A. Contract Amount

In consideration of the satisfactory performance of said services, the DRS shall pay the Contractor at the rates set forth below.

1. The DRS shall pay a fixed rate to the Contractor up to \$375.00 per month for half day (3 hour) training periods, \$250.00 per month for 2 hour per day training periods, or \$125.00 per month for 1 hour per day training periods per individual client. The Contractor shall be paid at the full amount for clients who participate in trainings for at least 61% of school days in each month. A school day is defined as a day in which school is in session and students are expected to be in attendance. Snow days do not count as school days. Participation of 60% or less must be prorated accordingly. For example, if a student was present 12 out of the 20 possible school days in a month (i.e., 60%) and was in the program daily for at least 2 hours (i.e., \$250), the Contractor would bill the DRS for \$150.00 (i.e., 60% of \$250). A school month begins effective the first day the student is authorized to attend. For example, if school starts August 1, but the student is not authorized to attend until August 15, the school days that month available to that student begin on August 15.
2. For all school months containing fewer than 10 school days, the DRS shall pay to the Contractor on a prorated daily rate per individual client. The daily rates to be utilized are as follows.

Daily rate for clients participating for 3 hours at \$375.00 per month--
\$18.75 per day.

Daily rate for clients participating for 2 hours at \$250.00 per month--
\$12.50 per day.

Daily rate for clients participating for 1 hour at \$125.00 per month--
\$6.25 per day.

3. For example, if a student was present 9 out of the 9 school days for the month of December (100% of the days in the short month) and was in the program daily for at least 3 hours (which would be at the \$375.00 per month amount), the Contractor would bill the DRS at a daily rate of \$18.75 for each day (i.e., \$168.75, which is \$18.75 times 9 school days).
4. This daily rate is to account for the months in which a school incurs a long holiday or significant break of any kind in which the students would not be attending school the typical number of days in a month (i.e., an average of 20 school days), and to account for schools that go year-round.
5. A student is considered in attendance for the day if the student is present at least 50% of the time that day that they are designated to be in Work Adjustment Training. For example, if a student is enrolled in Work Adjustment Training for 3 hours per day, and they are present in the program for at least 1 1/2 hours of the program that day, they are considered in attendance. If they are present less than that amount of time due to illness or other reason, they are considered not

in attendance. If they are enrolled in 2 hours, they would need to be present for at least 1 hour that day, and for 1 hour of enrollment, they would need to be present for at least a half an hour that day to be counted in attendance. Billing invoices must be adjusted if a student averages less time during the month than which he or she was originally authorized (e.g., a student who is authorized 3 hours a day who really ends up averaging about 2 hours a day over the month shall only be billed at 2 hours that month).

6. Time in WAT begins when instruction or employment readiness/practice begins and ends when said instruction/readiness ends. Breaks are not allowable billed time for DRS WAT programs. Travel time to get to the WAT facility does not count toward billable time.
7. There are no "free/excused" absences that may still be billed for by the Contractor. Daily student attendance must be counted.
8. The school Contractor providing WAT for its students and the Community Rehabilitation Provider (CRP) providing WAT services to students are responsible for providing transportation for DRS transition clients to and from community employment activities (unless other arrangements are made between the school and CRP) and may not seek reimbursement from the DRS for travel expenses. Schools are responsible for transporting their students to and from the CRP who is providing the WAT program for their students.
9. If an individual does not participate in training during any given month, payment shall not be made for that month. Payment shall be made upon submission of properly completed and approved progress reports and time sheets documenting services. By law the DRS cannot pay in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided and accepted by the DRS pursuant to the Contract.
10. The Contractor may use funds to develop, enhance, and implement the WAT program. All funds paid to the Contractor by DRS must be put back into the program and used for implementing the program. Examples of ways in which funds may be spent include, but are not limited to:
 - a. WAT staff salaries and compensation package.
 - b. facility and maintenance costs.
 - c. substitutes to cover staff when at trainings.

