Parent-Student Handbook 2024-2025

Superintendent's Message

Welcome to HTRS Elementary and the 2024/2025 school year! We have prepared this handbook so that you may know a little more about our school and its policies and procedures. (Board Policy 5034) It will help us establish positive lines of communication and work together effectively. Please read this handbook carefully. Students and their parents are responsible for knowing the rules, regulations, and procedures covered in this handbook. The student handbook is an extension of school policies and has the force and effect of board policy when approved by the board of education. Throughout the year, additional information will be made available to you through newsletters, Titan Alerts, and the school website <http://www.htrstitans.com> If you have any questions or concerns, please do not hesitate to call or visit the school. Our goal at HTRS Elementary is to provide the best educational opportunities possible for each child. By partnering with you, this goal can be accomplished!

Dr. George Griffith, Superintendent

Intent of Handbook

This handbook is intended to be used by students, parents, and staff as a guide to the rules, procedures, and general information about this school district. Students and their parents must become familiar with the handbook, and parents should use it as a resource and assist their children in following the rules contained in it. The use of the word "parents" refers to any adult who has the responsibility for making education-related decisions about a child, including, but not limited to biological parents, adoptive parents, legal guardians, and adults acting in loco parentis.

Although the information in this handbook is detailed and specific on many topics, it is not intended to be all-encompassing or to cover every situation and circumstance that may arise during a school day or school year. This handbook does not create a "contract" with parents, students, or staff, and the administration may make decisions and rule revisions at any time to implement the educational program and to assure the well-being of all students.

The administration is responsible for interpreting the rules contained in the handbook. If a situation or circumstance arises that is not specifically covered in this handbook, the administration will make a decision based on applicable school district policies, and state and federal statutes and regulations.

Arrival Time for Students

School begins each day at 8:00 am. No adult supervision is provided before 7:30 a.m. Please do not drop off students before 7:30 a.m. For the safety of the children, please follow the procedures for student drop off and parking of vehicles. Building entry time is at the discretion of the supervising adults. Children will proceed to the cafeteria for breakfast or to the old gym.

Absence and Tardiness

Parents are asked to call the office if their child is going to be absent on a particular day. This call will let the school know that the absence is not a truancy or that the student might have experienced difficulties on the way to school. Once the call is made, a written note will not be needed when the student returns to school. If the office does not receive a call by 9:00 a.m., the office personnel will call to check on the absence.

Children not present in school are counted absent regardless of the reason for the absence. Children late for school are counted tardy, even if the reason is doctor or dentist appointments. Tardiness and absence for these reasons are perfectly legitimate and often necessary, but they must be counted. Students will be counted tardy after 8:00 a.m. (Board Policy 5001).

Closed Campus

Children must remain on the school premises during the noon hour and at all other times during the day except with prior written parental permission.

Birth Certificates

All new enrolling students are required by state law to provide a certified copy of the student's birth certificate or other reliable proof of the student's identity and age accompanied by an affidavit explaining the inability to produce a copy of the birth certificate. There is a thirty-day period in which this may occur. Failure to comply shall cause the school district to notify the parents or guardian in writing. If after ten days, compliance has not occurred, the school is required to report the matter to the local law enforcement agency.

Parental Custody Information

It is the responsibility of the parent with whom a student resides to keep the Principal informed about which parent has custody of the child and about any visitation restrictions of the noncustodial parent. If the noncustodial parent is restricted from contact with a student, a court order to this effect must be on file at the school. The school will make every effort to ensure that such visitation restrictions are carried out.

However, the school cannot accept the responsibility for the child once he/she leaves the school premises. Reports of student progress and other informational documents will be given to both parents when requested. (Board Policy 5020)

Dismissal

Children who are not waiting for a ride are to leave the school grounds immediately after dismissal. Children will not be excused from school before dismissal time without a note or phone call from their parents. Please instruct your child never to leave school with a stranger.

Parent permission is needed if your child is to leave the school with someone who does not routinely pick up the child. Grade levels dismiss at the following times:

Kindergarten: 3:25 p.m.

1st & 2nd grades: 3:30 p.m. 3rd & 4th grades: 3:34 p.m.

Parents should make every attempt to pick up their students in a timely and reasonable manner. Teachers and/or other adults will supervise students until parents arrive. However, teachers do have other responsibilities after school such as curriculum work, team meetings, staff meetings, etc. Therefore, if an emergency occurs or if for another reason children will be picked up late, the school needs to be notified.

After-School Safety

Insist that your child looks both ways before crossing a road and avoid walking behind parked vehicles. Parents who pick students up after school should park on the east of parking lot designated for student drop-off/pick-up. Parents who park in the diagonal spaces are asked to walk to the holding area to get their child. Students will not be permitted to walk between parked cars.

Buses pick up children on the west side of the building and all other traffic should avoid that area. Student pick up on the south side of the building is discouraged as supervision is not provided. This area is designated for special education transportation only.

Change of Address

Parents should notify the teacher or office immediately of any changes in address, phone number, or family doctor. All unlisted numbers will be kept confidential.

Health

A physical inventory is made of every student during the school year by the School Nurse, and the findings recorded on the permanent record. (Board Policy 5010, 5011 and 5059) Parents will be mailed a written notice of any concerns or symptoms found and are urged to correct them as soon as possible. The school DOES NOT diagnose or treat an illness or injury. Our policies are:

1. First aid is provided for sudden illness or injury.
2. The school's obligation continues until the emergency has been placed in the care of the family or physician of their choice.
3. Treatment of injuries occurring outside school jurisdiction is not the responsibilities of school employees.
4. Exclusion of children: having a fever with a suspected contagion, symptoms of vomiting and/or diarrhea, headaches, head lice, etc. Students need to be fever free, without the use of medication for 24 hours before coming back to school.
5. Any pupil with a rash must be excluded until the disappearance of the rash and any other symptoms. If the parent has consulted the family physician and he/she recommended readmission with a written notice to this effect, then admittance is acceptable.

Sending medications with your child is discouraged. Generally, if children are sick enough to be taking medicine they should stay home. At the suggestion of the Nebraska School Health Policies, our school system has implemented the use of a "medication permission" sheet. This is simply signed permission from the parent or guardian requesting the school district to comply with a physician's order for a student required to take medication during the regular school day. If your child needs to have medicine at school, please stop in the nurse's office to complete and sign this form. This would be used to administer prescription and nonprescription medication. (Board policy 5023 and 5024)

Nebraska schools have a duty under state law to provide a quality health screening program to all students in attendance. The purpose of the health screening is to identify those students needing further evaluation or assistance in the areas screened. A health screening or health inspection is not diagnostic. Screening to be performed includes height/weight, near and distant vision, hearing and dental screening. Health screening takes place in the fall and results that require further follow-up will be communicated with parents.

Please note the 2024-2025 immunization information included in this packet.

Communicable Diseases

Any student who has contracted a contagious disease may be restricted from attendance at school until the student is no longer contagious. The school district uses the Title 173- Nebraska Health and Human Services/Control of Communicable Disease, Chapter 3 of the Nebraska Administrative Code as a "best practice" guideline for contagious and infectious diseases. If there are questions regarding the communicability of your child's health condition or if you know your child has contracted a contagious or communicable disease or condition, please call (402) 862-2151 and ask for the nurse.

Lice (Pediculosis)

Children may be examined periodically by the school nurse to determine if lice are present. If the examination indicates the presence of lice or nits, the child will be sent home immediately, or as soon as safe and proper conveyance can be found. In the event arrangements cannot be made for the child to go home, the child will be isolated from the other students. Parents will be required to bring the child to the nurse or nurse aide at the time of reentry. The child must be nit-free before readmission will be granted. (Board Policy 5062).

First-Aid

First-aid items may only be used by school staff. Students who need first aid should ask for assistance from their classroom teacher or the nearest staff member.

Lunches

A supervised lunchroom is maintained for children who eat hot or cold lunch at school. However, those students who are unable to conduct themselves properly during the lunch period will be required to eat lunch elsewhere. Lunch money must be brought to the office and the lunch count taken by teachers so that the food service will know how many lunches to prepare. Please call in the lunch order if you know your child will be late for lunch count.

- 2024-2025 Food Service Prices: ● Lunch: Students PreK-4: \$2.90 ● Breakfast: Students PreK-4: \$2.60 Milk: \$0.40

Students are not allowed to bring soda (pop) as a part of their cold lunch. The soda will be removed by one of the adult supervisors. Suitable alternatives are: fruit juice box, bottled water, purchase of milk, or drinks from the school's water fountain. Lunch from fast food restaurants is not permitted.

Payment Options. Families may pay for school lunches using cash or check. Electronic or e-fund payments are also available through a link on the school district's website.

Meal Charge Policy. The district will notify students and their families of the policy for Charged Meals, meaning meals received by a student when the student does not have money in hand or in his or her food account. This policy applies to students who receive meals at the free, reduced, or full rates.

Notice of this policy must be provided in writing to all households at the start of each school year and to households that transfer to the school during the school year. Notice may be provided through the student handbook, student registration materials, online portal used to access student accounts, direct mailing or e-mail, newsletter, the district website, and/or any other appropriate means. Notice of this policy will also be provided to all school staff responsible for the enforcement of it, including food service professionals responsible for collecting payment for meals at the point of service, staff involved in notifying families of low or negative balances, and other staff involved in enforcing any aspect of this policy.

If a student has no funds available to pay for a meal, the student will be provided, but not charged for a "courtesy meal," such as a plain sandwich. A student's account will not be allowed to become delinquent more than \$5.00.

Students who qualify for free meals will not be denied a reimbursable meal, even if they have accrued a negative balance from other food purchases. School staff may prohibit any student from charging a la carte or extra items if they do not have cash in hand or their account has a negative balance.

If a student repeatedly lacks funds to purchase a meal, has not brought a meal from home, or is not enrolled in a free meal program, the district will use its resources and contacts to protect the health and safety of the student. Failure or refusal of parents or guardians to provide meals for students may require mandatory reporting to child protection agencies as required by law.

The school district is required to make reasonable efforts to collect unpaid meal charges. The building principal or his or her designee will contact households about unpaid meal charges and notify them again of the availability of the free and reduced meal program and/or establish payment plans and due dates by telephone, e-mail, or other written or oral communication. If these collection efforts are unsuccessful, the school district may pursue any other methods to collect delinquent debt as allowed by law.

Playground

Children need to play outside. Parents' cooperation in seeing that children dress according to the weather is requested. In most cases if children are not well enough to play outside, they are not well enough to be in school. A child who must remain indoors due to an injury should bring a note daily to that effect. Otherwise, the teacher's judgment will be used.

Physical Education

All students must participate in physical education. If any limitation is to be placed on participation in physical education, a written statement from the parent will be honored for two successive physical education classes. If the student is to be excused further, a doctor's statement must be received stating the reason for and duration of the excused absence. The statements will be made a part of the student's record. Ordinarily students who have any limitation placed on their physical education activity will be excused for the entire period.

Tennis Shoes

For safety reasons and to prevent injury, each child needs to wear tennis shoes during physical education classes. If athletic-type shoes are not worn to school, a pair of tennis shoes needs to be brought along for P.E. and kept at school. Children without tennis shoes or shoes not approved by the physical education teacher will not participate in P.E. class. Socks need to be worn as well.

Staying after School

On occasion a student may be required to stay after school to make up work or for discipline reasons. Parents will be notified in advance.

Homework

Homework is a learning activity related to the experience within the school. Its purposes are to supplement and

to enrich work done in the classrooms. Homework should be assigned following the building homework guidelines. (Board Policy 6017)

Bicycles, Skateboards, Scooters & Heelys

Students are to park their bikes in the appropriate racks. Under no circumstances are students to borrow or tamper with bicycles that are not their own. Bicycles are not to be ridden on the playground or on the sidewalks on the school grounds (this includes before and after school). Skateboards, roller blades, scooters and Heelys are not to be brought to school.

Building Discipline

Violence

When addressing hitting, kicking, or fighting behaviors in kindergarten to 5th-grade students, it's essential to respond with interventions that promote accountability, teach appropriate behavior, and ensure the safety and well-being of all students involved. Intervention and consequences

Immediate Intervention:

- Stop the behavior immediately to prevent further harm.
- Separate the students involved and ensure their safety.

Support:

- Check for any injuries and provide necessary medical attention.
- Offer emotional support and reassurance to the students involved.
- Once emotions have settled, have a calm discussion with the students separately to understand what happened and why.
- Encourage them to express their feelings and perspectives on the situation.

Restitution:

- Have the students apologize to each other if appropriate, emphasizing empathy and understanding the impact of their actions.
- Encourage them to make amends by helping to repair any damage caused, such as apologizing to the affected peers or making a small gesture of kindness.

Teaching Alternatives:

- Teach conflict resolution strategies, such as using "I-messages" to express feelings or seeking help from a teacher when feeling upset.
- Role-play scenarios where students can practice resolving conflicts peacefully.

Consequence:

Depending on the severity and frequency of the behavior, implement an appropriate consequence. This includes a call to parent and could include:

- Loss of privileges (e.g., recess, preferred activities).
- Minimum 30 minute time-out or reflection time to calm down and think about their actions.

- Written reflection or apology letter to the teacher or affected peers
- In more serious cases, the student might receive an in-school suspension, In-school Suspension
 - PreK – Kindergarten: 2 – 4 hours ISS
 - First and Second: 2 – 6 hours ISS
 - Fourth Grade: 2 hours - All-Day ISS

Follow-Up:

- Parent communication, including a phone call home to discuss the incident
- Monitor the students closely to ensure they are adhering to expectations and using appropriate behaviors.
- Provide positive reinforcement for improved behavior and acknowledge efforts to resolve conflicts peacefully.

Prevention Strategies:

- Implement proactive measures to prevent future incidents, such as teaching and reinforcing positive social skills, promoting empathy and kindness, and creating a supportive classroom environment where students feel safe to express themselves.

It's crucial to address hitting, kicking, and fighting behaviors promptly and consistently while also promoting positive behavior and teaching alternative ways to handle conflicts. Collaboration with parents/guardians and ongoing communication with students are key components of addressing and preventing these behaviors effectively.

Possession of cell phones and other electronic communication devices in school is prohibited. If any of these rules are violated, the cell phone/electronic communication device will be taken from the student by a school employee and turned into the principal's office. A parent must pick the phone up at the school office.

If a parent needs to be in contact with a student, please call the office at (402) 862-2151 and we will be happy to share the message.

Profanity

Verbal Warning: For a first offense or if the language was not extremely offensive, the student may receive a verbal warning from the teacher or school staff.

Parental Notification: The school might inform the student's parents or guardians about the incident, discussing the inappropriate language and potential consequences.

Loss of Privileges: The student could lose privileges such as recess time, participation in certain activities, or access to preferred materials or toys.

Behavior Reflection:

The school may require the student to apologize to the person(s) offended by their language, fostering a sense of accountability and empathy.

The student might be asked to reflect on their behavior, considering why they used the inappropriate language and how they can express themselves more appropriately in the future.

In-School Suspension: In more serious cases, the student might receive an in-school suspension, where they spend a day or more away from their regular classroom activities, usually completing assignments under

supervision.

Parent-Teacher Conference: The school may arrange a meeting between the teacher, parents, and student to discuss the incident, its implications, and strategies for preventing similar behavior in the future.

Counseling or Intervention: If the behavior persists or is indicative of deeper issues, the school might recommend counseling or intervention from a school counselor or psychologist to address underlying issues.

It's important for consequences to be age-appropriate and for the school to use the incident as an opportunity to educate the student about appropriate language and behavior. Additionally, schools often aim to work collaboratively with parents to address behavioral issues and ensure consistency between home and school expectations.

Drug Free

Students who bring, use, possess, sell, share, or distribute any of the items listed below face consequences, suspension and/or possible expulsion:

- Electronic nicotine delivery systems or products, Cigarette, or other tobacco products
- Alcohol
- Prescription medication (must be kept in office)
- Illegal drugs, substances used to simulate drugs or drug paraphernalia Over the counter medications except for personal use in office with parent approval.

Sexual Harassment

Sexual harassment will not be tolerated and will be dealt with as outlined in the District policy. Sexual harassment is defined as any unwanted or unwelcome visual, verbal or physical sexual behavior that is offensive to another person.

Anti-Bullying Policy

One of the missions of HTRS Public School District is to provide a physically safe and emotionally secure environment for all students and staff. The administration and staff are to implement strategies and practices to reinforce and encourage positive behaviors by students. Positive behaviors include non-violence, cooperation, teamwork, understanding, and acceptance of others. The administration and staff are to implement strategies and practices to identify and prevent inappropriate behaviors by all students, including anti-bullying education for all students. Inappropriate behaviors include bullying, intimidation, and harassment. Bullying means any ongoing pattern of physical, verbal, or electronic abuse. The school district shall review the anti-bullying policy annually. (Board Policy 5054)

Students are prohibited from engaging in any form of bullying. The Centers for Disease Control and Prevention defines bullying as "any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated." Nebraska statute defines bullying as "an ongoing pattern of physical, verbal or electronic abuse." The District's administrators will consider these definitions when determining whether any specific situation constitutes bullying. Both of these definitions include both in-person and cyberbullying behaviors.

The disciplinary consequences for bullying will depend on the severity, frequency, duration, and effect of the behavior and may result in sanctions up to and including suspension or expulsion. Students who believe they are being bullied should immediately inform a teacher or the building principal.

Reporting Bullying

Students who experience or observe bullying behavior must immediately report what happened to a teacher or administrator. Students can use the district's anonymous platform Safe2Help to make this report. Students may always confer with their parents or guardians about bullying they experience or witness, but the students must also ultimately report the situation to a teacher or administrator.

Bullying Investigations

School district staff will investigate allegations of bullying using the same practices and procedures that the district observes for student disciplinary matters. In no circumstance will school district staff be deliberately indifferent to allegations of bullying.

Alcohol and Illicit Drug Use Prohibited

The Board of Education expressly prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol by school employees, volunteers, and students on school property or at any school sponsored event or activity; further, any employee, volunteer, or student found to be under the influence of alcohol or illegal drugs, while on school property or at a school sponsored event or activity will be subject to disciplinary measures.

Moreover, the board authorizes and directs school administrators or their representatives to discipline employees, volunteers or students, consistent with pertinent state and federal law, for any violations of this policy.

Discipline for employees may extend to a recommendation for dismissal. While the board does not sponsor directly rehabilitative services, it reserves the right to require that any disciplined employee undergo rehabilitation as a condition to continued employment. Discipline for any adult volunteers may include removal from the volunteer position. Discipline for students may include suspension, expulsion, and/or a referral to a rehabilitative agency. Information on area agency rehabilitative services may be obtained from any of the school counselors.

The board will implement and support curricular materials and activities that teach about the harmful effects of alcohol and illegal drugs and serve as prevention and intervention programs (Board Policy 4002).

District Responsibilities for Communicating with Parents

Parents shall be kept informed of student progress, grades, and attendance through report cards, progress reports, and parent/teacher conferences. The school district will notify parents if their students are failing or close to failing. The school district will endeavor to notify parents of failing students prior to entry of the failing grade on the student's report card. Other pertinent information will be communicated to parents by mail or by personal contact. Official transcripts of student progress, grades, and attendance will be sent to other school systems upon the student's transfer when the district receives a written request signed by the student's parent or guardian or upon being notified that the student has enrolled in another school.

Care of School Property

The School District provides needed textbooks, workbooks, library books and athletic equipment without charge. This necessitates that all students assume full responsibility for those items issued to them. Fines will be made for the replacement cost of the books and equipment if lost or damaged.

Library Books

Books will be checked out for two weeks. Pupils will be charged for damaged or lost library books. Additional books will not be checked out until the previous overdue books are returned. Books will be considered lost if they are not returned after 4 weeks. At the end of the school year, report cards will be held until restitution is made.

Use of District Technology

Students are expected to use computers and the Internet as an educational resource. The following procedures and guidelines govern the use of computers and the Internet at school.

Student Expectations in the Use of the Internet

A. Acceptable Use

1. Students may use the Internet to conduct research assigned by teachers.

Such software is often called, but is not limited to, a bug, virus, worm, or Trojan Horse.
12. Students shall not configure or troubleshoot computers, networks, printers or other associated equipment, except as directed by a teacher or the system administrator.
13. Students shall not take home technology equipment (hardware or software) without permission of the system administrator.
14. Students shall not forge electronic mail messages or web pages (Board Policy 5037).

Emergency Contact Information

Parents must complete an emergency information form for each child enrolled in the district. The form should list the family physician's name, where parents or a responsible adult can be located, and any necessary emergency instructions. Parents must promptly inform the school if this contact information changes during the school year.

Discrimination and Harassment

HTRS Public School prohibits discrimination and harassment based upon or related to race, color, national origin, sex, religion, marital status, disability, age or any other unlawful basis that (1) has the purpose or effect of creating an intimidating, hostile, or offensive school environment, (2) has the purpose or effect of substantially or unreasonably interfering with an employee's school performance, or (3) otherwise adversely affects an employee's employment opportunities. Employees who believe that they have been the subject of unlawful discrimination or harassment due to their disability should contact the following Section 504 Coordinator: Mrs. Kim Standerford at 402-862-2151, kimstanderford@htrstitans.org or in person at school. Employees who believe that they have been the subject of unlawful discrimination or harassment due to their sex should contact the following Title IX Coordinator: Dr. George Griffith at 402-862-2235, georgegriffith@htrstitan.org, 810 Central Ave. Humboldt, NE 68376, or in person at school. Employees who believe that they have been the subject of any other unlawful discrimination or harassment should contact the Dr. George Griffith at 402-862-2235, georgegriffith@htrstitan.org, or in person at school. Employees may report discrimination or harassment to any staff member who will then forward it on to the appropriate coordinator or administrator. The staff member will follow HTRS Public Schools policies to respond to the report.

Student Fees Policy

Under the Public Elementary and Secondary Student Fee Authorization Act, the District is required to set forth in a policy its guidelines or policies for specific categories of student fees. This policy is subject to further interpretation or guidance by administrative or Board regulations which may be adopted from time to time. The Policy includes specific student fees and/or materials required. Elementary students might be required participants of this policy in one area: field trip fees. (Board Policy 5045)

Conferences and Reports to Parents

Students' academic success has been closely linked to parental involvement in school. The school district has formal parent-teacher conferences at the end of the first quarter and during the third quarter. In addition to formal conferences, classroom teachers will communicate with parents as necessary. Parents are encouraged to communicate with their student's teacher or the building principal to discuss parental concerns, student needs or any other issue.

Classroom Assignments

Students will be assigned to a particular teacher at the discretion of the building administrator. The administrator will seek input from previous teachers and specialists to ensure the most appropriate placement.

Retention

Students who do not perform to their capabilities may be retained. The following procedures will be utilized:

- At the end of the first semester, the parent will be notified in writing of possible retention, and a parent conference will be scheduled.
- Student progress will be reported to the parents at conferences at the end of the third quarter and five weeks before the close of school.
- A committee made up of the classroom teacher, a principal, and a special area teacher, if appropriate, will be formed. Following their input, a decision will be made by the parents regarding the retention or advancement of the student. Principal input will be seriously considered.

Lost and Found

All lost and found articles are to be taken to the commons area. Students may claim lost articles there. Unclaimed articles will be donated to a local charity or otherwise disposed of at the conclusion of each semester.

Police Questioning and Apprehension

Police or other law enforcement officers may be called to the school at the request of school administration, or may initiate contact with the school in connection with a criminal investigation. The school district shall inform parents when law enforcement officers seek access to their student prior to the student being questioned unless the officers are investigating charges that the student has been the victim of abuse or neglect. Members of the school district staff will comply with board policy regarding police questioning of students.

Video Surveillance

The Board of Education has authorized the use of video cameras on school district property to ensure the health, welfare, and safety of all staff, students and visitors, and to safeguard District facilities and equipment.

Video cameras may be used in locations deemed appropriate by the Superintendent. If a video surveillance recording captures a student or other building user violating school policies or rules or local, state, or federal laws, it may be used in appropriate disciplinary proceedings against the student or other building user and may also be provided to law enforcement agencies. Unless otherwise authorized by board policy or law, students are prohibited from making audio or video recordings during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school sponsored activity or athletic event, unless the recording is made in a manner permitted by the school for members of the public. For example, students making recordings of an athletic event for their personal use similar to a parent or other patron are permitted, but students are still subject to the district's appropriate use and student discipline policies. An exception will be made to this policy if photographs or video recordings are necessary to accommodate a student's disability or are required by the student's Individualized Education Plan (IEP) or Section 504 Plan. In no event shall photographs or video recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy. Students who violate this policy may be subject to discipline up to and including expulsion.

Field Trips

A well planned field trip is considered a worthwhile educational experience that contributes much to the overall school program. A permission form will need to be signed at the beginning of the school year. Teachers and other adults will accompany the students. The number of adults needed to accompany the students on field trips will be determined by the classroom teacher. In most circumstances, students must ride the bus with their classmates and teachers to their field trip destination and back to school at the conclusion of the field trip.

Parents will be notified in advance when field trips and activities requiring a bus ride will take place. However, on occasion the class may go on a tour within walking distance of the school. Parents will not necessarily be advised in advance of such excursions. (Board Policy 6027)

Classroom Parties

Classroom parties will be limited to three per year and will be no longer than one hour in duration. Supervision will be provided for those students whose parents request that they not participate.

Birthday Treats/Snacks

If children bring treats for the room on their birthday, they will be distributed and consumed before dismissal time. Delivered balloons and/or flower bouquets sent to students will remain in the office until the end of the school day. Suckers are discouraged because of safety concerns. Please make sure birthday treats do not include nuts of any kind, and treats cannot be refrigerated at school due to limited space.

Party Invitations

Although birthday parties, etc., are an "out of school" activity, it is permissible for your child to distribute invitations at school provided all children in the class receive one.

Gifts

The exchanging of gifts between pupil and teacher is discouraged. Gift exchanges among students are prohibited.

Toys

Toy guns, knives, bats, trading cards (baseball, cartoon, etc.), balls, skateboards, roller blades and other toys are not to be brought to school. Key chains and toys hanging from book bags are discouraged as they are a distraction and/or safety concern. Toys confiscated by school personnel will not be returned to the children until the end of the school year.

Pets

Please see that dogs and other pets are kept home and not allowed to follow pupils to school. A call will be made to the parents to come get the pet. If unavailable, the local law enforcement will be contacted. Pets may be brought to school for instructional purposes only. To do so, arrangements must be made with the classroom teachers and building administrator in advance.

School Dress Code

The school dress of elementary students is the responsibility of the parent. Students are expected to be appropriately dressed and acceptably groomed for school. Appropriate clothing shall be that which does not pose a health or safety hazard, does not disrupt classroom learning and behavior, and complies with reasonable standards for cleanliness. Students must wear shoes at all times. Heelys are not permitted at school. Clothing items with inappropriate statements, pictures, or expressions will not be allowed.

Examples-drug or alcohol messages, obscenities, violence, and disrespectful/negative messages. Unacceptable clothing items include the following: very short shorts or skirts;; oversized "sagging" pants and shorts; oversized tank tops worn alone; halter tops; and chains attached to billfolds or pants. For safety reasons during recess times, 'flip-flops' are discouraged. If a student wears a piece of clothing that promotes or advertises the above mentioned items, they will be asked to do one of the following:

1. Call home and request that a parent bring another piece of clothing.
2. If possible, turn and wear the garment inside out.
3. Proceed to the nurse's office to select and wear a piece of clothing from the school's supply. That piece of clothing should then be washed and returned to school the next day.

Makeup and colored lip gloss are not to be brought or worn to school. Writing on hands, arms, face and clothing is not allowed. Temporary tattoos are not allowed. Hair color is restricted to natural colors and should be kept clean and properly groomed. (Board Policy 5031) For playing outdoors in wet and snowy weather, your children need to be equipped with overshoes or rubber boots. Be sure both boots are marked as well as mittens, caps, scarves, etc. Except for extreme weather conditions, children will be outside every day.

Visitors

Parents are encouraged to visit school any time after the first month. That first month is important to let children make the adjustment to school life. We request that visitors call ahead to inform the office staff and classroom teacher. Upon arrival, please check in at the office. In order to maintain an effective learning environment with limited disruption, classroom visits should not exceed one hour and should be arranged with the teacher and principal. Requests exceeding one hour must have approval of the principal. (Board Policy 5018)

Bus Information

Students are expected to abide by the rules and regulations as set forth in the Seward Public School Bus Information Pamphlet. Please read and review these rules with your children. Safety is our first consideration, when transporting children to school. If the bus driver is distracted, danger exists. This is why standards of discipline have been established and must be maintained for our children's safety.

Parents are reminded that school buses are operated for the purpose of providing transportation for children to and from school. Once the bus arrives at the school, the students must enter the school and are subject to the discipline and rules. If for some reason you have not received a School Bus Information pamphlet, notify the Elementary Principal's office. Parents are asked to call the bus driver at his home or the neighbor if their child or children will not be riding the bus on a given day. Parents are asked to contact the transportation director (402-720-8605) for approval if their child(ren) are to be delivered to a different stop on the established route. (Board Policy 5044) The bus driver can issue a code of conduct violation report to a rider that must be signed by the parent/guardian and returned to the bus driver before being permitted to board the bus. If misconduct is recurring, the student will not be allowed to ride the bus.

After School Plans

If a child is planning to go home with a friend, those arrangements must be made between the parents ahead of time. The child must then bring a written note to the classroom teacher informing them about the arrangements. Students will not be allowed to call their parents about plans they made during the school day. The children will be sent home in the usual manner.

District Cell Phone Policy

Possession of cell phones/other electronic communication devices in school is prohibited. If any of this rule is violated, the cell phone will be taken from the student by a school official and turned in to the principal's office.

First offense: The cell phone will be confiscated and held in the principal's office. A phone call will be made for the parents to pick up the cell phone/other electronic communication devices. The principal will inform the parent that a second offense by the student is insubordination.

Second Offense: The cell phone/other electronic communication devices will be confiscated and held in the principal's office. A phone call will be made for the parents to pick up the cell phone/other electronic communication devices. Depending on the circumstances, the principal will determine whether the student receives an in-school suspension for insubordination (Board Policy 6025).

Child Abuse

Any school employee who has reasonable cause to believe that a child has been abused or neglected shall report the suspicion to the building principal immediately. Employees shall also personally report or cause a report to be made to local law enforcement or to the Department of Health and Human Services (Board Policy 4054).

Complaint Procedure

In the event of complaints or concerns, parents are advised to initially attempt to resolve the situation with the teacher or school employee involved. If the problem cannot be resolved, please contact the school principal, who will schedule a meeting with all the people involved. The superintendent and school board members are to be involved after the above steps are exhausted (Board Policy 2006).

The district will follow the rules and protocols created by the Nebraska Department of Education and the United States Department of Education in identifying, evaluating, verifying and serving students who may be entitled to rehabilitation or special education services. The school district shall provide special education and rehabilitative services only to children with verified disabilities and qualifying conditions (Board Policy 6010).

Substitute Teachers

If a long-term substitute is needed for four weeks or more, the school district will do its best to find a substitute that is highly qualified for the position. If this is not possible, parents will be notified in writing.

INTENT OF HANDBOOK

This handbook meets the requirements of HTRS Board Policy 5034 and is intended to be used by students, parents, and staff as a guide to the rules, procedures, and general information about this school district. Students and their parents must become familiar with the handbook, and parents should use it as a resource and assist their children in following the rules contained in it. The use of the word “parents” refers to any adult who has the responsibility for making education-related decisions about a child, including, but not limited to biological parents, adoptive parents, legal guardians, and adults acting in loco parentis.

Although the information in this handbook is detailed and specific on many topics, it is not intended to be all-encompassing or to cover every situation and circumstance that may arise during a school day or school year. This handbook does not create a “contract” with parents, students, or staff, and the administration may make decisions and rule revisions at any time to implement the educational program and to assure the well-being of all students. The administration is responsible for interpreting the rules contained in the handbook. If a situation or circumstance arises not specifically covered in this handbook, the administration will decide based on applicable school district policies, and state and federal statutes and regulations.

