Regular Board of Directors Meeting
Monday, May 11, 2026 6:00 PM
Lower Platte North NRD Office
1616 County Road 17
Wahoo, NE 68066

1. Call to Order

   NOTE: The agenda is on file at the LPNNRD office and may be changed up to 24 hours prior to the meeting as scheduled.

   1.A. Meeting Notice

   1.B. Inform Public on Location of Copy of "Open Meeting Act" and we will follow our Rules of Conduct and Public Participation at Board Meetings.

   1.C. Pledge of Allegiance

2. Roll Call

   2.A. Introductions

3. Approval of Agenda
   Are there any additions or corrections to the agenda?
4. Comments - Advisors/Guests

   4.A. Guest Comments

   4.B. NRCS Report

   4.C. NARD Report

   4.D. NRC Report

   4.E. Managers Report

   4.F. Education Program

5. Approval of Minutes
   Are there any additions or corrections to the Minutes? If not they will be approved on the consent agenda.
6. Report of Standing Committees

6.A. Executive Committee - Action as Required

6.A.1. UNFINISHED BUSINESS

6.A.2. MEETINGS

6.A.2.a. Pending

6.A.2.a.1. GMDA Summer Meeting

The GMDA Summer Conference will be held in Lubbock, Texas July 21-23. A welcome reception on Tuesday evening and the conference kicking off Wednesday morning with a field trip on Wednesday and a full day of presentations on Thursday. Let staff know if you are interested in attending.

6.A.2.a.2. 2026 Water and Natural Resources Tour

Registration is now open for the 2026 Water and Natural Resources Tour. Join the Nebraska Water Center and Central Nebraska Public Power and Irrigation District June 22 through 24 as we explore the Republican Basin.
Registration includes all meals, hotel, commercial transportation, on-board refreshments, and activities from Monday evening through Wednesday at 4 pm. The tour will begin and end in McCook, Nebraska, with transportation provided from Lincoln for interested attendees.
$390 per person, single occupancy room
$330 per person, double occupancy room

Registration deadline is May 22nd. Please let staff know if you are interested in attending.

6.A.2.a.3. 2026 NRD Basin Tour

2026 NRD Basin Tour - June 8-9

This year we will be touring the proposed Perkins County Canal in the South Platte River Basin and learn how it will be tied into the existing canal and storage systems. The tour will begin in North Platte, NE, on June 8th. Registraiton deadline is Wednesday, May 13th. Please let staff know if you are interested in attending.

6.A.2.b. Reports

6.A.3. MANAGEMENT ITEMS

6.A.3.a. Directors Absence

6.A.3.b. Monthly Education Program

May - Dillon Kuehn - Water Strategies
June - Financial Review

July - Water Topic
August - IMP Presentation by DWEE

6.A.3.c. NARD Representative

Director Hilger is stepping down as Lower Platte North NRD representative on the NARD Board.

A motion will be needed at Board Meeting to appoint a LPNNRD Director to fill his vacancy on the NARD Board.

6.A.3.d. LPN Recreation Season

April is a big month for preparing our recreation areas for the upcoming recreation season. There are several new projects planned for Wanahoo, which are being discussed through the Operations Committee. Rich arrived for another season as on-site Lead Wanahoo Technician and will once again be living in the park until late October.

6.A.3.e. Wanahoo Amphitheater Project

Attached is a draft of the short-term agreement related to the Amphitheater project.

6.A.4. Equipment

6.A.4.a. New Computer

The assistant manager's laptop is failing. A replacement laptop and docking station was quoted at $3,827. Plan is to replace ASAP and budget for any additional computer needs next fiscal year.

6.A.4.b. Water Department Tablet

The Water Department needs to update one tablet and add one additional tablet for the upcoming summer sampling/field season. The cost of the tablets are $249.99/each, along with a monthly cell service charge of $42.81.

6.A.5. PERSONNEL

6.A.5.a. Nate Dorsey - Assistant Water Resources Manager

Nate's first day was Monday April 27th. Nate will spend the next few weeks getting to know the goals and objectives of our Water Department and studying for his Water Technician certification.

6.A.5.b. 2026 Cost of Living and Merit Adjustments

The federal cost of living increase for 2026 was 2.8%. In past years, we have offered a cost of living and a merit salary increase to our staff. Last year the combined totaled 5%. The cost of living is applied to all full-time staff members and the merit portion is awarded as follows: Far Exceeds Expectations - 100% of merit %, Exceeds Expectations = 75% of merit %, Meets Expectations = 25% of merit and Below Expectations = No merit increase.

Since assuming the role of General Manager, my philosophy on "Cost of Living" and merit increases has remained the same...Take the total approved percentage rate increase divided our total number of full-time employees

and provide the exact same salary increase for ALL staff rather than calculating a percentage of current salary. I believe this is a much more equitable form of compensation as the cost of a gallon of milk, a loaf of bread or gallon of gas is the same to all employees. By doing this over the past 9 years, the salary gap between highest and lowest paid employees has greatly diminished.
Management is recommending a combined total of 5% potential increase (2.8% COLA & 2.2% merit) for a total of $72,000 to be divided equally between all full-time employees.
As in previous years, these changes would take effect 7-1-26.

6.A.6. FINANCE

6.A.6.a. Approval of Financial Reports

6.A.6.b. Approval of Managers Time and Expense Sheets

6.A.6.c. Accounts over 90 Days

6.B. Operations Committee - Action as Required

6.B.1. UNFINISHED BUSINESS
We don't have any unfinished business to attend to.

6.B.2. WILD NE AND OTHER PROGRAMS
We are still hoping for that perfect weather to do prescribed burns.

6.B.3. OPERATION & MAINTENANCE & OTHER ITEMS
The O & M crew packaged and delivered trees for individual orders, started tree planting, put in two vents in the vehicle shed and other miscellaneous jobs.

6.B.3.a. Rehabilitation of Cottonwood 21-A, NRCS, HDR
Nothing new to report from the previous meeting.

6.B.3.b. Wanahoo Basin Damage & Repair, FEMA, & Houston Engineering
Nothing new to report from last meeting.

6.B.3.c. Hay Bids
Hay bids on the Wanahoo property are due Thursday, May 7 at 4:00 p.m. The board will approve a bid or bids at the May 11th meeting.

6.B.3.d. Pipe & Culvert Inspections Clear Creek Levee and Fuse Plug
As the Clear Creek Levee sponsor, we are required by the Corps of Engineers to do pipe and culvert inspections in the fuse plug area and on the levee every 5 years. We will have to ask for bids from a NAASCO certified inspector for this job. There are two 48" RCP, two 60" culverts and box culverts under County Road A that enter the fuse plug flood way.

6.B.4. LAKE WANAHOO

6.B.4.a. Lake Wanahoo Permit Sales

For the month of March, the District received $3,598.50 in park permit revenue.

6.B.4.b. Lake Wanahoo Camping Revenue

For the month of March, the District received $6,169.37 in camping revenue.

6.B.4.c. Lake Wanahoo Recreation Area Improvements

Lake Wanahoo improvements going forward are listed below:

- Sand Volley Court located east of the guard shack (rough estimate $8,000.00)
- Basketball/Pickleball court located south of the shower house (rough estimate $16,000.00)
- Concrete patio, to replace pea gravel, located behind the education building (rough estimate $11,000.00)

Our plan is to spend the remaining $21,087.74 NRDF funding (State funding for Wanahoo recreation and Education building) on these projects at a 60/40 cost-share to zero out our NRDF balance.

6.B.4.d. Clint Johannes Education Building

The Clint Johannes Education Building at Lake Wanahoo was rented 15 times in April, with 1 NRD event. Revenue for the month was $1,325.

There are only 7 remaining weekend dates available for 2026.

6.B.5. ROCK AND JETTY

6.B.6. INFORMATION AND EDUCATION

6.B.6.a. Information

6.B.6.a.1. Radio & Digital Display Ads

KTIC radio ads schedule:
April: Recreation Areas
May: Chemigation

Digital display ad schedule:
Recreation Areas now — end of June
Native Nook April 20 — end of June

Digital Display Campaign Performance Overview (Lower Platte North NRD)
Reporting Period: September 8, 2025 - April 21, 2026

- The display-only digital campaign has delivered 319,302 impressions to date, generating 392 clicks and site visits, resulting in a 0.12% click-through rate.
- Delivery has been focused across **36 ZIP codes,** spanning 35 cities

and 6 counties, with the strongest concentration in **Fremont, Ashland, Schuyler, Wahoo, and Yutan.**

- The top ZIP codes by engagement were Schuyler (68661) and Wahoo (68066), each achieving a 0.16% CTR, outperforming the overall campaign average.
- Ads were served primarily on mobile devices (71.7% of impressions), followed by desktop (17.1%) and tablet, aligning well with typical consumer browsing behavior.
- Inventory skewed toward apps (68% of impressions) rather than websites, with apps delivering a slightly higher CTR (0.13%) compared to sites (0.11%).
- Creative performance was well distributed across multiple formats and messages, with Windbreak, Lake Wanahoo, and Czechland Lake creative assets all contributing consistently to overall engagement.

Overall takeaway:
The campaign continues to deliver strong geographic coverage and consistent engagement across key communities, with mobile and in-app placements driving the majority of performance. With 71 days remaining in the flight, there is ongoing opportunity to build frequency and awareness across the Lower Platte North NRD service area.

6.B.6.a.2. Analytics

Top Posts for Facebook and X during March included:

- Wahoo Creek Watershed cost-share flyer
- April Coffee, Lakeside flyer
- Science and Scenes May event flyer
- Nitrogen Use Efficiency (NUE) and Nitrogen Reduction Incentive Act (NiRIA) program flyers
- Shared post from Wahoo Chamber of Commerce/office ribbon cutting

Facebook followers: 1,878
X followers: 428

On the **LPNNRD website**, top pages included the home page, Lake Wanahoo, Czechland Lake, Forestry, Downloads, and Education page. We received traffic from NARD (54), Facebook (56), KETV (12), and Visit Nebraska (10).

6.B.6.a.3. Local Everyday Business Spotlight

With the launch of the new Native Nook pollinator program, we are looking for ways to promote it to a wider audience. 10/11 offers a "Local Business Spotlight" opportunity called "Local Everyday" that is featured on 10/11, MeTV and CW. We did this in 2024 with the Wahoo Creek Watershed dams and felt it was successful to introduce what LPNNRD had planned for the dams. Similar options are available. These include a 30-second or 15-second TV commercial (created by

10/11 with access to use as we wish), on-air interview, sponsored Facebook post, sponsored news article, and 20,000 display ads on 1011now.com. We would plan to use the commercial they create to continue to promote the Native Nook program through the website, Facebook and YouTube.

6.B.6.b. Education

6.B.6.b.1. Past Events

April 9th: Coffee Lakeside - Mollusks and Crayfish of Nebraska (12)
April 15th: North Bend 4th Grade - Wildlife CSI - (50)
April 16th: Wahoo High School - Water quality - biomonitoring (22) & Ecofair (Lacey)
April 20th: Wahoo High School @ Lake Wanahoo Biomonitoring (40)
April 21st: Wahoo 2nd grade field trip (77)
April 22nd: North Bend 5th Grade - Earth Day Focus on Plastics (44)
April 23rd: Wahoo Kindergarten - trees (85)
April 27th: Fremont H.S. Pollination & Bumble Bee Atlas (33)
April 28th: Field Trip for St. Wenceslaus Pre-K at Lake Wanahoo (33)
April 29th: Wahoo Middle School 7th & 8th: Arbor Day & Ecosystems ()

6.B.6.b.2. Upcoming events

- **May 4th**: East Butler Day
- **May 6th**: Spring Conservation Sensation
- **May 7th:** Ashland Greenwood water day & St. Wenceslaus Bloom box planting day
- **May 11th:** David City HAL fieldtrip
- **May 13th:** Wahoo 4th grade field trip

6.B.6.b.3. Spring Conservation Sensation Volunteers

If you are interested in or planning to help at our annual Spring Conservation Sensation on May 6th (8:45am-2:00pm), please leave me a message or email me at sabbott@lpnnrd.org, so I know you will be there. We provide lunch and I want to make sure you will get fed.

6.B.7. RURAL WATER SYSTEMS

6.B.7.a. Rural Water Operations

The 2025 Water Quality from NDEE have been publicly posted in both Colon and Bruno, as well as, posted on the LPNNRD website. Customer Confidence Reporting (CCR) documentation has been completed and sent to NDEE.
We expect to receive JEO's feasibility study amendment for the proposed Abie RWD next month.
On 4/8 staff met with Doug Hanson, representing Olsson, to discuss a statewide initiative to enhance rural communities. The southeast portion of

the state is focused on water infrastructure and would include the Colon RWD. The plan is currently in the information gathering stage with the hope of providing a path forward to build more robust and resilient infrastructure.

6.B.7.b. Colon System

Routine sampling completed, meters read and bills will be mailed 5/1.

6.B.7.c. Bruno System

Routine sampling completed, meters read and bills will be mailed 5/1.

6.B.7.d. Other

6.C. Water Committee - Action as Required

6.C.1. UNFINISHED BUSINESS

6.C.2. REGULATORY

6.C.2.a. GROUND WATER MANAGEMENT AREA

6.C.2.a.1. Well Permit Program

6.C.2.a.2. Well Permit Restricted Area

Keith Ziebenbein is applying for a well permit in LPNNRD restricted area (red) for SW SW 29-16-9E, Saunders County. He received conditional approval on his variance request from the Board in September 2025. To move forward on the request required him to drill 3 test holes before a well permit can be approved. The test holes information is attached.

Keith was present at the Committee meeting to explain his situation. The Committee was made aware of the conditions on previous approved wells in restricted areas, with Keith understanding that if local well interferences are occurring, his well could be shut off.

6.C.2.a.3. Groundwater Management Plan Updates

Spheros made a presentation at the Board meeting on a proposed groundwater model to assist in the ranking of variances and determine areas of concern. Attached is the presentation shown at the Board meeting where this model would decrease grid size for more accurate information.

This project is an extension of the plan to assist in the implementation of the plan and will be part of the scoring sheet that is under contract at the present time.

If the Committee wants to proceed with the groundwater modeling project with Spheros, a contract is attached for $30,000.

Attachments

An invoice for $2638.50 is attached from Spheros for the scoring sheet and water quantity contract.

6.C.2.a.4. Cost Share Programs

Mike Inselman - RO unit - $505.92

6.C.2.a.5. LPNNRD Operator Certification

At the present time, 367 individuals have completed nitrogen certification for 2026.
In-person class — 228
Take Home Test — 21
On Line Test - 118

Items for the Committee to consider are that if an individual has let their certification lapse, staff can delay a replacement well application for 30 days after the application date, a new chemigation permit can be delayed for 14 days, and they will not be eligible for a variance for 1 year after coming into compliance.

6.C.2.a.6. Lower Platte River Basin Water Management Plan Coalition (LPRBC)

The Coalition meeting was held April 15th in the NRD Board Room in Wahoo. The Board approved the coalition members' annual report and budget with dues staying at $10,000, except DWEE. Jesse Bradley asked for a 2-year exception from the dues as they will be purchasing new servers to run the groundwater model for the Coalition. They reviewed the next 5-year increments' timetable and heard presentations from Jesse Bradley with a DWEE update and Jame Herrick from Sentinel irrigation.

6.C.2.a.7. Well Modification Forms

Staff has discussed with DWEE that if the NRD requests that all modification forms be approved by the NRD, they will work with us. The Committee still needs a procedure on how the process will work for approval or denials. Attached is a draft policy to discuss.

6.C.2.b. CHEMIGATION

For 2026, we have 279 renewals and 9 new permit applications for a current total of 288. Inspections for renewal permits have not started.

Attachment.

6.C.2.c. GROUND WATER ENERGY LEVELS

Spring 2026 water levels compared to Spring 2025 from 213 measured wells. A map is attached.

District wide — average water levels rose 1.28 feet with the median at 0.87 feet. 136 wells rose greater than 0.25 feet and 41 wells declined more than 0.25 feet.
Todd Valley — average water levels rose 0.83 feet with the median at 1.09 feet.

Uplands — average water levels rose 2.33 feet with the median at 1.78 feet.
Platte Valley — average water levels rose 0.41 feet with the median at 0.39 feet.
Shell Creek — average water levels rose 2.46 feet with the median at 2.02 feet.

6.C.2.d. GROUND WATER QUALITY SAMPLING

6.C.3. GROUND WATER PROGRAMS

6.C.3.a. DECOMMISSIONED WELL PROGRAM

6.C.3.a.1. Well Estimates

new wells has been reviewed and approved for decommissioning since the last Committee meeting.

Well Owner	Type of Well	Cost Share Estimate	County
Marilee Polacek	Windmill (hand dug)	$2,681.06	
Marilee Polacek	Stock	$846.85	
Marliee Polacek	Stock	$987.85	

6.C.3.a.2. Plugged Wells

wells have been plugged, reviewed, and ready for cost share payment approval this month.

Well Owner	Type of Well	Cost Share Estimate	County
Roger Nelson	I	$874.95 (awaiting final invoice)	
Robert Meduna	I	$1,392 (awaiting final invoice)	

6.C.3.b. LOWER PLATTE NORTH NRD GROUND WATER STUDIES

6.C.3.b.1. Phase Area Update

Dale Grotelueschen - 2 Flow Meters - $2,000

6.C.3.b.2. GMDA Summer Conference

The conference is planned for July 21st through the 23rd in Lubbock, Texas.

6.C.3.b.3. NEW MONITORING WELLS

CSD is planning on drilling test holes at the Newman Grove site on May 12th, and potentially May 13th if extra time is needed.

6.C.3.b.4. SOURCE WATER PROTECTION

The data loggers, through our agreement with DWEE, have been ordered and should arrive within the next couple of weeks.

6.C.4. NAD Mead Cleanup Open House and Tour

An open house with bus tour will be held on Wednesday, May 13, starting at 4:30 pm with the bus loading at 5:15 pm. An email will be sent with details later.

6.C.5. SURFACE WATER PROGRAMS

6.C.5.a. STATE LAKES, FOR THE WEEK OF

6.C.5.b. USGS STREAM FLOW GAUGING SITES

Quarterly invoices for $4,344 and $5,514 are attached for stream gauges and cameras which are contracted with USGS.

6.C.6. OTHER

6.C.6.a. COMMENTS FROM THE PUBLIC

6.D. Projects Committee - Action as Required

6.D.1. UNFINISHED BUSINESS

6.D.2. SWCP

6.D.2.a. SWCP Application Approvals

We have one SWCP application for summer construction:

Norm Lindgren - Terrace, Water & Sed Control Basin, Tile Outlet, Critical area planting = $4,374.83

6.D.2.b. SWCP Payments

Bob H submitted a completed tree planting for cost-share

Seth McGinn - 300 trees - $596.25

6.D.2.c. SWCP Cancellations

6.D.2.d. Wahoo Creek Cost Share Approvals

6.D.3. JOINT WATER MANAGEMENT ADVISORY BOARD (JWMAB)

Attached is a quarterly invoice of our ice cameras and stage-only streamgages. These costs are split between Fremont, Dodge County, Papio, and LPN. No motion needs as this project is under contract.

6.D.3.a. East Fremont/Elkhorn Township Drainage - FEMA HMPG

6.D.3.b. West Fremont - FEMA BRIC

6.D.3.c. Rawhide Creek Watershed - NRCS WFPO

6.D.3.d. North Bend Drainage District

6.D.3.e. Cotterell Diking and Drainage District

FEMA BRIC program just announced their NOFO. Cotterell worked with Dodge County to submit a Notice of Interest to study the dike.
Cotterell is waiting on the last 10 loads of clean rip rap that we are cost sharing on. They expect the final loads in the next month and will send us a payment request once completed.

6.D.4. SHELL CREEK WATERSHED

6.D.4.a. Shell Creek Implementation - 319 & NET

The Christ Lutheran project recently received a COE permit. The permit will not allow tree removal until November 1st once the bats vacate on Halloween. Mainelli Wagner is currently working with Platte County on letting the bid package.