 - f. gas for transporting DRS clients to and from community businesses for the required minimum 6 community visits.
 - g. WAT vehicle maintenance, repairs, and depreciation.
 - h. program materials. and

- i. uniforms or protective clothing and equipment required by community business partners.
11. DRS funds shall NOT be used to purchase food without the written permission from the designated DRS contract monitor and solely for the purpose of teaching independent living skills. DRS shall only authorize the use of funds for food in situations in which independent living skills are taught to DRS clients, and the clients have a role in planning the menu, preparing shopping lists, budgeting, shopping, preparing and cooking, serving, and cleaning after the skills instruction .

The DRS counselor's name, address, and telephone number are shown on each DRS client's Authorization for Purchase. If the State of Oklahoma fails to make payment within the forty-five (45) days, the Contractor is eligible to receive interest on the unpaid balance due per State of Oklahoma Statutes. ITEM FOR CONSIDERATION
Board of Education Meeting
April 4, 2022

TOPIC: Renewal of Contractual Agreement with the Oklahoma Department of Rehabilitation Services

RATIONALE FOR RECOMMENDATION: The purpose of this renewal contract is to provide transition services from school to post school activity and employment for students. "Transition School-To-Work" (Work Study).

FISCAL NOTE: In Consideration of the satisfactory performance of said services, the DRS agrees to provide a plan for Vocational Rehabilitation Services to implement the Transition from School-to-Work (See Contract for details) No noted changes.

CONTACT PERSON: Amy Beams, Executive Director of Special Services
Jalonda Bengs, Assistant Director of Special Services

**STATE OF OKLAHOMA
DEPARTMENT OF REHABILITATION SERVICES
TRANSITION SCHOOL-TO-WORK: WORK STUDY**

This agreement, consisting of fourteen (14) pages (the "Contract"), is hereby made between the Oklahoma Department of Rehabilitation Services ("DRS") and

**Yukon Public Schools
600 Maple Avenue
Yukon OK 73099-2533**

("Contractor" or "School"), and constitutes the entire agreement between the DRS and the Contractor, and no other representations are given or should be implied from written or oral agreements or negotiations that preceded the Contract.

RECITALS

WHEREAS, the Oklahoma Department of Rehabilitation Services is authorized to make and enter into all contracts necessary or incidental to the performance of its duties, and may purchase or lease equipment, furniture, materials and supplies, and incur such other expenses as may be necessary to maintain and operate the Department, 74 O.S. § 166.1.C; and

WHEREAS, the Individuals with Disabilities Education Act (IDEA) and the Rehabilitation Act both provide for transition services for children with disabilities to facilitate the child's movement from school to post-school activities including employment, 20 U.S.C. § 1401(34) and 29 U.S.C. § 721(a)(11)(D); and

WHEREAS, the Oklahoma Department of Rehabilitation Services is authorized by rules promulgated by the Oklahoma Commission for Rehabilitation Services at Subchapter 7 of Chapter 10 of Title 612 of the Oklahoma Administrative Code to implement the Transition from School-to-Work Program; and

WHEREAS, in the School-to-Work program, there are many services needed. Some of these services are provided by the school under the individualized education plan (IEP) and some are provided by the Oklahoma Department of Rehabilitation Services under the individualized plan for employment (IPE). Other services may be provided by the parents, Career Tech, and others. A major component of the Transition School-to-Work program is work-readiness training and work experience. The work experience can be provided through Work Adjustment Training or the three types of Work Study Programs.

NOW THEREFORE, the parties agree as follows:

I. Contract Period

The Contract is effective from the latest date of signature of both parties or July 1, 2022, whichever is the latter, through June 30, 2023. The Contract may be renewed for two additional one-year periods upon written agreement of the DRS and the Contractor.

II. Contract Services

Students eligible to participate include those DRS transition students:

- with documented disabilities (includes IEP, 504 Plan, or other documents), who:
 - o have been determined eligible for DRS services; or
 - o are on a trial work plan as determined by the DRS counselor;
- with an approved case;
- with an individualized plan for employment (IPE) in place;
- with SWS as a line of service on the IPE;
- who are at least 16 years of age; and
- who are attending high school.

