NEBRASKA OPEN MEETINGS ACT

§ 84-1407. ACT, HOW CITED

Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

§ 84-1408. DECLARATION OF INTENT; MEETINGS OPEN TO PUBLIC

It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

§ 84-1409. TERMS, DEFINED

For purposes of the Open Meetings Act, unless the context otherwise requires: (1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and (b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission; (2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and (3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

§ 84-1410. CLOSED SESSION; WHEN; PURPOSE; REASONS LISTED; PROCEDURE; RIGHT TO CHALLENGE; PROHIBITED ACTS; CHANCE MEETINGS, CONVENTIONS, OR WORKSHOPS.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body. (2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section. (3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act. (5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

WHAT IS YOUR ROLE?

Engaging in advocacy happens all year. When the Legislature inserts itself into the boardroom or the classroom, lawmakers need to hear from YOU! Advocating for LOCAL CONTROL is critical. Here's what you can do.

STAY INFORMED

Track the legislation that impacts your district; Get updates from NASB's Advocacy Team; Have the data that tells your story (Spending, Student Demographics, School Needs); Attend the Legislative Issues Conference, Area Meetings & State Education Conference

KNOW THE PROCESS

The 60-Day Session began Wednesday, January 7, and ends April 17. Bill introduction was the first 10 days of the Session. Committee Hearings took place the first 30 days. Priority Bills were identified mid-February

ENGAGE

Facilitate regular meetings with your representative; Engage in the process; Go on Record! (Come testify, write a letter, send an email); Come to Lincoln for a day at the Capitol; Consider becoming one of NASB's "expert go-to members" in an area where you can engage!

NASB CAN ASSIST YOU ... JUST ASK!

NASB represents all member Districts & ESUs in Nebraska, and lobbies on YOUR behalf. We are guided by an agenda developed annually by the NASB Legislation Committee initiated with submissions from YOU, then approved by YOU at the Delegate Assembly each November. We are here to help you position yourself as the expert in the education of students you share with your Senator(s). Make sure you are the first call when a bill effecting your shared community is considered. Thanks for sharing your district's story and engaging!

Priority Designations

LB 304

(DeBoer) Eliminate a sunset date for the federal Child Care Subsidy program

Sen. DeBoer Priority

LB 468

(Clements) Change provisions relating to inheritance taxes, change certain fee and tax provisions, and eliminate a sales tax exemption relating to data centers

Sen. Clements Priority ... Currently on Select File

AM being considered which would reduce motor vehicle tax payments to schools, giving it to counties as an offset to the inheritance tax. (LB 714).

LB 596

(Sanders) Change requirements for legal publications and notices required by law

Government, Military & Veterans Affairs Priority ... Currently on Select File

Adds digital publication of notices if publication does not have a print publication. Now includes AM introduced on behalf of NASB and other political subdivisions to change provisions relating to notice requirements for a meeting of a public body under the Open Meetings Act. (LB 1145)

LB 730

(Kauth) Require schools and state agencies to designate restrooms and locker rooms based on sex and require state agencies to define an individual's sex as either male or female for purposes of rules and regulations, the enforcement of administrative actions, and adjudication of disputes

Sen. Kauth Priority ... Currently on General File

LB 803

(Revenue) Change provisions relating to the listing of taxable tangible personal property

Priority Designations

<https://nasb.envisiams.com/legislative-bills>

- LB 867** (HHS) Change and eliminate provisions relating to programs and services administered by the Department of Health and Human Services
Health and Human Services Priority ... Currently on General File
Amended to include LB 1013, it shifts students in custody (ages 11–19) from full Rule 10 public school standards to lesser Rule 18 interim requirements, mandates unfunded virtual learning from school districts, and risks transferring some youth to maximum-security adult penal settings. This heightens abuse/trauma risks, undermines rehabilitation, and burdens districts amid proposed special ed cuts. The changes threaten educational quality for vulnerable youth and jeopardize jobs/stability for over 70 teachers, many facing reduction-in-force or forced relocation (e.g., Kearney to Omaha).
- LB 937** (Education) Change provisions relating to option enrollment, reading, dyslexia, reporting, teacher apprenticeships, teacher recruitment and retention, and the College Pathway Program
Education Committee Priority ... Likely to be a vehicle for other measures
Annual NDE "clean up" bill. Significant pushback regarding a provision to reduce reporting requirements of districts regarding students with reading difficulty.

LB 937 ... LB 1146 - LB 1164 - LB 1224 - LB 1241 - LB 1243

- LB 966** **(Cavanaugh, M.) Adopt the Hunger-Free Schools Act**
Sen. Hunt Priority ... Currently on General File

- LB 1034** (Dungan) Prohibit school staff from allowing federal immigration enforcement officers to access schools without a judicial warrant
Sen. Juarez Priority ... Currently locked in Committee, looking for a home!
- LB 1050** **(Murman at the request of the Governor) Amend the Nebraska Reading Improvement Act to limit advancement to grade four**
Education Committee Priority

- LB 1100** (Sorrentino) Modernize language in a civil procedure statute
Sen. Sorrentino Priority

Making sure AM 2485 (LB 1097) is not attached which would change language in the political subdivision tort claims statute impacting districts sovereign immunity.
- LB 1219** **(Brandt) Limit the amount of property taxes that may be levied by a political subdivision**
Sen. Hansen Priority ... Currently on General File

Limits levy to prior year allowable growth. Allowable growth percentage means a percentage equal to the sum of two percent plus the political subdivision's real growth percentage. Will likely be attached to LB 803, the Revenue Committee's Priority Bill. (See Page 1)

Bills In the Education Package (LB 937)

LB 937 ... LB 1146 - LB 1164 - LB 1224 - LB 1241 - LB 1243

- LB 1146** (Conrad) Change provisions relating to reports by a school district relating to absences of a child from school
Now with provisions related to chronic illness and mental health issues with a doctors note
- LB 1164** (Lonowski) Adopt the Prior Learning Act
Brought by SAT. It would assure AP courses count for college credit.

