Closed sessions may be held when clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual. Reasons that meet this standard include but are not limited to: (a) strategy sessions with respect to collective bargaining, real estate matters, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) discussion regarding deployment of security personnel or devices; (c) investigative proceedings regarding allegations of criminal misconduct; (d) evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; and (e) legal advice.

9.13. Items From Closed Session

10. Adjournment

THE NEBRASKA OPEN MEETINGS ACT
NEB. REV. STAT. §§ 84-1407 through 84-1414

A. BASIC PROVISION. The basic statement of our state policy on public meetings is found at Neb. Rev. Stat. § 84-1408. That statute provides, “[i]t is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of the State of Nebraska, federal statutes, and the Open Meetings Act.”

1. **History.** Section 84-1408 was passed as a part of LB 325 in 1975. That bill repealed previously existing public meetings provisions and substituted new provisions which were intended to preserve the features of the previous law and strengthen and expand their authority. Government Committee Statement on LB 325, 84th Nebraska Legislature, First Session (1975). LB 325 was passed to ensure that all meetings of public bodies would be open to the public, except when protection of the public interest clearly called for a closed session concerning specific matters. *Id.* 2004 Neb. Laws LB 821, § 34 formally established the name of §§ 84-1407 through 84-1414 as the “Open Meetings Act.”

2. **Purpose.** The Nebraska open meetings laws are a statutory commitment to openness in government. *Wasikowski v. Nebraska Quality Jobs Board*, 264 Neb. 403, 648 N.W.2d 756 (2002); *Steenblock v. Elkhorn Township Board*, 245 Neb. 722, 515 N.W.2d 128 (1994); *Grein v. Board of Education of the School District of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984). Their purpose is to ensure that public policy is formulated at open meetings of the bodies to which the law is applicable. *Dossett v. First State Bank, Loomis, NE*, 261 Neb. 959, 627 N.W.2d 131 (2001); *Marks v. Judicial Nominating Commission for Judge of the County Court of the 20th Judicial District*, 236 Neb. 429, 461 N.W.2d 551 (1990); *Pokorny v. City of Schuyler*, 202 Neb. 334, 275 N.W.2d 281 (1979). In Nebraska, the formation of public policy is public business, which may not be conducted in secret. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010); *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (Neb. Ct. App. 1993).

3. **Construction.** The open meetings laws should be broadly interpreted and liberally construed to obtain their objective of openness in favor of the public. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010); *State ex rel. Upper Republican Natural Resources District v. District Judges of the District Court for Chase County*, 273 Neb. 148, 728 N.W.2d 275 (2007); *State ex rel. Newman v. Columbus Township Board*, 15 Neb. App. 656, 735 N.W.2d 399 (Neb. Ct. App. 2007); *Alderman v. County of Antelope*, 11 Neb. App. 412, 653 N.W.2d 1 (Neb. Ct. App. 2002); *Rauert v. School District I-R of Hall County*, 251 Neb. 135, 555 N.W.2d 763 (1996); *Grein, supra*. The beneficiaries of the openness sought by the Open Meetings Act include citizens, members of the general public, and reporters or other representatives of the news media. *State ex rel. Newman v. Columbus Township Board*, 15 Neb. App. 656, 735 N.W.2d 399 (Neb. Ct. App. 2007).

4. **Exceptions.** Section 84-1408 requires open meetings except “as otherwise provided by the Constitution of the State of Nebraska, federal statutes, and the Open Meetings Act.” The Attorney General has concluded that the Nebraska Legislature is not covered under the open meetings statutes because the Nebraska Constitution separately provides for public access to that body. Op. Att’y Gen. No. 120 (July 25, 1985).

5. **Subsequent Legislative Limitations.** The Legislature holds the power to decide the scope of citizen access to governmental meetings. As a result, the Legislature has the right to limit access to public meetings and the effect of the Open Meetings Act through later statutory provisions which provide that certain information in the possession of government should remain confidential without exception or limitation. *Wasikowski v. Nebraska Quality Jobs Board*, 264 Neb. 403, 648 N.W.2d 756 (2002).

B. PUBLIC BODIES COVERED UNDER THE ACT. Under § 84-1409(1), public bodies covered by the Open Meetings Act include: (1) governing bodies of all political subdivisions of the State; (2) governing bodies of all agencies of the executive department of state government created by law; (3) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created pursuant to law; (4) all study or advisory committees of the executive department of the state whether of continuing or limited existence; (5) advisory committees of the governing bodies of political subdivisions, of the governing bodies of agencies of the executive branch of state

government, or of independent boards, commissions, etc.; and (6) “instrumentalities exercising essentially public functions.”

1. **History.** The initial portion of § 84-1409(1) defining public bodies was originally part of LB 325 passed in 1975. It has been amended several times to add additional entities to the list of bodies covered, and the Certificate of Need Review Committee was removed in 1997. See 1997 Neb. Laws LB 798; 1989 Neb. Laws LB 429 and LB 311; 1983 Neb. Laws LB 43. The language concerning “instrumentalities exercising essentially public functions” was added in 1989 to reach entities such as the Nebraska Investment Finance Authority. Floor Debate on LB 311, 91st Nebraska Legislature, First Session, May 9, 1989, at 6039, 6040.

2. **Cases and Opinions.** A number of cases and opinions of the Attorney General deal with various aspects of the definitions of public body found in § 84-1409(1).

a. “Political subdivision” is not defined within the public meetings statutes. However, the Attorney General has indicated that generally the term denotes any subdivision of a state which has as its purpose carrying out functions of the state which are inherent necessities of government and which have always been regarded as such by the public. 1979-80 Rep. Att’y Gen. 140 (Opinion No. 98, dated April 25, 1979). Presumably, this term includes cities, counties, villages, etc., and their governing boards are covered by the open meetings statutes.

b. In *Nixon v. Madison County Agricultural Society*, 217 Neb. 37, 348 N.W.2d 119 (1984), the Court held that a county agricultural society, organized under the Nebraska statutes, was subject to the provisions of the open meetings law. The Court noted that, although the society at issue resembled a private corporation in some respects, the fact that it had the right to receive support from the public revenue gave it a public character. The agricultural society apparently was an “independent board . . . created by constitution, statute, or otherwise pursuant to law.” Based upon the *Nixon* case, the Attorney General concluded that county extension services which have the right to receive support from public revenues are subject to the open meetings law. Op. Att’y Gen. No. 219 (July 24, 1984). Also based upon the *Nixon* case, the Attorney General has indicated that county agricultural societies are subject to the

open meetings statutes. Op. Att’y Gen. No. 91007 (January 28, 1991). In addition, Neb. Rev. Stat. § 2-238 requires that result.

c. In *Marks v. Judicial Nominating Commission for Judge of the County Court of the 20th Judicial District*, 236 Neb. 429, 461 N.W.2d 551 (1990), the Court held that the open meetings statutes do not apply to the activities of a judicial nominating commission which is meeting to select nominees for judicial vacancies. Such a nomination procedure does not involve the formulation of public policy subject to the Act.

d. The Nebraska Court of Appeals, in *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (Neb. Ct. App. 1993), held that the open meetings statutes apply to the governing bodies of all agencies of the executive branch of government, including the Nebraska Environmental Control Council.

e. In *State ex rel. Newman v. Columbus Township Board*, 15 Neb. App. 656, 735 N.W.2d 399 (Neb. Ct. App. 2007), the Nebraska Court of Appeals concluded that the electors of a Nebraska township, when assembled at the township’s annual meeting, constitute a governing body of the township which is subject to the Open Meetings Act and its provisions concerning notice and preparation of an agenda.

f. The Nebraska Court of Appeals indicated in *Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009), that a county board of equalization is a public body as defined in § 84-1409. The court also held in that case that when two boards are made up of the same members, the duties and functions of the two boards, rather than their membership, determine if they are the same or separate and distinct bodies.

g. Committees of faculty, administration and students created by the Board of Regents of the University of Nebraska to advise the Chancellor of the University in his administrative/management function with respect to budget cuts were part of the management structure of the University and not public bodies subject to the open meetings statutes. Op. Att’y Gen. No. 92020 (February 12, 1992).

h. In Op. Att’y Gen. No. 11 (January 20, 1983), the Attorney General indicated that the Environmental Control Council is a public body subject to the open

meetings law. On the other hand, the Department of Environmental Control is not. Section 84-1409 applies to governing bodies of state agencies, not the agencies themselves.

i. An employee grievance appeal hearing conducted by a hearing officer is not a meeting of a public body since the word “body” is commonly understood to refer to a group or number of persons, and thus does not include an individual conducting a hearing. Op. Att’y Gen. No. 210 (May 16, 1984).

j. In 1989, the Attorney General indicated that the Central Low-Level Radioactive Waste Compact Commission was not subject to the Nebraska open meetings law because it was a multi-state body which was not created by constitution or statute and which was not a governing body of a Nebraska state agency. Op. Att’y Gen. No. 89008 (February 14, 1989). However, Neb. Rev. Stat. § 71-3521 (the Waste Compact agreement itself) provided that meetings of the Compact Commission must be open to the public with reasonable advance publicized notice, and that the Compact Commission must adopt by-laws consistent in scope and principle with the open meetings law of the host state. Section 71-3521 was repealed by 1999 Neb. Laws LB 530, § 2, and Nebraska withdrew from the Central Low-Level Radioactive Waste Compact.

k. A county welfare board is subject to the open meetings law as an independent board created by statute. 1979-80 Rep. Att’y Gen. 351 (Opinion No. 244, dated March 4, 1980).

l. In Op. Att’y Gen. No. 95014 (February 22, 1995), the Attorney General indicated that the Mayor’s Citizen Review Board, appointed by the Mayor of Omaha to advise the Mayor with respect to alleged misconduct of police officers, was not subject to the open meetings statutes because it did not fall under the definition found in § 84-1409(1), and because the board was essentially an administrative body which was part of the management structure of the City.

m. In Op. Att’y Gen. No. 93065 (July 27, 1993), the Attorney General concluded that parole reviews under Neb. Rev. Stat. § 83-1,111 may be closed, and are not subject to open meetings requirements.

n. The Excellence in Education Council created to make recommendations to the Governor regarding selection of projects for Education Innovation grants is a public body which is subject to the open meetings statutes, and its decisions concerning specific recommendations must be done in open session. Op. Att’y Gen. No. 94092 (November 22, 1994).

o. The Quality Jobs Board created under the Quality Jobs Act, Neb. Rev. Stat. §§ 77-4901 through 77-4935 is a public body subject to the Open Meetings Act. Op. Att’y Gen. No. 96071 (October 28, 1996).

p. A County Hospital Authority formed under the Hospital Authorities Act, Neb. Rev. Stat. §§ 23-3579 through 23-35,120 is a public body which is subject to the Open Meetings Act. Op. Att’y Gen. No. 97012 (February 14, 1997).

q. The Nebraska State Board of Agriculture (the State Fair Board) is not a public body which is subject to the Open Meetings Act, primarily because it has no statutory right to public revenue and also because of case law which indicates that it is a private corporation. Op. Att’y Gen. No. 01038 (November 27, 2001).

r. A county clerk, county attorney and county treasurer acting as a group under § 32-567(3) to make an appointment to fill a vacancy on a county board constitute a public body which is subject to the Open Meetings Act. Op. Att’y Gen. No. 97050 (September 18, 1997).

s. The Attorney General has indicated informally that the Nebraska Board of Pardons and the Board of Inquiry and Review created under Neb. Rev. Stat. §§ 80-317 through 80-319 to receive and act upon applications submitted for membership in Nebraska Veterans Homes are subject to the state’s open meetings statutes.

t. In Op. Att’y Gen. No. 15016 (October 29, 2015), the Attorney General concluded that the Metropolitan Entertainment & Convention Authority (MECA) constituted a hybrid public/private entity subject to the Open Meetings Act. The Attorney General based his conclusion on the fact that MECA was a creation of city ordinance and was responsible for managing and controlling the City of Omaha’s public events facilities.

3. **Other Statutes.** Neb. Rev. Stat. § 2-238 requires county agricultural societies and county fair boards to comply with the open meetings statutes. Previously, under Neb. Rev. Stat. § 85-1502 all coordination activities conducted by the association of community college area boards were subject to the open meetings statutes. This provision was repealed in 2013 Neb. Laws LB 211, § 3.

4. **Exceptions.** Section § 84-1409(1)(b) exempts two types of entities and the Judicial Resources Commission from the provisions of the Open Meetings Act:

a. **Subcommittees.** Subcommittees of the various bodies described earlier in § 84-1409 are not public bodies under the Open Meetings Act unless a quorum of the public body attends a subcommittee meeting, or unless those subcommittees are holding hearings, making policy or taking formal action on behalf of the parent body. For example, in *Meyer v. Board of Regents of the University of Nebraska*, 1 Neb. App. 893, 510 N.W.2d 450 (Neb. Ct. App. 1993), the court indicated that meetings of an executive subcommittee of the University of Nebraska Board of Regents with the University President to discuss his tenure were not subject to the open meetings laws because of that portion of the statute. Section 84-1409(1) was also amended by 2011 Neb. Laws LB 366 to specifically provide that all meetings of subcommittees of the Nebraska Environmental Trust Board established to rate grant applications under Neb. Rev. Stat. § 81-15,175 are subject to the Open Meetings Act.

