The concept behind having a school clinic is to allow students, parents and teachers to seek affordable medical care without leaving the district. The Board will need to make a motion that would allow the district to be assessed and qualify for a clinic. Once approved, the Board would need to provide space for the clinic and the Bedlam organization will provide a doctor, nurse, social worker and all equipment for the clinic. Sapulpa students study with famous artist

4 students attend Summer Arts Institute

LONE WOLF — Sapulpa students Matt Barnes, Valerie Holly, Bridget Lawrence and Chantalle Meecham are studying with an *X-Men* star, Ansel Adams' protégé, and many more award-winning artists at the Oklahoma Summer Arts Institute at Quartz Mountain (O S A I) .

This two-week, residential academy provides intensive training for Oklahoma high school students in the visual, literary and performing arts.

"I am excited to go and make new friends...and most importantly to enjoy the environment that I will be in," said Barnes, an OSAI choral music student. Barnes is a recent graduate of Sapulpa High School.

Over the past 31 summers, many famous artists have taught at OSAI, including recipients of the Academy, Emmy, Grammy and Tony Awards. This year's faculty artists include actress Janke Janssen of Los Angeles and photographer Huntington Witherill of Monterey, Calif. Janssen has starred in all three *X-Men* movies and was a "Bond girl" in the megahit *GoldenEye*. She has starred in numerous other films opposite such renowned actors as Liam Neeson, Sir Ian McKellen, Halle Berry, Robert De Niro, and many more.

Witherill is a legend in the field of photography, having studied with Ansel Adams and many other famous photographers.

With over 90 exhibitions

and two photography books to his credit, Witherill was named "Artist of the Year" by the Center for Photographic Art.

"This opportunity to study with some of the nation's finest artists can be a life-changing experience," said Julie Cohen, Oklahoma Arts Institute president. "We are thrilled to have Sapulpa represented by these very talented students at the 2008 Summer Arts Institute."

The OSAI schedule is intense. Sapulpa students study a chosen discipline for at least six hours a day, and in the evenings attend a variety of performances, lectures, and demonstrations in all of the fine arts. Sapulpa students are part of an elite group of 275 Oklahoma high school students chosen for the prestigious program through competitive statewide auditions out of a pool of almost 1,100 applicants.

"I look forward to another great year of working with such talented people," said Meecham, an OSAI orchestra student who has attended OSAI in the past. "OSAI has had a huge impact on my life and has made me strive to be the best musician I can be." Meecham is a recent graduate of Westfall Christian Institute.

In conjunction with their acceptance, Sapulpa students received full scholarships to OSAI. Their scholarships were provided by the Oklahoma State Department of Education, Kathleen Patton Westly Foundation, Better

Days Foundation, and George Kaiser Family Foundation. Additional funding provided by the Oklahoma Arts Council, the Oklahoma State Department of Tourism and Recreation, the Helmerich Foundation, the Kirkpatrick Family Fund, and the Samuel Roberts Noble Foundation.

OSAI culminates in ONSTAGE Weekend, June 27 and 28. The weekend consists of concerts, performances, film screenings and exhibi-

tions where every OSAI student has a chance to display their work. All events are free and open to the public, and a performance schedule is available at www.oaiquartz.org or (405) 321-9000.

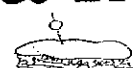

OSAI is administered by the Oklahoma Arts Institute, a private, non-profit organization established in 1977 with a vision to cultivate established and emerging artists and educators through art workshops, immersion and awareness.

RE: Gas & Diesel Cost

It is recommended that we continue using Clark Oil Distributors as our gas and diesel fuel vendor for the school district vehicles. Unleaded gasoline with ethanol blend will be at .4500 cents less per gallon than posted self service pump price. Diesel fuel is .4200 cents less per gallon than the posted self service pump price.

Hot Dog Buns, sliced, 6" length. Package of 16	12 ct \$1.05 (\$1.40/16)	12 buns \$1.50	\$1.40
Hoagie Bun or Submarine Bun or Philly Style bun, sliced 7½ to 8" length. Package of 24	6 count-6" \$.87	6 count \$1.50	6 count \$1.05
Kaiser Roll, Round swirl top bun. Sliced 4½" diameter, package of 12	\$2.10	\$1.65	\$1.45

Sliced bread, white and wheat, and hamburger buns, wheat and white, are the largest purchases made by Child Nutrition Services. Earthgrains is the lowest bidder over all, when actual usage (April 2008) was calculated. The bid requires bread racks be provided, and Flowers does not supply bread racks. Flowers also would not guarantee bread delivery for same day usage.