DRS clients preauthorized to participate in Work Study may do so for **no more than 24 cumulative months**, as approved on an individual basis by the DRS counselor. The months do not need to be consecutive. Based on individual needs and barriers due to disability, there may be exceptions where the client requires more time to make additional progress. In that instance, the DRS counselor may authorize additional time. Summer months spent in Work Study count in the 24 cumulative months. Transportation, scheduling, administrative or family convenience, or family/individual income needs are not acceptable reasons to extend Work Study beyond 24 cumulative months.

Participating students may work **no more than 15 cumulative hours per week during the school year** (i.e., during the day, evenings, weekends, or holidays). In each of the cases described above, the students must be given school credit for their participation during the school day, and the School staff and the DRS counselor will provide important guidance and instructional help around the work experience. If the student works after school hours, in the evening or on weekends, the School may also choose to give the student school credit and is encouraged to do so to support earning elective credits. The School will provide staff to work with the DRS counselor in the area of transition. The School will have at least one person designated to serve as the "teacher/transition coordinator". Paraprofessionals could serve as Transition Coordinator or could also be assigned to help with the process and documentation. The Contractor agrees to provide designated staff time for performing the needed duties related to transition. The Contractor agrees to fully inform the staff responsible for carrying out the duties set forth in the Contract. This includes providing all necessary staff with a copy of the Contract.

Students wishing to continue working through the summer as part of Transition School-To-Work: Work Study may do so if the School's current contract, which expires June 30, is

renewed for the following fiscal year that begins July 1st.

The maximum number of hours worked per student that's reimbursable by the DRS cannot exceed 15 cumulative hours per week during the school year. The maximum number of hours worked may exceed 15 cumulative hours per week for summer work only when pre-approved by the DRS counselor. The student can work a maximum of 20 cumulative hours per week during the summer. The DRS will reimburse 100% of the wages paid by the school for a maximum 20 cumulative hours per week. Students may work a maximum 20 cumulative hours per week beginning with the first day of summer break. However, upon the first day back to school, the students must go back to working no more than a maximum 15 cumulative hours per week. All Child Labor Laws apply and must be adhered to.

<https://www.dol.gov/general/topic/youthlabor>

The School is required to continue supervising, monitoring, and reporting on students working in the School or in the community during the summer.

Paid work positions must reflect **real work/jobs** and include tasks that would normally be a function of that position. The students must be learning skills that will transfer to competitive, integrated employment in the community. Classroom instructional time does not count as work. The Contractor must ensure that students have access to a wide variety of work/job types and must also ensure the Contractor has enough work to cover the number of students intended to participate in the program. Examples of work/jobs within the School include, but are not limited to, the following.

- *Custodial/bus barn:* learning simple maintenance of School vehicles, detailing School vehicles.
- *Manager of sports teams:* scheduling, scorekeeping, ordering, inventory maintenance, hauling, moving.
- *Teacher's Aid/Assistant:* reading to groups of or individual children, cleaning, organizing, grading, designing bulletin boards.

- *Office Assistant:* Making ID badges, taking photos for badges, using a camera, laminating, answering phones, taking phone messages, greeting visitors and directing to locations, data entry, filing.
- *Information Technology Assistant:* use compressed air to clean computers and keyboards, replace batteries, replace mice, clean monitors, conduct virus scans, clean out old hard drives, organizing, inventory maintenance, stocking, ordering.

The same guidelines should be adhered to when selecting community placements for paid work experiences.

The final 9 months of their Work Study must be outside the school/district and **in the community** (unless approved by the DRS counselor in special circumstances).

Students may not work in their family owned business unless approved by the DRS counselor. This includes farms and other businesses.

Students who are completing high school at the end of the school year and who are participating in services through the Contract must cease work upon their last day of school/graduation. They may not continue to work through School Work Study or Work Site Learning beyond their last day of high school.

A. Work Study Program

There are two types of Work Study through DRS:

1. School Work Study (SWS) allows students with disabilities to **work on the School campus**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working on campus.

