Welcome to the Dundy County Stratton Public Schools Board of Education Meeting. The Board welcomes citizens to attend board meetings to become acquainted with the programs and operations of the district. Members of the public are also encouraged to share their ideas and opinions with the Board during the agenda item

labeled “Public Items”. Comments or questions from the audience at any other time during the meeting except for the agenda item “Public Items” will out of necessity be declared out of order.

The Nebraska Open Meetings Act prevents the board from speaking to a matter that is not on the agenda. Please understand that the board may be unable to address your issue during the meeting. It is not permissible for the board to comment on items not listed for the protection of the public’s right to know and participate in the discussion of items that do come before the board and stated appropriately in the meeting agenda.

During this agenda item “Public Items” we ask that you abide by the following rules:

Public Comment Protocol and Procedures

- Anyone wishing to speak to the board on specific agenda items or on other topics relevant to board business must complete a Public Comment Request Card and submit it to the Board President prior to the opening of the meeting. The public will only be recognized and their comments heard at Item “Public Items” on the board agenda. The total time allotted for the public comment will not exceed thirty minutes and each member of the public will be allotted not more than five minutes to address the Board. If a group wishes to speak, please designate one spokesperson for the group.
- Please state your name and the topic you are addressing before you begin.
- Speakers are asked to direct their questions and comments to the chair. A member of the Board of Education or the Superintendent may direct clarifying questions to the chair, but the board will not under any circumstance enter into a debate with any the member of the public.
- Speakers may offer objective criticism of district operations and programs, but the Board would encourage members of the public to address complaints concerning individual district personnel through the proper chain of command. The chair may direct the member of the public to the appropriate means to address concerns brought before the Board; however, the board will not respond with action but will take comments under advisement and direct the comments to the appropriate staff member to address outside of the board meeting.
- Please remember that is a public meeting for the conduct of business of the Dundy County Stratton Public School District. Offensive language, personal attacks and hostile conduct will not be tolerated. You should further be advised that there is no legal protection for any comments that are made.
- As stated in **NEB. REV. STAT. § 79-570 Class I, II, III, IV, or VI school district; president; meetings; maintenance of order.**

If any district meeting of a Class I, II, III, IV, or VI school district any person conducts himself or herself in a disorderly manner and persists in such conduct after notice by the president or person presiding, the president or person presiding may order such person to

withdraw from the meeting and, if the person refuses, may order any person or persons to take such person into custody until the meeting is adjourned.

- As stated in **NEB. REV. STAT. § 79-571 Class I, II, III, IV, or VI school district; meetings; disorderly conduct; penalty.**

Any person who refuses to withdraw from such meeting on being so ordered as provided in section 79-570 or who willfully disturbs such meeting shall be guilty of a Class V misdemeanor.

Dear Board Members,

I wanted to provide a brief update on recent IT activities.

We are exploring the implementation of two platforms, NinjaOne and Senso.Cloud, to improve our district's technology systems. Together, these tools would streamline device management, strengthen cybersecurity, enhance classroom management, and improve student safety through proactive monitoring and support tools. A full proposal has been shared for your review.

Recent IT Department Updates

I have been actively preparing and supporting several key initiatives across the district:

- **Track Meet Preparation**
I have been learning and setting up camera systems to ensure proper coverage and functionality for upcoming track events.
- **Testing Readiness**
Devices and systems have been prepared and checked to ensure everything is ready for student testing scheduled for this week.
- **Elementary Renovation Preparation**
I have also begun clearing out electronics from the elementary math room in preparation for the upcoming renovation project. I am planning to complete this by the end of April.

Please feel free to reach out with any questions.

Sincerely,

Alisha Fiedler

Dundy County Stratton Elementary Principal's Report – April

The elementary has had a busy and productive transition from March into April, filled with student achievements, safety drills, and engaging learning opportunities.

We did experience a fire alarm activation in the new preschool room earlier in the month. The issue was traced to a faulty detector, which has since been replaced, and the problem has been fully resolved.

