Re: Recommendation to Increase Substitute Pay

Date: January 12, 2022

The Johnson City Schools Finance Committee met January 11, 2022. The need to increase substitute pay was discussed. Currently the rate for substitutes is \$100 daily for retired JC Schools Teachers and \$70 daily for any other substitute. The recommendation was made to increase the rate to \$110 daily for any retired teacher and \$80 daily for all other substitutes.

We are submitting for approval the recommendation to increase substitute pay to \$110 daily for a retired teacher and \$80 daily for all others beginning with the next pay period starting January 21, 2022. A teacher retired from a district other than Johnson City Schools will need to provide experience verification/proof that they are a retired teacher.