2. Work Site Learning allows students with disabilities to **work in the community**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working off campus.

B. Other Work Opportunities

This is not a Work Study through DRS:

1. Employer Work Study allows students with disabilities employment experience in **part-time jobs in the community** with the employers paying the wages/salary(ies). In this instance, the students are employees of the community employers, **employers maintain liability**, and **the DRS does not reimburse the employers for the wages/salary(ies)**.

C. Contractor's/School's Obligations

The designated teacher/transition coordinator(s) shall:

1. be knowledgeable about the contents and requirements of the Contract.
2. obtain written preauthorization from the DRS counselor before initiating services for students (i.e., not starting the student to work before DRS has approved in writing).
3. serve as a member of the IEP team and make decisions for job placement as a team.
4. provide information regarding the program to School personnel, students, and parents.
5. provide job readiness instruction and assistance to the students in the program prior to starting their jobs (e.g., helping them prepare for interviewing for the potential position) through transition services or five core pre-employment transition services.
 - a. job exploration counseling;

- b. work-based learning experiences ;
 - c. counseling on opportunities for enrollment in postsecondary education (college, CareerTech, trade education, professional certification , etc.);
 - d. workplace readiness, including social and independent living skills;
 - e. self-advocacy, including peer mentoring.
6. assist with job placement and regular follow-up on the students' progress.
 7. work with the DRS counselor to maintain a list of all authorized participating students, the place of employment , job title, and tasks learned or practiced, at least one time per semester or updated as new students join or jobs/job duties change.
 8. assist with the coordination of the individualized education program (IEP) and the individualized plan for employment (IPE) to reflect the SWS services provided by DRS, including, but not limited to, present levels of performance, services, and annual education/training or employment goals on the IEP.
 9. document such transition services or Pre-Employment transition services provided and completed by participating students .
 10. provide such documentation to the DRS counselor at the end of each semester.
 11. submit by the 15th of the following month (or whenever payroll is run by the School for their payment cycle), at the same time, monthly invoices/pay stubs, time sheets, progress reports, and proof of payment to students for reimbursement of the wages paid for students participating in School Work Study or Work Site Learning. and
 12. ensure the electronic copy of the contract is routed to the appropriate person for signature and returned electronically to DRS.

If claiming mileage reimbursement for teacher/transition coordinator travel to/from job sites of DRS clients, submit monthly itineraries and travel claims, which are each signed and verified by the school district superintendent.

D. DRS's Obligations

The DRS counselor shall:

1. provide teacher/transition coordinators written preauthorization prior to initiation of services for each student approved to work.
2. accept referrals, process applications , and assist with the coordination of the IEP and the IPE and offer input to the IEP employment goals.
3. serve as a member of the IEP team and make decisions for job placement as a team.
4. organize his or her work schedule in order to be available to confer with the School personnel, the students in the program, parents, employers and other partners in the process.
5. arrange and provide services as needed, including vocational evaluations, and counseling and guidance.
6. provide teacher/transition coordinators updated information (as available) as requested.
7. assist with job placement and regular follow-up on the students' progress.
8. work with the School staff/teachers to maintain a list of all authorized participating

- students, the place of employment, job title, and tasks learned or practiced, at least one time per semester or updated as new students join or jobs/job duties change.
9. regularly monitor students at job sites.
 10. ensure the school/district is submitting monthly time sheets, progress reports, proof of payment to students, and documentation of transition services or Pre-Employment Transition Services (as completed).
 11. provide reimbursement for the wages of students participating in School Work Study and Work Site Learning. and
 12. provide mileage reimbursement at the state rate for teacher coordinator travel to/from job sites of DRS clients participating in School Work Study and Work Site Learning.

E. Student Wage

1. The DRS and the Contractor agree that students who are employed by the School as part of a training program are not independent contractors, but employees of the School. **The Contractor agrees to deduct state and federal income tax from wages paid to the student.** The Contractor is responsible for costs incurred for workers' compensation or other expenses not included in the minimum wage reimbursed by the DRS, as part of its contribution toward providing coordinated transition services outlined in the Individuals with Disabilities Education Act (IDEA) and the Workforce Innovation and Opportunity Act (WIOA).

