Dear Wausa Public Schools Board of Education:

This letter is to inform you of my pending retirement at the end of the 2021-22 school year. I plan to make May 31, 2022 my last day depending on having all my ducks in a row.

It has been an honor and a pleasure to serve you as a custodian for the last two school years. Of all my professional experiences and adventures, this has been one of the most enjoyable jobs I've had. You should be proud of having such a nice facility and a professional and competent staff of administrators, teachers, para professionals, and technical support, maintenance and kitchen staff. Being a former Board member is one thing, but seeing these people work so well together for the sake of our children on a daily basis is, indeed, inspiring and eye opening. They work tirelessly, and could be doing other jobs that would pay more for their services. They are truly dedicated.

I wish Wausa Public Schools and the Board the best in the future. Be grateful for what you have and proud of what you have accomplished.

Sincerely,

A handwritten signature in black ink, appearing to read "Terry L. Johnson", with a long horizontal flourish extending to the right.

WPS Superintendent Report
Board of Education
February 21st, 2022

1. Committee meetings: I need to meet with the building and grounds committee within the next several weeks (Mike, Brian, Mark). I'll send you some information.
2. Cares Act ESSER III Moneys: I am working on curriculum updates (including the one you just looked at) to cover the 33,000.00 in ESSER III moneys.
3. Personnel
I will advertise for TJ's position this week. We have been advertising for music, and have applicants. We will be interviewing for that position soon.
4. Elementary Happenings-
We will have completed our MTSS (Multi-Tiered Systems of Support) teacher workday for PK-4 on Feb. 18th. We will be working on IRIP's Walk to read scheduling, HAL updates, a data retreat, and NSCAS updates along with proctor trainings. Mrs. Boyle just completed CRP training at Council Bluffs, which she felt was very helpful with some of her students. We did our Title I Read Your Heart Out on Valentine's Day, and our turnout for this was spectacular. I want to thank Mrs. Clausen for all of her hard work in completing this day. It was phenomenal. We are also getting ready for PT Conferences, which will happen in next month.
5. Master Calendar Approval-
I will have the master calendar, ready to approve in March.
6. Other Areas (Building & Grounds/transportation/planning)
 - a. Bob Soukup (CWP Architects) came in and worked with me on updates to our fire coding (hallways/stairwells) and we should be getting that project out to bid this week.
 - b. I am meeting with the CM (construction manager) for the playground, to see where would be the best fit for the playground to be located as far as slope and drainage is concerned.
 - c. We got the Department of Environment and energy grant for the bus rebate, so I am currently working with the bus company as well as the DEE to finalize production and reimbursement for a new route bus.
 - d. We need to set a strategic planning full board meeting before the next regular March Meeting. We will discuss this during the discussion portion of our board agenda.

Principals Report
BOE Meeting
February 21, 2022

FBLA Week: Mrs. Friedrich and the FBLA kids are celebrating FBLA week 2/14-2/18. Mrs. Friedrich has developed a nationally recognized group of future business leaders. They do a tremendous amount of work in community outreach, volunteering, and fundraising for needy organizations. This past month they raised money for the American Heart Association which has probably affected all of us in some way. If you see Mrs. Friedrich or any of the FBLA students please congratulate them for being excellent representatives of our school.

MAPS Test: Grades 9-11 have completed MAPS testing and grades 5-8 along with the elementary will be finished this week. Elementary teachers had a data day on 2/18, and I met with grades 5-6 teachers that day as well to discuss scores. A more detailed report will be provided at a later time but the early snapshot shows growth in all areas with highlighted growth in Math and Science.

Grade	ACT22	NSCAS-OT
5	60%	72%
6	33%	56%
7	46%	61%
8	56%	78%
9	28%	60% of students above National MAPS Average
10	29%	58% of students above National MAPS Average
11		75% of students above National MAPS Average

Clausen Fundraiser: The Wausa Student Council organized a fund raiser for the Clausen family of Pierce who were tragically affected by a house fire. All school members were encouraged to wear Blue on February 4th and a free will donation was accepted. The school raised \$2153 in one day for the family. That is an average of nearly \$10 per student, an amazing accomplishment and something we should be very proud of as a community.

Teacher Evaluations: Staff evaluations are complete (almost) for the year. In the past year we have revamped our evaluation tool and done a better job of communicating our instructional model with teachers. This has helped us create a common language and expectations of the basics in what we will be looking for as we evaluate. This has made the post evaluation conversations go much smoother and the coaching of teachers to make more sense in what is expected of our staff.
