A Qualified Capital Purpose Undertaking Fund (QCPUF) may be established for the removal of environmental hazards, the reduction or elimination of accessibility barriers in school district buildings, modifications for life safety code violations, life safety hazards, and mold abatement and prevention projects for existing facilities only. General Fund expenditures for the purpose of this fund are not allowable. Effective April 19, 2016, the tax levy for this fund is restricted to \$0.03. The tax levy for QCPUF projects in place prior to April 19, 2016, remains at \$0.052. The levy may exceed the \$0.03 levy limit if the valuation has decreased from the last year bonds were issued and the bond principal and interest obligation cannot be met. Tax levies cannot exceed ten years for each project. The approved QCPUF levy for 2024-25 .020631

Depreciation Fund

The purpose of the Depreciation Fund is to facilitate the eventual purchase of costly items by spreading replacement costs over a period of years in order to avoid a disproportionate tax effort in a single year to make the purchase. To allocate monies from the General Fund, a school district will transfer funds as an expense from the General Fund, and the Depreciation Fund will show the transfer as revenue from the General Fund. The school district must divide this fund into more than one account to allocate a portion of this fund for different valid purposes. The Depreciation Fund is a component of the General Fund.

The Bond Fund shall be used to record tax receipts, investment interest, and the payment of bond principal, interest, and other related costs (i.e., trustee fees). If the fund balance is not sufficient to meet interest or bond retirement payments from the Bond Fund, the General Fund shall be used for these payments. Funds shall be disbursed upon appropriate demand. All records of the transactions in this area shall be maintained in this fund. Proceeds from a bond issue shall be deposited into the Special Building Fund to be expended on the actual building project. The Bond Fund is a taxing fund and is not part of the \$1.05 cap. The tax levy for this fund is restricted for expenditures other than principal and interest on bonds. Strategies for 1 - High-Quality Instruction and Learning Expectations; Programs, Experiences, and Approaches

- Mrs. Lemon is in the middle of conducting the ELPA21 assessment for our English Language learners. The ELPA21 Summative provides 3-digit scale scores for each of the four language domains—listening, reading, writing, and speaking. These scores are used to assign a performance level (1–5) for each domain and establish a proficiency determination: Emerging – Level 1 or 2 in all non-exempt domains, Progressing – at least one domain below Level 4 and at least one domain above Level 2, or Proficient – Level 4 or 5 in all non-exempt domains.
 - Students that score Proficient on the exam can graduate from EL services.
 - Students who are receiving EL services are assessed each Spring to measure their growth and give us a better understanding of where they are and how we can support them.

JAG Summary - *submitted by Mrs. Kat DeVorss*
February 28, 2025

In February, students began working on a Project-Based Learning (PBL) slideshow presentation about their Dream Vacation. Each student was allocated a budget of \$10,000 to plan their ideal trip. They developed an itinerary that included photos, expenses, and a detailed expense report. Additionally, they researched the destination, learning about the climate, culture, cuisine, and other relevant information.

We also engaged in several team-building activities that helped students understand the cost of living. One popular activity was "The Price Is Right," where students competed to guess prices without exceeding the actual amount. Students updated their information in Education Quest, including their resumes, and conducted a "reality check." This involved assessing whether the careers they selected would enable them to maintain their desired lifestyle. They chose places to live and calculated the expenses related to housing, food, clothing, entertainment, insurance, vehicles, and more, watching their paychecks diminish as they paid bills. (This caused students to change their "career")

In addition, students created a poster to support the wrestling teams for their state send-off. We watched a video on "The 7 Habits of Highly Effective People" and held a class discussion on each habit, including being proactive, thinking with the end in mind, prioritizing tasks, adopting a win-win mindset, seeking first to understand before being understood, synergizing, and sharpening the saw. Students also continued weekly journaling, responding to thought-provoking questions.

Several students expressed interest in tax preparation assistance, so we explored free websites that provide tax help and resources available for those who need it. We used the EVERFI website, which offers step-by-step instructions for completing tax forms, allowing students to follow along. We also covered basic topics such as properly addressing an envelope and other simple tasks students wanted to learn.