I recommend Earthgrains be awarded the Bread bid.

I recommend the bid be awarded to Hiland.

Re: Pizza Bids

Bids to provide ready to serve Pizza products to Sapulpa Public Schools (specifically the High School) were opened on June 20, 2008 with the following results.

Item Description	Mazzios	Papa Johns
Pepperoni Pizza	\$5.75	\$5.75
Sausage Pizza	\$5.75	\$5.75
Cheese Pizza	\$5.75	\$5.75

While the bids appear equal, Papa John's bid did not meet the minimum required for protein. Papa Johns bid only reflected 6.5 oz of cheese per pizza, and an additional 2.5 oz of pepperoni or sausage. Because the pizza is served as part of the National School Lunch Program, the protein for each slice must equal at least 2 oz meat/meat alternate. The pizza is cut into 8 slices, so the Papa Johns Pizza does not meet the requirements for the National School Lunch Program.

I recommend the bid be awarded to Mazzios. Mazzios has been the successful bidder for a number of years, and provides an excellent product and service.

AGREEMENT SAPULPA SCHOOLS AND BETHESDA

This Agreement is made this 9 day of June, 2008, by and between Independent School District Number 1033 of Creek County, Oklahoma, a public corporation; hereinafter call the "Sapulpa School District" or "District", and Bethesda Family Services Foundation, hereinafter called "BFSF".

RECITALS:

BFSF operates one private residential treatment program for girls within the Sapulpa School District's boundaries. BFSF desires to obtain educational services for qualified residential students participating in BFSF's program. The Sapulpa School District desires to provide educational services to qualified residential students requiring homebound instruction participating in BFSF's program.

THEREFORE, The parties agree as follows:

1. The Sapulpa School District agrees to provide educational services at one BFSF location to all qualified residential students for whom a homebound placement is determined to be the least restrictive environment, "provided, however, that BFSF has met all requirements at its expense for occupancy of such location for the purposes covered by this Agreement by any governmental agency as may be required, such as zoning, building permits, building codes, etc. BFSF shall provide District with proof of such compliance upon request."
2. For purposes of this Agreement, the term "qualified residential student" shall mean students residing at BFSF who have been determined by the Sapulpa School District to be:
 - * Children whose parents or guardian are legal residents of the Sapulpa School District.
 - * Other children who are determined to have a legal right to services.

No unqualified student will be permitted to participate in the educational services provided by the Sapulpa School District. It is the expectation of both parties to this Agreement that all qualified residential students to whom the Sapulpa School District provides educational services will be eligible for state aid and listed on the District's child count.

3. BFSF shall have the responsibility for establishing to the Sapulpa School District's satisfaction that each student is a qualified residential student in the BFSF program. If the Sapulpa School District determines that a student is not qualified to participate in the educational services provided by the Sapulpa school district, the Sapulpa School District will advise BFSF of its decision within five (5) working days after the Sapulpa School District obtains the necessary information from which to make the decision. BFSF will have five (5) working days thereafter to produce evidence to demonstrate to the Sapulpa School District that the student is a qualified residential student. The Sapulpa School District shall make the final determination as to whether a student is a qualified residential student and may deny educational services to any unqualified student.

4. Procedural safeguards shall be followed for eligible children with disabilities in accordance with the Individuals with Disabilities Education Act (IDEA), which includes the requirements for individualized education programs (where applicable) and placement in the least restrictive environment, and with Section 504 of the Rehabilitation Act. For students with disabilities who are not residents of the Sapulpa School District for school purposes, BFSF shall provide the Sapulpa School District with the current Individualized Education Program (IEP) or Individualized Accommodation Plan (IAP), if any, prepared by the student's school district of residence, prior to the student's admission to the Sapulpa School District program. The Sapulpa School District will review the student's records and, if appropriate, schedule an IEP or IAP meeting to review and/or revise the student's program or placement. The instructional program for each disabled student shall be in accordance with the provisions of his or her IEP or IAP as modified by the student's IEP or IAP team in the Sapulpa School District.

5. The Sapulpa School District will provide one (1) teacher to provide educational services to qualified residential students at the BFSF facility according to the District's regular school year calendar.

The Sapulpa School District will make every reasonable effort to provide a substitute to cover classes during the absence of a teacher assigned to BFSF and will assign substitutes, when available, in the same manner as substitutes are assigned in the Sapulpa School District's schools. The staff assigned to BFSF shall constitute a decision of the Sapulpa School District.

