

Elementary Principal Report

NeMTSS Conference:

This conference was in Kearney on October 13 and 14. Elizabeth Klein, Kaitlin Ellis, Kaitlin Spaulding, John Strand, Mr. Perez, and myself attended the conference. Besides the keynote speaker, the conference was broken down into multiple breakout sessions each day.. I attended the following:

- 1) Update to NSCAS Growth for the 2022-2023 School Year
- 2) Listen Up! Original and Practical Ways to Learn, Practice and Train Others to Use Expert Listening to Support Students and Families, Collaborate with Colleagues and Resolve Conflict with Respect
- 3) How to Use Your Data to Guide Your School and Individual Plans

Continuous Improvement Process Support Day:

This one day training was held on October 24th at ESU 11. Elizabeth Klein, Katie Helms, Julie Stagemeyer, Mr. Perez, and myself attended the workshop. This training focused on the school improvement process and the development of a MTSS model to help support implementation of action plans and meet school improvement goals.

Teacher In-Service: March 27, 2022

During this in-service, Kate Hatch from the ESU 11 worked with our staff to review and analyze MAP data. Kate guided staff through numerous reports that can be used to assess student achievement and growth.

Teacher In-Service: November 7, 2022

During this in-service, Mr. Stagemeyer gave a demonstration of the new Mimio Board. This technology will replace the Smart Boards that are currently in the classrooms. The staff then broke down into separate faculty meetings. The Elementary staff meeting focused on the following topics:

- 1) Forming a SEL committee
- 2) IXL for Grades 2-6 in Science and Social Studies
- 3) ReadWorks
- 4) Student Data Sheet
