

CENTRAL COMMUNITY COLLEGE
DIESEL TECHNOLOGY
HASTINGS CAMPUS

This project consists of the purchase of a used diesel service truck with crane ractor more closely resembling the type of equipment currently being used by over the road trucking firms across the United States.

This used vehicle would be an addition to the program to supplement current coursework and utilized for recruitment opportunities student enrollment and grow the program.

The requested used service truck would cost approximately \$35,000.00

- 2011 or newer
- Powerstorke, Cummins or Duramax Automatic Transmission
- Diesel exhaust fluid aftertreatment
- Service box with crane

The College recommends the search and purchase of a vehicle, meeting the specifications designated above, in an amount not to exceed, \$35,000 for a used semi-tractor for the Diesel Technology Program.