Bills In the Education Package (LB 937)

<https://nasb.envisiams.com/legislative-bills>

LB 1224

(Hunt) Prohibit children from transferring to an exempt school during certain child abuse or neglect investigations and prohibit persons convicted of certain crimes from monitoring or providing instruction at such schools. **Currently on General File ... Amended to include ALL schools**

LB 1241

(Murman) Provide requirements relating to applications for employment at a school *Prohibits hiring of employees if suspected of child abuse. May cause more effort on the part of the hiring entity. Does not require the employer to collect the information. Includes a 7-year look back.*

LB 1243

(Murman) Change school board policies and procedures relating to part-time enrollment

Eliminates requirement that non-enrolled, resident students participate in a minimum number of 5 credit hours or less to participate in extracurricular activities (not regulated by NSAA).

Bills Looking for a Home

LB 440

(Spivey) Adopt the Education Leave and Support Act

AM pending which will mandate paid FMLA for first 30 service days, not to be taken out of leave provided. Allows for a budget exception for sub costs. Districts would still have to levy in order to cover the cost.

LB 507

(Hunt) Change provisions relating to school transportation expenses for children with disabilities

Possible amendment coming

LB 575

(Hallstrom) Change provisions relating to the Property Tax Request Act and property tax levy limits

Changes to the pink postcard meetings to a summer briefing requiring all political subdivisions to attend and present. Could be a part of the Revenue Package (See LB 803 on Page 1). Requires two-third vote of school board to levy more than the amount levied the year before.

LB 841

(Rountree) Change provisions relating to special education services, parental consent, and hearings *Gives parents additional "veto" power over their child's IEP provisions. Some concern about this bill and the impact on federal funding. There will be a fiscal note which will kill the bill. Brought on behalf of the Department of Defense.*

LB 960

(McKinney) Provide a requirement to include nonvoting student members on school boards

May be amended on the floor. This should remain a local decision rather than a state mandate. Districts face unique constraints and have developed diverse methods for student engagement, such as involving Student Council, FFA, or National Honor Society members in monthly meetings.

LB 1097

(Conrad) Adopt the State and Political Subdivisions Sexual Abuse Liability Act

Changes language in the political subdivision tort claims statute impacting districts sovereign immunity. Making sure this bill as AM 2485 is not attached to LB 1100. (See Page 2)

Other Items

Agency 23 - A \$7 million dollar appropriation of Department of Labor to be used for scholarship grants to non-public students

*While there was talk of putting this in a separate bill to be debated on its own, they decided to keep it in the budget, but reduced the amount to **\$3.5 million** with language regarding income needed to qualify. We have to work to get this pulled out of the budget.*

Other Items

<https://members.nasbonline.org/events>

- LB 384** (Storer) Require the county assessor and one voting member of the governing bodies of participating political subdivisions to attend joint public hearings under the Property Tax Request Act
Approved by the Governor ... Requires a majority of school board members to attend the "pink post card" meetings if the district is subject to participation. Amended to include just one elected official.
- LB 653** (Murman) Change provisions relating to reimbursement for special education programs, support services, and the enrollment option program, provide reimbursement for certain students under the enrollment option program, and change the authorized uses of the Education Future Fund
Approved by the Governor ... AM adopted to remove mandated option enrollment acceptance. Now mandates acceptance of siblings of option accepted students. Once adopted, NASB removed it's opposition. Amended an exception for violent behavior to the K-2 suspension prohibition.
- LB 824** **Lonowski Change provisions relating to termination of employment under the School Employees Retirement Act and the Class V School Employees Retirement Act**
 Changes separation period from 180 to 120 days for purposes of separation allowing retired educators to sub earlier. **Currently on Final Reading**
- LB 940** (Murman) Prohibit certain color additives in school meals
Currently on Final Reading

Re: Core Services
Program Support: 2026-2027 School Year

The service units in Nebraska are required by law to provide [Core Services \(Rule 84\)](#) to member schools. In order to do that, the state provides some funding, which is based on the student enrollment numbers for each district. This information is shared with superintendents each year.

I have not received a draft from NDE regarding Core Services funds for 2026-2027. The amount for 2025-2026 is \$151,081.88. This is a reduction of approximately \$57,600 from the previous year.

Each service unit in the state is given the responsibility to define Core Services within the following prerequisites:

- A. Core Services shall be within the following service areas in order of priority:
 - a. Staff Development;
 - b. Technology; and
 - c. Instructional Material Services;
- B. Core Services shall improve teaching and student learning by focusing on enhancing school improvement efforts, meeting statewide requirements, and achieving statewide goals in the state's system of elementary and secondary education;
- C. Core Services shall provide schools with access to services that:
 - a. The educational service unit and its member school districts have identified as necessary services;
 - b. Are difficult, if not impossible, for most individual school districts to effectively and efficiently provide with their own personnel and financial resources;
 - c. Can be efficiently provided by each educational service unit to its member school districts;
 - d. Can be adequately funded to ensure that the service is provided equitably to the state's public school districts;
- D. Core Services shall be designed so that the effectiveness and efficiency of the service can be evaluated on a statewide basis; and

E. Core Services shall be provided by the educational service unit in a manner that minimizes the costs of administration or service delivery to member school districts.

Statutes also state that in order for Core Services to be provided to member schools, two-thirds of the member districts representing a majority of the students must approve these services. The statute also has the same requirement for additional services provided by the ESU and funded by the general fund tax levy. In the past a district's participation in Core Service Programs has been identified by a resolution approved by the board of education for each district. Support services have been identified and supported by the unit's Advisory Committee. In addition to utilizing property tax receipts for support services, portions of those costs are paid for by the districts utilizing the services. This plan has been, and is discussed continually, and is supported by the ESU 4 Advisory Committee.

At this point, the amount of Core Services funding is not known. To meet the intent of the law in a professional manner given the financial constraints continues to be a challenge. The financial and professional support shown by our districts is wonderful and has been very beneficial. Such support allows the services to continue.

