ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Instructure, Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree" button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent" form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

To request paper copies from Instructure, Inc.

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to ashley@instructure.com and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Instructure, Inc.

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- ii. send us an e-mail to ashley@instructure.com and in the body of such request you must state your e-mail, full name, IS Postal Address, telephone number, and account number. 10. Confidential & Proprietary Information. For purposes of this Section, a Party receiving Confidential & Proprietary Information (as defined below) shall be the "Recipient" and the Party disclosing such information shall be the "Discloser."

(a) Acknowledgment. Customer hereby acknowledges that the Service (including any Documentation, source code, translations, compilations, partial copies, and derivative works used in connection with the Services) is provided using confidential and proprietary information belonging exclusively to SylogistEd, Inc. or its third-party licensor (as appropriate), and SylogistEd, Inc. hereby acknowledges that Customer Data contains confidential and proprietary information belonging exclusively to Customer or relating to its affairs (in each case, "Confidential & Proprietary Information").

Confidential & Proprietary Information does not include: (i) information already known or independently developed by Recipient outside the scope of this relationship by personnel not having access to any Confidential & Proprietary Information; (ii) information in the public domain through no wrongful act of Recipient, or (iii) information received by Recipient from a third-party who was free to disclose it.

(b) Covenant. Recipient hereby agrees that during the Term and at all times thereafter it shall not use, commercialize, or disclose such Confidential & Proprietary Information of the Discloser to any person or entity, except to its own employees and agents having a "need to know" (and who themselves are bound by similar nondisclosure restrictions), and to such other recipients as the Discloser may approve in writing; provided that all such recipients shall have first executed a confidentiality agreement in a form acceptable to Discloser. Recipient shall not: (i) alter or remove from any Confidential & Proprietary Information of the Discloser any proprietary legend, or (ii) decompile, disassemble, or reverse engineer the Confidential & Proprietary Information (and any information derived in violation of such covenant shall automatically be deemed Confidential & Proprietary Information owned exclusively by the Discloser). Recipient shall use at least the same degree of care in safeguarding the Confidential & Proprietary Information of the Discloser as it uses in safeguarding its own confidential information, but in any event at least reasonable care. Upon termination or expiration of this Agreement, and regardless of whether a dispute may exist, Recipient shall, upon request by Discloser, return or destroy (as instructed by Discloser) all Confidential & Proprietary Information of Discloser in its possession or control and cease all further use thereof.

(c) Injunctive Relief. Recipient acknowledges that violation of the provisions of this Section would cause irreparable harm to Discloser not adequately compensable by monetary damages. In addition to other relief, it is agreed that injunctive relief shall be available without necessity of posting bond to prevent any actual or threatened violation of such provisions.

11. Notices. Notices sent to either Party shall be effective when delivered in person or transmitted electronically, one (1) day after being sent by overnight

courier, two (2) days after being sent by first class mail postage prepaid to a physical address provided by the Customer, or five (5) days after being sent by email from SylogistEd, Inc. to the address in the Customer account. A copy of this Agreement and notices generated in good form shall be treated as "original" documents admissible into evidence unless a document's authenticity is genuinely placed in question.

- 12. Survival. Termination shall have no effect on the Parties' rights or obligations under Section 8 ("Privacy and Personal Information"); Section 10 ("Confidential & Proprietary Information"), Section 13 ("Independent Contractor Status"), any payment obligations or any provision which by its nature should survive.
- 13. Independent Contractor Status. Each Party and its employees and agents are independent contractors in relation to the other Party with respect to all matters arising under this Agreement. Nothing herein shall be deemed to establish a partnership, joint venture, association, or employment relationship between the Parties. Each Party shall remain responsible and shall, as allowed by Oklahoma constitution or law, indemnify and hold harmless the other Party, for the withholding and payment of all federal, state and local personal income, wage, earnings, occupation, social security, worker's compensation, unemployment, sickness and disability insurance taxes, payroll levies, or employee benefit requirements now existing or hereafter enacted and attributable to themselves and their respective people.
- 14. Miscellaneous. This document and the documents incorporated herein constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all other communications, whether written or oral. SylogistEd, Inc. reserves all rights not specifically granted herein. Neither Party shall be liable for delays caused by events beyond its reasonable control, except non-payment of amounts due hereunder shall not be excused by this provision. Any provision hereof found by a tribunal of competent jurisdiction to be illegal or unenforceable shall be automatically conformed to the minimum requirements of law and all other provisions shall remain in full force and effect. Waiver of any provision hereof in one instance shall not preclude enforcement thereof on future occasions.

