Place, Purpose, and Nature of the Trip

Like last year, our YHS Academic Team has qualified for the NAQT High School National Championship Tournament in Atlanta, GA. It's the culmination of our many months of studying this year. The tournament is held in the many ballrooms and conference rooms of the Hilton Atlanta and the adjacent Atlanta Marriott Marquis.

The purpose is to go compete against some of the best teams in the country and prove that we are right there in the midst of all of them.

The nature of the trip is centered on this competition, but with a few museum visits as well.

If booster club is paying an amount is required. If activity fund is being used, a PO number and amount is required.

Cost Analysis

Registration Costs /PO Number: \$1680 for two teams / PO: 642262

Lodging Cost/PO Number: Students are sharing rooms which are \$127 per night / no PO required

Airfare or Personal or District Vehicle

Transportation Costs/PO Number: \$2250 / PO: 642430

Cost of a Substitute: N/A (the trip is entirely after school is out)

Will Participation Lead to Further Competition?

Yes

No

If Yes, Explain

We have developed a bit of a national reputation with our performance at last year's tournament and in the quiz bowl circuit this year. We are currently ranked in the top 30 in the country. That reputation has gotten us invited to tournaments in Missouri, as well as in numerous online tournaments against some of the best of the best. We actually played and defeated the 2022 national champions in a match just a few weeks ago.

Educational Benefits

We believe quiz bowl to be an incredible way to learn about so many ideas that can really enrich your life. A trip like this not only engages in the educational aspect of the competition, but in the community aspect of being on a team. The memories they made on last year's trip were beautiful and there are new players and more memories to be had this year.

Place, Purpose, and Nature of the Trip

Like last year, our YHS Academic Team has qualified for the NAQT High School National Championship Tournament in Atlanta, GA. It's the culmination of our many months of studying this year. The tournament is held in the many ballrooms and conference rooms of the Hilton Atlanta and the adjacent Atlanta Marriott Marquis.

The purpose is to go compete against some of the best teams in the country and prove that we are right there in the midst of all of them.

The nature of the trip is centered on this competition, but with a few museum visits as well.

If booster club is paying an amount is required. If activity fund is being used, a PO number and amount is required.

Cost Analysis

Registration Costs /PO Number: \$1680 for two teams/PO: 642262

Lodging Cost/PO Number: Students are sharing rooms which are \$127 per night/no PO required

Airfare or Personal or District Vehicle

Transportation Costs/PO Number: \$2250/PO: 642430

Cost of a Substitute: N/A (the trip is entirely after school is out)

Will Participation Lead to Further Competition?

Yes

No

If Yes, Explain

We have developed a bit of a national reputation with our performance at last year's tournament and in the quiz bowl circuit this year. We are currently ranked in the top 30 in the country. That reputation has gotten us invited to tournaments in Missouri, as well as numerous online tournaments against some of the best of the best. We actually played and defeated the 2022 national champions in a match just a few weeks ago.

Educational Benefits

We believe quiz bowl to be an incredible way to learn about so many ideas that can really enrich your life. A trip like this not only engages in the educational aspect of the competition, but in the community aspect of being on a team. The memories they made on last year's trip were beautiful and there are new players and more memories to be had this year.

3.1 Booking Fee

The "Booking Fee" is the minimum commitment required by MAI to request professional services. The booking fee includes the first two (2) scheduled hours of service rates for a single interpreter. Requests exceeding two (2) hours are billed for the requested time and rounded to the nearest quarter hour, per interpreter. If an assignment extends beyond the initially requested time frame, the additional time will be billed, per interpreter.

4. MAI Policy Terms

4.1 Scheduling & Cancellation Policies: CUSTOMER may request services for any duration. If the assignment finishes early, or an interpreter is dismissed by the customer prior to the end time of the service request, CUSTOMER will be invoiced for the entire "Scheduled Time". In the event an interpreter is needed longer than originally requested, the interpreter may or may not continue to provide interpreter services at their sole discretion, and CUSTOMER will be billed accordingly. If a service request is canceled by the customer with less than 48 "Standard Business Hour" notice, the customer will be charged for the entire "Scheduled Time", plus any applicable administrative fees.