SECTION ONE: BASIC SCHOOL RULES AND GENERAL PRACTICES

Attendance

Required Attendance

Every person residing in HTRS who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to dis-enroll pursuant to this policy.

Expectations for Regular Attendance:

Students are expected to attend every class, every day.

1. The only "Excused" absences shall be:
 - a. Absences when a licensed health care provider has confirmed in writing that, in his/her professional medical opinion and within his/her scope of practice, the student or a child whom the student is parenting is so physically or mentally ill that attendance of the student is impracticable or impossible;
 - b. Absences when the weather conditions have made the roads impassable, so that the student's attendance is impracticable or impossible;
 - c. Student attendance at a school-sponsored activity or post-secondary visit (two days for juniors and two days for seniors);
 - d. Student has been suspended or expelled from school by HTRS; and
 - e. Absence required by law enforcement, child protective services, or a court of competent jurisdiction, confirmed in writing to HTRS.
2. All other absences, including absences for minor illnesses, family events, funeral for an immediate family member and routine appointments are considered simply "absent."
3. Upon return from every absence or partial-day absence, students may remain after school for 30 minutes to meet with teachers, work on missed assignments, or simply to study. The location and supervision of the student will be determined by the building principal in consultation with the student's classroom teacher(s).
4. Students must not be absent from any course more than twelve days, in any given semester, to earn academic credit for that course for that semester. Students who lose credit in any given course, due to absences, may appeal that loss of credit to his/her building principal.

Excessive Absenteeism

First Stage Response to Excessive Absences

1. A member of district staff will contact the parent/guardian via telephone for every absence if the parent has not contacted the school in advance.
2. Parents/Guardians will be notified by letter after five (5) absences persemester and again at ten (10) absences a semester. Afterfifteen (15) absences in a semester a meeting will be called and collaborative agreement addressing barriers of attendance will be held.
3. This meeting must be attended by attendance officer, parents, social worker or principal, and the student (if appropriate),
4. This meeting shall be documented.
5. The meeting shall develop a collaborative plan to assist the student in improving his/her attendance.

Second Stage Response to Excessive Absences

Students who accrue more than 20 absences in a school year may be referred to the county attorney for action under NEB. REV. STAT. § 43-247(3) (a) and (b).

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when temporary illness or severe weather conditions make attendance impossible or impracticable.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

Discontinuing Enrollment – 16 and 17 Year Old Students

Only children who are at least 16 years of age may be dis-enrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request that demonstrates that the student meets the district's legal criteria allowing for disenrollment to the superintendent using the applicable district form. The district will follow the procedures outlined on the attached form in considering requests for disenrollment.

Only children dis-enrolling to attend a non-accredited school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending non-accredited schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Pregnant and Parenting Students

Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs. Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student to develop a plan to assist the student in participating in district curriculum and extra-curricular activities.

Breastfeeding and Lactation

In order to accommodate lactating and breastfeeding students, the district will provide reasonable opportunities to express breast milk or breastfeed in a place, other than a bathroom, which is shielded from view and free from intrusion from district students, employees, and the public. The district will also provide a location for students to store expressed breast milk in or near the location designated for students to express milk to create the least amount of disruption to the student's participation in class or activities.

Students who wish or need to express breast milk on a regular schedule must work with school administrators to create a schedule that accommodates the student's needs while facilitating education to the maximum extent possible.

To prevent interference with the educational process, no student shall express breast milk within school classrooms or buses. Nothing in this policy limits the authority of the administration to impose consequences consistent with the Student Discipline Act and other state and federal laws.

Band

Students may participate in the elementary band and begin taking band lessons in the 5th grade. Students in grades 7-8 may participate in the middle school band; grades 9-12 may participate in the high school band. Instruments will be provided by students, or the school as provided by school policy. Fees may be charged as allowed or provided in the Public Elementary and Secondary Student Fee Authorization Act and the school's student fee policy or other applicable policy.

Bills

Students should pay bills for supplies, fines, shop materials, clothing orders, etc. in the school bookkeeper's office. Any check for these payments should be made out to HTRS Public Schools unless otherwise instructed. Pursuant to board policy, the district will assess an additional penalty of \$30 for any check returned from the bank for insufficient funds.

When students purchase items of significant value, such as class rings and letter jackets, they must make payment at the time of purchase or when the order is placed.

Books and Supplies

Students must take care of books and other supplies provided by the district. The school will assess fines for damage to books and school property.

Students must supply their own consumable items such as pens, pencils, tablets, notebooks, erasers, and crayons. Each classroom teacher will prepare a supply list for students at the beginning of the school year.

Bulletin Boards

Bulletin board or electronic publishing space may be provided for the use of students and student organizations for notices relating to matters of general interest to students. The following general limitations apply to all posting or publishing:

1. All postings must be approved by the appropriate building principal or designee. Students may not post any material containing any statement or expression that is libelous, obscene, or vulgar; that would violate board of education policies, including the student code of conduct; or that is otherwise inappropriate for the school environment.
2. All postings must identify the student or the student organization posting or publishing the notice.
3. Material shall be removed after a reasonable time to assure full access to the bulletin boards or electronic publishing media.

Bullying

Students are prohibited from engaging in any form of bullying. The Centers for Disease Control and Prevention defines bullying as "any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated." Nebraska statute defines bullying as "an ongoing pattern of physical, verbal or electronic abuse." The district's administrators will consider these definitions when determining whether any specific situation constitutes bullying. Both definitions include both in-person and cyberbullying behaviors.

The disciplinary consequences for bullying will depend on the severity, frequency, duration, and effect of the behavior and may result in sanctions up to and including suspension or expulsion. Students who believe they are being bullied should immediately inform a teacher or the building principal.

Reporting Bullying

Students who experience or observe bullying behavior must immediately report what happened to a teacher or administrator. Students can use the district's anonymous platform [Safe2Help](#) to make this report. Students may always confer with their parents or guardians about bullying they experience or witness, but the students must also ultimately report the situation to a teacher or administrator.

Bullying Investigations

School district staff will investigate allegations of bullying using the same practices and procedures that the district observes for student disciplinary matters. In no circumstance will school district staff be deliberately indifferent to allegations of bullying.

Cafeteria Rules

1. All food must be consumed in the areas designated by the school.
2. Eat the food you choose to take from the salad bar and be considerate of other classes.
3. Due to the wellness policy soda, energy or high sugar drinks are not permitted in the cafeteria.
4. After students have eaten, they must return trays to the kitchen. All straws, papers, milk cartons should be deposited in the trash cans. Forks and spoons should be placed in the pan with water, NOT THROWN AWAY!

5. Students are to use proper manners including eating quietly.
6. Students may not throw food or other items.
7. Second servings are available to those who have tried to clean their trays and have requisite funds as required by board policy.
8. Students should remain at their tables until they are dismissed.
9. Students must treat lunch personnel with respect.
10. Students who violate the above rules will be disciplined.

Candy and Gum

Students may not bring candy or gum to school unless they have prior permission from their classroom teacher or the administration.

Cell Phones & Other Electronic Devices

Students may not use cell phones or other electronic devices while at school, except as permitted in this handbook.

Students may use cell phones or other electronic devices on the school sidewalks and in the common areas of the school before and after school and passing periods, so long as they do not create a distraction or a disruption, a hazard or a student being tardy.

Students may not use cell phones or other electronic devices while they are in locker rooms or restrooms. Students must comply with each teacher's classroom rules regarding cell phone use in class.

Students may not use cell phones or other electronic devices while riding in a school vehicle unless they have express permission to do so from the vehicle's driver. No flash pictures are permitted while riding school transportation a violation of this rule can result in the loss of all transportation privileges.

Electronic devices including cell phones may be used during lunch but this privilege will be revoked if it is abused.

Students are personally and solely responsible for the security of their cell phones and other electronic devices. HTRS is not responsible for theft, loss, or damage of any electronic device including a cell phone or any calls made on a cell phone.

Students who violate this policy will have their cell phones or other electronic devices confiscated immediately. The administration will return confiscated devices to the offending student's parent or guardian after meeting with the parent or guardian to discuss the violation. Students who violate this policy may, at the discretion of the school's administration, be subject to additional discipline, up to and including suspension.

The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise may constitute a crime under state and/or federal law. Anyone engaged in these activities while on school grounds, in a school vehicle or at a school activity will be subject to the student code of conduct's disciplinary procedures. Any student found to be in possession of obscene, pornographic, lewd, or otherwise illegal images or photographs will be promptly referred to law enforcement and/or other state or federal agencies, which may result in arrest, criminal prosecution, and possible inclusion on sex offender registries.

Cheating, Plagiarism, & Academic Dishonesty

Students may not cheat, plagiarize, or otherwise participate in any academic dishonesty in any form. Prohibited behavior includes:

- ❖ Obtaining, attempting to obtain, or aiding another person to obtain credit for work by any dishonest or deceptive means.
- ❖ Lying.
- ❖ Copying another person's work or answers.
- ❖ Discussing the answers or questions on a test or assignment unless specifically authorized by the teacher.
- ❖ Taking or receiving copies of a test without the permission of the teacher.
- ❖ Using or displaying notes, "cheat sheets," or other sources of unauthorized information.

- ❖ Using the ideas or work of another person or artificial intelligence (AI) as if they were your own without giving proper credit to the source.
- ❖ Submitting work or any portion of work completed by another person or artificial intelligence program.
- ❖ Failing to give credit for ideas, statements, facts, or conclusions which rightfully belong to another person.
- ❖ Failing to use quotation marks or other appropriate means of attribution when quoting directly from another person or source.
- ❖ A student who cheats, plagiarizes, or otherwise participates in any academic dishonesty is subject to discipline, up to and including expulsion.

Child Abuse & Neglect

School employees will report suspected abuse or neglect of a child as required by state law (DHHS or law enforcement within 24 hours) and school policy. Nebraska law defines abuse or neglect as knowingly, intentionally, or negligently causing or permitting a minor child or an incompetent or disabled person to be (1) placed in a situation that endangers his or her life or physical or mental health; (2) cruelly confined or cruelly punished; (3) deprived of necessary food, clothing, shelter or care; (4) left unattended in a motor vehicle, if such child is six years of age or younger; (5) sexually abused; (6) placed in a situation to be sexually exploited through sex trafficking of a minor as defined in state law or by allowing, encouraging, or forcing such person to engage in debauchery, public indecency, or obscene or pornographic photography, films, or depictions; or (7) placed in a situation to be a trafficking victim as defined in state law.

Class Dismissal

Classes are in session from the ringing of the tardy bell until the **teacher** dismisses the class. The bell at the end of the period is not a dismissal bell, and students may not leave their classrooms until they have been excused by their classroom teacher.

Classroom Behavior

Student behavior and attitude in the classroom must be cooperative and serious. All students must:

- arrive to class on time;
- prepare for class with all necessary materials;
- be considerate of others;
- respond promptly to all directions of the teacher; and
- take care of school property and the property of others.

Teachers will establish classroom conduct rules that students must obey.

Closed Campus

The school campus is a closed campus. Except for seniors, all students shall remain on the school campus during the hours that school is in session unless released by the building principal or building principal's designee. The building principal or designee will release a student only upon confirming that the student has permission from a parent or an authorized adult. Nothing in this policy shall prevent the school from sending a student home when the student is ill.

Communicable Diseases

Any student who has contracted a contagious disease may be restricted from attendance at school until the student is no longer contagious. HTRS uses the Title 173- Nebraska Health and Human Services/Control of Communicable Disease, Chapter 3 of the Nebraska Administrative Code as a "best practice" guideline for contagious and infectious diseases. If there are questions regarding the communicability of your child's health condition or if you know your child has contracted a contagious or communicable disease or condition not otherwise specified in board policy or this handbook, please call 402-862-2151.

Communicating With Parents

Effective communication between home and school is crucial to students' educational success. Both teachers and parents must work to communicate frequently about students' progress. Methods of communication include, but are not limited to, parent-teacher conferences, e-mail, telephone contact, school visitation by parents and home visitation by teachers. Teachers must notify parents about unsatisfactory student work promptly and prior to the end of a grading period.

The school calendar will provide opportunities for formal parent-teacher conferences. The conferences need not be limited to these days; they should be scheduled at times that will allow adequate time for an effective conference.

Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to board members, patrons, students and school staff, unless the staff member is subject to a different grievance procedure pursuant to policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems. When such efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth below.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint & Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant believes speaking directly to the person would subject complainant to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, Title IX/504 coordinator, superintendent of schools, or president of the board of education, as set forth below.
 - a. Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b. Complaints about the operations of HTRS or a building principal should be submitted in writing to the superintendent of schools.
 - c. Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.
 - d. Complaints involving discrimination or harassment based on race, color, national origin, sex, marital status, disability, or age may also be submitted, at any time during the complaint procedure to HTRS's Title IX/504 coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.
3. When a complainant submits a complaint to an administrator or to the Title IX/504 coordinator, the administrator or Title IX/504 coordinator shall promptly and thoroughly investigate the complaint, and shall:
 - A. Determine whether the complainant has discussed the matter with the staff member involved.
 - i. If the complainant has not, the administrator or Title IX/504 coordinator will urge the complainant to discuss the matter directly with that staff member, if appropriate.
 - ii. If the complainant refuses to discuss the matter with the staff member, the administrator or Title IX/504 coordinator shall, in his or her sole discretion, determine whether the complaint should be pursued further.
 - B. Strongly encourage the complainant to reduce his or her concerns in writing.
 - C. Interview the complainant to determine:
 - i. All relevant details of the complaint;
 - ii. All witnesses and documents which the complainant believes support the complaint;
 - iii. The action or solution which the complainant seeks.
 - D. Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the administrator or Title IX/504 coordinator received the complaint.
4. If either the complainant or the accused party is not satisfied with the administrator's or the Title IX/504 coordinator's decision regarding a complaint, he or she may appeal the decision to the superintendent.
 - a. This appeal must be in writing.

- b. This appeal must be received by the superintendent no later than ten (10) business days from the date the administrator or Title IX/504 coordinator communicated his/her decision to the complainant.
 - c. The superintendent will investigate as he or she deems appropriate. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.
 - d. Upon completion of this investigation, the superintendent will inform the complainant in writing of his or her decision. If the complaint involved discrimination or harassment, the superintendent shall submit the decision within 180 days after the superintendent received complainant's written appeal.
5. If either the complainant or the accused party is not satisfied with the superintendent's decision regarding a complaint, he or she may appeal the decision to the board.
- a. This appeal must be in writing.
 - b. This appeal must be received by the board president no later than ten (10) business days from the date the superintendent communicated his/her decision to the complainant.
 - c. This policy allows but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.
 - d. The board will notify the complainant in writing of its decision. If the complaint involved discrimination or harassment, the board shall submit its decision within 180 days after it received the complainant's written appeal.
 - e. There is no appeal from a decision of the board.
6. When a formal complaint about the superintendent of schools has been filed with the president of the board, the president shall promptly and thoroughly investigate the complaint, and shall:
- A. Determine whether the complainant has discussed the matter with the superintendent.
 - i. If the complainant has not, the board president will urge the complainant to discuss the matter directly with the superintendent, if appropriate.
 - ii. If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should be pursued further.
 - b. Strongly encourage the complainant to reduce his or her concerns to writing.
 - c. Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting.
 - d. Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the president received the complaint.

No Retaliation

HTRS prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services & Related Services to Students with Disabilities

Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by HTRS. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to HTRS's Director of Special Education. The Director of Special Education will address the complaint in a way he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided for a student with a disability pursuant to a Section 504 plan must be submitted to HTRS's 504 Coordinator. The 504 Coordinator will address the complaint in a way he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student suspected of having a disability must be submitted in writing to HTRS's Director of Special Education or the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings

The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. Complaints filed (a) without a good faith intention to attempt to resolve the issues raised; (b) for the purpose of adding administrative burden; (c) at a volume unreasonable to expect satisfactory resolution; or (d) for purposes inconsistent with the efficient operations of the district may be dismissed by the superintendent without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section.

Computer Network Use by Students

Students are expected to use computers and the Internet as an educational resource. The following procedures and guidelines govern the use of computers and the Internet at school.

I. Student Expectations in the Use of the Internet

A. Acceptable Use

1. Students may use the Internet to conduct research assigned by teachers.
2. Students may use the Internet to conduct research for classroom projects.
3. Students may use the Internet to gain access to information about current events.
4. Students may use the Internet to conduct research for school-related activities.
5. Students may use the Internet for appropriate educational purposes.

B. Unacceptable Use

1. Students shall not use school computers to gain access to material that is obscene, pornographic, harmful to minors, or otherwise inappropriate for educational uses.
2. Students shall not engage in any illegal or inappropriate activities on school computers, including the downloading and copying of copyrighted material.

5. Students shall not disclose personal information, such as their names, school, addresses, or telephone numbers outside the school network.
6. Students shall not use school computers for commercial advertising or political advocacy without the system administrator's written permission.
7. Students shall not publish web pages that purport to represent HTRS or the work of students at HTRS without the express written permission of the system administrator.
8. Students shall not erase, rename, or make unusable anyone else's computer files, programs or disks.
9. Students shall not share their passwords with fellow students, school volunteers or any other individuals, and shall not use, or try to discover, another user's password.

11. Students shall not write, produce, generate, copy, propagate, or attempt to introduce any computer code designed to self-replicate, damage, or otherwise hinder the performance of any computer's memory, file system, or software. Such software is often called a bug, virus, worm, or Trojan Horse.
12. Students shall not configure or troubleshoot computers, networks, printers or other associated equipment, except as directed by a teacher or the system administrator.

13. Students shall not take-home technology equipment (hardware or software) without permission of the system administrator.
14. Students shall not falsify electronic mail messages or web pages.

II. Enforcement

A. Methods of Enforcement

1. The district monitors all Internet communications, Internet usage, and patterns of Internet usage. Students have no right of privacy to any Internet communications or other electronic files. The computer system is owned by HTRS. As with any school property, any electronic files on the system are subject to search and inspection at any time.
2. HTRS uses a technology protection measure that blocks access to some Internet sites that are not in accordance with the policy of HTRS. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.
3. Due to the nature of filtering technology, the filter may at times filter pages that are appropriate for student research. The system administrator may override the technology protection measure for the student to access a site with legitimate educational value that is wrongly blocked.
4. HTRS staff will monitor students' use of the Internet through direct supervision and by monitoring Internet use history to ensure enforcement of the policy.

B. Consequences for Violation of this Policy

1. Access to the school's computer system and to the Internet is a privilege, not a right. Any violation of school policy and rules may result in:
 - a. Loss of computer privileges.
 - b. Short-term suspension.
 - c. Long-term suspension or expulsion in accordance with the Nebraska Student Discipline Act; and
 - d. Other disciplines such as school administration and the school board deem appropriate.
2. Students who use school computer systems without permission and for non-school purposes may be guilty of a criminal violation and will be prosecuted.

III. Protection of Students

A. Children's Online Privacy Protection Act (COPPA)

1. The school will not allow companies to collect personal information from children under 13 for commercial purposes. The school will make reasonable efforts to disable advertising in educational computer applications.
2. This policy allows the school to act as an agent for parents in the collection of information within the school context. The school's use of student information is solely for educational purposes.

B. Education About Appropriate On-Line Behavior

1. School district staff will educate students about appropriate online behavior, both in specific computer usage units and in the educational curriculum.
2. Staff will specifically educate students on
 - a. Appropriate interactions with other individuals on social networking websites and in chat rooms.
 - b. Cyberbullying awareness and response.
3. HTRS's technology director shall inform staff of this educational obligation and shall keep records of the instruction which occurs in compliance with this policy

Academic P/T Conferences

Students' academic success has been closely linked to parental involvement in school. HTRS has formal parent-teacher conferences at the end of the first quarter and during the third quarter. Beginning with the class of 2030, spring conferences will be scheduled, and student led for the development of the student's Personal Learning Plan (PLP).

In addition to formal conferences, classroom teachers will communicate with parents as necessary. Parents are encouraged to communicate with their student's teacher or the building principal to discuss parental concerns, student needs or any other issue.

Copyright & Fair Use

HTRS complies with federal copyright laws. Students must comply with copyright laws when using school equipment or working on school projects and assignments. Federal law prohibits the unauthorized reproduction of works of authorship, regardless of the medium used to retrieve it.

The "fair use" doctrine allows limited reproduction of copyrighted works for educational and research purposes. "Fair use" of a copyrighted work includes reproduction for purposes such as criticism, news reporting, teaching (including multiple copies for classroom use), scholarship, or research. Students who are unsure whether their proposed reproduction of copyrighted material constitutes "fair use" should consult with their teacher or building principal, review HTRS' s copyright compliance policy, and review *Copyright for Students* found at <https://www.whoishostingthis.com/resources/student-copyright/>. You can find more information on copyright compliance requirements and permitted uses from the U.S. Copyright Office and the Library of Congress at the following site:

<http://www.loc.gov/teachers/usingprimarysources/copyright.html>.

Damage to School Property

Students who damage school property either intentionally or unintentionally may be required to pay to replace or restore the property, at the discretion of the administration.

Dating Violence

Dating violence, as that term is defined by Nebraska law, will not be tolerated by HTRS. Students who engage in dating violence on school grounds, in a school vehicle or at a school activity or that otherwise violates the Nebraska Student Discipline Act will receive consequences consistent with the Act and the district's student discipline policies.

HTRS shall provide dating violence training to staff deemed appropriate by the administration and in accordance with Nebraska law.

Discrimination & Harassment

HTRS prohibits discrimination and harassment based upon or related to race, color, national origin, sex, religion, marital status, disability, age or any other unlawful basis that (1) has the purpose or effect of creating an intimidating, hostile, or offensive school environment, (2) has the purpose or effect of substantially or unreasonably interfering with a student's school performance, or (3) otherwise adversely affects a student's school opportunities. Students who believe that they have been the subject of unlawful discrimination or harassment due to their disability should contact the following Section 504 Coordinator: Mrs. Kim Standerford at 402-862-2151, by email: kimstanderford@htrstitans.org or in person at school. Students who believe that they have been the subject of unlawful discrimination or harassment due to their sex should contact the following Title IX Coordinator: Mrs. Kim Standerford at 402-862-2151, by email: kimstanderford@htrstitans.org or in person at school. Students who believe that they have been the subject of any other unlawful discrimination or harassment should contact Dr. George Griffith at 402-862-2235, by email: georgegriffith@htrstitans.org or in person at school. Students may report discrimination or harassment to any staff member who will then forward it on to the appropriate coordinator or administrator. The staff members will follow school district policies to respond to the report.

Dress Code

Every student attending HTRS Public Schools is expected to always be neat in appearance and dress. People's opinions of our school are based on the way students represent it in dress and conduct. Student appearance reflects both themselves and HTRS.

The following is an example of prohibited clothing options:

1. Clothing that displays indecent, suggestive, or profane writing, pictures, or slogans.
2. Clothing that advertises or displays alcohol, tobacco, or any illegal substance.
3. Caps, hats, hoodies over their head, blankets, bandannas, and sunglasses (except for concussion protocol between 7:30 am and 4:00 pm on school days).

4. Barefoot (footwear is required).
5. Any clothing that could cause damage to others or school property.
6. Shirts, blouses, or other clothing worn unbuttoned, unzipped, or otherwise purposely unfastened.
7. Costumes and/or those clothes that are intended only for leisure, entertaining or special occasions.
8. No undergarments worn and external clothing..
9. Pants and shorts worn below the waist exposing undergarments or that drag on the floor.
10. The above may be altered on a school-wide basis for specific situations.

Students who violate dress code guidelines will be required to correct the violation by changing into something appropriate at school or returning home to change. A detention or suspension may be given to make up the time away from school. Students will also receive zeros for any class time they miss while correcting the violation. Repeated dress code violations may result in more severe consequences.

Driving & Parking Personal Vehicles

Students who drive privately owned motor vehicles to school must obey the following rules:

1. Students who drive to school are required to park their vehicles and leave them unoccupied until it is time to drive home. The speed limit on school property is five miles per hour. Students may not drive or have access to their vehicles during the school day without the express permission of their building principal or the superintendent of schools.
- C. Students are to park appropriately and in the assigned areas on school property. Student parking shall not be permitted in bus loading zones. When the buses are loading or unloading, all vehicles must stop and wait for the loading or unloading process to be completed.
- D. By driving a vehicle to school and parking on school grounds, students consent to having that vehicle searched by school officials if school officials have reasonable suspicion that such a search will reveal a violation of school rules.

Any unsafe driving will be referred for a citation by the Richardson County Sheriff's Office

Emergency Contact Information

Parents must complete an emergency information card for each child enrolled in the district. The card should list the family physician's name, where parents or a responsible adult can be found, and any necessary emergency instructions. Parents must promptly inform the school if this contact information changes during the school year.

Evacuations

HTRS will hold routine evacuation drills throughout the school year. Classroom teachers will provide students with detailed instructions on building evacuations.

Food Service Program

HTRS provides a food service program designed to provide adequate nutrition and an educational experience for students.

Breakfast

The school will serve breakfast daily from 7:30 a.m. until 7:50 a.m. Students who qualify for free or reduced-price lunch also qualify for free or reduced-price breakfast. HTRS charges students \$2.60 and adults \$2.60 for breakfast.

Lunch

Lunch prices depend on the federal funding that the program receives. Lunch for 6-12 lunch is \$3.20 for students and \$4.70 for adults.

Milk Break

The school will offer a milk program to students in grades K-2. Milk served to a student (except the initial carton served with lunch) will cost \$0.35 per half pint. The price for milk may change during the school year. Milk will be served at the morning recess. Teachers will record the number of cartons of milk each child consumes and give the information to the office at the end of the month where it will be added to the family account.

Payment for Meals

Students are encouraged to pay for meals several weeks in advance. Payment should be made to the bookkeeper in the office or e~fund at <https://payments.efundsforschools.com/v3/districts/56017/>.

If a student has no funds available to pay for a meal, they can charge for up to five meals. Thereafter, if a student has no funds available to pay for a meal, no food will be provided.

Students who qualify for free meals will not be denied a reimbursable meal, even if they have a negative balance from other food purchases. School staff may prohibit any students from charging a la carte or extra items if they do not have cash in hand or their account has a negative balance.

If a student repeatedly lacks funds to buy a meal, has not brought a meal from home, and is not enrolled in a free meal program, the district will use its resources and contacts to protect the health and safety of the student. Failure or refusal of parents or guardians to provide meals for students may require mandatory reporting to child protection agencies as required by law.

It is the student and parent's responsibility to pay for the student's meals in advance. Payment can be made by the day, week or month. A student's account will be allowed to become delinquent up to a negative \$5.00. The parent will be notified weekly by electronic notification system when the student's account reaches \$25.00 and each week thereafter that it is below \$25.00. Any student who has a negative \$5.00 balance on their account will be offered a peanut-butter or cheese sandwich and milk or other proper action at the discretion of administration.

Students who bring their own lunches are to eat in the lunchroom. Students may not bring or consume pop (soda) in the lunchroom. Food/drinks will not be allowed in the small gym, locker rooms or elsewhere on school grounds during noon hour unless staff have scheduled a working lunch.

Collection of Delinquent Meal Charge Debt

HTRS is required to make reasonable efforts to collect unpaid meal charges. The building principal or his or her designee will contact households about unpaid meal charges and notify them again of the availability of the free and reduced meal program and/or establish payment plans and due dates by telephone, e-mail, or other written or oral communication. If these collection efforts are unsuccessful, HTRS may pursue any other methods to collect delinquent debt as allowed by law.

Collection efforts may continue into the new school year.

Notice of Non-discrimination

In accordance with federal law and U.S. Department of Agriculture policy, this institution is prohibited from discrimination based on race, color, national origin, sex, age, disability, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

Mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights

Washington, D.C. 20250-9410

Fax: (202) 690-7442; or

Email: program.intake@usda.gov

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact HTRS. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

Field Trips

Classes occasionally take field trips off school property for educational enrichment. A student's parent, or "caregiver" as that term is defined in the Nebraska Strengthening Families Act, must authorize a student to participate in a field trip by signing a

permission slip and providing it to the school before the field trip. Students must comply with the student code of conduct, any applicable extracurricular conduct codes, and all directives by trip chaperones.

First-Aid

First-aid items may only be used by school staff. Students who need first aid should ask for assistance from their classroom teacher or the nearest staff member.

Eye Exams

All students enrolling in kindergarten or transferring into HTRS from out of state must undergo a visual examination by a physician, a physician assistant, an advanced practice registered nurse, or an optometrist, which consists of testing for amblyopia, strabismus, and internal and external eye health, with testing sufficient to determine visual acuity, except that no such physical examination or visual evaluation shall be required of any child whose parent or guardian objects in writing. They must provide evidence of the vision examination within six months prior to entrance. The cost of such physical examination and visual evaluation shall be borne by the parent or guardian of each child.

Head Lice

Students found to have head lice will not be permitted at school and will be sent home. Upon discovering any sign of lice, the student's parent(s) or guardian(s) will be notified and, if appropriate, asked to pick up the student from school immediately.

Students will not be allowed to return to school until the district finds that no live lice can be detected. The parent(s) or guardian(s) will have to treat the student and accompany the student to school to be examined.

The student cannot ride the school bus until the district has cleared the student to return to school.

Immunizations

All students entering kindergarten must have a medical physical, updated immunization card and eye exam by a medical doctor before the start of the new school year. Incoming kindergarten students will also have to submit an original birth certificate document.

Students transferring into the HTRS Schools from another district may do so by contacting the school office at (402) 862-2151. State Law requires all transfer students to provide an original birth certificate document, immunizations and health records. According to the Nebraska State Law, all students entering the seventh grade or transferring from another state must provide a school physical form to the office prior to being enrolled at HTRS. These physicals may also be used as the medical physical form for athletic participation. A parent must sign a Release of Information Form for records from the prior school district.

State law requires new students to show proof of immunization for childhood diseases before your child can attend school in Nebraska. If your child's immunization card is in the school records which will be sent from your prior school, that will be sufficient until we receive the records. HTRS requires a complete record of immunizations before your child may start school.

Provisional Enrollment.

Students who meet the statutory requirements for provisional enrollment shall be allowed to attend school for sixty days without the necessary immunizations.

Students exempted from the immunization requirement may be excluded from school in case of any contagious disease outbreak in the school population.

Health Problems Limiting Activities

Parents who do not want their children to play outdoors or take part in physical education for health reasons must send a written request to school. If a student persistently requests to be excused from these activities, the building principal or classroom teacher may require a doctor's verification.

Parents should notify the principal or superintendent if their student has any special health problems such as diabetes, asthma, or the like.

Homebound Instruction

HTRS may provide a student with instruction in his or her home and under parental supervision if the student is physically or mentally ill or injured and unable to attend regular classes for an extended period of time. Homebound instruction shall be

provided when the student's physical and mental condition are such that the student can benefit from instruction and no other provision will meet the student's educational needs. If you believe that homebound instruction is appropriate for your child, please contact the building principal to initiate the appropriate process to determine eligibility.

Homeless Children and Youth

Homeless students generally include children who lack a fixed, regular, and adequate nighttime residence, as further defined by applicable state and federal law.

It is the school's policy not to stigmatize or segregate homeless students based on their status. Transportation for homeless students who enroll in the district shall be offered by the district under the same guidelines applying to other students or if such transportation is necessary for compliance with federal law.

Each homeless child shall be provided services for which the child is eligible comparable to services provided to other students in the school selected regardless of residency. Homeless children shall be provided with access to education and other services that such children need to ensure that they have an opportunity to meet the same student performance standards to which all students are held.

If a homeless child registered to attend school in the district is receiving family reconciliation services pursuant to state law, the district will work in cooperation with any county or department of social services in the district to jointly develop an educational program for the child. The district's homeless coordinator is Dr. George Griffith, who may be contacted at 402-862-2235.

