Columbus Community Building/Community Room
2500 14 Street
Columbus, NE 68601

The Mayor and City Council reserve the right to go into closed session as per Section 84-1410 of the Nebraska Revised Statutes. A current agenda is on file at City Hall, 2500 14 Street, Columbus, Nebraska. For more information, call 402-562-4224 or visit our website at www.columbusne.us.

**1. STATEMENT OF COMPLIANCE WITH OPEN MEETINGS ACT AND ROLL
CALL**

...4-1407. Act, how cited.

Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public.

It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

Annotations

- Nebraska's public meetings laws do not apply to school board deliberations pertaining solely to disputed adjudicative facts. *McQuinn v. Douglas Cty. Sch. Dist. No. 66*, 259 Neb. 720, 612 N.W.2d 198 (2000).
- The primary purpose of the public meetings law is to ensure that public policy is formulated at open meetings. *Marks v. Judicial Nominating Comm.*, 236 Neb. 429, 461 N.W.2d 551 (1990).
- The public meetings law is broadly interpreted and liberally construed to obtain the objective of openness in favor of the public, and provisions permitting closed sessions must be narrowly and strictly construed. *Grein v. Board of Education of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- A county board of equalization is a public body whose meetings shall be open to the public. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1409. Terms, defined.

For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

Annotations

- A township is a political subdivision, and as such, a township board is subject to the provisions of the public meetings laws. *Steenblock v. Elkhorn Township Bd.*, 245 Neb. 722, 515 N.W.2d 128 (1994).
- A county agricultural society is a public body to which the provisions of the Nebraska public meetings law are applicable. *Nixon v. Madison Co. Ag. Soc'y*, 217 Neb. 37, 348 N.W.2d 119 (1984).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- Although the Open Meetings Act does not define "subcommittee," a subcommittee is generally defined as a group within a committee to which the committee may refer business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- The Open Meetings Act does not require policymakers to remain ignorant of the issues they must decide until the moment the public is invited to comment on a proposed policy. By excluding nonquorum subgroups from the definition of a public body, the Legislature

has balanced the public's need to be heard on matters of public policy with a practical accommodation for a public body's need for information to conduct business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).

- As an administrative agency of the county, a county board of equalization is a public body. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- The electors of a township at their annual meeting are a public body under the Open Meetings Act. *State ex rel. Newman v. Columbus Township Bd.*, 15 Neb. App. 656, 735 N.W.2d 399 (2007).
- The meeting at issue in this case was a "meeting" within the parameters of subsection (2) of this section because it involved the discussion of public business, the formation of tentative policy, or the taking of any action of the public power district. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).
- Informational sessions in which the governmental body hears reports are briefings. *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (1993).

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close

passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

- There is no absolute discovery privilege for communications that occur during a closed session. *State ex rel. Upper Republican NRD v. District Judges*, 273 Neb. 148, 728 N.W.2d 275 (2007).
- If a person present at a meeting observes a public meetings law violation in the form of an improper closed session and fails to object, that person waives his or her right to object at a later date. *Wasikowski v. Nebraska Quality Jobs Bd.*, 264 Neb. 403, 648 N.W.2d 756 (2002).
- The public interest mentioned in this section is that shared by citizens in general and by the community at large concerning pecuniary or legal rights and liabilities. *Grein v. Board of Education*, 216 Neb. 158, 343 N.W.2d 718 (1984).
- Hearing in closed executive session was contrary to this section since there was no showing of necessity or reason under subdivision (1)(a), (b), or (c), but did not result in reversal of board decision. *Simonds v. Board of Examiners*, 213 Neb. 259, 329 N.W.2d 92

(1983).

- Negotiations for the purchase of land need not be conducted at an open meeting but the deliberations of a city council as to whether an offer to purchase real estate should be made should take place in an open meeting. *Pokorny v. City of Schuyler*, 202 Neb. 334, 275 N.W.2d 281 (1979).
- Public meeting law was not violated where the Board of Regents of the University of Nebraska voted to hold a closed session to consider the university president's resignation, and also discussed the appointment of an interim president during such session. *Meyer v. Board of Regents*, 1 Neb. App. 893, 510 N.W.2d 450 (1993).

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body; applicability of section.

(1)(a) Except as provided in subsection (9) of this section, each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committees, such notice shall be given by:

(A)(I) Publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (II) posting on such newspaper's website, if available, and (III) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers. Such notice shall be placed in the newspaper and on the websites by the newspaper; or

(B)(I) Posting to the newspaper's website, if available, and (II) posting to a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be finalized for printing prior to the time and date of the meeting. Such notice shall be placed in the newspaper and on the websites by the newspaper.

(ii) In the case of the governing body of a city of the second class or village, any advisory committee of such governing body, or the governing body of a rural or suburban fire protection district, such notice shall be given by:

(A)(I) Publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (II) posting on such newspaper's website, if available, and (III) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers. Such notice shall be placed in the newspaper and on the websites by the newspaper;

(B)(I) Posting to the newspaper's website, if available, and (II) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be finalized for printing prior to the time and date of the meeting. Such notice shall be placed in the newspaper and on the websites by the newspaper; or

(C) Posting written notice in three conspicuous public places in such city, village, or district.

Such notice shall be posted by the public body in the same three places for each meeting.

(iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(iv) In case of refusal, neglect, or inability of the newspaper to publish the notice, the public body shall (A) post such notice on its website, if available, (B) request the newspaper submit a post on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers, and (C) post such notice in a conspicuous public place in such public body's jurisdiction. The public body shall keep a written record of such posting pursuant to subdivision (1)(b)(iv)(A) and (C) of this section and a written record of the request to the newspaper pursuant to subdivision (1)(b)(iv)(B) of this section. The record of such posting shall be evidence that such posting was done as required and shall be sufficient to fulfill the requirement of publication.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2)(a) The following entities may hold a meeting by means of virtual conferencing if the requirements of subdivision (2)(b) of this section are met:

(i) A state agency, state board, state commission, state council, or state committee, or an advisory committee of any such state entity;

(ii) An organization, including the governing body, created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act;

(iii) The governing body of a public power district having a chartered territory of more than one county in this state;

(iv) The governing body of a public power and irrigation district having a chartered territory of more than one county in this state;

(v) An educational service unit;

(vi) The Educational Service Unit Coordinating Council;

(vii) An organization, including the governing body, of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act;

- (viii) A community college board of governors;
- (ix) The Nebraska Brand Committee;
- (x) A local public health department;
- (xi) A metropolitan utilities district;
- (xii) A regional metropolitan transit authority; and
- (xiii) A natural resources district.