Commercial Pizza Bid Recommendation

Sapulpa Schools Board of Education,

SPS Child Nutrition Services opened the Commercial Pizza Bid on April 24, 2025 at 11:00am. Bids for commercial pizza delivery to SPS Middle School and Jr/Sr High School locations for school year 2025-26 were sent to Mazzio's, Domino's and Pizza Hut. A bid was received from Pizza Hut by the deadline and the other businesses did not respond.

Pizza Hut provides a National School Lunch Program (NSLP) compliant product that won hands down in a pizza tasting at the Jr/Sr High School in March 2025. Pizza Hut provided a bid of \$8.00 per delivered pizza. The price of \$1.00 per slice is comparable to similar products available through our prime vendor and our students prefer the Pizza Hut pizza over the others.

SPS Child Nutrition Services would like to recommend Pizza Hut as our vendor for delivering commercial pizza for school year 2025-26 with the option to renew for up to three (1) year terms.

Regards,

Hayley Holmes

ENGAGEMENT LETTER

May 5, 2025

Sapulpa Public Schools
511 East Lee
Sapulpa, OK 74066

RE: Financial Advisory Services Provided to the Sapulpa School District

The purpose of this Engagement Letter (the “Letter”) is to set forth the role BOK Financial Securities, Inc. (“BOKFS”) proposes to serve and the responsibilities BOKFS proposes to assume as financial advisor to the Sapulpa School District (the “Issuer”). Upon Issuer’s acceptance, this Letter will serve as our mutual agreement with respect to the terms and conditions of our engagement as Issuer’s financial advisor, effective on the date this Letter is executed by Issuer (the “Effective Date”).

1. Scope of Services. BOKFS will provide, on an on-going basis, professional financial advisory services to the Issuer on any financial matters, including but not limited to the issuance and term of new debt (“Issue” or “Issues”), primarily general obligation bonds. BOKFS will assist the Issuer with each of the following tasks associated with the planning, structuring, marketing, pricing, and closing of the proposed financing(s).

- (a) The Services shall be limited to the services described in **Appendix A** (the “Scope of Services”).
- (b) Except as otherwise provided in the Scope of Services, BOKFS shall not be responsible for certifying as to the accuracy or completeness of any preliminary or final official statement, other than with respect to any information about BOKFS provided by BOKFS for inclusion in such documents.
- (c) The Scope of Services does not (i) include tax, legal, accounting or engineering advice with respect to any Issue, Product or opinion or certificate rendered by counsel or other person at closing, or (ii) include review or advice with respect to any feasibility study, except, in either case, as may be prepared by BOKFS as provided for in the Scope of Services.
- (d) Issuer agrees not to represent, publicly or to any specific person, that BOKFS is Issuer’s independent registered municipal advisor (“IRMA”) for purposes of SEC Rule 15Ba1-1(d)(3)(vi) (the “IRMA exemption”) without BOKFS’s prior written consent.
- (e) When BOKFS is designated by Issuer as its IRMA, BOKFS shall be Issuer’s IRMA solely with respect to the Scope of Services. BOKFS shall not be

responsible for verifying that it is independent (within the meaning of the IRMA exemption as interpreted by the SEC) from another party wishing to rely on the exemption from the definition of municipal advisor afforded under the IRMA exemption. Any reference to BOKFS, its personnel and its role as IRMA in Issuer's written representation contemplated under SEC Rule 15Ba1-1(d)(3)(vi)(B), shall be subject to prior approval by BOKFS.

2. BOKFS's Regulatory Obligations When Providing Services to Issuer.

- (a) MSRB Rule G-42 requires that BOKFS (i) make a reasonable inquiry as to the facts that are relevant to Issuer's determination whether to proceed with a course of action or that form the basis for any advice provided by BOKFS to Issuer, (ii) undertake a reasonable investigation to determine that BOKFS is not basing any recommendation on materially inaccurate or incomplete information, and (iii) use reasonable diligence to know the essential facts about Issuer and the authority of each person acting on Issuer's behalf.
- (b) Issuer agrees to cooperate, and to cause Issuer's agents to cooperate, with BOKFS in carrying out the foregoing requirements, including providing to BOKFS accurate and complete information and reasonable access to relevant documents, other information and personnel needed to fulfill such requirements. In addition, Issuer agrees that, to the extent Issuer requests BOKFS provide advice with regard to any recommendation made by a third party, Issuer will provide to BOKFS written direction to do so and all information Issuer has received from such third party relating to its recommendation.