6. The Sapulpa School District shall complete all forms the State Department of Education requires concerning educational services at the BFSF program.

No later than June 30, BFSF will reimburse the Sapulpa School District for the difference between the state aid received by the Sapulpa School District for the qualified residential students in the BFSF program, net of chargeables, minus the cost of the salary and fringe benefits for the staff assigned to the BFSF program and cost of substitutes utilized by the District in the BFSF program. The rate applicable to substitutes shall be the same rate paid to substitute teachers by the Sapulpa School District and in accordance with Sapulpa School District's normal policies and procedures.

7. Staff supplied by the Sapulpa School District shall be evaluated by a Sapulpa School District administrator. The evaluation process shall include the input of BFSF's assigned representative. In particular, BFSF's assigned representative shall provide the Sapulpa School District's designee with information regarding the teacher's compliance with BFSF regulations. BFSF shall provide District with copies of all such regulations and amendments thereto during the term of this Agreement."

8. The Sapulpa School District shall provide textbooks to qualified residential students participating in the BFSF program using the same procedures the Sapulpa School District follows to provide textbooks to other students. BFSF will supply all other instructional materials, including but not limited to computers, workbooks, pens, pencils, erasers, paper and similar material. BFSF shall also be responsible for providing suitable and adequate classroom space at the BFSF site, which meets all licensure requirements of the Department of Human Services and other applicable local and state licensure requirements. BFSF will also be responsible for providing and maintaining all classroom

equipment including, but not limited to, student and teacher desks, chairs, chalkboards and similar equipment. Additionally, BFSF shall provide Sapulpa School District staff access to a copier and a typewriter and to the office equipment generally available to BFSF. BFSF will also provide two computers at the BFSF site that are accessible to the Sapulpa School District staff and qualified residential students. These computers are to be capable of linking by modem to the Sapulpa School District's student data system.

The Sapulpa School District shall assume the responsibility for the development and supervision of curriculum taught at BFSF.

9. BFSF and Sapulpa School District administrators will develop a discipline policy and procedure outlining suspension, time-out and detention procedures. At the Sapulpa School District's request, BFSF will remove disruptive students from the classroom. It is the responsibility of BFSF's to provide management for students assigned out-of-school suspension, time-out and detention procedures.
10. The teacher will record student enrollment, days on roll, student absence and withdrawals in accordance with Sapulpa School District board policy. This information will be provided to BFSF personnel upon request. BFSF agrees to provide adequate and suitable space for storage of student education records. BFSF students shall earn credit for classes in which they are enrolled in the same manner as other students within the Sapulpa School District.
11. BFSF personnel will promptly complete enrollment forms and other paperwork necessary for the District to secure financial reimbursement from the State of Oklahoma and other sources. BFSF agrees to abide by all the rules and regulations issued by the State Department of Education related to certification of the residency of students and their attendance in the Sapulpa School District's educational program.
12. BFSF agrees to abide by all rules and regulations issued by the Oklahoma State Department of Education and the policies, rules and regulations of the Sapulpa School District. BFSF shall certify the residence of all students to the Sapulpa School District and shall take any steps necessary to assure attendance of residents at the daytime educational program provided by the Sapulpa School District.
13. Sapulpa School District personnel will comply with requirements of state and federal law and District policy concerning student education records. The District will use the State of Oklahoma Standard Form... Consent for Release of Confidential Information, when appropriate, to expedite exchange of records.
14. The Sapulpa School District shall have no responsibility for directly or indirectly financing any BFSF programs or services.
15. Prior to the commencement of educational services at BFSF under this Agreement, BFSF agrees to furnish the Sapulpa School District with a certificate of public liability insurance coverage, naming the Sapulpa School District as a co-insured, in minimum amounts of \$25,000 to any claimant for any number of claims for damages to or destruction of property, including consequential damages, arising out of a single accident or occurrence, \$100,000 to any claimant for any number of claims arising out of a single accident or occurrence. The certificate shall require at least ten (10) days' notice to the

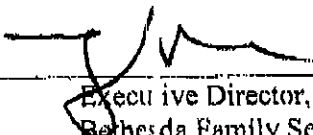

Sapulpa School District before cancellation of the coverage for any reason. BFSF agrees to maintain said liability / coverage in force during the entire term of this Agreement.