Illness or Injury at School

Students who feel ill or are hurt while at school should seek immediate help from their classroom teacher or the nearest staff member. The school will contact parents to pick students up from school whenever necessary. When school officials determine that a student needs immediate medical attention, but the parents cannot be reached by phone, emergency services will be summoned, or the student will be taken directly to the doctor and/or hospital. Parents must complete an emergency information card for each child enrolled in the district. The card should list the family physician's name, where parents or a responsible adult can be found, and any necessary emergency instructions.

Initiations & Hazing

Initiations and hazing by members of classes, clubs, athletic teams, or any other organization affiliated with the district are prohibited except as otherwise allowed by this policy. Any student engaging in hazing or non-approved initiations is subject to discipline as allowed by policy and law.

Initiations are defined as any ritualistic expectations, requirements, or activities placed upon new members of a school organization for the purpose of admission into the organization, even if those activities do not rise to the level of "hazing" as defined below. Initiations are prohibited except by permission of the superintendent.

Hazing is defined as any activity by which a person intentionally or recklessly endangers the physical or mental health or safety of an individual for the purpose of initiation into, admission into, affiliation with, or continued membership in any school organization. Hazing activities include, but are not limited to, whipping, beating, branding, an act of sexual penetration, an exposure of the genitals of the body done with the intent to affront or alarm any person, a lewd fondling or caressing of the body of another person, forced and prolonged calisthenics, prolonged exposure to the elements, forced consumption of any food, liquor, beverage, drug, or harmful substance not generally intended for human consumption, prolonged sleep deprivation, or any brutal treatment or the performance of any unlawful act that endangers the physical or mental health or safety of any person.

Lockers & Other School Property

HTRS owns and exercises exclusive control over student lockers, desks, computer equipment, and other such property. Students should not expect privacy on usage of or items placed in or on school property, because school property is subject to search at any time by school officials. Periodic, random searches of lockers, desks, computers, and other property may be conducted at the administration's discretion. The locker assignment is temporary and may be revoked at any time. School officials may inspect student lockers without any particularized suspicion or reasonable cause.

Lost & Found

All lost and found articles are to be taken to the office. Students may claim lost articles there. Unclaimed articles will be donated to a local charity or disposed of at the end of each semester.

Medications

Whenever possible, parents should arrange medication schedules to prevent the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, HTRS will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

Prescription Medication.

Students may, with written parental or guardian permission, carry and self-administer a medically necessary inhaler but students may NOT carry or use any other medication including over-the-counter medications.

(1) Parents/guardians must provide a physician's written authorization for the administration of the medication. (2) Parents/guardians must provide their own written permission for the administration of the medication. (3) The medication must be brought to school in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.

Non-prescription medication.

(1) Parents/guardians must provide written permission for the administration of the medication. (2) The medication must be brought to the school in the manufacturer's container. (3) The container must be labeled with the child's name and with directions for provision or administration of the medication

No staff members other than the school nurse or designated trained staff may dispense medications (prescription or over the counter) to students at any time. Students may, with written parental or guardian permission, carry and self-administer a medically necessary inhaler but students may NOT carry or use any other medication including over-the-counter medication.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician about any medication prescribed by such physician.

Media Center

Students must check out materials from the librarian on duty. Each borrower is responsible for all books checked out in his/her name. A fine of five cents per day per book may be charged for overdue books. Each student is responsible for any fine that accumulated on a book charged to him/her. If a book is lost and not found by the end of the semester, the student must pay for it. Students must also pay for any damage they cause to library books.

Memorials

Memorials or plaques honoring deceased students are generally not allowed in or on the school grounds unless authorized by board policy. Dedication to students will not be allowed.

Scholarships in the deceased person's name will not be set up by the school. Scholarships set up by outside organizations or individuals, such as a foundation, will be allowed.

Opting Out of Assessments

The Board of Education has adopted a policy on approval and denial of state and federal assessment opt-out requests, which is based on requirements in law. The policy can be requested by contacting the Superintendent of Schools.

Parental Involvement

HTRS recognizes the unique needs of students who are being served in its Title I program, and the importance of parent and family engagement in the Title I program. Parent and family engagement in the Title I Program shall include, but is not limited to:

1. An annual meeting to which all parents of participating children will be invited to inform parents of their school's participation under this part, to explain the requirements of this part, and the right of the parents to be involved. Invitations may take the form of notes sent with students or announcements in the school newsletter. Additional meetings may be scheduled, based upon need and interest for such meetings.
2. An explanation of the details for the child's and parents' participation, including but not limited to: curriculum objectives, the forms of academic assessment used to measure student progress and the achievement levels of the challenging State academic standards, type and extent of participation, parental input in educational decisions, coordination, and integration with other Federal, State, and district programs, and evaluations of progress.
3. Opportunities for participation in parent involvement activities, such as training to help parents work with their children to improve achievement. The goal of these parent activities is to provide parents with opportunities to participate in decisions relating to the education of their students, where appropriate.
4. The district will, to the extent practicable, provide parents of limited English proficiency, parents with disabilities, parents with limited literacy, are economically disadvantaged, are of a racial or minority background or parents of migratory children with opportunities for involvement in the Title I Program. Communication to parents about student progress and the district's other Title I Program communications will be provided in the language used in the home to the extent practicable. Responses to parent concerns will be provided promptly.
5. Opportunities for parent-teacher conferences, in addition to those regularly scheduled by HTRS, if requested by the parents or as deemed necessary by school district staff.
6. The district will coordinate and integrate parental involvement programs and activities with other programs in the community. These may include cooperation with other community programs like Head Start and preschools and other community services like the public library.
7. The district will educate teachers, specialized instructional support personnel, principals, and other school leaders, with the assistance of parents in the value and utility of contributions of parents, how to reach out to, communicate with and work with parents as equal partners.

Personal Property

Students are asked not to bring private property to school. The school and school personnel are not held responsible for any item brought from the home should any damage occur or should that item be lost or stolen. Students are cautioned not to bring large amounts of money or items of value to school. If it is necessary to bring valuable items or more money than is needed to pay for lunch, leave the money or valuables with a staff member in the school office for temporary keeping.

Physical Education

HTRS requires students to receive physical education to assist them in developing gross and fine motor skills. Students are not required to wear P.E. uniforms, but are encouraged to wear tennis shoes for P.E.

Physical Exam

Students entering kindergarten and the seventh grade, and those entering school from another state, are statutorily required to show evidence that they have had a physical examination within six months prior to the date of entering school.

Pictures

HTRS arranges for a photographer to be present at school in the fall to take class pictures. Parents will be notified of the date. Included in the individual packet is a class composite. Parents who want pictures of their students or of their student's class composite may purchase them directly from the photographer.

Playground Rules

Students must follow these rules to keep the playground safe when they are using the playground as part of the school day:

1. Students must always obey the playground supervisor.
2. Students may not enter the street/highway to retrieve a ball unless given permission by the playground supervisor.
3. Students must play away from the school windows.
4. Touch and flag football are permitted, but tackle football is prohibited. Students may only play football in grassy areas.

5. Students may throw balls and other authorized play equipment. They may not throw rocks, gravel, snowballs, and clothing.
6. Students must use the playground equipment properly and in a safe manner.
7. Students may not leave the playground after they have arrived at school for the day.

Students who violate these rules will be disciplined with the loss of recess or other privileges, detention, and/or other consequences.

The school's playgrounds, equipment, and surrounding areas are generally not supervised. Staff will supervise students when the students are using these areas as part of the school day or as part of a school activity. At all other times and circumstances, HTRS does not supervise its playgrounds, equipment, and surrounding areas.

Police Questioning and Apprehension

Police or other law enforcement officers may be called to the school at the school administration's request or may initiate contact with the school in connection with a criminal investigation. HTRS shall inform parents when law enforcement officers seek access to their student prior to the student being questioned unless the officers are investigating charges that the student has been the victim of abuse or neglect. Members of HTRS staff will comply with board policy regarding police questioning of students.

Protection of Student Rights

The Board of Education respects the rights of parents and their children and has adopted a Protection of Pupil Rights policy in consultation with parents to comply with the Protection of Pupil Rights Amendment (PPRA). HTRS Policy 5015 is available on the district's website or upon request from the district's administrative office. Parents may opt their child out of participation in activities identified by the Protection of Pupil Rights policy by submitting a written request to the superintendent. Parents may have access to any survey or other material described in the Protection of Pupil Rights policy by submitting a written request to the superintendent.

ACT Exam

Students taking the ACT Exam will be prompted to complete a short, optional questionnaire addressing several topics. If you wish to review this questionnaire before the exam, please submit a written request to the superintendent.

Public Displays of Affection

Students may not engage in public displays of affection that are disruptive to the school environment or distracting to others. Prohibited conduct includes hugging, kissing, touching or any other display of affection that a staff member determines to be inappropriate.

Reasonable Suspicion Testing

Students may be required to submit to drug or alcohol testing if there is a reasonable suspicion that the student is under the influence of drugs or alcohol.

Rights of Custodial & Non-Custodial Parents

HTRS will honor the parental rights of natural and adoptive parents unless those rights have been altered by a court.

The term "custodial parent" refers to a biological or adoptive parent to whom a court has given primary physical and legal custody of a child, and a person such as a caseworker or foster parent to whom a court has given legal custody of a child.

The district will not restrict the access of custodial and non-custodial parents to their students and their students' records, unless the district has been provided with a copy of a court order that limits those rights. If the district is provided such a court order, school officials will follow the directives set forth in the order.

The district will provide the custodial parent with routine information about his or her child, including notification of conferences. The district will not provide the non-custodial parent with such information on a routine basis but will provide it upon the non-custodial parent's request unless it has been denied by the courts.

A non-custodial parent who wishes to attend conferences regarding his or her child will be provided with information about conference times so both parents may attend a single conference. The district is not required to schedule separate conferences if both parents have been previously informed of scheduled conference times.

If either or both parents' behavior is disruptive, staff members may terminate a conference and reschedule it with appropriate modifications or expectations.

Secret Organizations

Secret organizations are prohibited.

School Day

The school day typically begins at 7:55 a.m. and ends at 3:34 p.m. Students are to leave the school grounds after dismissal. School staff will provide supervision for students on school grounds 15 minutes before the school day begins and 15 minutes after the school day ends. **There will be no supervision provided by the school before or after these times.** Parents must arrange for their children to leave school promptly at the end of the day.

Self-Management of Diabetes or Asthma/Anaphylaxis

Subject to school policy, HTRS will work with the parent or guardian in consultation with appropriate medical professionals to develop a medical management plan for a student with diabetes, asthma, or anaphylaxis. Parents desiring to develop such a plan should contact Jessica Strauch, 402-862-2151.

Smoking and Tobacco

The use or possession of any tobacco product, including cigarettes, cigars, or other tobacco or tobacco derivative products; vapor products or electronic nicotine delivery systems; alternative nicotine products; or any other such look-alike or imitation product, is not permitted on school property at any time.

The administration is authorized to use sniffer dogs to minimize illicit items on school grounds. Students and staff are specifically notified of the following:

1. Lockers may be sniffed by sniffer dogs at any time.
2. Vehicles parked on school property may be sniffed by sniffer dogs at any time.
3. Classrooms and other common areas may be sniffed by sniffer dogs when students and staff are not present.
4. If contraband of any kind is found, the student or staff member shall be subject to appropriate disciplinary action.

Standardized Testing

MAPS Testing is administered annually in grades 6-11 to determine the students' growth toward individual success. Tests are administered in fall; winter and the results are sent home.

Student Assistant g Team (SAT)

Parents who believe their students have any learning, behavior, or emotional needs not addressed by HTRS should contact their teacher. If appropriate, the teacher may convene the Student Assistant Team (SAT). The SAT can explore possibilities and strategies that will best meet the educational needs of the student.

Student Fee Policy

HTRS shall provide free instruction in accordance with the Nebraska State Constitution and Nebraska state law. The district also provides activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction. Under the Public Elementary and Secondary Student Fee Authorization Act, the district is permitted to charge students fees for these activities or to require students to provide specialized equipment and attire for certain purposes. This policy is subject to further interpretation or guidance by administrative or board regulations. Students are encouraged to contact their building administration, their teachers or their coaches, and sponsors for further specifics.

Technological Devices

Laptop Initiative:

If the student/parent chooses to participate in the HTRS 6 - 12 Laptop Initiative, the student/parent must pay a laptop usage fee of \$35.00. It is the student's responsibility to help maintain the hardware provided for their use by the HTRS District. Any damage that occurs is the student's responsibility. The district may charge the party responsible repair costs based on the damage incurred. Bills must be paid in full by the end of the school year when students check the laptops back in. The student will not be able to check out a laptop the following year until this bill is paid in full.

Library Checkout:

Students/parents may prefer NOT to participate in the HTRS Take-Home 1:1 Laptop Initiative. The student/parent may then choose to participate in the Checkout 1:1 Laptop Program. This program consists of checking out a 1:1 laptop to be used during the school day to complete assignments or educational projects requiring the use of a computer. The student will have a laptop assigned to them but must ask permission from their teacher/librarian to check out the laptop. This laptop is not to go out of the building and must be checked back into the library by 3:15 or the end of the day. Students/parents will be held responsible for the care of the laptop, just like any other school-used device. Students will be required to sign the "Student Pledge for Laptop Use" located in the PowerSchool Forms in their student account to participate in this option.

Financial Responsibility

The HTRS laptops will be checked out to the student with the understanding that the property belongs to the school and is loaned out in good working order. Students are expected to care for and be responsible for the laptops just like textbooks, activity equipment, and other class/district property. The care of the laptop is the responsibility of the student regardless of whether they are taken home or checked out for use during the school day as outlined in the student handbook.

Students/Parents are responsible for:

1. Damage for any reason is the responsibility of the student/parent to contact the school.
2. The student/parent agrees that if there is a violation of copyright law or other illegal activities attributed to the student's use of the property, the district will be compensated, and the student will be subject to a penalty under the law.
3. Consequences for a Laptop Infraction:
 - A. First Offense: A verbal warning
 - B. Second Offense: Letter sent to the parents
 - C. Third or more Offenses: Detention

The HTRS administration has the final decision in the issuance of consequences for laptop violations

Extracurricular Activities: HTRS may charge students a fee to participate in extracurricular activities to cover the district's reasonable costs in offering such activities. The district may require students to furnish specialized equipment and clothing required for participation in extracurricular activities or charge a reasonable fee for the use of district-owned equipment or attire. Attached to this policy is a list of the fees charged for particular activities. The coach or sponsor will provide students with additional written guidelines detailing the fees charged, the equipment and/or clothing required, or the usage fee charged. The guidelines will explain the reasons that fees, equipment, and/or clothing are required for the activity.

School Dances: Organizations may have a school dance or special activity if approved by the administration and sponsor. Dances or other activities will be co-sponsored by parents and sponsors. All junior high school dances or parties will be closed to the public. High school dances will not admit students younger than freshmen or persons older than 20. Non-HTRS high school students will be allowed to attend if the student is registered in the office and approved by the administration. Students who chose not to contribute to the class fund are still eligible to participate in the extra activities.

Voluntary Contributions to Defray Costs: The district will, when appropriate, request donations of money, materials, equipment or attire from parents, guardians and other members of the community to defray the costs of providing certain services and activities to students. These requests are not requirements and staff members of the district are directed to clearly communicate that fact to students, parents and patrons.

Waiver Policy

Students who qualify for free or reduced-price lunches under United States Department of Agriculture child nutrition programs shall be provided a fee waiver or be provided the necessary materials or equipment without charge for (1) participation in extracurricular activities, (2) materials for course projects, and (3) the use of a musical instrument in optional music courses that are not extracurricular activities. Students are not required to participate in the free or reduced-price lunch program to qualify for the waivers provided in this section. The district is not obligated to provide any type or quality of equipment or other material to eligible students. Students who wish to be considered for waiver of a particular fee must submit a completed fee waiver application to their building principal. Application forms are available in each school building office.

Fund-Raising Activities

Students may be permitted or required to engage in fund-raising activities to support various curricular and extracurricular activities in which they participate. Students who decline to participate in fund-raising activities are not eligible under this policy for waiver of the costs or fees which the fund-raising activity was meant to defray.

Student Illness

Students who suffer from a significant illness which has an actual or expected duration of six months or more may be eligible for accommodations and supports under Section 504 of the Rehabilitation Act or under the Individuals with Disabilities in Education Act. The school will provide accommodation to students who are returning to school after a prolonged absence

due to illness, including pediatric cancer, through a 504 plan or an IEP, as appropriate. The student's plan will include informal or formal accommodations, modifications of curriculum and monitoring by medical or academic staff as determined by the student's IEP team or 504 committee. Parents and staff will engage in ongoing communication about the needs of a student who is facing these circumstances.

Students who become ill at school will be sent to the building office where the school nurse or other school employee will determine the appropriate response. When a child is too ill to remain at school, a school employee will contact the child's parent(s) and arrange for the child to be picked up or sent home. If an illness or injury requires immediate medical attention, school officials shall attempt to contact the child's parent(s) regarding treatment for the child. If the parents cannot be contacted, school officials may have the child treated by an available physician. Students who show symptoms of a contagious disease may be sent home, and the district may require a physician's statement before allowing such students to return to school.

Student Government: Students are encouraged to formulate and participate in elective and representative student government activities. The organization, operation, and scope of the student government shall be administered by the superintendent or designee.

Student Records

The Family Education Rights and Privacy Act ("FERPA") provides parents with certain rights with respect to their student's education records. These rights include the right to inspect and review the student's education records within 45 days of the date the school receives a request for access; and the right to request the amendment of the student's education records that you believe to be inaccurate.

The school district shall manage student records and reports as is necessary for effective administration and in compliance with law. In general, "student records" shall not include transitory communications such as e-mail, text messages, handwritten communication between school and home, and the like, and these items will not generally be maintained by the district. "Student records" also shall not include any records created and maintained by the district's law enforcement unit for a law enforcement purpose.

If parents believe one of their student's records is inaccurate, they should write to the school principal, clearly identify the part of the record they want changed and specify why they believe it is inaccurate. If the school decides not to amend the record as requested, it will notify the parents of the decision and advise them of their right to a hearing regarding the request for amendment.

Directory Information

FERPA and the Nebraska Public Records Law authorize school districts to make "directory information" available for review at the request of non-school individuals. These laws also give parents and guardians a voice in the decision-making process regarding the disclosure of directory information regarding their children.

Directory information about students may be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that market or manufacture class rings, sell student photographs or publish student yearbooks.

Federal law requires school districts to provide military recruiters and institutions of higher education with the names, addresses, and telephone listings of high school students unless parents have notified HTRS in writing that they do not want this information disclosed without prior written parental consent. Military recruiters will be granted the same access to a student in a high school grade as is provided to postsecondary educational institutions or to prospective employers of such students.

Parents who **OBJECT** to the disclosure of any directory information about their student should write a letter to the principal. This letter should specify the categories of directory information that the parents do not wish to have released about their child or the types of outside organizations to which they do not wish directory information to be released. This letter must be received by HTRS no later than August 31 each year or within 10 school days for students who enroll during the school year.

Non-Directory Information

All the other personally identifiable information about students that is maintained in HTRS's education records will generally not be disclosed to anyone outside the school system except under one of two circumstances: (1) in accordance with the

provisions of the FERPA statutes and related administrative regulations, or (2) in accordance with the parent's written instructions.

HTRS will share information with the Department of Education necessary to comply with the requirement of state law that all third- year high school students take a college entrance exam. Any redisclosure of information related to the administration of this exam shall be governed by the agreement between the Nebraska Department of Education and the third-party testing company.

Transfer of Records upon Student Enrollment

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. The school is not obligated to inform parents when it makes a disclosure under this provision.

Complaints

Individuals who wish to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA may contact the Office that administers FERPA:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Student Schedule Changes

Students may not drop, discontinue, or add subjects except at semester unless special arrangements have been made with the counselor and principal. The counselor and principal will only give permission when a student have gained approval of his/her parents and have consulted with the instructor of the subject to be dropped or added. To drop or add a subject, the student should secure the proper form from the counselor.

Tardiness

A student who does not have a valid excuse for being tardy to any class may be required to serve detention. After four tardies to school, the student and parents must meet with the principal to discuss the situation.

Telephone Calls

The school's telephone may be used only with the permission of office staff.

Threat Assessment and Response

The board of education is committed to providing a safe environment for members of the school community. Students, staff and patrons are urged to immediately report any statements or behavior that makes the observer fearful or uncomfortable about the safety of the school environment.

1. Definitions

- a. **Threat:** an expression of a willful intent to physically or sexually harm someone or to damage property in a way that indicates that an individual poses a danger to the safety of school staff, students or other members of the school community.
 - i. The threat may be expressed/communicated behaviorally, orally, visually, in writing, electronically, or through any other means.
 - ii. **Transient threat:** an expression of anger or frustration that can be quickly or easily resolved.
 - iii. **Substantive threat:** an expression of serious intent to harm others which includes, but is not limited to, any threat which involves a detailed plan and means.
- b. **Threat assessment:** a fact-based process emphasizing an appraisal of observed (or reasonably-observable) behaviors to identify potentially dangerous or violent situations, to assessment them and to manage/address them. Threat assessment is the process of identifying and responding to serious threats in a systematic, data-informed way.
 - i. The threat assessment process is distinct from student disciplinary procedures. The mere fact that the district is conducting a threat assessment does not by itself necessitate suspension, expulsion or emergency exclusion without complying with state law and board policy related governing those actions.

- ii. The threat assessment process is distinct from specialized instruction which a student with a disability may receive from the school district. The school district will not change a student's educational placement as that term is used in the Individuals with Disabilities in Education Act *solely* as part of a threat assessment.

2. Obligation to Report Threatening Statements or Behaviors.

All staff and students must report **substantive threats** to a member of the administration immediately and comply with any other mandatory reporting obligations. Staff and students who are unsure whether a threat is substantive, or transient should report the situation. Staff and students must make such a report regardless of the nature of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who were threatened or who were the focus of the threatening behavior. Staff and students must also make such reports regardless of where or when the threat was made, or the threatening behavior occurred.

THREATS OR ASSAULTS WHICH REQUIRE IMMEDIATE INTERVENTION SHOULD BE REPORTED TO THE POLICE AT 911.

3. Threat Assessment Team

The threat assessment team (team) shall consist of the superintendent, building principal(s), guidance counselor(s), local law enforcement, a member of the technology staff, school nurse, and school psychologist. Not all team members need to participate in every threat assessment. If the threat has been made by or is directed towards, a student with a disability, the threat assessment team must include a staff member who is knowledgeable about special education services or Section 504 of the Rehabilitation Act, as appropriate. Neither the student nor their student's family members are part of the threat assessment team.

The team is responsible for investigating all reported threats to school safety, evaluating the significance of each threat, and devising an appropriate response. The threat assessment team shall work closely with the crisis team in planning for crisis situations. The threat assessment team shall be familiar with mental health resources available to students, staff and patrons and shall collaborate with local mental health service providers as appropriate.

4. Threat Assessment Investigation and Response

When a threat is reported, the school administrator shall initiate an initial inquiry/triage and, in consultation with members of the threat assessment team, make a determination of the seriousness of the threat as expeditiously as possible. The school administrator must contact law enforcement if the administrator believes that an individual poses a clear and immediate threat of serious violence.

If there is no reasonably apparent imminent threat present or once such an imminent threat is contained, the threat assessment team will meet to evaluate and respond to the threatening behavior. The team may, but is not required to, review the following types of information:

- Review of the threatening behavior and/or communication;
- Interviews with the individuals involved including students, staff members, and family members as necessary and/or appropriate;
- Review of school and other records for any prior history or interventions with the students involved;
- Any other investigatory methods that the team determines to be reasonable and useful.

At the conclusion of the investigation, the team will determine what, if any, response to the threat is appropriate. The team is authorized to disclose the results of its investigation to law enforcement and to the target(s) of any threatened acts. The team may refer the individual of concern to the appropriate school administrator for consequences under the school's student discipline policy or, if appropriate, report the results of its investigation to the student's individualized education plan team.

Regardless of threat assessment activities, disciplinary action and referral to law enforcement will occur consistent with board policy and Nebraska law.

5. Communication with the Public about Reported Threats

The team will keep members of the school community appropriately informed about substantive threats and about the team's response to those threats. This communication may include oral announcements, written communication sent home

with students, or communication through print or broadcast media. However, the team will not reveal the identity of the individual of concern or of any target(s) of threatened violence unless permitted by law.

6. Coordination with the Crisis Team After Resolution of Threat

The threat assessment team will confer with the district's crisis team after a threat has been investigated to provide the crisis team with information that the crisis team may use in assessing or revising the district's All-Hazard School Safety Plan.

Bus Regulations

Riding school vehicles is a privilege, not a right. The bus drivers have the same authority as teachers while transporting students. Students must comply with the following rules and all school conduct rules and directives while riding in school vehicles. In addition, students must also comply with the student code of conduct while riding in school vehicles. The bus driver can issue a code of conduct violation report to a rider that must be signed by the parent/guardian and returned to the bus driver before being permitted to board the bus. If misconduct is recurring, the student will not be allowed to ride the bus.

Rules of Conduct on School Vehicles:

1. Students must obey the driver promptly.
2. Students must wait in a safe place for the bus to arrive, clear of traffic and away from where the vehicle stops.
3. Students are prohibited from fighting, engaging in bullying, harassment, or horseplay.
4. Students must enter the bus without crowding or disturbing others and go directly to their assigned seats.
5. Students must remain seated and keep aisles and exits clear while the vehicle is moving.
6. Students are prohibited from throwing or passing objects on, from, or into vehicles.
7. Students may not use profane language, obscene gestures, tobacco, alcohol, drugs, or any other controlled substance on the vehicles.
8. Students may not carry weapons, look-a-like weapons, hazardous materials, nuisance items, or animals onto the vehicle.
9. Students may carry on conversations in ordinary tones, but may not be loud or boisterous and should avoid talking to the driver while the vehicle is in motion. Students must be quiet when the vehicle approaches a railroad crossing and whenever the driver calls for quiet.
10. Students may not open windows without permission from the driver. Students may not dangle any item (e.g. legs, arms, backpacks) out of the windows.
11. Student must secure any item or items that could break or produce injury if tossed about the inside of the vehicle if the vehicle were involved in an accident
12. Students must always respect the rights and safety of others.
13. Students must help keep the vehicle clean, sanitary, and orderly. Students must remove all personal items and trash upon exiting.
14. Students may not leave or board the vehicle at locations other than the assigned stops at home or school unless approved prior to departure by the superintendent or designee.
15. Video cameras may be placed on buses, at random, to monitor student behavior on the bus.

Consequences

Drivers must promptly report all student misconduct to the administration. These reports may be oral or written. Students who violate the Rules for Conduct will be referred to their building principal for discipline. Disciplinary consequences may include a note home to parents, suspension of bus riding privileges, exclusion from extracurricular activities, in-school suspension, short term or long-term suspension from school, and/or expulsion.

These consequences are not progressive, and school officials have discretion to impose any listed punishment they deem appropriate, in accordance with state and federal law and board policy.

Records of vehicle misconduct will be forwarded to the appropriate building principal and maintained the same way as other student discipline records. Reports of serious misconduct may be forwarded to law enforcement.

Requests to be dropped off at a point **not** on the regular route will not be accommodated, unless extenuating circumstances arise, and the request is approved by the transportation director or administration.

Students who are not regular route riders may not ride the bus home with a friend, unless the parent of the non-route student presents written permission to the bus driver ahead of time. The written permission should include the date, the non-route rider's name, the signature of the non-rider's parent, and the place approved for drop off. Such requests may not be granted if they cause overcrowding of the vans or buses (Vans-10 passengers including driver).

Transportation to Activities

HTRS provides transportation to students who are participating in school-sponsored events, and they must ride to those events in a school vehicle. Students wishing to take private transportation home from a school event must submit a release form to the sponsor signed by their parents.

Video Surveillance and Photographs

The Board of Education has authorized the use of video cameras on school district property to ensure the health, welfare, and safety of all staff, students and visitors, and to safeguard District facilities and equipment. Video cameras may be used in locations deemed appropriate by the Superintendent. If a video surveillance recording captures a student or other building user violating school policies or rules or local, state, or federal laws, it may be used in appropriate disciplinary proceedings against the student or other building user and may also be provided to law enforcement agencies.

Unless otherwise authorized by board policy or law, students are prohibited from making audio or video recordings during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event, unless the recording is made in a manner permitted by the school for members of the public. In such an instance, the students remain subject to the district's appropriate use and student discipline policies. For example, students are not prohibited from making recordings of an athletic event for their personal use similar to a parent or other patron are permitted, subject to other applicable board policy. However, this policy generally prohibits students from using smart-speakers or other devices which actively or passively create or transmit audio or video recordings, including Google Home, Amazon Alexa, Apple HomePod, and AngelSense devices.

An exception will be made to this policy if photographs or video recordings are necessary to accommodate a student's disability or are required by the student's Individualized Education Plan (IEP) or Section 504 Plan.

In no event shall photographs or video recordings be taken in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy. Students who violate this policy may be subject to discipline up to and including expulsion.

Audio or Video Recordings Made by Parents/Guardians and Patrons.

Parents/guardians and patrons may make recordings of school activities in a non-disruptive manner including things like athletic contests and school board meetings to the extent permitted by law unless otherwise lawfully restricted by the administration. Parents/guardians or patrons may not make recordings if they are volunteering or visiting school during the school day without permission of the administration or supervising staff member and subject to this policy, such as recording their child's classroom activities or recess. Parents may not record meetings with administrators or staff, including meetings related to a student's IEP or 504 plan. Violation of this policy will result in immediate termination of any meeting that is being recorded and may be grounds for exclusion from school property, loss of volunteer privileges, or other restrictions deemed appropriate by the administration.

Weather-Related School Closing

The Superintendent will occasionally announce an emergency early school dismissal, late start, or cancellation of school due to extreme heat, snow, or ice. The Apptegy System is used when we have a cancellation of school, late start, or early dismissal. The Alert-Now System can call all staff and parents within minutes to inform them of schedule changes. School closings will also be announced on radio station KLZA 101.3, KMZA 92.9, KTNC (1230), KNZA (103.9), KNCY (1260), KUTT (99.5) and television station broadcasted on radio and T.V. stations:, and KOLN/KGIN-TV (Channel 10), KETV-TV (Channel 7), KMTV-TV (Channel 3), WOWT-TV (Channel 6).. Parents should assume that school is open, and a regular schedule is being followed if there is no announcement concerning HTRS. Please do not call the school or individual staff members to find out whether

school is being canceled. Parents who do not believe it is safe to transport their students to school may keep their child(ren) home after contacting the district office.

If schools are closed due to severe weather conditions, all after-school activities will be canceled.

Withdrawal from School

When withdrawing from HTRS Schools, please contact the school office as soon as withdrawal dates are known. Any equipment, book, fees, fines, or money owed must be accounted for before records are transferred. Additionally, release forms must be signed by a parent before records can be transferred directly to the new school.

Visitors

Parents are encouraged to visit the school, and we welcome their interest, however; all visitors are to check in at the main entrance security desk before visiting with a student in the halls, classrooms or on the school grounds. Parents are encouraged to set up time with the classroom teacher prior to visiting. It is highly discouraged to have non-district students visit classes.

Permission may be granted at the discretion of the administration.

Work Permits

The building principal or other authorized school official shall be responsible for the issuance of work permits for children in accordance with state law.

SECTION TWO: ACADEMIC INFORMATION

Safe and Drug-Free Schools and Communities

The HTRS School is committed to providing an educational environment that is safe and free from the detrimental effects of illicit drugs and alcohol.

The school provides instruction in all grades through the guidance program and health classes that address the legal, social, and health consequences of drug and alcohol use. Instruction also emphasizes resisting peer pressure concerning illicit drug and alcohol abuse.

Staff Qualifications

All teachers in HTRS classrooms hold Nebraska Teaching Certification issued by the Department of Education for the State of Nebraska and teach within their endorsed areas of instruction.

Academic Performance

The Board of Education and the staff at HTRS believe that the main priority of students should be their academics. Everyone within the District shall help each student strive to meet his/her potential. Academic performance and educational guidance for students who are experiencing difficulty in their academic classes is very important. To help students succeed in their academic classes, before and after school assistance is available. It is the responsibility of both the student and teacher to arrange for a time that is convenient for all parties involved. Students are given the opportunity to obtain educational guidance, support and instruction on a daily basis.