Example 1: A cancellation for an assignment scheduled at 10:30 on Monday would need to be cancelled before 10:30 on the preceding Thursday to avoid charges. If a federal holiday falls in between that time frame on an operating business day, then the cancellation would need to be received by 10:30 on the preceding Wednesday.

Example 2: A cancellation for an assignment scheduled at assignment scheduled for 14:00 on Tuesday would need to be cancelled by 14:00 on the preceding Friday to avoid charges. If a federal holiday falls in between that time frame on an operating business day, then the cancellation would need to be received by 14:00 on the preceding Thursday.

Only MAI or an authorized CUSTOMER representative may formally cancel requested services via phone, email, text message, or voicemail. Interpreters are neither authorized nor responsible to make new appointments or cancel existing ones. Cancellations are only processed during "Standard Business Hours". Any adjustment to the requested interpreting times made with less than 48 "Standard Business Hours" notice will be charged as a cancellation, and the new times will be treated as a new assignment with all the associated fees. If an interpreter arrives and discovers an assignment has been cancelled, the entire booked fee plus interpreter's mileage and travel expenses will be charged. Cancellations due to inclement weather, or because the deaf/hard-of-hearing client fails to appear, are still considered billable in their entirety. MAI will not invoice CUSTOMER for service requests cancelled more than 48 "Standard Business Hours" from the start time of the assignment.

4.2 "No-Shows": MAI's interpreters are obligated to remain at the specified service request location and wait for the specified client(s) to arrive for thirty (30) minutes for assignments with a booked time of 2 hours or less, and an additional fifteen (15) minutes for every additional hour of booked time, with a maximum wait time not to exceed two (2) hours. If the deaf/hard-of-hearing client(s) specified in the service request are still not present after the indicated time period has elapsed for the particular assignment the assignment will be considered a cancellation, and CUSTOMER will be invoiced per the terms of "4.1 Scheduling & Cancellation Policies". CONTRACTOR may leave earlier than the window of time outlined above IF dismissed by an authorized party. CONTRACTOR is responsible for reporting the name of the authorized party who dismissed them before leaving and other relevant details to MAI within 48 hours

4.3 "Emergency Request" Policy: All service requests with a start date and time less than 48 "business hours" in advance will be considered "Emergency Requests". "Emergency requests" are billed an additional \$30.00 administrative fee and subject to an additional +\$10.00/hour surcharge per interpreter

4.4 Specialized Service Requests: Assignments involving DeafBlind clientele, tactile interpreting, or the use of Deaf Interpreters/Certified Deaf Interpreters will be considered "specialized service requests" and be billed an additional +\$12.00/hour surcharge per interpreter

4.5 Virtual Meetings and Video Remote Interpreting (VRI) Requests: When it is appropriate, appointment types can be converted to a virtual meeting or a telehealth appointment. Platforms include but are not limited to Zoom, Microsoft Teams, Google Meet, Skype, etc. Rates mirror onsite rates and follow the booking fee and cancellation policy. CUSTOMER and all associated parties are prohibited from taking photographs or video of interpreters provided by MAI without acquiring written permission previously. Separate arrangements must be made for recorded interpretation.

4.6 Linguistic Specialists: Deaf and Certified Deaf Interpreters: A Deaf Interpreter (DI) or Certified Deaf Interpreter (CDI) are native users of sign language and have verified enhanced linguistic knowledge & expertise. They work with the hearing ASL interpreter to provide a strong visual language interpretation. CDIs and DIs are commonly used in situations involving foreign sign language users such as Deaf/Hard-of-Hearing immigrants, DeafBlind clients, clients who demonstrate atypical language expression, certain mental health appointments, and other unique scenarios. MAI can provide Certified Deaf Interpreter (CDI) and Deaf Interpreter (DI) services. Please contact MAI for additional questions about the role and necessity of DI/CDIs.

4.7 Use of Multiple Interpreters: As general rule, if a request is made for two (2) hours or longer AND the nature of the work requires continuous interpretation and language processing for the entirety of the assignment, a second interpreter is required due to the physical, mental, and logistical demands of the interpreting process. Certain exceptions exist where more than one interpreter is always required, regardless of the duration of the assignment. Some assignments lasting longer than two (2) hours do not require more than one interpreter if there is a significant amount of down time and continuous language processing is not required. CUSTOMER agrees to defer to MAI's professional experience and judgment to determine the number of interpreters needed for all service requests.

