- Career Fair for Juniors at Cambridge on October 8.
- FCCLA Leadership Conference at Elwood on October 8.
- Select teachers will be attending the MTSS Conference in Kearney on October 9 and 10.

We have had a good start to the school year. Our 7th grade students are still adjusting to the secondary level, but are progressing fairly well. The first Weekly Eligibility list is coming out on Monday, so this will be a wake up call to some of our students. This years' STUCO organization has really started to create activities for the entire school to help improve the culture of the building.