Please sign this letter as your district's representative and I would ask that this letter is shared with your Board of Education at your next meeting.

Thank you for the continued support for ESU 4's Core Services programs and for the endorsement of the identified support services we have provided, and will continue to provide.

Sincerely,

Gregg Robke

NEWSLETTER

What is CTE?

What is CTE? Career and Technical Education (CTE) programs give students the chance to explore real-world skills that prepare them for both college and future careers. CTE connects classroom learning with hands-on experiences in areas such as Family and Consumer Sciences, Agriculture, Business, Skilled & Technical Sciences, and more. These courses help students build valuable life skills like communication, teamwork, problem-solving, and leadership, all while exploring possible career paths.

Learning that works
for Nebraska

The CTE Newsletter

To help highlight the amazing things happening in our CTE classrooms, we will be sharing a monthly CTE newsletter with our school community. Each month, we'll showcase projects, events, and learning experiences that our students are involved in. This is a great way to celebrate student success while keeping families and community members connected to the learning happening every day. We are excited to share the incredible opportunities CTE provides for our students!

AGRICULTURE

March has been a busy month and full of exciting things! 8th Grade Ag just finished the second unit in Discover Nebraska. Students learned about ethanol production and different resources we use in the industry. They have been a huge help in taking care of our class rabbit and the chicks! 7th graders learned the FFA Creed and different officer positions within the FFA chapter and just finished their leadership unit. Ag Business students dove into determining how different costs affect business decisions and how to budget for expenses while starting a business. Livestock Management has been focusing on animal products and processing. We did fun labs to determine the fat content in milk and how food labeling on dairy products/dairy alternatives can be misleading. Intro to AFNR has been learning the difference in livestock breeds and how certain characteristics of breeds can affect management decisions. Students also have been practicing dissecting pigs and perch for the FFA AgriScience contest for state!

FAMILY & CONSUMER SCIENCES

March has been a busy and engaging month across our FCS classes!

FCS 7 students recently wrapped up their child development unit with the ever-popular “egg babies.” This hands-on project helped students better understand the responsibilities and care involved in looking after a young child.

In FCS 8, students have begun their clothing unit by exploring upcycling. They are learning how to creatively repurpose old clothing into something new, while also building basic sewing and design skills.

Our Culinary classes have been hard at work in the kitchen and beyond. They hosted a staff “Sweet 16” Dessert Bracket, where different treats competed for the top spot. The winning dessert was scotcheroos, which students proudly prepared and served to staff on March 27. In addition, students have been completing a variety of labs, including hamburgers with aioli, garlic ginger pork, and biscuits and gravy—building both their cooking skills and confidence in the kitchen.

We also had the opportunity to take former design students to the TMFD Expo at UNL, where they explored careers and opportunities in textiles and fashion. The day was filled with hands-on experiences, and students had a blast learning more about the industry.

It’s been a fun and productive month in FCS!

SKILLED & TECHNICAL SCIENCES

7th grade students have successfully passed all of their safety quizzes and large tool demonstrations, showing a strong understanding of proper shop procedures and expectations. They have now begun working on their first hands-on project: balloon-powered cars. During this project, students are learning how to measure, cut, and assemble materials accurately while also exploring basic engineering concepts such as motion, force, and design efficiency. They are excited to test and improve their cars as they go.

8th graders have also completed all required safety quizzes and large tool demonstrations and are now applying those skills in the shop. They are currently rebuilding their birdhouses, this time using a wider range of power tools and air nailers. This project focuses on improving precision, craftsmanship, and overall design quality compared to their earlier work. Students are gaining confidence in using equipment safely while also paying close attention to detail and durability in their builds.

JAXSON'S TARGET

BALTHIER

The woodworking class is putting the final touches on their nightstands, carefully sanding, assembling, and preparing surfaces for finishing. Students are focusing on fine details such as smooth edges, proper alignment, and overall appearance. As they wrap up this project, they are also beginning to brainstorm and plan their own personal projects, where they will have more creative freedom to design and build something of their choice using the skills they have developed.

The welding class has just finished their personal projects and has demonstrated a great deal of creativity and skill. Projects ranged from a small safe to handmade hammers and shooting targets, showing a wide variety of interests and applications. Students have been refining their welding techniques, focusing on strong, clean welds and proper safety practices. Moving forward, they are reflecting on their work and beginning to think about new ideas and ways to challenge themselves in future builds.

Updated: April 9, 2026
For Board Approval: Monday, April 13, 2026

THIS AGREEMENT is made and entered into on the **13th** day of April, 2026, by and between the Village of Palmyra, a political subdivision of the State of Nebraska, hereinafter referred to as “Village,” and the District OR-1 Public School District, a political subdivision of the State of Nebraska, hereinafter referred to as “District.”

WITNESSETH:

WHEREAS, the Interlocal Cooperation Act, *Neb. Rev. Stat.* §13-801, et seq., hereinafter the “Act,” provides that public agencies of the State of Nebraska may enter into agreement for the joint and cooperative exercise of powers, privileges or authority capable of being exercised by either agency; and

WHEREAS, the Act provides that any one or more public agencies may contract with any one or more public agencies to perform any governmental service, activity or other undertaking which each public agency entering into the contract is authorized by law to perform; and

WHEREAS, the Village and District are public agencies as defined in the Act; and

WHEREAS, pursuant to the Act, the parties desire to make the most efficient use of their powers by enabling them to cooperate with each other on a basis of mutual advantage, and thereby to provide facilities owned by each party in a manner and pursuant to the forms of governmental organization that will accord best with the community, the patrons of each entity, and other factors influencing the needs and the development of local communities.

NOW, THEREFORE, it is agreed by and between the parties pursuant to the Act as follows:

1. **TERM.** The term of this Agreement shall continue yearly through at least **December 31st, 2031** ~~terminate on December 31, 2026~~, unless extended by the parties in writing before that date.
2. **TERMINATION.** District or Village may terminate this Agreement by delivering to the other party written notice, which must be delivered to the non-terminating party, not less than 60 days prior to termination.
3. **DESCRIPTION OF FACILITIES.**
 - A. **VILLAGE FACILITIES.** Village is the owner or lessee of facilities generally described as Taggart Park, which Village desires to permit the use of by District, its patrons, students, spectators, and employees, as described in this Agreement.

