NOTICE OF REQUIREMENTS FOR STUDENT ADMISSION— BIRTH CERTIFICATE, IMMUNIZATION, PHYSICAL EXAMINATION AND VISUAL EVALUTION

Nebraska law requires that the parents or legal guardian furnish the following documents as a condition of admission to school:

- 1. A certified copy of the student's birth certificate issued by the state in which the child was born, prior to admission of a child for the first time. Other reliable proof of the child's identity and age, accompanied by an affidavit explaining the inability to produce a copy of the birth certificate, may be used in lieu of a birth certificate. An affidavit is defined as a notarized statement by an individual who can verify the reason a copy of the birth certificate cannot be produced. (Failure to provide the birth certificate does not result in non-enrollment or disenrollment, but does result in a referral to local law enforcement for investigation).
- 2. Evidence of a physical examination by a physician, physician assistant, or nurse practitioner, within six months prior to the entrance of the child into the beginner grade and the seventh grade or, in the case of a transfer from out of state, to any other grade, unless the parent or legal guardian submits a written statement objecting to a physical examination.
- 3. Evidence of a visual evaluation (for school year 2015-2016 and each school year thereafter) by a physician, a physician assistant, an advanced practice registered nurse, or an optometrist, within six months prior to the entrance of the child into the beginner grade and the seventh grade or, in the case of a transfer from out of state, to any other grade, unless the parent or legal guardian submits a written statement objecting to a visual evaluation. The visual evaluation is to consist of testing for amblyopia, strabismus, and internal and external eye health, with testing sufficient to determine visual acuity.
- 4. Evidence of protection against diphtheria, tetanus, pertussis, polio, measles, mumps, and rubella, Hepatitis B, Varicella (chicken pox) and Haemophilus Influenzae type b (Hib) and other diseases as required by applicable law, by immunization, prior to enrollment, unless the parent or legal guardian submits a written statement refusing immunization or meets other exceptions established by law (refer to Health and Human Services regulations, 173 NAC 3).
- 5. On and after July 1, 2010, every student entering the seventh grade shall have a booster immunization containing diphtheria and tetanus toxoids and an acellular pertussis vaccine which meets the standards approved by the United States Public Health Service for such biological products, as such standards existed on January 1, 2009.

Forms to submit objections are available from the school.

The following information is provided to assist a parent or guardian in receiving information regarding free or reduced-cost visual evaluations for low-income families who qualify: Information about free or reduced-cost visual evaluations may be obtained from the Nebraska Foundation for Children's Vision (NFCV), nechildrensvision.org, 1633 Normandy Court, Suite A, Lincoln, NE 68512—Fax 402-476-6547—Phone 402-474-7716.