Requests with multiple Deaf or DeafBlind clientele may also need additional interpreters. Interpreting teams typically switch back and forth every 15-30 minutes to ensure accuracy, quality control of information, and to avoid fatigue or repetitive stress injuries. All applicable fees are charged per interpreter assigned. If CUSTOMER chooses to provide a team interpreter not under contract with MAI and CUSTOMER'S interpreter is late, absent, or does not provide effective services, the assignment will be cancelled, and the entire scheduled time will still be billed per the terms of the "3.1 Cancellation Policy".

4.8 Additional Requests: MAI prioritizes the satisfaction of all its customers and clients and strives to always provide the highest quality services possible. Requests for preferred interpreters will be entertained and fulfilled to the best of MAI'S ability. CUSTOMER can disclose specific interpreter requirements in their service request. Interpreting for non-continuous periods of time on the same calendar day will be determined on a case-by-case basis.

4.9 Direct Contracting Policy: Once a relationship is established between a CUSTOMER and MAI, the customer may not directly, or indirectly through an agent or representative of the customer, contract with the interpreter(s) unless written consent is given by an Officer. CUSTOMERS AND/OR INTERPRETERS FOUND VIOLATING THIS POLICY ARE IN BREACH OF THIS AGREEMENT, AND APPROPRIATE LEGAL AND NON-LEGAL REDRESS MAY BE TAKEN BY MY ASL INTERPRETER.

5. Mileage and Travel:

Whereas "Mileage" being defined as the total distance driven to and from requested assignment address(es) by an interpreter provided by MAI,

Round trip "Mileage" exceeding forty (40) miles, per interpreter, will be charged based on the Internal Revenue Service Standard Mileage rate for each assignment. Tolls and parking will also be charged if applicable. CUSTOMER agrees to reimburse MAI for the total actual mileage driven according to the Internal Revenue System Mileage Rate. CUSTOMER agrees to pay interpreters for travel time for assignments which require travel over 100 miles round trip with the additional time added to the total "Scheduled Time" of the assignment. If services are cancelled with less than 48 "business hours" notice, the entire block of time (requested assignment time plus travel time) will still be charged per the terms of the "3.1 Cancellation Policy", unless otherwise negotiated.

6. Payment Terms: CUSTOMER agrees to pay for services rendered via bank transfer, check, or credit card. CUSTOMER will not pay or be invoiced from the assigned interpreter(s) but shall remit payment to MAI within thirty (30) days of the invoice date using the accounts payable remittance address provided by CUSTOMER. CUSTOMER agrees to provide valid credit card information to MAI. If payment has not been remitted within the thirty (30) days, MAI reserves the right to charge the credit card provided to MAI in full for services provided and credit card processing fees. CUSTOMER must contact MAI immediately (i.e., within 24 business hours of discovery) to resolve any perceived invoicing errors or discrepancies. CUSTOMER will be responsible for any associated credit card processing fees if paying by credit card. Credit card processing fees will be added to the total amount due and reflected in the invoice provided to the CUSTOMER.

6.1 Late Fees: If the credit card charges are not successful, MAI's invoice will be subject to a \$10.00 late fee or 3% of the total amount owed, whichever is greater, to the extent allowed by law. Any unpaid balance will continue to accrue interest at 3%, compounded daily, until paid in full.

7. General Provisions: Any notices to given under this Agreement may be affected either by personal delivery or by mail, registered or certified, postage prepaid with return receipt requested. Notices delivered personally shall be deemed communicated as of the date of actual receipt; mailed notices shall be deemed communicated as of three (3) days after the date postmarked. This Agreement contains all the covenants and agreements between the parties and constitutes the final and full understanding and agreement between MAI and CUSTOMER parties with respect to the performance of services by MAI for CUSTOMER, and supersedes all prior negotiations, understandings, and agreements between them, whether oral or in writing. The Agreement shall be deemed to be drafted by both parties and shall be construed in accordance with the laws of the State of Oklahoma, without regard to its conflict of law principles.