- i. In *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 880-881, 725 N.W.2d 792, 805-806 (2007), the court indicated that while “subcommittee” is not defined in the Open Meetings Act, a subcommittee is generally a “group within a committee to which the committee may refer business.” In addition, “making policy,” which subjects a subcommittee to the Open Meetings Act under § 84-1409, apparently includes “receiving background information about a policy issue to be decided.” *Id.* In contrast, “nonquorum gatherings” of members of a public body “intended to obtain information or voice opinions” do not seem to involve violations of the Act. *Id.* See also *Koch v. Lower Loup Natural Resources District*, 27 Neb. App. 301, 931 N.W.2d 160 (Neb. Ct. App. 2019) (Notwithstanding statements from staff and/or committee members that committee meetings were open to the public, the Nebraska Court of Appeals found that the committee was a

subcommittee of the NRD board and, therefore, not subject to the Open Meetings Act.).

ii. The language applying the open meetings statutes to certain subcommittee meetings when there is a quorum of the public body present was added to § 84-1409(1) as a result of LB 1019 passed by the Legislature during the 1992 regular session.

b. **Entities Conducting Judicial Proceedings.** Entities conducting judicial proceedings are not public bodies under the Open Meetings Act unless the court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders. LB 325, the original open meetings statute of 1975, was directed strictly at policy making bodies which were legislative or quasi-legislative. Floor Debate on LB 325, 84th Nebraska Legislature, First Session, May 14, 1975, at 4618.

i. In *McQuinn v. Douglas County School District No. 66*, 259 Neb. 720, 612 N.W.2d 198 (2000), the Nebraska Supreme Court held that a hearing before a school board on the question of the nonrenewal of a probationary certificated teacher's contract where the matters before the board pertained solely to disputed adjudicative facts involved a judicial function, and on that basis, the hearing was not subject to the open meetings statutes. In that context, a school board exercises a judicial function if it decides a dispute of adjudicative fact or if a statute requires it to act in a judicial manner. Adjudicative facts are those ascertained from proof adduced at an evidentiary hearing which relate to a specific party. The *McQuinn* case is discussed further in *Bligh v. Douglas County School District No. 0017*, 2008 WL 2231063, 2008 Neb. App. LEXIS 106 (Neb. Ct. App. 2008) (Not approved for publication).

ii. The Attorney General has determined that hearings before various agencies are judicial and not subject to the open meetings law: 1975-76 Rep. Att'y Gen. 127 (Opinion No. 105, dated July 14, 1975) (hearing before a County Board of Mental Health); Op. Att'y Gen. No. 184 (January 31, 1984) (hearing before the Nebraska Equal Opportunity Commission); Op. Att'y Gen. No. 210 (May 16, 1984) (hearing before a hearing officer appointed by the State Personnel Board); Op. Att'y Gen. No. 02016 (May 21, 2002) (contested case hearing

before the Power Review Board on application of electricity suppliers for construction or acquisition of generation facilities); Op. Att’y Gen. No. 05014 (October 19, 2005) (appeal hearing regarding the Nebraska Veterans’ Aid Fund before the Nebraska Veterans’ Advisory Commission). But, the Attorney General has concluded that a hearing before the Certificate of Need Review Committee is covered by the open meetings statutes. Op. Att’y Gen. No. 87019 (February 13, 1987).

iii. Parole hearings conducted by the Board of Parole are judicial in nature and not subject to the open meetings statutes. However, other statutes specifically pertaining to operation of the Board of Parole require that such parole hearings be conducted with elements of notice and in a manner open to the public. Op. Att’y Gen. No. 93065 (July 27, 1993).

iv. When the State Board of Education holds hearings in contested cases under the state Administrative Procedure Act, such hearings are not subject to the Open Meetings Act. The Board is not required to give notice of such hearings to the public under those statutes, and it may conduct its deliberations and decision-making process for such hearings by a telephone conference call. Op. Att’y Gen. No. 99046 (November 15, 1999).

c. **Judicial Resources Commission**. During the 2022 legislative session, language was added to § 84-1409(1)(b) excluding “the Judicial Resources Commission or subcommittees or subgroups of the commission” from the list of public bodies subject to the Act. See 2022 Neb. Laws LB 922, § 12.

C. MEETING DEFINED. Under § 84-1409(2), meetings, for purposes of the open meetings statutes, are defined as “all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body.” Section 84-1410(5) also provides that the open meetings statutes shall not apply to “chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.”

1. The legislative history of LB 325, from 1975, indicates that meetings of a public body do not include social meetings or meetings which were not called

by the body. Government Committee Hearing on LB 325, 84th Nebraska Legislature, First Session (1975) at 2-3.

2. However, § 84-1409 was amended by LB 43 in 1983 to include "formal or informal" meetings. The legislative history of that bill indicates that a meeting between a state senator and the members of a local school board to discuss legislation would constitute an "informal called meeting." Government, Military and Veterans' Affairs Committee Hearing on LB 43, 88th Nebraska Legislature, First Session (1983) at 5-8.

3. The provision of § 84-1410(5) pertaining to "chance" meetings, etc., was added by LB 43 in 1983.

4. The legislative history of LB 43 from 1983 indicates that a "meeting" does not occur absent a quorum. Government Military and Veterans' Affairs Committee Hearing on LB 43, 88th Nebraska Legislature, First Session (1983) at 19. In addition, the Attorney General has concluded that the presence of a majority of the members of a public body is necessary for a meeting to occur. 1975-76 Rep. Att'y Gen. 150 (Opinion No. 116, dated August 29, 1975). In *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (Neb. Ct. App. 1993), the Nebraska Court of Appeals indicated that "private quorum conferences" are an evasion of the law. The Nebraska Supreme Court also indicated that subgroups of the Omaha City Council constituting less than a quorum of that body were not public bodies on that ground. *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007).

5. Even when a quorum of public body is present in one location, there is no meeting under the Open Meetings Act if there is no interaction or discussion among members of the body regarding policymaking for the public body. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010). The secret formation of public policy forbidden by the Open Meetings Act is the formation of public policy as a group. *Id.* As a result, there is no meeting of a public body based upon the unspoken thoughts of its members who happen to be sitting in the same room. *Id.* The Open Meetings Act is not so broad and sweeping as to require public access to any gathering of any sort that is attended by a quorum of a public body. *Id.* See also *Salem Grain Company, Inc. v. City of Falls City*, 362 Neb. 548, 924 N.W.2d 678 (2019), in which the Nebraska Supreme Court found that a dinner attended by members of the Falls City Community Redevelopment Authority and emails exchanged

between authority members did not constitute a “meeting” as defined in § 84-1409(2) of the Act.

6. In *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (Neb. Ct. App. 1993), the Court of Appeals held that informational sessions where the Council heard reports from staff of the Department of Environmental Control were briefings which were subject to the requirements of the open meetings statutes. The Court stated that listening and exposing itself to facts, arguments and statements constitutes a crucial part of a governmental body’s decision making. As a result, receiving information triggers the requirements of the statutes, and the open meetings law applies to meetings at which briefing or the formation of tentative policy takes place, as well as to meetings where action is contemplated or taken.

7. *Rauert v. School District I-R of Hall County*, 251 Neb. 135, 555 N.W.2d 763 (1996), involved allegations by the plaintiff that a quorum of the defendant school board met in the office of the superintendent of schools on a regular basis for “clandestine” meetings before the beginning of most scheduled board meetings where business was discussed and decided and checks were signed to pay claims which had not been approved in public session. The board then allegedly moved and voted on business at its public meeting with little or no discussion in order to deprive the public of the right to be fully informed. The Supreme Court held that the District Court properly failed to find a violation of the Open Meetings Act with respect to those allegations in the absence of any evidence as to the specific dates and details of the alleged “clandestine” meetings.

8. In *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010), the Nebraska Supreme Court considered the propriety of a situation where two separate groups of a city council, neither of which constituted a quorum of that body, toured an ethanol facility for informational purposes. The court ultimately concluded that there was no meeting of the city council as a result of the tours—there was no quorum of the council present, the small groups were merely acquiring information, and there was no evidence that the council was, through the tour, attempting to reach a consensus and form public policy in secret.

9. In *Schauer*, the court also noted that the Open Meetings Act does not require policymakers to remain ignorant of the issues they must decide until

the moment the public is invited to comment on a proposed policy. Moreover, the public would be ill served by restricting policymakers from reflecting on and preparing to consider proposals, or from privately suggesting alternatives. As a result, the court indicated that the Legislature, by excluding nonquorum subgroups from the definition of a public body, balanced the public's need to be heard on matters of public policy with a practical accommodation for a public body's need for information to conduct business. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010) (citing *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007)); *Koch v. Lower Loup Natural Resources District*, 27 Neb. App. 301, 931 N.W.2d 160 (Neb. Ct. App. 2019).

10. The Attorney General has indicated that an "emergency meeting" may be conducted by electronic and telecommunications equipment including radio and telephone conferences. 1975-76 Rep. Att'y Gen. 150 (Opinion No. 116, dated August 29, 1975). On the other hand, the open meetings statutes do not generally authorize the use of telephone conference calls for non-emergency meetings of a public body, and absent members of a public body may not be counted to achieve a quorum through the use of a conference call. Op. Att'y Gen. No. 92019 (February 11, 1992). [Section 84-1411 has been amended a number of times to allow specified public bodies including the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act or the Municipal Cooperative Financing Act, the board of an educational service unit, the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, a community college board of governors, the governing body of public power district, the governing body of a public power and irrigation district, or the Educational Service Unit Coordinating Council to meet by telephone conference call in certain circumstances. See 1999 Neb. Laws LB 461; 2000 Neb. Laws LB 968; 2007 Neb. Laws LB 199; 2009 Neb. Laws LB 36, 2012 Neb. Laws LB 735, 2013 Neb. Laws LB 510 and Section D.2. below.]

11. An "informational and educational" meeting of a public body governing a political subdivision where members generally discuss matters pertaining to their subdivision, hear reports from various department heads of the subdivision as to their duties and learn the workings of the subdivision is a meeting of the public body for "briefing" purposes which is subject to the open meetings statutes. Op. Att'y Gen. No. 92043 (March 17, 1992). In

addition, the Attorney General has also indicated informally that a meeting of a public body “for the purpose of receiving training or doing planning (such as a retreat)” should probably be treated as subject to the Open Meetings Act.

12. In Op. Att’y Gen. No. 94035 (May 11, 1994), the Attorney General indicated that discussions and deliberations by the State Board of Education in connection with the selection of a Commissioner of Education were subject to the requirements of the open meetings statutes. In addition, that opinion indicated that interviews with individual candidates for the Commissioner position were also subject to the requirements of the open meetings statutes, if a quorum of the Board was present for those interviews. However, in the latter interview situation, a brief closed session (as discussed below) might be warranted for a candid discussion by the Board and the candidate which might potentially elicit responses injurious to the reputation of an individual.

13. A workshop held by the Board of Regents of the University of Nebraska with a professional facilitator to discuss communication practices and the roles of the Board and the University President was not subject to the Open Meetings Act on the basis of § 84-1410(5) which exempts chance meetings or attendance at or travel to conventions or workshops. The University also asserted that there would be no briefing, discussion of public business, formation of tentative policy, vote, or taking of other action at the workshop. Op. Att’y Gen. No. 04027 (October 20, 2004).

D. PUBLIC MEETINGS; NOTICE AND AGENDA REQUIRED. Section 84-1411(1)(a) and (2)(a) require that (1) each public body must give **reasonable advance publicized notice** of the time and place of each meeting; (2) the notice must be transmitted to all members of the body and to the public; and (3) the notice must contain an agenda of subjects known at the time of the publicized notice, or a statement that such an agenda, which must be kept continually current, is readily available for inspection at the principal office of the public body during normal business hours.

1. **Notice.** 2024 Neb. Laws LB 287, § 74 amended § 84-1411 to authorize public bodies to publish notice on newspaper websites and “a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers” (i.e., nepublicnotices.com) to satisfy publication requirements in instances when publication in a

newspaper is not feasible. These provisions became operative on April 17, 2024.

a. Until January 1, 2025:

- i. Governing bodies of political subdivisions and their advisory committees must publish notice in a newspaper of general circulation within the public body's jurisdiction and, if available, on the newspaper's website. Neb. Rev. Stat. § 84-1411(1)(b)(i).
- ii. Governing bodies of cities of the second class or villages and their advisory committees or governing bodies of rural or suburban fire protection districts must either publish notice in a newspaper of general circulation within the public body's jurisdiction and, if available, on the newspaper's website, or post written notice in three conspicuous public places in the city, village or district. The posting locations must remain the same for each meeting. Neb. Rev. Stat. § 84-1411(1)(b)(ii)(A)-(B).
- iii. For all other public bodies, notice shall be given by a method designated by the public body. Neb. Rev. Stat. § 84-1411(1)(b)(iii).
- iv. In case of the newspaper's refusal, neglect, or inability to timely publish the notice, the public body shall (1) post the notice on its website, if available, and (2) post the notice in a conspicuous public place within the body's jurisdiction. The public body shall keep a written record of such posting, which shall be evidence that posting occurred and fulfilled the publication requirement. Neb. Rev. Stat. § 84-1411(1)(b)(iv).
- v. Governing bodies of political subdivisions and their advisory committees may also provide notice of their meetings by any other

appropriate method designated by the public body. Section 84-1411(1)(c). Section 84-1411(1)(d) requires each public body to record the method(s) and date(s) of such notice in its minutes.

b. Beginning January 1, 2025:

- i. Governing bodies of political subdivisions and their advisory committees must give notice by (1) publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (2) posting on the newspaper's website, if available, and (3) posting on nepublicnotices.com. The newspaper shall place the notice in the newspaper and on the websites. Neb. Rev. Stat. § 84-1411(2)(b)(i)(A).

