5. VISION

Every student achieves individual success—becoming resilient, confident, and empowered to contribute meaningfully to their communities—thriving in a flexible learning environment where barriers are removed and support is always available.

6. VALUES

V – Value Relationships (*Service & Hospitality / Healthy Partnerships*)

We build strong, respectful relationships with every student, family, and each other while providing second chances without stigma.

A – Adapt for Each Learner (*Innovation*)

We provide flexible learning and remove barriers to meet students where they are.

L – Learn for Life (*Empowering Leadership*)

We teach academic and life skills so students are prepared for their future.

T – Take Ownership (*Empowering Leadership*)

We hold ourselves and our students accountable for growth, effort, and results.

S – Strengthen Community (*Healthy Partnerships / Nurturing Communication*)

We partner with families and communities to support every student.

7. PHILOSOPHY

The philosophy is based upon the belief that students have a right to a free, appropriate education; and students, when offered the appropriate environment, can experience educational success. The traditional education model, effective as it may be for the majority of our students, does not provide the right environment for some students. VALTS will be student rather than department centered. Its curriculum will be built upon state and district mandated standards.

RECITALS

WHEREAS, Banner County, Bayard, Bridgeport, Creek Valley, Gering, Kimball, Leyton, Minatare, Mitchell, and Morrill are desirous to enter into an Interlocal Cooperative Agreement, the purpose of which is to provide an alternative learning environment for students; and

WHEREAS, Banner County, Bayard, Bridgeport, Creek Valley, Gering, Kimball, Leyton, Minatare, Mitchell, and Morrill are determined that the establishment of this Interlocal Cooperative Agreement will best serve the students of each respective school district and further shall provide the means of improving and facilitating the quality of education for said students and further shall provide a means of sharing instructional assignments, programs, activities, and functions thereby eliminating duplications of cost of providing such services.

NOW, THEREFORE, IT IS AGREED by and between the parties as follows:

1. NAME

The name of the Interlocal Cooperative Agency hereby established shall be:
VALLEY ALTERNATIVE LEARNING TRANSITIONING SCHOOL (hereinafter referred to as "VALTS")

2. PURPOSE

Banner County, Bayard, Bridgeport, Creek Valley, Gering, Kimball, Leyton, Minatare, Mitchell, and Morrill hereby agree pursuant to the terms of this Interlocal Cooperative Agreement that there is hereby established an Interlocal Cooperative Agreement pursuant to Sec. 13-804 R.R. S. 1943 et seq. hereby establishing a separate entity for the purpose of providing for the general education needs and providing educational services as identified and required by member school districts and further providing for

economy, efficiency and cost effectiveness in the cooperative delivery of education services.

Subject to approval by the Board of Education of VALTS, the allocation of educational slots for students attending VALTS shall be as follows:

Mitchell Public School District # 31	=	8 slots
Gering Public School District #16	=	5 slots
Bridgeport Public School District #63	=	3 slots
Morrill Public School District #11	=	3 slots
Bayard Public School District #21	=	2 slots
Minatare Public School District #2	=	2 slots
Creek Valley Public School District #25	=	1 slot
Kimball Public School District #1	=	1 slot
Banner County Public School District #1	=	1 slot
Leyton Public School #3	=	1 slot

Additional slots for districts may be allowed if approved by VALTS/ESU #13 Administration. Member districts also have the option of transferring excess student slots. Any transfer must meet the following conditions:

1. Should a district assume such a slot, the cost of the slot will be the prevailing rate charged all member districts for that same year.
2. The district assuming the slot will pay for the slot on a quarterly basis.

3. GOALS

1. To provide alternative ways for students to achieve high school graduation resulting in increased graduation rates and preparation for life after high school.
2. To certify that, upon completion of a course, students will have reached or surpassed the district and/or state performance assessments which measure student progress.
3. To develop innovative student performance assessments which measure student progress.
4. To provide a caring, diversified learning environment where students will develop positive self-concepts, increase their self-esteem, and recognize and appreciate the correlation between education and success in the workplace.
5. To be accountable to the community and the home school district through quality student achievement.
6. To provide opportunities for community involvement.
7. To provide a safe and orderly school environment.
8. To provide an alternative, diversified environment where students can achieve success.

4. MISSION

VALTS creates a safe, personalized learning environment where students reclaim their path to school, develop resiliency and life skills, and graduate prepared for future academic and career success.

5. VISION

Every student achieves individual success—becoming resilient, confident, and empowered to contribute meaningfully to their communities—thriving in a flexible learning environment where barriers are removed and support is always available.

6. VALUES

V – Value Relationships (*Service & Hospitality / Healthy Partnerships*)

We build strong, respectful relationships with every student, family, and each other while providing second chances without stigma.

A – Adapt for Each Learner (*Innovation*)

We provide flexible learning and remove barriers to meet students where they are.

L – Learn for Life (*Empowering Leadership*)

We teach academic and life skills so students are prepared for their future.

T – Take Ownership (*Empowering Leadership*)

We hold ourselves and our students accountable for growth, effort, and results.

S – Strengthen Community (*Healthy Partnerships / Nurturing Communication*)

We partner with families and communities to support every student.

7. PHILOSOPHY

The philosophy is based upon the belief that students have a right to a free, appropriate education; and students, when offered the appropriate environment, can experience educational success. The traditional education model, effective as it may be for the majority of our students, does not provide the right environment for some students. VALTS will be student rather than department centered. Its curriculum will be built upon state and district mandated standards.

8. DURATION

This Interlocal Cooperative Agreement shall continue until terminated by the Parties as provided herein. This Agreement may be terminated by agreement of all Parties.

9. NOTICE OF PARTICIPATION

The district will be committing to participate in VALTS for two school years beyond the current school year. Each member district agrees it shall budget and pay an assessed amount per slot as determined and agreed to each year by the VALTS Board of

Education. The VALTS Board of Education shall, on an annual basis, discuss procedures to address any shortfalls or excesses in the budget which may exist.

A district shall notify ESU #13 and the VALTS Board of Education of its intent to increase slots in the VALTS program for the upcoming year by February 1st of the current school year. If such notification is received by ESU #13 and the VALTS Board of Education after February 1st, then such change shall be subject to the approval of ESU #13 and the VALTS Board of Education as to if it will become effective for the upcoming year.

A district shall notify ESU #13 and the VALTS Board of Education of its intent to decrease slots in the VALTS program for the upcoming year by February 1st of the current school year. If such notification is received by ESU #13 and the VALTS Board of Education after February 1st, then such change shall not become effective for the upcoming year, but shall become effective for the following year.

If a party is completely withdrawing from the VALTS program, it must give notice before February 1st of the current school year, and such withdrawal shall become effective two years from the end of the school year notification is received. A party who has withdrawn shall have no right to accumulated assets of the Interlocal Cooperative Agency, nor shall the withdrawing party have a right to require the remaining parties to liquidate or otherwise dispose of assets of the Interlocal Cooperative Agency.

10. GENERAL POWERS

Said Interlocal Cooperative Agency shall have all power authorized by the laws of the State of Nebraska including the power to acquire or dispose of real and personal property and shall constitute a separate public body corporate and politic of the state and shall have power: (a) to sue and be sued; (b) to make and execute contracts and other instruments necessary and convenient to exercise of its power; (c) and from time to time to make, amend and repeal bylaws, rules and regulations not inconsistent with the Interlocal Cooperative Act and the agreement providing for its creation, and to carry out and effectuate said powers and purposes.

All purchasing for VALTS will adhere to the ESU #13 approved purchase process and relevant Board policies.
