

Internal Board Policies - Methods of OperationDesignated Method of Giving Notice of Meetings

The Board of Education will give advance notice of meetings by a method designated by the Board at the Board's organizational meeting each January, or as otherwise determined by the Board. The designated method will be recorded in the Board's meeting minutes.

In addition, at least four times per calendar year, the Board will publish in a newspaper of general circulation the following information: (1) the regular meeting schedule, (2) the location of regular board meetings, and (3) the method of advanced notice designated by the Board. Notwithstanding the foregoing, the Board reserves the right to change the regular meeting schedule or location if circumstances require such a change.

Notice shall be given a reasonable time in advance of the meeting. Two (2) days advance notice shall be considered sufficient.

For an emergency meeting, notice shall not be required to be given; however, the Board will complete minutes for such an emergency meeting as required by law. An emergency has been defined as any event or occasional combination of circumstances which calls for immediate action or remedy; pressing necessity; exigency; a sudden or unexpected happening; an unforeseen occurrence or condition.

The Secretary of the Board of Education, or the Secretary's designee, shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to such news media of the time and place of each meeting and the subjects to be discussed at the meeting.
