

Secondary Principal's Report For the March 2017 Board Meeting

Honors History - Featured on Fox 42 News

A group of eight Honors History students recently returned from Ripley, OH where they were conducting action research on some historically significant underground railroad sites. Included in their research is a row of homes that may be nominated as national historic sites.

Additionally, Arlington High School students were featured on the March 6, 2017 evening broadcast on Fox 42 News. Senior CiCi Oliver and Junior Grace Volk were highlighted in a story designed to raise awareness about human trafficking. Innovation Campus - Inventure Day Winners

The team of 8th graders who won the inventure day product development workshop in the fall represented Arlington at UNL's Innovation Campus where they learned more about being entrepreneurs. Here are a few pictures of the winning team screen printing t-shirts:

Appropriate Use of Social Media - Assemblies Planned

Arlington Public Schools will be hosting two separate assemblies: one for students and one for parents. The assemblies will address rising concerns associated with inappropriate use of social media and cell phone technology; specifically sexting. The student assembly will be held on March 14 and the parent assembly will be held on March 16.

Pennies for Patients - Update

The total amount raised for the Leukemia and Lymphoma Society was \$379.81.

Winter Dance

Approximately 115 students participated in the winter dance on February 25.

To Be Discussed - Course Update

The following are proposed updates to course offerings for next school year:

- Best Practices - Offered to meet the changes to the education career pathway which is now: Introduction to Teaching, Best Practices in Education, and Exploring Teaching