On 4/14 staff (Elliott, Andersen, and Maslonka) along with Bill Bos met with Eugene Goering and Arlis Plummer (siblings) to discuss a drainage issue on their property south of Platte Center. The issue relates to a wetland mitigation site owned/operated by NDOT along Highway 81 that is not adequately draining and causing high water issues on the Goering farm. According to Mr. Goering there is to be regular maintenance performed onsite to ensure water can flow sufficiently, but he believes not enough has been done. He was interested in installing a cistern with a pump with a line to a dry pit area within the wetland. We advised him that the NRD does not have a cost-share practice that would fit that scenario. We also advised him to research the public easements that were recorded to determine maintenance responsibilities.

Bill Bos submitted two new applications for onsite wastewater upgrade.
Platte Co: Mary Kay Wilke - 60% cost-share estimate = $9,900.00
Colfax Co: Elgin Bergt - 60% cost-share estimate = $9,500.00

Bill submitted paperwork for a completed onsite wastewater upgrade in Colfax Co: Lyle Klug - 60% cost-share payment = $9,813.03

Newman Grove and Schuyler submitted requests for supplies, attached. They would like them when they begin sampling, mid-May.

SCWIG is working to identify a project(s) to use up the remainder of our NET funds before 6/30 as we will get anything done on the Christ Lutheran project before then. Bill has a few leads that he is working on and we can use some funds on road signs in areas not awaiting school artwork. As such, an RFP was developed to fabricate 2 sign structures and print one sign (with SCWIG logo) with backerboard and install. This will be at the location on the east side or west side of Schuyler. The other structure that is fabricated will stored until school artwork is complete and printed next winter. Same timeframe regarding printing and installing the rest of the signs on existing structures. RFPs were sent to 14 sign companies and are due at 9:00 am on Monday 5/11. An agreement was also developed for property owners where signs will be located. A lease/agreement is now required before NDOT will issue a sign permit.

Motions are requested to approve a sign contractor and landowner agreement.

6.D.5. WAHOO CREEK WATERSHED

6.D.5.a. Construction Update

The monthly construction update for WCW sites 26A&B, 27:

- Riprap and type 47B sand hauled to 26B
- Shanahan continues foundation drains and seepage protection on 26B
- Shanahan over-excavated and filled in diversion channel on 26A allowing water to pass thru drawdown inlet.
- TCI poured 10' section of riser on 26A
- TCI placed 24" principal spillway on 26B. Water tested the pipe, and poured the pipe bedding. They plan on pouring the riser cradle the week of 5/4.
- Shanahan has site 26A embankment to an elevation which will allow riprap placement over the next week.

Thompson Construction has requested that project retainage be reduced from 10% to 5% for work previously completed through the remainder of the pay requests until the completion date of October 14, 2026. The project is approximately 60% completion without any material product issues. As outlined in Article 6 of the contract, current retainage in the amount of 10% shall be retained until substantial completion, and then goes down to 5% until final completion. Thompson's request would drop the retainage amount from 10% to 5% now until final completion. Current retainage amounts to approximately $290,000. If approved, a release of approximately $145,000 plus work completed for the month would be released to Thompson Construction in the next pay application. With this change total retainage for the project would go from approximately $434,000 to $217,000 until final completion. Contract change order is attached.

Photos attached of construction progress.
TCI invoice attached.
Olsson invoice for construction oversight attached.

6.D.5.b. Dam Site Planning Update

6.D.5.b.1. Design - Olsson

Staff met with NRCS State engineering, and Olsson to discuss site 77 review comments from NRCS National Watershed Review. There was concern from Olsson that there would have to be another National review submittal based off of comments, however, Allen Gehring assured us that the final review will be done in state.

The primary concerns from Olsson from the review were: NE NRCS advised Olsson to use standard drawings for structural concrete calculations (riser), National NRCS requested using original drawings which would add a considerable amount of time to Olsson. NE NRCS said standard drawings are fine for final review.

There was a considerable amount of review tied to the geology aspect; earthquake potential, core samples, etc. NE NRCS is fine with what Olsson submitted and won't require any more soil boring or significant seismic study.

Olsson is wrapping up submittal of site 84 to DWEE. Site 77 will be next after Olsson completes revisions and NE NRCS signs off; planning for June submittal to DWEE.

Olsson received comments back on the Biological Assessment for our 404 permit and incorporated into the BA. We expect to submit to ACOE within the month. Olsson expects approval from ACOE in June.

Invoice attached.

6.D.5.b.2. Real Estate - Olsson & Great Plains Appraisal

Acquisition updates for the month:

Site 86 - Cejka

Site 66 - Library Foundation, C. Pestal, Maahs, Malousek (library access)

Olsson invoice attached

6.D.5.b.3. Funding - NRCS WFPO & NeDNR JEDI

State NRCS secured an additional $910,000 which will cover the balance of TCI construction on the three structures currently being built. They are also in the process of requesting just over $8 million to cover construction on Site 77.

Attached is a request for the additional $910,000.

Also attached is an assurance of real property acquisition required for construction funding.

6.D.5.c. Water Quality - NWQI & 319

The Wahoo Creek 319 project has been sent in for its second review with DWEE.

The NRCS has begun giving me their program building courses to obtain job authority.

6.D.6. LOWER PLATTE RIVER CORRIDOR ALLIANCE

Attached is the draft budget for FY2027. Recently the districts discussed a tour of the Section 22 study area (Fremont to South Bend) for directors and state senators. $2,000 per district was discussed.

6.D.7. MORSE BLUFF FLOOD REDUCTION

Mainelli Wagner received confirmation that the project is not an active levy. They are working on laying out an alignment. They will need to survey hydraulic cross sections from FEMA map to correlate hydraulic model. Attached are invoices from Olsson for Real Estate Services and Mainelli Wagner for Design Services, all reimbursable through JEDI.

6.D.8. LESHARA DRAINAGE IMPROVEMENT

Leshara submitted a final payment request of $13,217.93 for phase II of their Ditch and Culvert Imporvement Project. A payment of $13,000 was made in February, 2026 toward phase II.

At the LPNNRD Board Meeting on 7/12/2021, the NRD approved the motion "To budget $31,000 in FY 2022 and another $31,000 in FY2023 to assist Leshara with their Drainage Improvement Project."

6.D.9. EROSION AND SEDIMENT RULES AND REGULATIONS

6.D.10. OTHER

7. Additional Action Items

8. Approval of Bills Pending

9. Consent Agenda Adoption

10. Comments from Directors/Guests

11. Meeting Establishment/Adjournment

NOTE: The agenda is on file at the LPNNRD office and may be changed up to 24 hours prior to the meeting as scheduled.

Natural Resources Specialist - VACANT

FY26 EQIP

In early April, I requested an additional $560,000 EQIP funds for our local fund pools. We received $500,000, bringing our local allocation to $2 million. Additionally, we received approximately $300,000 from statewide fund pools and $816,000 from the Regenerative Pilot Program (RPP).

Our total EQIP allocation to date is $3.1 million. From which, we pre-approved 51 applications. So far, we have obligated $1.38 million, and have another $700,000 progressing towards pre-obligation review.

I want to commend all offices for their outstanding work managing this significantly increased workload, driven in large part by the introduction of RPP.

Rob Lawson Returns from Detail

Rob Lawson, our NRCS State Conservationist, returned from his detail in Washington DC. We were in great hands with James Huntwork, who covered the State Conservationist duties while Rob was gone.

QAR

The Area Office staff will be in the Columbus and David City offices this week to conduct Quality Assurance Reviews. This occurs in at least one office in the NRD every year.

Detail Opportunities

NRCS has opened short-term leadership opportunities for our staff through an Acting Resource Conservationist (RC) details or temporary promotions. The announcement invites qualified Soil Conservationists or Natural Resource Specialists to serve up to 120 days providing day-to-day leadership and oversight in selected field offices—including Columbus.

NRCS is turning challenge into opportunity by offering short-term Acting Resource Conservationist details and temporary promotions that give our staff meaningful career growth while placing skilled employees exactly where they are needed most.

Annual Compliance Reviews

Staff will be in the field soon to complete random compliance reviews for FSA. We have about 40 reviews from last year that need a follow-up review.

There was a reduction in the number of status reviews nationwide this year. We received 90 tracts to review, which is about half the number that we normally do.

Natural Resources Conservation Service

Thank You Partners and Producers

Your contributions and partnership are second to none and you are essential to our mission:

Helping People Help the Land

USDA is an equal opportunity provider, employer, and lender.

Manager's Report – May 11, 2026

- As a reminder, our monthly board meetings through October will now begin at 6:00 pm.
- NRCS is processing our initial request for additional funding for construction funds on our first three Wahoo Creek Watershed sites. These funds, earmarked for construction only, will be utilized to complete construction on sites 26A, 26B and 27.
- We continue to work with State NRCS staff on WFPO funding to assist in completing construction of Wahoo Creek Watershed site 77. We have been notified there is a potential of $5-8 million in funding available and we are hoping to hear back from them by the end of June.
- At their last meeting, the Resource Commission approved a two-year dirt sales contract extension of our agreement with M.E. Collins. Plans are to complete all dirt sales from our Wanahoo property at the end of this most recent agreement.
- Management and Wanahoo staff have plans to spend down our remaining $21,087.74 NRDF obligated to LPNNRD on Summer projects in the park. These funds are a 60/40 cost-share and are what we used to build the Education Building and primitive cabins in the park. Plans are to create a sand volleyball court, basketball/pickleball court and pour concrete around the education building fire pit.
- On Saturday May 16, from 9:00 am – 1:00 pm LPNNRD is partnering with Grand Passage Sportsmen, an organization based out of North Bend, to hold their "Youth Fishing Day". This outstanding organization promotes the development of youth hunting, trapping and fishing to area children. 90+ youth are expected to attend and will be given fishing poles, tackleboxes and the opportunity to fish both from the banks as well as boats provided by the group. Grand Passage Sportsmen chose Wanahoo this year after utilizing a smaller, private pond in past years.
- After meeting with Congressman Bacon's staff in March and inviting him to visit our Wahoo Creek Watershed dam sites, he has taken us up on our offer. Monday June 1st, the Congressmen will be visiting our district and touring our construction sites 26A, 26B and 27. Any directors interested in joining us on the tour please notify me and we can get you added to the list.
- All Summer Wanahoo staff are now on duty and the camping and fishing traffic continues to grow steadily. A reminder to all directors, we have one campsite dedicated and offered free-of-charge to law enforcement, first responders and any NRD director in the state. If you or someone you know is interested in utilizing this free camp site, please let me know and we can get it scheduled.

Stay safe and have a great month – Eric Gottschalk, General Manager

LOWER PLATTE NORTH NRD MINUTES
BOARD MEETING
April 13, 2026

The regular monthly meeting of the Lower Platte North NRD Board of Directors was called to order at 6:00 p.m. at Lower Platte North NRD Office, Wahoo, NE on Monday, April 13, 2026.

1. NOTICE OF MEETING

The agenda and supporting documents are available on the district's website – www.lpnnrd.org. A copy of the Nebraska Open Meetings Law has been posted on the NRD's website.

The advanced notice of our April 13, 2026, board meeting was posted on the Lower Platte North NRD website and posted in the Fremont Tribune on April 3, 2026.

Chair Sabatka informed those present that a copy of the "Open Meetings Act" is posted for public viewing. Chair Sabatka declared this meeting as a "virtual meeting" so any director on Zoom will be able to vote.

Pledge of Allegiance

2. ROLL CALL - INTRODUCTIONS

DIRECTORS PRESENT AND CONSTITUTING A QUORUM:

Bailey	Engel	Hanson
Harders (Zoom)	Hilger	Johnson, Duane
Johnson, Jerry	Lawrence	McKnight
Olson	Saeger	Seier
Tonnies	Yosten	Sabatka

DIRECTORS ABSENT

Birkel	Goldsberry	Meduna
Saalfeld		

STAFF AND GUESTS:

Gottschalk	Breunig	Chapman
Lausterer	Heimann (Zoom)	Elliott
Andersen	Shupe	Beethe (Zoom)
Danielle Allen (Zoom)	L. Jha, JEO	Fujan
Schultz	Pillard (Zoom)	Sabatka (Zoom)
Jon Mohr		

3. APPROVAL OF AGENDA

4. COMMENTS - ADVISORS/GUESTS/DIRECTORS

a. Guest Comments

Fujan addressed the Board.

b. NRCS Report

Bryan Shupe gave the NRCS Report.

c. NARD Report

Hilger gave the NARD Report.

d. NRC Report - None

e. Manager Report

Gottschalk gave his monthly report.

f. Education Program
Jon Mohr, Speros (formerly LRE) updated the Board on Groundwater Modeling.

5. APPROVAL OF MINUTES
Tonnies, made the motion, seconded by Yosten, to approve the minutes from March 9, 2026, Board Meeting. Motion carried on consent agenda.

6. REPORT OF STANDING COMMITTEES
A. EXECUTIVE COMMITTEE REPORT
1. UNFINISHED BUSINESS - None

2. Meetings
a. Pending

b. Reports
1. NRD Open House – Update Given

2. NARD Washington DC Meeting – Update Given

3. Management Items
a. Director Absences – Update Given

b. Monthly Education Program – taken earlier

c. Office Seed/Sod Estimates
Olson made the motion, seconded by Lawrence, to accept the bid from Steager Lawn Service to place sod around the front and back of the office totaling $9,072. Motion carried all members present voting aye.

d. Wanahoo Amphitheater Project – Update Given

e. WCW Funding - Update Given

4. Equipment - None

5. Personnel
a. Assistant Water Manager Position
Tonnies made the motion, seconded by Yosten, to ratify the hiring of Nate Doresey to fill the newly created position of Water Resources Assistant Manager. Motion carried on consent agenda.

b. Returning Wanahoo Recreation Staff Wages
Tonnies made the motion, seconded by Yosten, to increase Wanahoo Summer Technician salaries to $16.00/hour if they have been employed for over two years and those under two years will be paid $15.50/hour. It is further recommended to increase Richard Mullan, Sharon Kremlacek and Abby Borchers' salaries by $1.00/hour effective immediately. Motion carried on consent agenda.

6. Finance
a. Approval of Financial Reports

Tonnies made the motion, seconded by Yosten, to approve the February Financial Statements as attached to the Executive Committee Minutes. Motion carried on consent agenda.

b. Approval of Managers' Expenses

Tonnies made the motion, seconded by Yosten, to approve Manager Gottschalk's time and expense sheets as attached to the Executive Committee Minutes. Motion carried on consent agenda.

c. Accounts Over 90 Days - Update Given

Tonnies made the motion, seconded by Yosten, that the April LPNNRD Executive Committee Minutes be received and placed on file. Motion carried on consent agenda.

B. OPERATIONS COMMITTEE REPORT

1. UNFINISHED BUSIINESS – None

2. HABITAT AND OTHER PROGRAMS – Update Given

3. OPERATION AND MAINTENANCE & OTHER ITEMS

a. Rehabilitation of Cottonwood 21-A – NRCS & HDR

Johnson, J. made the motion, seconded by Engel, to approve the second amendment to the agreement with HDR for Engineering Services for a non-structural alternative on Cottonwood 21-A adding $27,050. Motion carried all members present voting aye.

b. Wanahoo Basin Damage & Repair, FEMA & Houston Engineering – Update Given

c. NET Grant for No-Till Grass Drill – Update Given

d. Lower Platte Weed Management Area

Tonnies made the motion, seconded by Saeger, to approve the Second Amendment to the Phragmites Management Interlocal Agreement between LPNNRD, LPSNRD and Papio-Missouri River NRD as attached to the Operations Committee Minutes. Motion carried all members present voting aye.

Tonnies made the motion, seconded by Yosten, to pay the $60,000 dues to the Papio Missouri River NRD for the management of invasive vegetation I the Lower Platte Basin. Motion carried on consent agenda.

4. ROCK AND JETTY – Update Given

5. LAKE WANAHOO

a. Lake Wanahoo Permit Sales - Update Given

b. Lake Wanahoo Camping Revenue – Update Given

c. Lake Wanahoo Memorial Benches

Tonnies made the motion, seconded by Yosten, to approve the purchase of 3 benches from Outdoor Recreation Products totaling $3,997.45 Motion carried on consent agenda.

d. Clint Johannes Education Building

Tonnies made the motion, seconded by Yosten, to approve the new rental rates as proposed for 2027 and 2027 effective Aril 15, 2026 as listed in the Operation Committee Minutes. Motion carried on consent agenda.

6. INFORMATION & EDUCATION

a. Information

1. Radio and Digital Ads – Update Given

2. Analytics – Update Given

3. County Fair Sponsorship

Tonnies made the motion, seconded by Yosten, to donate $500 each to the following local 2026 county fairs: Dodge County, Saunders County and Butler County. Motion carried on consent agenda.

b. Education

1. Past Events – Update Given

2. Upcoming Events – Update Given

3. Shell Creek Watershed Scholarship

Tonnies made the motion, seconded by Yosten, to approve $1,000 scholarships each to Hayden Bailey, Kailey Patzel and Aubree Whitaker. Motion carried on consent agenda.

7. RURAL WATER SYSTEMS

a. Colon

Tonnies made the motion, seconded by Yosten, to approve the proposed 2026 rate increase for Colon RWD as attached to the Operations Committee Minutes. Motion carried on consent agenda.

b. Bruno

Tonnies made the motion, seconded by Yosten, to approve the proposed 2026 rate increase for Bruno RWD as attached to the Operations Committee Minutes. Motion carried on consent agenda.

c. Other – Update Given

Tonnies, made the motion, seconded by Yosten, that the April LPNNRD Operations Committee Minutes be received and placed on file. Motion carried on consent agenda.

C. WATER COMMITTEE REPORT

1. UNFINISHED BUSINESS – NONE

2. REGULATORY

a. GROUNDWATER MANGEMENT AREA

1. Transfer Request in the Hydrologically Connected Area (Limited Development Area)

Hilger made the motion, seconded by McKnight, to approve Taylor Farms to transfer 15 acres from NW-NW-12-17-5E to SE-S-12-17-7E Dodge County. Motion carried all members present voting aye.

2. Irrigation Clarification in the Non-Hydrologically Connected (Normal Development Area) -Update Given

3. Transfer Request in the Restricted Development Areas

Hilger made the motion seconded by Tonnies, to allow the transfer of 40 acres for Greg Fujan from

Robert Shanahan located in the SE-SE-21-15-5E and NE-NE-28-15-5E to SW-SW-28-15-5E, Saunders County. Motion carried all members present voting aye.

4. Well Permit Program

5. Well Permits Requested for Duck Ponds

Hilger made the motion seconded by Johnson, J., to approve two high-capacity wells for Kalend McCurdy in the SE-NE-S34-17N-R3E and NW-SW-S35-17N-R3E, Butler County for the purpose of a duck pond. Stipulation on the well permits are; if interference complaints are received the wells will need to be shut down, installation of PVC tube for water level measurements and a water flow meter are to be installed. Motion carried.

AYE: Bailey, Hanson, Johnson, J., McKnight, Olson, Saeger, Seier, Tonnies
NAY: Engel, Harders, Hilger, Johnson, D., Lawrence, Yosten, Sabatka

6. Dewatering Well Permits – Update Given

7. Change of Water Use Policy – Update Given

8. Re-Certification of Irrigated Acres – Update Given

9. Cost-Share Programs – Update Given

10. Lower Platte River Basin Water Management Coalition – Update Given

b. Chemigation – Update Given

c. Ground Water Energy Levels – Update Given

d. Ground Water Quality Sampling

Tonnies made the motion, seconded by Yosten, to approve the quote from Fondriest Environmental Inc. for $1,180.21 for the purpose of updating the NRD in field water parameter meter as attached to the Water Committee Minutes. Motion carried on consent agenda.

3. GROUND WATER PROGRAMS

a. Decommissioned Well Program

1. Well Estimates – Update Given

2. Plugged Wells

Tonnies made the motion, seconded by Yosten, to approve payment to Mary Norton Trust for an Irrigation Well decommissioning for $1,073. Motion carried on consent agenda.

b. LOWER PLATTE NORTH NRD GROUND WATER STUDIES

1. Phase Area Update

Tonnies, made the motion, seconded by Yosten, to approve the following flow meter cost share payments to Timothy Rickert - $1,000; David Hahn - $1,000; Jeremy Theilen - $1,000 and Roger Wilshusen - $1,000. Motion carried on consent agenda.