Incomplete Work

Students with incomplete work in any class will be required to stay 9th hour for academic aid. 9th hour will begin at 3:30 p.m. and end at 4:15 p.m. At 4:15 p.m. students will be allowed to attend sports practices or other scheduled activities. If the work is not satisfactorily completed, the student will remain on 9th hour until the teacher signs him/her out. If the student fails to report for 9th hour a 30-minute the principal will issue a detention in addition to the 9th hour. If the student fails to report a second time the parent will be notified and an in-school suspension (ISS) will be issued. Parents are responsible for transportation of their child serving 9th hour or a detention. Students who ride the bus home from school will be given a 24-hour notice prior to serving 9th hour.

If the student has been ill, the time period allowed for making up an incomplete will be the number of days absent plus 1 day. An incomplete will automatically eliminate a student from the honor roll, unless it is due to illness and work can be made up before the honor roll is released.

6-8 Promotion Requirements

Students in sixth through eighth grade failing any of their core subjects, those subjects that a student takes five days a week, may be retained. The final determination of promotion or retention shall be the responsibility of the administration. Those students with special needs will be evaluated on an individual basis by the administration. Parents may request a review of the retention.

Graduation Requirements

A student must earn a total of 260 semester hours of credit of which 220 must be academic solids. A semester hour is earned for one period a week all semester, hence five periods a week equals five semester hours. Every student must earn a minimum number of hours in the following disciplines:

English	40 semester hours
Speech	5 semester hours
Math	40 semester hours
Science	30 semester hours
American History	10 semester hours
Government/Econ	10 semester hours
Business	10 semester hours
Physical Education	6 semester hours
Health	4 semester hours
Fine Arts	5 semester hours
Personal Finance	5 semester hours
Computer Science	5 Semester Hours
Electives	65 semester hours
Starting with the Class of 2027: Volunteer Public Service	5 clock hours per year = 20 hours

Class designation is determined by the number of years a student has been enrolled in high school. It is not an indicator of progress towards graduation.

Grade Nine (freshman) = 1st Year of high school Grade Ten (sophomore) = 2nd Year of high school Grade Eleven (Junior) = 3rd Year of high school Grade Twelve (Senior) = 4th Year of high school

Class standing is determined by the number of credits earned. A course carried five days per week is designed for five credit hours per semester. Students at or above the targets will be "In Good Standing" and those below the targets will be "Not in Good Standing."

Freshman Target = 0-62 credits;

Sophomore Target = 63-125 credits;

Junior Target = 126-188 credits; and

Senior Target = 189-260 credits (260 credits required for graduation)

Credits received for enrichment classes in addition to regular academic classes are:

Band 3 Days/Week 3 Credit Hours

Chorus 2 Days/Week 2 Credit Hours

Library Aide 5 hours per semester

Office Aide 5 hours per semester

Teacher Aide 5 hours per semester

Work-Based Learning 5 hours per semester

Financial Literacy Requirements

The graduation requirement for the Financial Literacy Act is required for all public and non- public schools (Nebraska Revised Statute 79-729).

The class of 2024 (current seniors in public and non-public schools) must complete a course in personal finance or financial literacy (as defined by Nebraska State Statute 79-3002) or personal finance as a graduation requirement.

Financial literacy instruction in grades K-8 applies only to public schools and must be included in the instructional programs of elementary and middle schools as appropriate.

Each school district shall provide a financial literacy status report annually to its local board of education.

Any student desiring to work as a teacher's aide, library aide, or office aide must be a junior or senior and assigned through the counselor or principal's office. Students will only be allowed to work as a teacher aide for one class period a day. An application process may be required.

Work experience will be granted to juniors and seniors that are in good standing have made proper arrangements through the counselor's office. Work experience may be revoked at any time by the administration.

HTRS operates on an 8-period day. Every student must have 8 complete periods filled. Students wishing to fill less than 8 periods will need to present their requests to the counselor and principal. In order to justify a class selected from the elective field, we must have a minimum number of students enrolled each semester.

All students are expected to attend 8 full semesters of high school to receive a diploma. Special action must be taken by the HTRS School board for any exception to this rule.

IF DURING YOUR YEARS IN HIGH SCHOOL YOU HAVE FAILED A REQUIRED SUBJECT AND MUST REPEAT IT, THE COUNSELOR WILL WORK WITH EACH STUDENT TO ENSURE THEY ARE MEETING THE REQUIREMENTS FOR GRADUATION.

Any former students of Humboldt Table Rock - Steinauer, Dawson-Verdon or Southeast Consolidated may receive a High School diploma if they meet the following conditions:

1. Eighteen years of age and the class in which the applicant was enrolled at time of withdrawal has been graduated at least one year.
2. Successfully completed the G.E.D test and present the test scores with letter of application.
3. Pay the full cost of obtaining a diploma from a printing company.
4. The applicant must present a formal letter of application to the Superintendent of Schools requesting a diploma.
5. If an applicant feels that he/she has a special situation that should be considered, he/she should talk to the administration. If the administration feels that the situation has merit, they will present it to the school board.

SECTION THREE: STUDENT DISCIPLINE

HTRS equals Respect:

Honesty

Trustworthy

Responsible

Safe

General Discipline Philosophy

HTRS has the authority to discipline students who behave inappropriately on the way to school, at school, during lunch, on the way home, and at all school activities (home and away or any time while on school or district property).

HTRS's discipline is guided by the following principles:

1. HTRS's discipline policy is intended to ensure that students take responsibility for their behavior.
2. Behavior expectations and the consequences for failing to meet those expectations will be clearly communicated to all students and their parents (See table: Infractions of Student Code of Conduct).
3. The severity of consequences for violating behavior expectations will generally be progressive in nature. That is, sanctions will increase with each instance of misconduct; however, each instance will be assessed on its own facts, and sanctions will be imposed based on the severity of the misconduct.
4. Parents play a vital role in supporting and reinforcing HTRS's expectations of their students.
5. Behavior expectations apply to all students; consequences are enforced consistently without regard to a student's academic record or achievement.

Extracurricular activities including athletics, cheerleading, band, chorus, and club activities, are governed by the Student Activity Handbook. Students who are involved in extracurricular activities may face consequences related to the activity in addition to the consequences discussed in this handbook.

HTRS reserves the right to refer to the appropriate non-school agency any act or conduct of its students which may constitute a crime under federal, state, county, or local law. The administration will cooperate with these agencies in their investigations. Administrative and teaching personnel may take actions regarding student behavior that are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. The actions may also include in-school suspensions, after-school assignments, or other disciplinary measures are assigned; the student is responsible for complying with such disciplinary measures; a failure to serve such assigned discipline as directed will serve as grounds for further discipline, up to expulsion from school. District administrators may develop building-specific protocols for the imposition of student discipline.

In this section, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this section shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this section may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

After School Sessions and Detentions

Teachers and administrators may require students to stay after school or to serve a detention when the student violates any of the rules contained in this handbook or violates classroom-specific conduct rules set by individual teachers.

Students who ride the bus home from school will be given a 24-hour notice of after-school time or a detention so that the parents may make plans to pick up the student the following day.

1. After-school sessions will not exceed 30 minutes from the time of dismissal and are to be served in the teacher's room. A student who fails to attend an after-school session may be given a detention by the teacher or may face additional disciplinary consequences up to and including long-term suspension and/or expulsion. A student who has a conflict with an after-school session is responsible for working it out with the teacher.
1. Administrative assigned detentions are 30 minutes and will be served in the central office or the detention room designated by the building principal. Administration has an obligation to assure double jeopardy does not occur.

In-School Suspension

The building administrator may require a student to serve in-school suspension. Students may be required to attend up to six hours per day of school-sponsored suspension a day at a designated location where they will study and participate in campus clean up. There will be zero tolerance for behavior problems from students placed in in-school suspension. Students not completing their In-School Suspension will face further disciplinary action.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Short-Term Suspension

The Principal or the Principal's designee may exclude a student from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or
2. Other violations of rules and standards of behavior adopted by the board of education or the administrative or teaching staff of the school, which occur on or off school grounds, if such conduct interferes with school purposes or there is a nexus between such conduct and school.

The following process will apply to short-term suspensions:

- a. The principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
- b. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he/she is accused of having done, an explanation of the evidence the authorities have, and an opportunity to explain his/her version of the facts.
- b. Within 24 hours or such additional time as is reasonably necessary following the suspension, the principal will send a written statement to the student and the student's parent or guardian, describing the student's conduct, misconduct, or violation of the rule or standard and the reasons for the action taken. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the principal ordering the short-term suspension before or at the time the student returns to school. The principal shall determine who, in addition to the parent or guardian, is to attend the conference.
- c. Students who are short-term suspended will be given the opportunity to complete classwork, including but not limited to examinations, under the following conditions: It is the responsibility of the student to turn in class work that is missed upon return from a suspension.

Weapons/Firearms

Weapons. No student may possess, handle, or transmit any weapon while on school grounds, in a school vehicle, or at any school activity or event off school grounds except as permitted by this policy. **Definition of Weapon.** The term "weapon" means any object, device, instrument, material, or substance which is capable of causing injury in the manner it is used or intended to be used.

Firearms. No student may bring, possess, handle or transmit a firearm on school grounds, in a school owned vehicle, or at a school activity or event off school grounds, except as permitted by this policy. **Definition of Firearm.** The term "firearm, as defined in 18 U.S.C. 921, means any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or firearm silencer, or any destructive device (excluding an antique firearm).

Exceptions Regarding Firearms and Weapons. The only exceptions for a student to bring or possess a weapon, including a firearm, are as follows:

1. The issuance of firearms to or possession of firearms by members of the Reserve Officers Training Corps when training or

2. Firearms which may lawfully be possessed by the person receiving instruction under the immediate supervision of an adult instructor who may lawfully possess firearms.

Consequences - Firearm. Any student who brings a firearm, as that term is defined in 18 United States Code 921, to school will be expelled from school for one calendar year. The superintendent of schools and the board of education shall have the authority to modify the expulsion requirement on a case-by-case basis.

Consequences – Weapon. State law and this policy provide that any student who violates this policy by knowingly bringing, possessing, handling or transmitting a weapon, other than a firearm, on school grounds, in a school owned vehicle, or at a school activity or event off school grounds may be suspended on a long-term basis, mandatorily reassigned, or expelled for the remainder of the school year in which the expulsion takes effect (if the misconduct occurs during the first semester) or the remainder of the second semester, summer school, and the first semester of the following school year (if the misconduct occurs during the second semester).

Confiscation of Firearms and Weapons. Administrative and teaching personnel are statutorily authorized, without a warrant, to confiscate any firearm or weapon possessed in violation of this policy. Any firearm that is confiscated by school personnel shall be delivered to a peace officer as soon as practicable. Such firearms are subject to being destroyed by law enforcement authorities.

Report to Law Enforcement Authorities. All school personnel are required to report any violation of this policy to a principal or the superintendent of schools. Pursuant to state and federal law, school personnel are required to report to law enforcement authorities when a student brings a firearm to school.

Long-Term Suspension

Students may be excluded by the principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

Expulsion

2. *Meaning of Expulsion:* Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by HTRS at any time during the expulsion period.
3. *Summer Review:* Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise, the student may be readmitted by action of the Superintendent.
4. *Suspension of Enforcement of an Expulsion:* Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which HTRS deems appropriate.
5. *Alternative School or Pre-expulsion Procedures:* The school shall provide either an alternative school, class or educational program for expelled students or shall follow the pre-expulsion procedures outlined in Neb. Rev. Stat. 79-266.

Reporting Requirement to Law Enforcement

Violations of this section will result in a report to law enforcement if:

1. The violation includes possession of a firearm;
2. The violation results in child abuse;
3. It is a violation of the Nebraska Criminal Code that the administration believes cannot be adequately addressed by discipline from HTRS;

4. It is a violation of the Nebraska Criminal Code that endangers the health and welfare of staff or students; or
5. It is a violation of the Nebraska Criminal Code that interferes with school purposes.
6. Possession of a controlled substance, alcohol or anything identified as paraphernalia or can be used to deliver an illicit substance including THC or CBD.

Due Process Afforded to Students Facing Long-term Suspension or Expulsion

The following procedures shall be followed regarding any long-term suspension, expulsion, or mandatory reassignment.

1. On the date of the decision to discipline, the principal shall file with the Superintendent a written charge and a summary of the evidence supporting such charge.
2. The principal shall serve the student and the student's parents or guardian with a written notice by registered or certified mail or personal service within two school days of the date of the decision to recommend long-term suspension or expulsion. The notice shall include the following:
 - a. The rule or standard of conduct allegedly violated, and the acts of the student alleged to constitute a cause for long-term suspension, expulsion, or mandatory reassignment, including a summary of the evidence to be presented against the student;
 - b. The penalty, if any, which the principal has recommended in the charge and any other penalty to which the student may be subject;
 - c. A statement that, before long-term suspension, expulsion, or mandatory reassignment for disciplinary purposes can be invoked, the student has a right to a hearing, upon request, on the specified charges;
 - d. A description of the hearing procedures provided by the act, along with procedures for appealing any decision rendered at the hearing;
 - e. A statement that the principal, legal counsel for the school, the student, the student's parent, or the student's representative or guardian has the right (i) to examine the student's academic and disciplinary records and any affidavits to be used at the hearing concerning the alleged misconduct and (ii) to know the identity of the witnesses to appear at the hearing and the substance of their testimony; and
 - f. A form on which the student, the student's parent, or the student's guardian may request a hearing, to be signed by such parties and delivered to the principal or superintendent in person or by registered or certified mail.
3. When a notice of intent to discipline a student by long-term suspension, expulsion, or mandatory reassignment is filed with the superintendent, the student may be suspended by the principal until the date the long-term suspension, expulsion, or mandatory reassignment takes effect if no hearing is requested or, if a hearing is requested, the date the hearing examiner makes the report of his or her findings and a recommendation of the action to be taken to the superintendent, if the principal determines that the student must be suspended immediately to prevent or substantially reduce the risk of (a) interference with an educational function or school purpose or (b) a personal injury to the student himself or herself, other students, school employees, or school volunteers.
4. Nothing in this policy shall preclude the student, student's parents, guardian, or representative from discussing and settling the matter with appropriate school personnel prior to the hearing stage.
5. If a hearing is requested within five days after receipt of the notice, the Superintendent shall appoint a hearing officer who shall follow the "hearing procedures" outlined below.
6. If a hearing is requested more than five school days following the receipt of the written notice, but not more than thirty calendar days after receipt, the Superintendent shall appoint a hearing officer who shall follow the "hearing procedures" outlined below, except that the time constraints set forth may differ as provided by law and this policy. The student shall be entitled to a hearing, but the consequence imposed may continue in effect pending final determination.
7. If a request for a hearing is not received within thirty calendar days following the mailing or delivery of the written notice, the student shall not be entitled to a hearing.

In the event a hearing is requested, the hearing, hearing procedures, the student's rights and any appeals or judicial review permitted by law shall be governed by the applicable provisions of the Nebraska Student Discipline Act (NEB. REV. STAT. § 79-254 to 79-294). HTRS will provide parents with copies of the relevant statutes upon request.

Drug and Alcohol Use and Extracurricular Activities

It is the policy of HTRS Public Schools that students refrain in all cases from the use of drugs, alcohol, tobacco, and any other substances or paraphernalia prohibited by law or school policy (collectively, "prohibited substances"). This policy includes vapor products and e-cigarettes and any products intended by appearance or effect to replicate tobacco products. Also, included in this policy is the use and solicitation of these substances and the choice to be involved with others using, soliciting, or possessing these substances. For example, if a student is discovered to be at a party or other place where prohibited substances are in use, even if that student is not using the prohibited substance, the student is still subject to consequences under this policy.

A student who is in the possession of, under the influence of, who solicits, or who is discovered to be in the use or presence of prohibited substances on campus, in a school vehicle, or while in attendance at a school sponsored event shall be subject to the district's student discipline policies and this section. Such student shall be suspended or excluded from participation in all school sponsored activities and contests and must complete a report of the incident which shall be given to the principal and superintendent of schools.

A student who is in the possession of, under the influence of, who solicits, or who is discovered to be in the use or presence of prohibited substances off school grounds may be suspended or excluded from participation in all school sponsored contests.

Suspension or exclusion from activities or contests for a violation of this provision will commence at the discretion of the administration. The administration is the sole determiner of when the evidence or reports are sufficient to warrant suspension and/or exclusion from activities, in addition to other consequences permitted by law and other school rules.

Suspension from activities and/or contests for a violation of this provision occurring between the first day of fall sports practice to the end state track (including end of calendar year breaks, holidays, etc.) or receiving a citation for substance abuse or possession during the summer immediately preceding the start of fall sports practice will take effect at the direction of the administration and may commence immediately. If a student is not involved in an activity, the consequences may be imposed immediately upon the student's next activity or activities. Student violation(s) generally will result in suspension from activities and/or contests as follows. The penalties may be enhanced for each subsequent violation of this policy during the student's enrollment. However, administration may also impose more serious consequences and, for example, may treat first violations as second or third violations if the violation occurs at on school grounds, vehicle or activities:

- First and/or minor violations - (30) thirty*school days with random drug testing during the suspension and during participation in any subsequent activities.
- Second and/or more severe violations - (1) one*calendar year with random drug testing during the suspension and during participation in any subsequent activities.
- Third and/or very severe violations - remainder of student's time at HTRS

*The administration may provide the student with the option to have a 15-day suspension for the first offense or a 6-month suspension for the second offense by entering a school approved treatment program at their own expense. The student must show successful completion of an approved treatment program prior to reinstatement to activities. If at the end of the 15-day suspension period the student has not completed the approved program, they will be reinstated if they continue and complete it.

Nothing in this section prohibits the activity sponsor and/or administration from imposing consequences permitted by board policy, handbooks, activity rules, or other school rules and directives. Student discipline policy #6024 can be viewed in its entirety at htrstitans.com.

SECTIONFOUR: SCHOOL WELLNESS POLICY

HTRS is committed to providing a school environment that enhances learning and the development of lifelong wellness. The goals outlined in this policy were determined and selected after reviewing and considering evidence-based strategies.*

1. Goals for Nutrition Promotion and Education

- a. The district will promote healthy food and beverage choices for all students, as well as encourage participation in school meal programs by such methods as implementing evidence-based healthy food promotion techniques through the school meal programs and promoting foods and beverages that meet or exceed the USDA Smart Snacks in School nutrition standards.
- b. The health curriculum will include information on good nutrition and healthy living habits.
- c. Teachers will incorporate information on nutrition and wellness into the classroom curriculum as appropriate.
- d. The district will collaborate with public and private entities to promote student wellness.
- e. Water will be made available to students throughout the school day.

2. Goals for Physical Activity

- a. HTRS's curriculums shall include instruction on physical activity and habits for healthy living.
- b. Students will be encouraged to engage in physical activities throughout the school day and will be provided with opportunities to do so.
- c. The district encourages parents and guardians to support their children's participation in physical activity, to be physically active role models, and to include physical activity in family events.

3. Goals for Other School-Based Activities Designed to Promote Student Wellness

- a. The district will participate in state and federal child nutrition programs as appropriate.
- b. The district will provide professional development, support, and resources for staff about student wellness.
- c. Students will be provided sufficient time in which to eat school-provided meals.
- d. The district's lunchrooms will be attractive and well-lighted.
- e. The district will allow other health-related entities to use school facilities for activities such as health clinics and screenings so long as the activities meet the district's requirements and criteria for the use of facilities.
- f. The district may partner with other individuals or entities in the community to support the implementation of this policy.
- g. The district will strive to provide physical activity breaks for all students, recess for elementary students, and before and after school activities, as well as encourage students to use active transport (walking, biking, etc.)
- h. The district will use evidence-based strategies to develop, structure, and support student wellness.

4. Standards and Nutrition Guidelines for All Foods and Beverages Sold to Students on the School Campus and During the School Day

- a. The district will ensure that student access to foods and beverages meet federal, state and local laws and guidelines including, but not limited to:
 - 1) USDA National School Lunch and School Breakfast nutrition standards
 - 2) USDA Smart Snacks in School nutrition standards.
- b. The district will offer students a variety of age-appropriate, healthy food and beverage selections with plenty of fruits, vegetables, and whole grains aimed at meeting the nutrition needs of students within their calorie requirements in order to promote student health and reduce childhood obesity.

5. Standards for All Foods and Beverages Provided, But Not Sold to Students During the School Day

The district may provide a list of healthy party ideas or food and beverage alternatives to parents, teachers, and students for classroom parties, rewards and incentives, or classroom snacks. The district discourages the use of food and beverages as a reward or incentive for performance or behavior.

6. Food and Beverage Marketing

Marketing and advertising is only allowed on school grounds or at school activities for foods and beverages that meet or exceed the USDA Smart Snacks in School nutrition standards, except as follows:

- a. This requirement does not apply to marketing that occurs at events outside of school hours such as after school sporting or any other events, including school fundraising events.
- b. The district will not immediately replace menu boards, coolers, tray liners, beverage cups, and other food service equipment with depictions of noncompliant products or logos to comply with the new USDA Smart Snacks in Schools nutrition requirements. All previously purchased products will be used, and all existing contracts honored.
- c. All equipment that currently displays noncompliant marketing materials will not be removed or replaced (e.g., a score board with a Coca-Cola logo). However, as the district reviews and considers new contracts, and as scoreboards or other such durable equipment are replaced or updated over time, any products that are marketed and advertised will meet or exceed the USDA Smart Snacks in School nutrition standards

7. Public Participation

Parents, students, representatives of the school food authority, teachers, school health professionals, board members, school administrators, and members of the general public shall be allowed to provide their input to HTRS during the wellness policy adoption and review process.

8. Competitive Foods (Includes Food and Beverages Sold in Vending Machines, School Stores, and Fundraisers)

- a. Definitions. “Competitive food” means all food and beverages other than meals reimbursed under programs authorized by the Richard B. Russell National School Lunch Act and the Child Nutrition Act of 1966 available for sale to students on the school campus during the school day. For the purpose of competitive food standards implementation, “school day” means the period from the midnight before to 30 minutes after the end of the official school day.
- b. Applicability. Except as otherwise allowed by the Nebraska Department of Education (NDE) or applicable law, all competitive food sold during the school day must meet the USDA Smart Snacks Standards and the nutrition standards found in 7 CFR § 210.11. The competitive food restrictions do not apply to food sold during non-school day hours, weekends, and off-campus fundraising events such as concessions during after-school sporting events, school plays or concerts; or to bulk food items that are sold for consumption at home. (Ex: frozen pizzas, cookie dough tubs, etc.)
- c. Fundraiser Exemptions. A special exemption is allowed for the sale of food and/or beverages that do not meet the competitive food standards as required in this section for the purpose of conducting an infrequent school-sponsored fundraiser. The specially exempted fundraisers must not take place more than the frequency specified by NDE during such periods that schools are in session. No specially exempted fundraiser
- d. foods or beverages may be sold in competition with school meals in the food service area during the meal service.
- e. Other Exemptions. The only other nutrition exemptions from the competitive food requirements are those found in 7 CFR § 210.11.
- f. Other Limitations. No competitive food can be sold to children anywhere on school premises beginning one half hour before breakfast and/or lunch service until one half hour after meal service unless all proceeds earned during these time periods go to the school nutrition program.

- b. How this policy compares to NDE model wellness policies;
- c. Progress made in attaining the goals of this policy.

The school board will update or modify this policy as appropriate.

10. Public Notice

In addition to identifying the topic on its meeting agenda as required by the Open Meetings Act, HTRS will provide notice of this policy at least annually to the public and other stakeholders identified in this policy by one or more of the following methods: on its webpage, in its newsletter, in the student and employee handbooks, newspaper advertisements, direct mailings, electronic mail, and public postings.

In addition to identifying the topic on its meeting agenda as required by the Open Meetings Act, HTRS will provide notice of the Triennial Assessment and progress reports towards meeting the goals in this policy using one or more of those same methods.

11. Recordkeeping

The District will retain records to document compliance with the requirements of the wellness policy at its central office.

12. Operational Responsibility

The superintendent is responsible for coordinating the implementation of this policy and for monitoring the district's progress in meeting the goals established by this policy. The superintendent will periodically report to the board on the district's progress in implementing this policy.

HTRS
LAPTOP HANDBOOK
2024 – 2025 SCHOOL YEAR

PLEASE NOTE: Given the changing nature of technology use and applications, laptop handbook provisions are subject to change over the course of the school year. If such changes occur, students and parents will be notified

Distribution of Laptops

A. Laptop Initiative

Laptops are distributed each fall to all K - 12 students. The student and parent must sign a Laptop Usage Form before the student can check out a laptop or participate in the HTRS Laptop Initiative. Laptops will be collected at the end of each school year for maintenance, cleaning, and software installations. Students will retain their original laptops each year while enrolled at HTRS. If a student/parent does not check the laptop back in before transferring to another school or as part of the end of the year check-in, the laptop will be considered stolen. Theft is a criminal set and will be dealt with accordingly. The administration may at any time revoke the laptop privilege or change the student usage options.

If the student/parent chooses to participate in the HTRS 6 - 12 Laptop Initiative, the student/parent must pay a laptop usage fee of \$35.00. It is the student's responsibility to help maintain the hardware provided for their use by the HTRS District. Any damage that occurs is the student's responsibility. The District may charge the responsible party repair costs based on the damage incurred. Bills must be paid in full by the end of the school year when students check the laptops back in. The student will not be able to check out a laptop the following year until this bill is paid in full.

B. Library Check Out

Students/parents may prefer **NOT** to participate in the HTRS Take-Home 1:1 Laptop Initiative. The student/parent may then choose to participate in the Checkout 1:1 Laptop Program. This program consists of checking out a 1:1 laptop to be used during the school day to complete assignments or educational projects requiring the use of a computer. The student will have a laptop assigned to them but must ask permission from their teacher/librarian to check out the laptop. This laptop is not to go out of the building and must be checked back into the library by 3:15 or the end of the day. Students/parents will be held responsible for the care of the laptop, just like any other school-used device. Students will be required to sign the "Student Pledge for Laptop Use" located in the PowerSchool Forms in their student account to participate in this option.

HTRS students in grades K - 5 are 1:1 using the checkout program. These students are not allowed to take their laptops out of the building.

C. Care of Laptops

Students are responsible for the general care of the laptop they have been issued by the school regardless of the program they are participating in. Laptops that are broken or fail to work properly must be taken to the library. The librarian will then notify the Technology HTRS Help Desk or Tech Office. If the student needs a loaner laptop, the Tech Office will contact the librarian, and the student will be allowed to check out a loaner laptop.

General Precautions

1. No food or drink is allowed next to your laptop.
2. Cords, cables, and removable storage devices must be inserted carefully into the laptop.
3. Laptops must never be left in a car or any unsupervised area.
4. Students are responsible for having their laptop's battery fully charged for school each day.

Carrying Laptops

The protective cases provided with laptops have sufficient padding to protect the laptop from normal treatment and provide a suitable means for carrying the computer within the school. The guidelines below should be followed:

1. Laptops should always be within the **zipped protective case** when carried.
2. Do not place textbooks in the laptop carrying case. This puts too much pressure and weight on the screen.
3. The laptop must be put in sleep mode before placing it in the carrying case.

Screen Care

The laptop screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

1. Do not lean on the top of the laptop when it is closed.
2. Do not place anything near the laptop that could put pressure on the screen.
3. Do not poke the screen or punch.
4. Do not place anything on the keyboard before closing the lid (e.g. pens, pencils, or disks).

5. Clean the screen with a soft, dry, antistatic, or microfiber cloth.

D. Using Your Laptop

Laptops are intended for use at school each day. In addition to teacher expectations for laptop use, school messages, announcements, calendars, and schedules can be accessed using the laptop. Students must be responsible to bring their laptops to all classes unless specifically advised not to do so by their teacher. Students participating in the HTRS Laptop Initiative are allowed to take laptops home for educational use.

Laptops Left at Home

If a student leaves their laptop at home, academic consequences similar to those applicable to forgotten or incomplete work will be enforced. If there is a laptop available in the library, the student may ask permission from their tech department to check one out to use for that day. This loaner is not to go out of the building and must be checked back into the library at the end of the day according to the librarian check-out procedures.

Laptop Undergoing Repair

Loaner laptops may be issued to students when they leave their laptops for repair with the tech department. To get a loaner, the student must have a slip from the tech department so that they can check out a loaner laptop from the library. This laptop may not be a new machine. The expectations in this handbook are to be followed just as if it were the original laptop. When the original laptop is fixed, the student will be contacted and expected to turn in the loaner before they receive the fixed laptop.

When a laptop is in for repair, a student may use a loaner laptop until theirs has been repaired. However, students will need to pay for their repairs or replacement within 10 days of the return of the said laptop.

Students who have a bill for laptop repair or replacement that has not been paid by the beginning of the new school year, in August, will not be issued a laptop for the upcoming school year.

Laptop Battery Issues

Laptops must be brought to school each day in a fully charged condition. Failure to act responsibly with regard to ensuring battery charge will result in academic consequences similar to those applicable to forgotten or incomplete work. In cases where required school use of the laptop has caused batteries to become discharged during the school day, students may be able to connect their computers to a power outlet in class. **Laptops should be shut down overnight.**

Laptops Left in Unsupervised Areas

Laptops should not be left in unsupervised areas. Unsupervised areas include the school grounds and campus, the cafeteria, computer lab, locker rooms, library, unlocked classrooms, dressing rooms, and hallways. Additionally, laptops left in an unlocked area, hallway, or PE locker will be considered to have been left in an unsupervised area. Any computer left in these areas is in danger of being stolen. Unsupervised laptops will be taken to the Office. Disciplinary action may be taken for leaving your laptop in an unsupervised location.

E. Managing Files, Saving Files, Printing

Students are responsible for backing up their data by using an online location in the cloud.

Students may use network printers installed for student use. HTRS will not modify student laptops for home printing. Work completed at home will need to be saved and printed at school. We suggest that students email the document to themselves and then open and print it at school.

F. Laptop Software

Applications Software

The software originally installed by HTRS must remain on the laptop in usable condition and be easily accessible at all times. From time to time the school may add software applications for use in a particular course. The licenses for this software require that the software be deleted from laptops at the completion of the course. Students are not allowed to add ANY software to school-issued laptops or run applications from ANY foreign device (flash drive, DVD, CD, etc.). This means students are not to install the software.

Virus Protection

Antivirus protection software is installed. This software will scan the hard drive for known viruses on boot up. The virus software will be upgraded from the network.

Filtering Software

Software programs have been installed to filter internet content while the student's laptop is used at school, at home, or anywhere off-campus. That filtering software will block inappropriate websites and record websites that students visit when using school laptops.

Inspection

Computers remain the property of the HTRS District whether at school or home and may be inspected by school staff either directly or remotely at any time. The school has software that allows for remote monitoring of, access to, and control of school laptops.

Software Upgrades

Upgrade versions of licensed software may be necessary from time to time. Students will be instructed what, if any action, will be required to complete upgrades. The school does not accept responsibility for the loss of any software or student files deleted due to a reformat and reimaging. Students are responsible for their data files.

G. Acceptable Use Policy

Educational Purpose

The HTRS Acceptable Use Policy will extend to all students during their enrollment. The HTRS District is providing students in grades K - 12 with laptops in order to improve instruction, motivation, and learning. The acceptable use of student laptops is for educational purposes including research, multimedia production, communication, and homework completion. Students are not to use their personal email or other communication applications or devices without the consent of authorized school personnel. Students are expected to follow appropriate rules for use, as outlined in the HTRS high school student handbook. All policies established by the HTRS District and those stated in this document will be enforced by teachers and administrators throughout the district.

Privilege Statement

The use of computers loaned or leased to students is a privilege. Students who do not use computers appropriately as outlined in this HTRS laptop handbook, high school handbook, or as directed by district personnel are subject to loss of laptops.

