Lunchtime Solutions, Inc.'s **projected financial outcome for Madison Public Schools** for the 2020-2021 school year is a surplus of **\$27,281.00**.

This outcome is before district food service expenses paid directly, such as, but not limited to:

- POS software and licenses
- Capital outlay and equipment repair
- District personnel involved in food service

See the Projected Operating Revenues and Expenditures, and Financial Notes, in this tab of the proposal for more detailed information.

**Projected Outcome assumptions are listed on the back of this page*

- Student enrollment for the term of the contract period shall be no less than 542 students.
- The number of operating days for the school year shall be no less than 171 days in both elementary and secondary schools.
- The proposed student meal prices are approved by the board and are in effect for 171 serving days.
- Service hours offer vs. serve locations, number of facilities selling food and/or beverages on SFA's Premises, and other conditions that affect revenues shall remain consistent for the term of the contract.
- Reimbursement rates for federal Child Nutrition Programs meals shall not be less than the rates in effect for the prior school year and are equal to or greater than those assumed and projected in the proposed "Pricing Schedule and Reimbursements" document in the proposal.

- Service will not be interrupted as a result of fire, work stoppage, strike, or school closing.
- Vending machines will be turned off one hour before and after lunch serving times.
- The SFA makes no substantial changes to school operations that adversely affect breakfast and lunch participation, such as changes to bus schedules, changes to open campus policies, changes to the a la carte offerings, or changes to the serving times during breakfast and lunch.
- The district continues to clean hoods, vents and grease traps within the kitchen facilities.
- Extra entrees and the proposed a la carte will be offered in the serving line during the meal service and can be charged to the students' lunch account.
- Legislation, regulations, and state requirements that create changes in the school lunch program remain consistent throughout the term of the contract and any renewals.
- That the Designation of Program Expenses for Food Service Program remains consistent from year to year.
- The district wellness policy remains consistent and any changes have no impact on the sales of extra entrees, extra foods, or other a la carte items.

- Snack Milk prices will increase or decrease annually by the milk market escalator.
- Student prices to be increased annually according to contractual CPI used to adjust the fixed price per meal or PLE tool, whichever is greater.

Financial Notes — Madison Public Schools

- **Financial guarantee for a Food Service Fund surplus**
 - We project a surplus of \$27,000 from operations to cover other district direct-paid expenses of district employees, repair, depreciation, future equipment replacement, etc.
 - After district expenses, such as repair, cashier salaries etc., our financial model shows a positive outcome of \$3,441. There would be no need to transfer funds from the general fund to cover expenses, assuming the district information that was provided is accurate.
 - *See the Projected Operating Statement in this tab of the proposal*
- **Increasing fruits and vegetables offered and consumed each day also increases cost**
 - Unlimited fruits and veggies with 8-10 choices provided every day
 - Food costs are reflected in Lunchtime's proposed lunch price
 - These costs are also reflected in your net financial outcome
 - A key decision for your district — better nutrition for your students and the cost of that
- **Labor costs are based on the needs to run our program**
 - Lunchtime Solutions wage rates would be on par with district employees
 - Lunchtime Solutions will provide a wage increase for SY20-21 for all employees
- **Food Service Director**
 - Currently, Lunchtime Solutions does not have a food service director available that could be shared with Madison Public Schools. The proposed fixed price is based off a full-time Food Service Director that will be on site daily during the school year.
 - In the event a director position in the area could become a shared position, we would be willing to look at reducing the fixed price to the district with approval from the administration and NDE.
- **Student lunch pricing for SY 2020-2021 increased by \$.10**
 - Projected outcome assumes a \$.10 PLE-based price adjustment
 - The district is responsible for setting the student lunch prices
 - Lunchtime Solutions will make recommendations and project outcomes based on student pricing, any of which can be modified based on district decisions
- **Ongoing financial reporting and guidance**
 - Monthly Financial Reporting to the District — Lunchtime Solutions will provide the district with the following:
 - Monthly billing worksheet and reconciliation to the State Claims for Reimbursement
 - Participation charts for Breakfast and Lunch
 - Estimated District Financial Statement (accrual basis)
 - *See Sub-Section/Tab 6: Accounting and Reporting of the proposal*
 - Annual Planning: Lunchtime Solutions will prepare an annual budget of the foodservice program and present to the district by May 1 for the upcoming school year

PROJECT: Madison P. S. Phase IV

FIELD REPORT NO: 12

ARCHITECT'S PROJECT NO: 1353

The Commons/Concessions/Public Restrooms area includes construction of a one story, slab-on-grade, brick veneer, post and beam steel structure 7,150 square feet in area. Incidentals include rough and finish grading, seeding, utilities, sidewalks, bus drop off, driveways, parking, and fencing.

