He thanked Chase County Booster Club & Julie Gockley for presenting a check for the amount of \$9,200.00 to put towards track equipment and Allo Communications (Brad Moline) for donating a Hudl Generation 2 Focus camera that automatically records & uploads games as well as practices to Hudl. AD Hauxwell ended his report by thanking all the bus drivers, sub bus drivers, Rex Felker, Dallas Baney, and all those in transportation for stepping up and filling in driving and covering all routes and activities through this busy time.

V.2. PRINCIPALS' REPORT

Principal Lechtenberg started his report with noting that the ACT test was held on April 2nd. Juniors took the ACT which will count as an official score for students as well as the state test for our school. The sophomores took the PreACT and the freshman took a practice ACT. Lechtenberg noted that the freshman ACT scores were graded and they were presented certificates for high scores that afternoon at an assembly & the impact of ACT scores on students in terms of college admissions & scholarships were discussed. He mentioned the day was a success & he was very grateful for the teaching staff who helped make the day successful. Students in grade 3-8th will take the NSCAS as their state test. Lechtenberg also noted that curriculum is being reviewed, focusing on math, science, literature & Spanish materials. He ended his report stating advertising is being done for an ELL position, graduation is set for May 11th & course schedule is near completion. Principal Odens began her report mentioning she

attended Spring NETA in Omaha with 10 staff members & this group will be presenting to staff this Friday. The staff will rotate around to different classrooms to hear the teachers talk about various strategies & information they took from the conference. Oden mentioned Brad and Jill Moline sponsored an assembly for the students in grades 3-6, keynote speaker was singer/songwriter Steve Seskins. Region V Elementary Principals group is again sponsoring the Fifth Grade Leadership Day, which will be held in Grant Friday, May 3rd & 6 fifth graders will be attending with Mrs. Hanna. Kindergarten Round-Up is scheduled for Friday, May 3rd, anticipating about 26 students attending. Principal Oden ended her report citing Kindergarten Graduation will be held Friday, May 10th, K-5th Spring Concert is May 13th, K-4th field day is May 20th & she has completed her teacher evaluations for the year.

V.3. SUPERINTENDENT'S REPORT

Supt. Klooz started his report thanking staff, students and community for their continued support. He noted that he met with business & community leaders to review Portrait of a Graduate. He explained that we will be rolling over to the new accounting software (Specialized Data Systems) April 23, 24, & 26th. He thanked Lisa Lewis for her help in getting payroll done while we were in the interim of hiring a new Business Manager, he also thanked Peri Crabtree for her continued efforts in helping in the transition to the new accounting software. Supt. Klooz ended his report mentioning NASB conferences are upcoming & he cited his attendance to NRCSA.

7-12 Principal Report: May 2019

On April 29-30, we took a group to the NDE Data Conference to refresh and learn of any changes about the types of data required and methods of collections required by NDE. Attendees included Mr. Klooz, Mr. Herbert, Mrs. Dickey, Mrs. Klooz, Mrs. Williams, and myself.

On May 8th, at 10:00 AM we held an academic awards and scholarship program with the public invited. New this year was that scholarship donors were invited to present their scholarship to the recipient. Teachers also were allowed time to present awards specific to their content area. The program ran smoothly and lasted about 1 hour and 45 minutes.

Graduation was held on May 11th, and ran well. Mr. Herbert and Mrs. Wilson did a great job of making sure students were prepared and ready to go. I would like to thank our teaching staff for all of their work both recently and over their years to help make sure each student in the class of 2019 graduated.

MAP testing for grades 7-11 is taking place May 14-15 with two tests planned for each day. MAP data will be reviewed and used to help make informed decisions about class placement for the upcoming year and will be reviewed by teachers in order to better target student needs.

Class Scheduling. Mr. Herbert has begun to assign students to classes and is has completed the incoming 7th and 8th graders. There is a slight hold on sharing the final schedule as we are still in the process of completing our plans for the vacant Family Consumer Science position.

Registration for Driver's Education classes have closed and class will run in the evenings May 20-24.

A "project night" will take place on May 21st in the Auxiliary gym beginning at 5:30 PM. Students with end of the year projects will set up and present to the community. Parents and community members are encouraged to come.

An awards program for grades 5-8 will be held in the auditorium on Thursday, May 23 beginning at 9:15 AM. Parents and community members are encouraged to come help us celebrate the achievements of our Middle School students.

Last day of school is Thursday, May 23rd. Students will failing grades and/or missing assignments may be required to come to school on Friday to finish any required items needed to receive credit for their current classes.

Mrs. Odens' May, 2019 School Board Report

The staff enjoyed the ice cream and brownies that kicked off Teacher Appreciation Week. PTO also provided a salad bar lunch for all staff on Friday, May 10th.

Kindergarten Round-Up was held Friday, May 3rd. We are anticipating 30 kindergarteners next year.

Kindergarten Graduation was held in the Longhorn Gym on Friday, May 10th at 1:30. We used the "big" stage and the chairs that were set up for the High School graduation.

The spring vocal concert was Monday, May 13th.

Field Day will be held Monday, May 20th for grades K-4.

Mrs. Hanna took some fifth graders to the Leadership Day held at Perkins County School. Navy Havel, Tessa Smith, Anna Aragon, Krayton Paisley, Noah Rau, and Haven Hauxwell attended.

The students and teachers continue to be busy finishing up the school year. The teachers are splitting up the classes for next year. We are also meeting as grade-level teams with next year's teachers and sharing information about their students' academics and behaviors.