THE PARTIES TO THIS AGREEMENT EXPRESSLY CONSENT TO OKLAHOMA COUNTY, OKLAHOMA AS THE EXCLUSIVE JURISDICTION AND VENUE FOR ANY CLAIMS TO ENFORCE, INTERPRET, OR RESOLVE DISPUTES ASSOCIATED WITH THIS AGREEMENT.

Whereas the "customer representative", being a person of authority representing this company or organization possessing the authorization to carry out compliance of this agreement's terms, has read and understands the above defined rates, policies, and procedures, and agrees to abide to them as outlined,

Recitals:

A. The Student, a child with a disability as defined by the Individuals with Disabilities Education Act ("IDEA"), 20 U.S.C. §§ 1400, et seq., is a resident of the Resident District for educational purposes and is entitled to receive a free appropriate public education ("FAPE") in accordance with the requirements of the IDEA.

B. The Resident District desires to enter into this IEP Service Agreement with the Receiving District to satisfy its legal obligation to provide the Student with FAPE, in accordance with the IDEA, during the Operative School Year.

C. The Receiving District desires to enter into this Agreement with the Resident District to provide the Student with the special education and related services as identified in the Student's then-current Individualized Education Program ("IEP") in order to provide FAPE in accordance with the requirements of the IDEA during the Operative School Year.

D. The Resident and Receiving Districts understand that if they enter into IEP Service Agreements for three (3) consecutive years for this Student, the Agreement will be automatically renewed for each subsequent year, and that, in that event, the Resident District will continue to pay tuition to the Receiving District as provided by law.

E. The Resident and Receiving Districts understand that compliance with any requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act during the Operative School Year shall solely be the responsibility of the Resident District even though the Student is attending school in the Receiving District.

Therefore, the parties agree as follows:

1. The term of this Agreement extends from the first instructional day to the last instructional day of the 2023-2024 school year. During the term of this Agreement, either party may terminate the Agreement upon thirty (30) days' advance notice in writing to the other party. The terminating party will also notify the Student's parent(s) or guardian(s) in writing thirty (30) days in advance of the termination date.

2. During the term of this Agreement, the Receiving District will provide all special education and related services identified in the Student's then-current IEP for the purpose of providing FAPE as required by the IDEA, except as specifically set forth below in #3 of this Agreement. The parties to this Agreement understand that the Student's IEP may be amended and that a new IEP may be developed during the term of this Agreement, and the parties intend that the Receiving District implement the amended,

interim or subsequent IEP as well as the IEP in place at the time this Agreement takes effect.

3. The Resident District will provide the following special education and related services to the Student as identified in the Student's then-current IEP:

a. Transportation to and from school at the Receiving District

4. The Receiving District will issue the Student progress reports and report cards following the same procedures it applies to all other students, or as otherwise required under the Student's then-current IEP.

5. The Student will have the opportunity to participate in all educational and extracurricular programs, events and activities available to other students of the same age and grade attending the Receiving District, subject to all eligibility requirements applicable to similarly situated students residing in the Receiving District. To the extent that the Student requires accommodations in order to be provided FAPE under Section 504 of the Rehabilitation Act, or accommodations pursuant to the Americans with Disabilities Act, all such accommodations, plans and related expenses shall be responsibility of the Resident District and at the sole expense of the Resident District.

6. If the IEP team or Review of Existing Data group determines that reevaluation or further evaluation of the Student is necessary under the IDEA, the Resident and Receiving Districts will jointly determine who will administer the evaluation, how it will be administered, and who shall bear all related expenses.

7. The Resident District is legally and financially responsible for the provision of FAPE to the Student, as the term "FAPE" is defined under the IDEA and Section 504 of the Rehabilitation Act. The Resident District is responsible for the development and implementation of the Student's IEP(s) and any Section 504 Accommodation Plans. In the event a due process complaint initiated under the IDEA or Section 504 of the Rehabilitation Act ("Complaint") is filed concerning the Student, the Resident District will be legally and financially responsible for that Complaint and, to the extent permitted by law, will indemnify and hold harmless the Receiving District for any expenses the Receiving District incurs in responding to that Complaint, including but not limited to attorney's fees and costs.

8. The Receiving District will use reasonable efforts to comply with the procedural safeguards set out in the IDEA and the then-current versions of the Oklahoma Special Education Handbook and Special Education Policies promulgated by the Oklahoma State Department of Education in its delivery of special education and related services to the Student under the IDEA.