- B. DISTRICT FACILITIES. District is the owner of facilities generally described as the Olson Sports Complex, which District desires to permit the use of by Village, its patrons, youth athletes, spectators, volunteer coaches, and employees, as described in this Agreement.

4. USE OF FACILITIES.

- A. The party desiring to use the other party's facility shall submit a completed Notice of Use form signed by a representative of the party having authority to act on behalf of the requesting party, said Notice of Use form to be developed by the parties, which, at a minimum, shall specify the nature of the intended use, the dates and times of the use and the facilities to be used.
- B. It is the understanding of the parties that the facilities owned or leased by each party are primarily intended for that party's use. Therefore, use of the party's facilities must be approved or rejected as each Notice of Use is received by the District or Village. After a Notice of Use is approved, if circumstances change such that the owner or lessee requires use of the facility for its own activities or purposes, the Village or District, as the case may be, shall notify the other party as soon as possible that the facility is not available for use. Approval or denial by the District shall be made by the District's Superintendent or the Superintendent's designee, and approval or denial by the Village shall be made by the Chairman of the Village of Palmyra Board of Trustees ("Chairman") or the Chairman's designee.
- C. It is the understanding of the parties that the principal benefit of this Agreement is for the joint use of facilities by the School's students, teachers, and coaches and the Village's sponsored youth athletic activities, but understand that tournaments and games not involving Palmyra area students, patrons or citizens may at times require the use of facilities owned or leased by the parties.
- D. The parties agree that the only uses of the facilities by the other party under this Agreement shall be for educational instruction, athletic practices, and competitions, in which it is anticipated that at competitions, spectators will be present.
- E. Any gate fees or admission charges collected by the Village or District at the other party's facilities shall be at the discretion of the party using the facility pursuant to this Agreement. Any gate fees or admission charges collected shall be retained by the collecting party and shall be its sole and separate property.
- F. Use of facilities may be denied based on a conflict with the date or time of the intended use.
- G. If a Notice of Use conflicts with a request to use a facility by some group other than the parties to this Agreement, the parties to this Agreement shall be given

priority. Should conflicts arise because a first requested use is made by a group other than the parties to this Agreement, the owner or lessee of the facility shall have the final decision.

5. GUIDELINES FOR USE OF FACILITIES.

- A. The user of the facility agrees to comply with all local, state, and federal laws, including health and fire codes applicable to the facility; comply with reasonable administrative rules related to use of the facilities; and comply with the requests of the employees or agents of the District or Village as they relate to the use of the facility.
- B. Neither party shall act as or be considered a sponsor, nor endorse the activities conducted by the other party. To ensure that those in attendance understand the preceding statement, the parties agree not to make any statements suggesting or representing such sponsorship by the other party and further agree, if so requested by the owner or lessee of the facility, to publish statements of non-sponsorship in such form and manner as the owner or lessee of the facility may request.
- C. The parties agree to provide appropriate adult supervision of the activity or event in all respects while using the other party's facility, including supervision reasonably necessary to ensure that no person participating in or attending the activity or event:
 - (1) Is presented with conditions that pose an unreasonable risk of personal injury or damage to personal property;
 - (2) Enters any area of the facilities that the Village or District has not granted permission to use or access any records of the Village or District;
 - (3) Engages in the use of tobacco, alcohol, or illegal drugs, or is under the influence of alcohol or illegal drugs;
 - (4) Possesses a firearm or weapon;
 - (5) Engages in disorderly, lewd, or lascivious conduct; or
 - (6) Engages in any criminal behavior.
- D. The party using the facility shall cause to be removed any person from the activity or event who engages in any of the above-listed conduct. The user of the facility agrees to report to the other party by the close of the next business day the identity of any person who engaged in any of the above-listed conduct and the details of the conduct. For purposes of the District, if the offending person is a student, the Village shall report the student's conduct immediately to the Superintendent or the Superintendent's designee.

- E. In the event the owner or lessee of the facility determines that the nature of the activity or event warrants the presence of security services, the owner or lessee of the facility shall notify the other party, and the other party shall provide such security services at its own expense.
- F. The party using the facility agrees to ensure that all persons attending the activity or event are off the facility grounds at the end of the event, except students or staff of the District who are authorized to remain on the District's facilities for a school-related purpose or employees or agents of the Village who are authorized to remain for a Village-related purpose.
- G. The approval to use a facility by one of the parties hereto shall not be assigned or transferred to another group.
- H. The party using the facility agrees to:
 - (1) Conduct a reasonable inspection of the facility prior to the activity or event to ensure that the facility is safe for the intended use. In the event of any unsafe condition, each party shall notify, in the case of the Village, the Chairman or the Chairman's designee, and in the case of the District, the Superintendent or the Superintendent's designee. In the event the unsafe condition is not corrected prior to the activity or event, the party scheduled to use the facility shall postpone or cancel the activity or event;
 - (2) Not use or allow any equipment owned by the Village or District, as the case may be, to be used without the express approval of the other party;
 - (3) Not bring or allow others to bring food or beverages onto the facility, without the express approval of the other party;
 - (4) Not bring or allow others to bring or use any flammable items, including candles or incense, or any other volatile chemical or any explosive, including propane heaters;
 - (5) Not use any electrical equipment that has been brought to the facility without express approval by the other party;
 - (6) Not park or allow others to park in fire lanes or reserved spaces, particularly handicap spaces, or in any manner inconsistent with the owner of the facility's parking rules;
 - (7) Not cause or allow others to cause damage to facilities or equipment;

- (a) In the event damages are sustained, the using party accepts responsibility for reimbursing the other party for the cost of repair or replacement;
 - (b) The using party shall immediately report to the other party any damage to the facilities or equipment that occurs during the use of facilities that may present a risk of injury. Any other damage shall be reported by the close of the next business day.
- (8) Return the facilities in as good a condition as it was prior to use. This includes, without limitation, cleaning, removal of trash and returning other property to its proper location. The cleanup shall be promptly completed;
- (9) Remove any property brought in by the using party and by any person attending the activity or event. The owner or lessee of the facility is not responsible for any personal property that is left on the premises.
- (10) The parties will work together to develop an event checklist to address specific protocols for event operations.