Conditions and Rules for Use

1. Students must have laptops with them, or in a secure location. Laptops should never be left unattended.
2. While transporting the laptop students must use the **zipped** laptop case provided by the school.
3. Students will use the computer for school-related educational activities only. Students are not to use their personal email or other personal communication applications or devices without the consent of authorized school personnel. Students shall not access material that is obscene in nature or that promotes illegal activity. If a student accesses an inappropriate site he or she should immediately report the incident to a classroom teacher, administrator, or district technology personnel.
4. Students are not to write on, use stickers on, or mark their laptop or bag in any form. The bag and laptop are labeled with checkout information prior to checkout. If any damage does occur immediately report damage to staff.
5. The HTRS District will maintain a filtering program to protect students from accessing inappropriate materials. Any attempt to circumvent the district's filter will result in possible disciplinary action and loss of 1:1 initiative computer privileges.
6. Email and all other forms of electronic communication will be used in a responsible manner. Students who engage in harassment, bullying, obscene, derogatory, or vulgar communication will be subject to possible disciplinary action and loss of laptops.
7. Students are NOT to use personal email accounts or other personal communication applications or devices at school without prior approval. Doing so will result in disciplinary action that may result in loss of laptop privileges.
8. Students are not to allow others to access their computer system by sharing account login and password information or other sharing systems.
9. Students will not attempt to gain unauthorized access to the school network system or any other computer system or go beyond authorized access. This includes hacking, attempting to log in through another account, or searching for ways to circumvent the network from home or school. This is illegal and will be subject to disciplinary action.

Internet Safety

1. Students shall not post personal contact information on the internet with their school devices. This includes name, age, gender, home address, email address, and telephone number.
2. Students shall not share or post personal photos or photos of others.
3. Students shall not engage in chatting, instant messaging, or use of social network sites at any time during the school day except when such has been approved for classroom use.
4. Students should inform district personnel of any threatening, bullying, derogatory, or obscene communication immediately.

Network Safety

1. Students shall maintain a confidential password for access to the network.
2. Students shall not knowingly or purposely access folders that are not established for access by the student, including any staff files, network files, or operating system files.
3. Students shall not take action to intentionally disrupt the operation of the network in any way.

H. Repair or Replacement of Laptop Computers

Manufacturer's Warranty

This coverage is purchased by the HTRS District for the laptops used in the 1:1 initiative. This warranty covers normal use, mechanical breakdown, or faulty construction and will provide replacement parts necessary to repair the laptop. This warranty does not warrant damage caused by misuse, abuse, or computer viruses. Please report all laptop problems to the librarian or tech office.

Damage

Damaged laptops will be sent to the laptop company or repair facility which will assess the damage and repair cost. The student/parent will be held responsible for 40% of the damage or repair and the school will pay 60% of this cost. Keyboards missing keys that require a new keyboard will be paid for by the student/parent at the replacement cost. Missing or damaged power adapters will be replaced and paid for by the student/parent at the replacement cost. If the laptop carrying case is damaged, the student/parent will be responsible for the replacement cost. This will be determined by the technology staff, librarian, and administration.

Claims for Laptop Protection Fees Coverage

Students/parents are responsible for the loss of the computer due to theft or fire not on school premises.

Intentional Damage or Damage Due to Willful Neglect or Loss

Students/parents are responsible for full payment of intentional damage to laptops or damage due to willful neglect or loss regardless of warranty. Intentional damage to school property is a criminal act and students will be dealt with accordingly. **Intentional or Willful Neglect is defined as but is not limited to; defacing, destruction, misuse, intentional or frequent damage, or cosmetic damage.** Students/parents will be responsible for 100% of this damage. This could be the cost of replacing the laptop which could be \$1000 or more.

I. Financial Responsibility

The HTRS laptops will be checked out to the student with the understanding that the property belongs to the school and is loaned out in good working order. Students are expected to care for and be responsible for the laptops just like textbooks, activity equipment, and other class/district property. The care of the laptop is the responsibility of the student regardless of whether they are taken home or checked out for use during the school day as outlined in the student handbook.

Students/Parents are responsible for:

1. Damage for any reason is the responsibility of the student/parent to contact the school.
2. The student/parent agrees that if there is a violation of copyright law or other illegal activities attributed to the student's use of the property, the district will be compensated, and the student will be subject to a penalty under the law.

J. Consequences for a Laptop Infraction:

1. **First Offense:** A verbal warning
2. **Second Offense:** Letter sent to the parents

3. Third or more Offenses: Detention

*The HTRS administration has the final decision in the issuance of consequences for laptop violation.

INTRODUCTION

This handbook provides information to persons who are employed by HTRS Public School and are referred to in this handbook as employees, staff, or staff members. It is designed to provide practical information about the daily operation of the schools in the district and contains building and district directories, safety and emergency information, as well as district policies and procedures. Each staff member should carefully review this handbook. The administration and the board of education continually review policies and procedures, so staff members should discuss comments, concerns, or suggestions about this handbook with their building principal or another member of the administrative staff.

This handbook does not create a “contract” of employment. Staff positions and assignments that do not require a teaching certificate or are not otherwise governed by the teacher tenure laws may be ended or changed on an at-will basis notwithstanding anything in this handbook or any other publication or statement, except a contract approved by the board of education.

Many situations may arise that are not covered by this handbook. In those instances, staff members should use their own good judgment or consult with the administration. If any information contained in this handbook conflicts with board policy or state statute, the policy or statute will govern.

The provisions in this handbook are subject to change at the sole discretion of the Superintendent and the Board of Education. From time to time, you may receive updated information concerning changes in the handbook. These updates should be kept within the handbook so that all procedures can be kept up to date. If you have any questions regarding this handbook, please ask your supervisor or the Superintendent for assistance.

Your suggestions about ways to improve the school are welcome and will always be considered.

NONDISCRIMINATION IN EDUCATION PROGRAMS AND ACTIVITIES

The HTRS Public School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the nondiscrimination policies:

Name: Dr. George Griffith
Title: Superintendent
Address: 810 Central Ave., Humboldt, NE 68376
Telephone: 402-862-2235
E-mail: georgegriffith@htrstitans.org

For further information on notice of nondiscrimination, visit <http://wdcrobcop01.ed.gov/CFAPPS/OCR/contactus.cfm> for the address and phone number of the office that serves your area or call 1-800-421-3481.

For additional prohibited discrimination and related information, please review HTRS Public School Policy 3053 – Nondiscrimination

PHILOSOPHY

The fundamental concepts of American democracy should be the guidelines of a good school. The primary purpose is to provide the best possible educational program for our school and community. The school should cooperate with other agencies to provide further education.

The comprehensive high school recognizes the need for a reasonable balance between the academic and vocational offerings. The school needs to direct its educational program within the knowledge and limits

of our school population. It must keep abreast with educational techniques to build on the knowledge of the students to open new real worlds of opportunities.

The teacher's role is to stimulate the students to want to achieve on their own. Teachers are dedicated persons who direct their knowledge to be a learning process for our school population, following the basic principles and fundamentals of our educational program. Teachers are to be respected by students and, at the same time, teachers are to be aware of the problems and needs of the students.

The school realizes that we must have a close relationship and a high level of communication between teachers, administration, school board and community in order to maintain a good school. The school's educational program shall provide a balance between the academic and extra-curricular activities. A sound educational program should be provided to meet the needs of the community. The school shall instill and develop a concept of positive self-worth through the academic program and extra-curricular activities.

Objectives

1. To develop the background for an enlightened and conscientious citizenship.
2. To develop a quality of leadership in the students.
3. To develop self-confidence in the students.
4. To develop the skills of the students so they may be successful in work or management areas.
5. To provide training for leisure time.
6. To have a close relationship between teachers and the people in the community.
7. To have teachers who understand and desire to help students.
8. To maintain a high level of communication between the administration, faculty, students, school Board and the community.
9. To develop well-rounded students.
10. To promote student activities.
11. To provide the student and the community with the most in education.

POLICIES AND PROCEDURES REGARDING ALL STAFF

Accidents & Injuries

Staff must inform the building office immediately of all accidents and/or injuries to students or staff, and complete the appropriate accident form that is available from the office secretary. The accident form must be returned to the office within twenty-four hours.

Activity Accounts & Fundraising

Activity accounts are handled through the superintendent's office. No student or sponsor may make any purchase without a signed purchase order from the superintendent. **Purchases made without prior permission are the personal obligation and responsibility of the purchaser.**

The superintendent is responsible for authorizing any fundraising on the part of student activities. **No fundraising may occur without express administrative permission.**

Activity Tickets

All staff, spouses, and their school-age children will be admitted to home games free of charge. Activity tickets will be issued to staff through the building offices.

Agents, Salesmen & Other Business Representatives

All business representatives calling on school matters must obtain permission from the superintendent or building principal before conferring with staff. Staff must determine whether the business representative has been granted permission before discussing business matters. Classroom teachers may not interrupt class work to confer with such representatives.

Staff may not use school time or school facilities for any personal activity for personal financial gain or confer with any business representative for personal business during school time.

Announcements & Circulars

No announcements shall be made before any school group without authorization of the principal or superintendent.

Any circulars or advertising displayed within the school shall have the approval of the building principal or superintendent before posting.

Board Policies, Rules, and Directives

The board of education has adopted policies that govern the operation of HTRS Public School. A complete policy manual is available on the district's website or in the main administrative office. These manuals will be updated as the board adopts new policies or modifies existing policies. In particular, the 4000 series deals with policies that affect personnel. Additionally, the Board has authorized the Superintendent and his or her designee to adopt rules and directives regarding the conduct of students, staff, and other persons. Many of these rules and directives are published in the Student Handbook, Staff Handbook, and Activity Handbook, respectively. Each of these handbooks are available on the district's website and in the main administrative office. **By signing below, you agree that you have read and understood these policies, handbooks, rules, and directives, their application to you, and that you have had an opportunity to discuss any questions with the administration.**

Child Abuse

School employees who have reasonable cause to believe that a child has been subjected to child abuse or neglect or observe a child being subjected to conditions or circumstances which reasonably would result in child abuse or neglect will report the suspected abuse or neglect according to the following procedure.

1. Any school employee who has reasonable cause to believe that a child has been abused or neglected shall report the suspicion to the building principal immediately. Employees shall also personally report or cause a report to be made to local law enforcement or to the Department of Health and Human Services.
2. When the principal makes a report of suspected child abuse or neglect, he/she shall inform the employee(s) who made the initial report.
3. Nothing in the paragraph above shall hinder a school employee from fulfilling his/her/their obligation to report suspected abuse or neglect if he, she or they have reasonable cause to believe that a child has been abused or neglected.
4. Any doubt or question in reporting such cases shall be resolved in the favor of reporting the suspected abuse or neglect. Consultation between the administrator and school employee is encouraged, keeping in mind that prompt reporting is essential.

Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to board members, patrons, students, and school staff, unless the staff member is subject to a different grievance procedure pursuant to policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When such efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth below. Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable

area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant believes speaking directly to the person would subject complainant to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, Title IX/504 coordinator, superintendent of schools, or president of the board of education, as set forth below.
 - a. Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b. Complaints about the operations of HTRS Public Schools or a building principal should be submitted in writing to the superintendent of schools.
 - c. Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.
 - d. Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted at any time during the complaint procedure to HTRS Public Schools' Title IX/504 coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.
3. When a complainant submits a complaint to an administrator or coordinator, the administrator or coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:
 - a. Determine whether the complainant has discussed the matter with Respondent.
 - 1) If the complainant has not, urge the complainant to discuss the matter directly with the respondent, if appropriate.
 - 2) If the complainant refuses to discuss the matter with the respondent, the administrator or coordinator shall, in his or her sole discretion, determine whether the complaint should be pursued further.
 - b. Strongly encourage the complainant to reduce his or her concerns to writing.
 - c. Interview the complainant, if necessary, the respondent against whom the complaint is filed, to determine:
 - 1) All relevant details of the complaint;
 - 2) All witnesses and documents which the complainant believes support the complaint;
 - 3) The action or solution which the complainant seeks.
 - d. Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the administrator or Title IX/504 coordinator received the complaint.
4. If either the complainant or the respondent is not satisfied with the decision he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear

any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements for appeals within any other policy apply, and in addition to those requirements, the following also apply.

- a. This appeal must be in writing.
 - b. This appeal must be received by the superintendent no later than three(3) calendar days from the date of the decision.
 - c. For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate.
5. The superintendent will prepare a written decision and provide it to the complainant and any other person entitled by law to receive the appeal decision. For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that may involve oversight or discipline of students, staff, or others, unless those involve the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:
- a. When the complaint is about a board policy, not implementation of the policy;
 - b. When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
 - c. When the board is required by law, policy, or contract to hear a complaint or appeal.
 - d. If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding the complaint or appeal, he or she may appeal the decision to the board.
 - e. This appeal must be in writing.
 - f. This appeal must be received by the board president no later than ten (10) calendar days from the date the superintendent communicated his/her decision to the complainant.
 - g. This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.
 - h. The board president will notify the complainant and any other person legally required to receive the decision in writing of its decision. If the complaint involves discrimination or harassment allegations against the Superintendent, the board president shall submit the decision within 180 calendar days after receiving the written appeal.
 - i. There is no appeal from any decision of the board unless authorized by law.
6. Formal complaints about the superintendent shall be filed with the president of the board. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint,

and shall:

- a. Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.
- b. Determine whether the complainant has discussed the matter with the superintendent.
 - i. If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.
 - ii. If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
- c. Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.
- d. Respond to the complainant or appeal. If the complaint or appeal involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.
- e. Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.

No Retaliation

HTRS Public School prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with Disabilities

Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by HTRS Public School. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to HTRS Public Schools' Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to HTRS Public School's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability

must be submitted in writing to HTRS Public School's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings. The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. Complaints filed (a) without a good faith intention to attempt to resolve the issues raised; (b) for the purpose of adding administrative burden; (c) at a volume unreasonable to expect satisfactory resolution; or (d) for purposes inconsistent with the efficient operations of the district may be dismissed by the superintendent without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section

Conflict of Interest

An employee, officer, agent, and board member of the district may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, except that this provision does not prohibit the receipt of unsolicited items of nominal value. For purposes of this policy, "nominal value" means a fair market value of \$25 or less.

Contact Information

Staff are required to keep the district informed of any change in their name, address, telephone or other contact information. Contact the building secretary to report a change.

Copyright & Fair Use

HTRS Public School complies with federal copyright laws. Staff members must comply with copyright laws when using school equipment or working on behalf of the district. Federal law prohibits the unauthorized reproduction of works of authorship, regardless of the medium in which they were created.

The "fair use" doctrine allows limited reproduction of copyrighted works for educational and research purposes. "Fair use" of a copyrighted work includes reproduction for purposes such as criticism, news reporting, teaching (including multiple copies for classroom use), scholarship, or research. Staff who are unsure whether their proposed reproduction of copyrighted material constitutes "fair use" should consult with their building principal, review HTRS Public Schools' copyright compliance policy, and review *Reproduction of Copyrighted Works by Educators and Librarians* from the U.S. Copyright Office found at <https://www.copyright.gov/circs/circ21.pdf> and *Copyright for Students* found at <https://www.whoishostingthis.com/resources/student-copyright/>. Corporal punishment is the infliction of bodily pain as a penalty for disapproved behavior, and is prohibited by law. Some physical contact is inevitable, and most of it is appropriate. Corporal punishment does not include the use of physical force that is reasonable and necessary to (1) protect school employees; (2) protect students or property; or (3) remove a student from a situation that endangers the student, persons, or property. Staff members should promptly report any event that required the use of physical force to their building principal.

Crisis Response Team

Any staff member appointed by the district administration will serve on the Crisis Response Team as outlined in the board policies. The Crisis Response Team serves a vital role in supporting the district's staff and students. It is the responsibility of the appointed staff member to discuss with the district administration any circumstances that may affect the staff member's ability to perform the tasks required by board policy.

Disability Leave (Short-Term)

Short-term disability leave will be treated in the manner required by state and federal law and consistent with the negotiated agreement with the HTRS Public Schools' local education association. Short-Term Disability leave will run concurrently with FMLA leave.

Administrators may temporarily suspend all or a portion of the dress code when other factors support a lower dress expectation for school employees (e.g., special “casual days” or field days). Any violation of school policy and rules may result in disciplinary action.

Drug Free Workplace

It is vitally important to have a healthy workforce that is free from the effects of illegal drugs. The use or possession of unlawful drugs in the workplace has a very detrimental effect upon safety and morale of the affected employee, coworkers, and the public at large; and on productivity and the quality of work.

Federal law requires HTRS Public Schools, as a recipient of federal funds, to maintain a drug-free workplace. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in the district's workplace is prohibited. The term "workplace" includes every location where district employees may be found during their working hours or while they are on duty, regardless of whether the location is within the geographic boundaries of the district. Any employee who violates this policy will be disciplined with measures up to and including discharge. The district may, in its sole discretion, require or allow an employee who violates this policy to participate in and satisfactorily complete a drug abuse assistance or rehabilitation program.

The district shall provide every current employee with a copy of this policy and shall provide each newly hired employee with a copy upon hiring. Every employee shall be required to signify receipt of a copy of the policy in writing. All district employees must abide by this policy, including those who are not directly engaged in the performance of work pursuant to a federal grant.

An employee must notify his/her supervisor of any conviction of a criminal drug statute for a violation occurring in the workplace within five days. The failure to report such a conviction will be grounds for dismissal. If the employee convicted of such an offense is engaged in the performance of work pursuant to the provisions of a federal grant, the district shall notify the grant agency within 10 days of receiving notice of a conviction from the affected employee or of receiving actual notice of such a conviction.

Drug & Alcohol Testing

HTRS Public School administrators who suspect that drugs or alcohol may be present in a staff member's system may require the staff member to provide a body fluid or breath sample as provided in Nebraska law. Staff members who refuse a lawful directive to provide a body fluid or breath sample may be subject to disciplinary or administrative action by the employer, including denial of continued employment.

Workplace Searches

To safeguard the property and interests of our students, employees, and patrons; to help prevent the

possession, sale, and use of illegal drugs on school grounds, and in keeping with the spirit and intent of the district's drug-free workplace policy and other policies, HTRS Public School reserves the right to question employees and all other persons entering and leaving our premises, and to inspect any packages, parcels, purses, handbags, briefcases, lunch boxes, or any other possessions or articles carried to and from school when it has reasonable grounds to do so. The school also reserves the right to search any employee's office, desk, files, locker, or any other area or article on school grounds. All offices, desks, files, lockers, and so forth, are HTRS Public School property and are issued or provided for the use of employees only during their employment with the district. Inspections may be conducted at any time at the discretion of the administration. Employees who refuse to cooperate with this provision will be subject to disciplinary action up to and including discharge.

The failure to make a report required by this section may result in disciplinary action up to and including cancellation, termination, and non-renewal.

Electronic Communication While Driving

Except as provided below, school personnel shall not use any electronic communication device to read a written communication, manually type a written communication, send a written communication, verbally communicate with others while operating a school vehicle or while using a school-issued electronic communication device while operating a private vehicle. This prohibition includes but is not limited to answering or making telephone calls not related to the transportation and reading or responding to e-mails, instant messages, or text messages.

Staff members are responsible at all times for all keys issued to them and must keep their keys in a secure location or on the employee's person. Each classroom teacher must check that the doors and windows in his or her room are closed and locked at the end of the school day. Staff must report lost or stolen keys to the building principal immediately.

The District assumes no obligation beyond making such opportunities available.

While the District supports its employees by allowing them to exercise their rights, any impact on the employee's ability to perform his or her functions as required by the district is grounds for discipline. For further guidance regarding political conduct on school grounds, contact the superintendent and consult the board policies.

Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting have been told to notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student and appropriate district staff to develop a plan to assist the student in participating in district curriculum and extra-curricular activities. Such a plan may include:

1. If the student cannot regularly attend classes, the provision of online courses;
2. The arrangement of meeting times with teachers;
3. If the student has not identified appropriate childcare, the identification of child care providers that meet statutory requirements for quality and care; and

District employees must be aware of professional boundaries between students and staff, and they must never blur the boundaries. These standards of behavior apply to text or cell communication and social networking sites, such as Facebook, Twitter, Instagram, etc., along with communications and interactions of any kind between staff and students.

Examples of unprofessional misconduct include: inappropriate sexual communications or interactions with students, meeting with students in private outside of school, privately contacting any student under the age of 19 and less than one year after graduation and intruding on a student's personal space. The requisition must include the name of the article being requested, where it may be purchased, how many articles are required and their cost. Requisition forms are available from the office. Orders should not be placed until the district office has issued a printed purchase order. Once an order has been received, the staff member must notify the building secretary so payment can be processed. Failure to follow the procedure for requisitions may prevent the staff member from receiving the items requisitioned. All orders or supplies must be authorized by the administration. Staff may be personally liable for any orders placed without such authorization.

Employees shall refer any police officer, child protective service worker, or other similar individual seeking to speak to or interview a student to an administrator.

School telephones are maintained for the primary purpose of conducting school business. Staff members should limit their use of school phones to brief conversations. Teachers will not be called to the telephone during class time except in the case of an emergency.

Staff members may not use personal cell phones to make or receive calls or to send or receive text messages during instructional time.

Threat Assessment & Response

The board of education is committed to providing a safe environment for members of the school community. Students, staff and patrons are urged to immediately report any statements or behavior that makes the observer fearful or uncomfortable about the safety of the school environment.

1. Definitions

- a. **Threat:** an expression of a willful intent to physically or sexually harm someone or to damage property in a way that indicates that an individual poses a danger to the safety of school staff, students or other members of the school community.
 - i. The threat may be expressed/communicated behaviorally, orally, visually, in writing, electronically, or through any other means.
 - ii. **Transient threat:** an expression of anger or frustration that can be quickly or easily resolved.
 - iii. **Substantive threat:** an expression of serious intent to harm others which includes, but is not limited to, any threat which involves a detailed plan and means.
- b. **Threat assessment:** a fact-based process emphasizing an appraisal of observed (or reasonably-observable) behaviors to identify potentially dangerous or violent situations, to assessment them and to manage/address them. Threat assessment is the process of identifying and responding to serious threats in a systematic, data-informed way.
 - i. The threat assessment process is distinct from student disciplinary procedures. The mere fact that the district is conducting a threat assessment does not by itself necessitate suspension, expulsion or emergency exclusion without complying with state law and board policy related governing those actions.
 - ii. The threat assessment process is distinct from specialized instruction which a student with a disability may receive from the school district. The school district will not change a

student's educational placement as that term is used in the Individuals with Disabilities in Education Act *solely* as part of a threat assessment.

2. Obligation to Report Threatening Statements or Behaviors.

All staff and students must report **substantive threats** to a member of the administration immediately and comply with any other mandatory reporting obligations. Staff and students who are unsure whether a threat is substantive, or transient should report the situation. Staff and students must make such a report regardless of the nature of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who were threatened or who were the focus of the threatening behavior. Staff and students must also make such reports regardless of where or when the threat was made, or the threatening behavior occurred.

THREATS OR ASSAULTS WHICH REQUIRE IMMEDIATE INTERVENTION SHOULD BE REPORTED TO THE POLICE AT 911.

3. Threat Assessment Team

The threat assessment team (team) shall consist of the superintendent, building principal(s), guidance counselor(s), local law enforcement, a member of the technology staff, school nurse, and school psychologist. Not all team members need to participate in every threat assessment. If the threat has been made by or is directed towards, a student with a disability, the threat assessment team must include a staff member who is knowledgeable about special education services or Section 504 of the Rehabilitation Act, as appropriate. Neither the student nor their student's family members are part of the threat assessment team.

The team is responsible for investigating all reported threats to school safety, evaluating the significance of each threat, and devising an appropriate response. The threat assessment team shall work closely with the crisis team in planning for crisis situations. The threat assessment team shall be familiar with mental health resources available to students, staff and patrons and shall collaborate with local mental health service providers as appropriate.

4. Threat Assessment Investigation and Response

When a threat is reported, the school administrator shall initiate an initial inquiry/triage and, in consultation with members of the threat assessment team, make a determination of the seriousness of the threat as expeditiously as possible. The school administrator must contact law enforcement if the administrator believes that an individual poses a clear and immediate threat of serious violence.

If there is no reasonably apparent imminent threat present or once such an imminent threat is contained, the threat assessment team will meet to evaluate and respond to the threatening behavior. The team may, but is not required to, review the following types of information:

- Review of the threatening behavior and/or communication;
- Interviews with the individuals involved including students, staff members, and family members as necessary and/or appropriate;
- Review of school and other records for any prior history or interventions with the students involved;
- Any other investigatory methods that the team determines to be reasonable and useful.

At the conclusion of the investigation, the team will determine what, if any, response to the threat is appropriate. The team is authorized to disclose the results of its investigation to law enforcement and to the target(s) of any threatened acts. The team may refer the individual of concern to the appropriate school administrator for consequences under the school's student discipline policy or, if appropriate, report the results of its investigation to the student's individualized education plan team.

Regardless of threat assessment activities, disciplinary action and referral to law enforcement will occur

consistent with board policy and Nebraska law.

5. Communication with the Public about Reported Threats

The team will keep members of the school community appropriately informed about substantive threats and about the team's response to those threats. This communication may include oral announcements, written communication sent home with students, or communication through print or broadcast media. However, the team will not reveal the identity of the individual of concern or of any target(s) of threatened violence unless permitted by law.

6. Coordination with the Crisis Team After Resolution of Threat

The threat assessment team will confer with the district's crisis team after a threat has been investigated to provide the crisis team with information that the crisis team may use in assessing or revising the district's All-Hazard School Safety Plan.

INFORMATION FOR ALL TEACHERS

Beginning the Day

All teachers are to be on duty at 7:45 a.m. The period of time from 7:45 a.m. to the second bell (8:00) is designed to be used for preparation for the day. Tasks such as lesson plans, completing down slips, checking out library and audio-visual materials, turning in reports, using the copy machine, and conferring with other teachers are included in the possible tasks. From time to time, teacher meetings will be held in this period. Unexcused absenteeism and tardiness will not be tolerated.

Teaching Supplies

Classroom supplies are ordered through your Class Wallet account. All other purchases must be preapproved by the superintendent or the superintendent's designee prior to purchase. Purchases made without prior approval may be the responsibility of the individual placing the order.

Care of Rooms

Teachers are expected to keep their room neat and orderly. When leaving in the evening, be sure the windows are closed, the lights turned off, and the door locked. The custodian will clean your room, but you have a responsibility to help. Pick up papers off the floor and have your students keep papers out of the desks.

Progress Reports

At the end of each five-week period, progress reports will be used in grades five through twelve to report poor performance in the classroom for the five weeks. A student need not be failing to receive a progress report. A copy will be mailed to the parents.

Lesson Plans

Teachers are to keep their lesson plans up-to-date and use Plan Book for curriculum development. If a substitute teacher is needed, your plans should be complete so that the substitute may proceed with the class. It is your responsibility to plan work when you are absent.

Seating Charts

Teachers are to have a seating chart for each of their classes. This chart should be available for substitute teachers. Teachers are encouraged to seat their students to encourage good discipline.

Substitute Teacher Folders

Substitute teacher folders with your daily schedules and essential information must be kept up-to-date on a regular basis. Please go through your folder so that when a substitute teacher is needed all necessary information is readily available.

Parent-Teacher Conferences, Grading & Report Cards

Parent-Teacher conferences will be held at the completion of the first nine weeks. A later date will be announced for the 2nd Parent-Teacher conference.

Report cards will be issued at the completion of each nine-week period. Distribution of report cards will be made on the Wednesday following the end of the nine weeks' period.

Use of Copier

Copy machines are valuable assets to the teaching staff. They represent a very costly investment both initially and for their daily use. Please observe the following procedures:

1. When the supply of paper is running low, please report it to the custodian or the office.
2. If the machine breaks down or is not functioning properly, please report it immediately to the office.

Fire Drills

Fire drills will be held twice the first month and at least once a month thereafter. Be sure your door is closed when you leave your room for a fire drill. Please post the Fire Drill Exit Plan in a visible place in your classroom and refer to it for the route you should take.

Tornado Drills

Tornado drills will be conducted in the spring when the possibility of a tornado exists. The intercom system will be used to announce the drill or for a real tornado alert. If the electricity is off, voice commands will be given. Refer to the Tornado Drill Exit Plan handed out for the route your class should take.

Student Assistant Team

The Student Assistant Team (SAT) is designed to have teachers support teachers regarding a student or a student's program. The purpose of SAT is to review a student's circumstances related to academics, social-emotional support and/or behavior and make recommendations to the classroom teacher as to how to best accomplish the desired results.

DUTIES OF THE TEACHER

Although instruction is the teacher's main responsibility, they have a varied program of duties throughout the school year including but not limited to.

Classroom Instruction

The major responsibility of a teacher in the Humboldt Table Rock-Steinauer Schools is to provide an effective instructional program in the classroom. This responsibility involves preparation and planning, understanding and application of sound professional teaching methods and the developing and maintenance of effective pupil, parent, and community relationships.

Faculty Meetings

Teachers will attend all faculty meetings.

Understanding of and Adherence to District Policies and Regulations

Teachers shall keep themselves informed of the policies and regulations established by the Board and the administration and shall work in accordance therewith.

Other Duties

In addition to the responsibilities outlined above, the teacher is charged with certain other duties as required by the statutes of the State of Nebraska and by School District #0070. These include, among other things, pupil registration and records, pupil discipline, reporting to parents, supervision of pupils, the requisitioning, care of, and accounting of instructional materials, and any other responsibilities as

assigned by the administration. Principals will provide a duty schedule for all instructional staff.

Mandatory Reporting of Suspected Child Abuse or Neglect

All certified staff members are required to report possible cases of child abuse or neglect directly to the Richardson or Pawnee County Sheriff's Office or to the Richardson or Pawnee County Department of Social Services within 24 hours of the observation. This will be followed up by a written report within 48 hours of the oral report.

Career Education

Career education is a very vital part of the teaching process. Each member of the teaching staff is encouraged to include career education in their daily teaching.

All teachers, not just the guidance counselor, have a responsibility to expose their students to careers and opportunities in the world of work and integrating it into the curriculum. Students need to be encouraged to relate their needs, their abilities and goals to careers and be exposed to career opportunities in the classroom.

Multicultural Education

It shall be the policy of the Humboldt Table Rock-Steinauer Public Schools and its personnel to stress multi-cultural education in its curriculum and other aspects of school life. The following policy is in effect:

It is our belief that the worthiness of the human being and of all cultures and creeds is important and that an educated person should understand these fundamental beliefs.

To insure the teaching of these beliefs, the following shall be done on a continuing basis:

1. The textbooks and curriculum materials shall stress multi-cultural principles where applicable.
2. All instructional personnel shall emphasize multi-cultural education and in-service education shall be provided annually to enhance this instruction.
3. The guidance counselor shall strive to emphasize the worth of the human person regardless of the race or creed in counseling situations and in the total guidance program.
4. The total-direction of the multi-cultural education program in the Humboldt Table Rock-Steinauer Public Schools shall be the responsibility of the Superintendent.

EDUCATION FOR STUDENTS WITH DISABILITIES

The Board of Education has adopted the following policy:

The Right of Every Child to Be Educated

The Humboldt Table Rock-Steinauer Public Schools recognizes that all children deserve the right to the best possible education. The handicapped individual is no exception. The Humboldt Table Rock-Steinauer Public Schools recognizes that every handicapped child can have a meaningful and productive place in our society as long as we continue to offer the appropriate opportunities he/she needs to develop. It is the responsibility of the school district to provide educational programs designed to meet the educational needs of each individual child inflicted with a handicap.

Modified Curriculum

In most cases a modified curriculum will be needed for each student with a disability or 504. Each student shall have a curriculum that is within the capability of the student. If the student works up to his/her ability, the teacher shall grade accordingly.

Special Services Personnel

The School Psychologist is available to support the special needs students and to assist the classroom teacher in meeting the needs of these children. They coordinate the services provided by ESU #4. They have

background information on most students that can be of help in diagnosing and prescribing supportive activities.