3. Compensation. For the above services, the Issuer agrees to pay BOKFS the following:

For General Obligation bond issues:

- \$30,000 per General Obligation bond issue completed

The above fees are payable only upon a successful election, if applicable, and subsequent receipt of proceeds from the bonds. However, if your election is held and fails, and another election is called for the issuance of bonds within one year from this date, you hereby agree to employ us under the terms of this contract.

In addition to the above fees, you agree to pay or reimburse us for our payment of the following customary issuance expenses:

1. All Election Board Expenses, if applicable
2. Legal Publication Fees
3. Secretary of State Filing Fees
4. Official Statement Printing & Distribution
5. Credit Rating Agency Fees, if applicable
6. Overnight courier service charges associated with distribution of bond material

4. Term of this Engagement. This Agreement may be terminated with or without cause by either party upon the giving of at least thirty (30) days' prior written notice to the other party of its intention to terminate, specifying in such notice the effective date of such termination. If Issuer exercises its option to terminate this Agreement, Issuer agrees to reimburse BOKFS for any of the expenses described in

paragraph 3 advanced by BOKFS pursuant to paragraph 3 above and to pay BOKFS for its services rendered prior to such termination in a mutually acceptable amount which shall be negotiated in good faith between the parties.

5. Limitation on Liability. In the absence of willful misconduct, bad faith, gross negligence or reckless disregard of the obligations of BOKFS arising under this Letter:

- (a) The liability of BOKFS and its associated persons to Issuer for any act or omission in the course of, or connected with, rendering services hereunder, or for any error of judgment or mistake of law, shall be limited to the fees paid or otherwise due and payable under this Agreement; and,
- (b) BOKFS and its associated persons shall have no liability to Issuer for any other loss arising out of any issuance of municipal securities, any municipal financial product or any other investment, or for any financial or other damages resulting from Issuer's election to act or not to act, as the case may be, contrary to any advice or recommendation provided by BOKFS to Issuer; and,
- (c) No recourse shall be had against BOKFS for loss, damage, liability, cost or expense (whether direct, indirect or consequential) arising out of or in defending, prosecuting, negotiating or responding to any inquiry, questionnaire, audit, suit, action, or other proceeding brought or received from the Internal Revenue Service in connection with any Issue or Product or otherwise relating to the tax treatment of any Issue or Product, or in connection with any opinion or certificate rendered by counsel or any other party.

6. Required Disclosures. MSRB Rule G-42 requires that BOKFS provide Issuer with disclosures of material conflicts of interest and of information regarding certain legal events and disciplinary history. Such disclosures are provided in BOKFS's Disclosure Statement attached hereto as **Appendix B.**

7. Waiver of Jury Trial. EACH PARTY AGREES TO WAIVE ANY RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY CLAIM, COUNTERCLAIM OR ACTION ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE RELATIONSHIP BETWEEN THE PARTIES. PARTIES AGREE TO WAIVE CONSEQUENTIAL AND PUNITIVE DAMAGES.

9. Litigation Expenses. In any action brought by a party hereto to enforce the obligations of any other party hereto, the prevailing party shall be entitled to collect from the opposing party to such action such party's reasonable litigation costs and attorney's fees and expenses (including court costs, reasonable fees of accountants and experts, and other expenses incidental to the litigation).

10. Binding Effect; Assignment. This Agreement shall be binding upon and inure to the benefit of Issuer and BOKFS, their respective successors and permitted assigns; provided however, neither party may assign or transfer any of its rights or obligations hereunder without the prior written consent of the other party.

