

CENTRAL COMMUNITY COLLEGE

300 WING ROOF REPLACEMENT

GRAND ISLAND CAMPUS

This project consists of replacing the low-slope roof with EPDM single-ply roofing membrane with additional polyisocyanurate insulation layers. Project also includes coordination of existing RTU and ductwork, all associated flashing and perimeter cap flashing.

The college received four bids for this project. They are as follows:

Prairie View Roofing Kearney, NE	.	\$179,000.00
White Castle Roofing Roca, NE		\$184,650.00
Tri-Cities Roofing Grand Island, NE		\$218,300.00
Stonebrook Exterior Lincoln, NE		\$218,400.00

The amount of \$250,000.00 was budgeted for this project as part of the FY 2023 – 2024 Capital improvement.

The College President recommends acceptance of the low acceptable bid from Prairie View roofing of Kearney Nebraska for \$179,000.00 to provide the labor and materials for the 300-wing roof replacement on the Grand Island Campus.