OR

Give notice by (1) posting on the newspaper's website, if available, and (2) posting on nepublicnotices.com if no edition of a newspaper will be finalized for printing prior to the time and date of the meeting. The newspaper shall place the notice in the newspaper and on the websites. Neb. Rev. Stat. § 84-1411(2)(b)(i)(B).

- ii. Governing bodies of cities of the second class and villages, and their advisory committees, or governing bodies of rural or suburban fire protection districts must give notice by (1) publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (2) posting on the newspaper's website, if available, and (3) posting on nepublicnotices.com. The newspaper shall place the notice in the newspaper and on the websites. Neb. Rev. Stat. § 84-1411(2)(b)(ii)(A).

OR

Give notice by (1) posting on the newspaper's website, if available, and (2) posting on nepublicnotices.com if no edition of the newspaper will be finalized for printing prior to the time and date of the meeting. The newspaper shall place the notice in the newspaper and on the websites. Neb. Rev. Stat. § 84-1411(2)(b)(ii)(B).

OR

Give notice by posting written notice in three conspicuous places in the city, village or district. Notice must be posted in the same three places for each meeting. Neb. Rev. Stat. § 84-1411(2)(b)(ii)(C).

- iii. For all other public bodies, notice shall be given by a method designated by the public body. Neb. Rev. Stat. § 84-1411(2)(b)(iii).
 - iv. In case of the newspaper's refusal, neglect, or inability to publish the notice, the public body shall (a) post the notice on its website, if available, (2) submit a post on nepublicnotices.com, and (3) post the notice in a conspicuous public place within the public body's jurisdiction. The public body shall keep a written record of such posting, which shall be evidence that posting occurred and fulfilled the publication requirement. Neb. Rev. Stat. § 84-1411(2)(b)(iv).
2. **Agenda.** Under § 84-1411(1)(e), an agenda maintained at the office of a public body for public inspection must be kept continually current and may not be altered later than 24 hours before the scheduled commencement of the public meeting (or 48 hours before commencement of a meeting of a city council or village board if that meeting is noticed outside the corporate limits of the municipality). A public body may modify an agenda to include items of an emergency nature only at such public meeting.

a. New language was added to § 84-1413 in 2021 requiring the governing body of a natural resources district, the city council of a metropolitan class, primary

class, or first class city, the county board of a county with a population greater than twenty-five thousand inhabitants, and school boards to make available on their websites the agenda [and minutes] of any meeting of the governing body. The agenda must be placed on the website at least twenty-four hours before the meeting. The public body shall make the agenda available on the website for at least six months. This requirement became effective July 31, 2022. 2021 Neb. Laws LB 83, § 14.

3. **Specificity of the Agenda.** LB 898 from 2006 added language to § 84-1411(1) which states that agenda items shall be “sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting.” That statutory change arose out of a sense that lack of specificity in meeting agendas was a major issue of concern around the state. Government, Military and Veterans Affairs Committee Hearing on LB 898, 99th Nebraska Legislature, Second Session (2006) at 19. The intent of the change was to require public bodies to include sufficient detail in their agendas regarding issues to be discussed or acted upon so as to provide information and notice to the public. Floor Debate on LB 898, 99th Nebraska Legislature, Second Session, March 28, 2006 at 11701 (Statement of Senator Preister). The change was also intended to require sufficient detail in an agenda so that members of the public are not forced to look at past agendas in order to understand the issue to be discussed and/or the action to be taken. *Id.*
4. **Circumvention of Open Meetings Act.** Under § 84-1411(3), virtual conferencing may not be used to circumvent any of the public government purposes established by the Open Meetings Act. Neither may emails, faxes, or other electronic communication be used for such purposes.
5. **News Media.** Section 84-1411(4) requires that the secretary or other designee of each public body shall maintain a list of news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to that list of media of the time and place of each meeting and the subjects to be discussed at that meeting.

6. **Virtual Appearance.** Under § 84-1411(7), a public body may allow a member of the public or any other witness to appear before the public body by means of virtual conferencing. 2021 Neb. Laws LB 83, § 12.

7. **History.**

- a. The provision of § 84-1411 which prohibits altering an agenda within 24 hours of a meeting was added in 1983 to prevent addition of last-minute matters to an agenda which did not really represent emergencies. Floor Debate on LB 43, 88th Nebraska Legislature, First Session, March 22, 1983, at 1896.
- b. In *Rauert v. School District I-R of Hall County*, 251 Neb. 135, 555 N.W.2d 763 (1996), the court stated that the Open Meetings Act requires public bodies to give reasonable advance publicized notice of the time and place of their meetings, in part so that the public may attend and speak at those meetings.
- c. The Legislature has imposed only two conditions on public bodies regarding the method of notification for their meetings: 1. the public body must give reasonable advance publicized notice of the time and place of each meeting, and 2. the method of notification must be recorded in the public body's minutes. *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007). There is no minimum time period for public notification of a special meeting, and an agenda for a public meeting can be created (not altered) later than 24 hours before the scheduled meeting. *Id.* In the *City of Elkhorn* case, the court held that notice of a meeting of the Omaha City Council posted and placed on the city's website at 10:15 a.m. for a meeting at 10:00 p.m. the same day was sufficient under the facts of the case where the local newspaper

printed an article about the meeting in its afternoon edition and four television broadcasters were present at the meeting. The court also indicated that any defect in notice intended for the benefit of council members would not invalidate a council meeting when all of the members of the council attended without objection.

- d. The purpose of the agenda requirement is to give some notice of the matters to be considered at the meeting so that persons who are interested will know which matters are under consideration. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010); *Pokorny v. City of Schuyler*, 202 Neb. 334, 275 N.W.2d 281 (1979); *State ex rel. Newman v. Columbus Township Board*, 15 Neb. App. 656, 735 N.W.2d 399 (Neb. Ct. App. 2007). In *Pokorny*, the agenda at issue, considered with all the previous records of the city council involved, was sufficient to satisfy the open meetings statutes. *Pokorny* also indicates that posting notice at 10 p.m. on March 15 before a meeting at 10:30 a.m. on March 16 does not constitute reasonable notice. Posting notice one week ahead does.
- e. In *Hansmeyer v. Nebraska Public Power District*, 6 Neb. App. 889, 578 N.W.2d 476 (1998), *aff'd*, 256 Neb. 1, 588 N.W.2d 589 (1999), the Court of Appeals considered whether an agenda item which simply stated "Work Order Reports" was sufficient to give adequate public notice of a decision to approve a work order which involved expenditure of over \$47 million for the construction of a 96-mile power transmission line across privately held property to connect two power substations. The court held that the agenda item was insufficient under the Open Meetings Act. The court also seemed to suggest, based upon the *Pokorny* case, that the sufficiency of an agenda item might be measured, at least to some degree, in the context of the other meetings of the public body immediately prior to the public meeting in question.
- f. A member of the public should not be required to hunt up and read the documents underlying an agenda of a public body to determine what is actually on that agenda. *Hansmeyer v. Nebraska Public Power District*, 6

Neb. App. 889, 578 N.W.2d 476 (1998), *aff'd*, 256 Neb. 1, 588 N.W.2d 589 (1999).

- g. If a public body uses or publishes its agenda to give the required notice for a particular meeting, then the notice contained in the agenda must comport with the law for giving notice of what is to be considered at the meeting. *Hansmeyer v. Nebraska Public Power District*, 6 Neb. App. 889, 578 N.W.2d 476 (1998), *aff'd*, 256 Neb. 1, 588 N.W.2d 589 (1999).
- h. A notice of a hearing, given by a school board, which stated that a hearing would be held, and that an agenda would be available for inspection, once established, is not proper notice. An agenda must be available. *Allen v. Greeley County School District No 501*, 1994 WL 272223, 1994 Neb. App. LEXIS 186 (Neb. Ct. App. 1994) (Not approved for publication).
- i. When governmental subdivisions which hold annual meetings, such as townships, conduct their annual meetings, electors who participate in the annual meeting must place matters which they wish to discuss on the agenda for the annual meeting. *State ex rel. Newman v. Columbus Township Board*, 15 Neb. App. 656, 735 N.W.2d 399 (Neb. Ct. App. 2007). Electors under those circumstances may not simply appear at the annual meeting and bring up any subject falling within the broad powers of electors if that subject is not on the agenda. *Id.*
- j. Two separate public bodies may publish notice of their meetings on the same sheet of paper and need not use separate sheets when the notices contain only the time and place of their meetings, and when the notices direct interested citizens to the place where agendas for each body may be found. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009). In addition, two separate public bodies may combine their agendas when the combined agendas make it clear which

items are to be addressed by each body. *Id.* The same rule applies to combined minutes. *Id.* The *Wolf* case involved a situation where a county board met both as a county board and as a county board of equalization.

- k. Placing notice of future meetings in minutes of a prior meeting does not give sufficient notice under the Open Meetings Act. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009).
- Notice of recessed or reconvened meetings of a public body must be given in the same fashion as notice of the original meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009).
- m. In *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010), the Nebraska Supreme Court seemed to indicate that the requirement to formally record the method of notice in the meeting minutes may be met by a public body if it is possible, through the minutes of past meetings, to discern a customary and consistent method used by the public body to notify the public of its meetings. It does not appear that the choice of method for giving notice of meetings must be formally set forth in the minutes of the public body as such. *See also Robinson v. Morrill County School District #63*, 299 Neb. 740, 910 N.W.2d 752 (2018) (Failure to record the particular method of notice used by the school board in the meeting minutes does not nullify actual notice properly given. The record showed that Robinson and members of the public received reasonable advanced notice and attended the meeting. The record further showed that the method of notice for the meeting at issue was used by the school board and recorded in its minutes at least 21 times during the preceding two years.).
- The Attorney General has concluded that “advance publicized notice” means a separate, specific advance notice must be given for each

meeting. 1971-72 Rep. Att’y Gen. 314 (Opinion No. 137, dated August 8, 1972).

- o The Attorney General has also determined that (1) an agenda may not be used as the minutes of a meeting, (2) reasonable notice under the statute means notice reasonably calculated to give appropriate notice to citizens of the time and place of a meeting and notice which complies with the formal requirements of the statute. 1975-76 Rep. Att’y Gen. 150 (Opinion No. 116, dated August 29, 1975).

- p. In Op. Att’y Gen. No. 96071 (October 28, 1996), the Attorney General indicated that the Quality Jobs Board should give its normal 10-day published notice of meeting rather than an “informal” notice where the Board had recessed a previous meeting on a tax credit application pending a renewed meeting call from the Governor after issuance of an opinion from the Attorney General.

E. PUBLIC MEETINGS BY VIRTUAL CONFERENCING. Section 84-1411(3) allows certain public bodies to meet by virtual conferencing. Virtual conferencing was added to the Open Meetings Act in 2021 with the enactment of LB 83. Virtual conferencing is defined as “conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.” Neb. Rev. Stat. § 84-1409(3), amended 2021 Neb. Laws LB 83, § 11. Provisions relating to videoconferencing and telephone conference calls were struck.

1. **Public Bodies Eligible.** In 1993, § 84-1411 was amended by LB 635 to allow certain public bodies to meet by means of videoconferencing. Under the current version of § 84-1411(2), the public bodies allowed to meet by virtual conferencing include: (1) various bodies of state government including state agencies, boards, commissions, councils and committees, together with their advisory committees; (2) organizations created under the Interlocal Cooperation Act, the Joint Public Agency Act or the Municipal Cooperative Financing Act; (3) the governing body of a public power district with a chartered territory of more than one county in this state; (4) the governing

body of a public power and irrigation district with a chartered territory of more than one county in this state; (5) boards of educational service units; (6) the Educational Service Unit Coordinating Council; (7) an organization, including the governing body, of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act; (8) a community college board of governors; (9) the Nebraska Brand Committee; (10) a local public health department; (11) a metropolitan utilities district; (12) a regional metropolitan transit authority; and (13) a natural resources district.

a. The Judicial Resources Commission was removed from the list by 2022 Neb. Laws LB 922, § 13.

2. **Requirements.** The public bodies listed above may hold meetings by virtual conferencing if the following requirements are met:

a. Reasonable advance publicized notice is given pursuant to § 84-1411(1) and (2). The notice must include a dial-in number or link to the virtual conference.

b. There must be at least one physical site open to the public and identified in the notice.

c. The public body must make reasonable arrangements to accommodate the public's right to attend and participate as provided in § 84-1412, including reasonable seating.

d. The physical site must have at least one member of the public body or designee in attendance.

e. The virtual conference is recorded by audio or visual recording devices.

f. Members of the public are provided a reasonable opportunity to provide input, including public comment or questions, to the same extent if virtual conferencing was not used.

g. The physical site must have at least one copy of all documents being considered at the meeting.

h. The public body must provide links to the agenda, all documents being considered at the meeting, and the current version of the Act.

