Purpose and goals of applicant group To provide a support base for the student Athletic Program at YHS in their endeavors to support all athletic teams participating within YHS. Our goals are to create a learning environment in exploring careers in athletic training, stimulate further interest in the athletic training program, and to work cooperatively with the school administration, school board, coaches, and other organizations at YHS.

Describe how the school district and its students will benefit if sanctioning is granted The school district and students will benefit from this group because we are a continual support financially for the participants to gain continuing education opportunities. This directly benefits the district as the student athletic trainers work directly with the head athletic trainers within the sports at Yukon High School. The club is also focused on making the program as affordable as possible to provide the opportunity for as many student applicants as possible. This is achieved by the fundraising done by the club.

Hello,

I was just wanting to inform you that I have decided to take another position with Mustang High. I really enjoyed visiting with you and Yukon seems to be a great place to work, but the hours at Mustang are going to work better for myself and family, especially our 12 year old. Thank you so much for offering me the position! I greatly appreciate it.

Sincerely,

Dear Lance Haggard & Heather Mitchell:

Please accept this letter as formal notification that I am resigning from my position as Parkland Elementary's School Counselor. It is with bittersweet sentiment that I make this decision. Although Parkland has been my home for the past 16 years, I have been offered a career position outside of the education field that I cannot overlook exploring.

I will be forever grateful for having the opportunity to serve Parkland as a classroom teacher and a counselor. It has been an honor to be a member of the Parkland family for so many years. Thank you for the exceptional leadership which cultivated and fostered a truly amazing work environment. It was a blessing to work for a boss that led by example daily. I greatly appreciate the professional and personal development that I have gained throughout my work experience at Parkland.

Please accept my sincere apology in the timing of this notice. I would have liked to have provided the district with more than a two-week notice, however this career opportunity presented itself rather unexpectedly. I will gladly do everything possible to aid in facilitating a smooth transition as a new counselor is hired. Please do not hesitate to contact me if you need anything.

Sincerely,

Heather Williams

Hey I'm going to have to resign from my job at the school as recess for this coming school year. I'm so sad over it because I loved it there so much. Me and Brayden have had to move to Roland Oklahoma with my mom because I'm separating from his dad, it's a tough situation and I just had to do it.

I want to thank you for the opportunity you gave me to work and volunteer at the best school ever!

I have given Freedom all of the stuff for treasurer to pass on to amanda also.

I don't know if there are any other steps I need to take in resining my position, I am sorry I'm having to do it.  
Thank you Shannon Spicer

To Whom it may concern,

As of today, 7/2/2019, I am resigning my position as a teacher and a coach at Yukon Public Schools. I want to express my deepest gratitude for the time I have been able to be a part of this district. In the 14 years that I have been at Yukon, I have grown as an educator and made fantastic relationships with colleagues. I cannot say enough how much I appreciate the opportunity to have come here to teach and to grow within the area of education.

Sincerely,

To whom it may concern:

This spring I accepted the position of sixth grade gifted teacher at Yukon Middle School for the 2019-2020 school year. I was excited to teach this class at YMS, even though it wasn't really my first choice. My first choice is to teach at Bethany High School. My two sons attend Bethany High School, and I wanted to teach at their school, but no teaching positions were available there. Yesterday, June 19, a position came open at Bethany High School that I was qualified for. I immediately applied for the job, and the principal interviewed me this morning. He told me that he would like to hire me for the teaching position, if I can be released from my contract with Yukon. So, I would like to resign my position at Yukon so that I can accept the position at Bethany. I am grateful for the offer to teach at Yukon, and if my children did not attend Bethany, I would teach at Yukon.

Thank you for understanding,

Martha Fouts

Mrs. Megli,

I can never thank the YHS family for helping me through one of the most tragic years in life, thus far. Through health problems, student issues and major loss, coworkers and administration were always there to help. With that being said, it is with a heavy heart that I must inform you that I will be resigning from my position as paraprofessional at Yukon High School. Although I had every intention of returning, life has thrown a curve ball and is now sending me in a different direction. I greatly appreciate having had the opportunity to work in such a phenomenal school such as Yukon High School. I will carry the knowledge I've gained with me every day moving forward.

Thank you,

Dear Christy,

It is with great sadness that I must resign from my position as bus driver for Yukon Public Schools. Due to my mother's health I must stay in Alabama and help with her care.

I truly have enjoyed working for you, if circumstances change I hope that I will be able to return.

Thank you for all you did for me. Please accept my resignation as of July 1, 2019.

Marvin Smith
