1. Call Meeting to Order

2. Board Member Attendance

3. Community Input - Community patrons are welcome to address the Maywood Public School Board of Education. Patrons who are seeking Board action are reminded that in order for the Board of Education to take action on an item, it must be on the agenda. If not an agenda item, the request will be taken under advisement as to whether or not it will be added to the next or a future regular Board of Education meeting. Patrons are asked to limit their comments to five (5) minutes, and in those cases where a group representing the same request or discussion item is involved, the Board asks that a spokesman from the group be appointed. The Board requests that any concerns or questions dealing with existing policy or procedure be directed through the school administration before being brought before the Board.