11. **Entire Agreement.** This instrument, including all appendices hereto, contains the entire agreement between the parties relating to the rights herein granted and obligations herein assumed. This Agreement may not be amended, supplemented or modified except by means of a written instrument executed by both parties. APPENDIX A SCOPE OF SERVICES

1. We shall prepare a written Financial Analysis based upon the capital improvement and other needs of the School District which shall include a survey of the financial resources of the School District. This document shall also contain an analysis of the existing debt and tax structure of all levels of government involved and compare this analysis to the projected debt. On the basis of information thus developed, we shall devise a financing program to fund the proposed maturities, the estimated interest rate and cost on the proposed bonds, the resulting overall amount of projected annual debt service and tax requirements, and the relationship of these items to existing corresponding projected items of the School District and other related levels of government.
2. We shall provide the following services relating to a bond election:
 - A. Provide the School District with information concerning the most advisable dates for holding an election to approve such issuance;
 - B. Provide the necessary Resolution to call for the election;
 - C. Provide for filing the necessary documentation with the County Election Board;
 - D. Assist in providing printed ballots for such election;
 - E. Arrange for proper legal notices to be published at the appropriate times regarding the notice of such election;
 - F. Appear at public meetings informing the public as to the use of bond proceeds and the effect on ad valorem taxes (if desired);
 - G. Assist in the formation of informational brochures discussing the items concerning the election such as taxes and use of proceeds (if desired);
 - H. Provide the County Election Board with the appropriate material to canvass the election returns; and
 - I. Assist in the analysis of and provide the School District with election results.
3. Upon approval by the voters of the School District, we shall undertake the following tasks:
 - A. We shall advise the Board of Education of current bond market conditions, forthcoming bond issues, and other general information and economic data that might normally be expected to influence interest rates or bidding conditions so that the date for the sale of the bonds may be set at a time which, in our opinion, would be favorable to the School District.
 - B. We shall assist the School District, if necessary, in the identification, evaluation, and negotiations with prospective paying agents, registrars and transfer agents.
 - C. We shall prepare an Official Notice of Sale that establishes the specifications for bidding; i.e. bond maturity and interest coupon arrangements, interest rate limitations, and other pertinent details.

- D. We shall also prepare a Preliminary Official Statement that describes the Bonds offered, including complete information as to the security for the Bonds, the School District and other pertinent details.
- E. We shall prepare a uniform Bid Form which would prevent deviation by any bidders when any such deviation would be costly to the issuing body.
- F. We shall submit to the national rating services or credit enhancement providers, an application necessary to obtain a rating or enhancement on the Bonds. If such service(s) are determined to be necessary for the most effective marketing of the bonds, we shall assist the School District with the following:
 - 1. Provide financial, economic and demographic information to such organizations for their review;
 - 2. Coordinate and negotiate with the rating agencies to obtain the highest possible rating for the Bonds.
- G. We shall prepare the necessary Resolution to set the date, time and place for the sale of the Bonds.
- H. We shall be present at the sale of bonds to aid the Board of Education in the tabulation and comparison of bids. We shall also advise the members of the Board of Education as to the bond market conditions at the time of the sale and the advisability of accepting or rejecting the bids submitted.
- I. We shall prepare the necessary Resolution to authorize the issuance of the Bonds.
- J. We shall prepare a final Official Statement that describes the Bonds offered, including complete information as to the security for the Bonds, the School District and other pertinent details for use by the successful bidder of the Bonds.
- K. We shall complete the necessary applications so that the bond issue can be bid electronically (via PARITY's Internet bond bidding system).
- L. Assuming a favorable interest rate is received and accepted by the School District, BOK Financial Securities, Inc., shall then proceed to take all steps necessary to expedite the preparation of all other documentation necessary to achieve delivery of the Bonds, including delivery of the Transcript of Proceedings to the Attorney General's Office.
- M. We shall work with the purchaser and the school district to effectuate the closing of the bond issue and the delivery of bond proceeds to the School District.
- 4. We shall advise the Board of Education and Administration on the investment of bond proceeds that would, in our opinion, allow the School District to benefit the most from the investment of said proceeds (if desired).
- 5. We shall advise the School District officials as to any pending legislation in the Oklahoma Legislature and the United States Congress which may have an effect upon the School District's proposed and existing indebtedness.

APPENDIX B DISCLOSURE STATEMENT

This Disclosure Statement is provided by BOK Financial Securities, Inc. (“BOKFS”) to the Sapulpa School District (the “Issuer”) in connection with the Engagement Letter (the “Letter”) and is dated as of the same date as the Letter.

