Kindergarten Round Up:

Bennet Elementary had KDG Round Up on Friday, March 27th. There were 35 students who attended.

Preschool Enrollment:

We sent out 35 acceptance letters for next fall's preschool classes. We are currently full at the preschool for the 2015-16 school year. Below is the Little Panthers enrollment procedure used to determine the preschool class list based on the following list of criteria in order of priority:

1. Students on an Individualized Education Plan (IEP), living in our district will have first priority for acceptance. The State of Nebraska set up the preschool program to help those children with the highest needs.
2. Those students living in our school district who will turn four by July 31st, oldest to youngest by birth month/day/year.
3. Those students living in our school district who will turn three by July 31st, oldest to youngest by birth month/day/year.
4. If there are still open spots, non-district students will be chosen based on the criteria listed above.

To accommodate increased enrollment we are looking for a qualified paraprofessional.

Summer Enrichment:

Bennet Elementary will offer Summer Enrichment for students entering Kindergarten to fifth grade from June 8-25th. Registration ends this week. Our theme is, "Blast Off To Learning."

NeSA Test Dates:

Bennet Elementary has set the following dates for the NeSA assessment: April 13-17th. The staff and students have been busy preparing all year. A special thank you to Mrs. Hanger for preparing the computer lab and the classroom teachers for being flexible with schedule changes to accommodate the testing schedule.

Superintendent's Report

1. NeSa assessments have been completed in both buildings and MAPS assessments have been completed in Bennet.

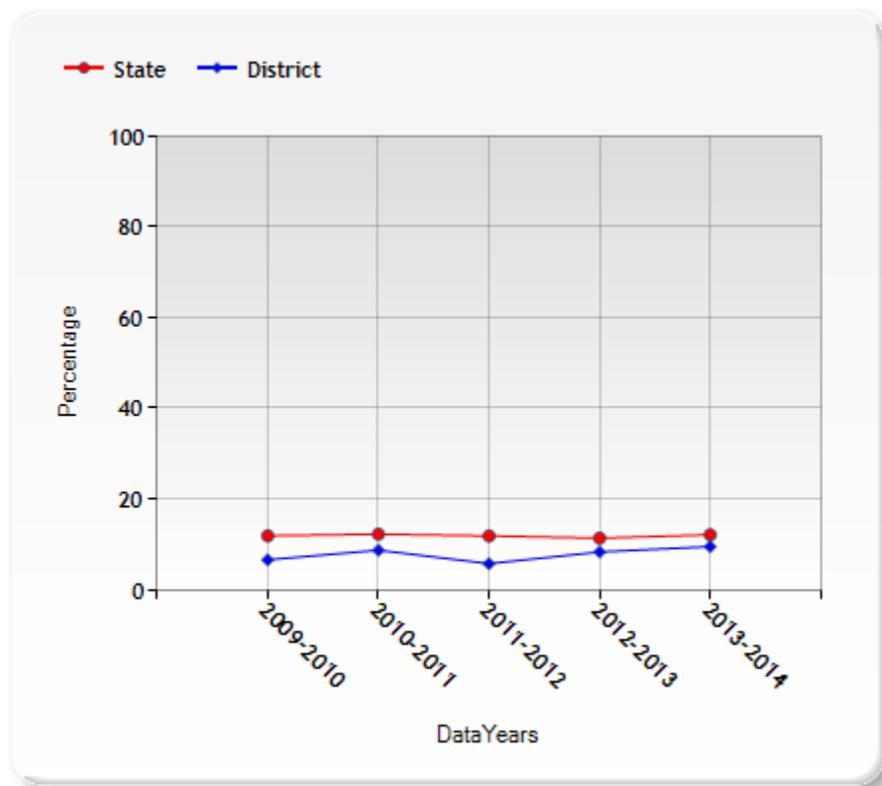

3. Early childhood grant??

4. SENCAP and Dual Credit course enrollment currently shows 35 students enrolled in 10 different courses that include Composition, Algebra, Intro to Psychology, Sociology, Professional Education, Business and Health as well as Computer Fundamentals and Essentials of Health Care.

5. Major requisitions as currently reported include a K-2 Social Studies, Secondary Speech textbooks, and grades 3-4 and one section of grade 6 will be receiving desk replacements completing the majority of furniture upgrades at Bennet Elementary.

6. Some modifications are being made regarding the scope and sequence of Character Education at the secondary level that will focus 8 to Great at the 9-12 level and Second Step at the 7-8 grade level providing for full development of the Second Step content and curriculum.

7. The chart below shows student mobility rates for the State in comparison with District OR-1.

8. **LB 365** advanced (public records/meetings) to the final stage of consideration. The bill allows school districts to maintain all records and documents electronically. This would be a logistical win for school districts alleviating the cumbersome paper records currently required.

Secondary Principal's
Board Report
May 11, 2015

1. Graduation

I expect to report that Commencement Exercises were a huge success!

2. NeSA and MAPs testing

NeSA R-M-S is complete. Kids and staff effort was excellent. I don't know that means our scores will be drastically better, but it has to start with attention to detail and great effort. NeSA staff involved that really work hard on this include:

Mr. Pollock – 8th & 11th writing and reading; Mrs. Buescher – 7th reading
Mrs. Church – 7th and 8th Science; Mr. Fette 11th Science
Mr. Maas – 11th Math; Mr. Jensen – 7th & 8th Math
Mr. Hoefl/Mr. Truasch/Mr. Thomas – SPED. Mr. Thomas also does all make up testing.
Mr. Brown – Technology.

MAPs testing will be complete by end of next week. (Barring technology issues)

3. Advanc-ED Progress Report

We are in year two of the current school improvement cycle. A progress report was due May. 1. The progress report addresses the two improvement priorities that came out of the external visitation at the end of the 2012-2013 school year. The improvement priorities are:

1. Develop and implement a written PreK-12 curriculum, in all core subjects, aligned with the Nebraska State Standards horizontally and vertically, and include a timeline for review and revision.
2. Review, revise, and implement a Pre-K systemic and systematic continuous improvement process.

We are well on our way to addressing these improvement priorities, and as this cycle continues, we will need complete many more tasks as required by Advanc-ED.

May Elementary Principal's Report:

Summer Enrichment:

Summer Enrichment will be offered during the month of June for incoming KDG through 6th grade students. We have 92 students enrolled. The theme is, "Blast off to Learning" and we will end the summer session with a field trip to Morrill Hall.

Volleyball/Basketball Camp:

Due to the high number of registrations (55) the volleyball/basketball camp for students in KDG-6th grade on May 15th and 16th has been moved to Palmyra High School.

MAPS Testing:

MAPS (Measures of Academic Progress) testing was completed last week. Bennet Elementary assesses all KDG-6th grade students during the Spring testing session. The students and staff have worked hard all year and this is a great opportunity for staff, students and parents to see the growth the students have made academically.

Upcoming May Events:

- 15 Un-Track Day
- 19 Awards Recognition 2 PM
- 20 Accelerated Reader Award Celebration 8:45 AM
- 21 Early Dismissal last day of school