9. The Primary Contact or designee for the Receiving District will schedule IEP and IEP Review meetings for the Student. To provide the Resident District the opportunity to participate, the Primary Contact or designee for the Receiving District will provide reasonable advance notice of every such meeting to the Primary Contact at the Resident District.

10. The Primary Contact or designee at the Receiving District will promptly notify the Primary Contact at the Resident District of every proposed disciplinary removal that would constitute a change of placement for the Student under the IDEA or Section 504 before that disciplinary removal is implemented.

11. The Primary Contact or designee at the Receiving District will use reasonable efforts to advise the Primary Contact at the Resident District of concerns about the Student's special education and related services expressed by the Student's parent(s) or guardian(s). Personnel at the Resident and Receiving Districts will use reasonable efforts to cooperate and resolve disagreements concerning appropriate special education and related services for the Student, implementation of the Student's then-current IEP, and any other issues that may arise.

12. All funds generated for the Student from local, state or federal funds will remain with the Resident District. The Resident District will include the Student on its Child Count. The Student's average daily membership will be credited to the Resident District.

13. The Resident District will pay the Receiving District the sum of \$13, 231.63 as tuition for the delivery of special education/related services and ELL services to the Student provided in accordance with the requirements of IDEA. This amount includes the cost of all educational and related services that the Receiving District could reasonably anticipate based upon review of the Student's current IEP. The Receiving District will promptly provide the Resident District a detailed breakdown of the tuition amount upon request. If the IEP team amends the Student's IEP or develops another IEP that increases the cost of services to the Receiving District, the parties to this Agreement will mutually consider and negotiate any increase in the tuition amount sought by the Receiving District to cover the increased cost of services.

14. Any amounts the Receiving District receives as the result of billing Medicaid for IDEA associated services it provides to the Student during the term of this Agreement will be credited against the Resident District's tuition obligation.

15. The parties will not identify the Student as a transfer student for student information purposes.

16. This Agreement contains the entire agreement of the parties. Any changes to this Agreement will be made in writing and signed by both parties.

They may not continue to participate in WAT beyond their last day of high school (unless in rare cases and only with DRS counselor approval). Students who are receiving an alternate diploma at the end of the school year and who are participating in services through the contract may continue to participate in WAT even if they have received their alternate diploma, as long as they are still attending school.

III. Compensation

A. Contract Amount

In consideration of the satisfactory performance of said services, the DRS shall pay the Contractor at the following fixed rates:

1. The DRS shall pay a fixed rate to the Contractor up to \$375.00 per month for half day (3 hour) training periods, \$250.00 per month for 2 hour per day training periods, or \$125.00 per month for 1 hour per day training periods per individual client. The Contractor shall be paid at the full amount for clients who participate in trainings for at least 61% of school days in each month. A school day is defined as a day in which school is in session and students are expected to be in attendance. Snow days do not count as school days. Participation of 60% or less must be prorated accordingly. For example, if a student was present 12 out of the 20 possible school days in a month (i.e., 60%) and was in the program daily for at least 2 hours (i.e., \$250), the Contractor would bill the DRS for \$150.00 (i.e., 60% of \$250). A school month begins effective the first day the student is authorized to attend. For example, if school starts August 1, but the student is not authorized to attend until August 15, the school days that month available to that student begin on August 15.
2. For all school months containing fewer than 10 school days, the DRS shall pay to the Contractor on a prorated daily rate per individual client. The daily rates to be utilized are as follows.
 - Daily rate for clients participating for 3 hours at \$375.00 per month-- \$18.75 per day.
 - Daily rate for clients participating for 2 hours at \$250.00 per month-- \$12.50 per day.
 - Daily rate for clients participating for 1 hour at \$125.00 per month-- \$6.25 per day.
3. For example, if a student was present 9 out of the 9 school days for the

month of December (100% of the days in the short month) and was in the program daily for at least 3 hours (which would be at the \$375.00 per month amount), the Contractor would bill the DRS at a daily rate of \$18.75 for each day (i.e., \$168.75, which is \$18.75 times 9 school days).

