Public use of City amenities is not to be impeded (i.e., covering City waste receptacles is prohibited). Additional waste receptacles or dumpsters are the sole responsibility of the applicant and must be placed on a hard surface such as asphalt or concrete.

The applicant is responsible for properly disposing of all waste and garbage throughout the event, and immediately upon the conclusion of the event the area must be returned to a clean condition. As the Event Sponsor, if you set a standard of leaving the venue better than you found it, you will have a beneficial impact on the Blair community and establish a good reputation for future events. *The Event Sponsor is responsible for all cleanup and will be charged for any additional cleanup that is left to be done by the City.*

SAFETY AND SECURITY

The Event Sponsor is required to provide a detailed plan for crowd control and internal safety. It is the sole responsibility of the Event Sponsor to provide security. The number and type of security personnel required will depend on expected attendance, history of the event, nature of the event, and the amount and type of advertising used to promote the event. Please be aware that there are differences between certified law enforcement officers (authority and ability to arrest, enforce laws, discretion to use force) and private security (limited by law to observe, report and deter crime but not authorized to use force or make arrests). For more questions regarding event safety and security, please contact the Blair Police Department at (402) 426-4747.

MARKETING/ADVERTISING/PROMOTION

Receipt of approval from all involved parties is strongly encouraged before the event is marketed, advertised, or promoted. Ensure that event materials such as handouts, websites, social media posts, etc., include details, maps, and parking options as described in this application, following approval by the City.

SIGNAGE

City of Blair regulations prohibit placement of advertising signs on utility poles, traffic controllers, and traffic signs. It is also prohibited to place a sign, poster, or notice of any kind in the street right-of-way or on any other structure located in the right-of-way. Signs that are hung on utility poles, traffic signs, or traffic lights create a safety risk and also may cause damage. They also create a traffic hazard when plated on roadside corners by distracting drivers or blocking the view of motorists. Even small signs stuck into the ground are a potential traffic hazard if located in the right-of-way. A good standard is to keep signs behind the sidewalk or fifteen (15) feet from the roadside. *The use of spray paint or permanent marking paint is prohibited.* Sidewalk chalk is allowed. Improper placement of signage will be removed by the City. All signage must be removed from the City of Blair property within four hours of the conclusion of the event.

AMPLIFIED SOUND

Amplified sound must be directed away from residences and may only be allowed during the hours of 7:00 a.m. until 11:00 p.m., with the exception of July 4th and New Year's Eve, or by special approval from the Blair City Council.

CHANGES AND CANCELLATIONS

All cancellations must be made in writing or emailed to cityclerk@blairnebraska.org. Cancellations should be received no later than seven (7) days prior to the proposed event date. The City understands that minor changes may occur prior to the event. We ask the applicant to submit all changes immediately, no less than 48 hours prior to the event.

The City reserves the right to cancel, delay, or relocate an event prior to or on the day of the event due to poor weather conditions that may cause excessive damage to City property. City staff recommends the applicant have plans in place to notify participants of changes or cancellations. The City is not responsible for any costs

associated with the changes or cancellations.

VISIBILITY

City staff recommend that event organizers be easily identifiable during the event by using safety vests or specific-colored shirts so that the event sponsor & volunteers can easily be located.