February included several late starts and a day off, and given the shorter month, we did a fun activity by reading a mock script of a James Bond trial. Students learned about the court process by playing different roles in the trial, participating as the jury, and discussing and determining a verdict based on the evidence. They familiarized themselves with legal terminology and seemed to enjoy the experience.

To prepare for the Career Development Conference held on Thursday, February 27, the following NCHS students were selected to represent our school: Dylan Cooper, Gabriela Rojas, and Braedon Watkins, with an alternate. They achieved an impressive third place in the state for the Project-Based Learning "Shark Tank" project.

Strategies for 1 - High Quality Instruction and Learning Expectations; Programs, Experiences, and Approaches

- NCMS Quiz Bowl
 - On Tuesday March 11th, the Nebraska City Middle School quiz bowl team will compete in the Trailblazer Conference Quiz Bowl Tournament held at Wahoo High School beginning at 4:00 PM. The team consists of 8 players: Amelia Lant (Captain), Keegan Shimmel, Conner Callen, Charlotte Powell alternates: Kaylee Blobaum, Leira Womochil, Carson Miller, and Alex Frangedakis.
- NC 8th Grade Girls Lifting Club
 - This week will end the 8th grade girls weightlifting. It's been a great success! Our girls have reflected on their pre-lifting goals and have voted for weight lifters of the week. They are ending the "season" with a fun day on Thursday where we will walk to the ice cream shop and then come back to NCMS to play a big game of hide and seek in the upstairs classrooms.
- NCMS Student Council
 - We've been busy here at the Middle School Student Council. First off, we just wrapped up our Valentine's Day Door Decorating Contest. Our school halls were full of creativity and school spirit, and we were lucky enough to have EDGE members come in to judge the competition. It was a fun and colorful way to celebrate the season of love! Our Spring Dance is right around the corner in April, and we're working hard to make it an event to remember! We are gearing up for an exciting Student Council Exchange with Ralston. It's a fantastic opportunity to connect with other student councils and learn from each other. Our team of 19 members is putting in a lot of effort to bring new ideas and exciting projects to our school, and we're always looking for ways to make our student body feel more connected and involved.

Strategies for 2 - Culture, Connectedness, and Personnel Effectiveness; Expectations, Development, and Excellence

- HAL Club
 - HAL Club at NCMS has been meeting twice a month in Ms. Sjulín's room. By popular demand, quarter 3's focus has been logic puzzles and perplexors where students refine the skills needed to be a logical thinker- all while having fun with their peers. We've had an 80% attendance rate at these optional meetings.

Strategies for 3 - Whole Child Focused Learning: Curriculum, Instruction, Programs, Experience, and Approaches

- Nebraska City Drug Free (NCDF)
 - NCDF is still going strong at NCMS with 90 members having excellent attendance at the morning meetings. This past week we had a speaker from Mission Fields come talk to our students. She shared her story about how she turned to drug use to cope with the issues she dealt with as a teen. Students were able to brainstorm positive outlets for dealing with pressure. This Friday, March 7th, NCDF is having a game night where kids can choose to play kickball or board games with their peers. Per Mission Field's request, NCDF students are going to do another round of encouraging posters for their new residents.
- NCMS Boys Wrestling
 - The weather has made things a bit challenging for events for the NCMS boys wrestling team this season. They opened their season on Tuesday, February 25, traveling to Beatrice, Thursday, February 27 at the Falls City Invitational, and Friday, February 28 at the Weeping Water Invitational. The boys will travel to Ralston on Saturday, March 8th for the Trailblazer Conference Tournament, they will host the Nebraska City Invitational on Tuesday, March 11, and finish their season in Auburn on Monday, March 17th for their final event of the season. The boys have been working hard for new Coach Jace Johnson and assistants Vicki Hobbs and Adam Walters. The boys team started practicing in the middle school commons area, and lately has transitioned over to the high school wrestling room to get the experience over in that building following the high school wrestling season.

