**TEACHER TERMINATION  
PROCEDURES**

In accordance with the policy of the board of education, the following procedures shall be followed in terminating the employment of career and probationary teachers.

Whenever the superintendent recommends to the board of education that a teacher employed within this school district be dismissed or not reemployed, the superintendent's written recommendation shall set forth the basis for the recommendation. The recommendation shall include the specific statutory grounds on which a career teacher should be dismissed or not reemployed, or the cause for which a probationary teacher should be dismissed or not reemployed, and shall include the underlying facts supporting the recommendation.

Whenever the board of education receives a recommendation for the dismissal or nonreemployment of a teacher, the board or individual designated by the board shall mail, or cause to be mailed, a copy of the recommendation to the teacher, by personal delivery to the teacher with a signed acknowledgement of receipt, or serve the recommendation and notice of hearing by process server. If mailed, such mailing will be by certified mail, restricted delivery, return receipt requested. The notice must specify the statutory grounds - for career teachers - or the cause - for probationary teachers - upon which the recommendation is based and shall include the teacher's right to a hearing before the board and the date, time, and place set by the board for hearing. Such hearing shall be held within the school district no sooner than twenty days nor later than sixty days following the teacher's receipt of notice. The board delegates the superintendent, as its agent, to set a time, date, and place for the hearing after consultation with the board president.

Hearing procedures for teachers shall be as follows:

1. The parties to the hearing are the teacher and the superintendent or designee, and they shall be afforded the following rights at any hearing held pursuant to these regulations:
  - A. The right to be represented.
  - B. The right to present witnesses in person or to present their testimony by interrogatories, affidavits, or depositions if agreed to by the parties. A list of all witnesses and exhibits shall be furnished to the other party at least five (5) days before the hearing.
  - C. The right to cross-examine witnesses.
  - D. The right to testify in his/her own behalf and present evidence and argument on all issues involved.
  - E. The right to have an orderly hearing.
  - F. The right to have an impartial decision based upon the evidence presented.
2. The board president or, in case of absence, a designee, shall be the presiding officer at the hearing.
3. The hearing shall be convened by the board president who shall state the purpose of the hearing, introduce the parties, and administer the oath to all persons who will testify.

**TEACHER TERMINATION PROCEDURES (Cont.)**

4. Upon the request of either party, the presiding officer may exclude from the hearing room the witnesses not at the time under examination, except that a party to the proceeding and his/her representative shall not be excluded.
5. At the hearing, the burden of proof shall be on the superintendent and the standard of proof shall be by a preponderance of the evidence.
6. The local board of education shall maintain such a record (including a tape or other electronic or digital recording of the hearing and any documents or evidence presented to the board) for two (2) years from the date of the hearing.
7. Informal disposition of any recommendation for dismissal or nonrenewal may be made by written stipulation, agreed settlement, consent order, or default.
8. The order of the procedures shall be:

  - B. Opening statement by the teacher.
  - C. Presentation of the superintendent's evidence, followed by cross-examination of witnesses by the teacher.
  - D. Questions by the board members.

  - G. Presentation of rebuttal and surrebuttal evidence as necessary.
  - H. Closing argument by the superintendent.
  - I. Closing argument by the teacher.
  - J. Deliberation by the board members.
  - K. Vote by the board to accept or reject the superintendent's recommendation and recitation of findings of fact upon which the decision is based.
9. Presentation and consideration of evidence shall abide by the following:
  - A. Only evidence that reasonably relates to the issues before the board, as reflected in the notice to the teacher, should be deemed relevant.

**TEACHER TERMINATION PROCEDURES (Cont.)**

- B. Strict rules of evidence as required by a court of law shall not apply in these hearings.
- C. Rulings on admissibility of evidence will be made by the presiding officer.
- D. Documentary evidence may be received in the form of copies or excerpts.
- E. Documentary evidence presented to the board shall be marked with a distinguishing number or letter such as Teacher's Exhibit #1 or Superintendent's Exhibit #1.
- F. While hearings are open to the public, no questions or statements will be allowed by members of the public attending the hearing except through the parties or their counsel.

The board of education may convene into executive session to deliberate findings of fact. After due consideration of the evidence and testimony presented at the hearing, the board of education shall vote in open meeting whether or not to dismiss or nonreemploy the teacher. The board's decision shall include a recitation of the basic or underlying facts relied upon by the board in reaching its decision. The teacher shall be notified in writing of the board's decision by certified mail, restricted delivery, return receipt requested, or substitute process as authorized by law within ten (10) business days of the hearing. The decision of the board regarding a teacher shall be final and nonappealable.