2. Eastern Nebraska Water Resources Assessment (ENWRA) Update Given

3. Lower Platte River Consortium – Update Given

c. New Monitoring Wells

Hilger made the motion, seconded by Seier, to proceed with he bid offered by Dvoark Well Drilling to drill a new monitoring well in Newman Grove no to exceed $53,000. Motion carried all members present voting aye.

1. Newman Grove CSD Test Holes

Tonnies made the motion, seconded by Yosten, to pay Conservation and Survey Division $5,000 to dig a 400-foot test hole at the Newman Grove Monitoring Well Site on May 11th as outlined in the contract attached to the Water Committee Minutes. Motion carried on consent agenda.

d. Source Water Protection – Update Given

1. Transducer Agreement – Update Given

Tonnies made the motion, seconded by Yosten to payment InSitu the quoted price of $9,309.18 for the three transducers to be placed in Wellhead Protection Areas as attached to the Water Committee Minutes. Motion carried on consent agenda.

2. Malmo WHP – Update Given

e. Scoring Sheets and Water Quantity Project – Update Given

4. SURFACE WATER PROGRAM -Update Given

5. OTHER

a. Comments from the Public – None

Tonnies, made the motion, seconded by Yosten, that the April LPNNRD Water Committee Minutes be received and placed on file. Motion carried on consent agenda.

D. PROJECTS COMMITTEE REPORT

1. UNFINISHED BUSINESS – NONE

2. SWCP

a. SWCP Application Approvals - None

d. SWCP Payments

Tonnies made the motion, seconded by Yosten, to approve the listed SWCP applications for DWEE reimbursement payment totaling $14,921.95 as listed in the Projects Committee Minutes. Motion carried on consent agenda.

e. SWCP Cancellations – None

f. Wahoo Creek Cost Share Approvals – None

3. JOINT WATER MANAGEMENT ADVISORY BOARD – Update Given

4. SHELL CREEK WATERSHED

a. Shell Creek Implementation – 319 and NET

Tonnies made the motion, seconded by Yosten, to approve septic system upgrade application to Lyle Klug for 60% cost-share $6,120. Motion carried on consent agenda.

6. WAHOO CREEK WATERSHED

a. Construction – Update Given

b. Dam Site Planning – Update Given

1. Design Olsson – Update Given

2. Real Estate Olsson & Great Plains Appraisal – this item will be taken at end of meeting

3. Funding – NRCS WFPO and NeDNR JEDI – Update Given

c. Water Quality – NWQI & 319 – Update Given

6. LOWER PLATTE RIVER COOIDOR ALLIANCE – Update Given

7. MORSE BLUFF FLOOD CONTROL PROJECT – Update Given

8. LESHARA DRAINAGE IMPROVEMENT – Update Given

9. EROSION AND SEDIMENT RULES AND REGULATIONS - None

10. RC&D Membership

Tonnies made the motion, seconded by Yosten, to renew our 2026 membership with the Nebraska Loess Hills RC&D totaling $350. Motion carried on consent agenda.

11. OTHER - None

Tonnies, made the motion, seconded by Yosten, that the April LPNNRD Projects Committee Minutes be received and placed on file. Motion carried on consent agenda.

7. ADDITIONAL ACTION ITEMS

7a. Office Generac Generator Warranty

Lawrence made the motion, seconded by Hanson, to purchase the 10-year extended warranty on our Generac Generator for a total cost of $3,446.00. Motion carried all members present voting aye.

7b. SWCP Payments

Tonnies made the motion, seconded by Olson, to approve a $10,289.72 SWCP payment to Tom Samek for the completed terrace/basin project. Motion carried all members present voting aye.

7c. Shell Creek Implementation – 319

Seier made the motion, seconded by Bailey, to approve 60% cost-share payment of $6,131.36 to Tom King for onsite wastewater upgrade. Motion carried all members present voting aye.

8. BILLS TO BE APPROVED

Johnson, J. made the motion, seconded by Yosten, that all bills be approved, and warrants be drawn in payment of the same. Motion carried all members present voting aye.

9. CONSENT AGENDA ADOPTION

Tonnies, made the motion, seconded by Yosten, to approve the April Consent Agenda. Motion carried.

AYE: Engel, Hanson, Harder, Hilger, Johnson, D., Johnson, J., Lawrence, McKnight, Olson, Saeger, Seier, Tonnies, Yosten, Sabatka

ABSTAIN: Bailey

Item 6.D.5.b.2. - Real Estate – Olsson and Great Plains Appraisal was taken at this time.
Sabatka made the motion, seconded by McKnight, to go into Executive Session at 8:07 p.m. for the purposes of discussing Upper Wahoo Creek Watershed land rights and authorize the following to stay: Danielle Allen, Olsson; Legal Counsel Lausterer; and Staff: Gottschalk, Breunig, Elliott and Chapman. Motion carried all members present voting aye.

At 8:59 p.m. Sabatka recused himself from Executive Session.

Hanson made the motion, seconded by Bailey, to go out of executive session at 9:13 p.m. Motion carried all members present voting aye.

Hanson made the motion, seconded by Yosten, to authorize Chair Sabatka to sign purchase agreements with Emma Buechel and David Polk - Site 86, Bryan Machovec - Site 66 and Rezac Farms - Site 85. It was further recommended to authorize Secretary, Bill Saeger, to sign purchase agreement with Ryan and Melissa Sabatka - Site 86. Motion carried.

AYE: Bailey, Engel, Hanson, Harder, Hilger, Johnson, D., Johnson, J., Lawrence, McKnight, Olson, Saeger, Seier, Tonnies, Yosten
ABSTAIN: Sabatka

10. COMMENTS FROM DIRECTORS/GUESTS

11. MEETING ESTABLISHMENT AND ADJOURNMENT

The May Board of Directors Meeting will be held on Monday, May 11, 2026, 6:00 p.m. Meeting adjourned at 9:15 p.m.

Discussion on all agenda items that have "Update Given" can be found in corresponding Committee Minutes.

The undersigned, the duly elected and acting Secretary of the Lower Platte North Natural Resources District (the "District"), hereby certifies that the foregoing is a true and correct copy of the minutes of the Meeting of the Board of Directors of the District held on April 13, 2026, that all of the matters and subjects discussed at the meeting were contained in the agenda for the meeting, kept continually current and readily available for public inspection at the principal office of the District during normal business hours, and except for items of emergency nature, the agenda was not altered later than twenty-four (24) hours before the scheduled commencement of the meeting; that at least one copy of all reproducible material discussed at the meeting was available at the meeting for examination and copying by members of the public; that the above minutes were in written form and available for public inspection within ten working days or prior to the next convened meeting, whichever occurred earlier; and, that reasonable efforts were made to provide all news media requesting notification of the meeting and of the time and place of said meeting and the subjects to be discussed at said meeting.

You're Invited, Register Now!

2026 NRD Basin Tour – South Platte Basin
Hosted by NARD in Partnership with the Platte Basin NRDs
Based in North Platte, Nebraska | June 8-9, 2026

The Nebraska Association of Resources Districts (NARD), in collaboration with the South Platte Basin NRDs, is pleased to invite you to the **2026 NRD Basin Tour**. This year we will be touring the proposed Perkins County Canal in the South Platte River Basin and learn how it will be tied into the existing canal and storage systems. The tour will begin in North Platte, NE, on June 8th, beginning at noon central time. Lunch will kick off the event.

Tentative Tour Details:

Monday, June 8
We will begin in North Platte and tour the Central Nebraska Public Power and Irrigation District (CNPPID) diversion and system. Along the way, to their first major storage structure below the diversion at Jeffery Lake, we will see the Fort McPherson National Cemetery and the site of the original Fort McPherson post used in the settlement days. At Jeffery Lake you will see the hydro facility and the original headquarter structures used by the engineers for construction of the system in the 1930s. We will also see the fire damage from the Cottonwood fires between Brady and Gothenburg.

We will continue down the Platte Basin to see the Dawson County Canal systems that are in partnership with the Central Platte NRD.

As we head down the basin, we will end up at Johnson Lake and Elwood Reservoir south of Lexington, which is operated by CNPPID. We will head back to North Platte, stopping for an evening meal in Gothenburg.

Tuesday, June 9
We leave North Platte and head to Colorado to see where the Perkins Canal diversion will be located. We will follow the South Platte River to the Western Canal diversion in Nebraska. The Perkins County Canal project will be able to tie in and supplement irrigation water to that existing Nebraska system.

We will then travel to Lake McConaughy north of Ogallala to view the storage and hydropower system. A lunch will be provided at the McConaughy Visitor Center. Traveling down the system, we will stop at NPPD's Paxton Diversion that moves water from the North Platte system under the city of Paxton, the South Platte River, and I-80, to NPPD's canal system feeding to Sutherland Reservoir. The Perkins County Canal system will feed into that canal to lower water demand on the North Platte River.

We will tour the Sutherland Reservoir where the water is used to cool Gerald Gentleman Station, Nebraska's largest electric-generating facility.

The water then flows in the Sutherland Canal to Lake Maloney south of North Platte to serve as a supply to NPPD's hydropower plants south of North Platte. Once discharged to the Platte River, the water flows in the Platte River about two miles before it is diverted into the CNPPID system, the point where we started Monday.

Registration Information:
To reserve your seat, please submit your completed registration form to the NARD office **by Wednesday, May 13th.** Space is limited and early registration is encouraged.

Registration Fee Includes:

- All meals, breaks and activities
- Motor coach transportation
- Monday night lodging *(NARD will arrange hotel accommodation)*

If you plan to arrive early and need a room for Sunday night, be sure to mark this on your registration form. All lodgings must be booked through NARD.

We look forward to seeing you in June!

Registration Form

Annual Basin Tour – South Platte River Basin, June 8-9, 2026

Registration deadline is Wednesday, May 13. Cancellations after Wednesday, May 20th are non-refundable.

Basin Tour registration fee will include the following:

- Monday, June 8: Lunch, conservation tour, snacks, beverages, activities, evening group dinner and hotel.
- Tuesday, June 9: Breakfast at the hotel, conservation tour, lunch, snacks, and beverages.

Registration options:

- Registration - with single room occupancy - $510 per person
- Registration - with double room occupancy - $360 per person. Use this if registering two people to one sleeping room.
- Registration – with NO HOTEL accommodation – $360 per person. If you live in the area and don't need hotel accommodation, use this option to register for the tour.

For those arriving on Sunday for the NARD board meeting, or for the Basin Tour, you must reserve your Sunday night lodging with NARD. Use this form to add Sunday lodging. This is an extra fee not included with basin tour registration.

ACCOUNTANT'S COMPILATION REPORT

The Board of Directors
Lower Platte North Natural Resources District
Wahoo, Nebraska

Management is responsible for the accompanying financial statements of the Lower Platte North Natural Resources District, which comprise the Statements of Net Position as of March 31, 2026, and the related Statements of Activities for the month and nine months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy or the completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures and statements of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The accompanying Statements of Activities – Actual vs. Budget are presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplemental information, except the budget information, was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information. The budget information presented in the Actual vs. Budget is of a nonaccounting nature and has not been subjected to our compilation engagement.

We are not independent with respect to the Lower Platte North Natural Resources District.

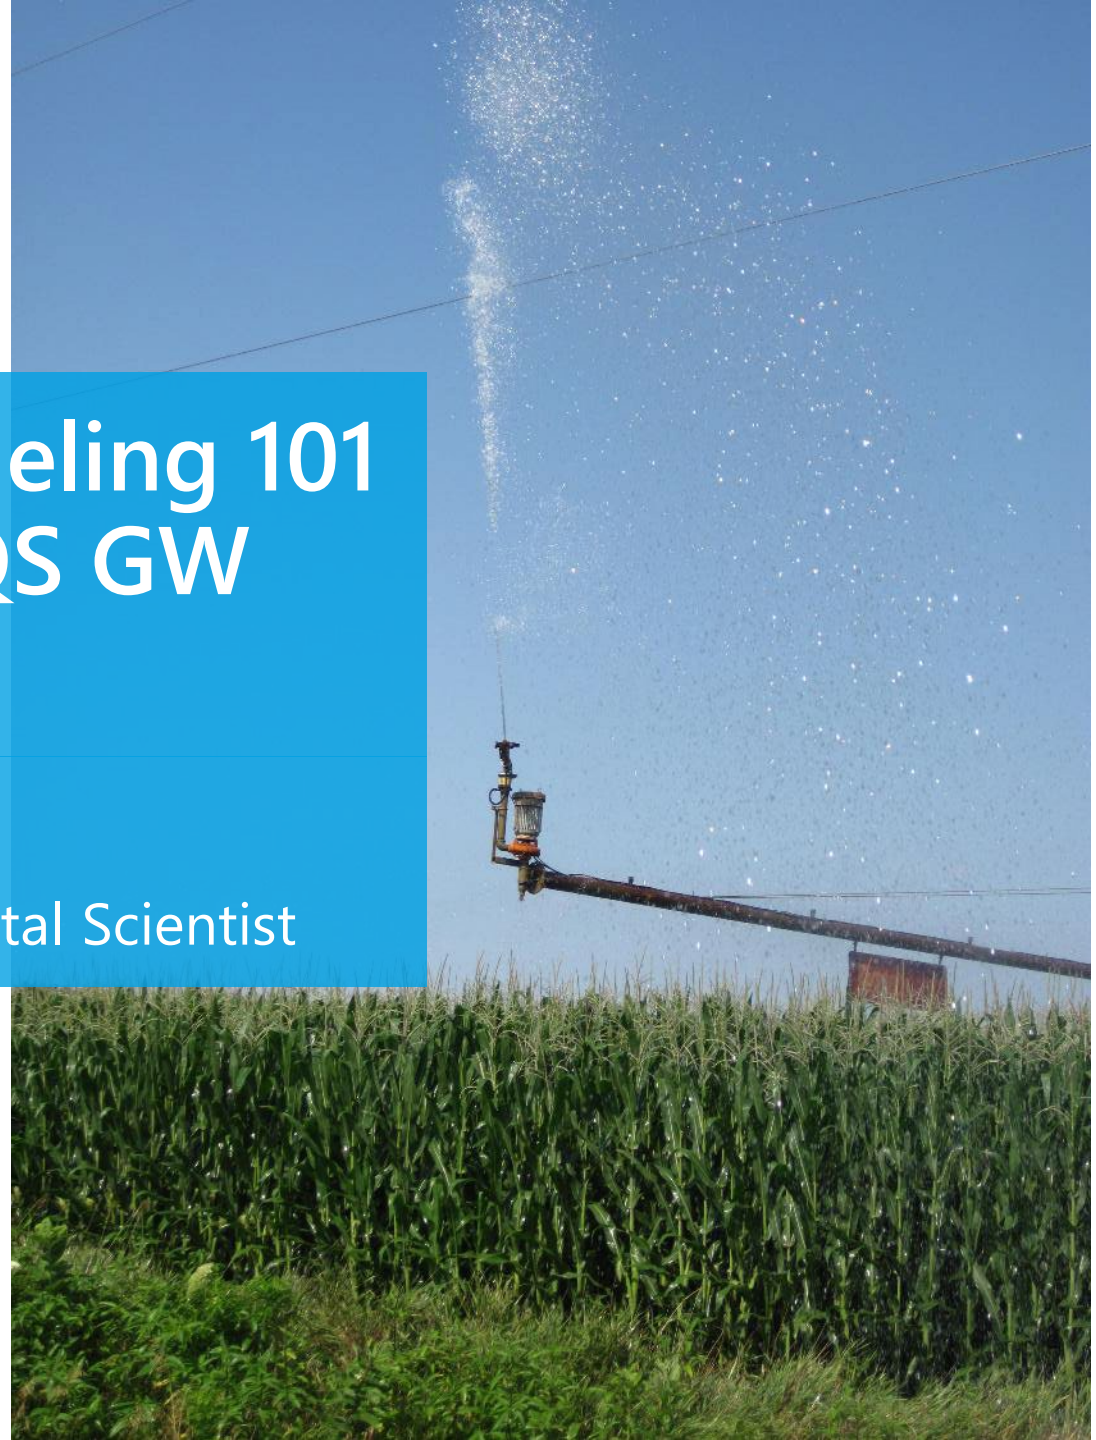
Groundwater Modeling 101 & Platte-Colfax SQS GW Model Proposal

LPN Board Meeting 4/13/26

Jon Mohr – Sr. PM/Environmental Scientist



SPHERES ENVIRONMENTAL

GROUNDWATER MODELS

SPHERES ENVIRONMENTAL

Major Types of Groundwater Models

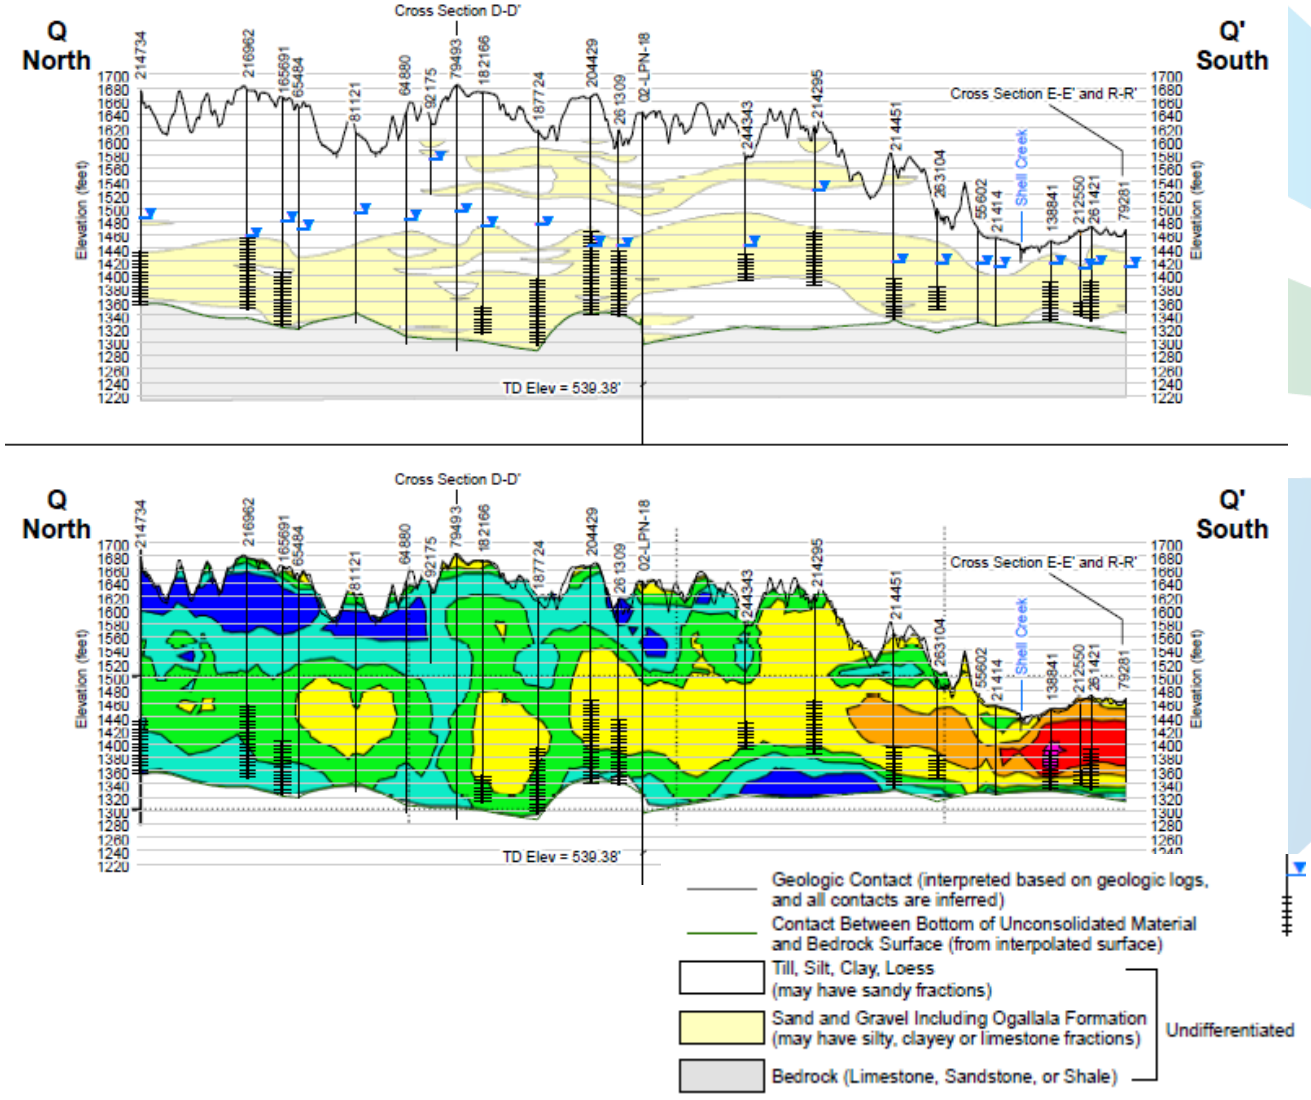
- **Conceptual Model** – Defines the hydrogeologic setting: layers, boundaries, and expected flow paths
- **Analytical Model** – Applies simplified equations to estimate drawdown, capture, and system response
- **Numerical Flow Model** – Simulates groundwater movement in three dimensions using detailed inputs and boundary conditions

