Arlington Cross Country 2015

This year was a transition year with a new head coach and lots of young runners. The boys and girls teams had a combined fifteen runners, and only three of them were juniors and seniors. It took a lot of work to get all runners to a point where they could compete competitively. By the end of the season all runners were able to run a personal best, many of them shaving anywhere from 2-5 minutes off of times from earlier in the season.

The boys' team was led by Brandon Keffer who finished in the top 15 at each meet except for districts. Other varsity runners included Sam Anzalone, Caleb Hancock, Zach Mann, Logan Sampson, and Cameron Brunning. On the girls side Lauren, Schwedhelm, Katie Martens, and Mallory Cook all competed as varsity runners. Runners on both the boys and girls teams were affected by injuries during the season.

Seniors Brandon Keffer and Mallory Cook were voted as the Booster Club Athletes of the Year.

Book Club

This year, book club offered four novels, *Black Diamond*, *Insurgent*, *Eleanor and Park*, and *Boy in the Striped Pajamas*. This year, Book Club experimented with offering nonfiction and history based selections to possibly tie in more closely with curriculum. Many of the novels were popular this year, including *Insurgent*, due to the recent movie, and *Eleanor and Park*. Among the four books, we had nine students participate. At the end of each novel, students who wanted to met for “Donuts and Discussion” to discuss the theme and how the novel relates to our everyday lives. Students are excited to read additional offerings from Book Club for next year.

The Eagle 2016

Arlington Yearbook

Not pictured: Nick Gaffney and Sam Tierney

"Behind the Scenes"

The yearbook staff this year took on a fairly challenging task. The two classes with a total of 25 students were tasked with creating three separate yearbooks. The 104-page high school yearbook with the theme "Behind the Scenes", a 24-page middle school yearbook, and, for the first time, a 32-page elementary yearbook. The middle school and elementary books have been considered a huge success and I'm confident that the high school book will be great when the students receive them in the fall.

- ▶ Staff members: 25 (2 classes)
- ▶ HS books sold: 105
- ▶ MS books sold: 73
- ▶ Elementary books sold: 135
- ▶ Ad sales: \$4,280
- ▶ Total Raised: \$10,393
