

CENTRAL COMMUNITY COLLEGE

RAIDER READY FEES

Effective in April of 2024, Central Community College entered a contract with Barnes & Nobles College for the provision of bookstore services. The First Day Complete (Raider Ready) Program is a Barnes & Nobles service that the College has planned to implement in the spring semester of 2025. The program provides students with access to required course materials at a reduced cost and in a convenient package that is delivered on or before the first day of class, ensuring that students have the resources needed to succeed. For many students, the program can amount to a savings of 35-50% off the regular price of textbooks.

The Raider Ready program provides all required textbooks, lab manuals, access codes, and digital textbook versions to eligible students at a fee of \$22 per credit hour, per semester. The charge does not cover “recommended” texts or consumable class supplies (goggles, kits, etc.). Students can elect to opt out of the Raider Ready program at the beginning of each semester and thereby purchase their course materials on the open market or through Barnes & Nobles College at retail cost.

The College President recommends the following Motion:

The Central Community College Board of Governors approves the adoption of the First Day Complete Raider Ready Textbook Delivery Program at a fee of \$22 per credit hour, per semester.

Approved this 14th day
of November, 2024