(b) The requirements for holding a meeting by means of virtual conferencing are as follows:

(i) Reasonable advance publicized notice is given as provided in subsection (1) of this section, including providing access to a dial-in number or link to the virtual conference;

(ii) In addition to the public's right to participate by virtual conferencing, reasonable arrangements are made to accommodate the public's right to attend at a physical site and participate as provided in section 84-1412, including reasonable seating, in at least one designated site in a building open to the public and identified in the notice, with: At least one member of the entity holding such meeting, or his or her designee, present at each site; a recording of the hearing by audio or visual recording devices; and a reasonable opportunity for input, such as public comment or questions, is provided to at least the same extent as would be provided if virtual conferencing was not used;

(iii) At least one copy of all documents being considered at the meeting is available at any physical site open to the public where individuals may attend the virtual conference. The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act; and

(iv) Except as otherwise provided in this subdivision, subsection (1) of section 70-1014, subsection (2) of section 70-1014.02, or subsection (4) of section 79-2204, no more than one-half of the meetings of the state entities, advisory committees, boards, councils, organizations, or governing bodies are held by virtual conferencing in a calendar year. In the case of (A) an organization created under the Interlocal Cooperation Act that sells electricity or natural gas, (B) an organization created under the Municipal Cooperative Financing Act, (C) a governing body of a risk management pool and any advisory committee of such governing body, or (D) any advisory committee of any state entity created in response to the Opioid Prevention and Treatment Act, such organization, governing body, or committee may hold more than one-half of its meetings by virtual conferencing if such organization holds at least one meeting each calendar year that is not by virtual conferencing.

(3) Virtual conferencing, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in

such meeting shall pertain only to the emergency. Such emergency meetings may be held by virtual conferencing. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness to appear before the public body by means of virtual conferencing.

(7)(a) Notwithstanding subsections (2) and (5) of this section, if an emergency is declared by the Governor pursuant to the Emergency Management Act as defined in section 81-829.39, a public body the territorial jurisdiction of which is included in the emergency declaration, in whole or in part, may hold a meeting by virtual conferencing during such emergency if the public body gives reasonable advance publicized notice as described in subsection (1) of this section. The notice shall include information regarding access for the public and news media. In addition to any formal action taken pertaining to the emergency, the public body may hold such meeting for the purpose of briefing, discussion of public business, formation of tentative policy, or the taking of any action by the public body.

(b) The public body shall provide access by providing a dial-in number or a link to the virtual conference. The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act. Reasonable arrangements shall be made to accommodate the public's right to hear and speak at the meeting and record the meeting. Subsection (4) of this section shall be complied with in conducting such meetings.

(c) The nature of the emergency shall be stated in the minutes. Complete minutes of such meeting specifying the nature of the emergency and any formal action taken at the meeting shall be made available for inspection as provided in subsection (5) of section 84-1413.

(8) In addition to any other statutory authorization for virtual conferencing, any public body not listed in subdivision (2)(a) of this section may hold a meeting by virtual conferencing if:

(a) The purpose of the virtual meeting is to discuss items that are scheduled to be discussed or acted upon at a subsequent non-virtual open meeting of the public body;

(b) No action is taken by the public body at the virtual meeting; and

(c) The public body complies with subdivisions (2)(b)(i) and (ii) of this section.

(9) This section does not apply to a meeting of the Nebraska Power Review Board or a public power district, a public power and irrigation district, an electric membership association, an electric cooperative company, a municipality having a generation and distribution system, or a registered group of municipalities if such meeting is subject to section 70-1034.

- Under subsection (1) of this section, the Legislature has imposed only two conditions on the public body's notification method of a public meeting: (1) It must give reasonable advance publicized notice of the time and place of each meeting and (2) it must be recorded in the public body's minutes. *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007).

- When notice is required, a notice of a special meeting of a city council posted in three public places at 10:00 p.m. on the day preceding the meeting is not reasonable advance publicized notice of a meeting as is required by this section. *Pokorny v. City of Schuyler*, 202 Neb. 334, 275 N.W.2d 281 (1979).
- Teacher waived right to object to lack of public notice in board of education employment hearing by voluntary participation in the hearing without objection. *Alexander v. School Dist. No. 17*, 197 Neb. 251, 248 N.W.2d 335 (1976).
- A county board of commissioners and a county board of equalization are not required to give separate notices when the notice states only the time and place that the boards meet and directs a citizen to where the agendas for each board can be found. *Wolf v. - An agenda notice which merely stated "work order reports" was an inadequate notice under this section because it did not give interested persons knowledge that plans for a 345 kv transmission line through the district was going to be discussed and voted upon at the meeting. Inadequate agenda notice under this section meant there was a substantial

violation of the public meeting laws; however, later actions by the board of directors cured the defects in notice, and such actions were in substantial compliance with the statute. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing. Except for closed sessions called pursuant to section 84-1410, a public body shall allow members of the public an opportunity to speak at each meeting.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and

(f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the instate location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

- To preserve an objection that a public body failed to make documents available at a public meeting as required by subsection (8) of this section, a person who attends a public meeting must not only object to the violation, but must make that objection to the public body or to a member of the public body. *Stoetzel & Sons v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003).