See Neb. Rev. Stat. § 84-1411(3)(b)(i)-(iii).

3. Limitation on Number of Virtual Meetings. Except as provided in Neb. Rev. Stat. §§ 70-1014(1), 70-1014.02(2) or 79-2204(4), public bodies authorized to conduct virtual conferencing can hold no more than one-half of their meetings by virtual conferencing in a calendar year. The following entities may hold more than one-half of their meetings by virtual conferencing if at least one meeting in a calendar year is not virtual: An organization created under the Interlocal Cooperation Act that sells electricity or natural gas, an organization created under the Municipal Cooperative Financing Act, the governing body of a risk management pool and any advisory committee of the governing body, and any advisory committee of any state entity created in response to the Opioid Prevention and Treatment Act. See § 84-1411(3)(b)(iv). Amended by 2024 Neb. Laws LB 287, § 74 and LB 399, § 4.

4. Neb. Rev. Stat. § 84-1411(9) (enacted 2022 Neb. Laws LB 908) authorizes public bodies not listed in § 84-1411(3)(a) to hold meetings by virtual conferencing if the following requirements are met: (a) the purpose of the virtual meeting is to discuss items that are scheduled to be discussed or acted on at a subsequent in-person meeting of the public body; (b) no action is taken by the public body at the virtual meeting; and (c) the public body complies with subdivisions § 84-1411(3)(b)(i) and (ii) (see E.2.a.-f. above).

5. Hybrid Meetings Not Allowed. Following the enactment of 2021 Neb. Laws LB 83, the Attorney General considered whether one or more members of a public body could attend and participate virtually at an in-person meeting. The Attorney General informally concluded that § 84-1411 authorizes virtual attendance by members of the public body only at meetings that satisfy the requirements pertaining to virtual conferencing.

6. Neb. Rev. Stat. § 84-1411 does not apply to meetings subject to Neb. Rev. Stat. § 70-1034 conducted by the Nebraska Power Review Board or a public power district, a public power and irrigation district, an electric membership association, an electric cooperative company, a municipality having a generation and distribution system, or a registered group of

municipalities. Neb. Rev. Stat. § 84-1411(10), added as a result of 2024 Neb. Laws LB 1370, § 8.

F. EMERGENCY MEETINGS. Section 84-1411 allows public bodies to hold emergency meetings without reasonable advance public notice under two statutory schemes.

1. **Emergency Meetings Under Neb. Rev. Stat. § 84-1411(6).** In order to hold an emergency meeting under § 84-1411(6), a public body must meet the following requirements: (1) the nature of the emergency shall be stated in the minutes, and any formal action taken shall pertain only to the emergency; (2) the provisions of § 84-1411(5) dealing with notice to the media shall be complied with in connection with an emergency meeting; and (3) complete minutes of the emergency meeting specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public no later than the end of the next regular business day.

a. Emergency meetings may be held by virtual conferencing. 2021 Neb. Laws LB 83, § 12.

b. In *Steenblock v. Elkhorn Township Board*, 245 Neb. 722, 515 N.W.2d 128 (1994), the Court indicated, in a case involving allegations of a violation of the open meetings statutes, that an emergency is defined as “any event or occasional combination of circumstances which calls for immediate action or remedy; pressing necessity; exigency; a sudden or unexpected happening; an unforeseen occurrence or condition.” In that case, the Court held that a township board meeting to consider the job status of a township employee, convened as an emergency meeting because of a snowstorm, was not a proper emergency meeting because the employee was given two weeks’ notice of his resultant termination, and because the reasons given for the employee’s termination were based upon his past performance.

c. In *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009), the Court of Appeals considered whether a number of items taken up at meetings of a county board without any listing on the board’s agenda were “emergency” items. In making that determination in each case, the court

focused upon whether there was anything in the record which indicated that a particular item required immediate action or involved pressing necessity.

d. The Attorney General has also stated that an item of an emergency nature is one that requires immediate resolution by the public body, and one which has arisen in circumstances impossible to anticipate at a time sufficient to place on the agenda of a regular, called, or special meeting of the body. 1975-76 Rep. Att'y Gen. 150 (Opinion No. 116, dated August 29, 1975).

e. In Op. Att'y Gen. No. 95063 (August 9, 1995), the Attorney General indicated that action taken during a meeting of the Nebraska Equal Opportunity Commission by a telephone conference call which did not comply with the requirements of the open meetings statutes for emergency meetings was void.

2. **Emergency Meetings Under Neb. Rev. Stat. § 84-1411(8).** Section 84-1411(8) allows any public body in the state to meet by virtual conferencing if an emergency is declared by the Governor under the Emergency Management Act, and the territorial jurisdiction of the public body falls within the declaration. Unlike emergency meetings authorized under § 84-1411(6), public bodies may do any of the things set out in the definition of public meeting in § 84-1409(2): "Briefing, discussion of public business, formation of tentative policy, or the taking of any action" This provision was added to § 84-1411 by 2021 Neb. Laws LB 83, § 12.

- a. **Requirements.** Public bodies must meet several requirements when holding meetings under § 84-1411(8): (i) reasonable advance publicized notice must be provided pursuant to § 84-1411(1) and (2); (ii) the notice must include information regarding meeting access for the public and news media; (iii) access to the meeting must be provided via a dial-in number or link to the virtual conference; (iv) the public body must provide links to the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act; (v) reasonable arrangements must be made to accommodate the public's right to hear and speak at the meeting and record the meeting; (vi) notice to the media under § 84-1411(5) must be provided; (vii) the nature of the emergency shall be stated in the minutes; and (viii) complete minutes of the meeting specifying the nature of the

emergency and any formal action taken by the public body shall be made available in accordance with § 84-1413(5).

G. PUBLIC MEETINGS; RIGHTS OF THE PUBLIC ATTENDING. Section 84-1412 establishes the rights of members of the public attending a meeting of a public body.

1. Members of the public have the right to attend and the right to speak at meetings of public bodies, and all or any part of a public meeting except closed sessions under § 84-1410, may be videotaped, recorded, televised, broadcast, photographed, etc. by any person.

2. With the enactment of 2024 Neb. Laws LB 43, § 21, **public bodies must allow members of the public an opportunity to speak at each meeting, except for closed sessions.** This provision became operative on July 19, 2024.

3. Public bodies may make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, or recording their meetings, including meetings held by virtual conferencing.

4. Members of the public cannot be required to identify themselves as a condition for admission to a public meeting. In 2021, § 84-1412(3) was amended to require public bodies to have any member of the public desiring to address the body to identify himself or herself, including providing an address and the name of any organization represented by such person. The public body may waive the address requirement to protect the security of the individual. 2021 Neb. Laws LB 83, § 13.

4. No public body shall, to circumvent the open meetings laws, hold its meeting in a place known to be too small to accommodate the anticipated audience. However, a public body shall not be in violation of this prohibition if it meets in its traditional meeting place in this state.

5. LB 898 from 2006 added language to § 84-1412 which provides that public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the

public. At the beginning of any meeting, the public shall be informed about the location of the posted information. The legislative history of LB 898 indicates that “posting” a copy of the Open Meetings Act means putting it up in some fashion, including attaching it to a bulletin board, hanging it by a chain or fastening it to a wall. Floor Debate on LB 898, 99th Nebraska Legislature, Second Session, March 28, 2006, at 11697 (Statement of Senator Preister). “Posting” does not include placing the Act on a table as a loose document which can be removed and therefore might not be available throughout the meeting. *Id.* If a meeting of a public body is moved to another location to accommodate a larger audience, then the posted copy of the Act should be moved and posted in the new location. *Id.*

6. In 2008, LB 962 amended § 84-1412 to provide that public bodies may not require that “the name of any member of the public be placed on the agenda prior to . . . [a] meeting in order to speak about items on the agenda.” That change was made so that members of the public are not required to place themselves on the agenda of a public body prior to a meeting in order to speak on agenda items during the times at that meeting set aside for public comment. Floor Debate on LB 962, 100th Nebraska Legislature, Second Session, February 28, 2008 at 2 (Statement of Senator Preister). That change in statutory language was not intended to affect the right of a public body to make reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, or recording its meetings. *Id.*

7. A public body may hold a meeting outside the State of Nebraska only if all the following conditions are met: a. a member entity of the public body is located outside of the state and the meeting is in that member’s jurisdiction; b. all out-of-state locations identified in the notice of meeting are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; c. reasonable arrangements are made to accommodate the public’s rights to attend, hear and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance; d. no more than 25% of the public body’s meetings in a calendar year are held out-of-state; e. out-of-state meetings are not used to circumvent any of the public government purposes established by the Open Meetings Act; and f. the public body publishes notice of the out-of-state meeting at least 21 days before the date of the meeting in a legal newspaper of statewide circulation. These requirements for out-of-state meetings were added to

§ 84-1412 by 2001 Neb. Laws LB 250, § 2, and amended to add meetings by virtual conferencing in 2021. 2021 Neb. Laws LB 83, § 13.

9. A public body shall, upon request, make a reasonable effort to accommodate the public's right to hear discussion and testimony at a public meeting.

10. Public bodies shall make at least one copy of reproducible written material discussed at an open meeting available at the meeting or at the in-state location for virtual conferencing provided in § 84-1412(6)(c) for examination and copying by members of the public. The materials may be provided in paper or electronic form. 2021 Neb. Laws LB 83, § 13.

11. **History.** Many of the initial provisions in § 84-1412 dealing with the rights of the public were added as a result of LB 43 in 1983.

a. The language requiring a reasonable effort to allow all parties to hear a public meeting does not involve an absolute requirement that all persons present shall be able to hear. Floor Debate on LB 43, 88th Nebraska Legislature, First Session, March 21, 1983, at 1794-1795.

H. PUBLIC MEETINGS; MINUTES AND VOTING PROCEDURES. Section 84-1413 contains several provisions regarding the minutes which are to be maintained by public bodies and the voting procedures for public bodies.

1. **Minutes.** Every public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed. The minutes of all meetings and evidence or documentation received or disclosed during open session shall be public records, open to public inspection during normal business hours. Minutes shall be written or kept as an electronic record and available for inspection within 10 working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional 10 working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

- a. 2015 Neb. Laws LB 365, § 2 amended § 84-1413 to provide that minutes of the meetings of school boards and educational service units may be kept as an electronic record. In 2022, the Legislature extended the ability to keep minutes electronically to all public bodies. 2022 Neb. Laws LB 742, § 2.
- b. As noted in D.2.a. above, beginning July 31, 2022, the governing body of a natural resources district, the city councils of metropolitan class, primary class, and first class cities, the county board of a county with a population greater than twenty-five thousand inhabitants, and school boards shall place their agenda and minutes on their websites. Minutes shall be posted once they are available for inspection as provided in § 84-1413(5). The information shall be available on the website for at least six months. 2021 Neb. Laws LB 83, § 14.

2. **Voting Procedures.** Any action taken on any question or motion duly made and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The vote to elect leadership within a public body may be by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

a. **Electronic Voting Devices.** The roll call or viva voce vote requirements of the Open Meetings Act may be satisfied by a public body which uses an electronic voting device which allows the vote of each member of the governing body to be readily seen. 2016 Neb. Laws LB 876, § 1. Prior to the enactment of LB 876, only certain public bodies, e.g., a municipality, a county, a learning community, a joint entity created pursuant to the Interlocal Cooperation Act, a joint public agency created pursuant to the Joint Public Agency Act or an agency formed under the Municipal Cooperative Financing Act, were authorized to use electronic voting devices under the Act.

3. In *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1984), the Supreme Court held that the requirement of § 84-1413(2) that the record shall state how each member of a body voted could not be satisfied by a nunc pro

tunc amendment to the body's minutes showing that the recording of the vote in the minutes was performed prior to the time the actual recording in the minutes took place. However, when the same case was before the court a second time, the court held that, as a general rule, a public body may, if no intervening rights of a third person have arisen, order the minutes of its own proceedings at a previous meeting to be corrected according to the facts to make them speak the truth. *State ex rel. Schuler v. Dunbar*, 214 Neb. 85, 333 N.W.2d 652 (1983).

4. Section 84-1413 is violated by a failure to make or take a vote in accordance with the statute rather than a failure to record a properly taken vote. *State ex rel. Schuler v. Dunbar* (1983), *supra*.

5. Section 84-1413(2) dealing with roll call votes does not require the record to state that the vote was by roll call but only requires that the record show if and how each member voted. Neither does that statute set a time limit for recording the results of a vote. *State ex rel. Schuler v. Dunbar* (1983), *supra*.

6. The statutory requirements here dealing with voting and minutes are mandatory since the Legislature provided that action taken in violation of this statute is void. *State ex rel. Schuler v. Dunbar* (1981), *supra*.

7. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009) seems to indicate that the Open Meetings Act does not require that minutes of meetings be "published," but only that they be written and available for inspection within 10 working days or prior to the next convened meeting of the public body.

8. The legislative history of the original open meetings statutes, LB 325 from 1975, indicates that the requirement of a roll call vote was directed at votes on questions that would bind the particular public body. Other procedural questions were not covered. Government Committee Hearing on LB 325, 84th Nebraska Legislature, First Session (1975) at 10.