- NCMS Girls Basketball finishes their season this year on Thursday, March 6, at Syracuse for a 3-game matchup against the Rockets. The Pioneers have continued to work hard over the course of the season and are looking to end their season with a win!
- Track & Field
 - Middle School Track will start with an organizational meeting next week. During the week of March 17, student leaders will have the opportunity to attend the sports leadership camp prior to the season begins. During this camp, put on by the track coaches, the student-athletes will have the opportunity to learn warm-up routines, talk about goal setting and being a good leader during practices and in meets, and other pre-season guidance and drills that will be used throughout the season. The official start of practice begins on Monday, March 24th. We look forward to a fantastic season!

-

Strategies for 2 - Culture, Connectedness, and Personnel Effectiveness; Expectations, Development, and Excellence

- The boys golf team gets their season started on Monday March 3rd. The Pioneers have a pre-season roster of 20 boys. It will be an exciting season with over half of the team being new to the roster.
- Pioneer girls soccer will start practice on March 3rd. There has been a great deal of interest in soccer this year and have jumped to around 35 girls coming out for soccer. The soccer girls have been able to run some concession stands this Winter, to make a little extra money for the program. The girls are really excited about the start of the season and getting to play some soccer!
- The Pioneer boys basketball season recently concluded with a subdistrict game loss on the road. The season was highlighted by an overtime win over Fort Calhoun on senior night.
- Girls wrestling qualified 5 girls for the state meet, which is a school record. Makayla Vasser was the state champion at 190 and Rylee Stracke finished 4th at 125. The years' team set school records at state for highest finish and most points scored. There were many records broken throughout the course of this season.
- The Drama department is hard at work on *The Legend of Sleepy Hollow*. We are trying to add some new technical elements to this show. Implementing them is definitely a challenge, but we are learning a lot in the process. The kids are doing a nice job in rehearsals. We've got just a little over a month before we perform. We plan to be running the play off book on Monday. This will give us a full month of rehearsals without scripts.

As we prepare for the spring season, we have 22 players on the roster, with over three-quarters of the team being freshmen and sophomores. After graduating half of last year's team, we are excited about the potential of our young players. While we are a developing team, the enthusiasm and talent are strong, and we are looking forward to a successful season ahead.

- The Pioneer Cheerleaders competed in Grand Island on Saturday Feb. 22nd. The girls received an academic award for having a cumulative GPA over 3.30 for the first semester, and finished 9th out of 13 teams. (They were 17 points out of 100 behind the first place team.) The 24/25 Cheer Season closed on Wednesday, February 26th with a small squad cheering for the boys basketball team in Lincoln. The 25/26 season begins the first week of March with TryOuts on Saturday, March 8th.
- Nebraska City FFA had a Floriculture, Ag Mechanics, and Livestock Management team compete at the district level. Ribbon placings are still unknown. Our students just completed FFA week with a pep rally at the middle school. The Every Day Give A Way will be starting in March.

We recently learned that the following Seniors will all receive their state degrees: Cutler Adams, Jayden Adams, Tarryn Godsey, Lextyn Harker, and Kaidyn Maybee. Congratulations!!

- Pioneer Speech has been working hard competing the past couple of months. We've had several competitors medal at events we've attended this season:

Elkhorn Level-Up Invite

Ryan Walker - Persuasive - 5th Place in Merit Finals

Conestoga Trendsetter Invitational

Ryan Walker - Persuasive - 2nd Place

Seth Rakowski - Serious Interpretation - 6th Place

Pawnee City Caffeine Classic

Ryan Walker - Persuasive - 5th Place

Alex Meyer - Poetry - 6th Place Next-In Finals

Austin Lewis - Informative - 6th Place Next-In Finals

Mrs. Weaver is extremely proud of the hard work this team has put in this season! Pioneer students participate in many other events but still make time to come to speech practices and meets sometimes between other practices in the evenings. The Pioneer speakers are constantly learning and growing as a team. Team members will be showcasing their pieces for anyone who would like to join us on March 18 at 5:30 pm at the High School Community Classroom. We have a few more regular season meets followed by Districts at Scotus on March 22.