6. INSURANCE AND INDEMNIFICATION.

- A. Each party shall obtain, at its own expense, a comprehensive general liability insurance policy naming the other party as an additional insured. This policy shall be written with a minimum coverage of \$1,000,000.00 combined single limit per occurrence. Each party shall provide to the other party a certificate of insurance evidencing coverage, as set forth herein.
- B. The Village and District agree that each, as an indemnifying party, shall hold the other, as an indemnified party, harmless from all loss sustained by the indemnified party, on account of any suit, judgment, execution, claim or demand whatsoever, resulting from negligence on the part of the indemnifying party in providing the use of its facilities. In the event that any claim or action is brought against an indemnified party for which an indemnifying party might be liable under this paragraph, an indemnified party shall give notice within a reasonable amount of time to an indemnifying party of such claim or action and a description of the source and nature thereof. An indemnified party's failure to give notice within a reasonable amount of time shall relieve an indemnifying party of any liability thereunder with respect to the claim or action of which such notice was not given within a reasonable amount of time. Upon timely notice of any claim or action within the scope of this paragraph, an indemnifying party shall have the right, but not the obligation, to negotiate a settlement or compromise, with any such settlement or compromise being subject to an indemnifying party's approval, which shall not be unreasonably withheld, of any such claim or action, or to defend actions instituted at an indemnifying party's sole cost and expense.

7. MISCELLANEOUS.

- A. No separate legal entity is created pursuant to this Agreement.
- B. This Agreement sets forth the entire understanding of the parties, and it may be modified only by a written Memorandum executed by both parties.
- C. All terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns.

Dear Families,

In our recent strategic planning survey, one of the themes that came through clearly from families was a desire to expand our before- and after-school care options. We agree that it is important that our school community offers experiences and opportunities that support both children’s education and their overall health and wellness.

In response to that feedback, we are excited to partner with Champions to provide before- and after-school programming for our students beginning next school year. While this will be a big change, we are excited about the expanded offerings, which will now include access for our 4-year-old preschool students, extended hours for families, and options for full-day care on district no-school days. Champions’ accredited programs bring more than 30 years of experience delivering high-quality out-of-school-time services that balance education and fun in a safe, enriching environment. The program will be conveniently located right here at our school.

Children’s learning should continue when the school bell rings, and the Champions program helps make that possible. Guided by passionate staff, students will have opportunities to explore their interests in art, literacy, STEM, and more, while also building confidence and a sense of community through hands-on activities. Time will be set aside for homework support and completion, and students will have access to healthy snacks and daily fitness opportunities.

“Draft” INTERLOCAL AGREEMENT FOR JOINT USE OF FACILITIES
District OR-Public Schools and the Village of Palmyra
Updated: April 9, 2026
For Board Approval: Monday, April 13, 2026

THIS AGREEMENT is made and entered into on the **13th** day of April, 2026, by and between the Village of Palmyra, a political subdivision of the State of Nebraska, hereinafter referred to as “Village,” and the District OR-1 Public School District, a political subdivision of the State of Nebraska, hereinafter referred to as “District.”

WITNESSETH:

WHEREAS, the Interlocal Cooperation Act, *Neb. Rev. Stat.* §13-801, et seq., hereinafter the “Act,” provides that public agencies of the State of Nebraska may enter into agreement for the joint and cooperative exercise of powers, privileges or authority capable of being exercised by either agency; and

WHEREAS, the Act provides that any one or more public agencies may contract with any one or more public agencies to perform any governmental service, activity or other undertaking which each public agency entering into the contract is authorized by law to perform; and

WHEREAS, the Village and District are public agencies as defined in the Act; and

WHEREAS, pursuant to the Act, the parties desire to make the most efficient use of their powers by enabling them to cooperate with each other on a basis of mutual advantage, and thereby to provide facilities owned by each party in a manner and pursuant to the forms of governmental organization that will accord best with the community, the patrons of each entity, and other factors influencing the needs and the development of local communities.

NOW, THEREFORE, it is agreed by and between the parties pursuant to the Act as follows:

1. **TERM.** The term of this Agreement shall continue yearly through at least **December 31st, 2031** ~~terminate on December 31, 2026~~, unless extended by the parties in writing before that date.
2. **TERMINATION.** District or Village may terminate this Agreement by delivering to the other party written notice, which must be delivered to the non-terminating party, not less than 60 days prior to termination.
3. **DESCRIPTION OF FACILITIES.**
 - A. **VILLAGE FACILITIES.** Village is the owner or lessee of facilities generally described as Taggart Park, which Village desires to permit the use of by District, its patrons, students, spectators, and employees, as described in this Agreement.

- B. DISTRICT FACILITIES. District is the owner of facilities generally described as the Olson Sports Complex, which District desires to permit the use of by Village, its patrons, youth athletes, spectators, volunteer coaches, and employees, as described in this Agreement.