Date: 4/6/2020	Time: 5:30pm-7:30pm	Weather: clear	Temp. Range: 70F
Est % of Completion Gym: 73.0%	Conformance with schedule (+,-) -

Observations:

Draw requests for Gym and Commons were approved as submitted. Draw for firesprinkler was rejected as submitted. Schluter Jolly Mould at tops of wainscot is a trim and should be installed with mitered inside and outside corners. The butt joints currently used leave a raw unfinished edge exposed. As backfill and grading commence make sure weeps at the base of the wall are not covered. Coordinate location of roof ladder with electrical boxes to prevent conflict. Splices in the 2X sub fascia should receive carriage bolts through the steel back plate on each side of the splice at all locations.

Covid-19 virus has begun to slow operations. Soffit are ready to install but no crews are currently available. Basketball equipment manufacturer is shut down. Hardwood flooring has no installers, this floor is currently scheduled for June 1. Bleachers are currently scheduled for July 1. The elevator has arrived in the U.S. but is currently 3 weeks behind schedule. Commons ceiling has been painted and flooring is set for 3rd week in May.

Commons windows finish install on April 7th. Gym ceiling has been painted and walls are in process of being primed. Platform decks have been installed. Concrete slab moisture is still 1-2% to high. Locker room ceilings, lights, and wall tile are in progress.

Items to Verify: Contractor provide price for changing guard rails at Gym east platforms

Information or Action Required: Contractor make corrections noted

Mr. Jordan's April Report

Curriculum, Instruction, and Assessment

Curriculum:

- Our purchasing of next years materials is complete with the exception of the Middle School Language Arts Program.
 - We have selected IntoLiterature by Houghton-Mifflin Harcourt for the 6th-8th Grade
 - This will combine Reading and Language Arts into one 90 minute “Block” rather than two separate periods. This change allows us to cover a lot more of the state ELA standards by using our Reading/Literature to provide more instruction to meet Nebraska CCR Standards.
 - Our Eight Criteria we used to evaluate the programs were:
 - Materials and Assessment (how much and of what quality?)
 - Cost (licenses, consumables, etc. to the district in the future)
 - Engagement/Relevance (Visuals, how it is presented, Novels available)
 - Rigor (How is it created? Age Appropriate? Depth of Knowledge?)
 - Vertical Alignment (Disrupt what High School or Elementary are doing?)
 - Strong Print Option (Can this be used without Technology?)
 - Accommodations/Adaptive (Special Education, ELL, HAL)
 - Amount of Writing Included
 - We are waiting on word from our SFI Directors to guide us in how many years of the program we may purchase. Our hope is to have the quote ready for the May Board Meeting.
- I have attached the State's Timeline for Revision of Content Standards
 - This is being used as my guide in our development of a schedule of Curriculum Development in our District.

Assessment:

- All State Assessments have been waived for the 2019-2020 School Year
 - The state would still like to offer a free ACT test to the Juniors that would like to take it. They are working out the details and may offer it at the end of the summer.

Instruction:

- We posted our Continuous Learning Plan on the School Website, Emailed it to every student, and submitted a copy to the State Department of Education.
 - This has been stressful for the teachers, but they have all embraced the opportunity to continue serving the students and things seem to be going smoothly the first week.

1. The COVID-19 has impacted our school year and after several meetings, getting teacher input and parent feedback, the elementary made the decision to provide enrichment packets for PreK through 1st grade students. The 2nd through 5th grade students had iPads sent home and will be doing a combination of online google classroom and paper packets.

As this pandemic has made it difficult to know we will not have students in our elementary building, it has made us think differently and has us stretching our capabilities. I have been pleased to see teachers, paras, kitchen staff, and custodians getting things done for the better of our community.

2. We had packets/iPads go home on April 6th. 74% of the students' items were picked up on that day. After making some calls, there is now just 10% left to get picked up!

