Student Cell Phone and Other Electronic Devices

Students may use cell phones or other electronic devices while at school, so long as they do so safely, responsibly and respectfully and comply with all other school rules while using these devices.

By bringing their cell phones and other electronic communication devices to school, students consent to the search of said devices by school staff when permitted by law.

Students may not have cell phones or electronic devices on while they are in locker rooms, restrooms, or any other area in which others may have a reasonable expectation of privacy.

The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (including things like texting, sexting, emailing, etc.) may constitute a crime under state and/or federal law. Any person engaged in these activities while on school grounds, in a school vehicle or at a school activity will be subject to the disciplinary procedures of the student code of conduct.

While on school property, at a school activity, or in a school vehicle, students may not use their cell phones or electronic devices to bully, harass, or intimidate any other person as governed by the student code of conduct.

Students shall be personally and solely responsible for the security of their electronic devices. The district is not responsible for theft, loss or damage of any electronic device, including any calls or downloads.

Students who violate this policy may have their cell phones or electronic devices confiscated immediately. The administration will return confiscated devices to the parent or guardian of the offending student, after meeting with the parent or guardian to discuss the rule violation. Students who violate this policy may, at the discretion of the school's administration, be subject to additional discipline, up to and including suspension or expulsion.
