

DEAR CITY COUNCIL,

WE HAVE LIVED IN CRETE SINCE
1985 - FOR MANY OF THOSE YEARS
WE ENJOYED THE ISIS THEATRE AND
BOTH OUR SONS WORKED THERE.
WITHOUT THE ISIS, WE HAVE LOST
AN IMPORTANT PART OF OUR
COMMUNITY - PLEASE CONSIDER
FUNDING THE ISIS

WE NEED THIS FOR A
COMPLETE COMMUNITY.

SINCERELY,

MICHAEL MARSH

Crete City Council -

Please help the Arts Council
finish the theater. There isn't
much in town to do and
going to that theater was
one of my favorite things as
a kid.

- Regen Kolbo

Help the theater so we
have entertainment in Crete
and don't have to go out of town!
I will volunteer to help at
the theater in any way I can.

Doris Galbreath

I hope the City will decide that the
money held in reserve from the sale of
the armory to give it to the Blue River
Arts Council to complete the Isis
Theatre project. This is very just-
ifiable since the Theatre is a community
center. Everyone in our community
would benefit from children, parents, and
prior citizens. Please give your
support.

Please, invest in our
community theater. Doing so
provides opportunities for volunteerism
is creative expression - elements our
young people need.

Lorrie Furse

Please consider the
importance of the arts in
this community. Think back
to how any social gathering
played a part in your life...
Build the ISIS and let
the arts shape our tomorrow.

To Crete City Council
PLEASE help get the Isis
Theatre construction moving
forward. Many other smaller towns
still have a movie theatre and
Crete needs one too. It just
needs some help from government
Friends. You can use money for
a community center in good faith
that the Isis will bring the
community together. Please help!

City of Crete -
Please help the Isis theatre
with their renovation. There truly is
a need for this type of family
entertainment. Thank you for your
support!

Barb Vlasin

Dear Sirs,

I am asking for your assistance in directing funds to help the Arts Council finish the renovation of the ISIS theater. Our community needs this

Thank you -
Troy Thiem

Grete City Council,

I like ^{the} thought of having the city help with the restoration of the ISIS theater. It is clear that the plans would result in a community center. As a result, the \$\$\$ available in the community center fund could certainly be used for ISIS. I support that decision.

Dugoy L. Hien

Dear Council Members -

As a member of the City, I strongly urge the City to contribute monies ^{set aside from the armory} for the completion of the ISIS Theatre. To keep people in Crete & attract people, there have to be family friendly events & spaces. We go to Lincoln where a ticket costs nearly \$20. We would happily participate in Crete were it an option we raised our kids with a theatre here & families should have that opportunity again.

Sincerely, Jareen Morris

I totally support the use of City funds to help complete the Isis theatre project. Once funded I will also support helping to get an athletic facility underway. That is because I care deeply for the Community and we need both facilities to attract and keep good people in our Community.

Chris Withstreet

City Council:

I encourage you to
consider the money held for
the Community Center be transferred
to the refurbishing of the
ISIS Theatre

Most of the kids don't need
a sports complex, they need physical
work. Pick up trash, pound posts
haul balls. Sports for in school.

Put it into ISIS. We at
all ages can enjoy!

Dear Council Members,

Please consider granting
The Blue River Council's request
to have access to the
monetary funds to complete
their renovation project of
the ISIS Theatre.