SPHERES ENVIRONMENTAL

Conceptual Model

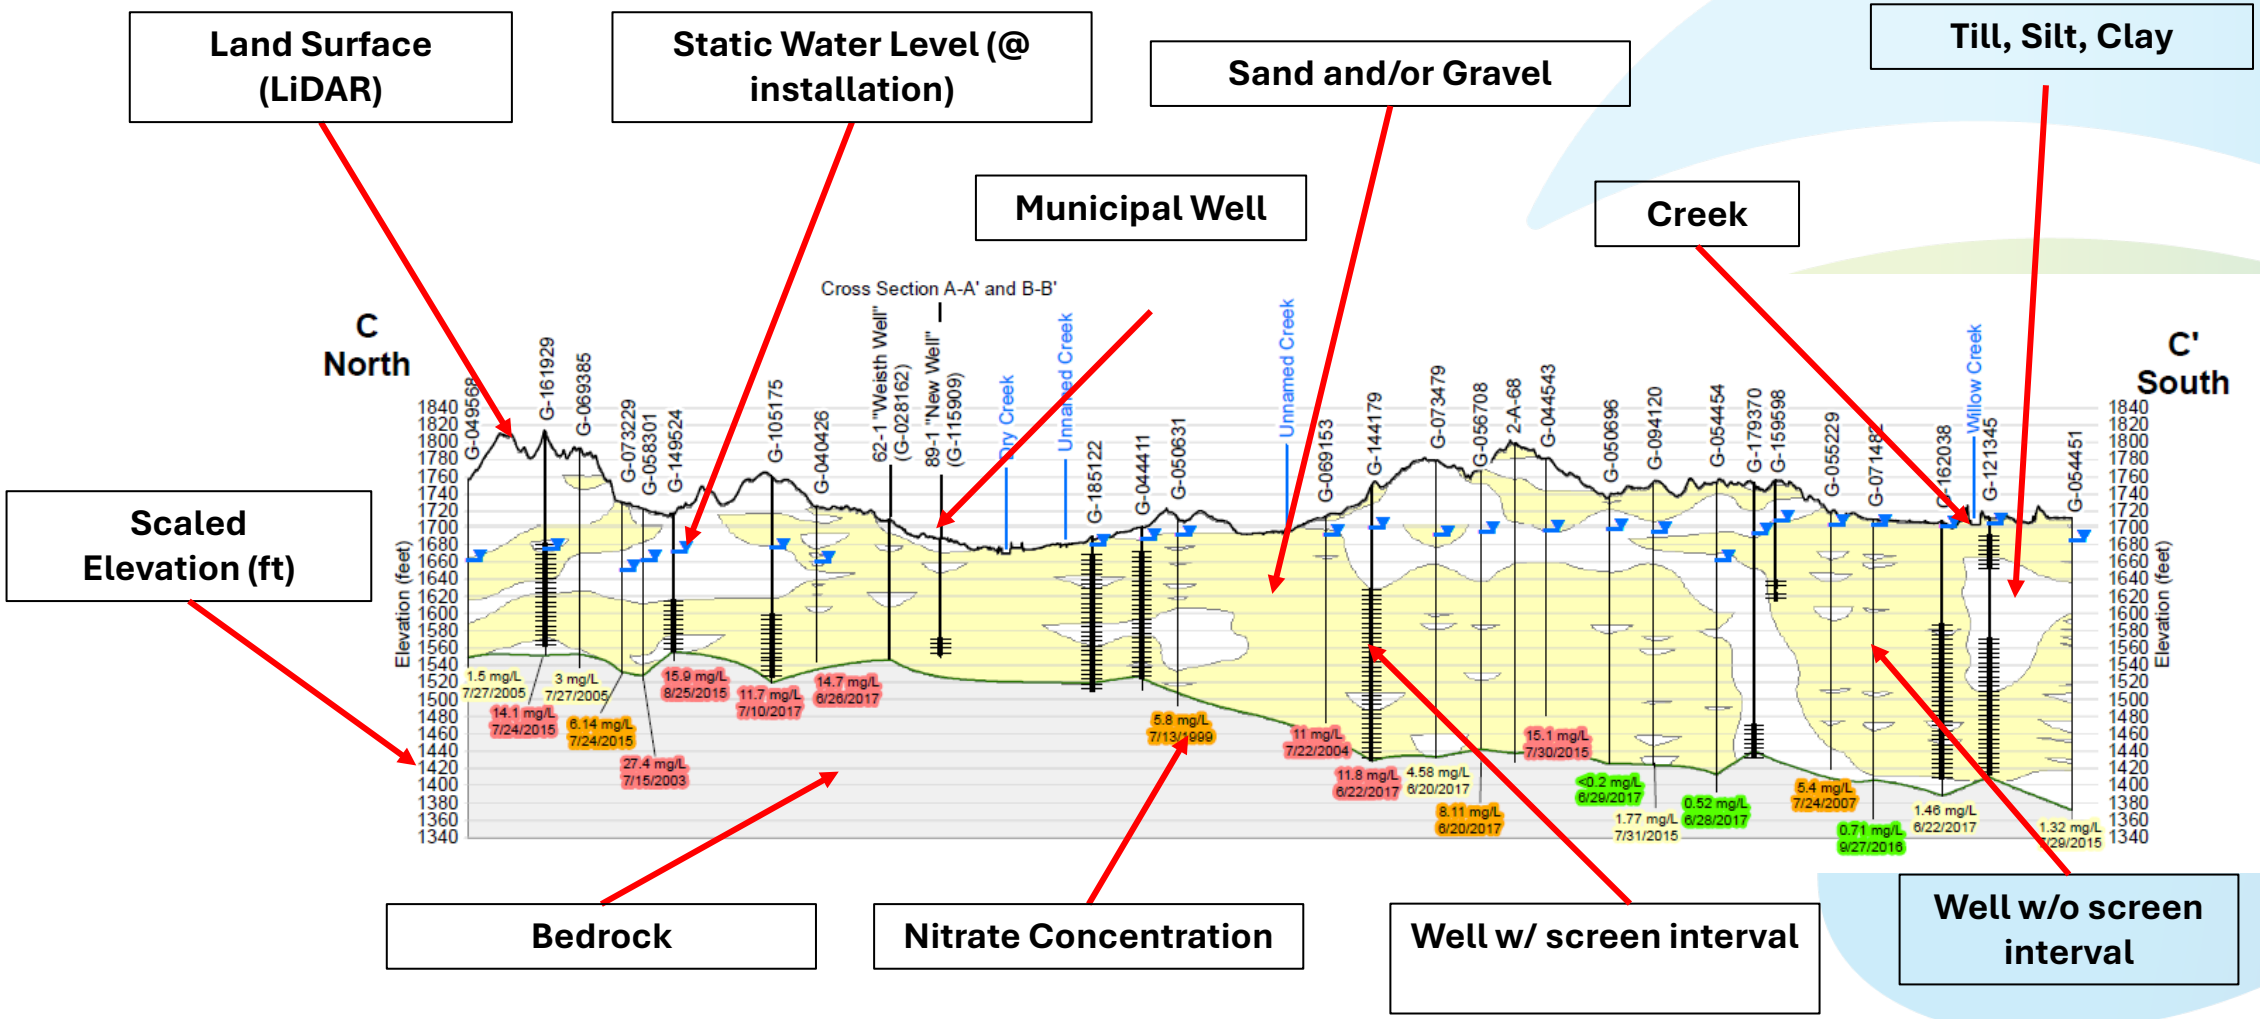
Conceptual Model:

- Defines the hydrogeologic framework
- Shows where water can and cannot move
- Identifies key boundaries and flow directions
- Places wells within the framework (screen depth, clay/sand/gravel, etc.)
- Establishes the foundation for all analytical and numerical modeling



SPHEROS ENVIRONMENTAL

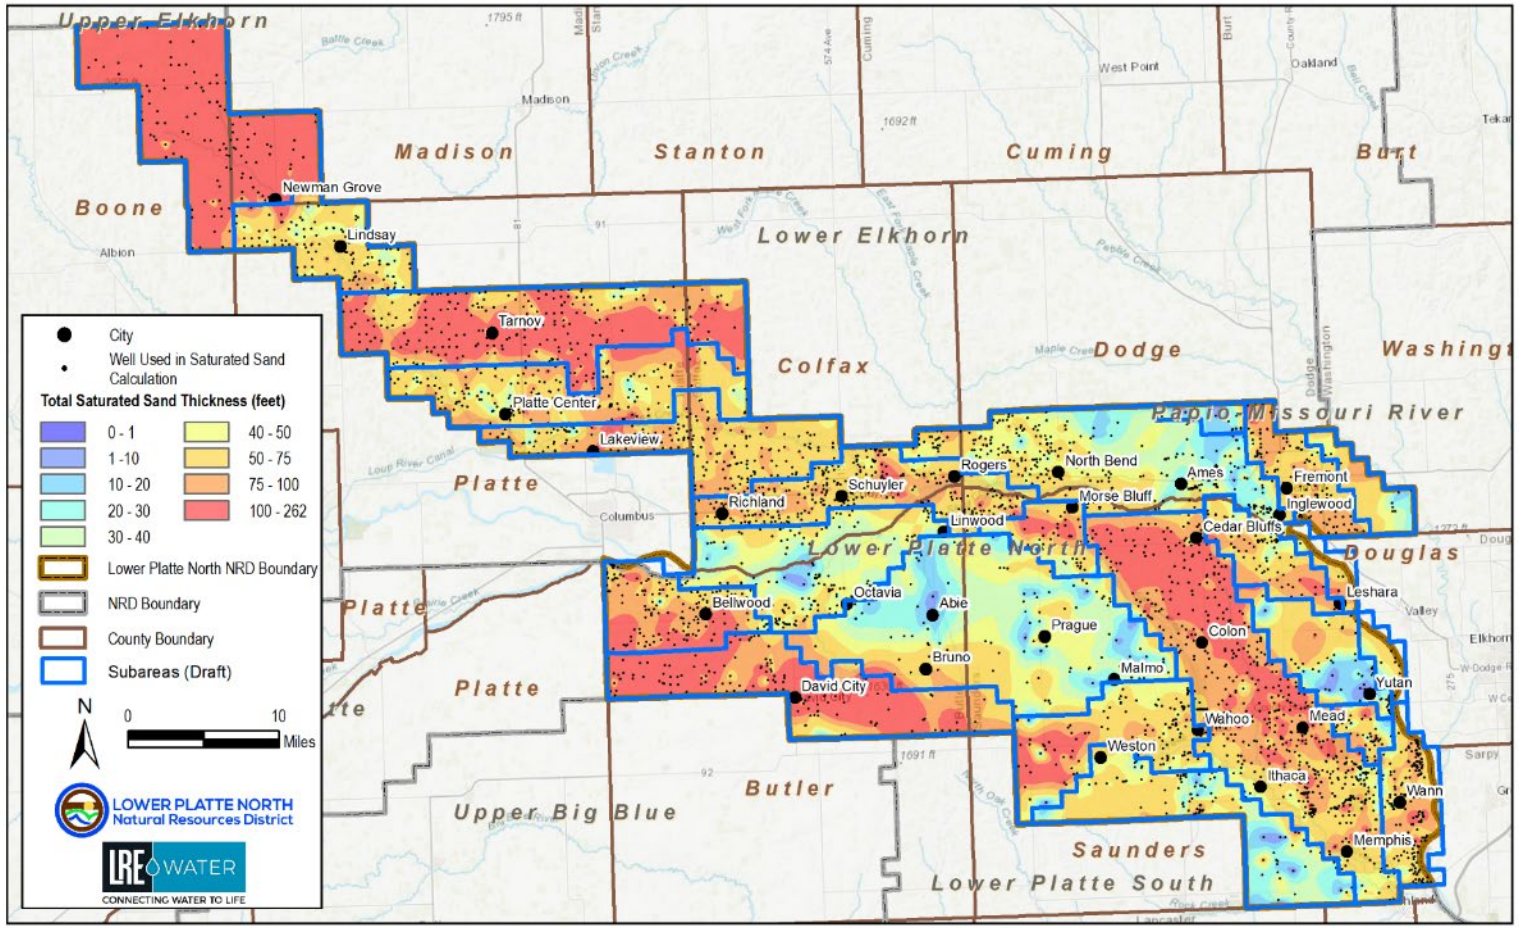
Conceptual Model



SPHERES ENVIRONMENTAL

Conceptual Model

- Sub-areas were delineated based on consistent aquifer formations
- Saturated sand aquifer thickness
- Use of a ‘conceptual model’

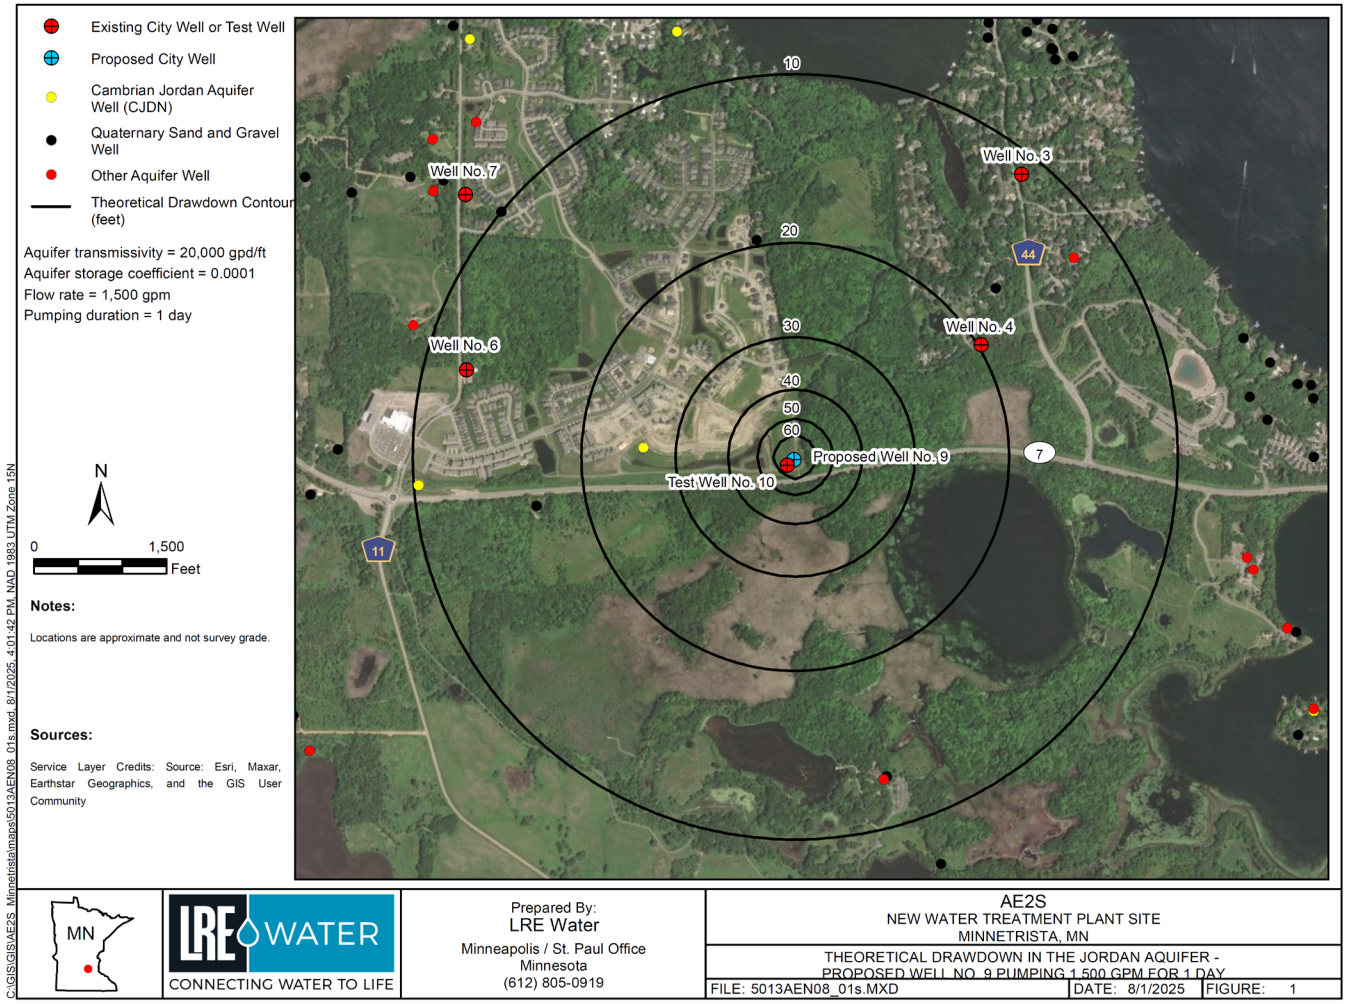


SPHERES ENVIRONMENTAL

Analytical Model

Analytical Model:

- Solves simple algebra equation
- Simplifies aquifer geometry
- Assumes aquifer is uniform and infinite and many other simplifying assumptions
- Gives a quick estimate

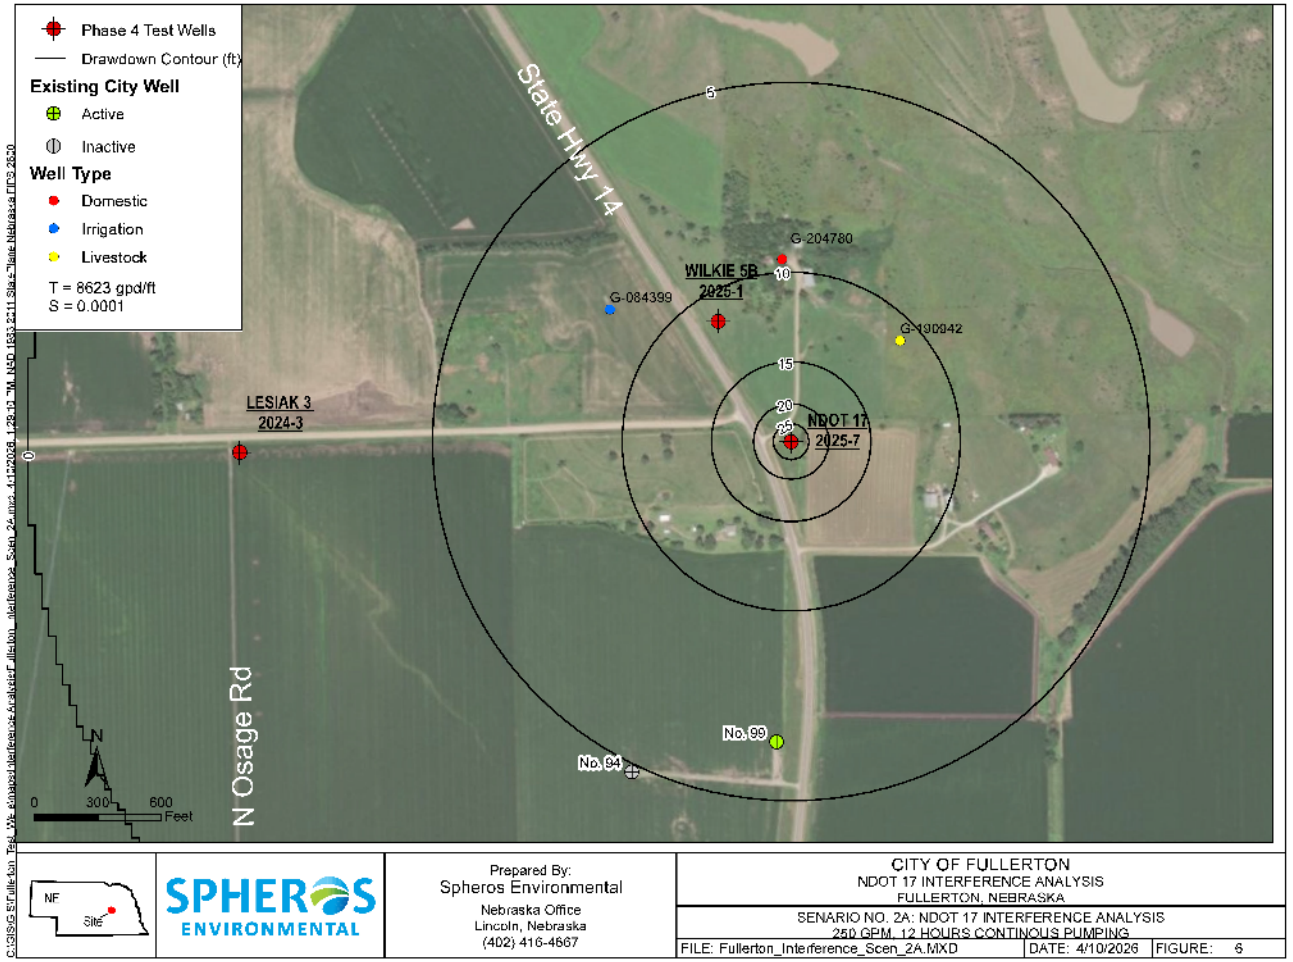


SPHEROS ENVIRONMENTAL

Analytical Model

Analytical Model:

- Not suitable for complex "real-world" conditions
- Very limited when estimating influence from multiple pumping wells
- Cone of depression

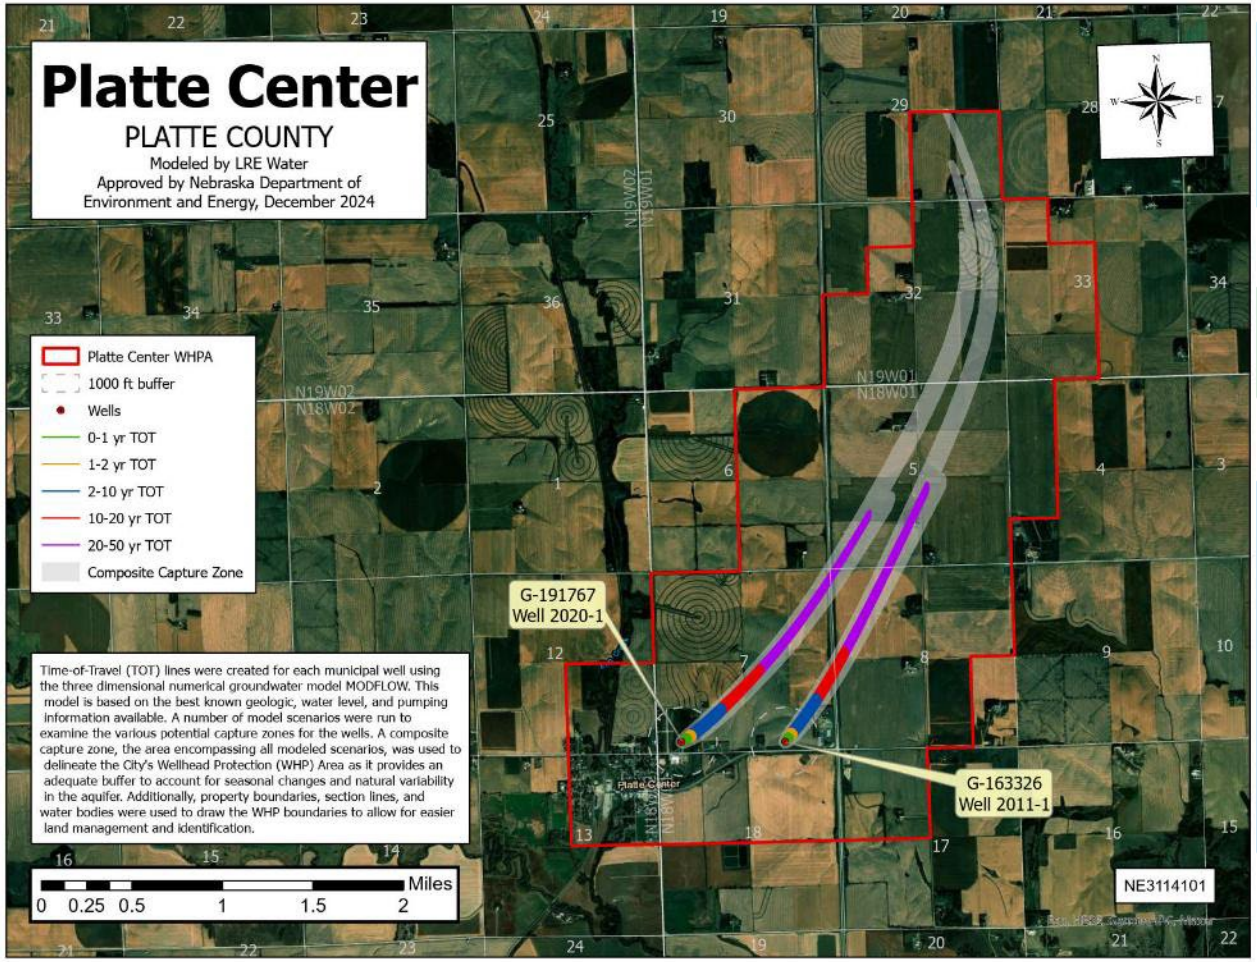


SPHEROS ENVIRONMENTAL

Numerical Flow Model

Numerical Flow Model:

- Solve using algorithms and computers
- Highly flexible and realistic
- Accounts for complex geology, rivers, recharge, other boundary conditions
- Simulates flow gradients and directions

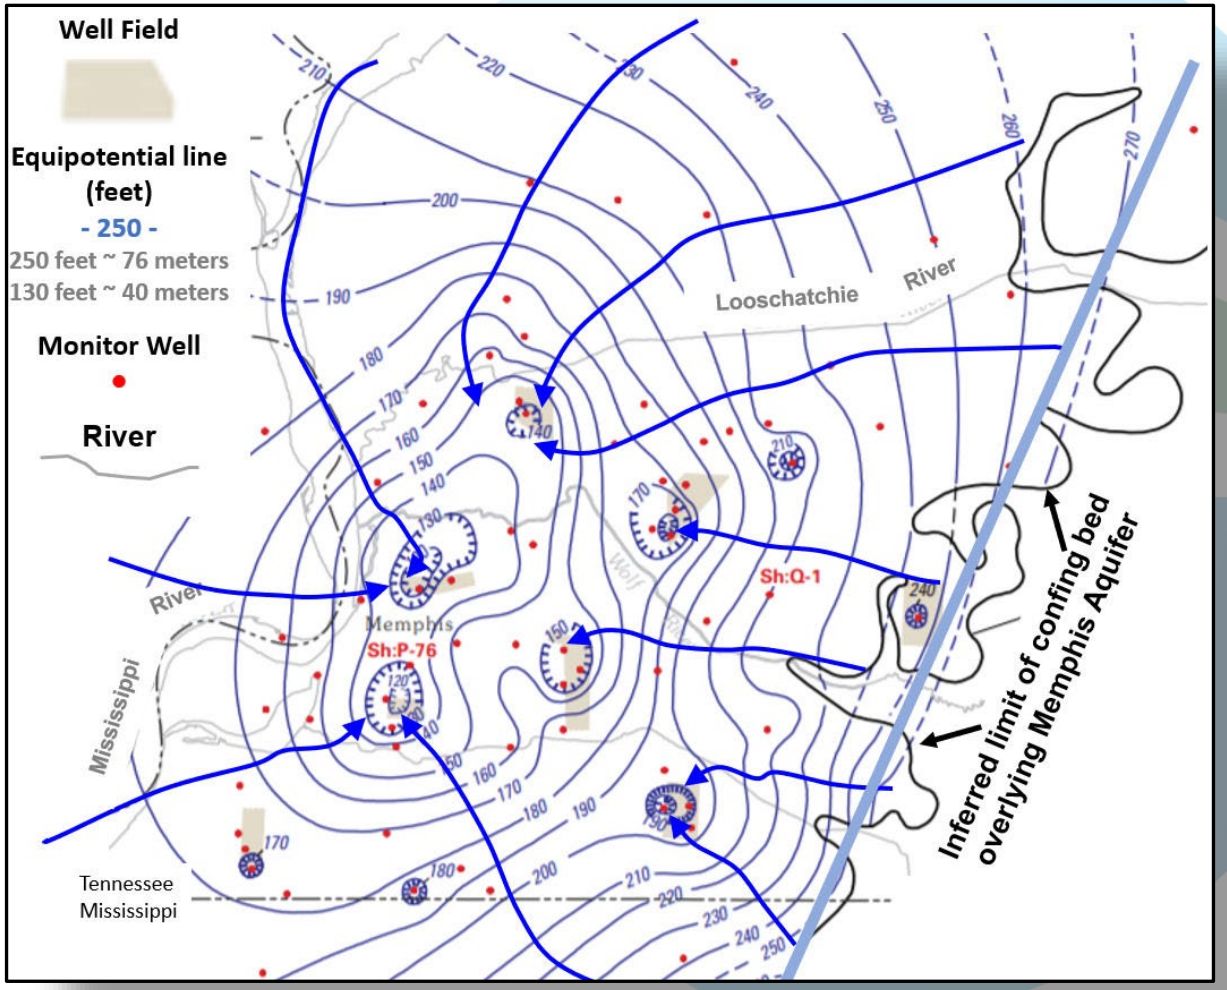


SPHEROS ENVIRONMENTAL

Numerical Flow Model

Numerical Flow Model:

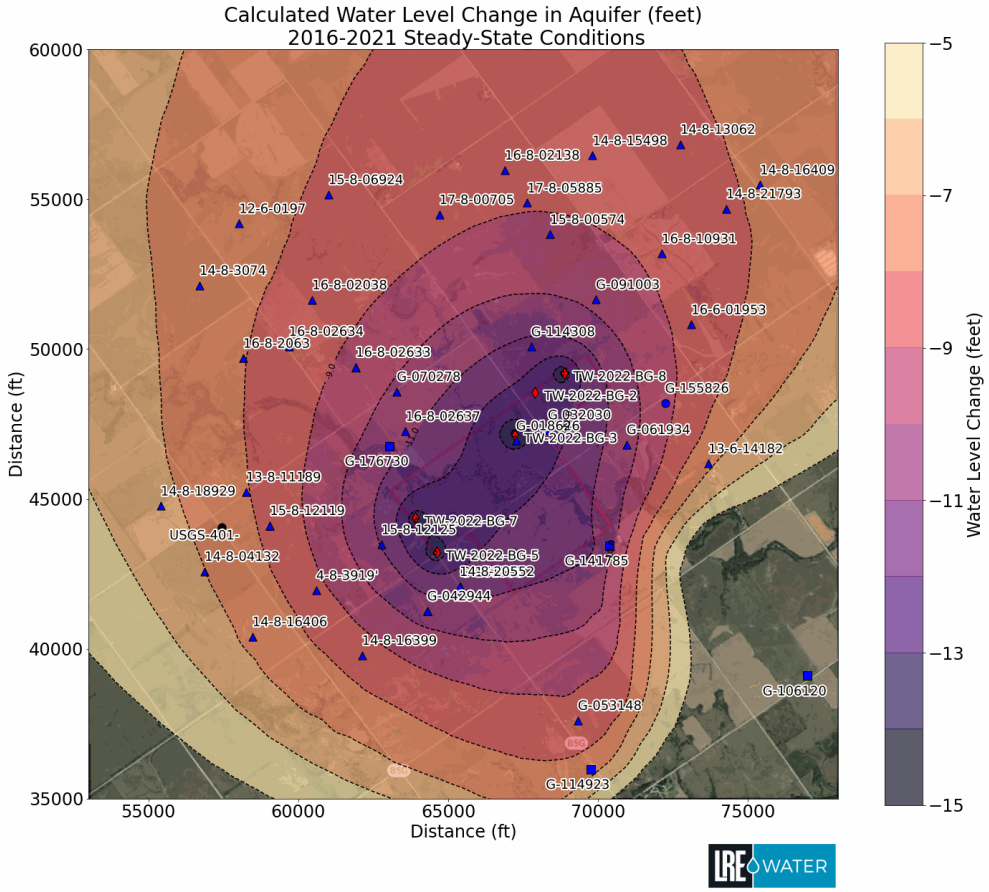
- Simulates many wells pumping together and shared impacts
- Cyclical (on-off) pumping
- Helps see field-to-field impacts before approving variances
- Cones of depression



SPHERES ENVIRONMENTAL

Numerical Flow Model - Steady State

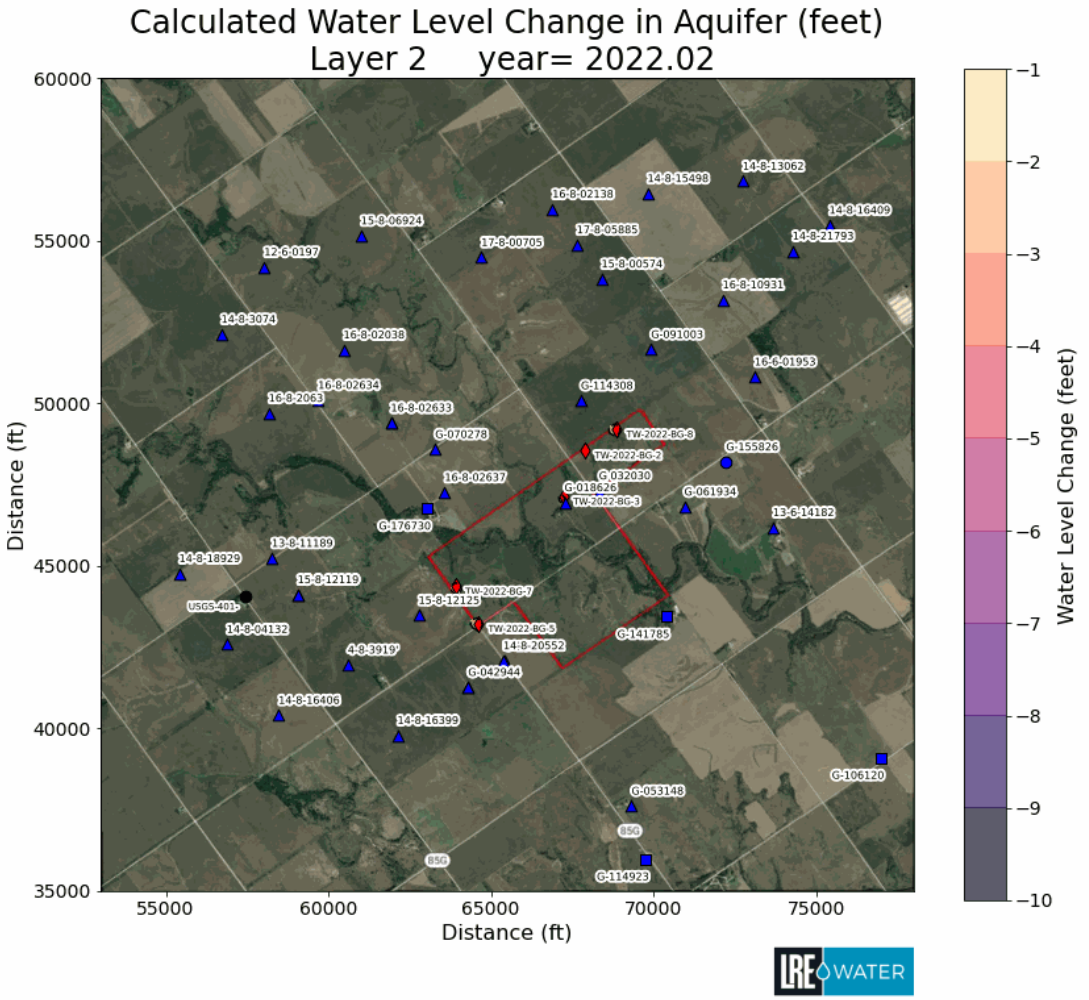
- Long-term average condition
- Stable water-table under fixed stresses
- Regional flow patterns, gradients, and boundary influences
- Baseline conditions and comparative scenarios



SPHEROS ENVIRONMENTAL

Numerical Flow Model - Transient

- 5-year scenario using metered pumping volumes
- Cone of depression from 5 new wells
- Pumping impact on streams and adjacent wells



SPHEROS ENVIRONMENTAL

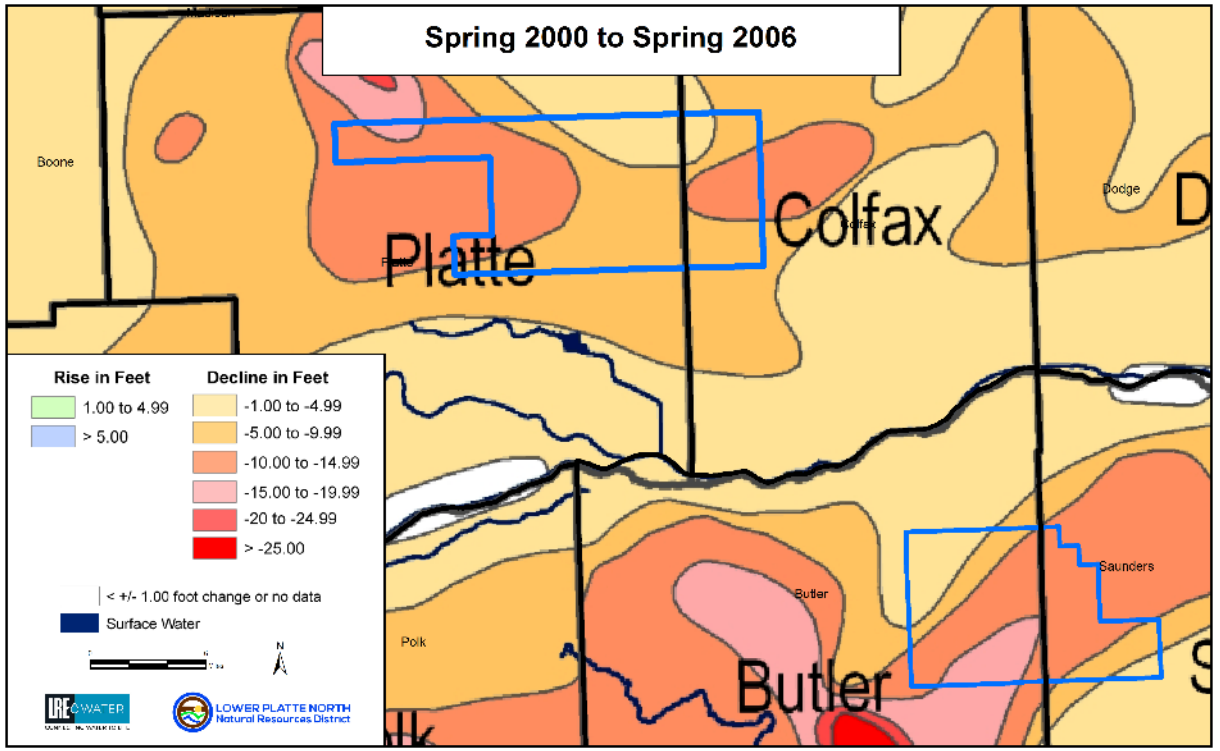
LRE WATER

PLATTE-COLFAX SQS NUMERICAL FLOW MODEL

SPHERES ENVIRONMENTAL

PC SQS GW Model - Purpose

- Create a dedicated PC SQS numerical groundwater flow model (PC SQS Model)
- Understand the response in groundwater as irrigated acres expand
  - Magnitude, timing, and spatial distribution of potential declines
- Incorporate drought conditions into pumping scenarios



