SUPERINTENDENT'S CONTRACT OF EMPLOYMENT LEXINGTON PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Lexington Public Schools**, legally known as **Dawson County School District 24-0001**, and referred to as "the Board" and "the District" respectively, and **John Whetzal**, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Superintendent shall be employed for a period of 2 year(s) beginning on July 1, 2026, and expiring on June 30, 2028. References to "contract year" shall mean the period from July 1st through June 30th. The Superintendent's generally expected working days shall consist of all days Monday through Friday, but generally not Saturdays and Sundays and any holidays or leave days listed in Section 11. However, the Superintendent will work all days necessary to complete the Superintendent's duties, even if those are weekend days or holidays. The Superintendent shall keep complete and accurate records of working days and shall provide the Board of Education with a report of the accumulated working days at least quarterly.

Section 2. Renewal of Contract. If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular December 2027 board meeting (and each December thereafter)** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than **its regular November meeting** of each year of this contract and shall make the renewal of the Superintendent's employment contract an agenda item for the regular **December** board meeting during each year of this contract. At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to ensure that the District has complied with the Superintendent Pay Transparency Act.

Section 3. Salary. The Superintendent's salary for the contract year shall be \$200,000.00 which shall be paid in 12 equal monthly installments beginning in the month of August 2026. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the

contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation and shall be subject to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The District shall withhold other deductions as the Superintendent and Board may agree.

Section 5. Professional Status. The Superintendent affirms that the Superintendent is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, the Superintendent will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which the Superintendent will register and maintain on file in the District's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that the Superintendent registers the certificate. The Superintendent represents that: (1) all information provided in connection with the Superintendent's application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, the Superintendent will advise the Board immediately; (2) the Superintendent has never been convicted of or plead no contest to a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) the Superintendent has not had any professional licenses or certificates suspended or revoked.

Section 6. Superintendent's Duties. The Superintendent's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Superintendent agrees to devote the Superintendent's time, skill, labor and attention to all required duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns. By agreement with the Board, the Superintendent may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties

and obligations as long as they do not interfere with carrying out the Superintendent's duties and obligations to the District.

Section 7. Board-Superintendent Relationship. The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the District and shall be responsible for implementing Board policy. The Superintendent shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. The Superintendent is responsible for administering the instruction of students and the business affairs of the District. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

Section 8. Cancellation or Mid-Term Amendment. The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

Section 9. Disability. If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period

of more than sixty (60) days, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the District.

Section 10. Transportation. The Board shall provide the Superintendent with transportation or reimburse the Superintendent for mileage required in the performance of official duties at the then-current IRS rate.

Section 11. Fringe Benefits. The Board shall provide the Superintendent with the following fringe benefits:

- a. Health Insurance.** Health insurance through the District's health insurance carrier for the employee; employee and children; employee and spouse; or employee, spouse, and children (as applicable).
- b. Dental Insurance.** Dental insurance through the District's health insurance carrier for the employee; employee and children; employee and spouse; or employee, spouse, and children (as applicable).
- c. Life Insurance.** Term life insurance with a total death benefit of Fifty-Thousand Dollars (\$50,000).
- d. Disability Insurance.** The Superintendent shall purchase long-term disability insurance from the District's carrier at the Superintendent's own expense.
- e. Sick Leave.** The Superintendent shall be entitled to 10 days of sick leave per year which may accumulate to a total of sixty-five (65) days. Sick leave may only be used for personal illness or as otherwise provided in District policy. If the Superintendent qualifies for disability pay under the long-term disability policy, the Superintendent shall be required to take the disability pay instead of sick leave pay. The Superintendent shall keep complete and accurate records of sick days accrued and used and shall provide the Board with a report of accumulated sick days at least quarterly and upon request. The Superintendent shall not

be compensated for unused days of sick leave upon the ending of employment with the District.

f. Vacation. The Superintendent shall have twenty (20) vacation days for the initial contract year which the Superintendent may use at times the Superintendent chooses so long as the absence does not interfere with the proper performance of the Superintendent's duties. Any extended vacation period while school is in session will require advance approval by the Board, and the parties will cooperate in arranging vacation time so as to cause the least inconvenience to the normal operation of the District. After the initial contract year, the Board shall give the Superintendent the number of vacation days necessary to restore the total to twenty (20) days. For example, if the Superintendent uses 12 days of vacation one year, the Board will provide the Superintendent with 12 days the following year to bring the total vacation days back to 20. The Superintendent shall develop a system for recording use of vacation days and shall keep such records current and on file in the District's central office. The Superintendent shall keep complete and accurate records of all vacation days and shall provide the Board of Education with a report of accumulated vacation days at least quarterly and upon request. The Board may require the Superintendent to use vacation days and shall compensate the Superintendent for unused vacation days upon the conclusion of employment at a rate of \$100.00 per day.

g. Professional Development. The Superintendent is expected to continue and seek professional development and to participate in relevant learning experiences. With the approval of the Board, the Superintendent may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Superintendent attends a national convention and does not return following the initial year of employment as Superintendent, the Superintendent agrees to repay the District in full for national convention expenses paid by the District.

h. Professional Dues. The District will pay the annual dues for the Superintendent's membership in the following organizations: Nebraska Council of School Administrators

(NCSA) and the American Association of School Administrators (AASA).

- i. Physical Examination.** The Superintendent may voluntarily undergo a physical examination. The Superintendent agrees to authorize the physician performing each such examination to provide the Board with all records, results and medical judgments of the examination. Up to \$500.00 of the cost of such physical examination and physician's reports which are not paid for by the Superintendent's insurance coverage shall be paid by the District.
- j. Bereavement Leave.** The Superintendent shall be permitted bereavement leave as provided in District policy. In the event that the District does not have a bereavement leave policy, the Superintendent will be allowed up to three (3) days of paid bereavement leave per year.
- k. Holidays.** The Superintendent shall receive the following holidays off without loss of pay or having to take a paid leave day: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day.
- l. Cell Phone.** The Board shall provide the superintendent with a cell phone for business use.
- m. Expense Reimbursement.** The Board shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$3,000.00 or more.

Section 12. Residence/Domicile in District. The Superintendent shall establish domicile and principal residence within the boundaries of the District as they exist on the first duty day under the terms of this contract;

and, the Superintendent shall maintain domicile and residence within the boundaries of the District during the term of this contract, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Superintendent does not establish domicile and principal place of residence within the District at the commencement of employment, the Superintendent shall move the Superintendent's domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Superintendent's first duty day under this contract. It is the purpose of this paragraph to require the Superintendent to, at all times during such employment, live and maintain domicile and principal place of residence in the District to encourage the Superintendent: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the District as a legal voter of the District; (3) to be involved in school and community activities bringing the Superintendent in contact with parents and community leaders and be committed to the future of the District and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Superintendent; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which the Superintendent is the educational leader.

Section 13. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 14. Compensation Upon Termination. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary paid but not earned prior to the date of termination of this contract.

Section 15. Evaluation. The Board shall evaluate the Superintendent twice during the Superintendent's first year of employment and at least once each year thereafter. The first evaluation during the first year of employment and the yearly evaluations after the first year of employment shall occur no later than the **regular December meeting**. The Superintendent shall: remind the Board members in writing of this provision no later than its **regular November meeting**; if the evaluation will be conducted at a board meeting,

make the Superintendent evaluation an agenda item for the regular **December** Board meeting during each year of this contract; and provide the Board members with the written evaluation instrument that is on file with the Nebraska Department of Education.

Section 16. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by carrying out the Superintendent's duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of the Superintendent's performance of duties or position as the Superintendent of the District, the Board will provide the Superintendent with a legal defense to the maximum extent permitted by law so long as the Superintendent acted in good faith and in a manner which the Superintendent reasonably believed to be in or not opposed to the best interests of the District and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the Superintendent's conduct was unlawful.

Section 17. Physical or Mental Examination. The Superintendent agrees that, at the request of the Board, the Superintendent will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this contract. In deference to the requirements of state and federal law, the physician's report to the Board must address whether the Superintendent is able to perform the "essential functions" of the position.

Section 18. Disciplinary Action. The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the District to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting. The Board may suspend the Superintendent without pay for a period not to exceed thirty (30) working days. Prior to suspending the Superintendent without pay, the Board president or secretary shall deliver a written notice to the Superintendent advising the Superintendent of the alleged reasons for the proposed action and provided the opportunity to present the Superintendent's version of the facts. Within seven calendar days after receipt of such notice, the Superintendent may make a written request to the secretary of the school board for a due process hearing under section 79-832. If such a request is not delivered within such time, the action of the Board shall become final.

Section 19. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contact.

Section 20. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

Section 21. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

Freight Services and Definitions

To assist in your delivery requirements the following definitions are provided:

All standard shipments are shipped Dock-to-Dock. Optional services are available upon request, additional costs apply. Contact your Samson Sales Rep for information.

Dock- to- Dock Freight carrier transports from the Samson dock to the specified Ship- to-Address. The commercial driver only prepares the equipment for unloading. It is the customer's sole responsibility to uncrate and unload the equipment. Other than the initial quote for freight there are no other charges or costs.

Lift-gate Service (Available for certain pieces of equipment) Freight carrier is requested to employ mechanical unloading devices, including hydraulic lowering devices to deliver the equipment off the trailer. The driver is responsible only for getting the equipment to the ground. This is an additional service that must be requested by the customer. This cost will be determined during the initial quote process.

Inside Delivery At the customer's request and as the carrier's operating conditions permit, the carrier may move equipment to positions beyond the adjacent truck unloading position. Driver moves equipment inside building door only, so long as no stairs or other obstacles exist. This cost will be determined during the initial quote process.

Supervised Installation Samson will provide one individual to supervise the proper installation of equipment. The customer is responsible for unloading and the placement of equipment. The customer must provide the required tools for assembly. This cost will be based upon the facility layout and determined during the initial quote process.

Full Installation Samson will provide the necessary number of personnel to accomplish the full installation of equipment. Customer will provide an individual to allow Samson access into facility and to oversee the installment. This cost will be based upon the facility layout and determined during the initial quote process.

Turn Key Service The commercial carrier may provide this service which includes the following: lift-gate to unload, unpackage, place equipment for use with partial or full assembly and removal of dunnage from site. If requested, this cost will be determined during the initial quote process.

*Note. For insurance purposes Samson cannot drill into walls or floors to install equipment.

A SERVICE CHARGE OF 1.5% PER MONTH WILL BE APPLIED TO ALL PAST DUE INVOICES
