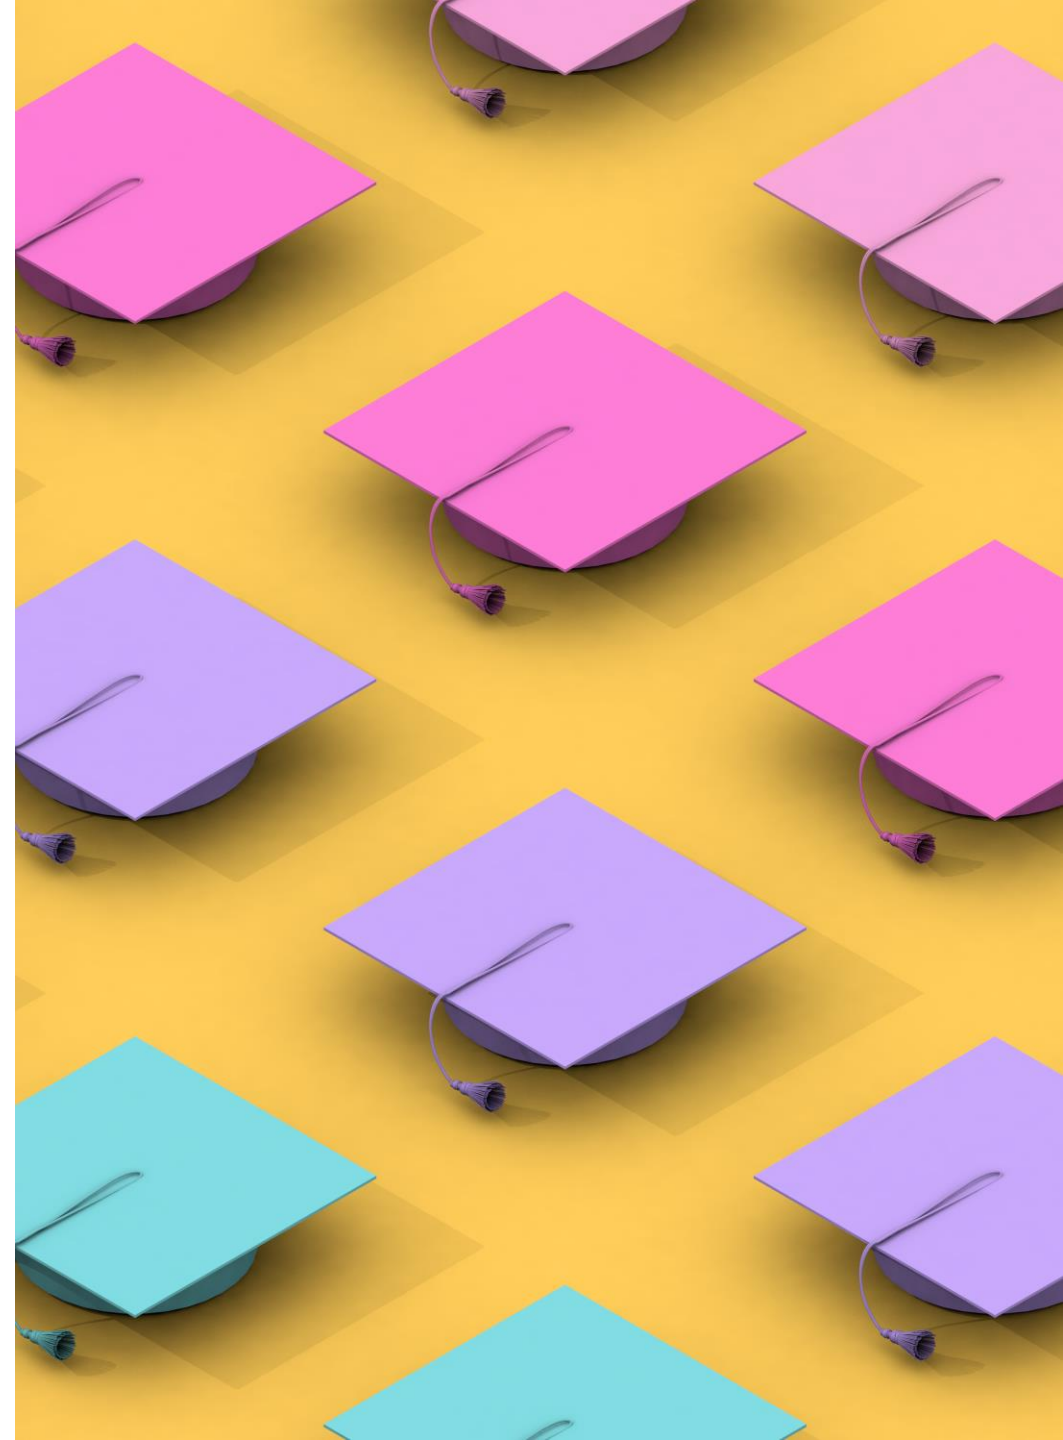

Diplomas: 200

Certificates: 342

61% of the college's FTE

41% of the college's degrees

30% of the college's awards

# Business Program Revision

## Goals

We will develop a program aligned to our vision and mission which meets the needs of our students and employers.

We will write an updated program aligned to a unified set of Student Learning Outcomes, and a meaningfully aligned learning ladder.

MET

# Business Program Revision

- By May 2024, we will complete:

- Program Revision
- Student Learning Outcomes
- Seamless laddering of diplomas, and degrees
- Course changes, deletions, and additions

**Complete: December 2024**

# Business Program Revision

## Noteworthy:

Advisory committee contributions

Survey of all classes

Faculty collaboration consensus

## Outcomes:

Fewer credits per award

More focus on common outcomes

More emphasis on broad skills

Smoother ladderling

To Be Continued...