2. The DRS and the Contractor further agree that **IRS regulations provide that services performed by a student, who is employed by the School in which the student is enrolled, are not considered "employment" for purposes of FICA (Federal Insurance Contribution Act-Social Security and Medicare) and FUTA (Federal Unemployment Tax Act-employment tax)** payroll deductions. 26 C.F.R. § 31.3121(b)(10)-2(a)(1) and § 31.3306(c)(10)-2(b). The rules provide that the services performed by the student must be incident to and for the purposes of pursuing a course of study at the School. Section 31.3121(b)(10)-2(c). **The DRS and the Contractor agree that students who are employed by the School as part of a training program are not subject to FICA or FUTA.** The employee/student must be enrolled and regularly attending classes at the School at which the employee is employed to have the status of a student within the meaning of the regulations. This exemption does not apply if the student is working for a private employer through Employer Work Study, rather than the School, as part of an internship program. *The student must be employed by the School in order for the exception to apply.* The Oklahoma Employment Security Act provides that employment as part of a work-training program is exempt from the definition of "employment" and, therefore, not subject to the Act and, therefore, should not be documented as wages paid in quarterly submissions to the OESC. 40 O.S. §1-210 (15)(1). **At the end of the calendar year, students are to be provided with a W-2, Wage and Tax Statement, and not a 1099-Misc Form for Independent Contractors.**

3. For the School to be reimbursed for the student's wage, the student must have a trial work plan and/or an Individualized Plan of Employment (IPE) with the Oklahoma Department of Rehabilitation Services, and be participating in School Work Study or Work Site Learning.

Additionally, the School must have received in writing preauthorization for students to begin working before payments will be issued.

III. Compensation

A. Contract Amount

The DRS shall reimburse the Contractor as follows:

- school months -the current federal minimum wage. EXEMPT from FICA and FUTA, thus should not be taken out of the student's check.
- summer months -the current federal minimum wage, plus FICA and FUTA, as summer months are NOT exempt due to the student not being enrolled at least half-time in school.

Payment shall be made upon receipt of properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services. By law the DRS cannot pay in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided to and accepted by the DRS pursuant to the Contract.

The DRS will cancel the Contract if procedures are not followed (e.g., putting students to work before authorized, inappropriate job placements, delayed billing, not submitting proper documentation as outlined in the contract). If a settlement/ratification agreement must be reached between the Contractor and the DRS, the Contractor will receive only 50% of the funds for which it is seeking reimbursement.

The Oklahoma State Constitution, Article 10, Section 23 states, "Balanced Budget - Procedures. The state shall never create or authorize the creation of any debt or obligation, or fund or pay any deficit, against the state, or any department, institution or agency thereof, regardless of its form or the source of money from which it is to be paid, except as may be provided in this section and in Sections 24 and 25 of Article X of the Constitution of the State of Oklahoma."

An express or written contract is a document evidencing, among other things, the mutual consent of the contracting parties. The written document becomes effective when the parties have signified their mutual consent by the act of signing it. The act of signing occurs when it occurs and applies only to events in the future.

To ensure you stay within the law and that you receive full compensation for services provided, please wait for official written documentation from your DRS counselors as to when a service may actually begin for an approved DRS client. The DRS CAN NOT backdate in order to pay for services for any youth with disabilities.

According to 70 O.S. § 5-142 school districts must conduct national criminal record background searches and fingerprinting on prospective employees. Therefore, the DRS will reimburse the school district up to \$45.00 per DRS client who:

- * is going to participate in School Work Study or Work Site Learning.
- * is at least 18 years of age. and
- * has not previously had a criminal background check completed by the school district or any other school district in Oklahoma.

This reimbursement will occur upon request and submission of properly completed documentation to the DRS counselor. If the Contractor chooses to request the expedited background check (\$58.00) from the Oklahoma State Department of Education, the Contractor will be responsible for any additional fees beyond the \$45.00.