9. The Attorney General has stated that nothing in the open meetings statutes requires approval of the minutes of a public body prior to their publication. Op. Att'y Gen. No. 162 (December 28, 1981).

10. In Op. Att’y Gen. No. 98045 (November 4, 1998), the Attorney General indicated that detailed minutes of all matters discussed need not be maintained when a public body is meeting in closed or executive session, so long as the requirements of § 84-1410 pertaining specifically to the minute entries necessary for a closed session are met.

I. CLOSED SESSIONS OF A PUBLIC BODY. Section 84-1410, pertaining to closed sessions of public body, has generated the most controversy of all the portions of the open meetings statutes. Section 84-1410(1) provides that any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary (1) for the protection of the public interest, or (2) for the prevention of needless injury to an individual, if such individual has not requested a public meeting. Closed meetings may not be held for discussion of the appointment or election of a new member to any public body. Nothing in § 84-1410 should be construed to require that any meeting be closed to the public.

1. Under § 84-1410(1), examples of reasons for a closed session include:

a. Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body.

b. Discussion regarding deployment of security personnel or devices.

c. Investigative proceedings regarding allegations of criminal misconduct.

d. Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting.

e. For a Community Trust created under Neb. Rev. Stat. § 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster. [Amended into § 84-1410(1) by 2011 Neb. Laws LB 390.]

f. For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional

negotiations with any referral source that is required by federal law to be conducted at arm's length. [Amended into § 84-1410(1) by 2012 Neb. Laws LB 995.]

These examples are not exclusive; they are merely examples, and other reasons may exist. Government Committee Hearing on LB 325, 84th Nebraska Legislature, First Session (1975) at page 3; 1975-76 Rep. Att'y Gen. 150 (Opinion No. 116, dated August 29, 1975); Op. Att'y Gen. No. 65 (April 17, 1985).

2. LB 898 from 2006 amended some of the provisions of § 84-1410 pertaining to the mechanics of holding a closed session. The subject matter of the closed session and reason necessitating the closed session shall be identified in the motion to hold a closed session. The vote to hold a closed session must be taken in open session, and the entire closed session motion, the vote of each member on the question of holding a closed session, and the time when the closed session commences and ends must be recorded in the minutes. If the motion to close passes, then the presiding officer shall restate on the record immediately prior to the closed session the limitation of the subject matter of the closed session. The public body holding a closed session shall restrict its consideration of matters during the closed session to only those purposes set forth in the motion to close as the reason for the closed session. The meeting must be reconvened in open session before any formal action may be taken, and "formal action" in that context is defined in § 84-1410(2) to mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy. Under an amendment to § 84-1410(2) effected by LB 621 in 1994, formal action by the body in that context does **not** include, "negotiating guidance given by members of the public body to legal counsel or other negotiators in a closed [strategy] session authorized [for collective bargaining, real estate purchases, etc.] under subdivision 1(a) of [Section 84-1410]."

3. Any member of the public body can challenge the continuation of a closed session if he or she determines that the session has exceeded the original reason for the closed session, or if he or she contends that the closed session is neither clearly necessary for the protection of the public interest or the prevention of needless injury to the reputation of an individual. Such a challenge can only be overruled by a majority vote of the members of the

public body. The challenge and its disposition shall be recorded in the minutes.

4. **History.** One of the purposes for the initial open meetings statute, LB 325 from 1975, was to tighten restrictions on closed or executive sessions of public bodies. Introducer's Statement of Purpose for LB 325, 84th Nebraska Legislature, First Session (1975). The fourth example of reasons for closed meetings was added by LB 43 in 1983. The provisions dealing with pending or imminent litigation and defining formal action in a closed session were added as a part of LB 1019 in 1992.

5. It is not entirely clear what vote of the public body is necessary to go into closed session. The statute states that "an affirmative vote of a majority of [the body's] voting members" is necessary for a closed session. On its face, the normal meaning of this language would presumably be a majority of those members present and voting. This is particularly true since the later subsection (3) of § 84-1410 requires a "majority vote of the members of the public body" to overrule a challenge to the continuation of the closed session. However, the legislative history of LB 325 makes it quite clear that the legislators intended to make the requirement for a closed session a vote of the majority of the body rather than a vote of the majority of those present and voting. Floor Debate on LB 325, 84th Nebraska Legislature, First Session, May 14 and May 20, 1975, at 4616, 5015. Moreover, there is some indication that "voting" members in § 84-1410(1) refers to particular members of bodies such as the Board of Regents which has both voting and non-voting members. Government Committee Hearing on LB 325, 84th Nebraska Legislature, First Session (1975) at 27-28. The safer approach is to authorize a closed session of the public body by a majority vote of the members of the body rather than by a majority vote of just those members present.

6. The landmark case for what is permissible in a closed session is *Grein v. Board of Education of the School District of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984). *Grein* involved a closed session by a school board for discussion of the low bid on a construction project. The Nebraska Supreme Court held that the closed session was improper. That case indicates:

a. Provisions of the statute permitting closed sessions must be narrowly and strictly construed. *See also State ex rel. Upper Republican Natural Resources*

District v. District Judges of the District Court for Chase County, 273 Neb. 148, 728 N.W.2d 275 (2007).

b. The public interest which is protected in § 84-1410(1) is “that shared by citizens in general and by the community at large concerning pecuniary or legal rights and liabilities.” 216 Neb. at 165, 343 N.W.2d at 723. *See also Wasikowski v. Nebraska Quality Jobs Board*, 264 Neb. 403, 648 N.W.2d 756 (2002).

c. Good faith motivation for a closed session is not a cure for non-compliance with the public meetings laws.

d. The prohibition against decisions or formal actions in a closed session proscribes crystallization of a secret decision and then ceremonial acceptance in open session.

e. There is a guiding principle with respect to closed sessions: “If a public body is uncertain about the type of session to be conducted, open or closed, bear in mind the policy of openness promoted by the Public Meetings Laws and opt for a meeting in the presence of the public.” 216 Neb. at 168, 343 N.W.2d at 724.

7. *Pokorny v. City of Schuyler, supra*, indicates that there is nothing in the open meetings statutes which requires that negotiations for the purchase of land be conducted in open meeting, but deliberations of a public body as to whether an offer to purchase should be made must be done in an open meeting.

8. In a case involving the revocation of a land surveyor’s license, the supreme court held that a closed session was improper since there was no showing of either necessity or of the reasons set out in § 84-1410(1). *Simonds v. Board of Examiners of Land Surveyors*, 213 Neb. 259, 329 N.W.2d 92 (1983).

9. Neb. Rev. Stat. § 79-832 (1996), dealing with hearings involving cancellation, amendment or termination of a teacher’s contract mandates a closed hearing upon an affirmative vote of a majority of the school board’s members present and voting and upon specific request of the certificated employee or the certificated employee’s representative. However, under that section, formal action by the school board requires that the school board reconvene in open

session. *Stephens v. Board of Education of School District No. 5, Pierce County*, 230 Neb. 38, 429 N.W.2d 722 (1988).

10. The provisions of the open meetings statutes dealing with closed sessions, in part, reflect the Legislature's judgment of the appropriate balance between the public's interest in open discussion of governmental issues and the rights of individuals, such as state employees, to have their performance as employees considered in private if they so choose. *Meyer v. Board of Regents of the University of Nebraska*, 1 Neb. App. 893, 510 N.W.2d 450 (Neb. Ct. App. 1993).

11. If the primary purpose for a closed session of a public body is authorized under the open meetings statutes, then any necessary discussion of incidental matters is also authorized. *Meyer v. Board of Regents of the University of Nebraska*, 1 Neb. App. 893, 510 N.W.2d 450 (Neb. Ct. App. 1993). In the *Meyer* case, the Nebraska Court of Appeals indicated that the University Board of Regents could properly discuss the appointment of an interim president for the University during a closed session called to evaluate and consider the employment status of the president.

12. In *Wasikowski v. Nebraska Quality Jobs Board*, 264 Neb. 403, 648 N.W.2d 756 (2002), the court held that if a person who is present at a meeting of a public body observes an alleged violation of the Open Meetings Act in the form of an improper closed session and fails to object, then that person waives his or her right to object to the closed session at a later date. However, that case appears to be legislatively overruled by LB 898 from 2006 which provides that it shall not be a defense to a citizen lawsuit under § 84-1414(3) that the citizen attended the meeting and failed to object at that time.

13. There is no absolute evidentiary privilege which applies to all communications made during a closed session of a public body, and communications made during such closed sessions are discoverable. *State ex rel. Upper Republican Natural Resources District v. District Judges of the District Court for Chase County*, 273 Neb. 148, 728 N.W.2d 275 (2007). However, to the extent that communications made during a closed session implicate other recognized privileges such as the attorney-client privilege, those communications are protected. *Id.*

14. The statutory provision allowing public bodies to hold closed sessions for strategy sessions regarding litigation or threatened litigation by necessity encompasses discussions and decisions regarding whether to make or reject a settlement offer. Such decisions regarding litigation strategy should not have to be discussed publicly, during an open session, in front of the body's opponent. *Becker v. Allen*, 1996 WL 106217, 1996 Neb. App. LEXIS 73 (Neb. Ct. App. 1996) (Not approved for publication). In addition, the strategic meetings which a public body has with its attorney when threatened with or engaged in litigation, in which the public body may give direction to its attorney, are protected by the attorney-client privilege. *Id.*

15. **Opinions of the Attorney General:**

a. A closed session is not proper simply because matters permitting a closed session might arise. Such a closed session is permitted only when such matters do arise and must be dealt with. Op. Att'y Gen. No. 94035 (May 11, 1994); Op. Att'y Gen. No. 11 (January 20, 1983).

b. Discussions of legal matters between a county board and a county attorney involving pending litigation or legal consequences of specific action are suitable for a closed session. 1975-76 Rep. Att'y Gen. 150 (Opinion No. 116, dated August 29, 1975).

c. A public body can go into a proper closed session for discussion of personnel matters and then reconvene for a public vote with no lengthy explanation of the rationale underlying the decision. Op. Att'y Gen. No. 89063 (October 12, 1989).

d. The closed session exception for prevention of needless injury to reputation is for the protection of individual employees and not for the protection of governmental officers on the public body. *Id.*

e. In Op. Att'y Gen. No. 98045 (November 4, 1998), the Attorney General indicated that detailed minutes of all matters discussed need not be maintained when a public body is meeting in closed or executive session, so long as the requirements of § 84-1410 pertaining specifically to the minute entries necessary for a closed session are met.

f. A county clerk, county attorney and county treasurer acting as a group under § 32-567(3) to make an appointment to fill a vacancy on a county board may not go into closed session for evaluation of the merits of the candidates based upon the express language of § 84-1410(1). Op. Att’y Gen. No. 97050 (September 18, 1997).

g. In Op. Att’y Gen. No. 17-004 (June 5, 2017), the Attorney General indicated that the Public Service Commission may not discuss management and operational issues outside of a duly convened meeting which satisfies all requirements of the Open Meetings Act, except when conducting judicial proceedings. Alternatively, the commission could discuss these issues in closed sessions under limited circumstances or form subcommittees of less than a quorum, which are generally excluded from the act.

h. The Attorney General has indicated informally that developing testimony for an upcoming Legislative hearing is not a proper reason for a state agency to go into closed session. On the other hand, the Attorney General has also indicated informally that discussion of “sensitive medical and financial information” pertaining to specific individuals who applied for admission to a state home could be conducted in a closed session so long as the actual vote on admission was done in an open meeting.

J. CIRCUMVENTION OF THE OPEN MEETINGS ACT. Section 84-1410(4) prohibits a person or a public body from circumventing the purpose of the open meetings statutes by failing to invite a portion of its members to a meeting or by designating itself as a subcommittee of the whole body. That section also prohibits the use of any closed session, informal meeting, chance meeting, social gathering, email, fax or other electronic communication for the purpose of circumventing the requirements of the open meetings statutes.

1. This provision was added to the open meetings statutes by LB 43 in 1983. This section was directed at the intentional circumvention of the open meetings statutes rather than inadvertent acts. Government, Military and Veterans’ Affairs Committee Hearing on LB 43, 88th Nebraska Legislature, First Session (1983) at 5.

2. 2004 Neb. Laws LB 1179 added emails, faxes and other electronic communications to the list of mediums which could not be used to circumvent the requirements of the Open Meetings Act.

3. Similar language prohibiting the use of virtual conferencing, emails, faxes, or other electronic communications to circumvent any of the public government purposes of the Open Meetings Act is contained in § 84-1411(3).

4. The Attorney General has indicated that intent is a necessary element of the conduct prohibited by § 84-1410(4), and that members of a public body can communicate with other members of that body by electronic means, even if that communication is directed to a quorum of the body, so long as there is no course of communication which becomes sufficiently involved so as to evidence an intent or purpose to circumvent the Open Meetings Act. Op. Att'y Gen. No. 04007 (March 8, 2004).

K. ACTIONS FOR ENFORCEMENT. Section 84-1414 sets out various enforcement options available to individuals who believe that the open meetings statutes have been violated.