- Boys and Girls track will start practicing on March 3rd. We are excited to get this season started. We have about 30 students going out for track. We have a few new coaches this year on the coaching staff so we are all very excited to get to know the athletes.
- The NCHS Choirs are going strong but the auditioned groups have had a rough few weeks. Both City Singers and Expressions had to miss competitions/clinics due to the weather. Our Vocal Pops concert which took place on Tuesday, February 4th went great. We had two students, Mikalynn Wylie and Robin Stanek, represent Nebraska City High School at the Doane Festival Choir on Tuesday February 25. This event was rescheduled from January. We will have 11 of our Freshman/Sophomore students representing us at the Johnson County Central Freshmore Vocal Choir Clinic next Wednesday, March 4. And finally, City Singers was able to join the Nebraska A Cappella Championships in Columbus on Thursday, March 6 so please wish them luck at this competition.
- The Pioneer Baseball team is set to kick off the season on Monday, March 3rd. Our roster is shaping up well, with over 35 athletes participating this spring. This year, we are continuing our co-op with Lourdes Central Catholic, Johnson-Brock, and Johnson County Central.

We have a well-balanced group, with 7 to 10 players at each grade level, allowing us to field three teams—Reserve, JV, and Varsity. With these strong numbers, we are excited about the depth of our program and look forward to being competitive at all levels.

- Pioneer girls basketball had an exciting win in the first round of sub-districts over Plattsmouth before falling to the #3 ranked team, Waverly. This brought their final record to 12-13.
- Boys soccer is wrapping up preseason conditioning today, and gearing up for practice to start up next week. We currently have 27 athletes participating, and are looking forward to the start of the season.
- Unified Track has received their own practice equipment and we have received the official invite to the Ashland-Greenwood Unified Track meet on May 2. We are going to get ready to start practicing.

Mrs. Gochenour would also like to say thank you to all of you for the support of Unified Sports. Mrs. Gochenour was recently nominated and we are happy to announce that she will be receiving the NSAA Champions for Coaches Award for Unified Bowling. Mrs. Gochenour will be honored at the halftime of the Boys Basketball Championship on March 14 at 6pm at the Pinnacle Bank Arena in Lincoln.

Concussion Awareness

The Nebraska Unicameral has found that concussions are one of the “most commonly reported injuries in children and adolescents who participate in sports and recreational activities and that the risk of catastrophic injury or death is significant when a concussion or brain injury is not properly evaluated and managed.”

The School District will:

- a. Require all coaches and trainers to complete one of the following on-line courses on how to recognize the symptoms of a concussion or brain injury and how to seek proper medical treatment for a concussion or brain injury:
 - Heads UP Concussions in Youth Sports
 - Concussion in Sports—What You Need to Know
 - Sports Safety International
 - ConcussionWise
 - ACTive™ Athletic Concussion Training for Coaches; and
- b. On an annual basis provide concussion and brain injury information to students and their parents or guardians prior to such students initiating practice or competition. This information will include:
 - 1 The signs and symptoms of a concussion;
 - 2 The risks posed by sustaining a concussion; and
 - 3 The actions a student should take in response to sustaining a concussion, including the notification of his or her coaches.

A student who participates on a school athletic team must be removed from a practice or game when he/she is reasonably suspected of having sustained a concussion or brain injury in such practice or game after observation by a coach or a licensed health care professional who is professionally affiliated with or contracted by the school. The student will not be permitted to participate in any school supervised team athletic activities involving physical exertion, including practices or games, until the student:

- a. has been evaluated by a licensed health care professional;
- b. has received written and signed clearance to resume participation in athletic activities from the licensed health care professional; and
- c. has submitted the written and signed clearance to resume participation in athletic activities to the school accompanied by

written permission to resume participation from the student's parent or guardian.

If a student is reasonably suspected after observation of having sustained a concussion or brain injury and is removed from an athletic activity, the parent or guardian of the student will be notified by the school of:

- a. the date and approximate time of the injury suffered by the student,
- b. the signs and symptoms of a concussion or brain injury that were observed, and
- c. any actions taken to treat the student.