- 16. In addition to such insurance, and not in lieu thereof, BFSF agrees to indemnify and hold the Sapulpa School District, its agents, employees and officers harmless against any claim, demand or action (including defense costs) against the Sapulpa School District, arising from or growing out of the BFSF program or facilities or services provided pursuant to this Agreement.
- 17. The term of this Agreement shall begin on the first day of school of the 2007-2008 school year following the parties' execution of this Agreement, and shall terminate on the last day of the fourth quarter of the same school year. This Agreement may be terminated, with or without cause by either party, upon thirty (30) days' written notice to the other; however, in the event BFSF terminated the Agreement prior to the last day of the fourth quarter of the school year, BFSF shall reimburse the Sapulpa School District for the cost of educational services, including staff salaries and fringe benefits, the Sapulpa School District incurs for the BFSF program for which it is not reimbursed from other sources. However, should BFSF's contract with the office of Juvenile Affairs be terminated prior to the last day of the fourth quarter of the school year, for reasons other than BFSF's negligence or nonperformance, BFSF shall not be responsible for reimbursing Sapulpa School District for the costs of educational services.
- 18. This Agreement constitutes the entire agreement between the parties hereto, and may not be modified, altered or revised except upon another subsequent writing signed by both parties. It shall be construed according to the laws of the State of Oklahoma and shall inure to the benefit of their heirs, successors and assigns of the parties hereto. "It shall be construed according to the laws of the State of Oklahoma and shall inure to the benefit of the successors and assigns of the parties hereto, provided, however, that this Agreement may not be assigned to a third party without the express written consent of the other party to this Agreement."

**AGREEMENT TO PERFORM
ACCOUNTS PAYABLE RECOVERY SERVICES**

This Agreement specifies the terms pursuant to which **Disbursement Review, LLC** (“**DR**”) will conduct a review of procurement and accounts payable transactions, including a vendor statement review for the **Sapulpa Public Schools** (“**Client**”) for fiscal period ending June 30, 2008 and prior, on a contingency fee basis as outlined below.

1. **Services Provided by DR.** DR will provide the following services:
 - a) Examine Client’s historical Accounts Payable transactions at DR’s expense to determine whether or not and to what extent overpayments and/or under deductions have been made which have not been identified by Client.
 - b) Collect supplier credit memos, collect supplier checks, or prepare supplier charge backs and submit them with supporting documentation to Client’s Accounts Payable Manager (or whomever else Client designates) for verification and processing. In all cases, Client shall determine which vendors and any related charge backs DR may pursue. DR shall conduct its activities in accordance with all state, local and federal guidelines, regulations and laws.
 - c) DR will develop a claim schedule format (to be approved by Client) for use during the recovery collection process. DR agrees to modify the format at any time at the request of the Client.
 - d) If required, DR agrees to prepare and deliver a presentation to the Procurement organization at the inception of the review, or at such other time as approved by Client, to educate them on the post audit process. DR will also provide update reporting to designated Client personnel during the review on a schedule mutually agreed upon between Client and DR.
 - e) DR will promptly handle any questions or correspondence of vendors relative to any charge backs issued as part of this Agreement. Inquiries will be handled in a professional manner to maintain good business relationships between Client and its vendors.

- c) Client confirms that any self audit program has been completed for the time period covered by the scope of DR's review as provided in this Agreement. Nothing set forth in this Agreement shall be deemed or construed to preclude or prevent Client in any way from continuing such internal audit procedures and efforts in the future. No representations or warranties have been made by Client to DR as to the magnitude of claims, if any, that remain uncollected following Client's internal review.

- 3. **Fees.** DR's fee for its services will be a percentage (as outlined in the tables below) of the recovered monies (or credits received) from overpayments and/or under-deductions discovered by DR. DR's fee will be calculated on recovered monies collected (including credits issued by Client's vendors) less any paybacks and adjustments (if any) that may have occurred.

Collected Recoveries	Sapulpa Public Schools Share	Disbursement Review, LLC Fee Rate
All	50%	50%

In all cases DR shall provide a detailed summary of its collections, paybacks and adjustments (if any) to Client with appropriate backup documentation if requested by Client. DR will be entitled to the fee set forth above with respect to all monies collected (or credits received) following the termination of this Agreement with respect to DR's efforts while this Agreement is in effect. DR shall remit to Client any fees that were already paid to DR related to a reversed or canceled claim (if any) within ten (10) days of such determination.

4. **Term.** This Agreement shall commence on the date hereof and will renew each successive year on the anniversary date, unless earlier terminated by either party at any time upon thirty (30) days advance written notice to the other party.