B. Payment

The State of Oklahoma has forty-five (45) days from receipt of properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services to make payment to the Contractor. Invoices/pay stubs, timesheets, progress reports, and claims shall be sent to the DRS counselor who authorized services for each DRS client. **DRS cannot reimburse wages for work study hours that are not preapproved in writing by the DRS counselor.**

The DRS counselor's name, address, and telephone number are shown on each DRS client's Authorization for Purchase. If the State of Oklahoma fails to make payment within the forty-five (45) days, the Contractor is eligible to receive interest on the unpaid balance due per State of Oklahoma Statutes. The Contractor is responsible for claiming the interest.

All students who are placed in the Transition Work Study program must be active Vocational Rehabilitation (VR) or Services for the Blind and Visually Impaired (SBVI) clients and have a trial work plan and/or an IPE in place in order for the school/district to be reimbursed for wages paid through School Work Study or Work Site Learning, or for the student to participate in Employer Work Study.

C. Lapse Of Invoices/Claims

Properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or proper claims for reimbursement of travel expenses pursuant to the contract for services shall be submitted within ninety (90) calendar days of the provision of those services and/or incurrence of those travel expenses. Supporting encumbrances may be cancelled upon a lapse of six (6) months from the actual provision of services and/or incurrence of travel expenses pursuant to the contract for services, unless specified otherwise in the Contract.

IV. **Standard Terms**

A. Equal Opportunity/Non-Discrimination

C. Debarment And Suspension

In accordance with Presidential Executive Orders 12549 and 12689, the Contractor certifies that neither it nor its principals are presently debarred, suspended or otherwise disqualified for participation in federal assistance programs. Such certification is a material representation of fact upon which reliance is being placed when entering into the Contract. A determination that the Contractor knowingly rendered an erroneous certification, in addition to other available remedies, may result in whole or partial termination of the Contract for the Contractor's default. Additionally, the Contractor shall promptly provide written notice to the Oklahoma state purchasing director if the certification becomes erroneous due to changed circumstances.

D. Drug-Free Workplace

The Contractor certifies compliance in providing or continuing to provide a drug-free workplace in accordance with the Drug-Free Workplace Act of 1988.

F. Cancellation

1. With Cause: In the event the Contractor fails to meet the terms and conditions of the Contract or fails to provide services in accordance with the provisions of the Contract, the DRS may upon written notice of default transmitted via Certified Mail to Contractor, cancel the Contract effective upon receipt of notice or at 5:00 PM on the fifth calendar day from the date DRS mailed the notice, whichever occurs first. Such cancellation shall not be an exclusive remedy, but shall be in addition to any other rights and remedies provided for by law. In the event a Notice of Cancellation is issued, the Contractor shall have the right to request a review of such decision as provided by the rules and regulations promulgated by the State of Oklahoma, Office of Management and Enterprise Services.

2. Without Cause: It is further agreed that the Contract may be canceled by either party by providing thirty (30) days prior written notice.

G. Access To And Retention Of Records

Authorized personnel of the U.S. Department of Education, or other pertinent federal agencies, and authorized personnel of the Oklahoma Department of Rehabilitation Services, State Auditor and Inspector, and other appropriate state entities shall have the right of access to any books, documents, papers, or other records of contract which are pertinent to the performance or payment of the Contract in order to audit, examine, make excerpts, and/or transcripts. The Contractor shall be required to maintain all records for three (3) years after the DRS makes final payment and all other pending matters are closed.

H. Subcontracting

The services to be performed under the Contract shall not be subcontracted, in whole or in part, to any other person or entity without written approval by the DRS. The terms of the Contract, and such additional terms as the DRS may require, shall be included in any subcontract. Approval of the subcontract shall not relieve the Contractor of any responsibility for performing the Contract.

I. Compliance With State And Federal Laws

The Contractor shall comply with all applicable state and federal laws, rules and regulations relevant to the performance of the Contract. Compliance shall be the responsibility of the Contractor, without reliance on or direction by the DRS.