84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available

on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

Annotations

- Under prior law, if a person present at a meeting observes and fails to object to an alleged public meetings laws violation in the form of a failure to conduct rollcall votes before taking actions on questions or motions pending, that person waives his or her right to object at a later date. *Hauser v. Nebraska Police Stds. Adv. Council*, 264 Neb. 944, 653 N.W.2d 240 (2002).
- Subsection (2) of this section does not require the record to state that the vote was by roll call, but requires only that the record show if and how each member voted. Neither does the statute set a time limit for recording the results of a vote, after which no corrections of the record can be made. If no intervening rights of third persons have arisen, a board of county commissioners has power to correct the record of the proceedings had at a previous meeting so as to make them speak the truth, particularly where the correction supplies some omitted fact or action and is done not to contradict or change the original record but to have the record show that a certain action was taken or thing done, which the original record fails to show. *State ex rel. Schuler v. Dunbar*, 214 Neb. 85, 333 N.W.2d 652 (1983).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).
- There is no requirement that a public body make a record of where notice was published or posted. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Memorandum

Date: 7/22/2026

To: Tara Vasicek, City Administrator

From: Rachel Pensick, Communications Director

RE: Motorola Lifecycle and Maintenance Console Support

Recommendation: To approve payment of the year nine invoice for the Motorola console lifecycle and maintenance support contract in the amount of \$37,956.96.

Discussion: The City entered into a 10-year agreement with Motorola for console lifecycle and maintenance support services to ensure the continued reliability, functionality, and operational readiness of the 911 center's console system. The agreement provides ongoing maintenance, technical support, software updates, and lifecycle management services necessary to support critical communications operations.

The City is currently entering Year Nine of the 10-year billing cycle. Approval of the year nine invoice will allow the City to continue receiving uninterrupted support and maintenance services under the existing contract terms.

Fiscal Impact: The cost of the year nine invoice is \$37,956.96 and is included in the budget.

4.E. Resolution No. R26-94 continuing Columbus/Platte County Enhanced 911 service surcharge of \$1 per month on each local exchange access line physically terminating in the 911 service area.

DRAFT

RESOLUTION NO. R26-94

A RESOLUTION OF THE MAYOR AND COUNCIL OF THE CITY OF COLUMBUS, NEBRASKA, CONTINUING THE ENHANCED 911 SERVICE SURCHARGE FOR THE COLUMBUS/PLATTE COUNTY ENHANCED 911 SYSTEM OF \$1.00 PER MONTH ON EACH LOCAL EXCHANGE ACCESS LINE PHYSICALLY TERMINATING IN THE CITY OF COLUMBUS, NEBRASKA, 911 SERVICE AREA.

WHEREAS, the City of Columbus, Nebraska, has determined that it would be in the best interest of public safety to promote the health, safety, and general welfare of citizens by providing emergency 911 telephone communications system for the territory consisting of the telephone exchange boundaries terminating at the Columbus/Platte County, Nebraska, public safety answering point, having telephone prefixes of 562, 563, 564, 897, 993, 923, 487, 428, 447, 246, 678, 285, 495 and any additional prefixes that may be introduced in the Columbus/Platte County service area.

WHEREAS, it would be in the best interests of those residents residing within the telephone exchange boundary as set forth above to have said emergency 911 telephone communications system available to them.

NOW, THEREFORE, BE IT RESOLVED by the mayor and council of the City of Columbus, Nebraska, pursuant to the Nebraska Emergency Telephone Communications Systems Act, Neb. Rev. Stat. §86-1081, as the same may from time to time be amended, that the supplier of telephone services within the City of Columbus, Columbus' designated E-911 Service Area having a telephone prefix of 562, 563, 564, 897, 993, 923, 487, 428, 447, 246, 678, 285, 495 or any additional prefixes that may be introduced in the Columbus/Platte County service area as an Enhanced (E-911) Emergency telephone service supplier, be notified by the city administrator to impose an E-911 Service surcharge on each local exchange access line, including any local exchange access line activated subsequent hereto, which physically terminates within the City of Columbus' designated E-911 service area having a telephone prefix of 562, 563, 564, 897, 993, 923, 487, 428, 447, 246, 678, 285, 495 and any additional prefixes that may be introduced in the Columbus/Platte County service area in the amount of \$1.00 per month and continuing at the rate of \$1.00 per month until any changes otherwise requested by the city administrator and E-911 Technical Committee is approved by the mayor and council of the City of Columbus, Nebraska.

This resolution shall repeal all resolutions or portions thereof in conflict herewith.

MEMORANDUM

DATE: July 8, 2026
TO: Tara Vasicek, City Administrator
FROM: Chris Norquest, Finance Director
RE: E-911 Telephone Surcharge Resolution

RECOMMENDATION:

I recommend that the City Council adopt the Resolution continuing the E-911 service surcharge of \$1.00 per line for the Columbus and Platte County E-911 system.

DISCUSSION:

Pursuant to Neb. Rev. Stat. § 86-1081, the local governing body is required to establish the E-911 service surcharge rate each calendar year. The surcharge rate may not exceed the maximum amount authorized under Neb. Rev. Stat. § 86-1078.

Under § 86-1078, the maximum service surcharge authorized for the applicable geographic area is \$1.00 per month for each telephone number or functional equivalent. The proposed Resolution continues the existing surcharge rate of \$1.00, with no change from the prior year.

FISCAL IMPACT:

Revenue generated from the E-911 service surcharge supports the provision, operation, and maintenance of E-911 services for the City of Columbus and Platte County pursuant to the applicable interlocal agreement.

MEMORANDUM

DATE: July 29, 2026
TO: Tara Vasicek, City Administrator
FROM: Richard J. Bogus, City Engineer
RE: Pavement Management Program and Priority List 2027

RECOMMENDATION:

I recommend approval of the 2027 Pavement Management Program and Priority List for use by the Engineering Department for design and scheduling of roadway rehabilitation services.

DISCUSSION:

The Engineering Department and Public Works Department have worked together for several years on the locations and priorities of street concrete or asphalt rehabilitation. The City has almost 500 lane miles of streets.

The departments conduct pavement condition surveys which includes a visual analysis and testing if needed, to determine paving defects, extent of roughness or rutting, and if storm water is entering the subgrade. Damage to public and private property and safety are taken into account. The locations are then field data collected with global position satellite coordinates. The projects are then determined if the work can be done by the Street Department or should be included in the Engineering design, bid, and contractor build project. Annual projects are then determined based on priority and amount of funding available in the fiscal year budget.