SPHERES ENVIRONMENTAL

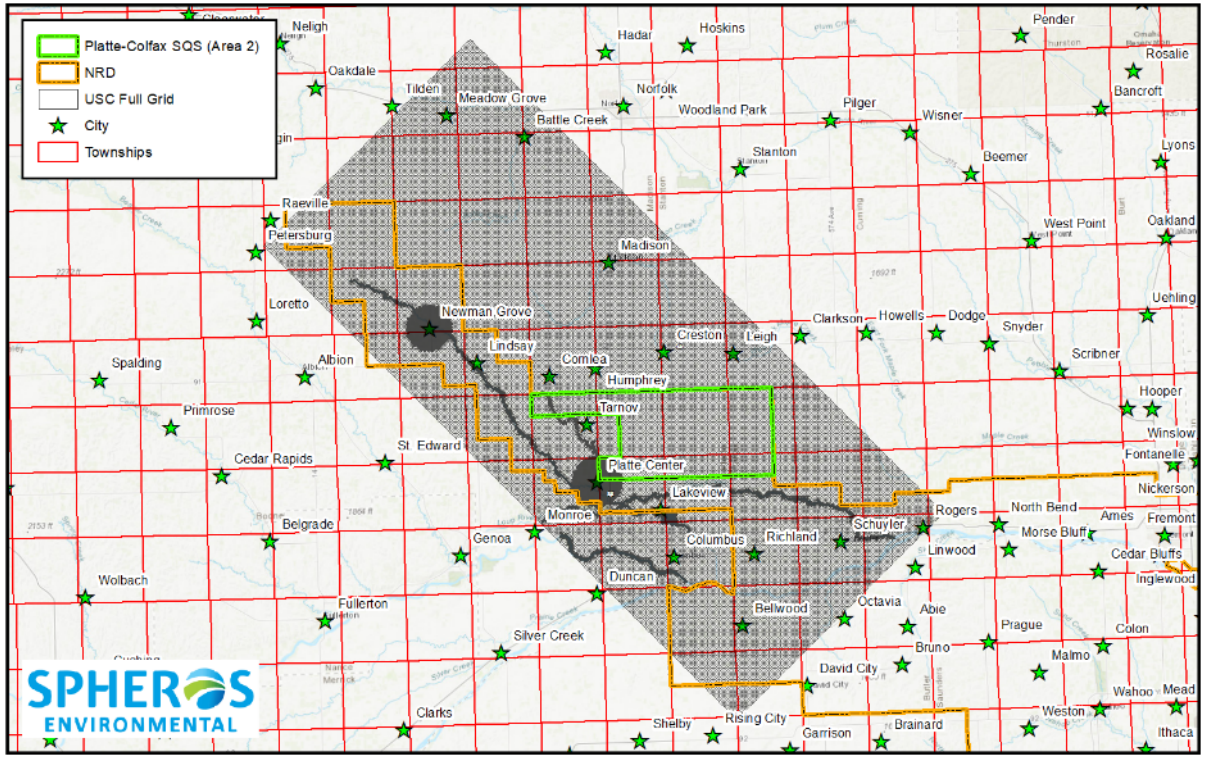
Existing NeDNR GW Models

- Lower Platte Missouri Tributaries (LPMT)
  - ½-mile base grid
  - 144 grids per Township
- Three District Model (ongoing)
  - ~950-feet base grid (20-acres)
  - ~1,150 grids per Township
- Intended to characterize broad groundwater-surface water interaction

SPHERES ENVIRONMENTAL

Upper Shell Creek GW Model

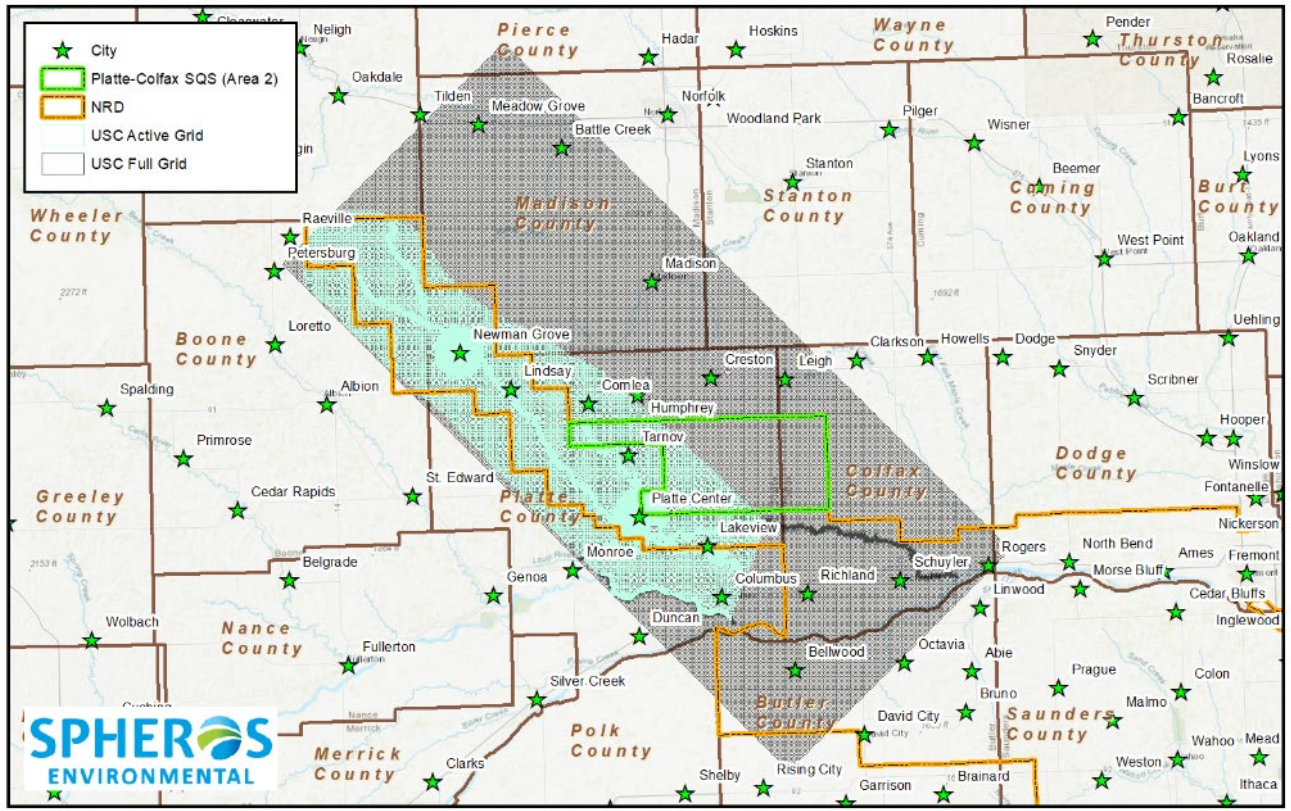
- Created by LPNNRD, Newman Grove, and Platte Center in 2024
- Delineation of new Wellhead Protection Areas
- Unstructured grid
  - Cells range from 1,000 ft to 300 ft
  - Using 300-ft grids = 11,000 grids/Township



SPHEROS ENVIRONMENTAL

PC SQS GW Model

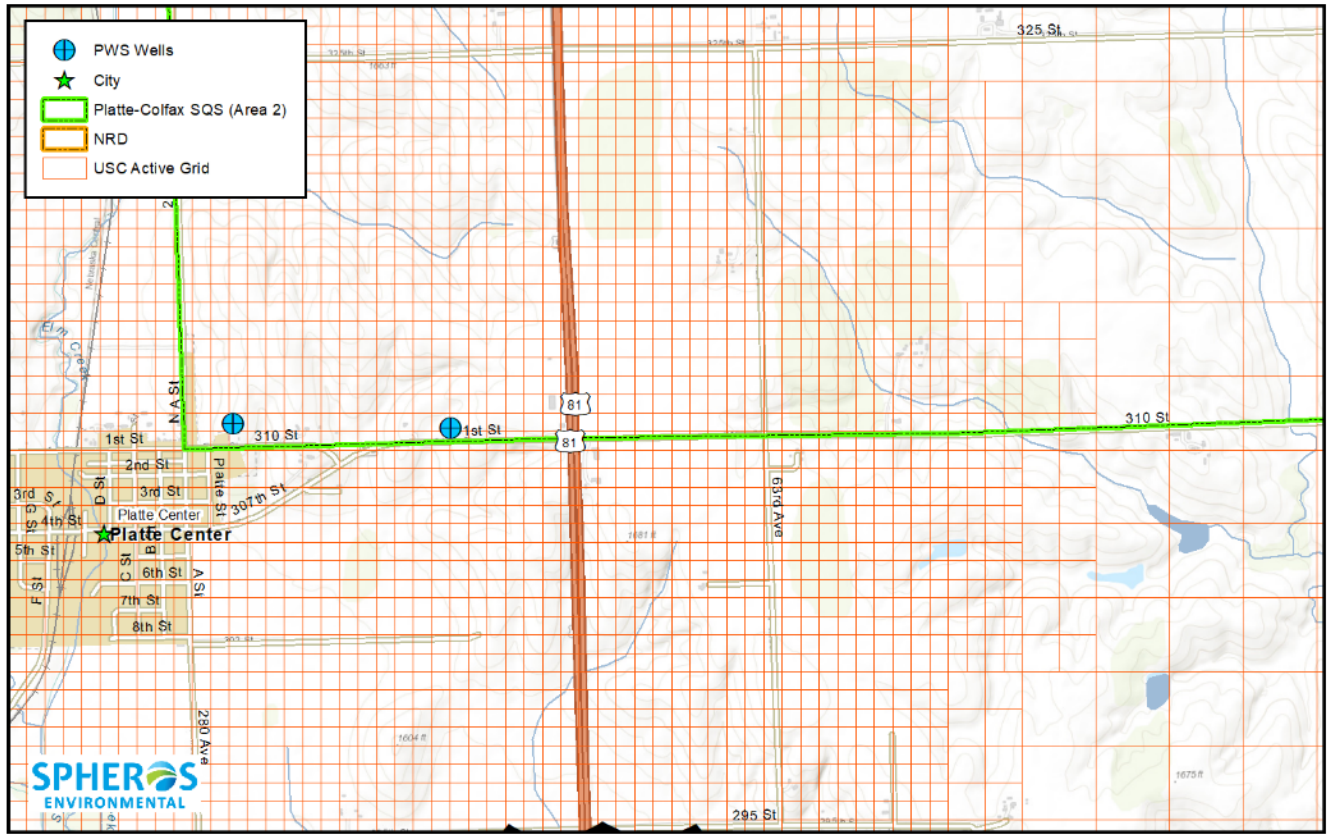
- Would be created from the foundation of the USC Model
  - Current grid covers PC SQS
- Active grid only covers one-third of SQS and would be updated
- Significant savings by using USC Model



SPHEROS ENVIRONMENTAL

PC SQS GW Model

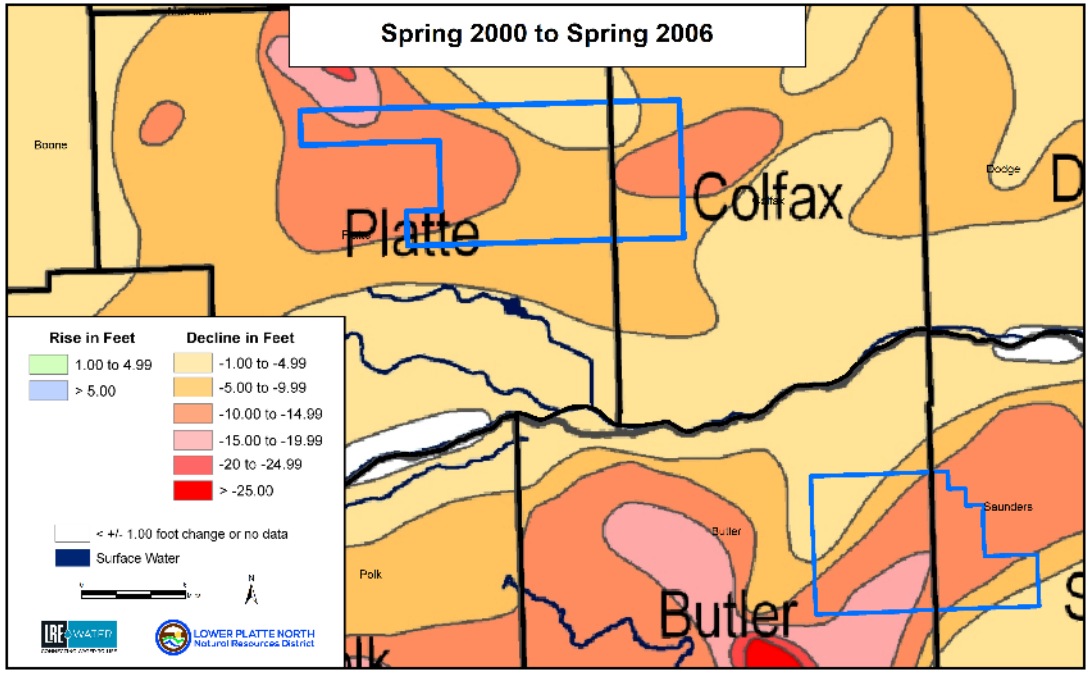
- ‘Zoom-In’ Grid (Quadtree)
- Grid automatically get smaller in focus areas
- Don’t waste computer power on areas that don’t need fine resolution
- Area surrounding ‘proposed wells’ will be refined



SPHERES ENVIRONMENTAL

PC SQS GW Model - Scenarios

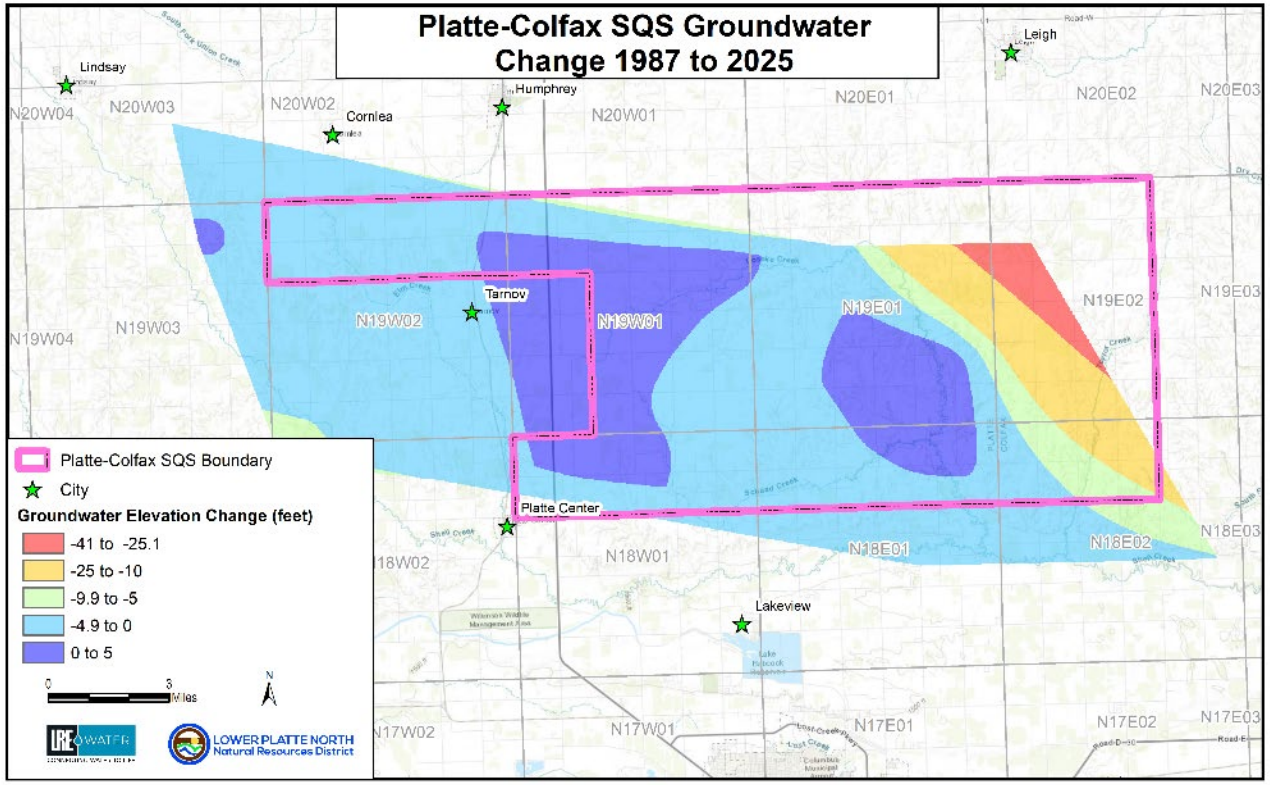
1) Future Pumping Demands
   - 10, 20, 40
   - Predicted locations and number of wells to be determined by staff
2) Demands under Drought Conditions
   - Repeat pumping demands under drought conditions
3) Single well (variance request)



SPHERES ENVIRONMENTAL

PC SQS GW Model

- Task 1 – Expand USC Model
- Task 2 – Model Calibration/Simulation Scenarios
  - Reporting
- Task 3 – Additional Model Runs
  - Case-by-case basis



SPHERES ENVIRONMENTAL

PC SQS GW Model

- Task 1 – Expand USC Model
  - $17,400
- Task 2 – Model Calibration/Simulation Scenarios
  - $12,600
- Task 3 – Additional Model Runs
  - $1,500 per variance request
  - Include analytical and numerical flow model run

- Schedule and Summary
  - $30,000 to establish SQS Model
  - Six-month timeframe
  - Results presented at November Board Meeting
  - Task 3 as needed after December rule change consideration

SPHERES ENVIRONMENTAL

Thank you!

SPHEROS ENVIRONMENTAL

February 20, 2026 Proposal #P26-00072

Daryl Andersen
Lower Platte North NRD
1616 CR 17
Wahoo, NE 68066

RE: Platte-Colfax Special Quantity Subarea Groundwater Model
Lower Platte North Natural Resources District

Dear Daryl,

Planned modifications to the Platte–Colfax Special Quantity Subarea (PC SQS), scheduled to take effect in December 2026, have raised important questions about how groundwater conditions may respond once irrigated acres begin to expand. With the regulatory change already planned, the Lower Platte North Natural Resources District (LPNNRD) now has a critical window to understand the magnitude, timing, and spatial distribution of potential groundwater level declines from pumping (i.e., drawdown) before implementation. Developing a dedicated PC SQS numerical groundwater flow model, referred to herein as the PC SQS Groundwater Model (PC SQS Model) will provide the LPNNRD with a tool to evaluate the effects of increased pumping on groundwater levels and help staff prepare for future management needs (Project).

Spheros Environmental (Spheros), formerly LRE Water, is pleased to submit this Scope of Services and cost estimate to support the LPNNRD in developing the PC SQS Model. This recommendation reflects the LPNNRD's proactive approach towards implementing actions listed in the 2026 Groundwater Management Plan. By investing in targeted analysis now ensures that the December 2026 changes are implemented with confidence, transparency, and a strong technical foundation.

PROJECT UNDERSTANDING

In 2024, LRE Water completed the Upper Shell Creek Groundwater Model (USC Model) for the LPNNRD to support wellhead protection for the communities of Newman Grove and Platte Center. Initial model simulations were finished in 2025, and the model now provides a strong technical foundation for broader groundwater management applications, including evaluating drawdown in the PC SQS. The USC Model was constructed with grid cells of approximately 1,000 feet and refined using a specialized method to refine the grid cells to as small as 250 feet around the two wellfields, allowing for detailed representation of local hydrogeologic conditions.

The Three District Model—currently being developed by the Papio-Missouri River NRD, Lower Platte South NRD, and LPNNRD in partnership with DWEE—is a valuable large-scale regional model intended to characterize broad groundwater–surface water interactions for

Integrated Management planning. However, the model is still under development, and even once complete, its coarse grid size and basin-wide design make it unsuitable for evaluating localized drawdown associated with individual well-variance requests in the PC SQS. In contrast, the USC Model—and the refined PC SQS expansion proposed here—uses local hydrogeologic data, a finer grid, and site-specific calibration, providing the level of detail necessary for more defensible, transparent and consistent well variance decisions. This refined approach ensures the LPNNRD has a tool tailored to its management needs rather than relying on a regional model built for a different purpose.