On March 18th, our 4th grade students attended Fitness and Nutrition Day at Perkins County Schools. This was a valuable experience that reinforced the importance of healthy lifestyles through interactive activities and learning stations.

We conducted our annual fire drill on March 19th. I am proud to report that our students have consistently performed at a high level during drills this year, demonstrating strong understanding of procedures and expectations.

Kindergarten Roundup was held on March 23rd, with 12 of our 17 prospective students in attendance. This event provided a great opportunity to welcome incoming students and begin building relationships with families.

On March 25th, our students competed in the Battle of the Books in Sutherland and earned an impressive 3rd place finish. Congratulations to team members Zoey Jesch, Oakley Partch, May Strand, Remmy Schorzman, and Darlenna Jarmin. A special thank you to Mrs. Krug for sponsoring and preparing our students for this competition.

We also participated in the statewide Severe Weather Drill, helping ensure that both students and staff are prepared for emergency situations.

On March 27th, we welcomed our incoming principal, Mrs. Sorensen, who spent time visiting with students and staff. This was a great opportunity to begin a smooth leadership transition.

We continue to celebrate outstanding academic accomplishments. On March 30th, Darlenna Jarmin reached an incredible milestone, earning 303.9 AR points for the year, including 131.6 points in the 3rd quarter alone. She now has a remarkable 487.4 AR points for her elementary career—an outstanding achievement.

On April 1st, we recognized Ayla Sandman and Claire Schack with a reading walk for surpassing 100 AR points. In addition, we showed appreciation for our paraprofessionals by providing grab bag gifts. Their daily contributions are invaluable, and we are grateful for the support they provide to our students and staff.

As we move further into April, we are preparing for state assessments and encouraging all students to give their best effort. We are also looking forward to upcoming events, including Quiz Bowl competitions, spring field trips, and the annual 6th grade track meet in Wauneta.

Thank you for your continued support of Dundy County Stratton Elementary.

Kristian K. Freeland Ed S. DCS Elementary Principal

Superintendent Report

April 2026

Custodial/Maintenance Position:

With a retirement scheduled to take place with the conclusion of the current school term, interviews were held on Thursday, 03/26/2026 for the vacancy. Following those interview(s), Raymer Fernandez of Benkelman, NE was offered the position and he has accepted the offer. Raymer has given his two-week notice with his current employer and is scheduled to start work in the district on Monday, 04/20/2026. His position will be mainly focused on the Jr./Sr. High building(s) and campus along with daily cleaning at the Tiger Tots facility.

Summer Maintenance Project(s):

The summer work schedule is being developed and the calendar is beginning to fill up. The Elementary HVAC project is underway with all 24 Rooftop Unit (RTU) curbs now installed. The power, fire command and control conduit has been installed across the gymnasium in preparation for installation of the four (04) gym RTU's. There will be some exterior work going on this week as Fluid Mechanical will be on-site to install the new gas supply lines on the roof. Next week there will be some interior work with ceiling tile/grid removed around the univent air handler units in classrooms. It will, once again, be a very busy summer.

A project that has been being shopped around for a contractor has been the installation of turf for the Tiger Tots playground. Rich Reichert found Greenlawn Sod & Turf from Fort Morgan, CO that was interested and ended up submitting an estimate for that project. The Hansen Foundation has awarded a \$20,000.00 grant specific to that project and the estimate came in at \$19,201.20. Along with that project, Greenlawn also submitted an estimate of \$8,610.00 for sod to cover the Elementary playground. Both estimates have been approved and we are in the process of scheduling both projects to be done in the same trip to Benkelman. We will be removing the remaining ground cover on the east side of the Elementary building and then "filling in" the dirt around the building to get the frost level line covered. Those projects will be attempted to be completed prior to the end of the current school year. There will be some more landscaping work done at the Tiger Tots facility with some landscape rock installed and some grass seeding.

