### Delivery Timing

---

8 - 12 weeks for delivery of materials to the job site from the time of order, submittal approval, and confirmation of order details including voltage, phase, and pole locations.

Due to the built-in custom light control per luminaire, pole locations need to be confirmed prior to production. Changes to pole locations after the product is sent to production could result in additional charges.

### Notes

---

- Shipment of the entire project together to one location
- Based on 480 Volt 3 Phase electrical system requirement (*can be changed*)
- Structural code and wind speed = 2018 IBC, 115MPH Wind Zone and exposure: C
- The owner is responsible for getting electrical power to the site, coordination with the utility, and any power company fees
- This is assuming power is adequate and readily available
- **Based on Standard soil conditions – rock, bottomless, wet or unsuitable soil may require additional engineering, special installation methods and additional cost**
- Confirmation of pole locations prior to production
- Musco is the General Contractor
- Sales representative will be present

Thank you for considering our team for your sports lighting needs. Please contact me with any questions.