The school district will not provide for the presence of a licensed health care professional at any practice or game.

School officials shall deem the signature of an individual who represents that he/she is a licensed health care professional on a written clearance to resume participation that is provided to the school to be conclusive and reliable evidence that the individual who signed the clearance is a licensed health care professional. The school will not take any additional or independent steps to verify the individual's qualifications.

Students who have sustained a concussion and returned to school may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered. The school's "return to learn protocol" shall be the guidance provided by the Nebraska Department of Education entitled "Bridging the Gap from Concussion to the Classroom," and accompanying materials and future supplements. Nothing in this policy or the referenced protocol shall entitle a student who has sustained a concussion to an individualized plan under Section 504 of the Rehabilitation Act, although staff will refer students who have sustained a concussion for evaluation under Section 504 as appropriate.

Automatic External Defibrillator (AED) Program

An automatic external defibrillator (AED) is a portable device used to induce electrical stimulation to the heart muscle in the event of a potential cardiac arrest. The school district has a limited number of AEDs in its facilities. The location of the AEDs will be determined by the AED Program Coordinator in consultation with members of the school district administration and the local fire/EMS department. The presence of AEDs in certain locations in selected district buildings does not imply that AEDs will generally be available in all locations or in all district buildings. Likewise, the district does not make any promise, express or implied, that a trained staff member will be available to operate the AED in the event of a potential cardiac arrest.

1. Equipment

Equipment shall be an automated external defibrillator in working condition that meets standards established by the Federal Food and Drug Administration and is in compliance with the manufacturer's maintenance schedule. Gifts, grants and donations, including in-kind donations, designated for obtaining an automated external defibrillator, or for inspection, maintenance or training in the use of an automated external defibrillator will be accepted and placed into a special district account to assist in obtaining and maintaining AEDs.

When the school acquires an AED it will notify the local emergency medical service of the existence, location, and type of the AED, and will notify EMS of any change in the location of such defibrillator. If an AED is located in a bus or other school vehicle, only the primary site where the vehicle or object is located will be reported to EMS.

2. Program Coordinator

a. The School District's AED Program Coordinator is the Superintendent and School Nurse.

b. The Program Coordinator shall:

- Consult with the school's administration and the medical advisor to develop a written protocol for the use of AEDs, and post such protocol near each AED
- Select employees for AED training

- Arrange for appropriate training of anticipated users at least annually
- Maintain a training schedule that includes the names of those trained and dates both of current training and dates for recertification.
- Check equipment according to the manufacturer's guidelines and take appropriate action in the event of any variance or need
- Maintain on file a specification sheet on each approved AED model
- Monitor the effectiveness of this system
- Communicate with medical director on issues related to medical emergency response program including post-event reviews
- Coordinate with the local fire department and police department
- Take appropriate steps after an AED event, including sharing of data with appropriate medical and EMS personnel, cleaning, replacing or recharging components of the AED as appropriate.

3. Medical Oversight

- a. The medical advisor of the AED program is _____, MD.
- b. The medical advisor has ongoing responsibility for:

- Providing medical direction for use of AEDs
- Writing a prescription for AEDs
- Reviewing and approving guidelines for emergency procedures related to use of AEDs and cardio pulmonary resuscitation
- Evaluation of post event review forms and digital files downloaded from the AED

4. Volunteer Responders

Anyone may, at their discretion, provide voluntary assistance to victims of medical emergencies. The extent to which these individuals respond shall be appropriate to their training and experience, and may include CPR, AED or medical first aid.

“THE PURPLE AND THE GOLD”

There are schools that love the crimson
While others favor blue;
There are those who shout for orange
Or to white are ever true
But Nebraska City High School
Will surely always hold
There are no other colors
Like the Purple and the Gold.

Through the four long years of high school
'Midst scenes we love so well
As the mystic charms of knowledge
We vainly seek to spell
Or we win athletic victories
Through our teams so brave and bold
Still we work for the high school's honor
and the Purple and the Gold.