3. The teachers in grades 2-5 have google classrooms created and I have been able to see students getting involved in their tasks. It's impressive seeing how fast some students pick up online learning.
4. The Parent Advisory Committee Family Movie Night is cancelled – originally planned for April 24th.
5. NSCAS (state assessment) and MAPs growth testing has been cancelled.
6. Kindergarten round-up is cancelled (previously scheduled for April 9th). We are emailing/ mailing out what is needed for physical exams, eye exams, immunizations, and allergy/asthma forms.
7. PreK will be sending out post cards, posting on Facebook, putting notice in the Madison StarMail newspaper, and reaching out to families that we know may be interested in attending Madison Public School's preschool.
8. As we move forward with getting a childcare room at the elementary there is going to be a shuffle of rooms happening. I have reached out to the teachers whose rooms would be changing to get their input and hear any concerns they may have. Our teachers are on board with the changes and are willing to do whatever is needed to help our district. A general comment I heard was, "Change is good. It might take some getting used to, but it's good."

As backfill and grading commence make sure weeps at the base of the wall are not covered. Coordinate location of roof ladder with electrical boxes to prevent conflict. Splices in the 2X sub fascia should receive carriage bolts through the steel back plate on each side of the splice at all locations.

Covid-19 virus has begun to slow operations. Soffit are ready to install but no crews are currently available. Basketball equipment manufacturer is shut down. Hardwood flooring has no installers, this floor is currently scheduled for June 1. Bleachers are currently scheduled for July 1. - The ELPA 21 testing is complete!
- I took part in the monthly CSI zoom meeting that was hosted by the NDE on March 25th.
- The 3rd Annual House Olympics were amazing!!! It was such a great opportunity for our staff and students to grow as a community! The winner of this year's Olympics was the Yellow House, Daoda! (See pictures at the end of report)
- Dave Decarolis, with Nucor, utilized the 3D printer, along with other districts that have the Creation Station to make face shields for Faith Regional. This has been critical as Faith Regional has required all employees that work in patient care areas to wear a face shield.

- I took part in two of the ESU 7 zooms they hosted for EL teachers to collaborate regarding moving forward with education for EL students.
- BIST consultants hosted a Zoom on Tuesday, April 6th for administrators. We discussed the current situation with e-learning and what our focus should be on during this time. Building relationships was also a lengthy discussion during the Zoom.
- We worked closely as an administrative team and leadership team to roll out a Continuous Learning Plan. Teachers started e-learning on Monday, April 5th. This consists of posting assignments/materials on Canvas and having a 30 minute weekly Zoom meeting for each grade.

Superintendent Report April 2020

○ Phase IV update:

Attached to my report is the field report #12. Things are moving along pretty good with the project at this point. I would anticipate the majority of windows in the Middle School Commons should be installed by the time we meet on April 13th. The painting of the walls in the gym area should also be close to being done. One of the next steps in the gym will be having Ms. Wolta start painting the dragon design on the wall. Love signs will also be installing the video/scoreboards in the near future as well. Flooring for the restrooms and locker-room will be completed over the next four weeks.

Doug Wagner has warned the Building and Grounds committee that some of the work crews that are scheduled to install the basketball hoops, elevator and wood gym floor may be limited to staff concerns due to COVID #19.

Work on the exterior of the building is starting to progress as well. With sidewalks on the west side of the building and the lower retaining wall being installed to the north side of the block. Brick is also being added to the east side of the gym.

Doug felt that we should be looking at a final punch list in August. Exciting times ahead for Madison Public Schools

Listed below is information that the buildings and grounds committee has requested for possible change orders:

- Gym Raised Deck flooring
- Alternate Commons flooring
- 4- Fire Speaker Strobes
- 1- Fire Strobe

○ Staffing update:

- PK3: Rachel Harrimon
- 1st Grade: Erin Mackey
- AG/FFA Education: Kara Phillips
- FCS: Aly Jurgensmeier
- Special Education: Samantha Jacobson
- Dragon Childcare Teacher: Mariela Millian
- AD/IT: Landonn Mackey

- Below are the tentative dates establish for seeking proposals for food Management companies.

1/30/2020 RFP placed in the Newspaper (Completed)
2/17/2020 Onsite Proposal meeting with Food Service Companies
4/1/2020 Deadline to receive proposals
4/8/2020 Committee scores proposals
4/8/2020 Submit selected FSMC proposals to NDE
 4/13/2020 Board will consider approval of a contract
 4/14/2020 Let FSMC approve the contract

Please keep in mind if the numbers do not make sense for Madison to make a change you are not required to accept a bid.