Candy Blecha, Special Education Director, directs the educational programs for all special education students and staff, K-12. Close coordination between special education staff and the classroom program is required. The resource teacher or the classroom teacher may initiate either conference concerning special needs children.

Title I Reading and Math

Support is given to children who qualify for special help under Title I. Title I is a school wide program developed with the involvement of parents and community based on a comprehensive needs assessment with a description of strategies to be implemented to address student needs.

Grade Scale

Classroom teachers should provide students and parents with frequent updates regarding the student's progress during the quarter. At the conclusion of each quarter, students will receive an end-of-quarter report card. Classroom teachers should use the following symbols for each subject area:

Grade / Percentage	REGULAR GRADE SCALE
A+ = 95-100	A+ = 4.0
A = 90-94	A = 4.0
B+ = 85-89	B+ = 3.5
B = 80-84	B = 3.0
C+ = 85-79	C+ = 2.5
C = 70-74	C = 2.0
D+ = 75-79	D+ = 1.5
D = 70-74	D = 1.0
F = 0-69	F = 0.0

Grade categories will be broken into two categories Formative (homework, quizzes, participation, daily work etc.) and Summative (chapter test, final exam, major project, etc.)

Formative will be 30% of a student's grade

Summative will be 70% of a student's grade

HTRS does not provide class credit for quarters in grades 9-12 as such semester grades will be a total of all grades per semester not an average of first quarter and second quarter.

Guest Lecturers

Guest lecturers must be approved by the administration before they are asked to address a class. The guest lecturer must have a specific, relatable objective in his/her lecture.

Hall Duty

Every classroom teacher is on hall duty before school in the morning and between classes. Classroom teachers are responsible especially for the part of the hall adjacent to their classrooms.

Homework Policy

Homework is an important part of student learning. When parents, teachers, and students work together, out-of-class assignments are a valuable part of the instructional program. Homework should provide opportunities for students to practice acquired skills, develop initiative, form independent study habits, and use community resources.

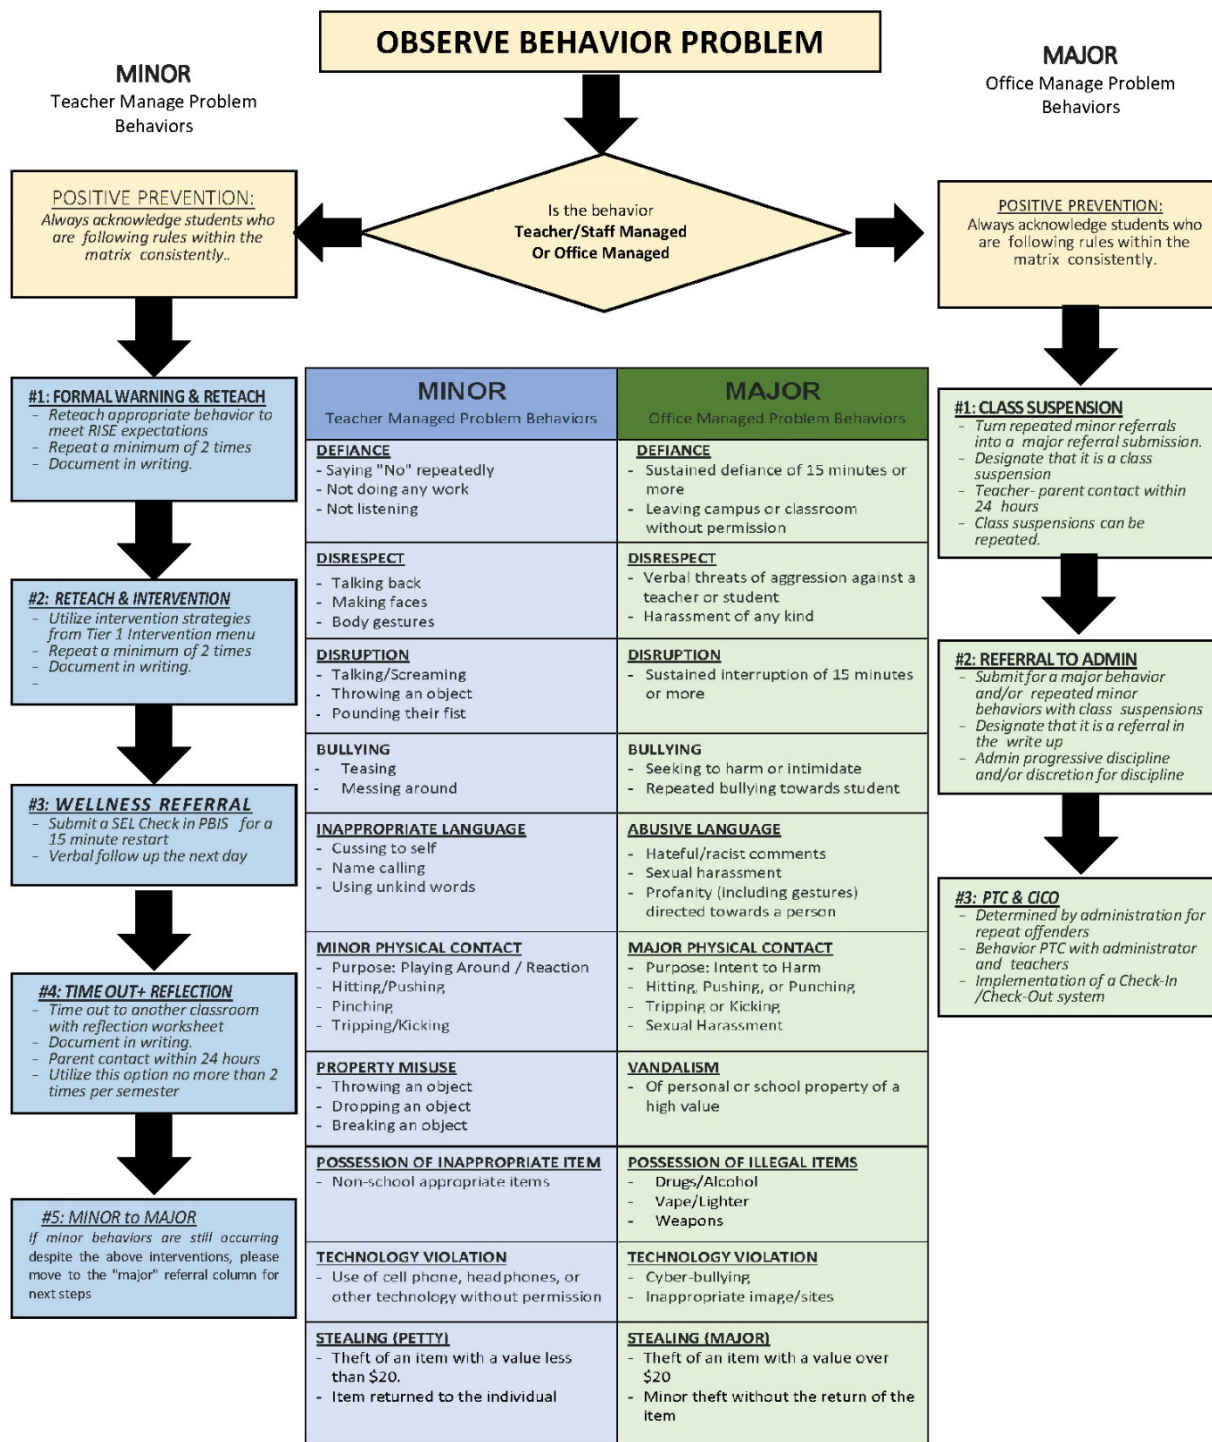

Instructional Materials

Instructional materials are made available through the Education Service Unit. A catalog and order forms

will be made available to all members. Films should be used as instructional materials. All media must be previewed for suitability by the classroom teacher before being shown to students.

HTRS

Behavior Intervention Flow Chart

Paraprofessionals

Paraprofessionals provide valuable assistance in the educational process and allow teachers to carry out their responsibilities in a more efficient and effective manner. A paraprofessional must not, however, assume teaching responsibilities. The classroom teacher must maintain the role of leadership and responsibility for the students, with the teacher aide in a supportive role. Paraprofessional may be used to assist the classroom teacher by, among other tasks, assisting with instructional activities under the direction of the teacher, helping to supervise students, copying tests and other written material, organizing class materials, preparing bulletin boards, grading tests or class work, and calculating and recording grades. Paraprofessionals are to work only on and within their assigned work days. If the classroom teacher desires the paraprofessional to work hours other than the assigned work hours or assigned workday, he or she must contact the administration for approval.

Parent-Teacher Communication

Students' academic success has been closely linked to parental involvement in school. Certified staff should strive to develop open and supportive relationships with parents and guardians. Each classroom teacher is responsible for keeping a student's parents informed about the student's progress. This may be done by letter, telephone, e-mail, or personal conference. Certified staff must attend parent teacher conferences, promptly return phone calls, participate in teacher events for students and parents, and where necessary utilize a planner as a communication tool. Certified staff who need additional support in communicating with parents should contact their building principal or guidance counselor.

Parties

1. No activities or picnics shall be held by an organization of the school without the presence of the sponsor or sponsors.
2. The number of activities and the closing hour for activities will be determined by the building principal and organization sponsor.
3. In making arrangements for activities and picnics, staff must avoid disturbing the routine of the school.
4. Cleaning up after the activity is the responsibility of the sponsor.

Planning Time

Each classroom teacher is provided with duty-free time for planning, preparation of school-related materials, and a brief respite from the duties of the day.

The Board defines planning time as time for educational planning and other task-related functions that cannot normally be accomplished during instructional periods. Planning time should not be confused with personal time. **Planning time is not to be used for running personal errands, conducting personal business, or pursuing non-school hobbies and/or interests.**

Private Tutoring

Classroom teachers must provide individual assistance to students as a part of their duties. Any certified staff member who engages in private tutoring for pay (compensation of any kind from a source other than the district) is subject to the following rules:

1. Certified staff may not arrange to provide private tutoring for any child enrolled in the staff member's class.
2. Certified staff are not to provide private tutoring in a school building.
3. Certified staff are not to provide private tutoring during duty time.
4. Certified staff are prohibited from advertising or promoting the private tutoring services in the school or in the school's communications systems except with the express permission of the Superintendent or designee.

Pupils' Records

Each classroom teacher must keep a set of records in Power Teacher including class recitations, tests, exams, daily work, notebook, etc. This serves as a justification of the final grade in case of dispute between teacher and pupil, or teacher and parent, and assists in making out the final grades.

Report cards will be issued within one week following the end of the quarter unless otherwise announced.

1. Reports should be conscientiously and accurately made because they are a serious estimate of the degree of success of the pupil.
2. Each classroom teacher should be adequately prepared to defend all decisions given on the report card.
3. Each classroom teacher is responsible for distribution of class cards on time.
4. Classroom teachers must confer with the principal before recording any incomplete, failing, or conditional grades on report cards.

Rights of Certified and Probationary Teachers

Certified and probationary teachers are entitled to the legal and procedural rights outlined in the board policies and state and federal law regarding the amendment, cancellation, or termination of the teacher's employment contract. For specific questions relating to those procedural or legal rights, please refer to the district board policies.

School Day

Teachers will report for school no later than 15 minutes before the beginning of the school day for students and leave no earlier than 30 minutes after the end of the school day for students. Exceptions can be made by the administration.

Under special circumstances, certified staff may seek permission from their building principal to vary these duty hours. In addition, certified staff may be assigned responsibilities at other hours by the principal or superintendent for supervising or directing school activities or affairs or for participation in affairs under the direct sponsorship of the school.

Each teacher will be in his or her classroom and ready to teach at 8:00 a.m. each day. Classroom teachers will stand at their doors when class is dismissed and must be outside their classroom doors before each class period. Classroom teachers must be physically present in their classrooms at all times during class periods and conference periods.

Personal work may not be done during school time.

Sponsors

Certified staff members are assigned by the superintendent as class and club sponsors. Sponsors must be present at all meetings and activities of the sponsored group. The procedure for activity accounts and meetings can be found in the student manual. Purchasing of supplies must be approved by the Superintendent.

Student Activities

Staff members who sponsor extracurricular activities such as athletics, class plays, and class activities may leave the school building only after making sure that all students and other individuals have left the building. No student is to be left unattended in the school building at any time.

School-owned clothing or equipment that is checked out to students remains the property of the school. The clothing or equipment is not to be used or worn by the student except for its intended use. Each piece of equipment or clothing is to be returned to the instructor or coach when the season or the use for such clothing or equipment is over. Certified staff will be held responsible for clothing and equipment that is not returned.

Student Aides

Student aides are to be directly supervised by the certified staff members and are not to leave the building or be in the halls or anywhere they are not being supervised. Student aides are not to be used to assist the certified staff member by helping supervise another student, grade tests or class work, calculate student grades, or record grades. Keys are NEVER to be given to students, whether they are student aides or not. A student aid should not be present and assisting a certified staff member without another adult present after the end of regular teacher duty hours.

Student Attendance

Students are expected to arrive at each class, be seated and ready for instruction prior to the beginning of the class day or class period, as appropriate. Student tardiness is the classroom teacher's professional responsibility. Classroom teachers must insist that students be on time.

Each teacher must maintain an accurate record of student attendance each day. Classroom teachers must carefully check and record attendance information at the beginning of each school day and, in upper grades, at the beginning of each period. Students and student assistants are not permitted to check attendance. Excessive absenteeism should be reported to the building principal or guidance counselor.

A student who departs school during the school day must report to the office and sign out before leaving the building. A student who returns during the school day must sign in at the building office before returning to class.

Student Attire

The responsibility for proper daily grooming and dress is primarily the responsibility of students and parents/guardians. However, certified staff members must insist that students do not remain in school while wearing attire that violates the dress code set forth in the Student Handbook.

Classroom teachers must report students who are not in compliance with the dress code to the building principal. The final decision on what is considered proper grooming and appearance is the responsibility of the building principal.

Student Illness

In the event of student illness or injury, classroom teachers should notify the building principal or superintendent immediately. Staff should never send a pupil home without notifying school officials and checking to see if his/her parents are home.

Student Medication

Student medications should not be dispensed by staff members unless they follow the following procedures.

No staff members other than the school nurse or designated trained staff may dispense medications (prescription or over-the-counter) to students at any time. Students may, with written parental or guardian permission, carry and self-administer a medically necessary inhaler but students may NOT carry or use any other medication including over-the-counter medication.

Staff members are not authorized to dispense prescription medicine without an agreement with a parent or guardian to provide a prescription container for the medicine that includes a pharmaceutical label, the physician's name, a child guard cap and directions for administering the medication.

After receiving the medication, the school employee should lock the medication in a cabinet or place it in an area where access is restricted to school employees only.

Student Searches

Certified staff members may not search students or their belongings. If a staff member suspects that a

student is in possession of contraband, he/she should immediately contact a member of the administration and supervise the student until the administrator arrives. Students who are suspected of having an item in violation of school rules may be directed to wait with a staff member.

Substitute Teaching during Planning Period

For each planning period Certified staff may be required teacher substitutes upon request by the Administration to cover another teacher's class they will be paid at a rate of 1/8 of the daily substitute pay per class period. This will be paid in December and July payrolls.

Teaching Controversial Issues

Teachers may teach or lead discussions about controversial issues if they comply with the following criteria:

1. The issues discussed must be relevant to the curriculum and be part of a planned educational program.
2. Students must have free access to appropriate materials and information for analysis and evaluation of the issues.
3. The teacher must encourage students to consider and discuss a variety of viewpoints.
4. The topic and materials used must be within the range, knowledge, maturity, and competence of the students.
5. The teacher must inform parents and the building principal before discussing sensitive or controversial issues.
6. The teacher must keep detailed, documentary evidence to prove that both sides and/or all facts available were presented.
7. Teachers must refrain from advocating partisan causes, sectarian religious views, or selfish propaganda through any classroom or a school device; however, a teacher shall not be prohibited from expressing a personal opinion as long as the student is encouraged to reach his/her own decision independently.

Textbooks

Classroom teachers will issue textbooks to the pupils, keeping a record of the number and condition of the book assigned to each pupil. If the books are new, classroom teachers must make sure the books are stamped and numbered before distribution.

Textbooks are to be stored in the classroom or storeroom. Textbooks are to be checked out to the students with teachers keeping an accurate record of each book by number in the place provided in grade books. Pupils are to pay for lost or damaged books.

Workbooks do not become the property of the students and in most cases should be retained by the school.

POLICIES AND PROCEDURES REGARDING CLASSIFIED STAFF

At-Will Employment

Classified staff members are employed "at-will." Either you or HTRS Public Schools may terminate your employment at any time, for any reason, with or without cause or notice. This handbook is not a contract, express or implied, guaranteeing employment for any specific duration.

Personal Leave

If the contract stipulates the receipt of personal days, they may be used following the leave request procedure. It is recommended that any staff member requesting personal leave should submit the request to the employee's supervisor at least three (3) school days in advance. The three-day rule may be waived if an emergency arises necessitating using a personal leave day such as being detained by weather, funeral

for friends, etc. Personal leave may not be taken the day school starts or ends for the year.

Paid Time Off (PTO)

If the contract stipulates the receipt of PTO days, they may be used following the leave request procedure.

Sick Leave

Absence for the employee's own illness, disability or quarantine shall be charged against PTO. Sick leave bank may be used once PTO is exhausted. Essential treatments, examinations for diagnostic purposes and other absences related to an employee's health shall be allowed as sick leave when such treatments or examinations must be made during school time. Each employee working less than full-time will receive the above benefits multiplied by the F.T.E. of their workday.

Grandfather Clause

Employees who had a sick leave balance at the end of the workday July 31, 2013

Sick leave balances for employees accumulated prior to August 1, 2013, will now be referred to as the employees' personal SICK-BANK. No time can ever be added to the SICK-BANK. The annual sick leave the employee receives each year must be exhausted before the SICK-BANK can be accessed. Once the employees' SICK BANK is depleted it will be permanently removed.

Illness in the Family

Sick leave may be used for illness of immediate family (husband, wife, son, daughter, father, mother, brother or sister of the employee, or any relative living in the immediate household of the employee).

Pregnancy

Pregnancy of an employee shall be considered an illness or temporary disability and shall be subject to the provisions for sick leave or PTO.

Bereavement Leave

Any days used for bereavement will come out of an employee's total sick leave days or PTO. Bereavement leave is requested either in person or by telephone to the Superintendent or his/her designee.

All paid leave (including personal, sick or PTO time) that a classified staff member is offered on his/her contract may be used during the contract year.

If not all days are used, that time will be paid to the employee at the conclusion of the contract year at their hourly wage.

Leave Request Procedures

Leave is requested online through Time Management System and approved by your supervisor. Your paid leave is automatically added to your timecard through TMS.

Paid Holidays

If the contract stipulates the receipt of paid holidays, the following days will be paid for the school year:

New Year's Eve & New Year's Day	Independence Day
Good Friday	Labor Day
Memorial Day	Thanksgiving Day and following Friday

The number of hours paid for the holiday will be the number of hours the employee is contracted to work in their agreement. If a holiday falls on a weekend day, the following Monday shall be the paid holiday.

Jury Duty

If a staff member is selected for jury duty, the staff member will receive pay for a regular day's work, less the payment of jury duty. Mileage or the payment of meals for jury duty will not be considered in the

deduction.

Hours for holidays and paid leave are paid for the same number of hours on a regular day for the employee. For example, if an employee's regular day is seven (7) hours a day, then a holiday or day of paid leave is for seven (7) hours.

REPORTING OF HOURS

Classified staff are required to clock in and out on the electronic platform provided.

Payroll checks are issued by direct deposit on the 15th of each month (or the Friday before if the 15th falls on a weekend or holiday).

Overtime

Overtime is incurred only when an employee works over forty (40) hours per week. The work week starts at 12:00 AM Sunday and ends 11:59 PM Saturday.

RESIGNATION OF NON-CERTIFICATED PERSONNEL

Non-certified personnel have signed an at-will contract. This means that at any time, the staff member or the Superintendent have the right to cancel the contract upon giving two (2) weeks' notice.

SEXUAL HARASSMENT

All members of the Humboldt Table Rock Steinauer Public School District, including, but not necessarily limited to, the Board, the administration, the faculty, the staff, and the students, are expected to always conduct themselves to provide an atmosphere free from sexual harassment. Eligible classified employees will receive paid vacation each school year. Employees should consult with their immediate supervisor for vacation information.

New employees will not be entitled to any vacation leave for the first six months of employment. After the completion of the last day of the sixth month of employment, new employees will be awarded one-half of the total vacation days provided for their job assignment. After the completion of the last day of the ninth month of employment, new employees will receive the remaining days of vacation provided for their job assignment.

Staff Internet & Computer Use

Internet access is an important tool for communicating, keeping up to date with current developments in education, and for conducting research to enhance management, teaching and learning skills. The following procedures and guidelines are intended to ensure appropriate use of the Internet at the school by the district’s faculty and staff. Staff should also refer to the district’s policy on Staff and District Social Media Use.

Staff Expectations in Use of the Internet

A. Acceptable Use While on Duty or on School Property

1. Staff shall be restricted to use the Internet to conduct research for instructional purposes.
2. Staff may use the Internet for school-related e-mail communication with fellow educators, students, parents, and patrons.
3. Staff may use the Internet in any other way which serves a legitimate educational purpose and that is consistent with district policy and good professional judgment.
4. Teachers should integrate the use of electronic resources into the classroom. As the quality and integrity of content on the Internet is not guaranteed, teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter on the Internet.

B. Unacceptable Use While on Duty or on School Property

1. Staff shall not access obscene or pornographic material.
2. Staff shall not engage in any illegal activities on school computers, including the downloading and reproduction of copyrighted materials.
3. Staff shall not use school computers or district internet access to use peer-to-peer sharing systems such as BitTorrent, or participate in any activity which interferes with the staff member’s ability to perform their assigned duties.
4. The only political advocacy allowed by staff on school computers or district internet access is that which is permitted by the Political Accountability and Disclosure Act and complies with district policy.
5. Staff shall not share their passwords with anyone, including students, volunteers or fellow employees.

C. School Affiliated Websites

Staff must obtain the permission of the administration prior to creating or publishing any school-affiliated web page which represents itself to be school-related, or which could be reasonably understood to be school-related. This includes any website which identifies the school district by name or which uses the school’s mascot name or image.

Staff must provide administrators with the username and password for all school-affiliated web pages and must only publish content appropriate for the school setting. Staff must also comply with all board policies in their school-affiliated websites and must comply with the board’s policy on professional boundaries between staff and students at all times and in all contexts.

Publication of student work or personality-identifiable student information on the Internet may violate the Federal Education Records Privacy Act. Staff must obtain the consent of their building principal or the superintendent prior to posting any student-related information on the Internet.

D. Enforcement

Methods of Enforcement

The district owns the computer system and monitors e-mail and Internet communications, Internet usage, and patterns of Internet usage. Staff members have no right of privacy in any electronic communications or files, which are stored or accessed on or using school property and these are subject to search and inspection at any time.

1. The district uses a technology protection measure that blocks access to some sites that are not in accordance with the district's policy. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.
2. Due to the nature of technology, the filter may sometimes block pages that are appropriate for staff research. The system administrator may override the technology protection measures that blocks or filters Internet access for staff access to a site with legitimate educational value that is wrongly blocked.
3. The district will monitor staff use of the Internet by monitoring Internet use history to ensure enforcement of this policy.

E. Any violation of school policy and rules may result in that staff member facing:

1. Discharge from employment or such other discipline as the administration and/or the board deem appropriate;
2. The filing of a complaint with the Commissioner of Education alleging unprofessional conduct by a certified staff member;
3. When appropriate, the involvement of law enforcement agencies in investigating and prosecuting wrongdoing.

Off-Duty Personal Use

School employees may use the internet, school computers, and other school technology while not on duty for personal use as long as such use is (1) consistent with other district policies, (2) consistent with the provisions of Title 92, Nebraska Administrative Code, Chapter 27 (Nebraska Department of Education "Rule 27"), and (3) is reported as compensation in accordance with the Internal Revenue Code of 1986, as amended, and taxes, if any, are paid. All of the provisions of Rule 27 will apply to non-certificated staff for the purposes of this policy. In addition, employees may not use the school's internet, computers, or other technology to access obscene or pornographic material, sext, or engage in any illegal activities.

Staff & District Social Media Use

Social media is an important tool for communicating, keeping up to date with current developments in education, and for conducting research to enhance management, teaching, and learning skills. The district also uses social media accounts to provide information to district stakeholders. This policy is intended to ensure (1) appropriate use of social media by staff and (2) appropriate control of social media accounts belonging to or affiliated with the district. Staff should also refer to the district's policy on Staff Computer and Internet Usage.

Personal versus School-Affiliated Social Media Use

Personal Social Media Use

1. The school district will not require staff members or applicants for employment to provide the district with their username and password to personal social media accounts.
2. The district will not require staff to add anyone to the list of contacts associated with the staff

member's personal social media accounts or require a staff member to change the settings on his or her personal social media accounts so that others can or cannot view their accounts.

3. Staff members whose personal social media use interferes with the orderly operation of the school or who use social media in ways that are not protected by the First Amendment may be subject to discipline by the district.
4. Staff members who wish to begin using or to continue using the school district name, programs, mascot, image or likeness as part of any social media profile must notify their supervising administrator of the use and must secure the administrator's permission to do so.

School-Affiliated Social Media Use

1. Any social media account which purports to be "the official" account of the school district (e.g., "Titan Wrestling"), or any of its programs, classes or entities will be an account that is used exclusively for the school district's business purpose. Staff members may not use "official" accounts for personal use.
2. Staff shall be required to provide their supervising administrator with the username and password to school-affiliated social media accounts.
3. Staff may be required to interact with specified individuals on school-affiliated social media accounts.
4. When staff use school-affiliated social media accounts to comment on school-related matters, they do not do so as private citizens and are therefore not entitled to First Amendment protections.

Staff Expectations in Use of Social Media

Applicable to both Personal and School-Affiliated Use

General Use & Conditions

Staff must comply with all board policies, contract provisions, and applicable rules of professional conduct in their social media usage. They must always comply with the board's policy on professional boundaries between staff and students and in both physical and digital environments.

Staff must obtain the consent of their building principal or the superintendent prior to posting any student-related information to make sure that the publication does not violate the Federal Education Records Privacy Act or any other laws. Staff must also comply with all applicable state and federal record retention requirements, even regarding personal social media usage.

Staff must comply with all applicable laws prohibiting the use or disclosure of impermissible content, such as copyright laws, accountability and disclosure laws, and any other law governing the use of resources of a political subdivision. Questions about appropriate content should be referred to the staff member's supervising administrator.

Acceptable Use

1. Staff may use social media for instructional purposes.
2. Staff may use social media for school-related communication with fellow educators, students, parents, and patrons.
3. Teachers should integrate the use of electronic resources, which may include social media, into the classroom. As the quality and integrity of content on social media is not guaranteed, teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter.

Unacceptable Use

1. Staff shall not access obscene or pornographic material while at school, on school-owned device or on school-affiliated social media accounts.
2. Staff shall not engage in any illegal activities, including the downloading and reproduction of copyrighted materials.

3. Staff shall not access social media networking sites such as Facebook, Twitter, and Instagram on school-owned devices or during school time unless such access is for an educational activity which has been preapproved by the staff member's immediate supervisor. This prohibition extends to using chat rooms, message boards, or instant messaging in social media applications and includes posting on social networking sites using personal electronic devices.
4. Any electronic communication with students must include the student's parents or be a team communication. Individual text, phone calls or other non-school related social media communications may be considered a violation of professional boundaries.

School-Affiliated Digital Content

General Use and Conditions for School-Affiliated Accounts

Staff must obtain the permission of their supervising administration prior to creating, publishing, or using any school-affiliated web pages, microblogs, social media pages or handles, or any other digital content which represents itself to be school-related, or which could be reasonably understood to be school-related. This includes any content which identifies the school district by name in the account name or which uses the school's mascot name or image.

Staff must provide administrators with the username and password for all school-affiliated accounts and must only publish content appropriate for the school setting. Staff may not provide the username and password to school-affiliated accounts to any unauthorized individual, including students and volunteers.

Moderation of Third Party Content

The purpose of school-related social media accounts is to disseminate information. No school-related or school-affiliated social media account covered by this policy shall permit comments by the public unless otherwise approved by the superintendent. All comment functions for applications such as Facebook and Instagram must be turned to "off" without this approval.

In the event the superintendent permits content created by anyone other than the administrator of the account to appear on the account's pages, such as comments made by students, parents, and patrons, the account administrator must monitor the content to ensure it complies with this policy. Posts, comments, or any other content made on the account's pages may be removed when the content meets any of the following conditions:

1. Is obscene, lewd, or appeals to prurient interests;
2. Contains information relating to a student matter or personnel matter which is protected under or prohibited by state or federal law;
3. Contains threatening, harassing, or discriminatory words or phrases;
4. Incites or is reasonably anticipated to incite violence, illegal activity, or a material and substantial disruption to school operations or activities; or
5. Contains any other threat to the safety of students and staff.

Every account administrator must keep a copy of any removed content and must provide a copy to the superintendent along with written notification for the reason the post has been removed. All questions about the appropriateness of removal must be directed to the superintendent.

2006 Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies ~~to board members, patrons, students and school staff, to complaints~~ unless the ~~staff member~~ complaint is subject to a different ~~grievance~~ procedure ~~pursuant required by law, to~~ policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When ~~such those~~ efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. ~~Students and employees who believe they have been subjected to sex harassment in violation of Title IX should refer to the board's policy titled "Title IX." Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.~~

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant reasonably believes speaking directly to the person would subject complainant or complainant's student to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, ~~Title IX/504~~ coordinator, superintendent of schools, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.

- a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.
 - c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.
 - d) Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted, at any time during the complaint procedure to the ~~School District's Title IX/504~~applicable coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.
3. When a complainant submits a complaint to an administrator or ~~to the Title IX/504~~ coordinator, the administrator or ~~Title IX/504~~ coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:
- a) Determine whether the complainant has discussed the matter with the ~~staff member~~ respondent involved.
 - 1) If the complainant has not, ~~the administrator or Title IX/504 coordinator will~~ urge the complainant to discuss the matter directly with ~~that staff member~~ the respondent, if appropriate.
 - 2) If the complainant refuses to discuss the matter with the ~~staff member~~ respondent, the administrator or ~~Title IX/504~~ coordinator shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

- b) Strongly encourage the complainant to reduce his or her concerns to writing.
 - c) Interview the complainant and, if necessary, the respondent against whom the complaint is filed, to determine:
 - 1) All relevant details of the complaint;
 - 2) All witnesses and documents which the complainant believes support the complaint;
 - 3) The action or solution which the complainant seeks.
 - d) Respond to the complainant. If the complaint involved involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or Title IX/504 coordinator received receives the complaint.
4. If either the complainant or the accused party respondent is not satisfied with the administrator's or the Title IX/504 coordinator's decision regarding a complaint he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements for appeals within any other policy apply, and in addition to those requirements, the following also apply.
- a) This ~~The~~ appeal must be in writing.
 - b) This appeal must be received by the superintendent no later than ten-three (103) calendar days from the date the administrator or Title IX/504 coordinator communicated his/her decision to the complainant of the decision.
 - c) The ~~For~~ complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate. ~~However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.~~

d) ~~Upon completion of this investigation, the~~The superintendent will prepare a written decision and inform provide it to the complainant and any other person entitled by law to receive the appeal decision in writing of his or her decision. ~~If the complaint involved discrimination or harassment~~For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.

5. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that may involve oversight or discipline of students, staff, or others, unless those involve the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:

- a) When the complaint is about a board policy, not implementation of the policy;
- b) When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
- c) When the board is required by law, policy, or contract to hear a complaint or appeal.