When the cares of life o'er take us
Mingling fast our locks with gray,
Should our dearest hopes betray us,
False fortune fall away...
We will banish care and sadness
Nor forget as we grow old
To recall those days of gladness
'Neath the Purple and the Gold.

SUPERINTENDENT'S CONTRACT OF EMPLOYMENT NEBRASKA CITY PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Nebraska City Public Schools**, legally known as **Otoe County School District 66- 0111**, and referred to as "the Board" and "the District" respectively, and **Mark Fritch**, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Superintendent shall be employed for a period of two year(s) beginning on July 1, 2025, and expiring on June 30, 2027. References to "contract year" shall mean the period from July 1st through June 30th and shall consist of all days except Saturdays and Sundays and any holidays or leave days listed in Section 11. The Superintendent agrees to work sufficient hours and days to satisfactorily complete the duties of this contract. The Superintendent shall keep complete and accurate records of working days and shall provide the Board of Education with a report of the accumulated working days at least quarterly.

Section 2. Renewal of Contract. The Superintendent shall notify the Board in writing of his/her intention to renew the contract no later than the regular **November** board meeting of each year of this contract and shall make the renewal of the Superintendent's employment contract an agenda item for the regular **December** board meeting during each year of this contract. If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular December board meeting** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to ensure that the District has complied with the Superintendent Pay Transparency Act.

Section 3. Salary. The Superintendent's annual salary for the contract year shall be **\$185,800.00** which shall be paid in 12 equal monthly installments beginning in the month of August. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation and shall be subject to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The District shall withhold other deductions as the Superintendent and Board may agree.

Section 5. Professional Status. The Superintendent affirms that the Superintendent is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, the Superintendent will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which the Superintendent will register and maintain on file in the District's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that the Superintendent registers the certificate. The Superintendent represents that: (1) all information provided in connection with the Superintendent's application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, the Superintendent will advise the Board immediately; (2) the Superintendent has never been convicted of or plead no contest to a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) the Superintendent has not had any professional licenses or certificates suspended or revoked.

Section 6. Superintendent's Duties. The Superintendent's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Superintendent agrees to devote the Superintendent's time, skill, labor and attention to all required duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns. By agreement with the Board, the Superintendent may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out the Superintendent's duties and obligations to the District.

Section 7. Board-Superintendent Relationship. The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the District and shall be responsible for implementing Board policy. The Superintendent shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. The Superintendent is responsible for administering the instruction of students and the business affairs of the District. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

Section 8. Cancellation or Mid-Term Amendment. The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or

criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

Section 9. Disability. If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period of more than 45 days, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the District.

Section 10. Transportation. The Board shall provide the Superintendent with transportation or reimburse the Superintendent for mileage required in the performance of official duties at the rate approved by the Board.

Section 11. Fringe Benefits. The Board shall provide the Superintendent with the following fringe benefits:

- c. Life Insurance.** Term life insurance that is available to certificated staff through the District's life insurance carrier.
- d. Disability Insurance.** The Superintendent shall purchase long-term disability insurance from the District's carrier at the Superintendent's own expense.
- e. Sick Leave.** The Superintendent shall be entitled to forty-five (45) days of sick leave. Sick leave days are to be used in the contract year in which it becomes available for the purpose intended. There is no carry-over or accumulation of unused sick leave days from one contract year to another contract year. Any unused sick leave days remaining from a prior contract year shall be subtracted from the number of sick leave days the Superintendent is to be provided for the following contract year, such that the total sick leave days at the beginning of each contract year be forty-five (45) days. Sick leave may only be used

for personal illness or as otherwise provided in District policy. If the Superintendent qualifies for disability pay under the long-term disability policy, the Superintendent shall be required to take the disability pay instead of sick leave pay. The Superintendent shall keep complete and accurate records of sick days accrued and used and shall provide the Board of Education with a report of accumulated sick days at least quarterly. The Superintendent shall not be compensated for unused days of sick leave upon the ending of employment with the District.