Because the USC Model's unstructured grid already covers the full PC SQS, much of the foundational work for this Project is complete. The active grid would be expanded to cover the entire PC SCS and a 5-mile buffer, followed by a targeted update to the model domain and recalibration—an efficient and cost-effective approach compared to developing a new model from scratch.

After calibration, Spheros will run scenarios reflecting anticipated irrigation growth (e.g., 5, 10, or 20 new wells per year) and drought conditions. Results would be summarized in a concise technical report, with a formal presentation to LPNNRD staff and the Board of Directors ahead of the December 2026 implementation. Additionally, as noted above, the model will be available to support LPNNRD in evaluating individual well variance permit applications. However, the reliability of these site-specific simulations will depend on the availability and quality of localized data and may require additional data collection and analysis to improve accuracy and confidence.

1. SCOPE OF SERVICES

Spheros has prepared the following scope of services to support development of the PC SQS Model. Because the LPNNRD recently completed the USC Model, much of the foundational work is already in place.

Task 1: Expand the USC Model

- Expand the existing USC Model active grid to fully encompass the PC SQS plus a 5-mile buffer.
- Refine hydrostratigraphic layers, hydraulic properties, and boundary conditions within the expanded model domain to ensure accurate representation of local aquifer conditions and support a robust recalibration.
- Conduct routine project management and coordination, including virtual meetings, emails, and progress updates throughout the Project.

Cost: $17,400

Task 2: Model Calibration and Simulation Scenarios – Average and Drought Conditions

- Obtain groundwater pumping estimates—both annual volumes and monthly pumping rates—to support analysis of the relationships among precipitation, baseflow, groundwater pumping, and the evaluation of new wells.

- Compile and evaluate available groundwater-level data from LPNNRD and surrounding NRDs, including water-table contour maps, to support calibration of the expanded model.
- Conduct sensitivity and uncertainty analyses to identify data gaps, outliers, and parameters that most influence model performance or contribute to uncertainty.
- Design and run three scenario simulations under both normal precipitation and drought conditions, totaling six runs, to evaluate changes in groundwater levels associated with the addition of new irrigation wells. LPNNRD staff will assist in identifying areas most likely to experience future irrigated acre expansion and help define model scenarios.
- Prepare a comprehensive report documenting the PC SQS Model, including model construction, calibration, scenario design, and results.
- Provide one formal presentation of the model results with either the LPNNRD Water Committee or the Board of Directors.

Cost: $12,600

Task 3: Additional Model Simulation – Variance Requests

The additional model runs would be completed as well variance requests are received. The PC SQS Model will provide a more detailed review of potential impacts to nearby wells and groundwater levels immediately surrounding an area where irrigation expansion is proposed.

- Obtain the proposed well location, depth, screened interval, number of acres to be irrigated, pumping rate, and other key information from the LPNNRD.
- Input the information from the proposed well into the PC SQS Model, run, and process one new scenario as they are received.
- Provide simulated drawdown maps for average and drought conditions showing the difference in drawdown caused by the proposed well and a one-page memo describing the scenario and results.

Cost: $1,500 per run

2. TIME REQUIRED

Spheros will be prepared to proceed with the Project immediately after notice to proceed. The Project is estimated to take up to six months. The report and presentation would be delivered in the fall of 2026. It is assumed that Spheros will receive authorization from the LPNNRD at its meeting in March 2026.

3. PAYMENT

The total estimated cost for the services to establish the PC SQS Model, as listed in Task 1 and 2, can be completed for $30,000. Billing for Tasks 1 and 2 will be based on actual time

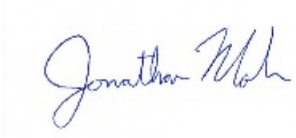
expended, in accordance with our standard hourly rates. The estimate includes costs associated with travel.

Additional model runs, as described in Task 3, would be billed a lump sum of $1,500 per request. Task 3 would not be completed as part of the initial effort.

Acceptance of this Letter Contract (including the attached rates and General Terms and Conditions (Attachment A) and authorization to proceed with the services can be indicated by signing one copy and returning it to us for our files.

Please feel free to contact me at 402-416-4667 or jon.mohr@spherosenv.com to discuss this proposal in more detail.

Sincerely,



Jonathan Mohr

SPHEROS ENVIRONMENTAL

ATTACHMENT A - GENERAL TERMS AND CONDITIONS

I. APPLICABILITY. These terms and conditions for services (these "Terms") are the only terms that govern the provision of services by Spheros Group Parent, Inc. ("Spheros") to name of the customer ("Client" and together with Spheros, the "Parties" and each, a "Party") set forth on the accompanying order confirmation, letter, statement of work, or purchase order (the "Order Confirmation"). The Order Confirmation and these Terms (collectively, this "Agreement") comprise the entire agreement between the Parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. In the event of any conflict between these Terms and the Order Confirmation, these Terms shall govern, unless the Order Confirmation expressly states that the terms and conditions of the Order Confirmation shall control. These Terms prevail over any of Client's general terms and conditions regardless of whether or when Client has submitted its request for proposal, order, or such terms. Provision of services to Client does not constitute acceptance of any of Client's terms and conditions and does not serve to modify or amend these Terms. This Agreement may not be modified except by an amendment in writing, signed by both Parties.

II. SERVICES; PERFORMANCE DATES. Spheros shall provide the services to Client as described in the Order Confirmation (the "Services") in accordance with these Terms. Spheros shall use reasonable efforts to meet any performance dates specified in the Order Confirmation, and any such dates shall be estimates only.

III. CLIENT'S ACTS OR OMISSIONS. If Spheros's performance of its obligations is delayed or prevented by any act or omission of Client or its agents, subcontractors, consultants, or employees, Spheros shall not be deemed in breach of its obligations under this Agreement or otherwise liable for any costs, charges, or losses sustained by Client to the extent arising directly or indirectly from such prevention or delay.

IV. COMPENSATION. For the performance of the Services, Client agrees to pay, and Spheros agrees to accept, compensation set forth in the Order Confirmation. Spheros will be compensated in US dollars for its Services on a time-and-materials or fixed-price basis. Spheros's estimate of the cost for its Services is based on the information provided by Client, and rates, reimbursable expenses, and management fees made a part of the Agreement. Client shall be responsible for all sales, use, and excises taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental entity. Client agrees to reimburse Spheros for all reasonable travel and out-of-pocket expenses incurred by Spheros in connection with the performance of the Services. In the event that the Services occur over more than one (1) calendar year or the Services start date is delayed more than ninety (90) days due to factors outside of Spheros's sole control, Spheros may, without the approval of Client, increase its rates by the greater of: (a) five percent (5%) or (b) the United States Department of Labor, Bureau of Labor Statistics consumer price index. Spheros will provide reasonable advance notice to Client prior to any potential rate increase. Invoices are submitted routinely, but no more than monthly, for time and expenses incurred or in the event of a fixed price contract as determined by the scope of work and applicable milestone for the percent of work completed. Terms of payment are net thirty (30) days. Overdue accounts are subject to an interest charge of one and a half percent (1.5%) per month and services may stop whenever payment is overdue more than sixty (60) days. Either Party may, at any time and from time to time during the term of this Agreement, request a change to the Services (each, a "Change"). Upon receipt of a request for any Change from Client, Spheros shall prepare and deliver to Client a proposal regarding the effect that such Change would have on (i) the cost of the Services, (ii) the timing for performance of the Services; and (iii) any other material aspect of this Agreement. Client and Spheros shall agree in writing on the terms applicable to any Change (each, a "Change Order"). Spheros may charge for the time it spends assessing and documenting a change request from Client on a time and materials basis. Spheros shall not implement any Change, and shall not be entitled to compensation for Services performed in respect of any Change, unless a Change Order in respect of such Change has been executed by both Parties. In the event that Spheros seeks any change to the Services such that the cost, scope, or schedule is impacted, Spheros shall within seven (7) days, notify Client in writing of the Change and promptly prepare and deliver to Client a proposal regarding the effect that such Change would have on (1) the cost of the Services, (2) the timing for performance of the Services and (3) any other material aspect of this Agreement. Notwithstanding this Section IV, Spheros may change the Services without the consent of Client provided that such changes do not materially affect the nature or scope of the Services, or the fees or any performance dates.

V. OWNERSHIP OF DOCUMENTS. All intellectual property rights, including copyrights, patents, patent disclosures and inventions (whether patentable or not), trademarks, service marks, trade secrets, know-how and other confidential information, trade dress, trade names, logos, corporate names, and domain names, together with all of the goodwill associated therewith, derivative works and all other rights (collectively, "Intellectual Property Rights") in and to all documents, work product, and other materials that are delivered to Client under this Agreement or prepared by or on behalf of Spheros in the course of performing the Services, including any items identified as such in the Order Confirmation (collectively, the "Deliverables") except for any Confidential Information (as defined in Section VI) of Client or Client materials shall be owned by Spheros. Spheros hereby grants Client a license to use all Intellectual Property Rights free of additional charge and on a non-exclusive, worldwide, non-transferable, non-sublicensable, fully paid-up, royalty-free, and perpetual basis to the extent necessary to enable Client to make reasonable use of the Deliverables and the Services. The Client shall not re-use or make any modification to Spheros's designs, documents or work product without the prior written authorization of Spheros, and any such authorized use or modification shall be at the sole risk of Client with no liability to Spheros.

VI. CONFIDENTIALITY. From time to time during the term of this Agreement, either Party (as the "Disclosing Party") may disclose or make available to the other Party (as the "Receiving Party"), non-public, proprietary, and confidential information of Disclosing Party (whether or not marked, designated, or otherwise identified as "confidential") in connection with the Services ("Confidential Information"); provided, however, that Confidential Information does not include any information that: (a) is or becomes generally available to the public other than as a result of Receiving Party's breach of this Section VI; (b) is or becomes available to the Receiving Party on a non-confidential basis from a third-party source, provided that such third party is not and was not prohibited from disclosing such Confidential Information; (c) was in Receiving Party's possession prior to Disclosing Party's disclosure hereunder; or (d) was or is independently developed by Receiving Party without using any Confidential Information. Spheros's Confidential Information shall include the Services performed hereunder and the nature or results of the work performed hereunder. The Receiving Party shall: (i) protect and safeguard the confidentiality of the Disclosing Party's Confidential Information with at least the same degree of care as the Receiving Party would protect its own Confidential Information, but in no event with less than a commercially reasonable degree of care; (ii) not use the Disclosing Party's Confidential Information, or permit it to be accessed or used, for any purpose other than to exercise its rights or perform its obligations under this Agreement; and (iii) not disclose any such Confidential Information to any person or entity, except to the Receiving Party's Group who need to know the Confidential Information to assist the Receiving Party, or act on its behalf, to exercise its rights or perform its obligations under this Agreement. The Receiving Party shall be responsible for any breach of the confidentiality and non-use obligations contained herein by the Receiving Party's Group. If the Receiving Party is required by applicable law or legal process to disclose any Confidential Information, it shall, prior to making such disclosure, use commercially reasonable efforts to notify Disclosing Party of such requirements to afford Disclosing Party the opportunity to seek, at Disclosing Party's sole cost and expense, a protective order or other remedy. For purposes of this Section VI only, "Receiving Party's Group" shall mean the Receiving Party's affiliates and its or their employees, officers, directors, shareholders, partners, members, managers, agents, independent contractors, service providers, sublicensees, subcontractors, attorneys, accountants, and financial advisors. The terms of this Section VI shall survive and remain in force after any termination or expiration of this Agreement.

VII. HEALTH AND SAFETY. Spheros has full responsibility for safety of its employees and agents, including providing appropriate safety equipment for its field personnel. In performance of the work, Spheros shall (a) comply with applicable federal, state and local statutes, regulations and ordinances regarding health and safety, and (b) prepare and comply with its own Health and Safety Plan, as well as any Health and Safety Plan prepared by Client and delivered to Spheros prior to commencement of the Services for the site.

VIII. SITE ENVIROMENTAL CONDITIONS. Client shall furnish or make available to Spheros such documents and information that relate to the identity, location, quantity, nature, or characteristics of any petroleum products, hazardous materials or asbestos at, on, or under the site. If, at any time, evidence of the existence or possible existence of such substances is discovered, Spheros reserves the right to stop work and renegotiate any consulting agreement and, the fees for our services and our continued involvement in the project. Spheros will promptly notify Client of any unanticipated hazardous materials or suspected hazardous materials it discovers. In the event that Spheros removes any pre-existing materials, Spheros may, but not shall be required to, assist the Client in characterization and handle the pre-existing materials

in accordance with applicable federal, state and local laws, rules, regulations and ordinances. Client shall be responsible for signing any manifest that may be required to ship pre-existing hazardous materials off site. At no time whatsoever shall Spheros be considered or assume the responsibilities of a generator of any pre-existing petroleum, chemical or hazardous material located on or about the site where the work is performed. The discovery of hazardous materials or suspected hazardous materials may make it necessary for Spheros to take immediate measures to protect human health and safety and/or the environment. Client agrees to compensate Spheros for the cost of any and all measures that, in our professional onsite judgment are justified to preserve and protect the health and safety of our personnel, Client's employees and/or the public, and/or the environment. In addition, Client waives any claims against Spheros and, to the full extent permitted by law, agrees to indemnify, defend and hold Spheros harmless from any and all claims, damages and liability, including but not limited to cost of defense, in any way connected with petroleum products, hazardous materials or asbestos.

IX. CLIENT OBLIGATIONS AND SITE ACCESS. Client shall at its cost and at such times as may be required by Spheros for the successful and timely completion of Services: (a) provide unimpeded and timely access to any site, including third party sites if required (b) provide an adequate area for Spheros's site office facilities, equipment storage, and employee parking; (c) furnish all construction utilities and utilities releases necessary for the Services; (d) provide the locations of all subsurface structures, including piping, tanks, cables, and utilities; (e) approve all locations for digging and drilling operations; (f) obtain all permits and licenses which are necessary and required to be taken out in Spheros's name for the Services; (g) cooperate with Spheros in all matters relating to Services; and (h) respond and provide promptly to any Spheros requests for information, material, authorizations, approvals, or other items reasonably necessary to provide or complete Services. Spheros will not be liable for damage or injury arising from damage to subsurface structures that are not disclosed in writing to Spheros in connection with its work.

X. COST ESTIMATES. If included in the Services, Spheros will provide cost estimates based upon Spheros's experience on similar projects, which are not intended for use by Client or any other party in developing firm budgets or financial models, or in making investment decisions. Such cost estimates represent only Spheros's judgment as a professional and, if furnished, only for Client's general guidance and are not guaranteed as to accuracy.

XI. LIMITED WARRANTY AND REMEDIES. Spheros represents and warrants to Client that it shall perform the Services with the standard of care, diligence and skill ordinarily exercised by firms providing similar services and in accordance with generally recognized industry standards. Spheros shall furnish all tools, labor, and supplies in such quantities and of the proper quality to professionally and timely perform the Services. Spheros shall not be liable for a breach of the warranty set forth in this Section XI unless Client gives written notice of the defective Services, reasonably described, to Spheros within thirty (30) days of the time when Client discovers or ought to have discovered that the Services were defective. Subject to the foregoing, Spheros shall, in its sole discretion, either (a) repair or re-perform such Services; or (b) credit or refund the price of such Services at the pro rata contract rate. THE REMEDIES SET FORTH IN THIS SECTION XI SHALL BE CLIENT'S SOLE AND EXCLUSIVE REMEDY AND Spheros'S ENTIRE LIABILITY FOR ANY BREACH OF THE LIMITED WARRANTY SET FORTH HEREIN.

XII. DISCLAIMER OF WARRANTIES. EXCEPT FOR THE WARRANTY SET FORTH IN SECTION XII ABOVE, Spheros MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE SERVICES, INCLUDING ANY (a) WARRANTY OF MERCHANTABILITY; (b) WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; (c) WARRANTY OF TITLE; OR (d) WARRANTY AGAINST INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY; WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE.

XIII. INDEPENDENT CONTRACTOR. Spheros is an independent contractor, and is responsible for the means and methods of carrying out the scope of services and for the safety of its employees and agents. Spheros retains the right to require that the services provided by Spheros meet specific standards without regard to the manner and means of accomplishment thereof. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise, employment, or fiduciary relationship between the Parties, and neither Party shall have authority to contract for or bind the other Party in any manner whatsoever.

XIV. INDEMNIFICATION. Client agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless Spheros and their respective officers, directors and employees against damages, liabilities or costs, including reasonable attorneys' fees

and defense costs, arising out of or resulting from (a) bodily injury, death of any person, or damage to real or tangible, personal property resulting from negligent or willful acts or omissions of Client and (b) Client's breach of any representation, warranty, or obligation of Client in this Agreement. This Section XIV shall survive the expiration or termination of this Agreement.

XV. LIMITATION OF LIABILITY. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY OR TO ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE OR PROFIT OR LOSS OF DATA OR DIMINUTION IN VALUE, OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE. IN NO EVENT SHALL Spheros'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EXCEED THE AGGREGATE AMOUNTS PAID OR PAYABLE TO Spheros PURSUANT TO THE APPLICABLE ORDER CONFIRMATION.

XVI. INSURANCE. Spheros shall procure and maintain the following insurance throughout the term of this Agreement: (a) Commercial General Liability; (b) Automobile Liability; (c) Workers' Compensation and Employer's Liability; and (d) Professional Liability.

XVII. FORCE MAJEURE. Neither Party shall be liable nor deemed to be in default for any delay or failure in performance under this Agreement resulting from the acts of God, civil or military authority, material change of law, acts of public enemy, war, accidents, fires, explosions, earthquakes, floods, failure of transportation, regional emergencies, strikes or other industrial interruptions by either Party's employees, or any similar or dissimilar cause beyond the reasonable control of either Party. The impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the impacted Party's failure or delay remains uncured for a period of fifteen (15) consecutive days following written, either Party may thereafter terminate this Agreement upon twenty (20) days' written notice.

XVIII. NOTICE. Any notice to be given hereunder by either Party to the other, shall be in writing and addressed to the Parties at the addresses set forth in the Order Confirmation or to such other address that may be designated by the receiving Party in writing. All notices shall be deemed given when delivered (a) in person, (b) by certified mail, return receipt requested, (c) by commercial courier that provides a receipt of delivery, or (d) by email when the receiving Party acknowledges receipt.

XIX. TERMINATION FOR CONVENIENCE. Either Party may terminate all or part of this Agreement for its convenience and without cause upon giving the other Party not less than thirty (30) days written notice. In such event, Spheros shall be compensated for the Services competently performed up to and including the date of termination.

XX. TERMINATION FOR DEFAULT. Either Party may terminate this Agreement for cause upon giving the other Party not less than ten (10) days written notice for any of the following reasons: (a) substantial failure by the other Party to perform in accordance with the terms of this Agreement and through no fault of the terminating Party, including lack of payment by Client; (b) assignment of this Agreement or transfer of the project by either Party to any other entity without prior written consent of the other Party; (c) suspension of the project or of the Services for more than ninety (90) days, consecutive or in the aggregate; (d) material changes in the conditions under which this Agreement was entered into, the Services or the nature of the project, and the failure of the Parties to reach agreement on the compensation; or (e) Client becomes insolvent or files a petition for bankruptcy. Either Party shall have a period of ten (10) business days from the notice of noncompliance and threatened termination to cure or correct the default. If this Agreement is terminated following default by Spheros, Client is relieved of any unpaid payment obligations owed Spheros for services performed after the default. If this Agreement is terminated following default by Client, Client shall be liable to Spheros for all unpaid compensation for Services, as well as any collection fees associated with the collection of said compensation including but not limited to, attorneys' fees, court costs, and other related expenses up to and including the termination date.

XXI. ASSIGNMENT. Client shall not assign this Agreement without the prior written consent of Spheros. Any purported assignment or delegation in violation of this Section XXI is null and void. No assignment or delegation relieves Client of any of its obligations under this Agreement.

