

To LB840 Applicant:

CONGRATULATIONS on taking the first step to being awarded additional funds to help your business or event in Crete. The funds available for Economic Development, resulting from the citizen-approved sales tax increase that took effect April 1, 2011, are available first come to businesses, events and projects that meet the requirements of Crete's written Economic Development Plan, which can be found online at www.crete.ne.gov/vnews/display.v/ART/58fa7907ccebf. A written copy is also available from the City of Crete Economic Development Director.

Please review the Economic Development Plan and confirm that your project or business is eligible. Applications may be recommended for funding in full or in part or may be denied based upon the review of the Board. Final decisions regarding funding will be made by the City Council but according to the terms of the Plan, in no event may the City Council fund any Application not previously reviewed and approved by the citizen Board.

In this packet you will find an Application for Funds, a US Citizenship Attestation Form and a Check List of required items. As you will see, the Application is detailed and requires significant information and additional verification documents. If you need assistance with the application please contact any Economic Development Advisory Board member. If you have questions, please call the Economic Development Office, at 402-826-4312 or email the City Administrator, tom.ourada@crete.ne.gov

Please note that the first portion of the application will be open to the public and may be provided to the City Council for final funding review. The balance of the application and all supporting documentation including personal financial information is confidential and will only be shared with members of the Economic Advisory Board for purposes of considering your application. All confidential records will be maintained in the office of the Economic Development Board and will be kept separately and not be available for review by the public. Any questions or concerns regarding this process shall be directed to the City Administrator.

All Applicants will be required to attend a public hearing for presentation regarding their request for funding. Public hearings will be held at least quarterly and may be held more frequently at the request of the Board. All Applications presented within the three months preceding a Public Hearing will be set for presentation and consideration at the same meeting. The Board may make a recommendation for funding at the public hearing, or may vote to table an application for further information, but in no event shall an application be tabled more than once so that all decisions will be made not more than three months after the initial public hearing regarding an application. There is no guarantee that a determination will be made less than three months after submission so all applicants are urged to make timely requests for funding if projects or events have set timelines.

Mail or deliver completed application with all supporting documentation and forms to:

Economic Development Program Director

City of Crete City Hall

243 E. 13th Street, P.O. Box 86

Crete, NE 68333

We look forward to working with you through the application process. Equal Opportunity and Fair Housing Provider and Employer