Part A - Disclosures of Conflicts of Interest

MSRB Rule G-42 requires that municipal advisors provide to their clients disclosures relating to any actual or potential material conflicts of interests, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable.

Accordingly, BOKFS makes the following disclosures with respect to material conflicts of interest in connection with the Scope of Services, together with explanations of how BOKFS addresses or intends to manage or mitigate each conflict. To that end, with respect to all of the conflicts disclosed below, BOKFS mitigates such conflicts through its adherence to its fiduciary duty to Issuer, which includes a duty of loyalty. This duty of loyalty obligates BOKFS to deal honestly and with the utmost good faith with Issuer and to act in Issuer’s best interests without regard to BOKFS’s financial or other interests. Furthermore, because BOKFS is a broker-dealer, its financial advisory supervisory structure provides strong safeguards against individuals at BOKFS potentially departing from their regulatory duties due to personal interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

Affiliate Conflict. Any affiliate of BOKFS (the “Affiliate”) may provide certain advice, services and/or products to Issuer that may be directly related to BOKFS’s activities. The Affiliate’s business with Issuer could create an incentive for BOKFS to recommend to Issuer a course of action designed to increase the level of Issuer’s business activities with the Affiliate or to recommend against a course of action that would reduce or eliminate Issuer’s business activities with the Affiliate. This potential conflict is mitigated by the fact that Affiliate is subject to comprehensive regulatory review.

Compensation-Based Conflicts. If the fees due under the Engagement Letter are in a fixed amount established at the outset of the Engagement Letter. The amount is usually based upon an analysis by Issuer and BOKFS of, among other things, the expected duration and complexity of the transaction and the Scope of Services. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, BOKFS may suffer a loss. Thus, BOKFS may recommend less time-consuming alternatives. This conflict of interest is mitigated by the general mitigations described above.

Other Financial Advisor or Underwriting Relationships. BOKFS serves a wide variety of other clients that may have interests that could have an impact on Issuer’s interests. For example, BOKFS serves as financial advisor to other financial advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to Issuer under this Engagement Letter. These other clients may have competing interests. BOKFS could face a conflict of interest arising from these competing client interests. None of these other engagements or relationships would impair BOKFS’s ability to fulfill its regulatory duties to Issuer.

Municipal Activities with Other Issuer Financing Team Members. In the normal course of business, BOKFS may engage in municipal trading and underwriting activities with other members of the Issuer’s financing team, including but not limited to, bond counsel, underwriter’s counsel and bond underwriters. This may include BOKFS serving as a bond underwriter for a municipal issuer in which the Issuer’s bond counsel is serving as BOKFS’s counsel, an Issuer’s underwriter is serving as a municipal advisor and/or Issuer’s underwriter is serving as an underwriting syndicate member with BOKFS. Such a

situation could present a conflict as BOKFS and members of its financing team jointly participate, from time to time, in other municipal security transactions for compensation. None of these other engagements or relationships would impair BOKFS's ability to fulfill its regulatory duties to the Issuer and the potential conflicts of interest are mitigated as BOKFS relies upon the issuer to select its other financing team members, including bond counsel and bond underwriters.

Broker-Dealer and Investment Advisory Business. BOKFS is a broker-dealer and investment advisory firm that engages in a broad range of securities-related activities, in addition to serving as a financial advisor or underwriter. Such securities-related activities may be undertaken on behalf of, or as counterparty to, Issuer, Issuer's personnel, and current or potential investors in Issuer's securities. These other clients may have interests in conflict with Issuer's interests and the interests of such other clients could create the incentive for BOKFS to make recommendations to Issuer that could result in more advantageous pricing for the other clients. Furthermore, any potential conflict arising from BOKFS effecting or otherwise assisting such other clients in connection with such transactions is mitigated by means of such activities being engaged in on customary terms through units of BOKFS that operate independently from BOKFS's financial advisory business, thereby reducing the likelihood that the interests of such other clients would have an impact on the services provided by BOKFS to Issuer.

