Mrs. Odens' May, 2021 School Board Report

The staff enjoyed the fruit pizza that the school board provided for them last Friday in honor of Teacher Appreciation Week. The PTO members and some students also went around with a snack cart for teachers and staff on Friday.

Last night, the K-6 teachers and paras had a great meal at Enders Golf Course to celebrate that over 70% of our students are now at grade level or above. We had set this goal at the beginning of the year and were very pleased with the fact that it was met.

1st Grade will be having a promotion celebration on Thursday, May 13th at 2:30 in the auditorium. This is being held this one time only because of this group of students not having kindergarten graduation.

Kindergarten Graduation will be held in the Longhorn Gym on Friday, May 14th at 2:00. We will use the "big" stage and the chairs that were set up for the High School graduation.

The spring K-4 vocal concert will be next Monday, May 17th.

On Monday, May 17th Imperial Beef and Brad and Lindsey Foote are providing a free steak sandwich meal for all staff and students. In the afternoon we will have an ice cream sundae party for the students that reached their grade level above and beyond goal for reading steps.

Tuesday, May 18th we will have a K-4 Awards Ceremony at 2:00 in the Longhorn Gym.

Field Day will be held in the afternoon on Wednesday, May 19th for grades K-4.

On Thursday, the last day of school, 5-8 grade students will have an awards ceremony for top growth and scores for MAP. There will also be certificates and t-shirts given for character awards.

The students and teachers continue to be busy finishing up the school year. The teachers are splitting up the classes for next year. We are also meeting as grade-level teams with next year's teachers and sharing information about their students' academics and behaviors.

Board Report

May 11, 2021

Adam Lambert
Superintendent of Schools

Academics & Students

- Lots of testing has been taking place this last month. MAPS, NSCAS, ACT. It was reported to me that the district administered 760 state tests in grades 3-8 plus the ACT for the juniors. I think we are starting to finish up with MAPS testing at the middle school level.
- All special education services have been up and running. SLP services have been running really well. There have been some technical glitches with Global Telehealth. We also had a meeting with Luke McConnell services in preparation for next school year. Luke and Kristi Chessmore (SPED director) met with our administration team, special education team and counseling team.
- We had H.S. ELA, middle School/H.S. art, and 1 H.S. Science teacher accepted positions for the '21-'22 school year. We are still working on trying to fill a 2nd H.S. Science position.
- We had our last safety committee meeting of the year, nothing new came up. Angie Paisley and I met with an NDE representative concerning a summer safety training that we are planning on attending.
- The principals and I have chosen the Marzano Instructional Model for our district. I am working on setting up summer trainings for the administration team for this summer and will work with them to set up trainings for teachers during the next school year.

- We had a truancy diversion meeting with the county attorney's office. The county attorney's office and Mr. Sorensen have been working together in developing this plan. We hope it will help with severe truancy cases in the future.

Building & Grounds

- Had a transportation committee meeting to discuss the purchase of 2 buses. Between a federal grant and a loss claim, we will be able to pay for half of a bus with those funds (around \$43,000)
- Fisher Tracks out of Boone, IA came out and took a look at our track. They were impressed with its condition for being 10 years old since it was completed. They will send me a bid to get it resurfaced. They claim, if we take care of it like we have, that it would last another 10 years before another resurfacing is necessary.
- Bleacher end curtains were installed in the Longhorn gym. They look really nice and will be very functional in keeping students safe and out from behind the bleachers.
- The new website went live Monday afternoon. There are some bugs they are still working through, but it is up and running. Once the kinks are out we will start sending out campaign materials for people to download the new app etc.

Budget & Finance

- We met MOE for the '19-'20 school year.
- Teachers have been informed to make all of their purchases before the last teacher contract day.
- We were approved for REAP funds for next school year in the amount of around \$39,000. We usually allocate those funds for technology. I will have to double check, but I think we also have about \$15,000 left to spend by Jan. 2022 from this last cycle.
- Through April our general fund is currently sitting at over 7% savings for this fiscal year. This is solely based off of the fiscal year budget and not actual revenue.