The attached list contains those locations in the current fiscal year for inclusion in the Paving Improvement Plans and Specifications for construction in 2027 along with a remaining list of future projects. The roadway conditions are constantly being evaluated, thus the need to revise the priorities and add to the list.

FISCAL IMPACT:

City Council sets the annual street rehabilitation budget amount each fiscal year.

ALTERNATIVE:

Revise the priority order and/or include additional locations.

MEMORANDUM

DATE: July 29, 2026
TO: Tara Vasicek, City Administrator
FROM: Richard J. Bogus, City Engineer
RE: Nebraska Board of Public Roads Classifications and Standards 2026-2027 Fiscal Year One and Six Year Road Plan

RECOMMENDATION:

I recommend approval of the 2026-2027 fiscal year One and Six Year Road Plan and related forms.

DISCUSSION:

The 2027 One and Six Year Road plan includes projects corresponding with the 2026-2027 City Budget and CIPs. The forms are as follows:

- Form 7: Project Detail Sheet
- Form 8: One Year Plan
- Form 9: Six Year Plan (includes the One Year Plan)
- Form 11: Report of Previous Year
- Map: One and Six Year Road Plan

Maintenance defined projects are not included by rule in the One and Six Year Road Plans. Private developments are included as they will become City roadways.

FISCAL IMPACT:

The City has included its portion of the costs in the 2026-2027 fiscal year budget.

ALTERNATIVE:

Annual 1&6 Year Road Plan certification is required to obtain Highway-user revenue

Memorandum

Date: July 9, 2026

To: Tara Vasicek, City Administrator

From: Shuraya Choat, City Clerk and Rick Bogus, City Engineer

RE: Request to dissolve the Americans with Disabilities Act (ADA) Compliance Committee for the City of Columbus.

Recommendation: Dissolve the ADA Compliance Committee.

Discussion: The Curb Cut Committee (known today as the ADA Compliance Committee) was created by the Public Property, Safety & Works Committee and approved by the Council on February 21, 1994, following the federal adoption of the Americans with Disabilities Act of 1990. The purpose of the committee was to assist with planning, communication, and development of a Transition Plan to ensure the City of Columbus met the ADA requirements.

Over the past 30 years, the committee has successfully fulfilled its original purpose. The ADA Transition Plan was developed and continues to be implemented, and the required grievance procedures, forms, and public notices have been established and communicated appropriately. The committee has played a significant role in helping the City of Columbus achieve compliance with the Americans with Disabilities Act. However, with these foundational responsibilities now in place, staff has consistently had few ADA-related matters requiring committee review, resulting in infrequent meetings and brief agendas when meetings have been held.

After researching ADA requirements, I found that an ADA Compliance Committee is not a requirement for local governments. For local governments with 50 or more employees, the current federal ADA requirements are:

- adopt and distribute a public notice about the relevant provisions of the ADA to all persons who may be interested in its programs, activities, and services;
- designate at least one employee responsible for coordinating compliance with the ADA and investigating ADA complaints; and
- develop and publish grievance procedures to provide fair and prompt resolution of complaints under Title II of the ADA at the local level.

The City Engineer has been designated ADA Coordinator for the City of Columbus and all required forms are available on the City's website. The City of Columbus annually submits the Title VI Annual Update and Accomplishment Report to the Nebraska Department of Transportation in order to be eligible for U.S. Department of Transportation, Federal Highway Administration funding. Citizen ADA comments, questions, or concerns are addressed through the City's established procedures and when appropriate, matters requiring further review or action may be referred to the applicable City committee, such as the Traffic Control Device Committee, Public Property, Safety and Works Committee, or Public Finance, Judiciary and Personnel Committee.

I also contacted several other first-class cities, including Kearney, Fremont, Beatrice, and Norfolk, to review their ADA compliance practices. None of the cities contacted maintain an ADA Compliance Committee. The ADA Coordinator who, with assistance from various departments, monitors and maintains ADA compliance, oversees implementation of ADA requirements, and handles grievances through established internal procedures.

The City of Columbus already follows this same operational model. The primary distinction is that Columbus also provides quarterly reports to the ADA Compliance Committee. Given that ADA compliance responsibilities are already managed internally by the ADA Coordinator and city staff, the committee's role has become largely informational rather than operational.

After a thorough review of the ADA Compliance Committee and with consideration of the time commitment required of both committee members and staff, the City Clerk's Office and the City Engineer, in his capacity as the City's ADA Coordinator, respectfully recommend dissolving the ADA Compliance Committee.

10.A.4. Amend city code chapters 70 and 71 to include definitions, regulations, and penalties regarding e-bikes, hoverboards, and lightweight e-scooters.

Accountability - Dedication
Honesty - Integrity - Respect

MEMORANDUM

DATE: June 29, 2026
TO: Tara Vasicek, City Administrator
FROM: Captain Jaymee Levander
CC: Police Chief Bret Strecker
RE: Amend city code - Lightweight E-Scooters, E-Bikes, Hoverboards

RECOMMENDATION:

Amend city code Chapter 70 to include definitions of Lightweight E-Scooters, E-Bikes, and Hoverboards and to amend Chapter 71 to include regulations regarding motorized devices.

DISCUSSION:

This is a request to amend ordinance of the City of Columbus, Nebraska, 70.001 to include definitions of E-bike, E-scooter, Hoverboard usage on public property. Currently outdated definitions or regulations in city code regarding these devices no longer suit the needs of identification, compliance, or enforcement. By adding in the definitions (70.001) and outlining the new rules (71.015) & penalties (71.999), appropriate compliance and enforcement can occur.

A redlined copy of these proposed changes is attached.

FISCAL IMPACT: None.

ALTERNATIVE: Do not approve, leaving officers unable to enforce outdated ordinance.

RIGHT-OF-WAY. The right of one vehicle or pedestrian to proceed in a lawful manner in preference to another vehicle or pedestrian approaching under such circumstances of direction, speed and proximity as to give rise to danger of collision unless one grants precedence to the other.