1. Any motion, resolution, rule, ordinance, or formal action of a public body made or taken in violation of the public meetings statutes shall be declared void by the district court if the suit is commenced within 120 days of the meeting of the public body at which the alleged violation occurred. Any such motion or other action taken in substantial violation of the public meeting statutes shall be voidable by the district court if the suit is commenced after more than 120 days but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

2. Under § 84-1414(3), any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the open meetings statutes, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the open meetings statutes to discussions or decisions of the public body. *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007). The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under

§ 84-1414(3). Under LB 898 from 2006, it shall not be a defense to such a suit that the citizen attended the meeting and failed to object to violations at such time.

3. The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the provisions of the open meetings statutes.

4. **History.** The original version of § 84-1414(1), which was a part of LB 325 passed in 1975, simply provided that actions taken in violation of the public meetings statutes should be void. The void/voidable distinction was added by LB 43 in 1983. The apparent intent of that later language was to allow a court to void an action by a public body taken when there was any violation of the open meetings statutes if the action was filed within four months of the meeting in question. After four months, the violation of the open meetings statutes would have to be substantial to allow a court to void the action of the public body. In any event, no action could be brought after one year of the public meeting in question. Floor Debate on LB 43, 88th Nebraska Legislature, First Session, March 22, 1983, at 1892.

5. The legislative history of LB 325 from 1975 indicates that the initial intent of that statute was to have the county attorney responsible for enforcement proceedings involving public bodies at a local level. The Attorney General would be responsible for enforcement against state entities. Floor Debate on LB 325, 84th Nebraska Legislature, First Session, May 14, 1975, at 4620.

6. The Nebraska Supreme Court has indicated that action by a public body which is proper under the open meetings statutes may cure defects in actions previously taken by the same public body. In such an instance, an action by a public body which previously might have been declared void will be declared proper. *Pokorny v. City of Schuyler*, *supra*. On the other hand, under those circumstances, the original improper meeting itself is still void. *Steenblock v. Elkhorn Township Board*, 245 Neb. 722, 515 N.W.2d 128 (1994). *Pokorny* also indicates that the effect of an invalid public meeting under the open meetings laws is the same as if the meeting had never occurred.

7. A county lacks capacity to maintain an action to declare its official conduct void for noncompliance with the open meetings statutes. *County of York v. Johnson*, 230 Neb. 403, 432 N.W.2d 215 (1988).

8. Reading of a city ordinance in accordance with a city charter constitutes "formal action" of a city council which may be voided in a lawsuit under § 84-1414(1). *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007).
9. A number of Nebraska cases deal with waiver of rights under the Open Meetings Act by a failure to make a timely objection to violations of the Act. *Stoetzel & Sons, Inc. v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003) (if a person who attends a meeting of a public body believes that copies of documents discussed by the body should be made available to the public at the meeting, a timely objection should be made, or that person waives his or her right to object); *Wasikowski v. Nebraska Quality Jobs Board*, 264 Neb. 403, 648 N.W.2d 756 (2002); *Otey v. State*, 240 Neb. 813, 485 N.W.2d 153 (1992); *Witt v. School District No. 70, Frontier County*, 202 Neb. 63, 273 N.W. 2d 669 (1979) (any person who has notice of a meeting and attends the meeting is required to object specifically to a lack of public notice at the meeting or waive his rights to object on that ground under the open meetings statutes); *Hauser v. Nebraska Police Standards Advisory Council*, 264 Neb. 944, 653 N.W.2d 240 (2002) (if a person present at a meeting observes and fails to object to an alleged open meetings violation in the form of a failure to conduct roll call votes before taking action on questions or motions pending, that person waives his or her right to object at a later date); *Alexander v. School District No. 17 of Thurston County*, 197 Neb. 251, 248 N.W.2d 335 (1976) (where teachers had notice of a termination hearing, appeared, and no objection was made to a failure of the school board to give proper notice under the open meetings statutes, those teachers waived any objection they might have had to violations of the open meetings law). Those cases appear to be legislatively overruled by LB 898 from 2006 which provides that it shall not be a defense to a citizen lawsuit under § 84-1414(3) that the citizen attended the meeting and failed to object at that time.

10. In *Robinson v. Morrill County School District #63*, 299 Neb. 740, 910 N.W.2d 752 (2018), the Nebraska Supreme Court declined to consider the propriety of the school board's closed session to deliberate on the cancellation of Robinson's teaching contract following an evidentiary hearing since Robinson failed to object to the closed session or the process followed by the school board in closing the meeting.

11. Actions for relief under the open meetings statutes are tried as equitable cases, given the fact that the relief sought is in the nature of a declaration that particular action taken in violation of the laws is void or voidable. Such cases are also considered as equitable cases on appeal. *Stoetzel & Sons, Inc. v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003); *Hauser v. Nebraska Police Standards Advisory Council*, 264 Neb. 944, 653 N.W.2d 240 (2002); *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009); *Hansmeyer v. Nebraska Public Power District*, 6 Neb. App. 889, 578 N.W.2d 476 (1998), *aff'd*, 256 Neb. 1, 588 N.W.2d 589 (1999).

12. The *Hansmeyer* case also discusses the distinction between "void" and "voidable" under § 84-1414. "Void" means ineffectual and having no legal force or binding effect, while "voidable" means that which may be avoided or declared void, not absolutely void. In *Hansmeyer*, the court considered factors such as whether any purpose would be served or whether decisions were made in secret without public discussion in determining whether a voidable vote by the Nebraska Public Power District should, in fact, be voided.

13. Once a meeting has been declared void pursuant to the Open Meetings Act, the members of the public body involved are prohibited from considering any information which they obtained at the illegal meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009); *Alderman v. County of Antelope*, 11 Neb. App. 412, 653 N.W.2d 1 (2002).

14. The decision to award attorney's fees to a "successful plaintiff" in an action under § 84-1414 is discretionary with the trial court. *Hansmeyer v. Nebraska Public Power District*, 6 Neb. App. 889, 578 N.W.2d 476 (1998), *aff'd*, 256 Neb. 1, 588 N.W.2d 589 (1999). The court in *Hansmeyer* also held that the plaintiffs in that case were "successful plaintiffs" who could recover attorney's fees under

§ 84-1414 because there was a finding that a substantial violation of the open meetings statutes had occurred, and because the public body involved amended its practices to prepare proper agendas after the plaintiffs filed their action. The court reached that conclusion even though it ultimately determined that the improper action of the public body at issue should not be voided. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009) also contains a discussion regarding the basis for an award of attorney's fees in that case, including the court's analysis of why it reduced a fee award on appeal.

15. Voiding an entire meeting is a proper remedy for violations of the Open Meetings Act. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009). The court in the *Wolf* case also specifically considered whether violations of the Open Meetings Act were "substantial" violations in determining whether it was appropriate to void actions of a county board when the enforcement lawsuit was filed more than 120 days after the meetings in question.

16. In *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (Neb. Ct. App. 2009) there was no evidence in the record which established that a county board had published notice of its meetings anywhere. The Court of Appeals held that in the absence of contrary evidence, it may be presumed that public officers faithfully performed their official duties. *Id.* In addition, absent evidence showing misconduct or disregard for the law, the regularity of official acts is also presumed. *Id.* In *Wolf*, the court also indicated that the plaintiffs had the burden at all times to show that it was more probable that notices of meetings were not posted than probable that they were.

17. The United States District Court for the District of Nebraska has indicated that it has supplemental jurisdiction over claims under § 84-1414 based upon 28 U.S.C. § 1367(a). *Buzek v. Pawnee County Nebraska*, 207 F. Supp. 2d 961 (D. Neb. 2002).

18. "Citizens," as well as members of the general public and reporters or other representatives of the news media, are the intended beneficiaries of the Open Meetings Act, and have standing to bring an action under that Act. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010). This is true even though individual citizens may not be able to allege a particularized injury as a result of action by a public body or the pecuniary interest in the public body's action

which might be necessary for common law standing. *Id.* An action under § 84-1414 is permissible when the ultimate result of the questionable meetings of the public body is annexation. *Id.*

19. The plaintiffs in *Pierce v. Drobny*, 279 Neb. 251, 777 N.W.2d 322 (2010), contended that a local school board held a number of secret meetings without notice or public participation to plan for a special election for the issuance of bonds for a new school. A resolution authorizing the special election was subsequently passed by the board at a public meeting, and at the special election, voters approved the school bond issue. The plaintiffs sought to void the board's resolution for the special election under the Open Meetings Act rather than filing an election contest. The Nebraska Supreme Court held that an election contest was the exclusive remedy under such circumstances, and that a separate challenge under the Open Meetings Act did not exist once the bond issue was voted upon by the public.

L. CRIMINAL SANCTIONS. Section 84-1414(4) provides that any member of a public body who knowingly violates or conspires to violate the Open Meetings Act, or who attends or remains at a meeting knowing that the public body is in violation of any provision of that Act, shall be guilty of a Class IV misdemeanor for a first offense, and a Class III misdemeanor for a second or subsequent offense.

1. The legislative history of LB 325 from 1975 indicates that the criminal sanctions included in this section were originally directed at intentional behavior rather than at inadvertence. Government Committee Hearing on LB 325, 84th Nebraska Legislature, First Session (1975) at 16.

2. The criminal sanctions for violation of the open meetings statutes were first increased as a result of LB 1019 passed in 1992. Also, that same bill in 1992 added language which made knowingly remaining at or attending a meeting in violation of the open meetings statutes a crime. The present language which applies criminal sanctions to those members of a public body who remain at a meeting knowing that the public body is in violation of the open meetings statutes was added by LB 621 in 1994.

3. Under Neb. Rev. Stat. § 28-106 (2016), a Class IV misdemeanor is punishable by a fine of \$100 to \$500 and no imprisonment. In addition, a

Class III misdemeanor is punishable by up to 3 months imprisonment or up to a \$500 fine, or both. A Class III misdemeanor has no minimum penalty.

7.10. Method of Appointment

Discussed, considered, and took all necessary action to adopt a procedure for the appointment of a new member to the Board of Education to fill the vacancy thereon created by the resignation of Ginger Fredericksen:

1. Appoint the non-elected candidate from the last election who received the highest number of votes, after confirming the candidate's willingness to fill the vacancy. The benefit is this is simple and politically neutral.
2. Board members informally recruit candidates and Board votes to appoint successor.
3. Formal advertisement and interview process. The board can adopt a motion to use a formal "vacancy filling process". The process includes advertising, have the candidates complete an application to provide information about their background, and reasons for wanting to be on the board. Interview the candidates, but the interviews cannot be held in a closed session. Some boards interview through a committee process.

Motion Passed: I move to approve to informally recruit candidates and a Board vote to appoint successor to fill the appointed vacancy for the remainder of the unexpired term of seven (7) months, which ends on the first Thursday after the first Tuesday of January, 2027 passed with a motion by Kari Loseke and a second by Courtney Tabor.

Policy/Curriculum Committee Meeting Minutes

Monday, May 18, 2026

Committee Members Present: Denise Cada (Chair) and Melaini Sturm

Others Present: Dr. Don Johnson, Courtney Tabor, and Angie Conety

1. Old Business

2. New Business

A. KSB School Law

A KSB School Law representative met with the Policy Committee via Zoom regarding the initiation of a comprehensive review and update of its policies and handbooks to ensure legal compliance and consistency for the upcoming 2026-27 school year, with the goal of final board approval at the July meeting. An initial review session with the Policy Committee and KSB is scheduled for June 1st at 8:30 a.m. to prioritize policies with choice/options that are specific to Blair Schools and identify uniquely tailored policies *(cellphone, facility use, etc.,) so they are carried over into the consolidate policy set rather than automatically overwritten.

B. Tax Increment Financing (TIF)

The committee shared concerns on how the city's proposed TIF, presented at the last board meeting, could divert potential property tax revenue away from the school district, reducing funds available and negatively affecting the district's operating budget. A resolution may be presented at the June Board meeting for approval to officially state the Board of Education's position on the proposed development.

C. Next Scheduled Policy Committee Meeting

Monday, June 22, 2026, at 12:00 p.m.

3. Adjournment

D. Adjournment:

The committee adjourned at 12:25 p.m.

Buildings, Grounds, and Transportation Committee Meeting Minutes

Monday, June 1, 2026
Call to Order at 12:00pm
Central Office

Committee Members Present: Steve Callaghan (Chair), Denise Cada, and Nate Larsen

Also Present: Dr. Don Johnson, Jeff Steinbeck, Bob Schoby, Herta Bouvia, and Angie Conety

1. Old Business

A. Otte Middle School Entrance

A pre-bid walk-through of the Otte Middle School entrance project was held on May 13th with 10 general contractors attending. The district received three sealed bids with DR Anderson submitting the lowest bid of \$245,000, Community Construction and Development for \$308,577 and Prairie Construction for \$315,000. The project will begin once the city of Blair issues the building permit, plans were submitted on May 13th and approval is expected soon.

A motion may be brought at the June 8, 2026, Board of Education meeting **to approve the bid from DR Anderson in the amount of \$245,000 for the Otte Middle School entrance project.**

A motion may be brought at the June 8, 2026, Board of Education meeting **to authorize the Superintendent to approve project change orders resulting from unforeseen or unknown site conditions, up to a maximum amount of \$12,500 per change order.**

B. Arbor Park Temporary Entrance

DR Anderson will begin the temporary office relocation at Arbor Park Elementary in early June, converting cleared locker rooms into an office space for administration, secretaries and the nurse. The new main entrance project has a pre-bid walkthrough on June 2nd and a bid opening on June 11th. Mr. Steinbeck is hoping the construction will start in early July with completion expected around spring break 2027. He will continue to update the committee as the project moves forward.