4. This daily rate is to account for the months in which a school incurs a long holiday or significant break of any kind in which the students would not be attending school the typical number of days in a month (i.e., an average of 20 school days), and to account for schools that go year-round.
5. A student is considered in attendance for the day if the student is present at least 50% of the time that day that they are designated to be in Work Adjustment Training. For example, if a student is enrolled in Work Adjustment Training for 3 hours per day, and they are present in the program for at least 1 ½ hours of the program that day, they are considered in attendance. If they are present less than that amount of time due to illness or other reason, they are considered not in attendance. If they are enrolled in 2 hours, they would need to be present for at least 1 hour that day, and for 1 hour of enrollment, they would need to be present for at least a half an hour that day to be counted in attendance. Billing invoices must be adjusted if a student averages less time during the month than which he or she was originally authorized (e.g., a student who is authorized 3 hours a day who really ends up averaging about 2 hours a day over the month shall only be billed at 2 hours that month).
6. Time in WAT begins when instruction or employment readiness/practice begins and ends when said instruction/readiness ends. Breaks are not allowable billed time for DRS WAT programs. Travel time to get to the WAT facility does not count toward billable time.
7. There are no "free/excused" absences that may still be billed for by the Contractor. Daily student attendance must be counted.
8. The school Contractor providing WAT for its students and the Community Rehabilitation Provider (CRP) providing WAT services to students are responsible for providing transportation for DRS transition clients to and from community employment activities (unless other arrangements are made between the school and CRP) and may not seek reimbursement from the DRS for travel expenses. Schools are responsible for transporting their students to and from the CRP who is providing the WAT program for their students.
9. If an individual does not participate in training during any given month, payment shall not be made for that month. Payment shall be made upon submission of properly completed and approved progress reports and time sheets documenting services. By law the DRS cannot pay in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided and accepted by the DRS pursuant to the Contract.
10. The Contractor may use funds to develop, enhance, and implement the WAT program. All funds paid to the Contractor by DRS must be put back into the program and used for implementing the program. Examples of ways in which funds may be spent include, but are not limited to:

- a. WAT staff salaries and compensation package;
 - b. facility and maintenance costs;
 - c. substitutes to cover staff when at trainings;
 - d. training costs for WAT staff to attend the Annual Oklahoma Transition Institute (OTI), job coach training, and other training relevant to fulfilling the requirements of the WAT contract (and may include registration fees, hotel, per diem, mileage, and parking for WAT staff);
 - e. curriculum;
 - f. gas for transporting DRS clients to and from community businesses for the required minimum 6 community visits;
 - g. WAT vehicle maintenance, repairs, and depreciation;
 - h. program materials; and
 - i. uniforms or protective clothing and equipment required by community business partners.
11. DRS funds shall NOT be used to purchase food without the written permission from the DRS TC and solely for the purpose of teaching independent living skills. DRS shall only authorize the use of funds for food in situations in which independent living skills are taught to DRS clients, and the clients have a role in planning the menu, preparing shopping lists, budgeting, shopping, preparing and cooking, serving, and cleaning after the skills instruction; and
12. Upon request, the Contractor shall submit to the DRS TC an expenditure report or other proof of purchase/payment for expenditures of DRS funds.

B. Payment

The State of Oklahoma has forty-five (45) days from receipt of a proper invoice documenting the provision of services and/or receipt of a proper claim for reimbursement of travel expenses pursuant to the contract for services, timesheets, and progress reports documenting the provision of services to issue payment to the Contractor. Invoices/claims, time sheets and progress reports shall be sent to the DRS counselor who authorized services for each DRS client. The DRS counselor's name, address, and telephone number are shown on each DRS client's Authorization for Purchase. If the State of Oklahoma fails to make payment within the forty-five (45) days, the Contractor is eligible to receive interest on the unpaid balance due per State of Oklahoma Statutes. The Contractor is responsible for claiming the interest. Pursuant to 2 C.F.R. § 200.407(n), 2 C.F.R. § 200.441, the DRS shall not use federal funds or non-federal funds used for vocational rehabilitation (VR) match to pay interest assessed for late payments to the Contractor.

All students who are placed in the Work Adjustment Training program must be active VR/VS clients and have a trial work plan and/or an Individualized Plan of Employment (IPE) in place in order for the training facility to be paid a fixed rate.