ROAD. An open way or public passage, whether paved or unpaved, which is used for the purpose of vehicle travel, including a street.

SCHOOL BUS. Any motor vehicle which is owned by a public or governmental agency and operated for the purpose of transporting pupils to or from school, or any motor vehicle which is privately-owned and operated for compensation for the purpose of transporting pupils to or from school.

SCHOOL CROSSING ZONE. The area of a roadway designated to the public by the Department of Roads, county or city, as a school crossing zone through the use of a sign or traffic-control device as specified by the Department, county or city, in conformity with the state driver's manual, but does not include any area of a freeway. A **SCHOOL**

CROSSING ZONE starts at the location of the first sign or traffic-control device identifying the school crossing zone and continues until a sign or traffic-control device indicates that the school crossing zone has ended.

SEMI-TRAILER. A vehicle without automotive power which has a set or sets of wheels at the rear only, which is so constructed that some part of its weight rests upon or is supported by a truck tractor or another towing vehicle and which is designed to be used primarily for the transportation of property.

SIDEWALK. Any walk or raised path, whether paved or unpaved, intended for use by pedestrians.

STAND or STANDING. The halting of a vehicle, whether occupied or not.

STOP or STOPPING.

(1) Complete cessation from movement; and

(2) When prohibited, any halting, even momentarily, of a vehicle or bicycle, whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or traffic-control sign, signal or other device.

STREET. Any curbed and guttered or otherwise improved road set apart for public travel which may or may not be abutted by sidewalks.

TRAFFIC. Pedestrians, vehicles and other conveyances either singly or together while using any road, street or highway for the purpose of travel.

TRAFFIC-CONTROL DEVICE. Any sign, signal or marking which is placed or erected by authority of the City Council or the Chief of Police or their designees for the purpose of regulating, warning or guiding traffic or standing, stopping or parking.

TRAFFIC-CONTROL SIGNAL. Any signal, whether manually, electronically or mechanically operated, by which traffic is alternately directed to stop and to proceed.

TRAILER. Any vehicle with or without automotive power which is designed for carrying persons or property and for being drawn by a motor vehicle.

TRICYCLE. A device propelled by human power which has handlebars, pedals for propulsion and three wheels, designed primarily for use by children.

TRUCK. Any motor vehicle which is equipped or used to transport anything other than persons. This definition shall not include pickup trucks which have a box not greater than 96 inches in length.

TRUCK TRACTOR. Any motor vehicle which has a cab and no body and is designed and used primarily for pulling large vehicles such as semi-trailers.

UTILITY TYPE VEHICLE. Any motorized off-highway vehicle which:

- (1) Is not less than 48 inches nor more than 74 inches in width;
- (2) Is not more than 180 inches, including the bumper, in length;
- (3) Has a dry weight of not less than 900 pounds nor more than 2,000 pounds;
- (4) Travels on four or more low-pressure tires;
- (5) Is equipped with a steering wheel and a bench or bucket type seating designed for at least two persons to sit side-by-side; and
- (6) A utility type vehicle does not include a golf cart or low-speed vehicles.

VEHICLE. Any device by which any person or property may be transported upon a public road, street or highway, except those devices operated upon rails and permanent tracks.

CHAPTER 71

§ 71.015 Lightweight E-Scooters, E-Bikes, and Hoverboard

(A) No person shall ride a lightweight e-scooter, e-bike, or hoverboard upon a roadway on which the posted speed limit is greater than 25 miles per hour. Any person riding a lightweight e-scooter, e-bike, or one-wheeled scooter may cross such roadways at a marked intersection.

(B) Any person riding an e-bike, hoverboard, or lightweight e-scooter shall not ride upon a sidewalk within the Downtown Business District (said Downtown Business District's boundaries are defined in the Columbus Land Development Ordinance - Chapter 1, Article 2-7, and may be amended from time to time.) Any such person is permitted to carry or walk alongside such e-bike, hoverboard, or lightweight e-scooter on the sidewalks located in the Downtown Business District.

(C) It shall be lawful for any person to operate an e-scooter, e-bike, or hoverboard on hike and bike trails, unless such activity is expressly prohibited by posted signage. Any person riding on such hike and bike trail must travel at a speed deemed safe and reasonable.

(D) Every person riding a lightweight e-scooter, e-bike, or a hoverboard upon a roadway shall be granted all of the rights and shall be subject to all the duties applicable to the driver of a vehicle by the laws of this state declaring rules of the road applicable to vehicles or by this code or other traffic ordinances of this city applicable to the driver of a vehicle, except as to special regulations in this section and as to those provisions of laws and ordinances which by their nature can have no application.

(E) Any person operating a lightweight e-scooter, e-bike, or a hoverboard shall obey the instruction of official traffic control signals, signs, and other control devices applicable to vehicles, unless otherwise directed by a police officer.

(F) Any person operating an e-scooter, e-bike, or hoverboard upon a street shall clearly signal his or her intention for turning left and right by utilizing hand signals.

(G) Any lightweight e-scooter, e-bike, or hoverboard being ridden at nighttime shall be equipped with a light on the front which shall emit a white light visible from a distance of at least five hundred (500) feet to the front on a clear night and with a red reflector on the rear which shall be visible on a clear night from all distances between one hundred (100) feet and six hundred (600) feet to the rear when directly in front of lawful lower beams of headlights on a motor vehicle. A light emitting a red light visible from a distance of five hundred (500) feet to the rear may be used in addition to such red reflector.

(H) When riding a lightweight e-scooter, e-bike, or hoverboard on a sidewalk, hike and bike trail, or other pedestrian walkway, the user shall yield the right of way to all pedestrians and give an audible signal before overtaking and passing such pedestrian. When three or more lightweight e-scooters, e-bikes, and/or hoverboards ride in a group, such group must proceed in single file so as to not impede others.

(I) The operator of a lightweight e-scooter, e-bike, or hoverboard emerging from an alley, driveway, or building, shall upon approaching a sidewalk or the sidewalk area extending across any alleyway, yield the right of way to all pedestrians approaching on the sidewalk or sidewalk area, and upon entering the roadway shall yield the right of way to all vehicles approaching on the roadway.