4. USE OF FACILITIES.

- A. The party desiring to use the other party's facility shall submit a completed Notice of Use form signed by a representative of the party having authority to act on behalf of the requesting party, said Notice of Use form to be developed by the parties, which, at a minimum, shall specify the nature of the intended use, the dates and times of the use and the facilities to be used.
- B. It is the understanding of the parties that the facilities owned or leased by each party are primarily intended for that party's use. Therefore, use of the party's facilities must be approved or rejected as each Notice of Use is received by the District or Village. After a Notice of Use is approved, if circumstances change such that the owner or lessee requires use of the facility for its own activities or purposes, the Village or District, as the case may be, shall notify the other party as soon as possible that the facility is not available for use. Approval or denial by the District shall be made by the District's Superintendent or the Superintendent's designee, and approval or denial by the Village shall be made by the Chairman of the Village of Palmyra Board of Trustees ("Chairman") or the Chairman's designee.
- C. It is the understanding of the parties that the principal benefit of this Agreement is for the joint use of facilities by the School's students, teachers, and coaches and the Village's sponsored youth athletic activities, but understand that tournaments and games not involving Palmyra area students, patrons or citizens may at times require the use of facilities owned or leased by the parties.
- D. The parties agree that the only uses of the facilities by the other party under this Agreement shall be for educational instruction, athletic practices, and competitions, in which it is anticipated that at competitions, spectators will be present.
- E. Any gate fees or admission charges collected by the Village or District at the other party's facilities shall be at the discretion of the party using the facility pursuant to this Agreement. Any gate fees or admission charges collected shall be retained by the collecting party and shall be its sole and separate property.
- F. Use of facilities may be denied based on a conflict with the date or time of the intended use.
- G. If a Notice of Use conflicts with a request to use a facility by some group other than the parties to this Agreement, the parties to this Agreement shall be given

priority. Should conflicts arise because a first requested use is made by a group other than the parties to this Agreement, the owner or lessee of the facility shall have the final decision.

5. GUIDELINES FOR USE OF FACILITIES.

- A. The user of the facility agrees to comply with all local, state, and federal laws, including health and fire codes applicable to the facility; comply with reasonable administrative rules related to use of the facilities; and comply with the requests of the employees or agents of the District or Village as they relate to the use of the facility.
- B. Neither party shall act as or be considered a sponsor, nor endorse the activities conducted by the other party. To ensure that those in attendance understand the preceding statement, the parties agree not to make any statements suggesting or representing such sponsorship by the other party and further agree, if so requested by the owner or lessee of the facility, to publish statements of non-sponsorship in such form and manner as the owner or lessee of the facility may request.
- C. The parties agree to provide appropriate adult supervision of the activity or event in all respects while using the other party's facility, including supervision reasonably necessary to ensure that no person participating in or attending the activity or event:
 - (1) Is presented with conditions that pose an unreasonable risk of personal injury or damage to personal property;
 - (2) Enters any area of the facilities that the Village or District has not granted permission to use or access any records of the Village or District;
 - (3) Engages in the use of tobacco, alcohol, or illegal drugs, or is under the influence of alcohol or illegal drugs;
 - (4) Possesses a firearm or weapon;
 - (5) Engages in disorderly, lewd, or lascivious conduct; or
 - (6) Engages in any criminal behavior.
- D. The party using the facility shall cause to be removed any person from the activity or event who engages in any of the above-listed conduct. The user of the facility agrees to report to the other party by the close of the next business day the identity of any person who engaged in any of the above-listed conduct and the details of the conduct. For purposes of the District, if the offending person is a student, the Village shall report the student's conduct immediately to the Superintendent or the Superintendent's designee.

- E. In the event the owner or lessee of the facility determines that the nature of the activity or event warrants the presence of security services, the owner or lessee of the facility shall notify the other party, and the other party shall provide such security services at its own expense.
- F. The party using the facility agrees to ensure that all persons attending the activity or event are off the facility grounds at the end of the event, except students or staff of the District who are authorized to remain on the District's facilities for a school-related purpose or employees or agents of the Village who are authorized to remain for a Village-related purpose.
- G. The approval to use a facility by one of the parties hereto shall not be assigned or transferred to another group.
- H. The party using the facility agrees to:
 - (1) Conduct a reasonable inspection of the facility prior to the activity or event to ensure that the facility is safe for the intended use. In the event of any unsafe condition, each party shall notify, in the case of the Village, the Chairman or the Chairman's designee, and in the case of the District, the Superintendent or the Superintendent's designee. In the event the unsafe condition is not corrected prior to the activity or event, the party scheduled to use the facility shall postpone or cancel the activity or event;
 - (2) Not use or allow any equipment owned by the Village or District, as the case may be, to be used without the express approval of the other party;
 - (3) Not bring or allow others to bring food or beverages onto the facility, without the express approval of the other party;
 - (4) Not bring or allow others to bring or use any flammable items, including candles or incense, or any other volatile chemical or any explosive, including propane heaters;
 - (5) Not use any electrical equipment that has been brought to the facility without express approval by the other party;
 - (6) Not park or allow others to park in fire lanes or reserved spaces, particularly handicap spaces, or in any manner inconsistent with the owner of the facility's parking rules;
 - (7) Not cause or allow others to cause damage to facilities or equipment;

- (a) In the event damages are sustained, the using party accepts responsibility for reimbursing the other party for the cost of repair or replacement;
 - (b) The using party shall immediately report to the other party any damage to the facilities or equipment that occurs during the use of facilities that may present a risk of injury. Any other damage shall be reported by the close of the next business day.
- (8) Return the facilities in as good a condition as it was prior to use. This includes, without limitation, cleaning, removal of trash and returning other property to its proper location. The cleanup shall be promptly completed;
- (9) Remove any property brought in by the using party and by any person attending the activity or event. The owner or lessee of the facility is not responsible for any personal property that is left on the premises.
- (10) The parties will work together to develop an event checklist to address specific protocols for event operations.

6. INSURANCE AND INDEMNIFICATION.

- A. Each party shall obtain, at its own expense, a comprehensive general liability insurance policy naming the other party as an additional insured. This policy shall be written with a minimum coverage of \$1,000,000.00 combined single limit per occurrence. Each party shall provide to the other party a certificate of insurance evidencing coverage, as set forth herein.
- B. The Village and District agree that each, as an indemnifying party, shall hold the other, as an indemnified party, harmless from all loss sustained by the indemnified party, on account of any suit, judgment, execution, claim or demand whatsoever, resulting from negligence on the part of the indemnifying party in providing the use of its facilities. In the event that any claim or action is brought against an indemnified party for which an indemnifying party might be liable under this paragraph, an indemnified party shall give notice within a reasonable amount of time to an indemnifying party of such claim or action and a description of the source and nature thereof. An indemnified party's failure to give notice within a reasonable amount of time shall relieve an indemnifying party of any liability thereunder with respect to the claim or action of which such notice was not given within a reasonable amount of time. Upon timely notice of any claim or action within the scope of this paragraph, an indemnifying party shall have the right, but not the obligation, to negotiate a settlement or compromise, with any such settlement or compromise being subject to an indemnifying party's approval, which shall not be unreasonably withheld, of any such claim or action, or to defend actions instituted at an indemnifying party's sole cost and expense.