f. Vacation. The Superintendent shall have twenty (20) vacation days for the initial contract year which the Superintendent may use at times the Superintendent chooses so long as the absence does not interfere with the proper performance of the Superintendent's duties. Any extended vacation period while school is in session will require advance approval by the Board, and any short-term out of state vacation travel while school is in session will require advance notice to the Board. The Board and the Superintendent will cooperate in arranging vacation time so as to cause the least inconvenience to the normal operation of the District. After the initial contract year, the Board shall give the Superintendent the number of vacation days necessary to restore the total to twenty (20) days. For example, if the Superintendent uses 12 days of vacation one year, the Board will provide the Superintendent with 12 days the following year to bring the total vacation days back to 20. The Superintendent shall develop a system for recording use of vacation days and shall keep such records current and on file in the District's central office. The Superintendent shall keep complete and accurate records of all vacation days and shall provide the Board of Education with a report of accumulated vacation days at least quarterly. The Board may require the Superintendent to use vacation days. Superintendent shall be compensated for unused vacation leave upon the ending of employment with the District at a rate of one dollar (\$1.00) per unused vacation day.

The Superintendent may attend professional meetings at the local and state level; and with the approval of the Board the Superintendent may attend professional meetings at the regional and national level. m. Expense Reimbursement. The Board shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$1500.00 or more.

Section 12. Residence/Domicile in District. The Superintendent shall establish domicile and principal residence within the boundaries of the District as they exist on the first duty day under the terms of this contract; and, the Superintendent shall maintain domicile and residence within the boundaries of the District during the term of this contract, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Superintendent does not establish domicile and principal place of residence within the District at the commencement of employment, the Superintendent shall move the Superintendent's domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Superintendent's first duty day under this contract. It is the purpose of this paragraph to require the Superintendent to, at all times during such employment, live and maintain domicile and principal place of residence in the District to encourage the Superintendent: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the District as a legal voter of the District; (3) to be involved in school and community activities bringing the Superintendent in contact with parents and community leaders and be committed to the future of the District and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Superintendent; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social,

Section 13. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 14. Compensation Upon Termination and Credit for Accrued Vacation. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary paid but not earned prior to the date of termination of this contract. The Superintendent shall be paid for any unused vacation days at the daily compensation rate then in effect at the termination of employment.

Section 15. Evaluation. The Board shall evaluate the Superintendent twice during the Superintendent's first year of employment and at least once each year thereafter. The first evaluation during the first year of employment and the yearly evaluations after the first year of employment shall occur no later than the **regular December meeting**. The Superintendent shall: remind the Board members in writing of this provision no later than its **regular November meeting**; make the Superintendent evaluation an agenda item for the regular **December** Board meeting during each year of this contract; and provide the Board members with the written evaluation instrument that is on file with the Nebraska Department of Education.

Section 16. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by carrying out the Superintendent's duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of the Superintendent's performance of duties or position as the Superintendent of the District, the Board will provide the Superintendent with a legal defense to the maximum extent permitted by law so long as the Superintendent acted in good faith and in a manner which the Superintendent reasonably believed to be in or not opposed to the best interests of the District and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the Superintendent's conduct was unlawful.

Section 17. Physical or Mental Examination. The Superintendent agrees that, at the request of the Board, the Superintendent will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this contract. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board must address whether the Superintendent is able to perform the "essential functions" of the position.

Section 18. Disciplinary Action. The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same

when the Board president determines it is in the best interests of the District to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting. The Board may suspend the Superintendent without pay for a period not to exceed thirty (30) working days. Prior to suspending the Superintendent without pay, the Board president or secretary shall deliver a written notice to the Superintendent advising the Superintendent of the alleged reasons for the proposed action and provide the opportunity to present the Superintendent's version of the facts. Within seven (7) calendar days after receipt of such notice, the Superintendent may make a written request to the secretary of the school board for a due process hearing under section 79-832. If such a request is not delivered within such time, the action of the Board shall become final.
