2. **SUPERINTENDENT'S REPORT**

- Bond Update
- TIF 2 Update
- Building Permit Waiver Update
- BOE Filings
- Ed Parsley Kids Inc Gym Upgrades
- State Cross Country

Superintendent Watston gave an update on the bond. Construction has progressed, but they are about 3 weeks behind schedule. Hopefully, if the weather remains decent, they will be able to get caught up. Walkthroughs will begin in December to ensure everything is looking good. Next, Superintendent Watson gave the board members an update of the TIF #2. The City Manager has reached out to Seaboard Foods and expects to hear from them this week. She also spoke to the board about the building permit waiver that we had requested from the City of Guymon. The City Council stated that we are actually pre-paying inspection fees, not a building permit fee. The only issue here is that, as a school district, we are not allowed to pre-pay expenses. She will keep the board informed of any updates.

Next, Superintendent Watson reminded the board members that the filing period to run for board

of education positions number 1 and number 3 is December 1st - 3rd.

Lastly, she spoke to the board about the upgrades that are being completed at the Ed Parsley Kids Inc gym. While we don't pay for any of the upgrades, we do pay for the utilities as part of an agreement with the Kids Inc board. The Kids Inc board wanted to make sure we were aware of the updates which could raise the utility expenses. We are excited for Kids Inc to be able to get these upgrades completed.