The board of education must forward hearing information concerning teachers to the State Board of Education on a prescribed form available from the administrative office. The superintendent or designee shall notify the State Board of Education within ten (10) days of the dismissal or nonreemployment of a probationary or career teacher for either criminal sexual activity as defined in 21 O.S. § 886 (sodomy) or sexual misconduct as defined at 70 O.S. § 5-144.

**TERMINATION OF EMPLOYMENT  
TEACHERS**

It is the policy of the \_\_\_\_\_ Board of Education that professional employees, who for any reason intend to resign or who intend to retire, are encouraged to indicate their plans in writing to the board as early in the school year as plans may become firm and the decision to leave the district is made. Resignations become effective at the end of the school year in which they are submitted. Resignations to become effective earlier than at the end of the school year require a release by the board and must be considered on an individual basis. Resignations for the subsequent school year likewise require a release by the board and will be considered on an individual basis. Letters of resignation must be mailed to the board by registered or certified mail.

Career teachers will be subject to dismissal at any time - or will not be eligible for reemployment - for:

1. Willful neglect of duty,
2. Repeated negligence in the performance of duty,
3. Mental or physical abuse to a child,
4. Incompetency,
5. Instructional ineffectiveness,
6. Unsatisfactory teaching performance,
7. Commission of an act of moral turpitude,
8. Abandonment of contract,
9. Conviction of a felony,
10. After a finding that such person has engaged in criminal sexual activity or sexual misconduct that has impeded the effectiveness of the individual's performance of school duties, or
11. Failure to earn required staff development points.

Mental or physical abuse to a child would also include, but is not limited to a finding that a teacher has, either in the presence of a minor or in a manner that such person has participated in making available to a minor online, engaged in sexual acts, acts that appeal to the prurient interest in sex as found by the average person applying contemporary community standards, or acts that excessively promote sexuality in light of the educational value of the material and in light of the youngest age of any student with access to said material.

Probationary teachers may be terminated or nonrenewed by the board for cause subject to any statutory due process requirements in effect at the time such teacher is recommended for dismissal or nonrenewal.

Procedures for dismissal of certified employees are governed by state law and all actions of the school district and the board are clearly identified in the statutes. However, nothing in this policy shall be construed to prevent layoffs due to lack of funds or work. No action regarding dismissal or nonrenewal of an employee shall be taken until the employee has received due process (see DO-R).

**TERMINATION OF EMPLOYMENT, TEACHERS (Cont.)**

The board of education may vote to offer employment or to not offer employment for the subsequent school year in advance of the statutory deadline. Until a written contract is executed or until the statutory deadline passes, the board may vote to not reemploy a certified employee.

The superintendent is directed to prepare procedures for the termination of career and probationary teachers in support of this policy.

## DUE PROCESS FOR ADMINISTRATORS

Pursuant to a proposed recommendation that a full-time certified administrator be dismissed or nonreemployed from an administrative position within the school district, the board will follow this procedure:

1. A written statement will be submitted to the administrator before the dismissal or nonreemployment advising of the proposed action, listing the reasons for the action, and notifying the administrator of his right to request a hearing before the board prior to the action.
2. A hearing by the board will be granted upon the administrator's request before the board takes action on the proposal. Such request for a hearing must be submitted to the board by certified mail, restricted delivery with return receipt requested, no later than ten days after the administrator has been notified of the proposed action.
3. Upon receipt of the administrator's request for a hearing, the board will conduct such hearing at its next regularly scheduled meeting or at a special meeting. The failure of the administrator to timely request a hearing after being properly notified will be deemed a waiver of the right to a hearing and the decision of the board will be final.
4. Pending final determination of an administrator's dismissal or nonreemployment, the board or superintendent may suspend the administrator if it believes that the immediate suspension is in the best interest of the school district. Such suspension will not deprive the administrator of any compensation or benefits to which the administrator may be entitled. The board will initiate dismissal action within ten days from the effective date of suspension. However, in cases involving a criminal charge or indictment, the suspension may extend to such time as the administrator's case is finally adjudicated at trial.

After full implementation of the Oklahoma Teacher and Leader Effectiveness Evaluation System (TLE) as set forth in Section 6-101.10 of this title, a principal who has received a rating of "ineffective" as measured pursuant to the TLE as set forth in Section 6-101.16 of this title for two (2) consecutive school years, shall not be reemployed by the school district, subject to the due process procedures of this section.
