

Northwest Public Schools Board of Education.

We want to thank you  
for the arrowhead plant. It  
was beautiful! We  
appreciate you thinking  
of our family and Kim  
Aldrich at this time. We  
were touched by your  
thoughtfulness.

Sincerely,  
Megan & Matt McGill  
Barb, Dani, and Molly Jeffres

During a time  
like this  
we realize how much  
our friends and relatives  
really mean  
to us....  
Your expression  
of sympathy will always  
be remembered
