Board of Education Norms

We will work to achieve consensus while valuing differences of opinion both within our Board and when considering the input of others.

We will conduct meetings and business in a manner that is fair and professional.

We will strive to ensure our decisions are congruent with the mission, vision, and strategic plan for the District.

Each member will be committed to the School Board process by attending meetings, being on time, coming prepared, adhering to the agenda (the President of the Board may adjust the order of the agenda to allow the fullest participation of the available members of the Board upon the request of a Board Member), *referencing Robert's Rules of Order*, and participating to their full potential.

We will gather the necessary data; seek expertise from within and outside of our District; and attempt to hear from any parent, student, or other community member in order to make wise decisions that reflect all stakeholders.

We will regularly and intentionally communicate with one another, the administration, faculty, staff, students, community, and the press to ensure information is shared openly and in a relevant, timely and appropriate manner.

We will also maintain confidentiality when necessary.

We will serve as advocates for K-12 public education within our community, as well as within the state of Nebraska.

We will recognize that, as community leaders, we will adhere to the character standards that are the core of our school: respect, responsibility, compassion, and honesty.

Our collective and fundamental purpose is to assure all students acquire the knowledge, skills, and behaviors essential to be successful individuals and responsible citizens.