(J) Any person operating an electric personal assistive mobility device is exempt from the provisions of this section. This exemption applies to devices designed primarily for individuals with mobility impairments and operated in accordance with applicable state and federal accessibility laws and regulations.

§ 71.999 PENALTY.

(A) Any person violating any provision of this chapter for which no specific penalty is prescribed shall be subject to § [10.99](#) of this code of ordinances.

(B) Any person who refuses to submit to the test or tests required pursuant to § 71.008 of this code shall not have the tests taken but shall be found guilty of a traffic infraction and upon conviction shall have that person's operator's license impounded by the court for 90 days for refusal to submit to the tests required pursuant to this section.

(C) Any person violating §71.015 of this code, shall be subject to the following:

(1) First offense: a person convicted of violation of any provision of this section shall be punished by a fine not less than \$0.00 nor more than \$50.00.

(2) Second offense: a person convicted of a violation of any provision of this section shall be punished by a fine not less than \$50.00 nor more than \$100.00

(3) Third and successive offenses: a person convicted of a violation of any provision of this section shall be punished by a fine of \$150.00.

(4) A police officer apprehending a person for violating this section may impound the e-bike, hoverboard, or lightweight e-scooter for a period no longer than 10 days. A court may order it to be sold by the City of Columbus or destroyed. The e-bike, hoverboard, or lightweight e-scooter will only be released to an adult.

Memorandum

Date: July 23, 2026
To: City Administrator
From: Jeri Kay Hopkins, Library Director
RE: Purchase of Computers for the Library Public Computer Lab

Recommendation: The Columbus Public Library Board has recommended the purchase of computers, software, and maintenance for the public library lab.

Discussion: This is a CIP project for the library. It is my understanding that the computers were last upgraded more than 5 years ago. We are decreasing by two the number of computers in the lab. More and more people are bringing their own laptops to use at the library so that we do not need the total that we currently have.

Fiscal Impact: \$34,641.74

Pricing and Availability Notice

Due to ongoing supply chain challenges, some hardware manufacturers cannot guarantee product availability or pricing until the product is shipped. While we make every effort to honor quoted pricing, if a hardware manufacturer increases its price to CDW after a quote is issued or order is accepted, we may need to update your quoted price to reflect that change irrespective of any timeframes or validity periods set forth in the quote, including up to the date of shipment. In the event of a price adjustment, we will notify you prior to shipment. Any price adjustment would only occur if the hardware manufacturer increases its pricing to CDW.

- Owner to rinse down the area and remove any garbage before work begins.
- DML has not included any engineering for the project or drawings.
- DML reserves the right to adjust the steel prices to current price at time of purchase as pricing has been changing about every 2 weeks for materials.

GENERAL REQUIREMENTS

1. The Owner is to provide the following:
 - a) A survey describing physical characteristics, legal limitations, utility locations and legal description of the site including project benchmarks to establish structure location prior to start of work.
 - b) Work to correct subsurface conditions encountered. This includes, but is not limited to, unacceptable soils, obstructions, or other buried items.
 - c) Any relocation costs of site utilities. Existing utilities under the proposed containment area have not been located.
 - d) Pay and obtain all necessary construction/building permits. Owner is to obtain Fire Marshall review/approval and any State permits.
 - e) Pays Contractor ten percent (10%) down payment for mobilization and to lock in material prices prior to beginning construction.
 - f) Pay for testing of materials and the work (i.e. soils testing, compaction tests)
 - g) Access to site including sufficient time to perform the work in a safe and expedient manner.
 - h) On site storage area within 100 ft of work area.
 - i) Supply all temporary electrical power needs.
 - j) P&ID's, electrical design, piping GA's & isometric drawings.
2. The pricing is based upon:
 - a) *This being a conceptual design and therefore it is understood that the design has not been defined nor reviewed by outside parties concerning any changes that may occur as a result of any process design, electrical design, structural design, local, state or federal laws concerning the construction and habitation of structures or facilities of this type. Any resulting changes in design by these same parties will be re-estimated by DML, and the resulting costs and markup will be added to the above base quotation for reconsideration by the Owner.*
 - b) This project is anticipated to start in the fall 20xx construction season without any winter (cold weather) conditions included in the proposed costs.
 - c) Current material prices and therefore because of extremely volatile material prices and availability, the Contractor reserves the right to adjust the pricing until such time that a contract is signed and any required down payment is received.
 - d) Assumes all included scope of work can be constructed at the same time to reduce mobilization/travel costs.
 - e) Based off Saturday & Sunday work schedule.
 - f) No NDT has been included.
 - g) A performance and payment bond is not included.
 - h) DML not accepting penalties, liquidated damages, consequential damages, indirect damages, or economic loss of any kind.

WHEREAS, the City of Columbus desires to amend city code to include definitions, regulations and penalties for e-bikes, electric personal assistive mobility devices, hoverboards, and lightweight e-scooters.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF COLUMBUS, NEBRASKA:

Section 1. That Section 70.001 of Chapter 70 of Title VII of the Columbus City Code shall be amended and revised to read as follows:

§ 70.001 DEFINITIONS.

For the purpose of this title, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

ALLEY. An open way or public passage intended to provide access to the rear side of lots or buildings and not intended for the purpose of through vehicular traffic.

AUTHORIZED EMERGENCY VEHICLE. The Fire Department vehicles, Police Department vehicles and ambulances as are publicly-owned and such other publicly- or privately-owned vehicles as are designed or authorized by the Chief of Police or City Council.

BICYCLE. Any device propelled by human power which has handlebars, pedals for propulsion and two tandem wheels.

BUS. Any motor vehicle which is designed for carrying more than ten passengers and used for the transportation of persons.

BUSINESS DISTRICT. Property properly zoned for business use as listed in the city zoning code and shown on the current zoning map adopted by the city.

COMMERCIAL VEHICLE. Any vehicle which is designed, maintained or used primarily for the transportation of property.