~~If either the complainant or the accused~~If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding a ~~the complaint~~ or appeal, he or she may appeal the decision to the board.

e)d) This appeal must be in writing.

f)e) This appeal must be received by the board president no later than ten (10) calendar days from the date the

superintendent communicated his/her decision to the complainant.

g)f) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.

h)g) The board president will notify the complainant and any other person legally required to receive the decision in writing of its decision. If the complaint ~~involved~~ involves discrimination or harassment allegations against the Superintendent, the board president shall submit ~~its~~ the decision within 180 calendar days after ~~it received~~ receiving ~~complainant's~~ the written appeal.

i)h) There is no appeal from any decision of the board unless authorized by law.

5-6. ~~When a formal complaint about the superintendent of schools has been~~ Formal complaints about the superintendent shall be filed with the president of the board. ~~7. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:~~

a) Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.

a)b) Determine whether the complainant has discussed the matter with the superintendent.

- 1) If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.
- 2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
 - ~~b) Strongly encourage the complainant to reduce his or her concerns to writing.~~
 - c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.
 - d) Respond to the complainant or appeal. If the complaint or appeal involved-involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.
 - ~~d)e) Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.~~

No Retaliation. The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with Disabilities. Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided a student with a disability, including but not limited to services provided to a student with

an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings. The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. Individuals who file complaints (a) without a good faith intention to attempt to resolve the issues raised; (b) for the purpose of adding administrative burden; (c) at a volume unreasonable to expect satisfactory resolution; or (c) for purposes inconsistent with the efficient operations of the district may be dismissed by the superintendent without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. The Superintendent or his/her designee shall be responsible for such verification.

Federal program and award identification include, as applicable, the CFDA title and number, federal award identification number and year, name of the federal agency, and, if applicable, name of the pass-through entity.

B. Financial Reporting

The District will make an accurate, current, and complete disclosure of the financial results of each federal award or program in accordance with the financial reporting requirements set forth in the Education Department General Administrative Regulations (EDGAR).

C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to

budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

E. Budget Control

Actual expenditures or outlays will be compared with budgeted amounts for each federal award at least annually and more often as required by law or deemed prudent by the board or administrative staff.

F. Payment Methods

The District will comply with applicable methods and procedures for payment that minimize the time elapsing between the transfer of funds and disbursement by the District, in accordance with the Cash Management Improvement Act at 31 CFR Part 205. Generally, the District receives payment from the Nebraska Department of Education on a reimbursement basis. 2 CFR § 200.305. The District may retain interest amounts up to \$500 per year for administrative expenses. 2 CFR § 200.305(b)(9).

Consistent with state and federal requirements, the District will maintain source documentation supporting the federal expenditures (invoices, time sheets, payroll stubs, etc.) and will make such documentation available for the Nebraska Department of Education to review upon request.

G. Allowability of Costs

Expenditures must be aligned with approved budgeted items. Any changes or variations from the state-approved budget and grant application need prior approval.

When determining how the District will spend its grant funds, the Superintendent or his/her designee will review the proposed cost to determine whether it is an allowable use of federal grant funds before obligating and spending those funds on the proposed good or service. All costs supported by federal education funds must meet the standards outlined in EDGAR, 2 CFR Part 3474 and 2 CFR Part. The Superintendent or his/her designee must consider these factors when making an allowability determination.

The Superintendent or his/her designee will consider Part 200's cost guidelines when federal grant funds are expended. The Superintendent or his/her designee will also consider whether all state - and District-level requirements

and policies regarding expenditures have been followed.

H. Use of Program Income – Deduction, Addition, or Cost Sharing or Matching

The default method for the use of program income for the District is the deduction method. 2 C.F.R. § 200.307(e). Under the deduction method, program income is deducted from total allowable costs to determine the net allowable costs. Program income will only be used for current costs unless the District is otherwise directed by the federal awarding agency or pass-through entity. 2 C.F.R. § 200.307(e)(1). The District may also request prior approval from the federal awarding agency to use the addition method. Under the addition method, program income may be added to the Federal award by the Federal agency and the non-Federal entity. The program income must then be used for the purposes and under the conditions of the Federal award. 2 C.F.R. § 200.307(e)(2). The District may also request prior approval from the federal awarding agency to use the cost sharing or matching method.

While the deduction method is the default method, the District always refers to the grant award notice prior to determining the appropriate use of program income.

I. Cost Sharing or Matching

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the non-Federal entity's cost sharing or matching when such contributions meet all of the following criteria:

- (2) Are not included as contributions for any other Federal award;
- (3) Are necessary and reasonable for accomplishment of project or program objectives;
- (4) Are allowable under [subpart E \(Cost Principles\) of this part](#);

- (6) Are provided for in the approved budget when required by the Federal awarding agency; and
- (7) Conform to other provisions of this part, as applicable.

J. Documentation of Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VIII. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, [veteran-owned businesses](#), and labor surplus area firms are used when possible consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in US or processed in US substantially using agricultural commodities produced in US.

C. Record Keeping

1. Record Retention

a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

This policy applies only to non-construction related purchases undertaken with federal funds which are subject to the federal Uniform Grant Guidance (UGG) and other applicable federal law, including but not limited to the Education Department and General Administration Regulations (EDGAR) and the United States Department of Agriculture (USDA) regulations governing school food service programs. In the event this policy conflicts or is otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of the laws shall control.

All other non-construction purchases will be governed by the Board's general purchasing policy, which can be found earlier in this subsection. In the event of a conflict between state and federal law, the more stringent requirement shall apply.

This procurement policy shall govern all purchasing activities that relate to any aspect of the National School Lunch and Breakfast Programs. The district's goal is to fully implement all required procurement rules, regulations and policies set forth in 2 CFR 200, 7 CFR parts 210, 3016 and 3019, and by the Nebraska Department of Education.

II. Procurement System

The District maintains the following purchasing procedures.

A. Responsibility for Purchasing

The authority to make purchases shall be governed by the District's purchasing policy, which can be found elsewhere in this section. Except as otherwise provided in the District's purchasing policy, the acquisition of services, equipment, and supplies shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the purchasing program of the school district. Purchases or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.

B. Methods of Purchasing

The type of purchase procedures required depends on the cost of the item(s) being purchased.

1. Purchases up to \$10,000 (Micro-Purchases)

Micro-purchase means an individual procurement transaction for purchase of supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed \$10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing, which can be found earlier in this subsection.

2. Purchases between \$10,000 and \$250,000 (~~Small Purchase~~Simplified Acquisition Procedures)

3. Purchases Over \$250,000

a) Sealed Bids (Formal Advertising)

For purchases over \$250,000, the district will generally follow the bidding process outlined in the board's policy on Bidding for Construction, Remodeling, Repair or Site Improvement.

b) Contract/Price Analysis

The District performs a cost or price analysis in connection with every procurement action in excess of \$250,000, including contract modifications. The district will make an independent estimate of costs prior to receiving bids or proposals.

4. **Noncompetitive Proposals (Sole Sourcing)**

- a) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:
 - 1) The procurement transaction can only be fulfilled by item is available only from a single source;
 - 2) The public exigency or emergency for the requirement will not permit a delay resulting from providing public notice of a competitive solicitation;
 - 3) The federal awarding agency or pass-through entity expressly authorizes written approval of noncompetitive proposals in response to a written request from the District; or
 - 4) After solicitation of a number of sources, competition is determined inadequate.
- b) Noncompetitive proposals may only be solicited with the approval of the superintendent or the board. Sufficient and appropriate documentation that justifies the sole sourcing decision must be maintained by the superintendent or designee.
- c) A cost or price analysis will be performed for noncompetitive proposals when the price exceeds \$250,000.

5. **Competitive Proposals.**

- a) The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

- 1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered ~~to the maximum extent practical~~;
 - 2) Proposals must be solicited from an adequate number of qualified sources; and
 - 3) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered.
- b) The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used ~~to procure in procurement of A/E professional services. It cannot~~ The method may not be used to purchase other ~~types of services though provided by A/E firms~~ are a potential source to perform the proposed effort.
- c) The District may select a proposal that offers the best value and that is based upon the proposer's responsiveness to the proposal, experience, reputation, staff qualifications, ability and capacity to carry on the work, price, honesty, integrity, skills, business judgment, financial stability, past performance, and other relevant factors. The evaluation may be conducted by the school board, a designated committee, or another designee of the school board.

C. Use of Purchase (Debit & Credit) Cards

District use of purchase cards is subject to the policy on purchase cards which can be found elsewhere in this subsection.

The District will maintain and follow general procurement standards consistent with 2 C.F.R. §200.318.

Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

F. Settlements of Issues Arising Out of Procurements

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

III. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.

H. Disposal of Equipment

When it is determined that ~~original or replacement~~ equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the Superintendent or his/her designee will contact the awarding agency (or pass-through for a state-administered grant) for disposition instructions.

If the item has a current ~~FMV~~ fair market value of \$105,000 or less, it may be retained, sold, or otherwise disposed of with no further obligation to the federal awarding agency or pass-through entity.

Federal program and award identification include, as applicable, the CFDA title and number, federal award identification number and year, name of the federal agency, and, if applicable, name of the pass-through entity.

B. Financial Reporting

The District will make an accurate, current, and complete disclosure of the financial results of each federal award or program in accordance with the financial reporting requirements set forth in the Education Department General Administrative Regulations (EDGAR).

C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

E. Budget Control

Actual expenditures or outlays will be compared with budgeted amounts for each federal award at least annually and more often as required by law or deemed prudent by the board or administrative staff.

F. Payment Methods

The District will comply with applicable methods and procedures for payment that minimize the time elapsing between the transfer of funds and disbursement by the District, in accordance with the Cash Management

Improvement Act at 31 CFR Part 205. Generally, the District receives payment from the Nebraska Department of Education on a reimbursement basis. 2 CFR § 200.305. However, if the District receives an advance in federal grant funds, the District will remit interest earned on the advanced payment quarterly to the federal agency. The District may retain interest amounts up to \$500 per year for administrative expenses. 2 CFR § 200.305(b)(9).

Consistent with state and federal requirements, the District will maintain source documentation supporting the federal expenditures (invoices, time sheets, payroll stubs, etc.) and will make such documentation available for the Nebraska Department of Education to review upon request.

G. Allowability of Costs

Expenditures must be aligned with approved budgeted items. Any changes or variations from the state-approved budget and grant application need prior approval.

When determining how the District will spend its grant funds, the Superintendent or his/her designee will review the proposed cost to determine whether it is an allowable use of federal grant funds before obligating and spending those funds on the proposed good or service. All costs supported by federal education funds must meet the standards outlined in EDGAR, 2 CFR Part 3474 and 2 CFR Part. The Superintendent or his/her designee must consider these factors when making an allowability determination.

The Superintendent or his/her designee will consider Part 200's cost guidelines when federal grant funds are expended. The Superintendent or his/her designee will also consider whether all state - and District-level requirements and policies regarding expenditures have been followed.

H. Use of Program Income – Deduction, Addition, or Cost Sharing or Matching

The default method for the use of program income for the District is the deduction method. 2 C.F.R. § 200.307(e). Under the deduction method, program income is deducted from total allowable costs to determine the net allowable costs. Program income will only be used for current costs unless the District is otherwise directed by the federal awarding agency or pass-through entity. 2 C.F.R. § 200.307(e)(1). The District may also request prior approval from the federal awarding agency to use the addition method. Under the addition method, program income may be added to the Federal award by the Federal agency and the non-Federal entity. The program income must then be used for the purposes and under the conditions of the Federal award.

2 C.F.R. § 200.307(e)(2). The District may also request prior approval from the federal awarding agency to use the cost sharing or matching method.

While the deduction method is the default method, the District always refers to the grant award notice prior to determining the appropriate use of program income.

I. Cost Sharing or Matching

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the non-Federal entity's cost sharing or matching when such contributions meet all of the following criteria:

- (1) Are verifiable from the non-Federal entity's records;
- (2) Are not included as contributions for any other Federal award;
- (3) Are necessary and reasonable for accomplishment of project or program objectives;
- (4) Are allowable under [subpart E \(Cost Principles\) of this part](#);
- (5) Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
- (6) Are provided for in the approved budget when required by the Federal awarding agency; and
- (7) Conform to other provisions of this part, as applicable.

J. Documentation of Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VI. Written Compensation Policies

A. Time and Effort Standards

All employees who are paid in full or in part with federal funds must keep specific documents to demonstrate the amount of time they spent on grant activities. This includes an employee whose salary is paid with state or local funds but is used to meet a required "match" in a federal program. These documents, known as time and effort records, are maintained in order to charge the costs of personnel compensation to federal grants. Charges to

federal awards for salaries and wages must be based on records that accurately reflect the work performed. These records must:

- (1) Be supported by a system of internal controls which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;
- (2) Be incorporated into official records;
- (3) Reasonably reflect total activity for which the employee is compensated, not exceeding 100% of compensated activities;
- (4) Encompass both federally assisted and all other activities compensated by the District on an integrated basis;
- (5) Comply with the established accounting policies and practices of the District and
- (6) Support the distribution of the employee's salary or wages among specific activities or costs objectives.

B. Time and Effort Procedures

Time and effort procedures will follow and comply with 2 CFR 200.430(i).

C. Fringe Benefits

Except as provided otherwise by federal law, the costs of fringe benefits will be allowable provided that the benefits are reasonable and required by law, a district-employee agreement, or another policy of the District.

D. Leave

The cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if they are provided under established written District leave policies.

E. Unexpected or Extraordinary Circumstances

In the event of a pandemic or other unexpected or extraordinary circumstance, the District may close school or individual buildings. In such case, the District may compensate federally funded or other employees during such closure to ensure the return of staff to employment after the closure as allowed by state or federal law.

F. Documentation for Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VII. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are used when possible consistent with state law.

Buy American. The District participates in the National School Lunch Program and School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practicable, to buy domestic commodities or products for Program meals. A “domestic commodity or product” is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR 210.21(d). The District may deviate from this general requirement only if:

- The product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or
- Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

C. Record Keeping

1. Record Retention

- a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. The District also maintains records of significant project experiences and

results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

- b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding federal awards for a minimum of six (6) years. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.
- c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Procurement Records

- a) The District must maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.
- b) Retention of procurement records shall be in accordance with applicable law and Board policy.

D. Privacy

The District has protections in place to ensure that the personal information of both students and employees is protected. These include the use of passwords that are changed on a regular basis; staff training on the requirements of the Family Educational Rights and Privacy Act (FERPA) and State confidentiality requirements; and training on identifying whether an individual requesting access to records has the right to the documentation.

Upon receiving a complaint alleging retaliation, the school district will initiate its grievance procedures or informal resolution process.

Definitions. As used in this policy, the following terms are defined as follows:

Complainant means an employee, a student, or a parent, guardian, or other individual with the legal right to act on behalf of a complainant who is alleged to have been subjected to conduct that could constitute sex discrimination, including sex-based harassment; or any other person who may have been subjected to sex discrimination when that person was participating or attempting to participate in the school district's education program or activity.

Complaint means an oral or written request to the school district that objectively can be understood as a request for the school district to investigate and make a determination about alleged sex discrimination under Title IX.

Consent for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. School district officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

Respondent means a person who is alleged to have violated the school district's prohibition on sex discrimination. When a sex discrimination complaint alleges that the school district's policy or practice discriminates on the basis of sex, the school district is not considered a respondent.

Sex-based harassment prohibited by this part is a form of sex discrimination and means sexual harassment and other harassment on the basis of sex that is:

Quid pro quo harassment. An employee, agent, or other person authorized by the school district to provide an aid, benefit, or service under the school district's education program or activity explicitly or impliedly conditioning the provision of such an aid, benefit, or service on a person's participation in unwelcome sexual conduct;

Hostile environment harassment. Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the school district's education program or activity (i.e., creates a hostile environment). Whether a hostile environment has been created is a fact-specific inquiry that includes consideration of the following:

- The degree to which the conduct affected the complainant's ability to access the school district's education program or activity;
- The type, frequency, and duration of the conduct;
- The parties' ages, roles within the school district's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;
- The location of the conduct and the context in which the conduct occurred; and
- Other sex-based harassment in the school district's education program or activity.

Sexual assault meaning an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;

Sex Offenses, Forcible—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

- **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
- **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

Sex Offenses, Non-forcible—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.

- **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law
- **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent

Dating violence meaning violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length and type of relationship and the frequency of interaction between the persons involved in the relationship;

Domestic violence meaning felony or misdemeanor crimes committed by a person who:

- Is a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction of the school district, or a person similarly situated to a spouse of the victim;

- Is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner;
- Shares a child in common with the victim; or
- Commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the jurisdiction

Stalking meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others or suffer substantial emotional distress.

Response to Sex-based Harassment.

All Employees. All school district employees must notify the Title IX Coordinator when the employee has information about conduct that reasonably may constitute sex discrimination, including sex-based harassment under Title IX.

Title IX Coordinator. The school district will designate and authorize at least one employee as the school district's "Title IX Coordinator," to coordinate the school district's efforts to comply with its responsibilities under Title IX and this policy. The superintendent or Title IX Coordinator is authorized to delegate specific duties to one or more designees.

For conduct that could constitute sex-based harassment, the Title IX Coordinator must take the following actions:

- Offer and coordinate supportive measures for the complainant and for the respondent;
- Notify the complainant or the individual who reported the conduct of the grievance procedures and, if appropriate, the informal resolution process.
- Take other appropriate steps to avoid the recurrence of sex discrimination and restore or maintain equal access to the school district's programs and activities.

Supportive Measures. The school district will provide supportive measures, as appropriate, in cases involving sex-based harassment. These measures may include but are not limited to: counseling; extending deadlines; increased supervision; no-contact directives; leaves of absence; changes in class, work, or activities, regardless of whether there is a comparable alternative; and training and education programs related to sex-based harassment. Supportive measures may be continued, modified, or discontinued at the conclusion of any grievance process. Supportive measures will not be disclosed to anyone other than the person to whom they apply and others, including school officials, who need to know the supportive measures to implement them.

Requests to Modify Supportive Measures. A complainant or respondent may request modification or reversal of the school district's decision to provide, deny, change, or terminate supportive measures applicable to them. Requests must be made to the Title IX Coordinator in writing, and an impartial individual will review the request.

Students with Disabilities. If the complainant or respondent is a student with a disability, the Title IX Coordinator will consult with one or more members of the student's IEP or Section 504 team to determine compliance with those laws while implementing supportive measures and all other requirements of this policy and Title IX.

Emergency Removal. The school district is authorized to remove a respondent from the school district's education program or activity on an emergency basis, provided that the school district undertakes an individualized safety and risk analysis; determines that an imminent and serious threat to the health or safety of a complainant or other persons arising from the allegations of sex discrimination justifies removal; and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

Administrative Leave. The school district is authorized to place an employee respondent on administrative leave from employment responsibilities during the pendency of the school district's grievance procedures.

Informal Resolution. The school district may offer an informal resolution process unless the complaint includes allegations that an employee engaged in sex-based harassment of a student or informal resolution would be contrary to law. Prior to initiating informal resolution, the parties will be provided with notice of the allegations. Participation in informal resolution is voluntary, and any informal resolution will include consent from the complainant and respondent, the ability to withdraw from the process, and the right to resume the grievance process. If an agreement is reached, it precludes the parties from initiating or resuming the grievance process.

The informal resolution facilitator will not be the same person as the investigator or the decisionmaker in the school district's grievance procedures. Potential terms that may be included in an informal resolution agreement include but are not limited to restrictions on contact, restrictions on participation in programs or activities, and disciplinary sanctions.

If informal resolution is offered, the school district will maintain all evidence gathered, communications about the informal resolution process, and the agreement reached. This information will be disclosed to outside individuals only as permitted by law and if required to implement the requirements of the agreement or Title IX. If no agreement is reached, only relevant and permissible

evidence received during the informal resolution process will be considered during the grievance process.

Grievance Procedures to Resolve Complaints of Sex Discrimination. Any person designated as Title IX Coordinator, investigator, or decision maker will not have a conflict of interest or bias for or against any party, generally or specifically. The decisionmaker may be the same person as the Title IX Coordinator or investigator.

Complaint. Complaints of sex-based harassment may only be made by a complainant; a parent, guardian, or other individual with the legal right to act on behalf of a complainant; or the Title IX Coordinator. Complaints of sex discrimination (excluding complaints of sex-based harassment) may be made by any person who was participating or attempting to participate in the school district's education program or activity at the time of the alleged sex discrimination.

Complaint by Coordinator. In the absence of a complaint made by any other individual, the Title IX Coordinator will determine whether to initiate a complaint of sex discrimination. The Title IX Coordinator must consider, at a minimum, the following factors:

- The complainant's request not to proceed with the initiation of a complaint;
- The complainant's reasonable safety concerns regarding the initiation of a complaint;
- The risk that additional acts of sex discrimination would occur if a complaint is not initiated;
- The severity of the alleged sex discrimination, including whether the discrimination, if established, would require the removal of a respondent from campus or imposition of another disciplinary sanction to end the discrimination and prevent its recurrence;
- The age and relationship of the parties, including whether the respondent is an employee of the school district;
- The scope of the alleged sex discrimination, including information suggesting a pattern, ongoing sex discrimination, or sex discrimination alleged to have impacted multiple individuals;
- The availability of evidence to assist a decisionmaker in determining whether sex discrimination occurred; and
- Whether the school district could end the alleged sex discrimination and prevent its recurrence without initiating its grievance procedures.

If the Title IX Coordinator initiates a complaint, they will notify the complainant prior to doing so and address reasonable concerns about the complainant's safety or the safety of others, including by providing supportive measures.

Consolidation of Complaints. The school district may consolidate complaints of sex discrimination against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, when the allegations of sex discrimination arise out of the same facts or circumstances. When more than one complainant or more than one respondent is involved, references in this section to a party, complainant, or respondent include the plural, as applicable.

Basic Procedures. This grievance procedure is governed by the following basic requirements:

- A respondent is presumed not responsible for the alleged sex discrimination until a determination is made at the conclusion of the grievance procedure;
- The school district will treat the complainant and respondent equitably throughout the grievance process;
- The school district will take reasonable steps to protect the privacy of individuals participating in the grievance process in a manner that does not restrict the parties from obtaining and presenting evidence, speaking to witnesses, consulting with family members or advisors, or otherwise participating in the grievance process;
- The District will use the following timelines for each complaint, but the Title IX Coordinator or designee may extend them as needed:

Major Stage	Target Duration (calendar days)
Completion of the school district's decision whether to dismiss or investigate a complaint of sex discrimination	1-15
Investigation	1-30
Determination	1-30
Appeal	1-20

Notice of Allegations. Upon initiation of the grievance procedure, the school district will provide notice of the allegations to the parties whose identities are known. The notice will include a copy of this policy; the parties involved in the incident(s); the conduct alleged to constitute sex discrimination; and the date(s) and location(s) of the alleged incident(s), if available. Retaliation is prohibited.

If the school district decides to investigate additional allegations of sex discrimination that are not included in the initial notice, the school district will provide notice of the additional allegations to the parties.

Complaint Investigation. The burden is on the school district to conduct an investigation that gathers sufficient evidence to determine whether sex discrimination occurred. The individual investigating and deciding the complaint will:

- Provide an equal opportunity for the parties to present fact witnesses and relevant and permissible evidence;
- Objectively review all evidence gathered through the investigation and determine what evidence is relevant and permissible;
- Provide each party with an accurate description of the relevant and permissible evidence, and upon request, copies of this evidence;
- Provide the parties a reasonable opportunity to respond to the evidence;
- Use a process that enables the decisionmaker to question parties and witnesses to adequately assess a party's or witness's credibility, but credibility will not be based upon any individual's status as a complainant, respondent, or witness; and
- Take reasonable steps to prevent and address the parties' unauthorized disclosure of information and evidence obtained solely through the grievance procedures. For purposes of this paragraph, disclosures of such information and evidence for purposes of administrative proceedings or litigation related to the complaint of sex discrimination are authorized.

Relevant and Permissible Evidence. The school district will consider relevant and permissible evidence. Relevant evidence is evidence related to the allegations of sex discrimination under investigation as part of the grievance procedure. Questions are relevant when they seek evidence that may aid in showing whether the alleged sex discrimination occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged sex discrimination occurred.

Generally relevant evidence is permissible, but does not include:

- Evidence that is protected under a privilege as recognized by Federal or State law;
- A party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional in connection with the provision of treatment to the party or witness unless the school district obtains that party's or witness's voluntary, written consent for use in this grievance procedures; and
- Evidence that relates to the complainant's sexual interests or prior sexual conduct, unless that evidence is offered to prove that someone other than the respondent committed the alleged conduct

or is evidence about specific incidents of the complainant's prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude a determination that sex-based harassment occurred.

Determining Whether Sex Discrimination Occurred. The school district will:

- Use the preponderance of the evidence standard of proof, that it is more likely than not, to determine whether sex discrimination occurred;
- Use only relevant and permissible evidence to reach a determination;
- Notify the parties in writing of the determination whether sex discrimination occurred, including the rationale for such determination, and the procedures and permissible bases for the complainant and respondent to appeal, if applicable;
- If there is a determination that sex discrimination occurred, coordinate and provide remedies to restore equal access, coordinate the imposition of any disciplinary sanctions on a respondent, including notification to the complainant of any such disciplinary sanctions, and require the Title IX Coordinator to take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur;
- Not discipline a party, witness, or others participating in a school district's grievance procedures for making a false statement or for engaging in consensual sexual conduct based solely on the school district's determination whether sex discrimination occurred.

Dismissal of a Complaint. A complaint of sex discrimination made through the grievance procedure may be dismissed for any of the following reasons:

- The school district is unable to identify the respondent after taking reasonable steps to do so;
- The respondent is not participating in the school district's education program or activity and is not employed by the school district;
- The complainant voluntarily withdraws any or all of the allegations in the complaint, the Title IX Coordinator declines to initiate a complaint, and the school district determines that without the complainant's withdrawn allegations, the remaining alleged conduct would not constitute sex discrimination even if proven;
- The school district determines the conduct alleged in the complaint, even if proven, would not constitute sex discrimination under Title IX. Before dismissing the complaint under this paragraph, the school

district must make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the school district will promptly notify the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, then the school district must also notify the respondent of the dismissal and the basis for the dismissal promptly following notification to the complainant, or simultaneously if notification is in writing.

The school district will notify the complainant that a dismissal may be appealed and provide the complainant with an opportunity to appeal the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, then the school district must also notify the respondent that the dismissal may be appealed on the bases set out in this policy. Upon the dismissal of a complaint, at a minimum, the school district will:

- Offer supportive measures to the complainant, and offer supportive measures to the respondent if the respondent has been notified of the complaint;
- Require its Title IX Coordinator to take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within the school district's education program or activity.

Appeal. The school district will provide the parties the opportunity to appeal the decisionmaker's written determination or a dismissal of a complaint, on the grounds identified below. The school district will implement appeal procedures equally for the parties, including a reasonable and equal opportunity to make a statement in support of or challenging the outcome being appealed. Appeals under Title IX, like other comparable proceedings, will be handled consistent with the school district's general complaint policy.

Time for Appeal. Appeals may only be initiated by submitting a written Notice of Appeal to the superintendent within three (3) calendar days of the party's receipt of (1) the written determination of whether sex discrimination occurred from which the appeal is taken, or (2) the written dismissal of the complaint from which the appeal is taken.

Notice of Appeal Filed By Party. The Notice of Appeal must include (a) the name of the party or parties appealing, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from the following subsection) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy and Title IX.

Appeals of Dismissals. If a dismissal is appealed, the school district will provide notice of the allegations to the complainant and respondent if not provided previously.

Appeal Decision. The decisionmaker for the appeal will be an individual who did not take part in the investigation, determination, and/or decision to dismiss the complaint. The appeal decisionmaker will notify the parties of the result of the appeal and the rationale for the result.

Disciplinary Sanctions and Remedies. If it is determined that sex-based harassment occurred, the school district may impose disciplinary sanctions that may include suspension, expulsion, mandatory reassignment, adverse employment action up to and including termination, or any other actions regarding student behavior that are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation.

Superintendent Authorized to Contract. The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the school district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

Recordkeeping. The school district will maintain the following documents for a period of at least seven years:

- For each complaint of sex discrimination, records documenting the informal resolution process or grievance procedures and the outcome.
- Records documenting the actions the school district took to meet its obligations under Title IX for any allegation of sex discrimination.
- All materials used to provide training as required by this policy. The school district will make these training materials available upon request for inspection by members of the public.

Students generally are not permitted to record classroom instruction or members of the school community during the school day without the express consent of a staff member or as required by the student's education plan. Student use of assistive technology that has the capacity to record and/or transmit recordings (e.g. AngelSense) must be approved by the student's education team or administration. Students remain subject to all other district policies and rules. In no event shall recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

4011
Employee Leave Under the Family and Medical Leave Act
(FMLA)

The school district shall provide leave to its employees in accordance with the Family and Medical Leave Act ("FMLA"). The terms used herein shall have the meaning ascribed to them under the FMLA. Employees may also qualify for leave under the Nebraska Family Military Leave Act, which is covered under the district's policy for that law. If an employee qualifies for leave under both the Family and Medical Leave Act and the Nebraska Military Leave Act, any leave taken by the employee will count concurrently toward the leave limits of both acts.

I. Qualifying for Leave

A. Qualified Employees

1. To be eligible for **unpaid** leave under this policy, an employee must:
 - a. Make the request for leave at a time when the school district employs 50 or more workers;
 - b. Have been working for the school district for at least 12 months prior to the request; and
 - c. Have worked a minimum of 1,250 hours during the 12-month period immediately preceding the commencement of the leave.
2. The applicable 12-month period for computing an employee's entitlement to FMLA leave shall be "rolling" 12-month period measured backward from the date an employee uses any FMLA leave~~be the 12-month period measured forward from the date such employee's first FMLA leave begins.~~
3. Employees ineligible for FMLA leave for any reason may be eligible for leave under the

Nebraska Family Military Leave Act and should consult policy 4011.1.

B. Qualified Circumstances Necessitating Leave

1. The school district will grant an eligible employee up to a total of 12 workweeks of **unpaid** leave under the following conditions:
 - a. For birth of a son or daughter, and to care for the newborn child;
 - b. For placement of a son or daughter with the employee for adoption or foster care;
 - c. To care for the employee's spouse, son, daughter, or parent with a serious health condition;
 - d. Because of a serious health condition that makes the employee unable to perform the functions of his or her job; or
 - e. Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation
2. The school district will grant an eligible employee who is the spouse, son, daughter, parent or next of kin of a Covered Servicemember a total of 26 workweeks of **unpaid** leave during a 12-month period to care for the service member as permitted under the FMLA. The leave described in this paragraph shall only be available during a single 12-month period.

For purposes of this provision and this policy, "Covered Servicemember" includes both Military

Members and covered Veterans, so long as the covered Veteran was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran.

3. During the single 12-month period described in paragraph I(B)(2), an eligible employee shall be entitled to a combined total of 26 workweeks of leave under paragraphs I(B)(1) and I(B)(2). Nothing in this paragraph shall limit the availability of leave under paragraph I(B)(1) during any other 12-month period.

C. Limitations on Leave

1. Leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement.
2. In any case in which a husband and wife both employed by the school district are entitled to FMLA leave:
 - a. The aggregate number of workweeks of FMLA leave to which both are entitled is limited to 12 during any 12-month period if such leave is taken (i) because of the birth of a son or daughter of the employee and in order to care for such son or daughter; (ii) because of the placement of a son or daughter with the employee for adoption or foster care; or (iii) to care for a sick parent who has a serious health condition; and
 - b. The aggregate number of workweeks of FMLA leave to which both that husband and wife are entitled is limited to 26 during the single 12-month period in which leave is taken to care for a Covered Servicemember and the husband and wife employees are both either the son,

daughter, parent, or next of kin of such Covered Servicemember, if the leave is taken for this reason or a combination of this reason and one of the three reasons described in paragraph I(C)(2)(a). If the leave taken by the husband and wife includes leave described in paragraph I(C)(2)(a), the limitation in paragraph I(C)(2)(a) shall apply to the leave described in I(C)(2)(a).