Secondary Market Transactions in Issuer's Securities. BOKFS may take a principal position in securities, including Issuer's securities, and therefore BOKFS could have interests in conflict with Issuer with respect to the value of Issuer's securities while held in inventory and the levels of mark-up or mark-down that may be available in connection with purchases and sales thereof. In particular, BOKFS or its affiliates may submit orders for and acquire Issuer's securities issued in an Issue under the Engagement Letter from members of the underwriting syndicate, either for its own account or for the accounts of its customers. This activity may result in a conflict of interest with Issuer in that it could create the incentive for BOKFS to make recommendations to Issuer that could result in more advantageous pricing of Issuer's securities in the marketplace. Any such conflict is mitigated by means of such activities being engaged in on customary terms through units of BOKFS that operate independently from BOKFS's financial advisory business, thereby reducing the likelihood that such investment activities would have an impact on the services provided by BOKFS to Issuer.

Related Disclosure Relevant to Client. While we do not believe that the following creates a conflict of interest on the part of BOKFS, we note that BOKFS has made charitable contributions to support community events. Client may wish to consider any impact such contribution may have on how it conducts its activities with BOKFS.

Payment to or from Third Parties. While we do not believe the following creates a conflict of interest on the part of BOKFS, we note that BOKF NA, an affiliate of BOKFS, has entered into an Independent Contract Agreement ("Agreement") with Dr. Joe Siano to provide consulting services related to bond election planning and community relations for Oklahoma school districts. Dr. Siano is also employed by the Oklahoma State School Boards Association with a focus on state education policy development. The District may wish to consider any impact the Agreement or Dr. Siano's employment may or may not have on the way BOKFS conducts its activities with the District.

Part B - Disclosures of Information Regarding Legal Events and Disciplinary History

MSRB Rule G-42 requires that municipal advisors provide to their clients certain disclosures of legal or disciplinary events material to the client's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel.

Accordingly, BOKFS sets out below required disclosures and related information in connection with such disclosures.

Material Legal or Disciplinary Event. Other than the disclosures summarized below, which may be material to the Issuer’s evaluation of BOKFS or the integrity of BOKFS’s management or advisory personnel there are no legal or disciplinary events that should be disclosed, on any Form MA or Form MA-I filed with the SEC.

June 18, 2015 – An order was issued against BOKFS by the U.S. Securities and Exchange Commission. The allegation were related to the due diligence conducted by the firm to establish a reasonable basis that certain material representations made by issuers in official statements connected with the offerings were accurate. The violations were self-reported by BOKFS pursuant to the SEC’s Municipalities Continuing Disclosure Cooperation (“MCDC”) Initiative.

October 21, 2015 – A regulatory action against BOKFS was resolved via an Acceptance, Waiver & Consent. The allegations were related to “fair and reasonable” pricing of corporate bond transaction.

March 11, 2019 – An order was issued against BOKFS by the U.S. Securities and Exchange Commission. The allegations were related to inadequate disclosure language in the firm’s ADV brochures regarding the selection of mutual fund share classes that contain 12b-1 fees when share classes that did not contain 12b-1 fees were potentially available. The violations were self-reported by BOKFS pursuant to the SEC’s Share Class Selection Disclosure (“SCSD”) Initiative.

December 3, 2024 – A regulatory action against BOKFS was resolved via an Acceptance, Waiver & Consent. The allegations were related to inaccurately reported transactions in TRACE-eligible securities that did not include mark-up, mark-down, or commission without the required no remuneration (NR) indicator. The Findings also stated that BOKFS failed to establish, maintain, and enforce a supervisory system reasonably designed to achieve compliance with FINRA 6730(D).

Details of the events disclosed above can be found in the firm’s Form MA available through the SEC’s EDGAR Filing System

(<https://www.sec.gov/edgar/searchedgar/companysearch.html>). Search for “BOK Financial Securities, Inc.” to view the firm’s most recent Form MA filing.

Future Supplemental Disclosures. As required by MSRB Rule G-42, this Section may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest, or to provide updated information with regard to any legal or disciplinary events of BOKFS. BOKFS will provide Issuer with any such supplement or amendment as it becomes available throughout the term of the Engagement Letter.

Part C - Disclosures of Information Related to MSRB Rule G-10

MSRB Rule G-10 requires disclosure of the following:

1. BOK Financial Securities, Inc. (“BOKFS”) is registered with the Securities Exchange Commission (“SEC”) and the MSRB.
2. The MSRB’s website address is www.msrb.org.
3. The MSRB’s “Information for Municipal Advisory Clients” brochure describes the protections that may be provided by the MSRB and how to file a complaint with the appropriate regulatory authority. That brochure can be found at the following web address:
