This policy is subject to further interpretation or guidance by administrative or board regulations. Students are encouraged to contact their building administration, their teachers or their coaches, and sponsors for further specifics.

A. Definitions.

- 1.** "Students" means students, their parents, guardians or other legal representatives.
- 2.** "Extracurricular activities" means student activities or organizations that (1) are supervised or administered by the district; (2) do not count toward graduation or advancement between grades; and (3) are not otherwise required by the district.
- 3.** "Post-secondary education costs" means tuition and other fees associated with obtaining credit from a post-secondary educational institution.

B. Listing of Fees Charged by this District.

2. Safety Equipment and Attire.

The district will provide students with all safety equipment and attire that is required by law. Building administrators will assure that (a) such equipment is available in the appropriate classes and areas of the school buildings, (b) teachers are directed to instruct students in the use of such devices, and (c) students use the devices as required.