D. Qualifying Notice and Certification

Employees seeking to use FMLA leave will be required to provide:

1. 30-day advance notice when the need to take the leave is foreseeable; provided, if (a) the leave is for needed treatment which is required to begin in less than thirty days or (b) the leave is for the reason set forth in paragraph I(B)(1)(e), the employee shall provide such notice to the school district as is reasonable and practical;
2. Medical certification supporting the need for leave due to a Serious Health Condition affecting the employee or family member or to care for a Military Member, and/or due to a Serious Injury or Illness to care for a Veteran;
3. Second or third medical opinions and periodic re-certifications (at the school district's expense);
4. Certification supporting the need for leave because of a qualifying exigency arising out of the fact that the employee's spouse, son, daughter or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in the National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation;

5. Certification supporting the need for leave to care for a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness; and
6. Periodic reports during leave, at a frequency reasonably requested by the superintendent, regarding the employee's status and intent to return to work.

E. Scheduling Leave

When leave is needed to care for a family member, for the employee's own illness, or to care for a Covered Servicemember, and such leave is foreseeable based on planned medical treatment, the employee must attempt to schedule treatment so as not to unduly disrupt the school district's operations.

II. Relationship with District During Leave

A. Leave to Be Unpaid

All leave provided to employees under the provisions of the FMLA and this policy shall be unpaid leave.

B. Substitution of Paid Leave

1. The school district requires employees to substitute any accrued paid vacation leave, paid personal leave, paid family leave, paid medical leave or paid sick leave for FMLA leave. However, nothing in this policy shall require the school district to provide paid sick or medical leave in any situation in which the school district would not normally provide such paid leave.

2. If an employee uses paid leave under circumstances which do not qualify as FMLA leave, the leave will not count against the number of workweeks of FMLA leave to which the employee is entitled.
3. Any paid leave which is substituted for FMLA leave will be subtracted from the number of workweeks of unpaid leave provided by the FMLA and this policy.

C. Group Health Plan Benefits

1. The school district will continue group health plan benefits on the same basis as coverage would have been provided if the employee had been continuously employed during the FMLA leave period.
2. Any share of health plan premiums which have been paid by the employee prior to FMLA leave must continue to be paid by the employee during the FMLA leave period.

D. Intermittent or Reduced-Schedule Leave

1. Leave may be taken under this policy intermittently or on a reduced-leave schedule under certain circumstances.
 - a. When leave is taken because of a birth or because of a placement of a child for adoption or foster care, an eligible employee may take leave intermittently or on a reduced-leave schedule only with the agreement of the school district. In such a case, the superintendent shall have the authority to approve or disapprove such intermittent or reduced leave schedule, in the superintendent's sole discretion.
 - b. When leave is taken to care for a sick family member, for an employee's own

serious health condition, or to care for a covered Veteran or Military Member, an eligible employee may take leave intermittently or on a reduced-leave schedule when medically necessary.

- c. When leave is taken by an eligible employee because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation, the employee may take leave intermittently or on a reduced-leave schedule.
- d. When leave is taken by an eligible employee to care for a Covered Servicemember, including a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness
- e. Intermittent or reduced leave shall not result in a reduction in the employee's total amount of leave beyond the amount of leave actually taken.
- f. When an instructional employee seeks to take intermittent leave in connection with a family or personal illness (e.g. physical therapy or periodic care for a sick relative) or to care for a covered Veteran or Military Member, and when such leave would constitute at least 20 percent of the total number of working days in the period

during which the leave would extend, the school district may require the employee to elect to take leave in a block, instead of intermittently, for the entire period or to transfer to an available alternative position within the school system that is equivalent in pay, for which the employee is qualified, and which better accommodates the intermittent leave.

2. If an eligible employee requests intermittent leave or leave on a reduced-leave schedule that is foreseeable based on planned medical treatment, including during a period of recovery from a serious health condition, the school district may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. Such alternative position must have equivalent pay and benefits as the employee's permanent position.
3. Leave taken on an intermittent or reduced-schedule basis will be tracked hourly.

III. Return from Leave

A. Restoration to Position

1. On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
2. Any leave taken under this policy will not result in the loss of any employment benefits accrued prior to the date on which the leave commenced.

3. An eligible employee is not entitled to accrual of any seniority or employment benefits during any period of leave, or any right, benefit, or position of employment other than to which the employee would have been entitled had the employee not taken leave.

B. Denial of Restoration

1. The school district reserves the right to deny restoration to any eligible employee who is a "key employee" (that is an employee who is salaried and among the highest paid 10% of the employees of the school district) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the school district.
2. If the school district intends to deny restoration to such an employee, it will:
 - a. notify the employee of his/her status as a "key employee" in response to the employee's notice of intent to take FMLA leave;
 - b. notify the employee as soon as the school district decides it will deny job restoration and explain the reasons for this decision;
 - c. offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and
 - d. make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

C. Failure to Return from Leave

If an employee fails to return from FMLA leave after the period of leave to which the employee is entitled has expired, the employee shall reimburse the district

for any premiums the employer paid for maintaining health insurance coverage for the employee during the employee's FMLA leave unless the reason the employee does not return is due to: (1) the continuation, recurrence, or onset of the serious health condition which entitled the employee to FMLA leave and the employee provides the district with sufficient certification from the proper health care provider of such continuation, recurrence, or onset of the serious health condition or (2) other circumstances beyond the employee's control.

IV. Notice to Employees

A. The school district will post in conspicuous places where employees are employed notices explaining the FMLA and providing information concerning the procedures for filing complaints of FMLA violations with the U.S. Wage and Hour Division.

~~**B.** When an employee provides notice of the need for FMLA leave, the school district shall provide the employee with a copy of the "section 301(c) notice" which is attached to this policy.~~

~~**C.**~~ **B.** To the extent that any provision in this policy is in any manner inconsistent with the provisions of the Act or the regulations promulgated thereunder, the Act and regulations shall prevail over the provisions of this policy. The school district reserves the right to modify this policy from time to time in its sole discretion.

~~**D.**~~ **C.** Employees may direct any questions or concerns regarding FMLA leave to the superintendent.

- b. The existence of any conflict of interest in any contract in which the employee has an interest and in which the school district is a party, or the failure to make public the employee's interest known, may render a contract null and void.
- c. The prohibition of a conflict of interest or requirement for public notice shall apply when the employee, or his or her immediate family has a business association with the business involved in the contract or will receive a direct pecuniary fee or commission as a result of the contract.

3. Employing Members of the Immediate Family.

Compulsory Attendance and Excessive Absenteeism

“School success is 90 percent showing up; the other half is mental.” Yogi Berra

Research on policies and practices that effectively encourage regular student attendance share some key components:

1. Education of parents regarding school attendance requirements.
2. Effective policies and practices to monitor attendance.
3. Clear definition of excessive absenteeism and a two-stage response to excessive absences.

The board has considered this educational research and used it to create the following policy on Compulsory Attendance and Excessive Absenteeism.

Required Attendance

Every person residing in the school district, who has legal, or actual charge, or control of any child, who is of mandatory attendance age, shall cause that child to attend a public or private school regularly, unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1, of the current school year, are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance, if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

Discontinuing enrollment – 5-Year-Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1, of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to reenroll in this school district, until the beginning of the following school year, unless otherwise required by law.

Discontinuing Enrollment – 16- and 17-Year-Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend ~~a non-accredited~~ an exempt school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending ~~non-accredited~~ exempt schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes, but is not limited to, filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Expectations for Regular Attendance:

1. Students are expected to attend every class, every day.
2. The only "excused" absences shall be:
 - a. Absences when a licensed health care provider has confirmed in writing that, in his/her professional medical opinion and within his/her scope of practice, the student or a child whom the student is parenting is so physically or mentally ill that attendance of the student is impracticable or impossible;
 - b. Absences when the Nebraska State Patrol confirms, in writing, that weather conditions have made the roads impassable, so that the student's attendance is impracticable or impossible;
 - c. Student attendance at a school-sponsored activity;
 - d. Student has been suspended or expelled from school by the school district; and
 - e. Absences required by law enforcement, child protective services, or a court of competent jurisdiction, confirmed in writing to the school district.

3. All other absences, including absences for minor physical or mental illnesses, family events, and routine appointments are simply “absent.”
4. Upon return from every absence or partial-day absence, students may remain after school for 30 minutes to meet with teachers, work on missed assignments, or simply to study. The location and supervision of the student will be determined by the building principal in consultation with the student’s classroom teacher(s).
5. Students must not be absent from any course more than 12-14 days, in any given semester, in order to earn academic credit for that course for that semester. Students who lose credit in any given course, due to absences, may appeal that loss of credit to his/her building principal.

Attendance Incentives:

Building principals will establish attendance incentives for their students. Those may include:

- Special recognition of students who have 95% or greater attendance each quarter,
- Excusal from certain classroom assignments (final exam, written report) for students with 95% or greater attendance each semester,
- Special rewards (movie day, field day, extra recess) for students who have 95% or greater attendance.

At the conclusion of each semester, building principals report to the board what incentives were implemented and the effectiveness of the incentive in improving student attendance and engagement.

When students are absent from school, district staff will respond as follows:

First Stage Response to Absences

1. A member of district staff will contact parent via telephone for every absence if the parent has not contacted the school in advance.
2. After a student’s third absence in any given semester, the school’s attendance officer will schedule a meeting with the student’s parents or guardians. That meeting will be documented on the attached form.
 - a. This meeting must be attended by attendance officer, parents, social worker or principal, and the student (if appropriate),
 - b. The meeting shall be documented,

- c. The meeting shall develop a collaborative plan to assist the student in improving his/her attendance.
3. Building principals must meet with teachers who have 10% of their students miss seven or more days of class in any given quarter to review strategies to increase student engagement. A consistent pattern of student absences from a teacher's classes may result in a formal remediation plan.
 4. The superintendent must meet with the building principal if more than 10% of students miss seven or more days of class in any quarter to review strategies to improve the school building's climate. A consistent pattern of building-wide absenteeism may result in a formal remediation plan

Second State Response to Absences

Students who accrue more than 20 absences in a school year may be referred to the county attorney for action under NEB. REV. STAT. § 43-247(3)(a) and (b).

- a. Option Student Defined.** Option student shall means a nonresident student who has chosen to attend the school district under the provisions of the option enrollment program.
- b. Resident School District Defined.** Resident school district shall means the school district in which a student resides or in which the student is admitted as a resident of the school district pursuant to state law.

- a. Special Education Capacity.** Capacity for special education services will be determined on a case-by-case basis. If an application for option enrollment received by the school district indicates that the student has an individualized education program under the federal Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., or has been ~~diagnosed~~ identified as a student with a disability as defined in section 79-1118.01, the application will be evaluated by the director of special education services or the director's designee who must determine if the school district and the appropriate class, grade level, or school building has the capacity to provide the applicant the appropriate services and accommodations. The Federal Educational Rights and Privacy Rights Act (FERPA) (20 U.S.C. § 1232g) permits the release of education records when a student seeks or intends to enroll in a different school district.
- b. Numeric Capacity.** The board of education may set the numeric capacity of programs, classes, grade levels, or school buildings by operation of this policy or through freestanding action by the board. Numeric Capacity will be determined based upon available staff, facilities, projected enrollment of resident students, and projected number of students with which the option school district will contract based on existing contractual arrangements. Individuals seeking information about the numeric capacity set by the board may contact the superintendent for a copy of that resolution.
- c. Programmatic Capacity.** In addition to the numeric capacity standards referred to above, the board may, by resolution, prior to October 15 of each school year, declare a program, a class, or a school unavailable for the next school year to option students due to lack of capacity. Individuals seeking information about the programs that have been declared to be unavailable due to lack of capacity may contact the superintendent for a copy of the board's resolution.
- d. Other Standards for Acceptance or Rejection of Option Enrollment Applications.** In addition to the numeric and programmatic capacity standards outlined above, the school district shall not accept an option student when acceptance of the student:

Formatted: Not Highlight

- i. Would increase the operating costs of the school district, such as by requiring the hiring of new staff or contracting with outside entities to provide services to the student;
- ii. Would require the procurement of new equipment, technology, or furnishings;
- iii. Would cause or require the rearrangement of caseloads for staff and contracted professionals;
- iv. Is reasonably deemed by appropriate school staff to pose a potential risk to the health or safety of students or staff;
- v. May pose a risk of adversely affecting the quality of educational services being provided to resident students, as determined by appropriate school staff.

e. Prohibited Standards. The school district shall not base the decision to accept or reject an option student on the student's previous academic achievement, athletic or other extracurricular ability, disabling condition(s), proficiency in the English language, or previous disciplinary proceedings.

f. Order of Acceptance. If there are more option student applicants for any program, class, grade level or school building than can be accepted into such program, class, grade level or school building, applicants shall be accepted in the following order:

- i. students with brothers or sisters attending the school district, either as resident students or as option students, shall be granted first priority;
- ii. thereafter, option students shall be accepted into such program, class, grade level or school building in the order in which written applications were received by the school district.

g. Maximum Capacity Report. The school district will annually establish, publish, and report the capacity for each school building under the district's control pursuant to procedures, criteria, and deadlines established by the Nebraska Department of Education.

5. False or Misleading Option Applications. If, prior to the student's attendance as an option student, the school district discovers that a previously accepted option application contained false or substantively misleading information, the option application will be rejected.

- 6. Academic Credits and Graduation.** The school district shall accept credits toward graduation that were awarded by another school district, and shall award a diploma to an option student if the student meets the graduation requirements of the school district.
- 7. Information Regarding Schools, Programs, Policies and Procedures.** The school district, its officers and employees, shall make information about the school district and its schools, programs, policies and procedures available to all interested people.
- 8. Procedure for Students Optioning Into or Out of the School District.**
- a.** The parent or legal guardian of any student desiring to option into or out of the school district shall submit a proper and timely application to the board of education and the other affected school district for enrollment during the following and subsequent school years. Any application requiring the approval of the school district shall be deemed submitted when the application is actually received in the school district's business office.
 - b.** On or before April 1st, the school district shall notify the parent or legal guardian of any student who has submitted an application to option into the school district and the resident school district, in writing, whether the application is accepted or rejected. If an application is rejected, the reason for such rejection shall be stated in the notification. This written notice shall be sent via certified mail to the address listed on the option application.
- 9. Late Applications and Requests for Release**
- a.** The board of education may refuse a request of a student seeking to option out of the school district when the option application is submitted after March 15th under the following conditions:
 - i.** When the district has already entered into contracts with teaching staff for the following school year;
 - ii.** When the district has already contracted for the performance of specific services for the student;
 - iii.** When the release of the student would have a negative financial impact or loss of revenue for the district.

- b. The board of education will approve late applications to option into the district under the following conditions:
 - i. When the resident district has released the student, or if the student is an option student at the time of such application and applying to become an option student at a subsequent option school district, a release approval from the option school district the student is attending at the time of such application;
 - ii. When the student's late enrollment into the district meets the standards for acceptance or rejection of option students contained elsewhere in this policy;
- c. The superintendent will notify parents or guardians who have submitted properly completed option applications after March 15th no later than 60 days following submission of the application of the board's acceptance or rejection of the application.

10. Students Who Do Not Need a Release from the Resident District

- a. A student does not need to be released from his/her resident district or the option school district the student is attending at the time of application under the following circumstances:
 - i. When the student has relocated to a different resident school district after February 1
 - ii. When a student's option school district merges with another district effective after February 1
- b. The school district shall accept or reject an application from a student under this paragraph using the criteria set forth in this policy and will accept or reject the application within forty-five days.

11. Cancellation of Option.

Students who option either into or out of the school district shall:

- a. Attend the option school district until graduation or relocation/re-option in a different resident school district unless the student chooses to return to the resident school district, in which case the student's parent or legal guardian shall timely submit a cancellation form to the school board or board of education of the

option school district and the resident school district for approval for the following year.

- b.** Attend an option school district for not less than one school year unless the student relocates to a different resident school district, completes requirements for graduation prior to the end the school year, transfers to a parochial or private school, or upon mutual agreement of the resident and option school districts cancels the enrollment option and returns to the resident school district.

12. Authority of Superintendent.

The board of education authorizes the superintendent of schools to make decisions on its behalf pursuant to and to apply the criteria articulated by this policy in determining whether to grant or deny option enrollment applications.

Option-Transportation

The school district will provide free transportation, partially provide free transportation, or pay an allowance for transportation in lieu of free transportation on each day school is in session to the students who reside in the district and qualify for transportation according to the district's transportation plan. The families of students who will not be provided transportation pursuant to the district's plan or who must drive students to a pick-up point will be reimbursed according to statute if they qualify for such reimbursement. Parents seeking mileage reimbursement must submit requests to the district on forms which may be obtained from the office of the Superintendent of Schools.

When a student who has been attending the district is placed into foster care, school district staff will collaborate with state and local child welfare agencies to determine whether transportation is required under state law when it is in the child's best interest that their school of origin be maintained. The district will only provide transportation to students placed in foster care when the responsible child welfare agency agrees to reimburse the school district for the cost of transportation or when transportation is otherwise required by law. The board designates the Superintendent of Schools as the initial point of contact for child welfare agency representatives to discuss transportation issues related to children in foster care.

Students who are homeless will be provided with transportation pursuant to Board Policy 5014.

The district will provide transportation to tuition students in accordance with the contract provisions, if any, for services from the contracting districts.

The use of buses for class parties, field trips, and similar purposes shall require the prior approval of the superintendent or appropriate principal.

Pregnant or Parenting Students

The District will not discriminate in its education program or activity against any student based on the student's current, potential, or past pregnancy. Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs.

I. Accommodations Regarding Attendance and Participation

A. Generally

Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student to develop a plan to assist the student in participating in district curriculum and extra-curricular activities. Such a plan may include:

1. If the student cannot regularly attend classes, the provision of online courses;
2. The arrangement of meeting times with teachers;
3. If the student has not identified appropriate childcare, the identification of child care providers that meet statutory requirements for quality and care; and
4. All other curricular adjustments, modifications, and means of supplementing classroom attendance deemed appropriate by the school administrators including, but not limited to, modification of attendance policies.

B. Students with Disabilities

For students with disabilities who have an IEP or Section 504 plan, the administrators, student's parents or guardians, and student if appropriate will collaborate with the student's educational team to coordinate accommodations consistent with state and federal law. As permitted by law, students may be entitled to accommodations as a result of pregnancy.

C. Title IX

When a student, or a person with a legal right to act on a student's behalf, informs a District employee of the student's pregnancy or related conditions, the District will inform the student of the Title IX Coordinator's contact information. The employee will also inform the student that the Title IX Coordinator can coordinate actions to prevent sex discrimination and ensure the student's equal access to the District's education program or activity.

The District will make reasonable accommodations to the District's policies, practices, and procedures as necessary to prevent sex discrimination and ensure equal access to the District's education program or activity. The District will coordinate reasonable modifications based on the student's individualized need. The District will consult with the student when determining what reasonable modifications may be appropriate, and the student has the discretion to accept or decline the reasonable modifications offered by the District.

II. Accommodations Regarding Lactation and Breastfeeding

accommodates the student's needs while facilitating education to the maximum extent possible.

3. The district will provide a location for students to store expressed breast milk in or near the location designated for students to express milk to create the least amount of disruption to the student's participation in class or activities.

Legal Requirement

5035 Student Discipline

Administrative and teaching personnel may take actions regarding student behavior, other than those specifically provided in this policy and the Student Discipline Act, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. Disciplinary consequences may also include in-school suspension, Saturday School, and any other consequence authorized by law. District administrators may develop building-specific protocols for the imposition of student discipline.

[Any disciplinary action taken by staff must be consistent with the requirements of other applicable laws, including but not limited to the IDEA, Section 504, and Title IX.](#)

In this policy, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

Pre-Kindergarten through Second Grade Students

Notwithstanding any other provision of this policy, an elementary school shall not suspend a student in pre-kindergarten through second grade unless the student brings a deadly weapon as defined in section 28-109 on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school

employee or his or her designee, or at a school-sponsored activity or athletic event. As an alternative to suspension, the school district may take any action authorized by law, including those provided in section 79-258.

Makeup Work for Suspended Students

Any student who is suspended must be given an opportunity to complete any classwork and homework missed during the period of suspension, including, but not limited to, examinations ("makeup work"). Any makeup work must be completed and turned in within 2 school days after completion of the suspension. This makeup guideline shall be provided to the student and a parent or guardian at the time of suspension. Suspended students may not be required to attend the school's alternative program for expelled students in order to complete classwork or homework.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he or she is accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary, not to exceed an additional 48 hours, following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An

opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school and shall document such effort in writing. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.

4. Students who are short-term suspended must be given the opportunity to complete classwork and homework missed during the period of suspension, including but not limited to examinations, as provided herein.

~~**Firearms.** No student may bring, possess, handle or transmit a firearm on school grounds, in a school owned vehicle, or at a school activity or event off school grounds, except as permitted by this policy. *Definition of Firearm.* The term "firearm, as defined in 18 U.S.C. 921, means any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or firearm silencer, or any destructive device (excluding an antique firearm).~~

~~**Exceptions Regarding Firearms and Weapons.** The only exceptions for a student to bring or possess a weapon, including a firearm, are as follows:~~

- ~~1. The issuance of firearms to or possession of firearms by members of the Reserve Officers Training Corps when training or~~
- ~~2. Firearms which may lawfully be possessed by the person receiving instruction under the immediate supervision of an adult instructor who may lawfully possess firearms.~~

Consequences - Firearm. Any student who brings a firearm, as that term is defined in 18 United States Code 921, to school will be expelled from school for one calendar year. The superintendent of schools and the board of education shall have the authority to modify the expulsion requirement on a case-by-case basis.

Consequences – Weapon. State law and this policy provide that any student who violates this policy by knowingly bringing, possessing, handling or transmitting a weapon, other than a firearm, on school grounds, in a school owned vehicle, or at a school activity or event off school grounds may be suspended on a long-term basis, mandatorily reassigned, or expelled for the remainder of the school year in which the expulsion takes effect (if the misconduct occurs during the first semester) or the remainder of the second semester, summer school, and the first semester of the following school year (if the misconduct occurs during the second semester).

Report to Law Enforcement Authorities. All school personnel are required to report any violation of this policy to a principal or the superintendent of schools. Pursuant to state and federal law, school personnel are required to report to law enforcement authorities when a student brings a firearm to school.

Long-Term Suspension

Students may be excluded by the Principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

Expulsion

1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior

to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.

2. **Summer Review.** Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.
4. **Alternative School or Pre-expulsion Procedures.** The school shall either provide an alternative school, class or educational program for expelled students, or shall follow the pre-expulsion procedures outlined in NEB. REV. STAT. 79-266.
5. **Conclusion of Expulsion.** At the conclusion of an expulsion, the school district will reinstate the student and accept nonduplicative, grade-appropriate credits earned by the student during the term of expulsion from any Nebraska accredited institution or institution accredited by one of the six regional accrediting bodies in the United States.

9. Triennial Assessment

The school board shall assess and review this policy at least every three years to determine:

- a. Compliance with this policy;

- b. How this policy compares to NDE model wellness policies;
- c. Progress made in attaining the goals of this policy.

The school board will update or modify this policy as appropriate.

10. Public Notice

In addition to identifying the topic on its meeting agenda as required by the Open Meetings Act, the school district will provide notice of this policy at least annually to the public and other stakeholders identified in this policy by one or more of the following methods: on its webpage, in its newsletter, in the student and employee handbooks, newspaper advertisements, direct mailings, electronic mail, and public postings.

In addition to identifying the topic on its meeting agenda as required by the Open Meetings Act, the school district will provide notice of the Triennial Assessment and progress reports towards meeting the goals in this policy using one or more of those same methods.

11. Recordkeeping

The District will retain records to document compliance with the requirements of the wellness policy at its central office.

6031 Emergency Exclusion

Grounds for Emergency Exclusion. Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law:

(a) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or

(b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing. The notice shall include notice of a recommended hearing examiner and an alternate hearing examiner for consideration by the parent(s) or guardian(s) if a hearing is requested.

Opportunity to Request a Hearing. The student's parent(s) or guardian(s) may submit an ~~oral~~ request for a hearing on the proposed extension of the exclusion within one school day~~two school days~~ of receiving the initial notice of the proposed extension. ~~If the initial request for a hearing is oral, they shall confirm the request in writing.~~

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. The parent(s) or guardian(s) shall notify the superintendent within one school day of receiving notice of the recommended extension and proposed hearing examiner and alternate hearing examiner if the alternate hearing examiner is preferred.

~~If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.~~

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within ~~ten~~ five school days after the initial date of exclusion; ~~school district receives the initial oral or written request~~; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es). The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and his/her parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify. The school district shall make available to testify at the hearing any employee who is a witness to the matter upon request from the parent(s) or guardian(s).

Sworn or Affirmed Testimony. The principal or his or her designee shall present evidence supporting the recommended extension ~~of the exclusion~~. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of his or her findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. He or she shall have the decision delivered or sent by registered or certified mail to the student, student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

Reading Instruction and Intervention Services

The purpose of this policy is to facilitate reading instruction and intervention services to address student reading needs, including, but not limited to, dyslexia. It is the school district's goal that each student be able to read at or above grade level by third grade.

Effective Reading Teachers. It is the intent of the school district to employ teachers for kindergarten through third grade who are effective reading teachers as evidenced by (a) evaluations based on classroom observations and student improvement on reading assessments or (b) specialized training in reading improvement.

Reading Assessment. The school district will administer a reading assessment approved by the Nebraska Department of Education three times during the school year to all students in kindergarten through third grade. Exceptions to this requirement include:

- Any student receiving specialized instruction for limited English proficiency who has been receiving such instruction for less than two years;
- Any student receiving special education services for whom such assessment would conflict with the individualized education plan; and
- Any student receiving services under a plan pursuant to the requirements of section 504 of the federal Rehabilitation Act of 1973, 29 U.S.C. 794, or Title II of the federal Americans with Disabilities Act of 1990, 42 U.S.C. 12131 to 12165, as such acts and sections existed on January 1, 2018, for whom such assessment would conflict with such section 504 or Title II plan.

The first assessment for kindergarten students must occur within the first 45 calendar days that school is in session of each school year. For all other grades, the first assessment must occur within the first 30 calendar days that school is in session of each school year.

Diagnostic assessments used within a supplemental reading intervention program do not require Nebraska Department of Education approval.

Deficiency Identification. Any student in kindergarten through third grade performing below the threshold level as determined by the Nebraska Department of Education shall be identified as having a reading deficiency for purposes of the Nebraska Reading Improvement Act and this policy. A student who is identified as having a reading deficiency shall remain identified as having a reading deficiency until the student performs at or above the

threshold level on an approved reading assessment. Nothing in the Nebraska Reading Improvement Act or this policy shall prohibit a school district from identifying any other student as having a reading deficiency.

Supplemental Reading Intervention Program. The school district will provide a supplemental reading intervention program to ensure that students can read at or above grade level at the end of third grade. The school district may work collaboratively with a reading specialist at the Nebraska Department of Education, with educational service units, with learning communities, or through interlocal agreements to develop and provide such supplemental reading intervention programs. Each supplemental reading intervention program must be:

- Provided to any student identified as having a reading deficiency;
- Implemented during regular school hours in addition to regularly scheduled reading instruction unless otherwise agreed to by a parent or guardian; and
- Made available as a summer reading program between each summer for any student who has been enrolled in grade one, grade two, or grade three or in a higher grade and is identified as continuing to have a reading deficiency at the conclusion of the school year preceding such summer reading program. The summer reading program may be held in conjunction with existing summer programs in the school district or in a community reading program not affiliated with the school district or offered online.

The supplemental reading intervention program may also include:

- Reading intervention practices that are evidence-based;
- Diagnostic assessments to identify specific skill-based strengths and weaknesses a student may have;
- Frequent monitoring of student progress throughout the school year with instruction adjusted accordingly;
- Intensive intervention using strategies selected from the following list to match the weaknesses identified in the diagnostic assessment:
 - Development in phonemic awareness, phonics, fluency, vocabulary, and reading comprehension;
 - Explicit and systematic instruction with detailed explanations, extensive opportunities for guided practice, and opportunities for error corrections and feedback; or
 - Daily targeted individual or small-group reading intervention based on student needs as determined by diagnostic assessment data subject to planned extracurricular school activities;

- Strategies and resources to assist with reading skills at home, including parent-training workshops and suggestions for parent-guided home reading; or
- Access to before-school or after-school supplemental reading intervention with a teacher or tutor who has specialized training in reading intervention.

Parent/Guardian Notification. The school will give notice in writing or by electronic communication to the parent(s) or guardian(s) of any student identified as having a reading deficiency within 15 working days of such identification that the student has been identified as having a reading deficiency and that an individual reading improvement plan will be established and shared with the parents or guardians.

Reading Improvement Plan. Any student who is identified as having a reading deficiency will receive an individualized reading improvement plan, that shall include a supplemental reading intervention program, no later than 30 days after the identification of the reading deficiency. The reading improvement plan may be created by the teacher, the principal, other pertinent school personnel, and the parents or guardians of the student and shall describe the reading intervention services the student will receive through the supplemental reading intervention program to remedy the reading deficiency. The student must receive reading intervention services through the supplemental reading intervention program until the student is no longer identified as having a reading deficiency.

Reading Progress. Each student in kindergarten through third grade and his or her parent(s) or guardian(s) will be informed of the student's reading progress within a reasonable time after the school district receives the results from the student's approved reading assessment.

NDE Professional Learning System. The Nebraska Department of Education provides a professional learning system. The elementary school(s) and early childhood education programs approved by the State Board of Education will ensure that teachers who teach children from four years of age through third grade are aware of the professional learning system and are adequately trained regarding evidence-based reading instruction to effectively instruct students in reading.

NDE Report. On or before July 1 of each year, the school district will provide the required information relating to dyslexia to the Nebraska Department of Education.

Repeat of Grade at Parent-Guardian Request

Parents and guardians may request that their student repeat a grade level under the following conditions:

Students in Kindergarten through Fourth Grade

Parents and guardians of students in kindergarten through fourth grade may request that their student repeat the grade level that the student has just completed under the following conditions:

- 1) If the student is at least one year below grade level and behind the child's typically developing peers in reading, English, and language arts such that the child does not possess the necessary academic skills required to succeed in reading, English, and language arts at grade level for the next grade to which the student would otherwise advance; or
- 2) If the student was absent fifty percent or more of the days in which school was in session for students during the school year which the student has just completed; or
- 3) If the student experienced a severe mental or physical illness resulting in hospitalization of two or more weeks during the school year.

Students in Fifth through Twelfth Grade

Parents and guardians of students in fifth through twelfth grade may request that their student repeat the grade level that the student has just completed if the student was absent fifty percent or more of the days in which school was in session for students during the school year which the student has just completed.

Procedure for Parent Requests for Student Grade Repetition

Parents and guardians who seek to have their student repeat the grade level just completed must submit a written request to the student's building principal no earlier than the day after the last scheduled student attendance day of the school year, and no later than two weeks after that date. This deadline may be waived by the superintendent for good cause shown. The request must include written documentation that provides evidence that the parents or guardians believe substantiate that the conditions outlined above

have been met.

The principal shall promptly forward the request to the superintendent or his/her designee, along with any building-level information about the student which the principal believes will be relevant to the superintendent or designee in responding to the parents' or guardian's request.

The superintendent or designee shall review the request and promptly schedule a meeting with the parents or guardians. At this meeting, the superintendent or designee shall identify any alternative educational opportunities available to the student, including remedial instruction if applicable, and verify any special education supports available to the student. If the child's parent or guardian still intends to have such child repeat a grade, the parent or guardian shall complete a form prescribed by the Nebraska Department of Education and return the form to the office of the superintendent of schools.

Upon completion of the form and if all requirements pursuant to this policy are met, the school district shall have the child repeat the child's grade for the next school year.

Nothing in this policy modifies the school district's policies on mandatory attendance and reporting excessive absenteeism to the county attorney or other members of law enforcement. Likewise, nothing in this policy shall dictate or direct the provision of special education or related services, including but not limited to any IEP team decision about the appropriate educational placement of a child with a disability under Rule 51 of the Nebraska Department of Education.