J. Travel

The travel expenses to be incurred by the Contractor pursuant to the Contract shall be included in the total amount of the contract award. The DRS will only pay travel expenses (including per diem) specified in and charged against the total amount of the contract award. In addition, the DRS will not reimburse travel expenses in excess of the rate established by the Oklahoma State Travel Reimbursement Act, 74 O.S. § 500.1-37. The Contractor shall be responsible for all travel arrangements, and provide supporting documentation for reimbursement.

K. Client Confidentiality

The Contractor assures compliance with DRS requirements pertaining to the protection, use, and release of personal information. The Contractor will hold confidential all personal information regarding individuals, including lists of names, addresses, photographs, records of evaluation, and all other records of the DRS client. This information may not be disclosed, directly or indirectly, unless consent is obtained in writing or as otherwise required by law.

L. Unallowable Costs

In the event any audit, audit resolution, review, monitoring, or other oversight results in the determination that the Contractor has expended DRS funds on unallowable costs on this or any previous contract, the Contractor shall reimburse the DRS in full for all such costs on demand. The DRS may, at its sole discretion, deduct and withhold such amounts from subsequent payments to be made to the Contractor under this or other contracts.

M. Audit

1. Federal Funds

Organizations that expend \$750,000 or more in a year in federal funds from all sources shall have a certified independent audit conducted in accordance with 2 C.F.R. Part 200.

2. State Funds

The Contractor's fiscal managers and appropriate oversight bodies shall review the auditor's latest external quality control review report prior to the audit being conducted. DRS retains the right to examine the work papers of said auditor.

The Contractor shall submit two copies of the annual audit report to the Department of Rehabilitation Services - Contracts Unit 3535 N.W. 58th Street, Suite 300, Oklahoma City, Oklahoma 73112, plus a copy of the management letter, if applicable, and corrective action plan to all audit findings, and the auditor's latest external quality control review report within 120 days of the Contractor's fiscal year end. In the event the Contractor is unable to provide the audit report within the time specified, the Contractor shall submit a written request to the address listed above for an extension citing the reason for delay. DRS reserves the right to suspend payment to the Contractor for costs owed pursuant to this Contract if DRS has not received the prior year audit.

N. Clean Air Act

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The Contractor agrees to report each violation to DRS and understands and agrees that DRS will, in turn, report each violation as required to assure notification to the appropriate Environmental Protection Agency Regional Office.

O. Employment Relationship

The Contract does not create an employment relationship. Individuals performing services required by the Contract are not considered employees of the State of Oklahoma or the DRS for any purpose, and as such shall not be eligible for benefits accruing to state employees. The Contractor shall comply with all applicable laws regarding workers' compensation insurance.

P. Insurance

Said policy must provide that the carrier may not cancel or transfer the policy without giving the DRS thirty (30) days written notice prior to the cancellation or transfer.

The Contractor shall timely renew the policies to be carried pursuant to this section throughout the term of the Contract, and provide the DRS with evidence of such insurance and renewals upon request.

Q. Punitive Actions

The Contractor understands that payment for services to DRS clients pursuant to the Contract shall be made by the DRS. Accordingly, the Contractor shall not restrict or refuse services under the Contract to DRS clients based on nonpayment by the DRS. No actions shall be taken against the DRS client, including collection actions for any service covered under the Contract, or for any late payment for which the DRS has responsibility. Re: Audiological Services for the 2022-2023 school year

To Whom It May Concern

Enclosed you will find the proposed Audiology Service Contract for the 2022-2023 school year. Please sign the original and return it at your earliest convenience. You are more than welcome to email them as well.

Our audiology staff is experienced in the utilization of assistive listening devices such as FM Units, Auditory Trainers and Soundfield amplification. We are one of the few clinics that offer Auditory Processing Disorder (APD) evaluations in the Oklahoma City metro area. Upon request, we are able to test individuals with challenges using two audiologists at no additional cost. We are also available to assist you with IEP matters involving your hearing impaired students, their families, and their teachers. In addition, we are contracted Medicaid/Sooner Care providers for medical services and necessary hearing equipment under their guidelines, as well as most private insurance companies. We also have an audiologist specializing in Cochlear Implants. We are able to do CI Evaluations, fittings and mappings in our clinic. We have included these costs in the proposed contract as well.