COMMUNITY SERVICE TECHNICIAN. A non-sworn employee of the Police Department who shall have general charge, direction and authority to ensure that the ordinances of the city are properly enforced and obeyed regardless of the department under which the ordinances may be published. **COMMUNITY SERVICE TECHNICIANS** shall have the authority to issue traffic infraction tickets.

CROSSWALK.

(1) Any portion of a road which is protected for pedestrian crossing by lines or other distinct markings on the surface, by signs or other devices, designated by competent authority, whether at an intersection or elsewhere.

(2) In the absence of lines or other identifying markings, signs or devices, the part of a road at an intersection included within the connections of the lateral lines of opposite sidewalks, measured from the curbs or, in the absence of curbs, from the edges of the road.

DAYTIME. The period of time between sunrise and sunset.

DRIVER. Any person who operates or is in actual physical control of a vehicle.

E-BIKE. Any device propelled by electronic or gas motor, having two to three wheels and fully operative pedals for human propulsion, and capable of exceeding 15 miles per hour.

ELECTRONIC PERSONAL ASSISTIVE MOBILITY DEVICE. Any motorized wheelchair or other self-balancing, two-non-tandem-wheeled device designed to transport only one person, powered solely by such a propulsion system, and not capable of exceeding 20 miles per hour on a level surface.

TRICYCLE. A device propelled by human power which has handlebars, pedals for propulsion and three wheels, designed primarily for use by children.

TRUCK. Any motor vehicle which is equipped or used to transport anything other than persons. This definition shall not include pickup trucks which have a box not greater than 96 inches in length.

TRUCK TRACTOR. Any motor vehicle which has a cab and no body and is designed and used primarily for pulling large vehicles such as semi-trailers.

UTILITY TYPE VEHICLE. Any motorized off-highway vehicle which:

- (1) Is not less than 48 inches nor more than 74 inches in width;
- (2) Is not more than 180 inches, including the bumper, in length;
- (3) Travels on four or more low-pressure tires;
- (4) Is equipped with a steering wheel and a bench or bucket type seating designed for at least two persons to sit side-by-side; and
- (5) A utility type vehicle does not include a golf cart or low-speed vehicles.

VEHICLE. Any device by which any person or property may be transported upon a public road, street or highway, except those devices operated upon rails and permanent tracks.

Section 2. That Section 71.015 of Chapter 71 of Title VII of the Columbus City Code shall be added into City Code to read as follows:

§ 71.015 E-Bikes, Hoverboard, and Lightweight E-Scooters

(A) No person shall ride an e-bike, hoverboard, or lightweight e-scooter upon a roadway on which the posted speed limit is greater than 25 miles per hour. Any person riding an e-bike, hoverboard, or lightweight e-scooter may cross such roadways at a marked intersection.

(B) Any person riding an e-bike, hoverboard, or lightweight e-scooter shall not ride upon a sidewalk within the Downtown Business District (said Downtown Business District's boundaries are defined in the Columbus Land Development Ordinance - Chapter 1, Article 2-7, and may be amended from time to time.) Any such person is permitted to carry or walk alongside such e-bike, hoverboard, or lightweight e-scooter on the sidewalks located in the Downtown Business District.

(C) It shall be lawful for any person to operate an e-bike, hoverboard, or lightweight e-scooter on hiking and bike trails, unless such activity is expressly prohibited by posted signage. Any person riding on such hiking and bike trails must travel at a speed deemed safe and reasonable.

(D) Every person riding an e-bike, hoverboard, or lightweight e-scooter upon a roadway shall be granted all of the rights and shall be subject to all the duties applicable to the driver of a vehicle by the laws of this state declaring rules of the road applicable to vehicles or by this code or other traffic ordinances of this city applicable to the driver of a vehicle, except as to special regulations in this section and as to those provisions of laws and ordinances which by their nature can have no application.

(E) Any person operating an e-bike, hoverboard, or lightweight e-scooter shall obey the instruction of official traffic control signals, signs, and other control devices applicable to vehicles, unless otherwise directed by a police officer.

(F) Any person operating an e-bike, hoverboard, or lightweight e-scooter upon a street shall clearly signal his or her intention for turning left and right by utilizing hand signals.

(G) Any e-bike, hoverboard, or lightweight e-scooter being ridden at night shall be equipped with a light on the front which shall emit a white light visible from a distance of at least five hundred (500) feet to the front on a clear night and with a red reflector on the rear which shall be visible on a clear night from all distances between one hundred (100) feet and six hundred (600) feet to the rear when directly in front of lawful lower beams of headlights on a motor vehicle. A light emitting a red light visible from a distance of five hundred (500) feet to the rear may be used in addition to such red reflector.

(H) When riding an e-bike, hoverboard, or lightweight e-scooter on a sidewalk, hiking and bike trail, or other pedestrian walkway, the user shall yield the right of way to all pedestrians and give an audible signal before overtaking and passing such pedestrian. When three or more e-bikes, hoverboards, and/or lightweight e-scooters ride in a group, such group must proceed in single file so as to not impede others.

(I) The operator of an e-bike, hoverboard, or lightweight e-scooter emerging from an alley, driveway, or building, shall, upon approaching a sidewalk or the sidewalk area extending across any alleyway, yield the right of way to all pedestrians approaching on the sidewalk or sidewalk area, and upon entering the roadway, shall yield the right of way to all vehicles approaching on the roadway.

(J) Any person operating an electric personal assistive mobility device is exempt from the provisions of this section. This exemption applies to devices designed primarily for individuals with mobility impairments and operated in accordance with applicable state and federal accessibility laws and regulations.

Section 3. That Section 71.999 of Chapter 71 of Title VII of the Columbus City Code shall be amended and revised to read as follows:

§ 71.999 PENALTY.

(A) Any person violating any provision of this chapter for which no specific

penalty is prescribed shall be subject to § [10.99](#) of this code of ordinances.

(B) Any person who refuses to submit to the test or tests required pursuant to § 71.008 of this code shall not have the tests taken but shall be found guilty of a traffic infraction and upon conviction shall have that person's operator's license impounded by the court for 90 days for refusal to submit to the tests required pursuant to this section.

