

Over a three-year period (calendar years 2024-2026), TCP recipient communities will have access to:

1. Targeted, individualized deep-dive technical assistance and planning support, including assistance with grant applications, project scoping, planning and pre-development activities, pre-engineering studies, and other activities as determined by selected communities (years one and two).
2. Capacity Building support, including financial, staffing, or resource support – including through subgrants – to lead applicants and their identified community partners to grow local capacity and build local technical expertise (years one and two).
3. A Community of Practice comprised of local and national partners to advance policies, practices, and projects informed by meaningful public involvement and partnership (years one, two, and three).
