## New Gym bleacher options for discussion 10-1-2020

**Option #1** southeast corner – Build a ladder for the video mezzanine estimated cost \$1580.00

Build a platform and rail for the northeast corner with an estimated cost of \$942.00

Total cost \$2,522.00 split 3 ways (Michael, DWB & MPS) = \$840.66 each

Sheridan Bleachers supplies 4 curtains as a cost of \$2275.00 and DWB installs at n/c to the District.

**Option #2** Build a non-code permanent stairs on each side with an estimated cost of \$20,000+

Sheridan supplies two curtains for the west side of each bleacher and pays \$1137.00 toward the steps.

The cost would be too high and the steps would not be legal. If forced to remove at a later time would damage the wood floor would cost more.

Notes:

Reasons to not move the bleachers over:

- The aisles were designed to match the location of the gym windows.
- A smaller gap would still remain between the bleachers and the walls.
- Estimated labor cost would be over the \$10,000.
- Good chance it would cause more damage to the floor.

Option # 1

\$ 1,580.00