7. MISCELLANEOUS.

- A. No separate legal entity is created pursuant to this Agreement.
- B. This Agreement sets forth the entire understanding of the parties, and it may be modified only by a written Memorandum executed by both parties.
- C. All terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns.

Re: Core Services
Program Support: 2026-2027 School Year

The service units in Nebraska are required by law to provide [Core Services \(Rule 84\)](#) to member schools. In order to do that, the state provides some funding, which is based on the student enrollment numbers for each district. This information is shared with superintendents each year.

I have not received a draft from NDE regarding Core Services funds for 2026-2027. The amount for 2025-2026 is \$151,081.88. This is a reduction of approximately \$57,600 from the previous year.

Each service unit in the state is given the responsibility to define Core Services within the following prerequisites:

- A. Core Services shall be within the following service areas in order of priority:
 - a. Staff Development;
 - b. Technology; and
 - c. Instructional Material Services;
- B. Core Services shall improve teaching and student learning by focusing on enhancing school improvement efforts, meeting statewide requirements, and achieving statewide goals in the state's system of elementary and secondary education;
- C. Core Services shall provide schools with access to services that:
 - a. The educational service unit and its member school districts have identified as necessary services;
 - b. Are difficult, if not impossible, for most individual school districts to effectively and efficiently provide with their own personnel and financial resources;
 - c. Can be efficiently provided by each educational service unit to its member school districts;
 - d. Can be adequately funded to ensure that the service is provided equitably to the state's public school districts;
- D. Core Services shall be designed so that the effectiveness and efficiency of the service can be evaluated on a statewide basis; and

E. Core Services shall be provided by the educational service unit in a manner that minimizes the costs of administration or service delivery to member school districts.

Statutes also state that in order for Core Services to be provided to member schools, two-thirds of the member districts representing a majority of the students must approve these services. The statute also has the same requirement for additional services provided by the ESU and funded by the general fund tax levy. In the past a district's participation in Core Service Programs has been identified by a resolution approved by the board of education for each district. Support services have been identified and supported by the unit's Advisory Committee. In addition to utilizing property tax receipts for support services, portions of those costs are paid for by the districts utilizing the services. This plan has been, and is discussed continually, and is supported by the ESU 4 Advisory Committee.

At this point, the amount of Core Services funding is not known. To meet the intent of the law in a professional manner given the financial constraints continues to be a challenge. The financial and professional support shown by our districts is wonderful and has been very beneficial. Such support allows the services to continue.

Please sign this letter as your district's representative and I would ask that this letter is shared with your Board of Education at your next meeting.

Thank you for the continued support for ESU 4's Core Services programs and for the endorsement of the identified support services we have provided, and will continue to provide.

Sincerely,

Gregg Robke

Our thoughts go out to those affected by this month's fires. **If you, your community, your district, or your students need anything, please ask.** In good times and bad we are 1,700 school board members serving 2 million Nebraskans in 530 communities. But through it all, we are always 1 Nebraska. It has been incredible to see how this state has rallied, and come together the past few weeks. Here are just a few notes of how districts have stepped up.

Brady School Members Continue Wildfire Support as Students Return to Class

By Jolie Peal, Nebraska Public Media News, Photos courtesy of Ann Foster

<https://nebraskapublicmedia.org/en/news/news-articles/brady-school-members-continue-wildfire-support-as-students-return-to-class/>

"The Brady Public Schools staff made over 1,000 sandwiches and 500 breakfast burritos for volunteer fire fighters. All it took was one call and everyone showed up! We are blessed!" Ann Foster, Superintendent

Eustis-Farnam Public Schools

"We were an evacuation site for the town of Farnam on the night of Thursday, March 12, hosting 20-30 people off and on until they all dispersed to various places on their own around 3:00 AM. School was cancelled on Monday, March 16 due to continued fire uncertainty as winds returned on Sunday and fanned flames again. We had several in the community impacted and fighting the fires themselves."

Wallace Public School

Jason Sommer, the district's current Maintenance Director, and former long time school board member, has been a volunteer firefighter for 27 years, 14 years a Chief, and was on the front lines. "I am so thankful for so many additional people coming in to help, and add to the number of local volunteers. People and departments from all across the state showed up Friday afternoon and fought fire until late Saturday morning, just protecting houses, following each others leads, keeping each other safe, doing what we were trained to do, and working as a team." Several staff members have also contributed in a variety of ways. Teachers and paraprofessionals sat at the fire hall and collected donations, packaged them, and drove them out to those who were actively fighting. One teacher was emergency evacuated at roughly 1:00 AM Sunday morning as the blaze was headed straight for their home. The firefighters somehow managed to preserve her home with the blaze burning essentially to her back yard. While still under a mandatory federal evacuation Monday night but still made it to school on Monday to teach!

BILLS TRACKED / TESTIFIED
101 / 45

There are four key topics of note as the Session continues. The budget and some concerning items currently included, the Education Committee Package (LB 937), the 3rd Grade Reading Retention bill (**LB 1050**), and Caps (**LB 1219**).

SUPPORT / OPPOSE

 **12**  **28**

BUDGET - The \$3.5 million for school choice funding has now been removed (*because of GREAT advocacy from you all!*) but we still need to monitor this moving forward. However, the reduction in Special Education funding is still included. **LB 304** which eliminate a sunset date for the federal Child Care Subsidy program, and **LB 862** which changes intent relating to appropriations under the Nebraska Reading Improvement Act, bills we support, have now also been added in.

