NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. (2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

6 ESU 7 Continuous Improvement External Team Report

- . The attached Continuous Improvement report was prepared by our External Team. The CIP Core Team will share the report with the Board.

The core team who prepared for the External Visit consists of Resource Coach Amy Mazankowski, Migrant Education Coordinator Cynthia Alarcon, and Professional Development Director Marci Ostmeyer. The core team played the initial kick-off video for the board.

Educational Service Agencies follow Rule 84 for accreditation. The external team who conducted the external visit were selected based off their positions with ESUs. A school Superintendent was also part of the external team. The core team wanted to get the perspective of others from ESUs and the schools. The external team needed to review the ESU 7 standards prior to the external visit. The external team also reviewed the ESU 7 continuous improvement process to include timelines of events. External visits occur every five years according to Rule 84. The core team wanted to make sure everyone on staff at ESU 7 understood the purpose of the external visit. The process to prepare for the external visit started in 2020. A large portion of the work to prepare was done in 2021-2022. All of the evidence for the external visit was personalized based on what was done at ESU 7. Prior to the external visit in 2022-2023, the core team organized all of the evidence and prepared everything so the story flowed smoothly. The external team was presented with all of the evidence collected over the last five years. This external visit was completed with a new standards rubric. The way the evidence was presented to the external team was on a Google website (see link below). The other way the external team collected evidence was through stakeholder interviews they collected during the external visit.

The core team wanted to make sure everything was polished before the external visit. One area emphasized was that of service innovation. Every department was asked how they were innovative and it was included on the innovation link on the Google site. The core team was able to present the strengths of the ESU 7 staff using the Clifton Strengthsfinder®.

There are four domains on the external visit rubric: Purpose and Leadership, Programs and Services, Stakeholder Relationships and Communication, and Resource Capacity. There was a self-assessment piece for each component and linked evidence.

This external visit was different than the previous one. This visit, the core team had intentional expectations to represent every department. Every month, in the Agency Team meetings, the team would look at the domains and decide which evidence should be included. The core team was responsible for knowing the standards and communicating that to the Agency Team and other departments. The external team was able to assess ESU 7 and also to look at the ESU 7 self-assessment. The Agency Team completed a self-assessment and there was extensive discussion to get to a consensus.

The core team discussed the commendations and recommendations which are included in the External Report. Each commendation and recommendation is tied to a standard. Please see

attached report.

The NCN budgeted out what those funds would pay for, including at least two personnel. The NCN is waiting to hear if the grant will be approved. Director Ellsworth receives a report from the Department of Homeland Security explaining cybersecurity issues with the schools within the ESU. Initially, the report contained over 560 issues for all schools. The report from the morning of May 15, had zero issues to report. The technology department has one opening for Twin River which needs to be filled by August. The tech department is about to launch the summer reset work.
