Dear Crete Council Members:

It has been a very busy and productive year for Saline County Aging Services, mostly in Crete!

We have been very busy this year with a growing need of Senior support for Medicare, Social Security and Medicaid counseling. This fall we helped Saline County Seniors save approximately \$75,000 during Medicare D Open Enrollment! We continued to go remotely to the Saline Cities and Villages and the numbers grew!!

We are starting a new exercise program called Strong Bodies to help Seniors build and maintain muscle strength. We have had a great turn out for this new program!

We have continued the Hispanic Outreach program here in Crete. It has been a very rewarding and successful program and we continue to grow in the number of Hispanic Seniors we are assisting. This year, along with help from Mayor Bauer, we have launched Home Delivered Meals with Tabitha in the Crete city area. It has been a success and very excited that we could provide this service!

This year I am asking for the same amount of assistance of \$7.85/Capita. We truly appreciate your assistance and would not be able to make as big an impact without your assistance!!

THIS YEAR WE ARE ASKING CRETE FOR FINANCIAL SUPPORT IN THE AMOUNT OF \$8007.00.

If you have any questions regarding our request or services, please do not hesitate to call.

Yours in Service,

Saline County Aging Services

To maintain the level of services currently available to Saline County residents, the Saline County Aging Services Coalition is requesting local support. We are asking for the same rate as last year. Each town will be requested to allocate \$7.85 for each elderly citizen residing in their census area. The County will be asked to allocate the same rate for each rural citizen that resides in the County outside the census areas of the towns.