- To stay current on our tech, plan this summer is the year we planned to use REAP grant funds to update computers for our office staff. I Plan to get more detailed information on a bid from Apple for our May meeting. Also, during the 2021-2022 school year the need to update or change devices for students in 9-12 will again be up for consideration. We have held talks with staff about looking to move to either iPad or Chromebooks for students in grades 9-12 in the future. Our kids learning needs have changed and this might also allow us to stay updated using a less expensive device. I just wanted to keep you in the loop about these conversations at this point. I told Mr. Crilly that we would take the 2020-2021 school year to evaluate might be the best approach and recommend an option in May of 2021.
- On the Agenda this month is a resolution to allow the Superintendent to set Graduation dates and establish grading. At this time state officials are encouraging schools to wait and see before sitting a date for graduation. Mr. Crilly has suggested that we consider the date of Saturday July 18th. I can see this going both ways if we have parents book places to hold family get togethers and they need to change dates they might become upset again. No easy answer on this one.
- Reminder that we have scheduled a Board Work Session on May 18th from 6:00-9:00 pm. I suggest we take a wait and see on the Work Session as it would be nice to hold in person if we can.
- Mrs. Kush has been in contact with teachers to visit with them about recommended room changes to help create a space for the Little Dragons Childcare. After taking time to measure and walk through rooms the recommended plan will have us placing students in PK-1 in the six classrooms west of the office area. The Little Dragons Childcare will be located in the current PK- 3 classroom to provide easy access for parents to the front door. We are recommending this as the best long-term fit. To make such a move the time seems right as we do not currently have students in the building. Please refer to Mrs. Kush's board report for additional details.
- Denise has started some groundwork to apply for a Monsanto grant for a Plasma Cutting table. If we receive a grant it would fund about half of the project. District funds would be needed to fund the remaining amount. Before we spend additional time working on the grant, I wanted to gather your feedback on going forward to apply for the grant.

- I have completed the starting process of a FEMA application if the school should qualify for funds to help pay for items caused by COVID #19. We are also tracking expenses caused by this situation. After working with FEMA in the past, I would project very little funding coming our way, but I felt I should at least put the district in a good position in case it might help out.

Financial Notes — Madison Public Schools

- **Financial guarantee for a Food Service Fund surplus**
 - We project a surplus of \$27,000 from operations to cover other district direct-paid expenses of district employees, repair, depreciation, future equipment replacement, etc.
 - After district expenses, such as repair, cashier salaries etc., our financial model shows a positive outcome of \$3,441. There would be no need to transfer funds from the general fund to cover expenses, assuming the district information that was provided is accurate.
 - *See the Projected Operating Statement in this tab of the proposal*
- **Increasing fruits and vegetables offered and consumed each day also increases cost**
 - Unlimited fruits and veggies with 8-10 choices provided every day
 - Food costs are reflected in Lunchtime's proposed lunch price
 - These costs are also reflected in your net financial outcome
 - A key decision for your district — better nutrition for your students and the cost of that
- **Labor costs are based on the needs to run our program**
 - Lunchtime Solutions wage rates would be on par with district employees
 - Lunchtime Solutions will provide a wage increase for SY20-21 for all employees
- **Food Service Director**
 - Currently, Lunchtime Solutions does not have a food service director available that could be shared with Madison Public Schools. The proposed fixed price is based off a full-time Food Service Director that will be on site daily during the school year.
 - In the event a director position in the area could become a shared position, we would be willing to look at reducing the fixed price to the district with approval from the administration and NDE.
- **Student lunch pricing for SY 2020-2021 increased by \$.10**
 - Projected outcome assumes a \$.10 PLE-based price adjustment
 - The district is responsible for setting the student lunch prices
 - Lunchtime Solutions will make recommendations and project outcomes based on student pricing, any of which can be modified based on district decisions
- **Ongoing financial reporting and guidance**
 - Monthly Financial Reporting to the District — Lunchtime Solutions will provide the district with the following:
 - Monthly billing worksheet and reconciliation to the State Claims for Reimbursement
 - Participation charts for Breakfast and Lunch
 - Estimated District Financial Statement (accrual basis)
 - *See Sub-Section/Tab 6: Accounting and Reporting of the proposal*
 - Annual Planning: Lunchtime Solutions will prepare an annual budget of the foodservice program and present to the district by May 1 for the upcoming school year

WHEREAS, the school district has been closed for the remainder of the 2019-20 school year and possibly beyond based on the statewide outbreak of COVID-19; and

WHEREAS, the school district wishes to address various educational matters and school activities impacted by the current circumstances;

NOW, THEREFORE, be it resolved that the following shall supersede any board policy for the remainder of the 2019-20 school year:

2. The Superintendent of Schools is authorized in his or her sole and unfettered discretion to determine how the district will calculate students' grades for purposes of grade point average, class rank, and similar matters for the academic experiences students have during the time that the school is closed to students.