C. Surplus Sale

The district is holding a surplus sale from Monday, June 1st – Thursday, June 4th to clear space in the distribution building by selling old or obsolete items. Items were available for viewing at the bus barn from 8:00 a.m. to 12:00 p.m. during that period or by appointment. Teachers went through the items last week and were able to claim usable items for their classrooms prior to the sale.

The sale was conducted by sealed bid, with the Board of Education reserving the right to reject any or all bids, and purchased items are not available for pickup until the Board approval at the June 8th meeting. Administration also requests permission to pursue other methods for selling or disposing of remaining surplus items.

A motion may be brought at the June 8, 2026, Board of Education meeting **to accept the bids for the sale of surplus items totaling \$8,454.27.**

A motion may be brought at the June 8, 2026, Board of Education meeting **to authorize the administration to sell, donate, recycle or dispose of items remaining from the surplus sale.**

D. Arbor Park Bleachers

The Arbor Park bleachers have been dismantled by Mr. Steinbeck with the help from two high school students. The wood from the bleachers was taken to the school surplus auction and the metal is going to be recycled.

2. New Business

E. Director of Operations Monthly Report – May 2026

Mr. Steinbeck shared a Director of Operations report. The report is attached to the agenda for viewing.

F. BCAT Building

Work has begun at the BCAT Building for the installation of a fire sprinkler system. During the underground work to connect to the city water main, it was discovered the main was located under the bus barn driveway rather than where the city thought it would be. Henton trenching will bore under the city street to tie into it, and Ahern will start installing the sprinklers on June 3rd.

G. Deerfield Elementary HVAC Unit

Mr. Steinbeck learned last week that the HVAC unit in the Deerfield library is not working due to bad coils. He will be meeting with Mechanical Systems to determine what is needed for replacement but noted this is a bigger unit that is original to the building, and the existing opening is about 20” while a replacement would require roughly 35” for installation. They will evaluate the best option for a new location to house the unit.

H. Next Scheduled BG&T Committee Meeting

Monday, June 29, 2026, at 12:00pm.

3. Adjournment

I. The meeting adjourned at 12:42 p.m.

Finance Committee Meeting Minutes

Wednesday, June 3, 2026

Call to Order at 12:00pm

Central Office

Committee Members Present: Courtney Tabor (Chair), Kari Loseke and Bob Schoby

Also Present: Dr. Don Johnson, Tom Shearer, Scott Macholan, Paul Geiger, and Angie Conety

1. Old Business

A. Copier Lease

Last month Scott Macholan (Director of Technology) and Tom Shearer reported the current copier lease with Capital Business Solutions ends in November 2026 and requested proposals from Access Solutions and Capital Business Solutions for a new leasing contract. Initially they had only received Access Solutions' proposal but have since received Capital Business Solutions' and, after comparing the two, recommends Capital Business Solutions because it offers better overall value.

A motion may be brought at the June 8, 2026, Board of Education meeting **to enter into a five-year lease agreement with Capital Business Solutions as presented.**

B. Fort Calhoun Co-Op - Girls Golf

Last month Fort Calhoun expressed interest in entering into a co-op agreement with Blair schools for girls' golf. The agreement has been received, and the district is requesting Board approval.

A motion may be brought at the June 8, 2026, Board of Education meeting **to enter into a Cooperative Agreement with Fort Calhoun Community Schools for the 2026-27 and 2027-28 school year for the purpose of providing a participation opportunities for the Girls' Golf Program for eligible student-athletes from Fort Calhoun High School.**

C. Board Audit

Mr. Shearer provided the monthly credit card statements, facility rental agreements, and the Amazon invoice for review.

D. 2026-27 Budget

Discussions have begun about accessing the additional 6% growth for property tax authority. Accessing additional levy authority is a strategic tool, not an immediate tax increase – it increases spending authority while the final levy decisions remain later.

E. Student Fees for the 2026-27 School Year

This has been tabled until July, when a Public Hearing will be held, as required by state statute, on any proposed changes.

2. New Business

F. Construction Projects

An update of district construction projects was provided, with further details to be shared during the BG&T Committee report.

G. QCPUF (Qualified Capital Purpose Undertaking Fund) Bond Issue Consideration

Paul Geiger from DA Davidson shared a proposal to potentially finance district safety projects through a QCPUF Bond. The advantage of this is not dipping into the Building Fund reserves and the Tax Levy would not be included in Property Tax Authority calculations.

The projects under consideration: Arbor Park Elementary Entrance (\$2,000,000), Blair High School Auditorium Rigging (\$1,000,000), South Early Childhood Center (\$800,000), and Otte Middle School Entrance (\$400,000).

H. Monthly Financials – June 2026

Mr. Shearer provided the financial recap of the monthly financials to the committee.

I. Sick Bank Totals for 2025-26

Mr. Shearer shared the results of the Sick Bank Applications the Sick Bank Committee reviewed for the 2025-26 school year. No sick days were carried over from 2024-25 due to expiration, 86 days were donated by staff, 30 days contributed by the Board of Education, 39 days were awarded for reimbursements, leaving 77 Sick Bank days to carry over to 2026-27.

J. Substitute Teacher Pay 2026-27

Mr. Shearer informed that the Board of Education Annually sets substitute pay rates, and after committee discussion there is no proposed substitute pay rate change for 2026-27 school year. Daily rates are as follows:

2026-27 Rates
\$175.00 (1-9 Days)
\$200.00 (10+ Days)

A motion may be brought at the June 8, 2026, Board of Education meeting **to approve the substitute pay rates for the 2026-27 school year as presented.**

K. Food Service Advisory Meeting

The district held its 2nd semester Food Advisory Committee meeting on Thursday, May 14, 2026. Mr. Shearer shared the minutes and Taher’s survey results with the committee.

L. Superintendent Contract Renewal and Pay for 2026-247

M. Next Scheduled Finance Committee Meeting

Wednesday, July 8, 2026, at 12:00pm.

3. Adjournment

The meeting was adjourned at 1:15 p.m.

We may also ask to see other documents that substantiate your business identity. You and any other person who you control, own a controlling interest in, or who owns a controlling interest in or otherwise controls you in any manner ("Representatives") are and will remain in full compliance with all laws, regulations and government guidance concerning foreign asset control, trade sanctions, embargoes, and the prevention and detection of money laundering, bribery, corruption, and terrorism, and neither you nor any of your Representatives is or will be listed in any Sanctions-related list of designated persons maintained by the U.S. Department of Treasury's Office of Foreign Assets Control or successor or the U.S. Department of State. You shall, and shall cause any Representative to, provide such information and take such actions as are reasonably requested by us in order to assist us in maintaining compliance with anti-money laundering laws and regulations.

9. LOSS OR DAMAGE. You are responsible for any damage to or loss of the Equipment. No such loss or damage will relieve you from your payment obligations under the Agreement. Any insurance proceeds received relating to insurance you obtain will be applied, at our option, to repair or replace the Equipment, or to pay us the remaining payments due or to become due under the Agreement, plus our booked residual, both discounted at 2% per annum. Except for claims, losses, or damages caused by our gross negligence or willful misconduct, you agree to indemnify us and our assignee, if applicable, against any claims, losses, or damages, including attorney fees, in any way relating to the Equipment or data stored on it. This indemnity will survive the expiration of the Agreement. In no event will we be liable for any consequential or indirect damages.

You also agree to: 1) keep the Equipment fully insured against loss at its replacement cost, with us named as lender's loss payee; and 2) provide proof of insurance satisfactory to us no later than 30 days following the commencement of the Agreement, and thereafter upon our written request. If you fail to maintain property loss insurance satisfactory to us and/or you fail to timely provide proof of such insurance, we have the option, but not the obligation, to do so as provided in either (A) or (B) as follows, as determined in our discretion:

(A) We may secure property loss insurance on the Equipment from a carrier of our choosing in such forms and amounts as we deem reasonable to protect our interests. If we secure insurance on the Equipment, we will not name you as an insured party, your interests may not be fully protected, and you will reimburse us the premium which may be higher than the premium you would pay if you obtained insurance, and which may result in a profit to us through an investment in reinsurance. If you are current in all of your obligations under the Agreement at the time of loss, any insurance proceeds received relating to insurance we obtain pursuant to this subsection (A) will be applied, at our option, to repair or replace the Equipment, or to pay us the remaining payments due or to become due under the Agreement, plus our booked residual, both discounted at 2% per annum.

(B) We may charge you a monthly property damage surcharge of up to .0035 of the Equipment cost as a result of our credit risk administrative costs or other costs, as would be further described on a letter from us to you. We may make a profit on this program. NOTHING IN THIS SECTION WILL RELIEVE YOU OF YOUR RESPONSIBILITY FOR LIABILITY INSURANCE ON THE EQUIPMENT. You authorize us to sign on your behalf and appoint us as your attorney-in-fact to endorse in your name any insurance drafts or checks issued due to loss or damage to the Equipment.

11. TAXES/OWNERSHIP. You will pay when due, either directly or by reimbursing us, all taxes and fees relating to the Equipment and the Agreement, including estimated final-year personal property tax. Sales or use tax due upfront will be payable over the term with a finance charge. If we pay any taxes for you, or other expenses that you owe hereunder, you agree to reimburse us when we request and to pay us a processing fee for each expense or charge we pay on your behalf. Unless the Agreement includes a \$1-purchase option, we own the Equipment (excluding any software). If the Agreement includes a \$1-purchase option, you acknowledge that you own the Equipment, including any software license rights granted to you, if any, by us or any third party supplier(s). You hereby grant us a security interest in the Equipment to secure all amounts you owe us under any agreement with us, to be released at the end of the term provided you have performed all of your obligations under the Agreement.

12. END OF TERM. At the end of the term of the Agreement (or any renewal term) (the "End Date"), the Agreement will renew for an additional one year period under the same terms unless a) you provide us written notice, at least 30 days prior to the End Date, of your intent to return the Equipment, and b) you timely return the Equipment to the location designated by us, at your expense. If the returned Equipment is not immediately available for use by another without need of repair, you will reimburse us for all repair costs. If the Agreement includes a purchase option and you are not in default on the End Date, you may purchase the Equipment from us "AS IS" for the purchase option price. If the Agreement includes a \$1-purchase option, you will be deemed to have exercised your option to purchase the Equipment as of the commencement date of the applicable Schedule. You cannot pay off the Agreement or return the Equipment prior to the End Date without our consent. Unless the Agreement includes a \$1-purchase option, if we consent to an early prepayment, we may charge you, in addition to other amounts owed, an early termination fee equal to 5% of the price of the Equipment.

13. DEFAULT/REMEDIES. You will be in default if: (a) you do not pay any payment or other sum due to us or any other person when due or if you fail to perform in accordance with the covenants, terms and conditions of the Agreement or any other agreement with us or any of our affiliates or any material agreement with any other entity, (b) you make or have made any false statement or misrepresentation to us, (c) you or any guarantor dies, dissolves or terminates existence, (d) there has been a material adverse change in your or any guarantor's financial, business or operating condition, or (e) any guarantor defaults under any guaranty for the Agreement. If you are ever in default, at our option, we can terminate the Agreement and we may require that you return the Equipment to us at your expense and pay us: 1) all past due amounts and 2) all remaining payments for the unexpired term, plus our booked residual, both discounted at 2% per annum; and we may disable or repossess the Equipment, require you to stop using any software, and use all other legal remedies available to us. You agree to pay all costs and expenses (including reasonable attorney fees and repossession costs) we incur in any dispute with you related to the Agreement. You agree to pay us interest on all past due amounts at the rate of 1.5% per month, or at the highest rate allowed by applicable law, if less. Any delay or failure to enforce our rights under the Agreement will not prevent us from enforcing any rights at a later time. If interest is charged or collected in excess of the maximum lawful rate, we will refund such excess to you, which will be your sole remedy.

14. UCC. If we assign rights in the Agreement for financing purposes, you agree that the Agreement, in the hands of our assignee, is, or shall be treated as, a "Finance Lease" as that term is defined in Article 2A of the Uniform Commercial Code ("UCC"). You agree to forgo the rights and remedies provided under sections 507-522 of Article 2A of the UCC. You authorize us to record UCC financing statements to protect our interests in the Equipment.

15. LIMITATION ON CHARGES. This section controls over every other part of the Agreement and over all documents now or later pertaining to the Agreement. We both intend to comply with all applicable laws. In no event will we charge or collect any amounts in excess of those allowed by applicable law. Any part of the Agreement that could, but for this section, be read under any circumstance to allow for a charge higher than that allowable under applicable legal limit, is limited and modified by this section to limit the amounts chargeable under the Agreement to the maximum amount allowed under the legal limit. If in any circumstance, any amount in excess of that allowed by law is charged or received, any such charge will be deemed limited by the amount legally allowed and any amount received by us in excess of that legally allowed will be applied by us to the payment of amounts legally owed under the Agreement, or refunded to you.