At the Jr./Sr. High the wall along the east side of the Jr./Sr. High (and around the SW corner) will be extended along the south side of the building to the Main Office entrance. The custodial/maintenance crew is working on the stage currently to fix some of the broken boards, replace some prior "fixes" and then resurfacing the entire stage area.

I have met with the Elementary staff to keep them current on the Elementary HVAC project in terms of room preparedness and the timeline. The deadline to have classrooms ready for the summer project is the evening of Friday, 05/22/2026 as contractors are planning on starting work inside the building on Saturday, 05/23/2026. Summer school room assignments will be completed this week and communicated to staff soon after that.

School Lunch Program Administrative Review:

The district had a third-party group (CN Resource LLC) on-campus Thursday, 04/09/2026 for the entire day. During the exit report that afternoon, there were items that will need to be addressed but the report was largely positive. This process takes place every five (05) years. This review does require some time to be ready for the auditor to be on-site equipped with preliminary information in order to allow it to be held as a single day event.

Graduation Ceremony:

The district commencement is scheduled to take place on Saturday, 05/09/2026 at 2:00 p.m. (MDT)/3:00 p.m. (CDT) in the Dundy County Stratton Jr./Sr. High gymnasium. I have the diplomas at the meeting tonight for the signature of the Board President and Board Secretary. Additionally, I would like to know what board members plan on being a part of the ceremony (on-stage) so their name(s) can be listed in the program.

Attached to this report is the Dundy County Stratton Board Policy #5066 Early Graduation. There have been inquiries as to including the '25-26 early graduate in the graduation ceremony. I am looking for direction as to how best to honor the early graduate with the Class of 2026.

Staff Opening(s):

The staff vacancies are slowly getting fewer as we move into mid-April. There have been three (03) Social Science (7-12) interviews held and two (02) of those applicants possess Boys Basketball coaching abilities. I anticipate making an offer yet this week. An application for the English Language Arts (7-12) vacancy was received today so that will be pursued this week as well. Celjer Venzon (K-12) Music will be flying into McCook, NE on the evening of Monday, 04/20/2026. He has an appointment at the Social Security office in North Platte, NE to initiate the process of applying for his Social Security Number (SSN). Mr. Venzon must possess a valid SSN in order to begin the "official" application process for a Nebraska Teaching Certificate/Permit. He has already submitted some documentation to the Nebraska Department of Education Certification office in advance of his arrival.

5066 Early Graduation

General Policy. Students most effectively obtain the skills and experience necessary to graduate from high school by completing grades 9 through 12 over the course of 4 years. Unless otherwise permitted by Board policy or other applicable law, students must finish all 4 grade levels in order to graduate.

Requirements for Application. In unique circumstances, the Board may waive the four-year attendance requirement for high school graduation, provided that the student has met the requirements of this policy.

Students must make an application to the high school principal before they may seek permission to graduate early from the Board. The principal may consult with appropriate instructional and guidance staff members in making the determination. The student's application must include:

1. Proof that the student will meet all academic requirements necessary to graduate on or before the proposed graduation date;
2. A transcript showing that the student has no grade lower than "C" in any required course at the time of application;
3. A detailed essay that (a) addresses the reasons for seeking early graduation and (b) articulates the student's post-graduation plans, including goals and objectives justifying the need to graduate early; and
4. A letter from a parent/guardian supporting the application.

The student may submit any additional materials which support the student's efforts to graduate early. Such materials may include, but are not required to include: letters of support from staff and community members; proof of admission in a postsecondary program; and/or any other materials which the student believes to support the student's application.

Consideration by the Board of Education. The principal will make a written recommendation to the Board based on the submitted application from the student. The Board will consider but is not bound by the principal's recommendation. Along with the application, the Board may consult with members of the administration, staff, or anyone else the Board deems appropriate. The Board will grant a student's application only if it determines that the student is best served by permitting the student to graduate early.

Participation in District Activities. Early graduates will be considered graduates of the district at the time the Board confers such status upon them. Therefore, early graduates will no longer be considered members of the student body and will forfeit those rights and privileges accorded such students.