We consider it an honor to serve your district with the best hearing healthcare service available. For your added convenience, we have two locations to better serve you. Fine Hearing Care is located in Edmond at 2405 S. Bryant Ave. Suite 100 Edmond, OK 73013 and Hearing Solutions is located at 408 S. Mustang Rd. Ste. B Yukon, OK 73099. We are able to see your students at either of our locations. If you have any questions or comments regarding this matter, please contact Jill Laxton at jill.laxton@finehearingcare.com or at 405-340-9191. We look forward to serving you and your students.

Subject: Recommendation of Approval for Bond 2021 Technology Expenditures & Category 2 eRate Funds

2021 Bond Items of Consideration

The following technology expenditures as part of the Bond 2021 initiative are recommended for approval:

ITEM 1 RECOMMENDATION: Approval of RFQ 20220308-002 funding expenditure in the amount of \$825,700.00 for Chromebook refresh of 2,300 end-of-life devices out of 2021 bond allocations to be completed by Trafera.

ITEM 1 RATIONALE:

- Awarding of RFQ 20220308-002: Chromebook 1:1 Refresh Initiative for the 2021 bond:
 - Vendor: Trafera for \$825,700.00 to refresh 2,300 chromebooks approaching end-of-life.
 - 4 quotes were received from a Request for Quote (RFQ) process and evaluated for the device specified, warranty, parts replacement, white-glove configuration, and service experience.
 - Trafera was selected as the lowest cost option that met all requirements of the RFQ.
 - This refresh will replace 2,300 of our chromebook devices that will reach end-of-life this summer and is one of several chromebook refreshes throughout the lifecycle of the 2021 bond.
 - Refresh is scheduled to start in Summer of 2022.

ITEM 2 RECOMMENDATION: Approval RFP 20220207-001 funding expenditure in the amount of \$604,057.26 for a district-wide Avigilon security camera solution out of 2021 bond allocations to be completed by United Systems, Inc.

ITEM 2 RATIONALE:

- Awarding of RFP 20220207-001 - Districtwide Security Camera Solution
 - Vendor: United Systems, Inc with Avigilon System for \$604,057.26
 - 7 bids were received with 3 bids for the requested Avigilon System and 5 alternative system bids.
 - United Systems, Inc. had the lowest bid for the requested solution and bid requirements.
 - Installation is scheduled to start in Summer of 2022 across all sites and be completed no later than May of 2023.

E-Rate Category 2 Item of Consideration

The following technology expenditure as part of the federal E-Rate program are recommended for approval:

ITEM 3 RECOMMENDATION: Approval of the E-rate Category 2 Funding expenditure in the amount of \$705,103.27 for applicants share of project costs to be paid for out of 2021 bond allocations and completed by United Systems,

Inc.

ITEM 3 RATIONALE:

The Federal Communications Commission (FCC) administers the E-rate program, which provides substantial discounts for telecommunications services such as voice and data services, Internet access, and on-campus (internal) networks that are purchased or constructed by school districts and public libraries. YPS participates in the E-rate program to subsidize the cost of internet access and fiber connections (Category 1), as well as making system upgrades, including upgrades to internal connections, managed internal broadband services, and basic maintenance of Internal connections (Category 2).

The e-rate program covers approximately 60% of the cost of the project through the Universal Service Administrative Company (USAC), with the district paying the remaining 40% portion. YPS solicited competitive proposals following a very prescriptive process defined by USAC. for these services that will allow for updating the internal connections and broadband services to include the refresh of all of our cabling and layer 2 and layer 3 switches that provide network connectivity across the district. One bid was received by United Systems, Inc. and was competitively priced below state contract pricing. The amount requested for approval by the board is the district's portion of the total cost of the project (\$705,103.27), with \$1,057,654.91 being paid by USAC. The district portion will be covered out of 2021 bond expenditures already allocated for this purpose.