XXII. ANTI-DISCRIMINATION. The Parties hereby incorporate the requirements of 41 C.F.R. § 60-1.4(a)

and 29 C.F.R. § 471, Appendix A to Subpart A, if applicable. Spheros and Client shall also abide by the requirements of 41 CFR 60-300.5(a) and 41 CFR 60-741.5(a), if applicable. These regulations prohibit discrimination against qualified protected veterans and qualified individuals with disabilities and require affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and qualified individuals with disabilities.

XXIII. ENFORCEMENT AND WAIVER. The failure of either Party in any one or more instances to insist upon strict performance of any of the terms and provisions of this Agreement, shall not be construed as a waiver of the right to assert any such terms and provisions on any future occasion or of damages caused thereby.

XXIV. CHOICE OF LAW; JURISDICTION. This Agreement shall be administered and interpreted under the laws of the State of Colorado without giving effect to any choice or conflict of law provision. Subject to Section XXVIII, any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the federal courts of the United States of America or the courts of the State of Colorado, and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding.

XXV. SEVERABILITY. If any of the provisions of this Agreement shall be invalid or unenforceable, such invalidity or unenforceability shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligations of the Party shall be construed and enforced accordingly, to effectuate the essential intent and purposes of this Agreement.

XXVI. NONEXCLUSIVE NATURE. This Agreement is not exclusive. Spheros is free to provide similar services or deliverables to others. Client makes no representations or warranties as to a minimum or maximum procurement of services hereunder.

XXVII. SURVIVAL. Provisions of these Terms, which by their nature should apply beyond their terms, will remain in force after any termination or expiration of this Agreement including, but not limited to, the following provisions: Confidentiality, Disputes, Compensation, Ownership of Documents, Insurance, and Survival.

XXVIII. DISPUTES. In an effort to resolve any conflicts that may arise, Client and Spheros agree to resolve any claims or disputes related to this Agreement, in an amicable, professional, and expeditious manner so as to avoid unnecessary disruptions and delays to the Services. For any claim or dispute the Parties shall first attempt to resolve such claim or dispute through discussions between Client's and Spheros's designated representatives. If any such claim or dispute is not resolved through such discussions, the responsible executive of each Party, who shall possess the authority to resolve such matter, shall attempt to resolve such claim or dispute. Either Party may initiate discussions by written notice to the other Party setting forth the subject of the claim or dispute and the resolution sought. The Party in receipt of such notice shall respond within five (5) business days with a written statement of its position on, and recommended solution to, the claim or dispute. If the claim or dispute is not resolved by this exchange of correspondence, then the responsible senior executives of each Party shall meet at a mutually agreeable time and place within ten (10) business days from the Party's response in an attempt to resolve the claim or dispute. Any claims or disputes between the Parties arising out of or relating to this Agreement, which have not been resolved in accordance with the procedures set forth in this Section XXVIII shall be submitted to nonbinding mediation unless the Parties mutually agree otherwise. Each Party shall pay for its own costs and one-half the cost of a mutually acceptable mediator. In the event mediation is not successful, the claims or disputes between the Parties shall subject to litigation in a court of competent jurisdiction in the State of Colorado. The Parties irrevocably consent to the personal jurisdiction of said courts and waive any and all defenses of forum non conveniens, improper venue, or lack of personal jurisdiction.

Phone: (402) 471-2186

STATE OF NEBRASKA
DEPARTMENT OF WATER, ENERGY AND ENVIRONMENT
WATER WELL REGISTRATION MODIFICATION
OWNER USE ONLY

FOR DEPARTMENT USE ONLY

Date Filed _____ Owner Code No. _____ Registration No. _____

_____-_____-MOD___( ) _____NRD
WELL ID

ALL ITEMS IN SECTION 1 AND SIGNATURE IN SECTION 3 ARE REQUIRED

SECTION 1: ☐ **Check here if:** This form is also to be used to change the ownership of this well.

A. Well Owner's First Name _____Last Name _____
OR Company Name_____
Attention Name _____
Address _____
City_____State_____Zip_____Telephone_____
Email_____

B. Well Registration No._____(Only one number per form)

C. State Reason for Change: _____

_____

CORRECTIONS NEEDED **Complete only those items being modified**

SECTION 2:

A. If location of well needs to be corrected, fully complete the Legal description of the well including GPS Coordinates (latitude and longitude). Footage may be provided. **(1 & 2 REQUIRED)**

1. Well location: _____¼ of the _____ ¼ of Section _____, Township _____ North, Range ___ East/West, _____ County.
2. Latitude Degree:_____ Minute:_____ Second:___.___ Longitude Degree:_____ Minute:_____ Second:___.___ (NAD 83)
3. The well is _____ feet from the (North or South) section line and _____ feet from the (East/West) section line.
(circle one) (circle one)

B. Location of water use (give complete legal description)_____

For Irrigation Wells: Number of acres irrigated:_____

If the location of use is different than what is currently registered, and/or the number of acres irrigated is more than what is currently registered, and you are located in an area that has stays or a moratorium on newly irrigated acres, you **MUST** obtain the written approval of the Natural Resources District **PRIOR TO FILING THIS FORM**. This approval can be the submission of a separate Natural Resources District Approval form by the NRD.

_____ _____ _____
(Natural Resources District) (Signature of NRD Staff) (Date)

C. Pump information.

1. Pumping rate:_____ gallons per minute.
2. Drop Pipe diameter:_____ Inches. 3. Length of drop pipe:_____ feet.
4. Pumping equipment installed: (m)_____/(d)_____/(y)_____. 5. Brand/Type:_____
6. Static Water Level:_____ feet.
7. Pumping water level:_____ feet.
8. Amount of time pumped:_____.

D. Change of use, complete items 1, 2 and 3. Identify use from this Listing: Dewatering (over 90 days), Domestic, Ground Heat Exchanger, Ground Water Source Heat Pump, Industrial, Injection, Irrigation, Livestock, Monitoring, Observation, Public Water Supply (with spacing (46-638), Public Water Supply (without spacing), Recovery, Other(if well use falls in this category – add specific use).

1. Well was used for: _____ 2. New well use is:_____
(if necessary, please provide updated pump information) 3. Date of Change:_____

E. Active to Inactive (please check A or B) with or without pump

On _____, 20___, the water well is ____a) altered from active to inactive by removing the _____inch pump and pumping column and properly capping the water well according to state standards or ____b) no longer in use but pump still in place with a water tight seal according to state standards. (§46-1207.02)

F. I certify that the well has been modified according to information given in section 2 C, E, or J, such that it will pump 50 gallons per minute or less. Pumping Rate:_____

Change to use (Check one of the following): ☐ Livestock ☐ Monitoring ☐ Observation

☐ nonconsumptive or de minimus use approved by the applicable natural resources district. State use:_____

G. Wells in a Series.

1. Is this well a part of a series?_____ Yes.
2. How many total wells in the series?_____
3. If one or more of the wells in the series is currently registered, give all well registration numbers:_____

_____

H. Well Construction Information.

1. Total well depth: _____ feet. 2. Static water level: _____ feet.
3. Pumping water level: _____ feet 4. Well Construction began: (m)_____/(d)_____/(y)_____
5. Well Construction completed: (m)_____/(d)_____/(y)_____ 6. Bore hole diameter in inches: Top____ Bottom _____
7. Casing and Screen Joints are: Welded_____, Glued_____, Threaded_____, Other_____
8. Total Estimate Capacity of Well _____ gallons per minute (to be used to determine sustainability of aquifer)

I. Replacement and decommissioned/modified well information.

Department of Water, Energy and Environment Decommission/Modification Certification form or Notice of Decommissioning form is Required for replacement wells

1. Is this well a replacement well? ____Yes ____No
2. Registration number of original well:_____ If original well is not registered, date well construction completed (m)___/(d___/(y)___
3. Original well last operated (m)___/(d)_____/(y)_____
4. Completion of original well decommission/modification on (m)___/(d_____/(y)____
5. Complete location of water use of original well: _____

J. Well Construction Modification.

1. Total well depth: _____ feet. 2. Static water level: _____ feet.
3. Pumping water level: _____ feet 4. Well Modification began: (m)_____/(d)_____/(y)____
5. Well Modification completed: (m)_____/(d)_____/(y)___ 6. Casing diameter in inches: Top____ Bottom _____
7. Casing and Screen Joints are: Welded____, Glued_____, Threaded_____, Other_____
8. Total Estimate Capacity of Well _____ gallons per minute (to be used to determine sustainability of aquifer)

SECTION 3:

I hereby certify that the information provided on this form is true and accurate to the best of my knowledge.

_____ _____
Water Well Owner's Signature Date

The Department reserves the right to request verification of information provided.

Well Modification Policy for Change of Use

DRAFT 4_2_2026

1. A well permit was issued by the LPNNRD for a certain water use category i.e. irrigation well.

2. The well permit is valid, as long if the change of use of the well is the same.

3. A landowner wants to change the use of well (like a pond or fire well) then approval is needed by LPNNRD Board before approving the change.

4. Nebraska DWEE utilizes a Well modification form for change of use.

5. The Board has the authority to deny the change of use and require a new well permit.

6. The Board can require that the existing well must be decommissioned correctly before applying for new well permit for different uses.

7. The new well permit will be reviewed and need approval by the Board before proceeding.

8. If an irrigation well is found being used for anything else the Board can require the well to be decommissioned.

9. Exception can be given to livestock that are being grazed on stalks for less than 6 months for water usage.

10. Exception can be made to irrigation wells that are used temporarily for fire protection.

SNR Alumni: Jake Pittman helps public and environment in water resources job

Jake Pittman installs a surface water data logger at Lake Wanahoo north of Wahoo, Neb., on March 5, 2026. The data logger provides continuous water level measurements for the lake.

By Ronica Stromberg

Jake Pittman began university classes during the 2020 Covid lockdown, uncertain about the future but certain he wanted to help people somehow.

"I just knew that I wanted to make a change and help people, and I thought that environmental sciences was the way to do that," the 2024 Nebraska alumnus said.

Two months after graduating with an environmental science degree and emphasis in water science, Pittman landed a water technician position with the Lower Platte North Natural Resources District. He worked there six months and received a promotion to a water resources specialist position.

Now working primarily with groundwater, he samples it from dedicated monitoring wells and irrigation wells to check for contaminants. Nitrates, chemicals formed from nitrogen and oxygen, are the main concern in Nebraska, he said. They can cause health problems like cancer and blue baby syndrome, in which a baby's red blood cells fail to carry enough oxygen, which can lead to death. Nitrates can get into drinking water from natural sources or

from human activities like using fertilizers. Runoff from fields can worsen the quality of surface water and harm animals living in it.

In summer, Pittman samples water and may help with chemigation inspections, water-level measurements and maintaining weather stations. In winter, he spends more time working on data collected in the field, well permits and other office work. He helps extension educators hold nitrogen certification classes that farmers need to take every four years to apply fertilizer in the district.

The district maintains the water supply lines from Wahoo to Colon and from David City to Bruno, and Pittman may help with that work. When he first started, he helped out with the district's tree planting program and the Spring Conservation Sensation, an outdoor educational event for schoolchildren.

"Every day is different, which is one of the things I love about the job," Pittman said. "So, there could be a day where you're sitting in the office for eight hours or there could be a day where you're out in the field all day."

CHANGE ORDER

No. 02

Project: Wahoo Creek Dams Site 26A
Owner: LPNNRD
Contractor: Thompson Construction

Date: May 8, 2026
Project No.: 018-34230

You are directed to make the following changes in this Contract:

Item No.	Description	Unit	Quantity	Unit Price	Amount
	Progress Payments; Retainage	%			
				Total	**$0.00**

The original contract sum was	$	4,314,772.70
Net change by previously authorized Change Orders	$	24,274.50
The Contract Sum prior to this Change Order was	$	4,339,047.20
The Contract Sum will be increased by this Change Order		$0.00
The New Contract Sum including this Change Order will be	$	4,339,047.20

The Contract time for this project will be increased by _0_ days.
The project date of Substantial Completion as of the date of this Change Order therefore is unchanged.

Not valid until signed by both the Owner and Contractor.
Signature of the Contractor indicates his agreement herewith, including any adjustment in the Contract sum or Contract Time.

Thompson Construction has requested that project retainage be reduced from 10% to 5% for work previously completed through the remainder of the pay requests until the completion date of October 14, 2026. The project is approximately 60% completion without any material product issues. As outlined in Article 6 of the contract, current retainage in the amount of 10% shall be retained until substantial completion, and then goes down to 5% until final completion. Thompson's request would drop the retainage amount from 10% to 5% now until final completion. Current retainage amounts to approximately $290,000. If approved, a release of approximately $145,000 plus work completed for the month would be released to Thompson Construction in the next pay application. With this change total retainage for the project would go from approximately $434,000 to $217,000 until final completion.

ASSURANCES RELATING TO REAL PROPERTY ACQUISITION

A. PURPOSE — This form is to be used by sponsor(s) to provide the assurances to the Natural Resources Conservation Service of the U.S. Department of Agriculture which is required in connection with the installation of project measures which involve Federal financial assistance furnished by the Natural Resources Conservation Service.

B. PROJECT MEASURES COVERED —

Name of project Wahoo Creek - Site 77

Identity of improvement or development Floodwater Retarding Structure (FWRS/Dam)

Location Saunders County, NE | Embankment: 41.157654, -96.666689

C. REAL PROPERTY ACQUISITION ASSURANCE —

This assurance is applicable if real property interests were acquired for the installation of project measures, and/or if persons, businesses, or farm operations were displaced as a result of such installation; *and* this assurance was not previously provided for in the watershed, project measure, or other type of plan.

If this assurance was not previously provided, the undersigned sponsor(s) hereby assures they have complied, to the extent practicable under State law, with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act (42 U.S.C. 4601-4655), as implemented in 7 C.F.R. Part 21. Any exceptions taken from the real property acquisition requirements under the authority of 42 U.S.C. 4655 because of State law have been or is hereby furnished to the Natural Resources Conservation Service along with the opinion of the Chief Legal Officer of the State containing a full discussion of the facts and law furnished.

D. ASSURANCE OF ADEQUACY OF REAL PROPERTY RIGHTS —

The undersigned sponsor(s) hereby assures that adequate real property rights and interests, water rights if applicable, permits and licenses required by Federal, State, and local law, ordinance or regulation, and related actions have been taken to obtain the legal right to install, operate, maintain, and inspect the above-described project measures, except for structures or improvements that are to be removed, relocated, modified, or salvaged before and/or during the installation process.

This assurance is given with the knowledge that sponsor(s) are responsible for any excess costs or other consequences in the event the real property rights are found to be inadequate during the installation process.

Furthermore, this assurance is supported by an attorney's opinion attached hereto that certifies an examination of the real property instruments and files was made and they were found to provide adequate title, right, permission and authority for the purpose(s) for which the property was acquired.

If any of the real property rights or interests were obtained by condemnation (eminent domain) proceedings, sponsor(s) further assure and agree to prosecute the proceedings to a final conclusion and pay such damages as awarded by the court.

SENDD
Southeast Nebraska Development District

3/16/2026

Village of Leshara, NE
Attn: Paula Wagner
210 Summit Street
Leshara, NE 68064

RE: Village of Leshara #23PWI002 Payment Request #16

Dear Ms. Wagner:

Enclosed is Drawdown #16 for the Street & Drainage Improvements Phase II project. After you have reviewed the materials, please have Board Chairperson, Melvina Ruhe-Langfeldt and yourself sign the Drawdown (DD) as noted and mail the original DD form back to SENDD for processing. Please sign all documents in **"BLUE INK"** and place them in File IV.

After the drawdown documents have been submitted and approved by the Department of Economic Development (DED), the Village can expect an automatic transfer from DED within at least 10-30 business days that will be deposited into the designated Community Development Block Grant (CDBG) account.

	TOTAL	CDBG	Match
Drawdown #16: The following #03K bills **have not been paid**.			
SENDD GA Invoice(s): Activity Code #21A	$0.00	$0.00	$0.00
Streets/Bridges: JEO Activity Code #03K	$580.00	$514.74	$65.26
Streets/Bridges: CDS Enterprises Activity Code #03K	$21,597.15	$19,167.41	$2,429.74
SENDD CM Invoice(s): Activity Code #03K	$0.00	$0.00	$0.00
Totals:	**$22,177.15**	**$19,682.15**	**$2,495.00**

EQUAL HOUSING OPPORTUNITY

AUBURN OFFICE
919 Central Ave
Auburn, NE 68305
Office: 402-862-2201

SENDD is an Equal Opportunity Provider and Employer

According to the above figures, the Village should make the following payments:

Activity Code: #03K
Amount: $580.00
To: JEO Consulting Group
Address: 1937 North Chestnut St, Wahoo, NE 68066

Activity Code: #03K
Amount: $21,597.15
To: CDS Enterprise, LLC
Address: PO Box 464 Arlington, NE 68002

NOTES:

1. Upon completed processing at NDED/State, the CDBG funds will be electronically deposited in the identified Village's account**. Please disburse your CDBG funds from your account within five-business days**; otherwise, it may result in a finding during monitoring.
2. In order to ensure compliance with the above 5-day rule requirement, **SENDD strongly recommends** that one of the following options be used:
    a. Remit the above payments prior to the receipt of CDBG funds, OR
    b. Remit the above payments via ACH processing to ensure that the funds clear the Village's account in a timely manner following their receipt.
3. If you make a payment with local funds before the CDBG funds are electronically deposited in your Village account, that will be "reimbursement" and those funds are no longer considered "federal" and may be transferred to local accounts as you wish.
4. Please remember to keep copies of the checks made as payment for CDBG activities and keep copies of the bank statements showing deposits of CDBG funds and clearance of checks distributed. **Once the payments have been distributed, please send the Grant Administrator copies of canceled checks and bank statements to upload as source documentation in Amplifund.**

Please feel free to give me a call at (402) 475-2560 if you have any questions.

Sincerely,

James Owens

   - Final inspection, Construction Administration and oversight
   - Issued Substantial Completion

2. **Planned accomplishments for next period**
   - General coordination; will not be much activity until the site is seeded in the Spring.

3. **Project schedule**
   - See construction contract docs

4. **Information needed from Owner**
   - None currently

5. **Budget**
   - 97% of total budget used

6. **Next Meeting Date and Time**
   - Board Meeting: NA

7. **Other Notes**
   - NA

Please contact Jake Miriovsky at 402.367.2540 or at jmiriovsky@jeo.com for any questions or concerns regarding this project and/or progress report.

Contractor's Application for Payment

Owner:	Village of Leshara	**Owner's Project No.:**	
Engineer:	JEO Consulting Group, Inc.	**Engineer's Project No.:**	231327.00
Contractor:	CDS Enterprise LLC	**Contractor's Project No.:**	
Project:	2025 Phase II Drainage Improvements		
Contract:	2025 Phase II Drainage Improvements		
Application No.:	3&Final	**Application Date:**	3/10/2026
Application Period:	**From** 1/6/2026	**to**	3/10/2026

1. Original Contract Price		$ 145,349.00
2. Net change by Change Orders		$ (1,807.10)
3. Current Contract Price (Line 1 + Line 2)		$ 143,541.90
4. Total Work completed and materials stored to date (Sum of Column G Lump Sum Total and Column J Unit Price Total)		$ 143,541.90
5. Retainage		
a. 0% X $ 143,541.90 Work Completed =	$ -	
b. 0% X $ - Stored Materials =	$ -	
c. Total Retainage (Line 5.a + Line 5.b)		$ -
6. Amount eligible to date (Line 4 - Line 5.c)		$ 143,541.90
7. Less previous payments (Line 6 from prior application)		$ 121,944.75
8. Amount due this application		$ 21,597.15
9. Balance to finish, including retainage (Line 3 - Line 4 + Line 5.c)		$ -

Contractor's Certification

The undersigned Contractor certifies, to the best of its knowledge, the following:
(1) All previous progress payments received from Owner on account of Work done under the Contract have been applied on account to discharge Contractor's legitimate obligations incurred in connection with the Work covered by prior Applications for Payment;
(2) Title to all Work, materials and equipment incorporated in said Work, or otherwise listed in or covered by this Application for Payment, will pass to Owner at time of payment free and clear of all liens, security interests, and encumbrances (except such as are covered by a bond acceptable to Owner indemnifying Owner against any such liens, security interest, or encumbrances); and
(3) All the Work covered by this Application for Payment is in accordance with the Contract Documents and is not defective.
