4.A. Consider a quote from Akrs Equipment to replace the mower deck at a cost of \$8,329.50

Airport Manager Shaun Krzycki reported that the model of the current mower isn't made any longer. It is now harder to find the parts to fix it, which is why the quote seems expensive. Discussion was had about possibly getting a new mower instead, but they are running around \$30,000. The better option at this time would be not to purchase a new mower, but to fix the current one.

Accept the quote from Akrs Equipment to replace the mower deck at a cost of \$8,329.50. Carried with a motion by Howard Nitzel and a second by Kirk Keller.
Kirk Keller: Aye, Howard Nitzel: Aye, Blaine Spanjer: Aye

5. Officers' Reports

5.A. Airport Manager Report

Airport Manager Shaun Krzycki reported only one empty hangar, which he is holding for someone with a bigger plane due to it being the only hangar big enough. Krzycki also mentioned that he has heard nothing from the person who was suggested to empty out the old fuel, but will attempt contacting them again. The issue of a hangar renter's kids messing around on four-wheelers and motorcycles out at the airport was brought up. Krzycki talked with the renter about it and it will hopefully stop.

5.B. Authority Chair and Member Reports

Chairperson Blaine Spanjer reported that work has been started on the concrete cracks and gaps. Member Howard Nitzel went through the attached list of projects and gave an update on where all of the projects are at and when they are expected to be done.