CONCERNS/GRIEVANCES of STUDENTS, PARENTS, OR PATRONS

The school encourages communication about concerns or grievances. We welcome personal contact with the concerned individuals. If after a personal meeting, the students, parents and/or patrons are not satisfied by the explanation of the teacher, activity sponsor and/or administrators, a formal grievance can be filed.

Below is a brief description of the Madison Board of Education grievance procedure.

The complaint or criticism must be submitted in writing on forms provided by the building principal. The complaint must be signed by the complainant and turned in to the building principal. The written complaint, as well as all responses (in writing), needs to accompany the complaint all the way through the process.

The school administrator, after review of the written complaint, shall arrange a meeting date, which is mutually convenient to all parties involved. At this time, the parties shall address the nature of the grievance, complaint or criticism, and suggestions for improvement or remedial action will be discussed.

In the event the grievance, complaint, or criticism is not resolved to the satisfaction of all parties involved, they may appeal, in writing, to the superintendent of schools. The original complaint form shall follow the complaint to the succeeding level of consideration.

If the party is not satisfied with the response of the superintendent, said party may address a written appeal to the grievance committee of the

Board of Education, which will be filed with the secretary of the Board of Education.

A meeting will be scheduled with the Board of Education. The decision of the Board of Education will be final.

In the event the grievance, complaint and/or criticism is directly related to the Board of Education, or the superintendent's office, it should be submitted in writing to the superintendent of schools.

The entire grievance policy can be obtained at the Madison Middle and High School offices and at the Madison Elementary School during business hours.

Eligibility Timeline: All consequences and timelines refer to a student's 3-year middle school career or 4-year high school career. Student eligibility under this regulation will begin anew upon the student's enrollment in grade 9.

Eligibility Reinstatement for Students Participating in School Activities: Any student suspended a second time from publicly representing the school through this regulation who successfully completes all requirements of any diversion or probation program, pays any fines, complies with all recommendations of counseling and/or drug/alcohol evaluations, and completes 20 hours of approved community service may reduce the second suspension by up to 14 days. Any student suspended a third or fourth time from publicly representing the school through this regulation who successfully completes all requirements of any diversion or probation program, pays any fines, complies with all recommendations of counseling and/or drug/alcohol evaluations, and completes 60 hours of approved community service may reduce the third or fourth suspension by up to 90 days. This process of buying back suspension time may be repeated. Any days suspended through this provision shall be deducted from the end of the suspension period.

Community service hours specified in the suspension buyback provision shall meet each of these criteria:

1. Must be apart from MHS service learning hours and apart from any community service hours assigned by the legal system;
2. Must be approved in advance by any two of the following: A.D., principal or superintendent; and,
3. Must be documented in writing by the supervisor at the location where the student is working.

Once the community service hours have been completed, the student may submit a buyback request to the Activities Director or Athletic Director, who will then form a committee to consider the request.

The Activities Director or Athletic Director shall have the responsibility to select members of this committee and will select one committee member from each of the following groups: board of education, administration, staff, activity sponsors, and any other representative(s) deemed appropriate. It will be the student's responsibility to demonstrate a positive change in attitude and actions through his/her records of attendance, conduct, grades, and community activities to the appointed committee. This committee will consider the above items as well as teacher and administrative recommendations, school attendance, conduct, grades, any other legal issues/problems, etc. when determining possible reduction suspension (attendance and/or participation) time. The length of reduction (if any) will be left to the discretion of the Committee.

STANDARDTM RESPONSE PROTOCOL

STUDENT SAFETY

A critical ingredient in the safe school recipe is the classroom response to an incident at school.

Weather events, fire, accidents, intruders and other threats to student safety are scenarios that are planned and trained for by students, teachers, staff and administration.

SRP

Our school is expanding the safety program to include the Standard Response Protocol (SRP). The SRP is based on these four actions. Lockout, Lockdown, Evacuate

and Shelter. In the event of an emergency, the action and appropriate direction will be called on the PA.

LOCKOUT - "Secure the Perimeter"

LOCKDOWN - "Locks, Lights, Out of Sight" **EVACUATE** - "To the Announced Location" **SHELTER** - "For a Hazard Using a Safety Strategy"

TRAINING

Please take a moment to review these actions. Students and staff will be trained, and the school will drill these actions over the course of the school year.
