I would like to submit my resignation for retirement. I will be retiring at the end of the 2009 academic year. I have enjoyed my teaching at Lincoln Heights and having you as my principal. Thank you for all the support in the past. Your help has made for a pleasant experience in my teaching career.

I have made many life long friendships in the past years that I will always treasure. I will gladly support Lincoln Heights in any way I can in the future.

Sincerely,

Linda Thruston