(C) Any person violating §71.015 of this code, shall be subject to the following:

1. First offense: a person convicted of violation of any provision of this section shall be punished by a fine not less than \$0.00 nor more than \$50.00.
2. Second offense: a person convicted of a violation of any provision of this section shall be punished by a fine not less than \$50.00 nor more than \$100.00.
3. Third and successive offenses: a person convicted of a violation of any provision of this section shall be punished by a fine of \$150.00.
4. A police officer apprehending a person for violating this section may impound the e-bike, hoverboard, or lightweight e-scooter for a period no longer than 10 days. A court may order it to be sold by the City of Columbus or destroyed. The e-bike, hoverboard, or lightweight e-scooter will only be released to an adult.

Section 4. This Ordinance shall be in full force and effect from and after its passage, approval, and publication according to law. Publication shall be in pamphlet form as authorized by Nebraska Revised Statutes § 16-405 with distribution to be made by making copies available to the public upon request at the City office.

RE: Amend city code - Lightweight E-Scooters, E-Bikes, Hoverboards

RECOMMENDATION:

Amend city code Chapter 70 to include definitions of Lightweight E-Scooters, E-Bikes, and Hoverboards and to amend Chapter 71 to include regulations regarding motorized devices.

DISCUSSION:

This is a request to amend ordinance of the City of Columbus, Nebraska, 70.001 to include definitions of E-bike, E-scooter, Hoverboard usage on public property. Currently outdated definitions or regulations in city code regarding these devices no longer suit the needs of identification, compliance, or enforcement. By adding in the definitions (70.001) and outlining the new rules (71.015) & penalties (71.999), appropriate compliance and enforcement can occur.

A redlined copy of these proposed changes is attached.

FISCAL IMPACT: None.

ALTERNATIVE: Do not approve, leaving officers unable to enforce outdated ordinance.

CHAPTER 71

§ 71.015 Lightweight E-Scooters, E-Bikes, and Hoverboard

(A) No person shall ride a lightweight e-scooter, e-bike, or hoverboard upon a roadway on which the posted speed limit is greater than 25 miles per hour. Any person riding a lightweight e-scooter, e-bike, or one-wheeled scooter may cross such roadways at a marked intersection.

(B) Any person riding an e-bike, hoverboard, or lightweight e-scooter shall not ride upon a sidewalk within the Downtown Business District (said Downtown Business District's boundaries are defined in the Columbus Land Development Ordinance - Chapter 1, Article 2-7, and may be amended from time to time.) Any such person is permitted to carry or walk alongside such e-bike, hoverboard, or lightweight e-scooter on the sidewalks located in the Downtown Business District.

(C) It shall be lawful for any person to operate an e-scooter, e-bike, or hoverboard on hike and bike trails, unless such activity is expressly prohibited by posted signage. Any person riding on such hike and bike trail must travel at a speed deemed safe and reasonable.

(D) Every person riding a lightweight e-scooter, e-bike, or a hoverboard upon a roadway shall be granted all of the rights and shall be subject to all the duties applicable to the driver of a vehicle by the laws of this state declaring rules of the road applicable to vehicles or by this code or other traffic ordinances of this city applicable to the driver of a vehicle, except as to special regulations in this section and as to those provisions of laws and ordinances which by their nature can have no application.

(E) Any person operating a lightweight e-scooter, e-bike, or a hoverboard shall obey the instruction of official traffic control signals, signs, and other control devices applicable to vehicles, unless otherwise directed by a police officer.

(F) Any person operating an e-scooter, e-bike, or hoverboard upon a street shall clearly signal his or her intention for turning left and right by utilizing hand signals.

(G) Any lightweight e-scooter, e-bike, or hoverboard being ridden at nighttime shall be equipped with a light on the front which shall emit a white light visible from a distance of at least five hundred (500) feet to the front on a clear night and with a red reflector on the rear which shall be visible on a clear night from all distances between one hundred (100) feet and six hundred (600) feet to the rear when directly in front of lawful lower beams of headlights on a motor vehicle. A light emitting a red light visible from a distance of five hundred (500) feet to the rear may be used in addition to such red reflector.

(H) When riding a lightweight e-scooter, e-bike, or hoverboard on a sidewalk, hike and bike trail, or other pedestrian walkway, the user shall yield the right of way to all pedestrians and give an audible signal before overtaking and passing such pedestrian. When three or more lightweight e-scooters, e-bikes, and/or hoverboards ride in a group, such group must proceed in single file so as to not impede others.

(I) The operator of a lightweight e-scooter, e-bike, or hoverboard emerging from an alley, driveway, or building, shall upon approaching a sidewalk or the sidewalk area extending across any alleyway, yield the right of way to all pedestrians approaching on the sidewalk or sidewalk area, and upon entering the roadway shall yield the right of way to all vehicles approaching on the roadway.

(J) Any person operating an electric personal assistive mobility device is exempt from the provisions of this section. This exemption applies to devices designed primarily for individuals with mobility impairments and operated in accordance with applicable state and federal accessibility laws and regulations.

§ 71.999 PENALTY.

(A) Any person violating any provision of this chapter for which no specific penalty is prescribed shall be subject to § [10.99](#) of this code of ordinances.

(B) Any person who refuses to submit to the test or tests required pursuant to § 71.008 of this code shall not have the tests taken but shall be found guilty of a traffic infraction and upon conviction shall have that person's operator's license impounded by the court for 90 days for refusal to submit to the tests required pursuant to this section.

(C) Any person violating §71.015 of this code, shall be subject to the following:

(1) First offense: a person convicted of violation of any provision of this section shall be punished by a fine not less than \$0.00 nor more than \$50.00.

(2) Second offense: a person convicted of a violation of any provision of this section shall be punished by a fine not less than \$50.00 nor more than \$100.00

(3) Third and successive offenses: a person convicted of a violation of any provision of this section shall be punished by a fine of \$150.00.

(4) A police officer apprehending a person for violating this section may impound the e-bike, hoverboard, or lightweight e-scooter for a period no longer than 10 days. A court may order it to be sold by the City of Columbus or destroyed. The e-bike, hoverboard, or lightweight e-scooter will only be released to an adult.