16. MISCELLANEOUS. The Agreement is the entire agreement between you and us relating to our providing and your use of the Equipment and supersedes any prior representations or agreements, including any purchase orders. Amounts payable under the Agreement, including any estimated tax payments, may include a profit to us. The parties agree that the Agreement and any related documents hereto may be authenticated by electronic means. The parties agree that the original of the Agreement for enforcement and perfection purposes, and the sole "record" constituting "chattel paper" under the UCC, is either (a) the copy of the applicable Schedule bearing (i) the original or a copy of either your manual signature or an electronically applied indication of your intent to enter into the Agreement, and (ii) our original manual signature or (b) the copy of the Agreement executed by the parties and controlled by us or our assignee or custodian in accordance with the Electronic Signatures in Global and National Commerce Act or any similar state laws based on the Uniform Electronic Transactions Act and other applicable law as electronic chattel paper under the UCC. Upon execution, the parties agree to be bound to the terms hereof regardless of the medium or format in which the Agreement is maintained or controlled. You agree not to raise as a defense to the enforcement of the Agreement or any related documents that you executed or authenticated such documents by electronic or digital means or that you used facsimile or other electronic means to transmit your signature on such documents. Notwithstanding anything to the contrary herein, we reserve the right to require you to sign the Schedule or any related documents hereto manually. If any provision of the Agreement is unenforceable, the other provisions herein shall remain in full force and effect to the fullest extent permitted by law. You authorize us to either insert or correct the Agreement number, serial numbers, model numbers, beginning date, and signature date. All other modifications to the Agreement must be in writing signed by each party. Within 30 days after our request, you will deliver all requested information (including tax returns) which we deem reasonably necessary to determine your current financial condition and faithful performance of the terms hereof.

Company Overview

Established in 1986, Access Systems is a privately owned technology company providing managed print services, VoIP unified communications, and IT services. Our office technology solutions simplify work, save time, and improve security so you can focus on what matters most: Your School District.

Shane Sloan acquired Access Systems in 2005, leading to our expansion as a nationally recognized enterprise offering IT, print, and unified communication solutions. Over the past 21 years, we have experienced remarkable growth, expanding across the Midwest. Our commitment to continuous development has enabled us to maintain our unique culture, provide career opportunities for our team, and deliver enhanced resources to support our clients.

Our dedication to excellence has earned recognition as a top dealer nationwide, including prestigious honors from our manufacturer partners, Sharp Corporation and Ricoh. As an authorized HP Inc. partner since 2009, along with additional certifications across multiple partner programs, Access brings deep expertise supporting a broad range of print and imaging technologies. Combined with our award-winning service organization, these partnerships reflect both the strength of our manufacturer relationships and our ability to support customers across diverse equipment environments.

We are proud to be a destination employer. This recognition, driven directly by employee feedback, has earned us Top Workplace honors nationally since the award's inception in 2021. These distinctions reflect our ability to attract and retain top talent, creating a stable, engaged team committed to continuous growth. By investing in our people and culture, we strengthen the expertise and resources behind our organization, ultimately delivering a better, more consistent experience for our customers.

Service & Uptime Guarantee

Access Systems employs only factory-certified copier technicians. To resolve service calls as promptly as possible, Access Systems may first attempt to resolve the service call over the phone with your key operator. When on-site service is needed, our service technicians meet a monthly average response time of four (4) hours per service call. Service will be conducted between the hours of 7:30 a.m. and 5:00 p.m. Monday through Friday not including Access Systems Recognized Holidays.

Equipment repair and maintenance services will be provided in accordance with the manufacturer's specifications. Access Systems utilizes industry-specific software with manufacturer-recommended parts lifecycle analytics. This ensures proactive service is provided by replacing necessary parts prior to the end of their lifespan.

All maintenance will be done by a manufacturer-certified technician. Access Systems only uses OEM parts and toners when providing service. We have \$3 million in parts and toners available in our warehouses. Technicians' vehicles are also stocked with \$30,000 worth of commonly used parts.

Access Systems will replace hardware that fails to consistently achieve the manufacturer's performance expectations. This performance guarantee requires the following of the Customer: a.) use of the hardware within the manufacturer's monthly volume specifications; b.) the provision of a trained customer key operator; c.) the use of approved manufacturer-specified input materials. If the Customer satisfies the above requirements and a copier or printer fails to meet 96% uptime as measured monthly, Access Systems will implement a performance improvement plan. If after a thirty (30) day period, this plan fails to raise the performance to the previously stated uptime targets, Access Systems will swap the machine for a like machine with equal or greater value.

Managed Print Solution

Access Systems has funds set aside to fulfill the obligation of existing agreements and facilitate shipping back devices.

Delivery & Installation

Here's an overview of our implementation process:

INSTALLATION PREPARATION	The Project Management team will coordinate with you to create the install plan. This includes verifying location information, key contacts, installation dates, and the potential training plan.
STAGING	Equipment is staged at the nearest Access Systems distribution center. We organize the equipment by model and accessories for a visual inspection to ensure it's in good condition.
INSTALLATION	Our installation team's trained technician will perform the installation on-site, ensuring that all previously agreed-upon specifications are met.
INITIAL TRAINING	Training will begin right after the installation. Our installation staff conducts training to provide basic end-user training. For large scale deployments, we may schedule multiple training sessions. Training can either be held in a classroom setting for multiple users, or can be held virtually.
COMPREHENSIVE TRAINING	At Access Systems, we focus on providing thorough training to help users make the most of their systems and meet their needs. Once the basic end-user training has been provided, we can schedule additional training sessions as needed. We also offer post-implementation support to address any questions or issues that may arise.

Training

Initial Training

Initial training begins shortly after installation and is led by our installation team. This session provides basic end-user instruction for key users and typically lasts 15–30 minutes. For larger deployments, multiple sessions can be scheduled on the installation day when arranged in advance.

Topics include:

- Copying, printing, scanning, and faxing
- Loading paper, clearing jams, and replacing toner
- Ordering supplies and recycling toner
- Submitting service requests
- Access Systems contact information

Advanced Comprehensive Training

Advanced comprehensive training is available to help users get the most from their system. It is typically scheduled after installation and can be arranged through your scheduling coordinator or sales professional.

Includes Initial Training topics plus:

- Advanced device features and cloud solutions
- Driver setup and advanced print options
- User interface and workflow optimization
- IT-level maintenance and management

We recommend training a small group of “power users” to support others on-site and improve long-term success.

Training Logistics

- Customers provide training space, device/software access, and network connectivity
- Sessions range from 30 minutes to a few hours, based on needs and skill levels
- Scheduling is flexible to align with your implementation timeline

Ongoing Support

Access Systems provides post-installation support, including online resources and helpdesk assistance, to support continued learning.

General Board Position on Residential TIF Funding

The Blair Community Schools Board of Education supports responsible economic growth and welcomes new families, businesses, and housing opportunities that strengthen our community. The Board recognizes that Tax Increment Financing (TIF) can be an appropriate tool when used to address genuine blight and redevelopment challenges.

However, the Board has concerns regarding the use of TIF for residential housing developments. New housing projects are intended to attract families and increase enrollment in the District, creating additional costs for staffing, transportation, special education services, facilities, and educational programming. When residential developments are financed through TIF, the District must absorb these increased costs while receiving little or none of the additional property tax revenue generated by the development for many years.

As a non-equalized school district that relies heavily on local property taxes to fund educational services, Blair Community Schools believes residential TIF projects can create a financial imbalance that shifts costs to existing taxpayers and limits resources available to students.

The Board therefore encourages local governments to carefully evaluate the educational and fiscal impacts of proposed residential TIF projects and to work collaboratively with the District to identify solutions that support both community growth and long-term educational sustainability.

BLAIR COMMUNITY SCHOOLS BOARD OF EDUCATION

RESOLUTION REGARDING THE USE OF TAX INCREMENT FINANCING FOR RESIDENTIAL HOUSING DEVELOPMENTS

WHEREAS, the members of the Board of Education (Board) were elected to govern Blair Community Schools (District) and to ensure the District can provide a high-quality education to all students while being responsible stewards of taxpayer resources; and

WHEREAS, the Board supports responsible economic development, community growth, redevelopment efforts, and housing opportunities that strengthen Blair and attract families, businesses, and investment to the community; and

WHEREAS, the Board recognizes that Tax Increment Financing (TIF) can be an appropriate economic development tool when used to address genuine blight and substandard conditions, and when development would not otherwise occur without public assistance; and

WHEREAS, under Nebraska law, TIF allows a portion of the increased property tax revenue generated by a development to be diverted from local taxing entities, including school districts, for up to fifteen years, and in certain circumstances up to twenty years, in order to repay eligible redevelopment costs; and

WHEREAS, residential housing developments are intended to attract new residents and families, which can increase student enrollment and create additional demands on the District for teachers, staff, transportation, special education services, facilities, technology, and educational programming; and

WHEREAS, while residential growth often increases the need for educational services, the use of TIF for residential housing projects delays the District's ability to receive the increased property tax revenue generated by that growth, creating a mismatch between increased costs and available revenue; and

WHEREAS, Blair Community Schools is a non-equalized school district that relies heavily on local property tax revenue to support educational operations and does not receive state equalization aid that may offset some of the financial impacts experienced by other school districts; and

WHEREAS, the Board believes the long-term success of the community depends upon both responsible development and a strong public school system, and that growth should occur in a manner that is fiscally sustainable for taxpayers and supportive of the educational needs of current and future students; and

WHEREAS, the Board desires to establish its position regarding the use of TIF for residential housing developments and to encourage greater collaboration between the District and local governmental entities when such projects are being considered;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Blair Community Schools as follows:

Section 1. Position Regarding Residential TIF Projects.

The Board supports community growth, housing development, and redevelopment efforts that strengthen Blair and benefit its residents. However, the Board generally opposes the use of Tax Increment Financing for residential housing developments because such projects can increase enrollment-related costs to the District while delaying the additional property tax revenue needed to support those costs.

Section 2. Fiscal Impact Concerns.

The Board finds that residential TIF projects may create a financial imbalance for the District by increasing demands on educational services without providing the corresponding increase in local property tax revenue during the TIF period. The Board believes this can place additional pressure on existing taxpayers and limit resources available to support students and educational programs.

Section 3. Request for Collaboration and Mitigation.

The Board encourages the City of Blair, the Planning Commission, and other public entities to consult with the District before approving residential TIF projects. The Board asks entities to negotiate in good faith with the District before any residential redevelopment plan and/or TIF project is approved. At a minimum, the Board asks for: (a) a financial support arrangement that accounts for the District's increased costs of educating students generated by the Project during the TIF period; (b) an independent study of how many school-age children the Project is likely to bring, along with associated costs; and (c) a shared plan to handle any facility needs and enrollment growth the Project creates. The Board also asks for greater collaboration with the City Council and Commission on future TIF projects being considered, for the same reasons.

Section 4. Direction to Administration.

The Superintendent is authorized and directed to: (a) send this Resolution to the City Council and the Commission; (b) speak at any public hearing held on proposed redevelopment plans; (c) provide enrollment information, cost increase approximations, property tax loss estimates, and other information to the City Council, Commission, and any concerned taxpayers; and (d) take any other steps needed to protect the District's financial interests.

May Superintendent Report

May was another outstanding month for Blair Community Schools. We had the opportunity to celebrate the many accomplishments of our students both in the classroom and in extracurricular activities. Our students and student-athletes continued to perform at the highest levels across the state.

We proudly recognized the Blair High School Girls Soccer Team for earning the State Runner-Up title, and our track and field program produced four individual state champions. Graduation was a highlight of the month as we celebrated the achievements of the Class of 2026, including numerous scholarship recipients and those who have chosen to serve our nation through military service.

Otte Middle School

Construction at Otte Middle School is scheduled to begin this month. This project represents an important investment in our students, staff, and community. Seeing construction move forward is an exciting milestone and a source of pride for our district as we continue to enhance learning environments for future generations.

Arbor Park Construction Timeline

The following project schedule has been proposed:

- May 19, 2026 – Construction documents submitted to A&D for printing and distribution
- June 2, 2026 – Pre-bid walkthrough at 10:00 a.m.
- June 11, 2026 – Bid opening at Blair Community Schools at 2:00 p.m.
- March 5, 2027 – Substantial completion of the project
- March 8–12, 2027 – Spring Break; planned transition into the new administrative addition
- April 2, 2027 – Final project completion

To maintain the proposed construction timelines, special Board of Education meetings may be required to formally review and accept bids for both projects.

Staffing, Scheduling, and Instruction

On June 11, Blair Community Schools will welcome its newest educators during the first of three New Teacher Orientation sessions. These meetings are designed to provide a strong foundation for new staff members as they begin their careers in our district.

I would like to thank Erin Fields, Scott Macholan, and the entire district team for their efforts in planning a meaningful and comprehensive onboarding experience. Their work will help ensure our new teachers feel supported and prepared for a successful start to the school year.

Finance and Operations

We recently welcomed Andy Farber, Superintendent of Sidney Public Schools, to collaborate with Tom and me on reviewing the district's financial outlook over the next three to five years. Through these discussions, we have identified several viable options to strengthen the district's long-term financial stability.

We look forward to working with the Board of Education in the coming months to evaluate these opportunities and develop a sustainable financial plan that supports the continued success of Blair Community Schools for years to come.