SBMs WHO SAT IN THE CHAIR THIS SESSION!

13!   

EDUCATION COMMITTEE PACKAGE - LB 937 includes all of the bills we anticipated ... LB 1146 - LB 1164 - LB 1224 - LB 1241 - **LB 1243**. The Committee Statement gives a good summary: <https://nebraskalegislature.gov/FloorDocs/109/PDF/CS/LB937.pdf>

READING - We are still waiting to see if/what the committee advances regarding **LB 1050**, the bill to amend the Nebraska Reading Improvement Act to limit advancement to grade four.

50+ 

Teams/Calls (so far)

CAPS - LB 1219 to limit the amount of property taxes that may be levied by a political subdivision will most likely be heard on its own, not included into the Revenue Committee Package (LB 803). Senators Brandt and Hansen are working to whip votes and proposing changes to help its passage. Political subdivisions are united in opposition. We will be having another advocacy day at the Capitol next week ... more to come.

With Our Committee (8)
With Districts/Senators (48+)

With the full Membership (1)
(Day 30 ... Halfway Point)

OTHER ITEMS

We are closely watching **LB 468** which if passed as anticipated to be amended, will significantly cut the amount of motor vehicle tax going to schools.

We are also monitoring **LB 575**, now amended into LB 803, the Revenue Committee Package, which will change provisions of the "pink postcard" meeting. NASB opposed LB 575 as introduced and have been working with Senators Hallstrom and von Gillern.

RELY ON NASB'S NATURAL GAS PROGRAMS

Leadership

Innovation

Vision

Engagement

#liveNASB

<https://members.nasbonline.org/programs-services/njump-cjump>

The Nebraska Association of School Boards (NASB) natural gas programs were created to address two key needs identified by local school districts: competitive pricing and budget certainty. Today, more than 115 school districts and Educational Service Units (ESUs) across Nebraska participate in the NJUMP and CJUMP purchasing consortiums, leveraging collective buying power to reduce utility costs.

With continued volatility in natural gas markets, NASB has welcomed several new members into the programs for the coming year. By participating in these interlocal agreements, districts can rely on experienced peers to manage natural gas purchasing on their behalf. In today's uncertain global energy environment, participation in programs like NJUMP and CJUMP provides added value and stability.

Program oversight is provided by Boards of Trustees composed of participating superintendents and business officials. Both programs were established at the request of member districts and operate as independent interlocal pools. Trustees convene annually during the State Education Conference in Omaha each November, and at other times throughout the year as needed.

The Nebraska Joint Utilities Management Program (NJUMP) serves districts and ESUs located along the Black Hills Energy pipeline in southeast Nebraska. The Choice Joint Utilities Management Program (CJUMP) provides service to districts on the Black Hills Energy distribution system across northern, central, and western Nebraska.

Rather than purchasing an entire year's natural gas supply at a single point in time, both programs utilize a layered purchasing strategy, securing fixed prices incrementally as market opportunities arise. This approach has historically resulted in more favorable pricing and greater budget stability than districts are typically able to achieve independently.

These programs provide meaningful value to NASB members by saving both time and money while reducing exposure to market volatility.

Now is the time for new members to sign up for NJUMP or CJUMP for the 2026-27 heating season.

Ask John Spatz of the NASB staff for a copy of the Interlocal Agreement and Board Resolution to enroll in this time-saving, dollar-stretching program. For more information, NASB members on the Black Hills Energy distribution system can contact Alan Pederson of WoodRiver Energy at alan.pederson@woodriverenergy.com ... Members on the SourceGas distribution system can contact Mandy Heermann of Public Alliance for Community Energy at mheermann@nmpenergy.org.

GENYOUTH[®]

FUELING POTENTIAL. EMPOWERING PLAY.

John Spatz, Executive Director of the Nebraska Association of School Boards (NASB), was invited to Washington, D.C., to participate in the “Leadership Roundtable: Present, Engaged, and Thriving—The Power of a Wellness Culture in Schools,” hosted by the GenYouth Foundation.

The GenYouth Foundation is leading a national effort to bring together private-sector partners and schools to address chronic absenteeism. The roundtable included leaders from nationally recognized organizations who expressed a strong commitment to partnering with NASB and the broader K–12 community to support improved student attendance.

NASB looks forward to sharing more information in the coming months about this important partnership and its potential impact for Nebraska schools.

GENYOUTH Leadership Roundtable Present, Engaged, and Thriving: The Power of a Wellness Culture in Schools

Shared Purpose:

Chronic absenteeism and student disengagement are hurting schools and limiting opportunities for students nationwide. Too often, solutions focus only on academics, punishments or incentives, missing what students tell us matters most. New GENYOUTH research, informed directly by youth, shows that students show up and learn when they feel respected and included, have opportunities to move, and are well-nourished during the school day. These aren’t extras, they’re essential. When schools build a culture of wellness, learning sticks, and quite often, low-lift solutions can have high-impact results. If we want students to thrive, we need to put wellbeing at the heart of education.

Shared vision:

Creating a Culture of Wellness in Schools as the Norm, not the Exception

We are actively working together to ensure that establishing a wellness culture is seen as a central part of the academic school day, including the following practices:

1. Center and Uplift Student Voice: Create a school culture where students feel welcomed, respected, treated fairly, and heard. Actively seek student input, support student agency, and use their perspectives to inform school policies, practices, and daily decisions that shape the school experience.
2. Make Movement Part of the Day: Recognize that physical activity is essential to learning and student wellbeing. Build opportunities for 60 minutes of physical activity into the school day through quality PE, active breaks, extracurricular activities, and sports to promote focus, health, social connection, and engagement.
3. Prioritize Access to Healthy School Meals: Ensure all students have reliable access to nourishing meals as a foundational condition for learning. Treat mealtime as a valued and protected part of the school day. Provide enough time to select, eat, and connect with peers, offer breakfast and lunch options that meet school meal guidelines and appeal to students’ needs. Reduce stigma by making free meals accessible to all students.
